This article only refers to those items specifically enumerated in this contract and does not diminish any of the District's rights contained in this contract.

ARTICLE XIV

The Board retains all the rights, privileges and authority it had prior to signing this Agreement except as specifically abridged, modified or limited by this Agreement.

CURRICULUM

The Association knows that an active, ever-changing curriculum which keeps pace with the times is essential. Therefore, the following suggestions are listed below:

- A. Active curriculum committees will continue to be set up on subject matter fields. Members working on curriculum committees will be chosen by the Administration so that a full range of experience is utilized. These committees will keep abreast of new materials, current practices of other schools and experimentation taking place in their fields.
- B. By the preceding February, each curriculum committee will report its recommendations, names of teachers to work on curriculum change and an itemized budget.
- C. If a curriculum committee feels a need for additional study by a teacher, or teachers, for the purpose of meeting demands of new curriculum, a request for a grant may be made to the Superintendent. If approved, this grant would cover tuition, travel and a stipend equal to the amount offered by the Federal Government. If a teacher receives a Federal Grant, he or she is not eligible for Board reimbursement.
- D. In-service courses will continue to be given. Areas of interest will be determined in part by suggestions from classroom teachers in cooperation with Administrators. In-service courses will be given for enrichment if sufficient desire is shown by the teachers.

- (6) The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement.

- (8) Arbitration shall not have the authority to deny to the Board or the Association membership any function, judgment and discretion granted to the Board or the Association membership by law.
- (9) Cases involving moral turpitude or professional competence will not be arbitrated.
- (10) The decision of the arbitrator shall be final and binding upon all parties and shall become a part thereof.

- (5) Forms for filing grievances, serving notice, taking appeals, making reports and recommendations and other necessary documents will be jointly prepared. The Board shall then print appropriate forms for distribution so as to facilitate operation of the grievance procedure.
- (6) Decisions rendered at each step of the grievance procedure shall be in writing, setting forth the decision and the supporting reasons therefore, and will be promptly transmitted to all interested parties.
- (7) If in the judgment of either party, a grievance affects a group or class of teachers and appears to arise from the alleged action of authority higher than the Principal of a school or is associated with system-wide policies, it may be submitted directly at Step 2, to be described below.
- (8) Every effort will be made to schedule grievance hearings after school hours. If unable to accomplish it after the hours of employment, investigation of grievances as may be required shall be conducted during the hours of employment. In the course of such investigation, representatives of the Association will advise the Principal of the building being visited of the purpose of the visit immediately upon arrival. Every effort will be made to avoid interruption of classroom activities and to avoid involvement of students in any phase of the grievance procedure.
- (9) Nothing contained herein will be construed as limiting the right of any party having a grievance to discuss the matter informally with any appropriate member of the other party and having the grievance adjusted without imposition of the formula procedure, provided such adjustment is not inconsistent with the terms of this Agreement.

D. STEPS IN THE GRIEVANCE PROCEDURE

- (1) All grievances must be reduced to writing and submitted to the teacher's immediate superior or to the teacher (if grievance is raised by the Board) within twenty (20) days after the event occurred giving rise to the grievance. A written answer to the grievance must be rendered within five (5) days.
- (2) If not settled, the grievance may, within ten (10) days, be submitted to the Superintendent or the President of the Association. A meeting on the grievance shall be held within ten (10) days and a written decision on the grievance rendered within five (5) days thereafter.
- (3) If not settled, the grievance may, within ten (10) days, be submitted to the Board or President of the Association, who shall consider the same within five (5) days or at its next scheduled meeting, whichever is later. A decision shall be rendered within ten (10) days thereafter.
- (4) If not settled, the grievance may, within fifteen (15) days, be submitted to final and binding arbitration before an arbitrator selected according to the procedures of the American Arbitration Association.
- (5) The arbitrator's decision will be in writing and will set forth his finding of fact, reasoning and conclusions of the issues submitted.

ARTICLE X

GRIEVANCE PROCEDURE

A. DEFINITION

Any dispute concerning the interpretation of application of this Agreement may be raised as a "Grievance" by either party to this Agreement. Days are to be working days, which shall mean all days the District Office is open, including Summer, but not including recess periods.

B. TIME LIMITS

- (1) Since it is important that grievances be processed as rapidly as possible, the number of days permitted to any party at any step should be considered a maximum and every effort will be made by all parties to expedite the process.
- (2) The primary purpose of the procedure set forth in this article is to secure, at the earliest level possible, equitable solutions to complaints or grievances of teachers or groups of teachers or the Board. Both parties agree that proceedings under this Article shall be kept as informal and confidential as may be appropriate.
- (3) The time limits may be extended by mutual agreement.

C. GENERAL PRINCIPLES

- (1) It shall be the firm policy of the Board to assure to every teacher an opportunity to have unobstructed use of this grievance procedure without fear of reprisal or without prejudice in any manner to his professional status.
- (2) The failure of an aggrieved party to raise a grievance in the prescribed time period or to proceed to the next step within the time limit set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance, provided, however, in the event new facts are obtained which were not previously known to him but which, if they had been known, might have influenced the disposition of the grievance, the presentation of such information to the parties in interest shall constitute grounds to reopen the grievance procedure at that level at which it had been terminated; provided further, in the event a decision has been rendered in a grievance and the decision has not been implemented or has been violated the presentation of such evidence to the parties in interest shall constitute ground to reopen the grievance at the level at which it had been terminated.
- (3) At any level, the failure of an Administrator to communicate his decision to the teacher within the specified time limits shall permit a teacher and/or the professional status committee to proceed to the next level.
- (4) If a grievance is filed on or after June 1st, which if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as possible.

- (2) If for some reason a person does not return to the East Rochester Public Schools after the completion of his paid professional leave and any extensions such as a leave of absence without pay, he shall contract to reimburse the School District for all monies expended by the District for his benefit during the extent of the paid professional leave.
- (3) If a person returns to the School District but leaves before his obligations are completed, he must reimburse the School District proportionately for the time yet to serve under the conditions outlined in (2) above.
- (4) In the event of death or disability, the recipient of a leave of absence or his estate would not be expected to reimburse the School District.
- (5) Along with the application for a paid professional leave the teacher must submit a detailed plan of the way in which the paid professional leave would be spent and its educational relevance. This plan shall be evaluated in terms of its educational relevancy and approved by the Superintendent before the professional leave is granted.
- (6) All recipients must follow carefully their proposed and accepted plan and any deviations from this plan must be reported immediately to the Superintendent. The continuation of the paid professional leave will be dependent upon acceptance of the change in plans. This, of course, would not be applicable to small changes in college study plans as perhaps would be dictated by the chairman of a degree program or of a department.
- (7) All paid professional leave recipients must make a comprehensive final report to the Board of Education, the Superintendent and to other groups within the school setting as directed by the Superintendent.
- (8) Interim reports, while not necessary, are desirable and would be welcomed.
- (9) If a paid professional leave is given for study, there will be no restrictions as to the minimum number of hours taken in a given semester, or a given year, but the anticipated program will be approved by the Superintendent, and it is expected that a recipient will carry on a full-time study program.
- (10) On paid professional leaves granted for research, the major part of the recipient's time must be spent in active research endeavors. This would include active field research plus library research and writing of reports of the research such as in a doctoral thesis.
- (11) It is expected that on paid professional leave programs granted for teaching as outlined under "Purposes", the work would be of such a nature that benefits could be derived by the East Rochester Public Schools on the return of the recipient.

- (6) A candidate, having made application for a paid professional leave, will be allowed to withdraw as a candidate without penalty if his withdrawal comes prior to the employment of his replacement or when other arrangements can be made for the given school year. If a candidate withdraws his application in a given school year, he will remain on the eligibility list until his paid professional leave is taken.
- (7) The granting of a paid professional leave will in no way jeopardize the applicant's eligibility for receiving fellowships or other leaves of absence at later dates. Time spent on professional leave will be considered equivalent to service within the School District except that it will not be considered as a year of service in computing the five-year requirement for an additional paid professional leave.

E. STIPENDS AND BENEFITS

- (1) An applicant who has received a paid professional leave for a full year may be granted up to one-half his normal teaching salary for which he is eligible during the year he takes his leave, exclusive of extra duties. If he is granted a half-year paid professional leave, he can be granted up to his normal teaching salary for that half year.
- (2) The salary to which a paid professional leave recipient is entitled will be paid on a regular school year payroll schedule.
- (3) Paid professional leave shall be considered as service for a regular step on the salary schedule.
- (4) Credit for hours accrued on a paid professional leave will be granted immediately after returning from leave, subject to the restrictions of the salary schedule in effect at that time, and the receipt of an official transcript.
- (5) A person awarded a paid professional leave will be eligible for across-the-board salary increases which become effective while he is on leave.
- (6) A person awarded a paid professional leave will be appointed to at least a comparable position on his return.
- (7) Provisions will be made for health insurance, major medical and other fringe benefits for which a person would normally be eligible.
- (8) Recipients of a paid professional leave must report scholarships, grants in aid, teaching salaries, fellowship aid, research grants or other forms of related income. The salary grant from the School District may be contingent on these other forms of income. Total income while on leave shall not be more than the scheduled local teaching salary.

F. OBLIGATIONS

- (1) Recipients of a paid professional leave from the East Rochester Public Schools are obligated to return to the East Rochester Public Schools to serve a minimum of two years after completion of their leave program.

- (2) Research: Participation in a research program, individual research or institutional research which will improve knowledge of his field and better prepare the individual staff member for service to East Rochester Public Schools. Along with research some staff members may want to use a professional leave to write a dissertation, a textbook or a series of articles.
- (3) Teaching: There are many excellent school systems in which new and exciting explorations are taking place. It would seem to be a benefit to the East Rochester Public Schools to allow its teachers to use a paid professional leave in teaching in an outstanding school system. This might be teaching at a university, in a foreign school in experimental or institutional settings, or in an eminently superior school setting. Such participation should be a significant addition to our own curriculum and procedures.
- (4) Industry: There may be times when a staff member would gain by using a paid professional leave to work in industry. Industrial experience would prove beneficial to those teachers dealing with programs related to industry or business.

C. LENGTH OF PROFESSIONAL LEAVE

- (1) It is assumed that in most situations the request for paid professional leaves will be a request for a full year away from the school. However, consideration will be given to half-year absence.
- (2) If the one-year leave of absence is not sufficient for the completion of an academic program or perhaps a research program, participants may apply for an additional leave of absence without pay with assurance of reappointment to the system upon completion of this leave.

D. ELIGIBILITY AND QUALIFICATIONS

- (1) All full-time professional employees of the School District who meet the requirements listed are eligible to apply for the paid professional leave program.
- (2) Length of Service: An application for paid professional leave will be accepted after an applicant has served satisfactorily as a full-time professional employee in the East Rochester Public Schools for a period of (5) years.
- (3) Application forms for a paid professional leave should be obtained from the Superintendent. Completed applications must be returned to the Superintendent by March 1 of the year prior to the school year for which the leave is requested.
- (4) The granting of a paid professional leave for a given individual in a given year is contingent on the availability of a suitable replacement. If a suitable replacement is unavailable in a given year and an applicant is denied the granting of a paid professional leave for that reason, he will receive priority for the following year or when a suitable replacement is available.
- (5) No more than two members of the professional staff regularly employed in a given year may be granted paid professional leave.

J. ADOPTION LEAVE

- (1) Any teacher adopting a child or children will be granted a one-year leave of absence without pay upon request.
- (2) Upon return the teacher shall be placed in the same or similar position for which qualification exists. All benefits shall be reinstated upon teacher's return. Salary will commence at the next appropriate salary step for that individual. (For example, a teacher who leaves after a year when on step 12 will be placed on step 13 when he or she returns.)

K. NOTIFICATION OF ABSENCE

Notification of absences shall be made as soon as possible to the principal or principal's designee of your school so that adequate substitutes may be secured. In case of absence not mentioned in the above regulations, the Principal of your building shall be contacted sufficiently soon so that approval and necessary arrangements may be made.

L. TERMINATION OF EMPLOYMENT

Upon termination of employment, all sick leave allowance is canceled. No payment for unused reserve will be made.

M. SALARY DEDUCTION

In the event of full salary deduction, 1/200th of the annual contract salary minus substitute salary will be deducted for each full day's absence. Effective July 1, 1988, in the event of full salary deduction, 1/200th of the annual contract salary will be deducted for each full day's absence.

ARTICLE IX

PAID PROFESSIONAL LEAVES

A. INTENT

The intent of the paid professional leave program is to permit the regularly certified full-time professional employees to further their professional growth on a long-term basis and to qualify themselves for better professional service to the District.

It should be understood that the paid professional leave program is a privilege and not a right of employment. The mere completion of the minimum number of years of employment does not in itself justify the expectation of leave.

B. PURPOSES FOR WHICH PAID PROFESSIONAL LEAVES MAY BE GRANTED

Professional staff members who have completed satisfactory service in the East Rochester Public Schools may apply for a paid professional leave to improve personal and professional preparation. The specific reason for a request for leave will vary from person to person. However, it is expected that most requests will fall in the following areas:

- (1) Study: Advanced study in a recognized field which enables participants to improve their teaching, administrative and supervisory skills and thus enhance the educational program of the East Rochester Public Schools.

Death (other than immediate family);
Personal business having a direct application to the teacher's duties;
Emergency family or personal obligations. The first day used for this
reason shall be in the discretion of the Superintendent.

One unused Personal Obligations Day may be added to sick leave accumulation at the end of the school year.

H. VISITING DAYS

Any professional employee on the permanent staff will be allowed one visiting day each year to visit another school or attend a conference, provided such visit is approved, in advance, by the Superintendent of Schools. Professional employees will be responsible for expenses involved on such visits when the visiting day is initiated by the employee. However, when the visiting day is initiated by the School District, the School District will bear the traveling expenses.

I. FAMILY LEAVE POLICY

(1) A leave of absence for maternity purposes shall be granted on the following basis:

(a) Notification: As soon as the employee determines she is pregnant, she must notify the Superintendent's Office in writing, with a statement from her physician which provides his estimate of the delivery date and his evaluation of the employee's physical abilities to continue performing the full duties and responsibilities of her position.

(b) Commencement: The employee must notify the Superintendent's Office, in writing, of the date she wishes to commence her leave of absence, as determined by her attending physician. She shall be permitted to continue on active duty until such date, provided she does perform the full duties and responsibilities of her position, and furnishes additional statements from her physician upon reasonable request.

(c) Duration: Within eight weeks following termination of pregnancy, the employee's physician will certify in writing to the Superintendent that such employee is or is not physically capable of returning to work. After medical certification, the employee may be granted an additional leave, without benefits, up to one year from the date of medical certification. She may resume her teaching duties upon giving fifteen (15) days notice to the Superintendent.

(d) Return from leave: Upon her return she shall be placed in her same or similar position for which she is qualified. All benefits shall be reinstated upon her return; however, she shall not advance in salary unless she taught at least through February of the school year in which her leave commenced.

(e) Benefits: While on leave, shall be extended as for any other employee on sick leave. The paid portion of such a leave is only for the period of time which the employee herself is physically disabled, and only to the extent such employee has sick leave days accumulated.

- (1) The District carries employees' compensation insurance. In the event of accident covered by such insurance, professional employees shall be paid the difference between the wage allowance under compensation and the salary which would have been earned had there been no absence from duty.
- (2) Any award for permanent injury or disfigurement is excluded in this consideration.

D. ILLNESS OR ACCIDENT IN THE FAMILY

Time not to exceed five (5) days per year, not cumulative, may be used for critical illness or accident in immediate family or for unusual circumstances brought about by illness or accident in the immediate family. These days will be taken from the personal Sick Leave Reserve. Immediate family will be defined to mean spouse, child, father, mother, sister, brother or relative living in the household.

E. DEATH IN THE FAMILY

In the event of death in the family, the following days are allowable and such absences shall not be taken from Sick Leave Reserve.

- (1) Five days for spouse, son, daughter, father, mother, sibling, father/mother-in-law.
- (2) Three days for brother/sister-in-law, grandparents, grandchild.
- (3) Up to two (2) days for other deaths not covered may be granted at the sole discretion of the Superintendent of Schools.
- (4) Days granted only if necessary to actually attend.
- (5) The days will be granted only for actual established need and not days off because of death per se. For example, if death occurs on a Thursday, and the first day of the wake is Friday, and the burial is Saturday or Sunday, the employee is expected back to work on Monday.

F. JURY DUTY

Professional employees called for jury duty shall receive their salary less jury fees.

G. PERSONAL OBLIGATIONS

These days shall not be cumulative, shall not be the last day before a vacation or the first day following, except at the discretion of the Superintendent, and will not be taken from sick leave. Notice of absence for personal reasons to be filed prior to absence whenever possible, but statement of reason is not required. Personal obligations shall be interpreted to mean those obligations which are impossible to be satisfied other than during school hours. - (2) Part-time teachers shall be allowed ten (10) days of absence due to illness each year without deductions in salary. Any unused sick days at the end of the school year shall be credited to a Sick Leave Reserve proportionately restricted as for a full-time teacher.
- (3) Any part-time teacher who has accumulated unused sick days at the end of a school year and who will move to a full-time work schedule the following year, such accumulated unused sick days will be pro-rated and converted to full-time day equivalents. For example, a $\frac{3}{5}$ part-time teacher who has not used the 10 part-time sick days per year and who moves to a full-time schedule will have accumulated $\frac{3}{5}$ of 10 full-time sick days or six (6) full-time sick days.

B. SICK LEAVE BANK

- (3) When the number of days in the Bank drops below 100, each teacher will contribute one day to the Bank. The District will contribute an equal number of days.

Use of the Sick Leave Bank will be permitted on the following terms:

- (1) The teacher shall have used all of his/her personal accumulated sick leave days;
- (2) The teacher must be absent from work due to sickness or injury for 35 consecutive school days;
- (3) The teacher may draw sick leave days from the Bank to a limit of 184 consecutive school days;
- (4) If the teacher qualified for use of the Bank but did not receive paid personal sick leave days during the 35 day period in subsection (2), days from the Bank will be applied retroactively;
- (5) The District may require doctor's evidence of the illness or injury necessitating use of the Sick Leave Bank.

At the beginning of each school year, the District shall give the Association President a report as to the use of the Sick Leave Bank in the previous school year and the number of days remaining in the Sick Leave Bank.

C. PERSONAL ACCIDENT

The personal illness procedure shall apply to personal accident except that:

C. TRANSPORTATION OF STUDENTS BY TEACHERS

Although teachers will not be required to use their own cars to transport students to school-sponsored or school connected events, if they choose to and with Administrative approval, they will be covered under the Board-provided comprehensive secondary insurance. Approved transportation of students by teachers will be reimbursed at the rate of twenty-seven cents (\$.27) per mile.

D. PERSONNEL FILES

- (1) The official District personnel file shall be kept in the Central Office.
- (2) A teacher and his or her representative, if he/she so desires, may have access to all material in his/her file during normal business hours, except pre-employment recommendations and material not connected with employment, such as references for other than District employment. If the teacher has any concern about his/her personnel file, he will make that concern known to the central administration as soon as possible.

A teacher shall be allowed to have copies made of any documents contained in his/her file, exclusive of recommendations. Teachers will assume cost at the going rate.

- (3) No material shall be placed in a teachers' personnel file without teacher acknowledgment. A teacher must acknowledge receipt of such material and may submit a written notation regarding any material. The same shall be attached to the file copy of the material in question.
- (4) Any complaint made against a teacher or person for whom the teacher is administratively responsible, by any parent, student or other person shall be called to the attention of the teacher within five (5) days of the complaint if the complaint is to be placed in the teacher's personnel file.

The procedures of the above paragraph apply to these records as well as all others placed on file.

This publicity will include notice in all faculty rooms thirty (30) days prior to the filling of such vacancies.

Teacher transfers will be handled in the following manner: If there appears a possibility that teachers will be transferred, all teachers who may be eligible for the transfer will be invited to visit with the Superintendent and the Principal(s) to discuss the reasons for the potential transfer before any decision is made. After discussion with the teachers and consideration of volunteers for the position(s), the teacher(s) who is to be transferred will be notified of the transfer.
