PREAMBLE

This agreement is made and entered into as of the 1st day of July, 1999, by and between South Orangetown Central School District of the Town of Orangetown, New York, hereinafter referred to as the "District," and the South Orangetown Educational Aides Association, hereinafter referred to as the "Association."

Whereas the parties hereto recognize the duties and responsibilities imposed upon them by the Public Employees Fair Employment Act (Chapter 392 of the Laws of 1967) to negotiate in good faith with respect to wages, hours, and other terms and conditions of employment, and

Whereas both parties have negotiated in good faith and reached a mutual understanding, NOW THEREFORE it is agreed as follows:

ARTICLE I RECOGNITION

The District recognizes the South Orangetown Educational Aides Association as the sole and exclusive representative for the purpose of collective bargaining of all teacher aides, monitors, less than full time clerks, less than full time clerk typists, and audio visual aides pursuant to Article XIV of the New York State Civil Service Law.

ARTICLE II WAGES AND BENEFITS

A. WAGES AND BENEFITS.

Unit members will receive compensation as set forth in Attachment I hereto annexed. This agreement will be in effect from July 1, 1999 to June 30, 2002.

The compensation set forth in Appendix I shall be increased as follows:

1999/00 - 1.75%, plus 1% performance

2000-01 - 1.90%, plus 1% performance

2001-02 - 1.90%, plus 1% performance

Unit members shall be entitled to the additional 1% for performance if the unit member

receives an overall satisfactory rating for the school year at issue. Said performance increase shall be considered part of the base salary for further computations. Each unit member each year shall receive a "job expectations" conference with the supervisor/building administrator within sixty (60) days of the start of the instructional year. Thereafter, each unit member shall be evaluated for formative purposes at a mid year evaluation conference and for summative purposes at an end of year evaluation conference upon the completion of and review of the evaluation form by the immediate supervisor and the unit member. Evaluation shall be a responsibility of the supervisor/building administrator (where appropriate) only and will be a continuous process throughout each working year. The unit member will sign the evaluation form indicating that it has been reviewed, but such signature shall not indicate agreement with the evaluation. A copy of both the formative and the summative evaluations shall be given to the unit member and a copy placed in the personnel file. An overall "satisfactory" rating on the end of year summative evaluation will result in an employee receiving an additional 1% for performance in the following school year. An overall "unsatisfactory" rating for the end of year summative evaluation will result in the contractual percentage only and not the additional percentage. Employees who receive an "unsatisfactory" rating for the end of year summative evaluation may request and shall receive a summative evaluation at mid year in the ensuing year. If the employee receives a "satisfactory" rating on this mid year summative evaluation, the employee shall receive the 1% performance increase effective February 1 of that school year. The evaluation process is subject to an appeal pursuant to Article V of this agreement. For the purpose of performance evaluation for the 1999/00 school year, all unit employees shall be rated "satisfactory."

Individual unit members will have the option of having their wages annualized. Category movement will be based upon satisfactory evaluation as defined in Article III-G. Evaluation.

B. Health Insurance

For the life of this agreement, the District shall continue to provide health insurance benefits to all unit members covered under this agreement and who were covered under the hospitalization plan prior to July 1, 1993. Ninety-five (95%) percent of the premium cost shall be paid by the District and five (5%) percent shall be paid by the participating unit member through a payroll deduction.

The District shall make available to members of the unit who have completed one (1) year of service with the District and who do not have available group health insurance from a spouse or member of the family, the same individual or family-type hospitalization plan provided other bargaining units in the District. Ninety (90%) percent of the premium cost shall be paid by the District and ten (10%) percent shall be paid the participating unit member through a payroll deduction.

ARTICLE III ASSOCIATION RIGHTS

A. Association Days

1. Unit members may also submit to the Superintendent requests to attend conferences, meetings, and workshops dealing with professional growth. Such requests are to be submitted in advance on the standard Conference Request Form indicating Association approval and are subject to the Superintendent's approval. If such requests are granted, unit members will be paid in accordance with the salary schedule in Attachment I.
2. Parties agree that negotiations and the processing of grievances shall be conducted after working hours. However, should it become necessary for unit members to become actively engaged in negotiations or other labor relations matters with the District during working hours, the unit member shall not suffer any loss of pay or benefits, provided they have the Superintendent's approval.

B. Use of Buildings

The Association will have the right to use school buildings at reasonable times for meetings without cost, after obtaining written approval from the Superintendent in advance.

C. Exchange of Information

Both parties and/or the Superintendent shall furnish the negotiating team, upon reasonable request, available information pertinent to the issue(s) under consideration.

D. Openings, Promotions, Transfers, Dismissal Notice

The Superintendent shall send notices to all unit members at least ten (10) days in advance of filling the positions regarding all employment openings which may be filled by members of this bargaining unit. In the event of an opening in some other area of employment, the District shall prefer members of this Association for such positions, regardless of present classification, according to seniority in the District. "Prefer" in this context shall mean that the District shall grant an interview by seniority to all unit members seeking the position and give full consideration to their applications. Seniority for the purposes of this section shall be the original date of employment with the South Orangetown Central School District as a bargaining unit member. In the event that this provision conflicts with a similar provision in any other labor contract negotiated by the District, such other labor contract provision shall prevail. The provisions of this paragraph shall apply to temporary positions in the District. The District will make every effort to avoid favoritism in the assignment of summer work. Prior to the end of each school year, the District will solicit the names of all unit members who wish to be offered employment during the summer. The District shall create lists by job title of such applicants in each building by seniority in the bargaining unit. A copy of said lists will be given to the Association President by June 15 of each school year.

Civil service job descriptions for each job title in the unit will be attached as appendices

to this agreement. Summer work will be assigned according to these job descriptions. Routine summer work requiring no special skills or knowledge will be offered to the most senior unit member on the appropriate building list. Work requiring special skills or knowledge that is normally done during the school year by a particular office or department shall be assigned to the most senior unit member in that office or department who has applied for summer employment.

The District will make a good faith effort to contact the unit member who is eligible for summer employment. If the District cannot reach the eligible unit member, the Superintendent or designee shall contact the Association President or designee to consult about the work assignment. After this consultation, the District has the right to offer the summer work to the next most eligible unit member from the appropriate seniority list. The name of the unit member who was not available remains on the summer work list but is moved to the bottom of the list making unit member least eligible for the next offer.

After working for the District in a summer assignment, the name of that unit member is placed on the bottom of the list making unit member least eligible for the next offer. The District shall create a district-wide seniority list by job title combining all the building lists. When the District has district-wide summer work, it will follow the same procedures as described herein for building level work. A report of summer work assigned in each building will be prepared by the District and a copy given to the Association President by September 15 of each school year. The report shall contain names of employees called in, work assignment, dates and hours worked. Such personnel who are promoted or reassigned pursuant to this paragraph and fail to gain permanent classification in the new position shall be allowed to return to the position held prior to promotion or reclassification with time credit. In the event that the vacancy cannot be filled by transfer or promotion of people presently employed, the District shall then use the established Civil Service Preferred Eligible List for the

appropriate job title. These Civil Service seniority lists and District seniority lists according to date of employment of all non-competitive civil service titles will be drawn up by the District and a copy given to the Association by September 1 of each school year. This list will be in effect until July 1 of the following year.

E. Teaching Assistant Openings

Teacher Aides shall receive full consideration, by seniority, for all posted Teaching Assistant positions if no Teaching Assistant applies for the position.

F. Tuition Free Courses

Teacher Aides Shall have tuition-free access to courses offered in the Teaching Assistant Professional Development Program on a space available basis.

G. Evaluation

Evaluation is a responsibility of the administration only and will be a continuous process throughout each working year. A mutually agreed upon evaluation process for members of the unit will be developed and utilized to evaluate each member. There will be at minimum, a mid-year evaluation conference, and an end-of-year summary evaluation conference with the completion and review of the evaluation form by the immediate supervisor with the unit member. The unit member will sign the evaluation indicating that it has been reviewed. Copy of the evaluation will be given to the member and the original placed in the personnel file.

H Notice of Transfer

The immediate supervisor shall inform the unit member and the Association of any involuntary transfer at least two weeks in advance of said transfer. Seniority of unit members shall be given full consideration in determining transfers. Unit member's notification shall be via personal conference. Following said conference, the unit member shall receive on request a written statement from his/her immediate supervisor containing the reason for such transfer.

I. **Notice of Termination**

The immediate supervisor shall inform any unit member and the Association covered under this Agreement of his/her termination of service in the District at least two (2) weeks in advance of such termination. The unit member may ask and employer shall give reasons, in writing, for such termination within ten (10) days of receipt of notice of termination.

J **Notification of Available Benefits**

Terms and conditions of employment and notification of available benefits shall be given to each new unit member by the District, in writing, at the time of commencement of employment.

K. **Job Description**

Any unit member covered under this Agreement shall have the right to receive a copy of his/her job description as filed with any department, be it national, state, county, or local. Copies of the job descriptions shall be attached as appendices to this Agreement.

L **Payroll Deduction**

Upon presentation of the New York State United Teachers dues deduction authorization forms, signed by individual members of the bargaining unit, dues of such members of the Association, the New York State United Teachers and its affiliates shall be deducted in equal consecutive installments beginning with the first pay period in October and forwarded to the Association.

M. **Seniority**

A seniority list with appropriate tie-breakers will be developed for each job title in the bargaining unit. Said seniority list shall be the sole criteria for determining layoffs, promotions, and summer work. Seniority of unit members will be given full consideration in determining transfers.

N. Smoke Free Environment

Smoking is prohibited within the school buildings of South Orangetown, and it is prohibited on the school premises when school is in session or when there are student activities. The District shall make smoking cessation programs available for all employees who elect to participate in these district-sponsored programs.
