- (i) Amounts deducted in accordance with the above provisions shall be remitted to the Union no later than the end of the second (2nd) week following the months during which the deductions were made.
- (j) It is recognized that the suspension, reactivation and cancellation procedures for "Payroll Deduction Authorizations" contained herein shall be observed for all employees in the bargaining unit on the effective date of this collective bargaining agreement.
- (k) It is understood that Avaya assumes no responsibility for the consequences of any failure to make such deduction or mistakes in connection therewith and that neither Avaya nor any of its officers, agents or employees shall in any way be held liable or responsible for any loss.

ARTICLE 8 - DISCRIMINATION

- 1 In a desire to restate their respective policies, neither the Company nor the Union shall unlawfully discriminate against any employee because of such employee's race, color, religion, national origin, sex, age, handicap, sexual orientation, marital status, or status as a special disabled veteran or veteran of the Vietnam Era, including creed, disability, and citizenship.
- 2 The use of the masculine or feminine gender or any titles which connote gender in this Agreement shall be construed as including both genders and not as sex limitations unless the Agreement clearly requires a different construction.

- 3 It is mutually agreed that no discrimination shall be practiced by the Company or the Union against any employee because of membership or non-membership in the Union, or by the Company against any member or officer of the Union because of lawful activities on behalf of the Union.

ARTICLE 9 - GRIEVANCE PROCEDURE

The Company and the Union recognize and confirm that the grievance procedures set forth in Article 9, and, where applicable, Article 10 (Arbitration) and Article 11 (Mediation), provide the mutually agreed upon and exclusive forums for resolution and settlement of employee disputes during the term of this Agreement. A grievance is a complaint involving the interpretation or application of any of the provisions of this Agreement, or a complaint that an employee(s) has in any manner been unfairly treated. Neither the Company, nor the Union, its locals or representatives will attempt by means other than the grievance, arbitration, and/or mediation procedures to bring about the resolution of any issue which is properly a subject for disposition through such procedures. It shall be the objective of both the Company and the Union to settle the grievance promptly and at the lowest step of the grievance procedure.

1 THE GRIEVANCE PROCEDURE SHALL CONSIST OF:

STEP 1:

Shall involve the Union representative of the Local which has been designated pursuant to Article 4 (Authorized Union Representatives) and the duly designated representative of the Company, normally the first or second level of supervision of the aggrieved employee(s). Any adjustment or settlement of a grievance at Step 1 shall be binding for the particular grievance involved, but shall not be used as precedent by either party.

No grievance shall be considered, nor shall any appeal thereof be handled as a formal grievance, unless a meeting regarding the grievance is requested in writing within sixty (60) calendar days of the action or failure to act which is the subject of the grievance. The written request shall be sent to the duly designated representative of the Company, normally the first or second level of supervision of the aggrieved employee(s), and shall state the name(s) of the grievant(s), the issue being grieved, the contract provisions alleged to have been violated, if any, and the remedy sought and shall be delivered to the Company representative prior to the Step 1 meeting.

A meeting to discuss the grievance shall be held promptly, but not later than fourteen (14) calendar days after receipt by the Company of the grievance or the notice of the appeal.

The decision of Management shall be confirmed in writing within fourteen (14) calendar days of the close of the grievance meeting.

Article 9

STEP 2:

Shall involve an officer of the Local Union or his/her designee and the Company's designated representative, normally at the third level of supervision or that individual's designated representative. The spokesperson for the Company and the Union at Step 2 should normally be different from the Company and Union spokesperson at Step 1.

Notice of the grievance appeal shall be in writing and delivered by the Union to the third level supervisor, or that supervisor's designated representative, of the aggrieved employee(s) not later than fourteen (14) calendar days after the Company notifies the Union of its decision at Step 1.

The written appeal shall state the name(s) of the grievant(s), the issue being grieved, the contract provisions alleged to have been violated, if any, the remedy sought, and shall outline the reasons for the Union's grievance. Any adjustment or settlement of a grievance at Step 2 shall be binding for the particular grievance involved, but shall not be used as precedent by either party.

A meeting to discuss the grievance shall be held promptly, but not later than fourteen (14) calendar days after the notice of appeal.

The decision of Management shall be confirmed in writing within fourteen (14) calendar days of the close of the grievance meeting, and shall outline the reasons for the Company's decision.

STEP 3:

Shall involve the Vice President of the Union or his or her duly authorized representative and the Company's Labor Relations Vice President or his or her designated representative. Notice of the grievance appeal shall be in writing and delivered to the Labor Relations Vice President or his or her designated representative not later than thirty (30) calendar days after the Company notifies the Union of its decision at Step 2. The written appeal shall state the name(s) of the grievant(s), the issue being grieved, the contract provisions alleged to have been violated, if any, and the remedy sought. Discussions shall be conducted at such locations mutually agreed upon between the Company's Labor Relations Vice President and the Union's Vice President.

A meeting to discuss the grievance shall be held promptly, but not later than thirty (30) calendar days after receipt by the Company of the grievance or the notice of appeal. The decision of the Company at Step 3 of the grievance procedure shall be confirmed in writing within fourteen (14) calendar days of the close of the grievance meeting(s) or not later than a mutually agreed upon date.

- 2 On an individual grievance basis and by mutual agreement in writing, the parties who are to hear the grievance at the next higher step may agree to waive either Step 1 or Step 2 (but not both) in the grievance procedure, but, in no event shall Step 3 be omitted or bypassed.
- 3 All notices required pursuant to this Article shall be hand delivered or postmarked by the United States Postal Service within the time periods set forth herein.
- 4 The Company and the Union desire to process grievances in an expeditious manner. Accordingly neither party will recess a grievance at Steps 1 or 2 in excess of sixty (60) calendar days. If the grievance meeting is not reconvened within sixty (60) calendar days from the initial recess date, the grievance shall be considered denied. The Union may then appeal the grievance in accordance with the time limits set forth herein.
- 5 The Company and the Union may mutually agree to extend the time limits specified in the grievance procedure, provided such agreement is specified in writing, is limited to a specific grievance, and a new date is established.

6 NUMBER OF UNION REPRESENTATIVES AND PAY TREATMENT

Other than Management representatives, the number of employees (including the aggrieved employee(s) and the designated representatives of the Union) shall be limited to five (5) at all steps of the grievance procedure. Three (3) representatives who are Avaya employees, designated by the Union, shall be paid for scheduled time consumed during the grievance meetings. In addition, each of these three (3) employees shall be paid for all time spent *traveling in connection with grievance meetings during a Scheduled Daily Tour* up to a maximum of two (2) hours for each employee at Step 1 and up to a maximum of four (4) hours for each employee at Step 2. At Step 3, at least one (1) of the Union representatives will be a fully authorized representative of the National Union.

7 DISCUSSION OR SETTLEMENT OF GRIEVANCE

Any individual employee(s) shall have the right to present grievances directly to the Company and to have such grievances adjusted, without the intervention of the Union, so long as the adjustment is not inconsistent with the terms of this Agreement, and provided that the Union has been given an opportunity to be present at such adjustments. After an employee(s) has referred a grievance to the Union and the Union representative has informed the Company that the Union represents that employee(s), the Company will not discuss (except in the course of any investigation conducted by the Company) or adjust such grievance directly with said employee(s).

ARTICLE 10 - ARBITRATION

1 GENERAL

If, at any time, a difference arises between the Company and the Union regarding the true intent and meaning of a provision under this Agreement, or a question as to the performance of any obligation hereunder, the grievance procedures set forth in Article 9 (Grievance Procedure) shall be employed in an effort to settle said differences. If the grievance procedures do not result in settlement of the differences, the Union may institute proceedings pursuant to this Article to resolve the dispute in question; it being understood that the right to require arbitration extends only to matters expressly set forth in this Article and which are not otherwise expressly excluded from arbitration.

(a) If, at any time, a dispute arises between the Company and the Union as to whether an employee was dismissed, demoted or suspended for just cause, the grievance procedures set forth in Article 9 (Grievance Procedure) shall be employed in an effort to settle the dispute. If the grievance procedures do not result in settlement of the dispute and the employee has nine (9) months or more of net credited service, the Union may institute proceedings pursuant to this Article to resolve the dispute in question.

2 ELECTION TO ARBITRATE

Within sixty (60) calendar days after completion of the formal grievance procedure set forth in Article 9 (Grievance Procedure), the Union may elect to submit a grievance, which is otherwise subject to arbitration under the terms of this Agreement, to arbitration for final decision in accordance with the procedures herein set forth. Such election shall be by written notice to the Company Labor Relations Vice President. The written notice shall state the specific grievance and issue to be arbitrated and the contractual provision(s) involved, if any, as well as the remedy sought. For purposes of calculating the above sixty (60) day time period, the formal grievance procedure shall be deemed completed as of the date of the Company's written decision at Step 3. If within sixty (60) calendar days following the date of the Company's receipt of the notice of election to arbitrate, no arbitrator has been mutually agreed upon according to the procedures set forth herein, and within one hundred twenty (120) calendar days following the notice of election to arbitrate no application has been made to the American Arbitration Association as provided in Paragraph 3(b), then, absent a mutual extension of time agreement signed by the Union and the Company, such grievance and the election to arbitrate will be considered closed and the grievance shall not be arbitrable.

3 SELECTION OF AN ARBITRATOR

- (a) Any matter submitted to arbitration shall be heard and determined by a single impartial arbitrator mutually selected by the Union and the Company. The parties shall agree to a master list composed of fifty (50) arbitrators from which panels shall be arranged and arbitrators selected. Arbitrators may be removed from the master list by written notice from either party to the other. Replacement of an arbitrator removed from the master list (either by death of the arbitrator or in accordance with this subparagraph) shall be by mutual agreement of the parties.
- (b) If no arbitrator has been mutually agreed upon within sixty (60) days following the date of the Company's receipt of the notice of election to arbitrate and no extension of time has been mutually agreed upon, the Union may, within the following sixty (60) day period, apply to the American Arbitration Association to obtain a list of three (3) arbitrators (all of whom will be members of the National Academy of Arbitrators). One (1) of the three (3) arbitrators on this list will be selected by the parties. If this selection cannot be made, the American Arbitration Association will appoint one (1) of the three (3) arbitrators from the list referenced above to hear the case.
- (c) The compensation and expenses of the arbitrator and the general administrative expenses of the arbitration shall be borne equally by the Company and the Union. Each party shall be responsible for payment for time consumed by and the expenses of its representatives and witnesses.

4 CONDUCT OF HEARING AND DECISION OF ARBITRATOR

- (a) The parties agree to commence hearings as expeditiously as possible, but in no event later than one hundred eighty (180) calendar days after the selection of an arbitrator.
- (b) The arbitrator shall be confined to the issues submitted for decision and shall not, as a part of any decision, impose upon the parties thereto any obligation to arbitrate on a subject which is not arbitrable pursuant to the terms of this Agreement as a subject for arbitration.
- (c) The arbitrator shall not have authority or jurisdiction: (1) to add to, subtract from, modify, or disregard any provision of this Agreement; (2) to establish or determine any new wage rate, job classification or job differential; or (3) to deal with any grievance unless it involves a specific instance of action or failure to act with respect to an employee or group of employees.
- (d) In disciplinary cases, the arbitrator shall determine whether the discipline was for just cause.

Article 10

- (1) In the case of dismissal, the arbitrator shall have authority to mitigate or modify the discipline imposed and determine what, if any, remedy is appropriate. In no event, however, shall any retroactive pay treatment extend beyond six (6) months prior to the date of the filing of the appeal to arbitration. Any retroactive pay accorded shall be based on the employee's Adjusted Rate plus evening or night differential, if applicable, less any amount, other than wages, received from the Company, and any amount paid to or receivable by the employee as wages in other employment, and as unemployment benefits under any present or future provision of law for the period of the retroactive pay treatment.
 - (2) Should the arbitrator provide for reinstatement of any discharged employee, calculation of interim earnings to be deducted from a back pay award will not include amounts earned by the grievant in other employment to the extent that the other employment was held while the grievant was employed by the Company and to the extent such other employment is at a comparable level in terms of number of hours worked.
 - (3) In case of suspension, the arbitrator shall have authority to mitigate or modify the discipline imposed and determine what, if any, remedy is appropriate. If the arbitrator awards back pay, the employee shall receive pay for time lost at the employee's Adjusted Rate plus any tour differentials to which the employee would have been entitled if not suspended.
 - (4) In the case of demotion, the employee shall be compensated for all loss of wages due to the difference in the Adjusted Rates.
 - (5) Employees reinstated pursuant to this Article who have previously submitted an authorization for payroll deduction of union dues or union dues equivalency shall have such amount deducted from any back pay award.
- (e) The arbitrator shall render a decision within thirty (30) calendar days after the hearing is closed (if the parties mutually agree to waive briefs) or thirty (30) days after briefs are filed and the record in the case is closed, unless the parties thereto mutually agree to an extension of such time for a decision.
 - (f) In the event the arbitrator sustains a grievance and awards a remedy in accordance with either paragraphs (d)(1), (d)(3) or (d)(4) above, the Company shall pay the award within thirty (30) days following receipt from the Union of all documentation necessary to compute the payment.
 - (g) The decision of the arbitrator on any matter submitted and decided in accordance herewith shall be in writing and shall be final and binding on the parties thereto as to the particular case submitted, subject to law.

5 EXPEDITED ARBITRATION

- (a) In lieu of the procedures specified in Paragraphs 1 (General) through 4 (Conduct of Hearing and Decision of Arbitrator) of this Article, any grievance involving the suspension of an individual employee, except those which also involve an issue of arbitrability, contract interpretation, or work stoppage (strike) activity and those which are also the subject of an administrative charge or court action shall be submitted to arbitration under the expedited arbitration procedure hereinafter provided within fifteen (15) calendar days after the filing of a request for arbitration. In all other grievances involving disciplinary action which are specifically subject to arbitration under Paragraphs 1 (General) through 4 (Conduct of Hearing and Decision of Arbitrator) of this Article, both parties may, within fifteen (15) calendar days after the filing of the request for arbitration, elect to use the expedited arbitration procedure hereinafter provided. The election shall be in writing and, when signed by authorized representatives of the parties, shall be irrevocable. If no such election is made within the foregoing time period, the arbitration procedure in Paragraphs 1 (General) through 4 (Conduct of Hearing and Decision of Arbitrator) shall be followed.
- (b) As soon as possible after this Agreement becomes final and binding, a panel of at least three (3) arbitrators shall be selected by the parties. Each arbitrator shall serve until the termination of this Agreement unless his or her services are terminated earlier by written notice from either party to the other. The arbitrator shall be notified of his or her termination by a joint letter from the parties. The arbitrator shall conclude his or her service by settling any grievance previously heard. A successor arbitrator shall be selected by the parties. Arbitrators shall be assigned cases in rotating order designated by the parties. If an arbitrator is not available for a hearing within ten (10) working days after receiving an assignment, the case will be passed to the next arbitrator. If no one can hear the case within ten (10) working days, the case will be assigned to the arbitrator who can hear the case on the earliest date.
- (c) The procedure for expedited arbitration shall be as follows:
- (1) The parties shall notify the arbitrator in writing on the day of agreement or date of arbitration demands in suspension cases to settle a grievance by expedited arbitration. The arbitrator shall notify the parties in writing of the hearing date.
 - (2) The parties may submit to the arbitrator prior to the hearing a written stipulation of all facts not in dispute.
 - (3) The hearing shall be informal without formal rules of evidence and without a transcript. However, the arbitrator shall be satisfied himself or herself that the evidence submitted is of a type on which he or she can rely, that the hearing is in all respects a fair one, and that all facts necessary to a fair settlement and reasonably obtainable are brought before the arbitrator.

- (4) Within five (5) working days after the hearing, each party may submit a brief written summary of the issues raised at the hearing and arguments supporting its position. The arbitrator shall give his or her settlement within five (5) working days after receiving the briefs. He or she shall provide the parties a brief written statement of the reasons supporting his or her settlement.
- (5) The arbitrator's settlement shall apply only to the instant grievance which shall be settled thereby. It shall not constitute a precedent for other cases or grievances and may not be cited or used as a precedent in other arbitration matters between the parties unless the settlement or modification thereof is adopted by the written concurrence of the representatives of each party at the last step of the grievance procedure.
- (6) The time limits in (1) and (4) of this Section may be extended by agreement of the parties or at the arbitrator's request, in either case, only in emergency situations. Such extensions shall not circumvent the purpose of this procedure.
- (7) In all suspension or dismissal grievances submitted to arbitration under the expedited procedures set forth herein, the arbitrator shall determine whether the discipline was for just cause. In any grievance arbitrated under the expedited procedures, the Company shall under no circumstances be liable for back pay for more than six (6) months (plus any time that the processing of the grievance or arbitration was delayed at the specific request of the Company) after the date of the disciplinary action. Delays requested by the Union in which the Company concurs shall not be included in such additional time.
- (8) The arbitrator shall have no authority to add to, subtract from or modify any provisions of this Agreement.
- (9) The decision of the arbitrator will settle the grievance, and the Company and the Union agree to abide by such decision. The compensation and expenses of the arbitrator and the general expenses of the arbitration shall be borne by the Company and the Union in equal parts. Each party shall bear the expense of its representatives and witnesses.
- (10) The time limit for requesting arbitration under this provision shall be the same as in existing procedures.

ARTICLE 11- MEDIATION

- 1 Upon mutual agreement between the Company's Labor Relations Vice President or his or her designated representative and the Union's Vice President or his or her designated representative, grievances appealed to arbitration may be mediated, with the exception of those involving contract interpretation.

- 2 Within fifteen (15) calendar days of the mutual agreement to mediate, the parties will schedule a Mediation Conference to be held at the earliest available date. Normally, the Mediation Conference will be held in the city in which the grievant is located, and will be conducted in either a Company or Union facility.
- 3 The spokesperson for the Company will be the Senior Manager - Labor Relations or his or her designee. The spokesperson for the Union will be the Communications Workers of America Staff Representative assigned the responsibility for the grievant's Union Local. An attorney will not be used by either party at the Mediation Conference.
- 4 The grievant, the Local Union President or his/her designee, the grievant's supervisor and District level or above will normally attend the Mediation Conference. Attendance by others at the Mediation Conference shall be limited to those people actually involved in the Mediation Conference.
- 5 All written material that is presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the Mediation Conference. The mediator may, however, retain one copy of the written grievance to be used solely for purposes of statistical analysis.
- 6 Proceedings before the mediator shall be informal in nature. The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no record of the Mediation Conference shall be made.
- 7 The mediator may meet separately with the parties during the Mediation Conference, but will not have the authority to compel the resolution of a grievance.
- 8 The Company and Union spokespersons at the Mediation Conference may accept the resolution proposed by the mediator and such settlement or any other settlement resulting from the conference shall not be precedent setting.
- 9 If no settlement is reached during the Mediation Conference, the mediator shall provide the parties with an immediate oral advisory opinion, unless both parties agree that no opinion shall be provided. The mediator shall state the basis for his or her advisory opinion.
- 10 If no settlement is reached as a result of the Mediation Conference, the grievance may be scheduled for arbitration in accordance with the Collective Bargaining Agreement.
- 11 In the event that a grievance which has been mediated subsequently is arbitrated, no person serving as a mediator between these parties may serve as arbitrator. Neither party may at the arbitration hearing refer to presentations made by the other party at the Mediation Conference, the fact that a Mediation Conference was held, or any statements made by the mediator.

Article 11

- 12 By agreeing to schedule a Mediation Conference the Company does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.
- 13 The compensation and expenses of the mediator and the general administrative expenses of the Mediation Conference shall be borne equally by the parties. Each party shall be responsible for payment for time consumed by and expenses of its representatives.

ARTICLE 12 - DISCIPLINE

1 WARNINGS

A warned employee is one who receives a written warning, that is to be recorded in their personnel file, which includes an indication of possible future consequences and may be considered as a basis for future disciplinary action.

2 DEMOTIONS

A demoted employee, for the purpose of this Article, is one who has been moved for disciplinary reasons, from one job title to another job title having a lower maximum Standard Rate.

3 SUSPENSIONS

A suspended employee is one who has been denied work for disciplinary reasons for any period.

4 DISMISSALS

A dismissed employee is one whose service is terminated for any reason other than transfer, resignation, layoff (or work completed for temporary or term employees), voluntary retirement or death.

6 A grievance appeal concerning a demotion, suspension, or dismissal of an employee who has nine (9) months or more of net credited service may also be reviewed pursuant to the provisions of Article 10 (Arbitration) of this Agreement.

ARTICLE 13 - PERSONNEL RECORDS

1 Once in each year (and more frequently in unique circumstances where the employee so requests and the Company agrees), employees may inspect their personnel records in accordance with the Company's practices concerning inspection of personnel and/or medical records.

- 2 When an employee receives a warning of suspension, demotion or discharge that is to be recorded in the employee's personnel file, the Company will provide a copy of the warning to the warned employee. A copy of the warning will be given upon request to a Union Representative if he/she is present pursuant to the provisions of Article 5 (Union Representation).

ARTICLE 14 - SAFETY

- 1 Safety and health is a mutual concern to the Company and the Union. Together we recognize the need for a work environment in which safe, ergonomically correct operation can be achieved in all phases of work. We all recognize the need to promote better understanding and acceptance of safety, health and ergonomics principles by all employees for their own safety and health, and that of their fellow employees, customers and the general public.
- 2 To achieve these safety objectives, the Company and the Union will continue to encourage employee participation in safety awareness through the creation and support of joint local safety committees, recognizing that many issues may be most directly and efficiently dealt with at this level. The Company and the Union through the formation of a Joint National Safety Committee are committed to discuss and explore safety and health issues and concerns as well as ergonomics issues involved in the design of work and the work environment. This Committee may utilize resources from the Health Services and Environmental Health and Safety Organizations as partners in their commitment to insure a safe and healthful workplace. Additionally, this Committee will also function as a clearinghouse for safety and ergonomics issues affecting employees. The Committee shall consist of two Union and two Management representatives to share information related to safety issues which have impact across the Company. The Co-chairpersons of the Committee will jointly determine when meetings are required to share safety and ergonomics issues across the Business and the most appropriate format (face-to-face, conference calls, etc.) for the meeting(s). The Committee co-chairpersons will jointly develop the meeting agendas. Should the parties agree that an in person meeting is required, the parties will jointly arrange such meeting(s).

Article 14

- 3 In support of its commitment, the Company also outlines the following five (5) step strategy to address ergonomic concerns in the workplace:
- (a) The Company remains committed to providing training on Video Display Terminal (VDT) usage and ergonomic awareness, or its equivalent, which will include information regarding Cumulative Trauma Disorder (CTD) to all employees who use keyboard skills with a VDT at least four (4) hours per day. New hires or employees transferring into the work group (who have not had this training before), who use VDTs and keyboards at least four (4) hours per day will be offered this training within the first six (6) months of their employment into the group.
 - (b) In order to further promote safe work environments, the Environmental Health and Safety Organization will continue to develop, with the Health Services Organization, Medical Management Programs designed to promote accurate recordkeeping of Cumulative Trauma Disorders, and to promote the early recognition of such disorders. The Company will share the status of these programs with the Committee annually.
 - (c) Additionally, the Company and Union representatives on this Committee agree to arrange a meeting annually to deal with ergonomic and other issues as appropriate.
 - (d) The Company will encourage employee participation and safety awareness through the creation of meaningful safety initiatives formed at the Committee level.
 - (e) The Company will maintain the network of Environmental Health and Safety Coordinators throughout the life of the Agreement. They will act as a resource to the Joint National Safety Committee and local level in their organizations.
- 4 When employees express reasonable concerns about their personal safety in connection with assignments in localities in which it is reasonable for them to believe that they may be victims of assault or other criminal activity, the employees will not be required to work alone.
- 5 The Company will provide safety equipment, including safety eyewear, that is necessary for an employee's work assignment in accordance with OSHA standards or customer requirements and Company practices.

ARTICLE 15 - TITLES AND WAGES

1 WAGE SCHEDULES

Wage Schedules for job titles and levels in this Agreement are contained in the Wage Schedules found in Appendix 3 of this Agreement. Such Wage Schedules are exclusive of all differentials and other special payments.

2 GENERAL WAGE INCREASES

The General Wage Increases (GWI's) in the Wage Schedules set forth below shall be computed on an exponential basis and shall be rounded to the nearest penny.

(a) Initial Wage Increase

Effective June 1, 2003, Wage Schedules shall be increased by 3.0% on the Maximum Rates and by 3.0% on the Minimum Rates in effect on May 31, 2003.

(b) Retroactive Pay Equivalent Payment

- (1) Employees on the active roll on the date of the initial wage increase, shall be eligible to receive a Retroactive Pay Equivalent Payment.
- (2) For Full-Time employees, the Retroactive Pay Equivalent Payment shall be determined as follows:
 - The amount of the employee's hourly rate increase resulting from the initial wage increase;
 - Multiplied by the total hours paid including actual numbers of hours of overtime payments received during that period calculated at the appropriate overtime factor (Time And One-Half, Double Time or Double Time And One-Half, as applicable) in the period beginning June 1, 2003 and ending with the effective date of the initial wage increase;
 - Plus the actual tour differentials received (Night Work, 7 Day Coverage and Continuous Operations differentials) during that period;
 - Total hours paid includes all the actual Differentials, Allowances and payments that are paid as hours during that period including On-Call, Call-In, Call-Up, Sunday Payments, Saturday Differential, Shifted Tour Differential and Minimum Interval Differential.
- (3) *In the event an employee was demoted or temporarily assigned to a higher classification with an impact on the employee's Standard Rate during the period beginning June 1, 2003 and ending with the effective date of the initial wage increase, the employees' payment records for the period will be reviewed to ensure that the employees' Retroactive Pay Equivalent Payment was not adversely impacted by applying the employee's hourly rate increase resulting from the initial wage increase in the calculation of the Payment.*
 - (i) *In such case, the employee will receive an adjustment to the calculation for the difference, if any.*

Article 15

- (4) An eligible Part-Time employee shall receive a Retroactive Pay Equivalent based on the total hours paid in the period beginning June 1, 2003 and ending with the effective date of the initial wage increase.
 - (5) In the event an employee has left the active roll during the period beginning June 1, 2003 and ending with the effective date of the initial wage increase, the Retroactive Pay Equivalent Payment will be based on the number of full weeks of employment during said period.
 - (i) In such case, the percentage increase as specified in Paragraph 2(a) shall be applied to the employee's Standard Rate effective on the date the employee left the active roll in the computation of the Retroactive Pay Equivalent Payment.
 - (6) The Retroactive Pay Equivalent Payment will be made no later than Friday, September 26, 2003 provided the Company has been notified that the 2003 National Memorandum of Understanding (which includes the National Manufacturing & National Units) and all local contracts have been ratified no later than 11:59 p.m. July 25, 2003.
 - (7) The Retroactive Pay Equivalent Payment shall be subject to federal, state and local tax and FICA withholding.
 - (8) Allotments for the following shall be deducted from the Retroactive Pay Equivalent Payment:
 - (i) The Avaya Stock Purchase Plan
 - (ii) The Avaya Inc. Savings Plan by dividing the amount by the weekly equivalent of the employee's Adjusted Rate of pay on June 1, 2003, rounded to nearest whole number, times the employee's weekly Long Term Savings and Security Plan Allotment
 - (iii) Union dues as specified by the union
 - (9) The Retroactive Pay Equivalent Payment will not be part of the employee's Standard Rate of pay or basic wages for any other purpose nor shall it enter into the standard Overtime Adjustment formula nor into the computation of any payments made under any pension or benefits plan, fringe benefit, allowance or differential.
- (c) **Second Wage Increase**
- Effective May 30, 2004, Wage Schedules shall be increased by 3.0% on the Maximum Rates and by 3.0% on the Minimum Rates in effect May 29, 2004.

(d) Third Wage Increase

Effective May 29, 2005, Wage Schedules shall be increased by 3.0% on the Maximum Rates and by 3.0% on the Minimum Rates in effect on May 28, 2005.

(e) Escalation Adjustment

- (1) Effective May 29, 2005, an Escalation Adjustment will be determined by computing the percentage increase in the U.S. Bureau of Labor Statistics National Consumer Price Index for Urban Wage Earners and Clerical Workers, hereafter called "CPI-W" (1982-1984=100), between March 2004 and March 2005.
 - (i) If the percentage increase of the CPI-W exceeds the cumulative percentage increase to the Maximum Rates of each wage schedule for the Initial General Wage Increase (GWI), plus the second, and third GWI's, an Escalation Adjustment shall be applied by multiplying the percentage increase in the CPI-W. The result shall be added to the third scheduled GWI and applied to the Maximum Rates and Minimum Rates in effect on May 28, 2005.
 - (ii) A partial percent increase shall be rounded to the nearest one tenth of one percent.
- (2) In no event shall a decrease in the CPI-W result in a reduction of any wage rate.
- (3) In the event the Bureau of Labor Statistics does not issue the appropriate Consumer Price Indexes on or before the dates referred to in paragraphs 1, Escalation Adjustments required by such appropriate indexes shall be effective at the beginning of the first payroll week after receipt of the indexes.
- (4) No adjustment, retroactive or otherwise, shall be made as the result of any revision which may later be made in the first published figures for the CPI-W for March 2004 and March 2005.
- (5) The Escalation Adjustments are dependent upon the availability of the CPI-W in its present form and calculated on the same basis as the CPI-W for March 2003. In the event the Bureau of Labor Statistics changes the form or the basis of calculating the CPI-W the Company and the Union agree to request the Bureau to make available, for the life of this Agreement, a CPI-W in its present form and calculated on the same basis as the CPI-W for March 2003, which was 180.3 (1982-1984=100).
- (6) It is expressly recognized by the parties that this Escalation Adjustment provision applies only for the life of this contract.

Article 15

- (f) An employee's increase in Standard Rate in accordance with this Paragraph 2 shall be based on the Wage Progression Step to which an employee is assigned on the effective date of the aforementioned GWI's and Escalation Adjustment(s), if any.

3 WAGE PROGRESSION

- (a) The Standard Rate of each employee whose Standard Rate is below the Maximum Rate of his or her Wage Schedule shall be increased during the term of this Agreement, provided that such employee has sixty (60) days Net Credited Service on the effective date of the scheduled increase.
- (b) Progression increases shall be on a semi-annual basis and shall be effective at the beginning of the week of the first weekly pay date in September and March.

4 STARTING RATES

- (a) If business conditions require, or when employee's qualifications (in the judgment of the Company) justify starting rates higher than the minimum, such higher rates may be granted. Such starting rates will be granted based on the Company's non-management employee starting wage policy which following prescribed guidelines includes wage credit for job related work or military experience, job-related training or job-related skills, licenses or certificates. In no case shall an employee be paid less than the starting rate on the wage schedule applicable to the employee's title.
- (b) Whenever the Company hires regular employees (except temporaries) at above the start rate due to employment market conditions, incumbent employees who are at lower Standard Rates in the same organization and same title and work location shall have their Standard Rate and equivalent service date (wage progression clock) adjusted to that of the new hire effective as of the new hire start date.

5 TRANSFERS

When an employee is permanently transferred within the bargaining unit to another locality where a different wage schedule is applicable, the employee's Standard Rate shall be adjusted to conform to the schedule in the new locality. If the transfer is temporary, then the wage schedule in effect at the employee's permanent work location will be applicable.

6 REASSIGNMENT TO A TITLE HAVING A LOWER MAXIMUM STANDARD RATE IN SAME LOCALITY

When an employee is reassigned to a title having a lower maximum Standard Rate, such employee's Standard Rate shall be reduced if:

- (a) The employee is reassigned to his or her former title following a temporary promotion, in which case the Standard Rate shall be adjusted to the Standard Rate the employee would have acquired had the employee remained in the lower title.
- (b) The reassignment is employee initiated, in which case the employee's new Standard Rate will be determined by placing the employee on the same step of the lower schedule as the employee occupied on the higher schedule.
- (c) The employee's Standard Rate is higher than the maximum indicated in the wage schedule applicable to the employee's new title, in which case the employee's Standard Rate shall be reduced to such maximum, except as indicated in Article 27 (Reassignment Pay Protection Plan).
- (d) The employee is reassigned because of failure to meet requirements of the job.

7 WAGE TREATMENT

- (a) In determining a candidate's qualifications for promotion within the bargaining unit, the Company will consider many factors including, but not limited to, seniority, attendance, job performance, technical skills and experience. If qualifications are substantially equal, the senior net credited service employee will be selected. The selection shall be subject to the procedures of Article 9 (Grievance) and of Article 10 (Arbitration). The decisions of the Company concerning whether qualifications of the candidates are substantially equal shall be controlling unless the Company is shown to have acted arbitrarily or in bad faith.
- (b) Employees who move within the CWA Operations Contracts and within the same wage table to another location where a different wage area is applicable shall have their Standard Rate adjusted to conform to the schedule in the new locality.
- (c) Employees who move to a wage schedule with fixed periodic steps:
 - (1) Promotion - move from present Standard Rate to a whole step above the nearest step on the new schedule
 - (2) Lateral - move from present Standard Rate to nearest step on new schedule insuring no loss in pay
 - (3) Demotion - move from present Standard Rate to the nearest step on new schedule insuring no gain in pay
- (d) In no event shall an employee's new Standard Rate be above the maximum rate of the new schedule.

8 TENTATIVE WAGE SCHEDULE ASSIGNMENTS

If an employee whose title is listed in Appendix 3, is assigned to a new territory or locality for which no wage schedule assignment is indicated for the employee's title, the Company shall make a tentative wage schedule assignment to cover the situation. If the final wage schedule assignment is different from the tentative assignment, an employee who holds such position during the period of tentative assignment shall be eligible to receive wage treatment during such period in accordance with the final assignment.

ARTICLE 16 - TRANSFERS, TRAVEL ALLOWANCES, AND MOVING EXPENSES

- 1 The Company may transfer, assign or reassign, temporarily or permanently, employees from one job title to another, from one job assignment to another within the same job title and/or from one work location to another. Permanent transfers, assignments or reassignments will be accomplished in accordance with the following:
 - (a) The Company may permanently transfer, assign, or reassign employees within a Geographical Commuting Area (GCA) as the Company may deem necessary or appropriate. Employees' seniority shall be taken into account in the treatment of employees under Article 16, Paragraph 1(a), insofar as the conditions of the business and the abilities of the employees permit. A GCA will include work locations within reasonable commuting distances and shall be defined by the Labor Relations Vice President and the Union's appropriate Vice President.
 - (b) When the Company finds it necessary or appropriate to permanently transfer, assign or reassign employees to a reporting location which is outside the GCA, the Company will seek volunteers in the job titles in the Organization of the Company in the GCA from which the transfer, assignment or reassignment is to be made. The transfer, assignment or reassignment will be accomplished from among the volunteers in descending order of seniority, provided the Company determines that the volunteers are qualified and can be released.
 - (c) If the Company determines that it cannot effect the transfer, assignment or reassignment pursuant to 1(b) above from among the volunteers, the transfer, assignment or reassignment will be effected from among employees in the job title(s) in the Organization of the Company in the GCA from which the transfer, assignment or reassignment is to be made in inverse order of seniority, provided the Company determines that those employees are qualified and can be released. If such transfer, assignment or reassignment would require an affected employee to relocate his or her residence as provided under Paragraph 7 below and that employee refuses the assignment, the Company will implement the procedures set forth in Article 24 (Force Adjustment - Layoff, Part-Timing, and Recall) of this Agreement.

- (d) Insofar as the conditions of the business and the abilities of the employees permit, the provisions of Paragraphs 1(a), 1(b) and 1(c) shall apply to temporary transfers, assignments or reassignments.

2 TRAVEL ALLOWANCES - TEMPORARY TRANSFERS, ASSIGNMENTS OR REASSIGNMENTS WITHIN COMMUTING DISTANCE

An employee temporarily transferred, assigned or reassigned to a reporting location within commuting distance of the employee's regular reporting location (whether or not it is within the employee's GCA) who is not otherwise reimbursed for expenses associated with the transfer, assignment or reassignment shall be paid one (1) or two (2) allowances each day, as appropriate, in accordance with the following schedule provided the Company determines that:

- (a) Travel to or from the employee's temporary reporting location occurs wholly outside of the employee's scheduled tour,
- (b) The employee does not travel via Company provided transportation, and
- (c) The transfer, assignment or reassignment results in either a longer commuting distance for the employee or an increase in commuting expense to the employee:

Distance in Road Miles From The Employee's Regular Reporting Location to the Temporary Reporting Location	Allowance (One Way)
Over 1 mile, but not over 3 miles	\$6.00
Over 3 miles, but not over 5 miles	\$7.00

 - (1) Provide the per diem expense reimbursement of either Paragraph 3(b) or 3(c) plus reimbursement for lodging at the location, or;
 - (2) Providing an employee meets the criteria of Paragraphs 2(a), 2(b) and 2(c), afford the employee the option of reimbursement for actual commuting mileage at the rate of thirty six cents (\$.36) per mile or sixty dollars (\$60.00) per day, whichever is less. Except as provided in 3(e) below, on temporary assignments of greater than one (1) day, commuting time for employees reimbursed pursuant to this Paragraph shall not be considered time worked.

This per diem expense reimbursement paid when lodging only is provided covers meals, laundry, local transportation, gratuities, and other expenses which the employee may incur. No other expense reimbursement will be paid on a day in which a per diem is allowed, except for travel related expenses as provided for in Paragraphs 4(c), 5 and/or 6.

- (e) Time spent traveling at the start and end of an assignment under the provisions of Paragraphs 3(a) and 3(d) will be considered time worked. This will not include time spent traveling to and from the temporary living quarters to the temporary work location.

4 INTERIM RETURN HOME

- (a) If the temporary work location is more than thirty-five (35) road miles from the employee's regular reporting location, the Company will provide for travel reimbursement to return the employee to his or her home for two consecutive non-scheduled days every third week of the temporary assignment.
- (b) In lieu of the provision of Subparagraph 4(a) above, when an employee is attending a Company school at which he or she is required to live and remain, the employee shall be eligible to periodically return to his or her home according to the requirements of the school.
- (c) Employees who are authorized to periodically return to their homes, shall be reimbursed, as determined by the Company, as follows:
 - (1) Personal vehicle usage at the rate of thirty six cents (\$.36) per mile plus actual out-of-pocket, travel-related expenses; or

- (2) Authorized expense for travel by public transportation when such is convenient.
- (d) Time spent traveling under the provisions of this Paragraph shall not be considered as time worked.

5 TRANSPORTATION TO TEMPORARY ASSIGNMENT

- (a) The Company will provide or determine the mode of transportation to the temporary assignment.
- (b) Should the employee request and be granted permission to use a means of transportation other than the preferred Company mode of transportation, reimbursement will be made as follows:
 - (1) Time for travel will be based on a reasonable duration had the employee used the Company preferred mode of transportation.
 - (2) Personal vehicle usage will be reimbursed at thirty six cents (\$.36) per mile up to the cost of the lowest round trip fare to the temporary assigned destination, based on the Company's preferred mode of transportation.
 - (3) No per diem expense reimbursement or lodging reimbursement will be made over what would have been reimbursed had the preferred Company mode of transportation been used.

6 TRAVEL EXPENSES DURING WORK TIME

- (a) Employees required to travel after the start of or before the end of their tours will be provided transportation by the Company or reimbursed for travel-related out-of-pocket expenses and/or authorized use of their personal vehicle in connection with such travel. Employees who travel by public transportation will be reimbursed for their actual out-of-pocket, travel-related expenses. Employees who are authorized to use their personal vehicles for such travel will be reimbursed at the rate of thirty six cents (\$.36) per mile, plus actual out-of-pocket, travel-related expenses.

- (b) An employee entitled to moving expenses under the provisions of Paragraph 7(a) may elect not to relocate his or her residence and shall be entitled to receive a one-time lump sum allowance of \$2,000.00 in lieu of such moving expenses provided this election is made within one (1) year of the date of transfer.
- (c) Employees transferred via Article 16 who meet the relocation criteria in Article 16, Paragraph 7(a), and are compensated for actually relocating their residence, shall be offered the opportunity to move back to the former location with relocation compensation for the lesser of: (1) the termination allowance for which they would have been eligible upon layoff; or (2) \$15,000.00 if the following conditions are met:

 - (2) The employee relocates back to the original geographical location; and
 - (3) The employee does not qualify for any other Avaya provided relocation compensation program.

ARTICLE 17 - NEW JOB TITLES AND JOB CLASSIFICATIONS

- 1 Whenever the Company determines it appropriate to create a new job title or job classification in the bargaining unit, or to restructure or redefine an existing one, it shall provide advance notice of that action to the Union. Such notice shall include the job title or classification, a job description of the duties for such job title or classification, and the initial Standard Rates and wage schedule for such job title or classification. Following such notice, the Company may proceed to staff such job title or classification after thirty (30) days from such notice.
- 2 Within thirty (30) days from receipt of such notice, the Union may initiate negotiations concerning the initial Standard Rates or wage schedules which the Company has established for the new or restructured job title or classification.

- 3 If negotiations are not so initiated, the initial Standard Rates and wage schedules set by the Company shall remain in effect.
- 4 If agreement is reached between the parties within sixty (60) days following the Union's receipt of notice from the Company concerning the initial Standard Rates and wage schedules, the agreed upon Standard Rates and wage schedules shall be implemented as of the date of such agreement.
- 5 If negotiations are initiated pursuant to Paragraph 2, above, and if the parties are unable to reach agreement on a schedule of Standard Rates for the new or restructured job title or classification within sixty (60) days following the Union's receipt of notice from the Company, the Union may, within thirty (30) days of the expiration of the 60-day period for negotiations, demand that the issue of an appropriate schedule of Standard Rates for the new or restructured job title or classification be submitted for resolution to a neutral third party, to be selected by mutual agreement from among those who possess acknowledged expertise in the area of job evaluation. The parties may submit all evidence deemed relevant to the issue to the neutral third party. At the request of either party, a hearing shall be held to receive such evidence. Any such meeting or hearing shall be held within thirty (30) days after the matter is referred to the neutral third party, who shall render a written decision as to an appropriate schedule of Standard Rates for the new or restructured job title or classification within sixty (60) days of the date that the matter is first referred for resolution. In the event the neutral third party determines that a different schedule of rates is appropriate, the new schedule shall be placed in effect as of the date of the neutral third party's decision.
- 6 The procedures set forth herein shall also apply when the Company creates a new job or re-evaluates a position or function held by an employee resulting in a reduction in the employee's Standard Rate or level. The Union may request to do a joint job evaluation with the Company within thirty (30) days of notification as described in Paragraph 1.
- 7 The procedures set forth in Paragraph 5, above, shall be the exclusive means by which the Union may contest the schedule of Standard Rates which the Company sets for any new or restructured job title or classification or the decision of the Company in re-evaluating a function or position held by an employee resulting in a reduction in the employee's Standard Rate or level.

ARTICLE 18 - CLASSIFICATION AND TREATMENT OF PART-TIME EMPLOYEES

- 1 Except for payment of overtime hours worked, all hours worked by a part-time employee shall be paid at the equivalent Hourly Adjusted Rate for a comparable full-time employee working a normal daily tour in the same job title, classification and work group. Payment to a part-time employee for hours worked in excess of an equivalent normal daily tour or work week for a comparable full-time employee shall be at the applicable overtime rate for a comparable full-time employee, based on such part-time employee's Hourly Adjusted Rate.
- 2 The classification of a part-time employee is based on the employee's "part-time equivalent work week" which shall be determined prospectively by dividing the employee's total normally scheduled hours per month by 4.33 and rounding the result to the next higher whole number. (Illustration: 68 hours per month divided by 4.33 equals 15.7 rounded to a "part-time equivalent work week" classification of 16.)
- 3 The Part-Time "Equivalent Work Week" (EWW) classification of each part-time employee shall be reviewed by the Company during December and June of each year and adjusted as appropriate and become effective on January 1 and July 1 respectively of each year. In determining the appropriate EWW, the Company will consider the actual average number of hours worked in each of the two (2) quarters during the preceding six (6) month period except that any hours worked which are paid at the overtime rate shall not be counted in computing the average number of hours worked. If the result in both of the preceding two (2) quarters is a number higher than the employee's existing EWW, the employee will be reclassified to the classification represented by the lower of the two (2) quarters. If the result in one (1) of the two (2) preceding quarters is equal to or lower than the employee's existing EWW, and the result of the other quarter is equal to or greater than the employee's existing EWW, then the employee's existing EWW will remain unchanged. If the result in both the preceding two (2) quarters is a number lower than the employee's existing EWW, the employee will be reclassified to the classification represented by the higher of the two (2) quarters.
- 4 **TREATMENT OF PART-TIME EMPLOYEES**
 - (a) For payment purposes, all Vacations, Paid Excused Work Days and Floating Holidays will be converted to a Paid Time Off Bank (PTO) calculated as follows:
 - (1) Eight (8) hours X Employee's annual eligibility in days for Vacations, Paid Excused Work Days and Floating Holidays (if any) = total annual hours of PTO eligibility.
 - (2) Total annual hours of PTO eligibility shall be pro-rated based on the employee's Equivalent Work Week (EWW).

- (3) *Such pro-rated PTO will be established in January of each calendar year and adjusted in July if the Part-Time Employee's EWW changes.*
 - (4) *In the event a Full-Time Employee converts to a Part-Time Employee during the year, the PTO will be established at the time of the conversion by applying a factor of 40 for the number of weeks prior to the conversion and a factor based on an EWW for the remainder of the year. The PTO shall be further adjusted in July, as applicable.*
 - (5) *In the event a Part-Time Employee converts to a Full-Time Employee during the year, the PTO will be adjusted at the time of the conversion by applying a factor of 40 for the remaining number of weeks in the calendar year. Such result will establish the Full-Time Employee's entitlement to remaining Vacation, Excused Work Days and Floating Holidays in that year.*
 - (6) *All payments made to a Part-Time Employee for Vacation, Excused Work Days and Floating Holidays will be deducted from the Employee's prorated PTO.*
- (b) *Payments to a Part-Time Employee for sickness disability, accident disability, or death benefits and the Company's Sickness and Accident Disability Benefit Plan, anticipated disability leave, sickness absence (not under the Company's Sickness and Accident Disability Benefit Plan), shall be prorated based on the relationship of the individual Part-Time Employee's EWW to 40 hours.*
- (1) *All paid absences shall be paid based on the hours absent from the Part-Time Employee's Scheduled Weekly Tour.*
- (c) *"Time and One-Half" shall be paid to a Part-Time Employee for overtime hours worked in excess of his or her Schedule Daily Tour provided the Scheduled Daily Tour is 8 hours or more.*
- (d) *Payments to a regular Part-Time Employee for termination allowance (or its equivalent) shall be prorated based on the relationship of the individual Part-Time Employee's "Part-Time Equivalent Work Week" to 40 hours.*
- (e) *Regular employees who were on the active payroll of a Company of Avaya's predecessor, or former affiliates or subsidiaries of Avaya's predecessor as of December 31, 1980, and who worked part-time on or after January 1, 1981 with a Company of Avaya's predecessor, or former affiliates or subsidiaries of Avaya's predecessor, and whose employment has been continuous since December 31, 1980 with Avaya Inc. or a Company of Avaya's predecessor, or former affiliates or subsidiaries, shall continue, during the current term of employment, to receive payments for the benefits and other items listed above on the same basis as was applicable to a part-time employee on December 31, 1980.*

- 6 Part-time employees, regardless of classification, shall be eligible for Excused Work Days on a pro-rata basis based upon the ratio of any such part-time employee's equivalent work week to the normal work week of a comparable full-time employee.

(b) **Election Board Service**

An employee who requests an absence to serve on an election board in connection with a Federal, State, County, or Municipal election shall ordinarily be excused with pay for the scheduled days during the period the employee serves and deductions from pay for such absence shall be made only when in the opinion of the Company the circumstances in a particular case make such action advisable.

(g) Accidental Injury

If an employee is injured in the course of his or her employment and it is necessary for the employee to cease work during an assigned tour, payment for that tour shall be at the rate in effect during the time worked.

- 4 When payment for absence is made, the payment shall be at the employee's Adjusted Rate plus any tour differential to which the employee would have been eligible had they not been absent.

ARTICLE 21 - EXCUSED WORK DAYS

- 1 Each regular employee who has at least six (6) months of net credited service on January 1, of the respective years 2004, 2005 and 2006 shall be eligible for four (4) Excused Work Days with pay, and one (1) Excused Work Day without pay during each of such years.
- 2 Employees who do not work on their paid Excused Work Day shall be paid at their Adjusted Rate plus any applicable tour differential (excluding any wage incentive or productivity payments) provided they are on the active payroll of the Company on that Excused Work Day.
- 3 One (1) paid Excused Work Day in each calendar year may be designated by the Company for employees in an administrative work group (as designated by the Company) or in any larger group, including the entire Company. Employees in any such group for which an Excused Work Day is designated by the Company and who are not otherwise eligible for a paid Excused Work Day shall be excused and paid for such designated day as set forth in the preceding Paragraph, provided they are on the active payroll of the Company on the designated Excused Work Day.
- 4 Employees shall select their Excused Work Days (except those Excused Work Days designated by the Company) in accordance with Article 22 (Vacations).

Article 21

- 5 Employees who are on vacation or absent with pay on their paid Excused Work Day for reasons other than having observed it as an Excused Work Day shall have their paid Excused Work day rescheduled, if a vacation day would have been rescheduled under the same circumstances.
- 6 If employees agree to work on their paid Excused Work Day and the Company determines that the day cannot be rescheduled, they shall be paid as applicable in accordance with the following Subparagraphs:
 - (a) Employees who agree to work before the work schedule becomes fixed shall receive one (1) day's pay as set forth in Paragraph 2 in lieu of their Excused Work Day and shall, in addition, be paid in accordance with the provisions of this Agreement covering work on a scheduled day of work.
 - (b) Employees who agree to work after the work schedule becomes fixed shall receive one (1) day's pay as set forth in Paragraph 2 in lieu of their Excused Work Day and shall, in addition, be paid in accordance with the provision of this Agreement covering work on a Non-Scheduled Day.
 - (c) Time worked by an employee on his or her Excused Work Day shall be considered time worked on a regularly scheduled day of work for all purposes, except as is otherwise expressly provided in this Article.
- 7 The Company and the Union recognize that it may be in the best interest of employees to have the ability to take time off for brief intervals because of personal, immediate needs. Accordingly, for the years 2004, 2005 and 2006, up to four (4) Excused Work Days (EWDs) may be used as follows:
 - (a) An employee may designate and schedule, as applicable, four (4) EWDs to be used flexibly. This provision shall apply to an employee's unpaid EWD and/or his/her paid EWD(s) which are not designated by the Company.

One flexible EWD may be divided into increments of one hour.
 - (c) An increment may be taken at any time during the vacation schedule period up to and including the actual scheduled Excused Work Day provided his/her supervisor is notified before the beginning of the tour and not more than twenty-five percent (25%) of the work group has already been granted time off. In the event more than twenty-five percent (25%) of the work group is scheduled off, then the time may be granted consistent with the needs of the business.
 - (d) The time may be taken based on the employee's personal need to take the time.
 - (e) If there is unused time available on the day of the so-scheduled EWD, the employee must take the remaining time on the scheduled day even if that increment is less than two (2) hours.

ARTICLE 22 - VACATIONS

- 6 If an authorized holiday occurs during an employee's vacation, an additional day off with pay will be scheduled. This additional day off will be considered a vacation day for the purpose of determining work schedules, but need not be taken contiguous to a vacation week.

7 PAYMENTS IN LIEU OF VACATION

- (d) The vacation selection process in a vacation selection universe will begin no earlier than November 1. The vacation selection process should ordinarily be completed by December 31, but in any event should be completed no later than April 1. Employees who will not be readily available between November 1 and December 31 may express their preference for choices in advance of November 1 and, if available, their choices will be assigned as chosen in accordance with seniority provided that service requirements permit. ARTICLE 24 - FORCE ADJUSTMENT - LAYOFF, PART-TIMING, AND RECALL**1 LAYOFFS AND PART-TIMING**

Whenever force conditions are considered by the company to warrant part-timing or layoff of regular employees, such force adjustments as the Company may deem necessary, shall be made among those regular employees in a Geographical Commuting Area (GCA) as defined in Article 16 (Transfers, Travel Allowances, and Moving Expenses), in the same Organization having the same job title through part-timing or layoffs or both, subject to the following conditions:

- (a) Prior to any regular employee being laid off or part-timed pursuant to this Article temporary and term employees in the same job title, same Organization and GCA shall be work completed. However, such temporary or term employees may be retained or employed temporarily to meet peak load situations or other temporary situations unless there are qualified volunteers from among those at-risk employees in the same job title, same Organization and GCA scheduled to be laid off who will assume the duties of the temporary or term employees.
- (b) In an effort to avoid force adjustments by means of layoff, the Company may offer within the Organization, as an inducement to voluntarily leave the Company, a termination payment as specified in Article 25 (Termination Payments), plus compensation for any vacation to which the employee is entitled at the time of leaving the Company. In the event that further force adjustments by means of layoff are deemed by the Company to be necessary, the Union shall be advised by the Company as to its proposed plan for accomplishing such further force adjustments sixty (60) days before the adjustment is to become effective. During the first forty-five (45) calendar days of the sixty (60) day period, the Union may offer the Company, in writing, a plan to accomplish the force adjustments deemed by the Company to be required. If the Union's plan meets the foregoing requirements, the Company agrees to consider the plan proposed by the Union. If no such written plan is received by the Company from the Union within said forty-five (45) days, or if the parties are unable to agree upon a plan, the Company will proceed with the force adjustments according to the plan the Company proposed.

- (c) Whenever such force adjustments are accomplished by layoffs, such layoffs shall be among those regular employees in the same Organization having the same job title, in the GCA. Layoffs shall be in inverse order of seniority except that employees who (1) have been assigned to a management title, other than as a result of a temporary promotion, for a continuous period of twelve (12) or more months prior to their most recent return to the bargaining unit and (2) whose most recent return to the bargaining unit from a management title other than one arising from a temporary promotion, is within twelve (12) months of a declaration of surplus in the bargaining unit title in the GCA and Organization to which they are assigned at the time of the surplus declaration (hereinafter referred to as a returning manager), shall be laid off prior to any other employee in the same title in the same Organization and the same GCA being laid off. For employees in the titles of Distribution Technician, Senior Technician, Customer Systems Engineer, however, the Company may retain in each Organization three percent (3%) of the total employees in the same job title within the same Organization in any GCA despite lesser seniority. In each GCA, when the provisions of this Article are implemented, at least one (1) employee may be protected. An individual may only be protected two (2) times during the life of the Agreement.
- (d) When employees other than a returning manager (as described in Paragraph 1(c) in the affected job title within the same Organization of the Company in the GCA (as identified in Paragraph 1 who have five (5) or more years net credited service are notified by the Company that they are to be laid off, those employees shall have the right to select in order of seniority, another job from a list of jobs with the same job title, in the same Organization of the Company held by employees having the least seniority within the employee's Force Adjustment Region (as outlined in the note below) provided [1] the selecting employee is qualified to perform the selected job; [2] the employee holding the selected job is not one of the employees designated for retention by the Company in accordance with Paragraph 1(c) above; and [3] the employee holding the selected job has less seniority than the selecting employee. The list of jobs held by the least senior employees identified above shall not be greater than the number of jobs declared surplus, or the number of employees who have indicated a desire to select from this list another job within the applicable Force Adjustment Region, whichever is less.

NOTE: The Force Adjustment Regions shall be comprised of the following groups of states:

REGION 1: NY, ME, NH, VT, MA, CT, RI, NJ, PA, DE, MD, WV, VA, DC

REGION 2: NC, SC, GA, KY, TN, MS, LA, FL, AL, AR, MO, KS, OK, TX

REGION 3: OH, IN, IL, MI, MN, WI, NE, IA, ND, SD

REGION 4: AZ, NM, CO, CA, MT, WY, UT, ID, WA, OR, NV, HI, AK

- (e) When the affected title exists in only one GCA within a Force Adjustment Region, the provisions of 1(d) will apply as if the Force Adjustment Regions were the entire country.

2 POOLED TITLES

- (a) When the affected title in Paragraph 1 (Layoffs and Part-Timing) above is Customer Systems Engineer, Senior Technician, Service Coordinator, Administrative Clerk, Records Clerk, or Office Clerical Assistant, all employees in the GCA in each specific title shall be treated as though they are in the same organization of the Company for force adjustment purposes.
- (b) When the affected title in Paragraph 1 (Layoffs and Part-Timing) above is Field Operations Material Handler-I or Field Operations Material Handler-II, all employees in these titles in the same GCA shall be treated as though they have the same title and are in the same organization of the Company for force adjustment purposes; however, employees in the Field Operations Material Handler-II title may not select the job of a Field Operations Material Handler-I.

3 RECALL

If additions of regular employees to the work force are required in the affected job titles, Organization, and GCA within three (3) years of the last layoff therein, the Company shall proceed as follows before hiring new employees:

- (a) Former regular employees who held the affected job titles within the Organization and the GCA, at time of layoff, shall be offered recall to their prior job title (or its successor title or for a title of equivalent status for which they qualify), in the GCA in inverse order in which such employees were laid off, provided:
- (1) Their period of layoff has not exceeded three (3) years; and,
 - (2) They are physically able to perform the duties of the work available.
- (b) Notice for recall shall be mailed by certified or registered letter, return receipt requested, to the employee's last mailing address known to the Company's employment office.
- (c) The Company will assume that failure on the part of any former employee to notify the Company within fifteen (15) days concerning acceptance of an offer of recall or to report for duty within fifteen (15) calendar days from the date of the offer, constitutes a rejection.
- (d) It shall be the responsibility of such former employees to notify the Company, at the employment office, of their desire for recall and to keep the Company currently informed of their correct address.
- (e) Nothing in this agreement shall limit the engagement of term or temporary employees in the event of an emergency or to meet peak load or other temporary situations.

Article 25

- 3 The termination allowance shall, at the option of the employee, be paid in a lump sum, less applicable deductions, or as income continuation in periodic installments, subject to the limitations in Subparagraphs 3(a) and 3(b) below. If an employee elects to receive income continuation periodic installments, each installment will be equal to one (1) week of the Adjusted Rate, for each week in the employee's normal payroll period, less applicable deductions, and will be paid during the normal payroll period. Income continuation periodic installments shall continue until the earliest occurrence of either of the following events:
- (a) The total amount of the income continuation installments to the employee equals the total amount of termination allowance which the employee is to receive.
 - (b) The employee is recalled or rehired as a regular employee by the Company.
- 4 Employees who have received or elect to receive a termination allowance in a lump sum shall, as a condition precedent to being recalled or rehired as regular employees of the Company, repay that portion of the termination allowance they received that is equal to their Adjusted Rate multiplied by the difference between the number of weeks used to compute their termination allowance and the number of weeks (or fraction thereof) from the date of their termination to the date of their recall or rehire as regular employees of the Company. Employees who are recalled or rehired as other than regular employees and who are subsequently reclassified as regular employees, shall, as a condition precedent to such reclassification, also make repayment pursuant to this Paragraph 4 based upon the difference between the number of weeks used to compute their termination allowance and the number of weeks (or fraction thereof) from the date of their termination to the date of their reclassification.
- 5 The amount of termination allowance for an individual (1) who has been previously laid off or terminated by the Company; (2) who has received termination allowance either in a lump sum or in the form of periodic income continuation installments; (3) who is re-engaged; and (4) who is again laid off or terminated after having been re-engaged, will be calculated as follows:
- The number of weeks used to compute the termination allowance net of repayment pursuant to Paragraph 4 shall be deducted from the number of weeks that would be used to compute the termination allowance as of the date that the employee is again laid off or terminated.
- 6 **THE PROVISIONS OF PARAGRAPH 1 DO NOT APPLY IN CASE OF:**
- (a) An employee leaving the Company voluntarily without inducement by the Company;
 - (b) An employee on a leave of absence;
 - (c) An employee who is dismissed for misconduct;
 - (d) An employee who is classified as Term or Temporary at the time they are work completed.

ARTICLE 26 - REASSIGNMENT PAY PROTECTION PLAN

- 1 Employees who are assigned by the Company to vacancies in accordance with Article 16 to a title that is a downgrade and where the Standard Rate of pay of the new job title is less than the Standard Rate of pay of the former job title will receive a one time lump sum payment.
- 2 Employees with less than 15 years of service will receive a one time lump sum payment equal to 60 times the difference in the Standard Rate between the new job title and the former job title times the number of hours in the employee's Scheduled Weekly Tour. Employees with 15 years or more of service will receive a one time lump sum payment equal to 120 times the difference in the Standard Rate between the new job title and the former job title times the number of hours in the employee's Schedule Weekly Tour.
- 3 A Joint National committee may be set up, at the request of either party, to discuss alternatives to involuntary downgrades. The impact and effect of such changes on the employees shall be appropriate matters for discussion. The Company will discuss with the Unions:
 - (a) What steps might be taken to offer employment to employees affected:
 - (1) In the same locality or other localities in jobs which may be available in occupations covered by the collective bargaining agreements between the parties.
 - (2) In other occupations in the Company not covered by the collective bargaining agreement.
 - (3) In other Company affiliates, subsidiaries or entities.
 - (b) The applicability of various company programs and agreement provisions relating to force adjustment plans and procedures, including ACTOP, Reassignment Pay Protection Plan, termination payments, retirement, transfer procedures and the like.
 - (c) The feasibility of the Company providing training for other assignments for the employees affected. (Example: sponsorship of typing training on Company time.)

ARTICLE 27 - SENIORITY

- 1 Length of service (Net Credited Service as determined by the Employee's Benefit Committee) shall be taken into account in the treatment of employees insofar as the conditions of the business and the abilities of the employees permit.
- 2 It is understood by the parties that the provisions of Paragraph 1 apply to all Articles of the contract.

ARTICLE 28 - CONTRACTING OF WORK

- 1 In making decisions regarding contracting of work, it is management's objective to consider carefully the interests of both customers and employees along with all other considerations essential to the management of the business. Some of these considerations include but are not limited to law, regulations, changing industry structure, economic conditions, and business considerations.
- 2 Projects involving types of traditional telephone work which have been regularly performed by bargaining unit members in a work group will not be contracted out if the contracting out of traditional telephone work on such a project will currently and directly cause layoffs or part-timing of regular employees in the same work group which would have otherwise performed the work. "Work group" as used in this article shall be deemed to refer to the group of employees normally treated as a unit for purposes of part-timing or layoff under Article 24 (Force Adjustment - Layoff, Part-Timing, and Recall).
- 3 From time to time, but no less frequently than every six (6) months, the Labor Relations Vice President, or his or her designated representative, and the Union's Vice President, or his or her designated representative, will meet to review traditional telephone work which has been contracted out which, heretofore, was performed in a given locality by bargaining unit members. The focus of the meetings will be to afford the Union's Vice President, or his or her designated representative, an opportunity to suggest ways in which the Company could, in the future, use bargaining unit members in the same locality to perform the contracted out work at competitive total cost to the Company and within the same completion time requirements. Where such methods are presented by the Union, the Company will give them due consideration and will advise the Union of its determination. The Labor Relations Vice President, or his or her designated representative, and the Union's Chair, or his or her designated representative, will mutually authorize the formation of Business Group/Division Joint Committees on sub-contracting or local committees to examine the contracted work to suggest ways that the work could be performed, in the future, by bargaining unit members in a given locality at competitive costs and within the same completion time requirements and to discuss the need for, and nature of, information which would assist the committee in performing its function.

- 4 The provisions of this article will be subject to the grievance procedure contained in Article 9 (Grievance Procedure), but shall not be subject to the arbitration provisions contained in Article 10 (Arbitration).

The parties mutually desire to provide a vehicle, other than litigation, by which certain subcontracting disputes can be amicably and expeditiously resolved in the future.

Because of the competitive nature of our markets, fluctuating work loads and the need to provide prompt response to customer demands, the Company cannot agree that it will not contract work which might otherwise be performed by its employees. It has agreed, however, to provide for a neutral third party review of its compliance with the applicable language of the collective bargaining agreement concerning contracting, as well as the commitments set forth in the Williams/Bahr letter, which the parties have agreed to renew for the term of this new Agreement.

- 5 In furtherance thereof, the parties have agreed as follows:
- (a) In lieu of all other procedures set forth in Article 10 (Arbitration), the following procedure shall apply to grievances alleging that the Company has contracted work which would otherwise have been performed by bargaining unit employees in a GCA in which (1) layoffs of such employees are pending, (2) in which employees are on layoff with recall rights and are available to do the work which has been contracted.
- (1) Within thirty (30) days of the denial of the Union's grievance at the third step, the Union's national office may request, in writing, that the grievance be submitted to a neutral third party, selected from a list of neutrals previously agreed upon by the parties.
 - (2) The parties shall schedule a meeting with the neutral third party within thirty (30) days of the Union's appeal. At a meeting with the neutral, the Union shall have the opportunity to explain why it believes that the contracting at issue either currently and directly caused layoffs or part-timing of employees in circumstances set forth in Article 28, Paragraph 2 or whether, in circumstances addressed by the Williams/Bahr letter, the Company had no other reasonable alternative but to contract the work in dispute. The Company shall then have the opportunity to respond.

(3) Except as agreed upon by the parties, the meeting shall be informal. Normally witnesses shall not be called. No transcript shall be made. The neutral shall issue a written decision within thirty (30) days of the meeting on the form shown in Paragraph 6 below, and both parties hereto agree to be bound by the neutral's decision. No other decision or opinion shall issue, and the decision of the neutral shall not be used or cited as precedent in any future cases. If the neutral's decision upholds the Union's grievance, an amount of money, computed by using the Adjusted Rate, including premium payments (such as overtime and holiday allowance if appropriate) of the employees on layoff, and the number of hours of work contracted which would otherwise have been performed by employees who have been laid off as a current and direct result of the contracting, or who are on layoff with recall rights in that GCA and who were available to do the contracted work, shall be distributed among those individuals as determined by the parties.

- (b) The compensation and expenses of the neutral third party and the general administrative expenses of the meeting with the neutral shall be borne equally by the Company and the Union. Each party shall be responsible for payment for time consumed by and the expenses of its representatives.
- (c) No less than one (1) such meeting shall be held in each calendar quarter and the selected neutral shall hear all grievances which have been appealed to this dispute resolution process at least seven (7) days prior to the selection of the neutral.
- (d) These procedures shall be the sole and exclusive means by which contracting grievances unresolved after the exhaustion of the procedures set forth in Article 9 (Grievance Procedure) may be addressed.

6 Decision of Neutral Third Party

(a) Did the contracting involved in the grievance currently and directly result in the layoff or part timing of employees in the circumstances set forth in Article 28, Paragraph 2 of the Agreement? (If this answer is "yes", then the union's case is sustained.)

Yes

No

(b) Was a surplus of employees declared and in effect at the time the contracting took place in the GCA in which the contracting took place?

Yes

No

- (c) Were employees in the GCA in which the contracting took place on layoff with recall rights and available to do the work which was contracted?

Yes

No

- (d) If yes to (b) or (c), did the Company have no other reasonable alternative but to contract?

Yes

No

ARTICLE 29 - EMPLOYEES IN MILITARY SERVICE OR ACTIVE DUTY FOR TRAINING

A regular employee (not temporary, term or occasional) who enters the United States Uniformed Services for Active Duty for Military Service, shall be granted a Military Leave of Absence for the period of his/her necessary absence. Voluntary extension of military service beyond five (5) years shall not be construed as necessary absence. A regular employee (not temporary, term or occasional) who is a member of a reserve component or organized militia of the state and enters upon Military Training Duty will be granted a Military Leave of Absence for the period of the necessary absence for such training. The term "Uniformed Services" as used herein shall mean Uniformed Services of the United States as specified in the Uniformed Services Employment and Reemployment Rights Act of 1994.

An employee, on a Military Leave of Absence for Active Duty for Military Service or military training duty and who has re-employment rights under the Uniformed Services Employment and Reemployment Rights Act of 1994 and who makes application for reinstatement within the period provided in the law will receive upon reinstatement, full service credit for the period of absence for military service or training duty.

- 1 Military Leaves of Absence will be with eligibility to sickness disability benefits at the termination of the leave if the employee is then disabled but otherwise entitled to reinstatement in accordance with the terms of the Company Benefit Plans.

In death cases occurring during a Military Leave of Absence, sickness death benefits, where payable, shall be based upon the term of net credited service at the time the leave was granted, plus the elapsed time of Military Leave of Absence to the date of death, and shall be computed at the time the leave began.

Sickness disability benefits, where payable, shall be granted upon the net credited service at the time the leave was granted plus the elapsed time on Military Leave of Absence to the termination of such leave, and shall be computed on the basis of Avaya pay in effect at the time of the employee's reinstatement.

- 2 It is the policy of Avaya to pay a Military Differential Pay to regular employees (not temporary, term or occasional) who receive and provide the Company with a copy of military orders for military service in the U.S. Armed Forces subject to conditions imposed by federal law.

Military Differential Pay is the excess of Avaya pay over military pay received by an eligible employee while on a Military Leave of Absence.

Avaya pay is an employee's Adjusted Rate (excluding overtime) in effect at the time the Military Leave of Absence begins. Night work differentials, seven-day coverage and transition payments (non-lump sum) are included. Military pay is an employee's military basic pay rate in effect when the Military Leave of Absence begins. All allowances and supplementary pay elements [i.e., BAS (Basic Allowance for Subsistence), BAQ (Basic Allowance for Quarters), Hazardous Duty Pay, Proficiency Pay, Special Duty Pay] are not included.

The Military Differential Pay shall be up to the limits prescribed in the following or the period of Military Service, whichever is shorter:

If the leave of Absence and Duration are...	And the date the leave begins the employee's net credited service is...	Then the duration of Military Differential Pay is...
Active Duty for Military service (normally 2-5 years) (See Note 3)	1 year or less	First 15 weeks
	More than 1 year	First 26 weeks
Military Training Duty - normally 2 weeks (See Note 1)	No minimum	A maximum of 20 scheduled work days (including holidays) in each military fiscal year (October 1 - September 30)
Initial Active Duty for Training (at least 3 consecutive months but no more than 18 months)	No minimum	First 4 weeks (20 days)
Emergency Service	No minimum	A maximum of 13 scheduled work days (including holidays) in each calendar year (See Note 2)

Note 1: Includes attendance at schools for special military courses of instruction which may last several months.

Note 2: An absence for Emergency Service does not affect an employee's right or eligibility with respect to Military Training Duty, Initial Active Duty for Training, or Active Duty for Military Service. If the local emergency situation exceeds 13 scheduled workdays, pay treatment for additional time must be approved by the Avaya Pension Plan Administrator.

Note 3: Payment of Military Differential Pay, for up to the maximum durations described above, is limited to the time when an employee initially enters Active Duty for Military Service. The employee is not again eligible for the maximum payments, regardless of the number of times the employee enters Active Duty for Military Service.

Regular employees who volunteer for Military Training Duty (including attendance at schools for special military courses or instruction) or Emergency Service without receiving military pay, will be authorized time off but without Avaya pay or Military Differential Pay.

Upon furnishing official written documentation to his/her supervisor, a regular employee may be granted up to three (3) scheduled workdays off with pay to report for registration, testing and/or a physical examination for induction into Active Duty for Military Service or Initial Active Duty for Training.

- 3 An employee who receives a notice to report for Active Duty for Military Service or any Military Training Duty, shall immediately present such notice to his/her supervisor.

**SUBCONTRACTING CLARIFICATION LETTER FOR DISTRIBUTION
TECHNICIAN
WORK AS PROVIDED IN THIS LETTER DATED
AUGUST 20, 1991**

This letter confirms our understanding concerning contracting, reached during discussions involving the incorporation of Distribution Technologies into the CWA-19 Bargaining Agreement.

The parties continue to recognize the intent of the Bahr-Williams letter dated May 27, 1989, and have agreed to set forth the following illustrative examples of business circumstances under which the letter would permit the contracting of work traditionally performed by Distribution Technicians where Distribution Technicians retain recall rights in the same GCA. It is understood that the following examples are representative of likely occurrences and that they are not intended to be all inclusive.

EXAMPLE 1

The number of employees required for the work exceeds the number of on-roll and laid off employees available to staff the work, and the Company does not have sufficient lead time to recall and hire the necessary force.

For example:

- All current employees are assigned, and five additional employees are required for a six month project which starts in two weeks. In this instance the Company may subcontract; however,
- If all current employees are assigned, five employees are on recall, and ten employees are required for a six month project which starts in ten weeks, the Company's intent would be to recall employees and hire additional employees.

EXAMPLE 2

Because of the length of the projected schedule of the work (either the total job or individual job segments) the Company is unable to staff the job through recall of employees.

For example:

- The total job is of four weeks duration requiring five employees; however, because of the needs of the customer, the employees cannot work four consecutive weeks and must work intermittently. The Company may subcontract.
- The job is of four weeks duration. Two employees will be required for the first two weeks, and three employees will be required for the remaining two weeks. The Company may subcontract; however, Paragraph 3.72 of Article 30, Installation Contract CWA-19 shall be utilized when possible.

EXAMPLE 3

A job occurs in a GCA where Distribution Technologies has no current presence.

For example:

- A six month university job was completed last year and ten employees are on recall. A new ten week job requiring four employees occurs in the GCA. The Company may subcontract.
- A six month university job was completed last year and ten employees are on recall. A new three month job requiring six employees occurs in the GCA; however, no qualified Distribution Technician or manager from another GCA is available to direct the job. The Company may subcontract.

EXAMPLE 4

The projected schedule for work in accordance with customer demand cannot be met through the recall of employees.

For example:

- A job of three weeks duration requiring two employees is awarded and five employees are on recall. However, the lead time to begin the job is only two weeks. The Company may subcontract; however, Paragraph 3.72 of Article 30, Installation Contract CWA-19 shall be utilized when possible.

It is further understood that the following shall not be considered as contracted work coincident with the incorporation of Distribution Technologies into the CWA-19 Agreement.

- Traditional Distribution Technologies work performed by Distribution Technologies for other Business Groups such as, but not limited to, BCS, GBS, and Computer Systems.
- Network Systems Installers who are detailed to perform traditional Distribution Technologies work.

In the competitive and volatile environment of this business, several of the above conditions may exist simultaneously. However, it is the Company's intent to optimize the utilization of its employees to cost effectively meet customer needs, including borrowing employees normally assigned to traditional installation work. In addition, the Company's intent is to provide continuous employment where there is a sustainable work load. Through these examples, it is the Company's desire to convey its intention that subcontracting of this work in the future would only be done when the Company has no other reasonable alternative, in accordance with the provision of the Bahr-Williams letter.

**MEDIATION PROCESS FOR DISPUTES REGARDING
SUBCONTRACTING OF WORK PERFORMED BY
DISTRIBUTION TECHNICIANS AS PROVIDED IN THE DT/NS
LETTER DATED AUGUST 20, 1991**

Disputes regarding the Company's subcontracting of work performed by Distribution Technicians and provided for in the DT/NS subcontracting clarification letter, dated August 20, 1991, may, after the grievance procedure has been exhausted, be mediated by the Union under the procedure described herein.

In order to invoke the mediation proceeding, the Union must file a written demand to mediate the grievance with the Company's bargaining agent for Installation postmarked within five (5) days of receipt of the Company's final grievance answer. The Company's bargaining agent and the Union's bargaining representative will select the next immediately available mediator, in rotation, from a panel of five mediators selected in advance by mutual agreement of the parties.

The mediator will be notified forthwith, and the mediation will be scheduled at the earliest available date. If a mediation hearing cannot be scheduled within thirty (30) days after the written demand to mediate the grievance is received by the Company, then, absent a mutual extension of time agreement signed by the Union and the Company, the next immediately available mediator shall be selected to mediate the grievance. If none of the mediators selected by the parties is available for a hearing within thirty (30) days after the written demand to mediate, the parties shall schedule a hearing with the mediator that has the earliest available date.

Normally, mediation conferences be held in Washington, D.C., and will normally be conducted in a Company or Union facility or in the office of the mediator. The direct expense of the mediation conference, but not including the expense incurred by the parties or their witnesses, shall be borne equally by the Company and the Union.

The spokesperson for the Company will be the Company's bargaining agent for Installation or his or her designee. The spokesperson for the Union will be _____ . Attorneys will not be used by either party at the mediation conference.

All written material that is presented to the mediator or to the other party shall be treated as confidential by the participants and should not be used for any other purpose. The written material shall be returned to the party presenting the material at the termination of the mediation conference. The mediator may, however, retain one copy of the written grievance to be used solely for purposes of statistical analysis.

Article 32

Proceedings before the mediator shall be informal in nature and shall include but one such disputed job unless otherwise agreed. The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply and no record of the mediation conference shall be made. The decision of the mediator shall be confirmed on the form attached as Exhibit A and no other opinion or decision shall be issued.

The mediator will attempt to mediate the dispute and is authorized to make a binding resolution of the grievance. At the mediation conference the mediator shall announce his or her resolution of the grievance and the basis for the resolution.

The mediator's authority shall be limited to a determination of whether or not the Company subcontracted work in violation of the DT/NS subcontracting clarification letter dated August 20, 1991.

If the mediator determines that the Company subcontracted work in violation of the letter, the Company will, to the extent practicable in meeting the customer's completion date on the order in question, cease any remaining subcontracting of the specific job at issue in the grievance; in addition, the Company will compensate the grievant(s) who would have been recalled and would have accepted recall, and who also would have been available to perform the work, for lost wages, if any, at his or her Adjusted Rate for time lost within his or her Scheduled Weekly Tour less any amount paid to or received by the employee as wages in other employment and as unemployment benefits under provisions of law during the period.

Any resolution agreed to by the parties or any resolution made by the mediator shall not be cited by either party nor shall it constitute a precedent in any other proceeding.

The Company and the Union recognize and confirm that the grievance procedure and the mediation procedure herein established provide the mutually agreed upon and exclusive forums for resolution of disputes under the DT/NS subcontracting clarification letter dated August 20, 1991.

This agreement to mediate disputes arising under the DT/NS subcontracting clarification letter dated August 20, 1991, shall expire on May 30, 1998.

7 MOTOR VEHICLE USAGE PROGRAM

- (a) There will be established in the Company a Motor Vehicle Usage Program to provide, in those administrative work units where implemented, that employees who participate will be assigned a motor vehicle for use in their work and for traveling between their work locations and places of residence or other designated places for the vehicle storage.
- (b) The Motor Vehicle Usage Program will be implemented only within administrative work units where some or all of the employees normally use a Company-provided motor vehicle in order to perform their work. The decision to implement and to continue the program within any such administrative work unit will be within management's discretion.
- (c) When the Motor Vehicle Usage Program is introduced within an administrative work unit, all employees within that unit who normally use a Company-provided motor vehicle in the performance of their work assignment will be eligible to participate. Participation by any such employees will be on a voluntary basis. If an employee elects not to participate, management will determine where the motor vehicle assigned to that employee is to be stored and that location will become the employee's work reporting location.
- (d) Employees who participate in the Program will be expected to provide normally secure and legal storage for the vehicle at their places of residence. If the vehicle cannot be properly stored at an employee's place of residence, the Company may arrange for appropriate storage at its expense.
- (e) The Company will make arrangements for maintenance of the vehicle; however, it will be the responsibility of the employee to whom the vehicle is assigned to assure that the vehicle is properly maintained.
- (f) For employees who participate in the Motor Vehicle Usage Program, a work reporting area will be established on a local basis before implementation. Such work reporting area will be designed so as to serve the interests of the customer, reasonably accommodate the employee, and be satisfactory to management and the Union. The work reporting area normally will be a circular geographic area. In large congested metropolitan locations or where natural barriers render a circular work reporting area impractical, other suitable parameters will be established.
- (g) Each participating employee will be expected to begin and end the work tour at any assigned location within the established work reporting area. Prior to implementation of the Program, the Company and Union will determine a method of compensation for employees who begin or end a work tour outside an established work reporting area.

- (2) The working conditions of an employee shall be those specified for the group to which the employee is assigned. When an employee is assigned temporarily to a different group within an office or to a similar or different group in another office, the employee shall assume the working conditions of the temporary assignment.

(b) Operations Employees

A normal tour shall be eight (8) hours except in those cases where a normal tour of different length has been specifically authorized. When for service reasons an employee cannot leave the job for a meal period, the meal period shall be included as part of the employee's tour.

3 Weekly Work Schedules

(a) Operations Employees

(1) Scheduled Days Per Week

- (i) An employee shall be scheduled to work normal tours on any five (5) days of the calendar week.
- (ii) normal tours shall be on the holiday.

The interval between the end of one scheduled tour and the beginning of the next scheduled tour shall normally be at least eight (8) hours.

- (ii) After 3:00 P.M. If the employee is not notified of such designation before the end of the Sunday work, the last scheduled day of the employee's work week shall become a Non-Scheduled Day.
- (iii) The starting time of an employee's scheduled tour on any day may be changed provided the employee is given adequate notice and provided further that no tour so rescheduled shall start more than two (2) hours before, or after, the starting time of the employee's basic tour unless it starts four (4) hours or more before or after such starting time. When a tour is changed in accordance with the foregoing the rescheduled tour becomes the scheduled tour for that day.
- (iv) Adequate notice of a change in a schedule shall be notice given at least thirty-six (36) hours prior to the starting time of the tour originally scheduled or the starting time of the rescheduled tour, whichever is earlier.

4 Tour Selection - Operations Employees (Regular Full-Time)

- (a) An employee shall be permitted to select the basic tour the employee desires to work, subject to the following conditions:
 - (1) An employee shall not be permitted to select the days of the week the employee is to work or the type of work the employee is to perform.
 - (2) Each employee in a group which is treated as a unit for scheduling purposes may select a tour only during January or early February and during July or early August, the time of selection within such periods being determined by the supervisor in charge.

- (3) An employee may select only from the tours available in the group. An employee temporarily reassigned to a location other than his or her permanent reporting location shall be permitted to select his or her tour at his or her permanent reporting location. At the time of selection a list of available tours shall be referred to each employee in order of seniority and the employee may indicate thereon his or her selection of the open tour (not one previously selected by an employee with greater seniority) the employee wishes to work.
- (b) To the extent that service and coverage conditions permit, weekly assignments of scheduled tours shall be made in accordance with selection indicated at the last selection period. If the employee is not assigned to the tour the employee selects under (a)(3) above, because of the employee's lack of qualification, the following will apply:

 - (1) Between tour selection periods, if the tour selected by the employee becomes available due to either the adding of a permanent tour or a permanent vacancy, and for which the employee is qualified, the employee shall be assigned to the tour under (b) above.
 - (2) The Company will give due regard to the employee's request for the required training.
- (c) Necessary changes in assignments because of absences or changes in requirements between tour selection periods, except as covered in (b)(1) above, shall be made with due consideration to seniority.

Any dispute concerning the interpretation or application of this clause may be taken up as a grievance, and if necessary, submitted to arbitration in accordance with Article 10 (Arbitration).

5 Tour Selection Administration - Operations Employees

- (a) The following provisions shall govern the administration of Paragraph 4:

If more than two (2) such tour vacancies are created by the filling of the aforescribed tour originally vacated or added all tour vacancies in excess of the two (2) next succeeding vacancies shall be replaced in the manner provided in Paragraph 5(a)(2) below.
 - (2) The Company further agrees that whenever, in its judgment, it becomes necessary between tour selection periods to replace a vacated tour, or add a tour, which consists of one (1) or more normal work weeks but less than fourteen (14) normal work weeks within the current tour selection period, such a tour shall be offered for selection in order of seniority to employees in the appropriate tour selection unit, who, in the Company's judgment, are qualified to perform the work and available at that time for release from current work assignments without the necessity of replacement.
 - (3) The Company further agrees that whenever, in its judgment, it becomes necessary between tour selection periods to replace a vacated tour, or add a tour, which consists of less than one (1) normal work week, it shall fill such a tour by the selection of an employee from the appropriate tour selection unit.

The parties further agree that supervisory calls to employees should be kept to a minimum consistent with the needs of the business. The parties agree that when an employee is called by a management employee outside of work time, the employee will be compensated if the call meets all of the following criteria:
- (2) The call is made outside the employee's Scheduled Daily Tour or on a Non-Scheduled Day, or on an excused holiday;

Payment for time worked on a call-in plus pay for traveling time, as specified, shall not be less than two (2) hours pay at the applicable overtime rate. For such work performed during an employee's excused Scheduled Daily Tour on a holiday, the employee shall be compensated as set forth herein, in addition to any holiday allowance to which the employee is entitled. For such work performed outside the period of the employee's excused Scheduled Daily Tour on a holiday, the employee shall be paid as set forth herein, except that two and one-half (2-1/2) times the employee's Adjusted Rate shall be substituted for the employee's overtime rate. The provisions of this Paragraph 9(f)(1) do not apply if such time worked is continuous with the employee's Scheduled Daily Tour other than a previously excused scheduled tour on an authorized holiday. Time allowed for a meal period shall not be considered as a break in the continuity of work time.

- (2) When an employee is contacted while at home and off duty and is required to immediately report to work during non-scheduled periods and the time worked as a result of the call-in is continuous with the employee's Scheduled Daily Tour other than a previously excused scheduled tour on a holiday, the employee shall be paid at the appropriate overtime rate, including a reasonable amount of one (1) way travel time from home, for time worked before the starting time of the employee's Scheduled Daily Tour. GENERAL WAGE INCREASES**1 Wage Schedule Increases**

(a) The increases in the wage schedules set forth below shall be computed on an exponential basis, and shall be rounded to the nearest penny.

(b) Initial Wage Increase

(1) Effective June 1, 2003, wage schedules shall be increased by 3.0% on the Maximum Rates and by 3.0% on the Minimum Rates in effect on May 31, 2003

(c) Retroactive Pay Equivalent Payment

(1) Employees on the active roll on the date of the initial wage increase, shall be eligible to receive a Retroactive Pay Equivalent Payment.

(2) For Full-Time employees, the Retroactive Pay Equivalent Payment shall be determined as follows:

The amount of the employee's hourly rate increase resulting from the initial wage increase;

Multiplied by a factor of the number of hours in the employee's Scheduled Weekly Tour for each week of employment in the period beginning June 1, 2003, and ending with the effective date of the initial wage increase;

Plus the actual number of hours of overtime payments received during that period calculated at the appropriate overtime factor (Time And One-Half, Double Time or Double Time And One-Half, as applicable);

Plus the actual tour differentials received (Night Work, 7 Day Coverage and Continuous Operations differentials) during that period;

Plus all the actual Differentials, Allowances and payments that are paid as hours during that period including On-Call, Call-In, Call-Up, Sunday Payments, Saturday Differential, Shifted Tour Differential, and Minimum Interval Differential.

(3) In the event an employee was demoted or temporarily assigned to a higher classification with an impact on the employee's Standard Rate during the period beginning June 1, 2003 and ending with the effective date of the initial wage increase, the employees' payment records for the period will be reviewed to ensure that the employees' Retroactive Pay Equivalent Payment was not adversely impacted by applying the employee's hourly rate increase resulting from the initial wage increase in the calculation of the Payment.

(i) In such case, the employee will receive an adjustment to the calculation for the difference, if any.

National Memorandum

- (4) An eligible Part-Time employee shall receive a proportionate amount of the applicable Full-Time Retroactive Pay Equivalent Payment based on the Part-Time employee's Part-Time Equivalent Work Week as of the effective date of the initial wage increase.
 - (5) In the event an employee has left the active roll during the period beginning June 1, 2003 and ending with the effective date of the initial wage increase, the Retroactive Pay Equivalent Payment will be based on the number of full weeks of employment during said period.
 - (i) In such case, the percentage increase as specified in Paragraph (1) (b) (1) shall be applied to the employee's Standard Rate effective on the date the employee left the active roll in the computation of the Retroactive Pay Equivalent Payment.
 - (6) The Retroactive Pay Equivalent Payment will be made no later than Friday, September 26, 2003 provided the Company has been notified that the 2003 National Memorandum of Understanding (which includes all local contracts) have been ratified no later than 11:59 p.m. July 25, 2003.
 - (7) The Retroactive Pay Equivalent Payment shall be subject to federal, state and local tax and FICA withholding.
 - (8) Allotments for the following shall be deducted from the Retroactive Pay Equivalent Payment:
 - (i) The Avaya Stock Purchase Plan
 - (ii) The Avaya Inc. Savings Plan by dividing the amount by the weekly equivalent of the employee's Adjusted Rate of pay on June 1, 2003, rounded to nearest whole number, times the employee's weekly Savings Plan Allotment
 - (iii) Union dues as specified by the union
 - (9) The Retroactive Pay Equivalent Payment will not be part of the employee's Standard Rate of pay or basic wages for any other purpose nor shall it enter into the standard Overtime Adjustment formula nor into the computation of any payments made under any pension or benefits plan, fringe benefit, allowance or differential.
- (d) Second Wage Increase
- Effective May 30, 2004, wage schedules shall be increased by 3.0% on the Maximum Rates and by 3.0% on the Minimum Rates in effect May 29, 2004

(e) Third Wage Increase

Effective May 29, 2005, wage schedules shall be increased by 3.0% on the Maximum Rates and by 3.0% on the Minimum Rates in effect on May 28, 2005.

- (f)** An employee's increase in Standard Rate shall be based on the Wage Progression Step to which assigned on the effective date of the aforementioned wage increase(s).

ESCALATION ADJUSTMENT

- 1 Effective May 29, 2005, an Escalation Adjustment will be determined by computing the percentage increase in the U.S. Bureau of Labor Statistics National Consumer Price Index for Urban Wage Earners and Clerical Workers, hereafter called "CPI-W" (1982-1984=100), between March 2004 and March 2005.
 - (a) If the percentage increase of the CPI-W exceeds the cumulative percentage increase to the Maximum Rates of each wage schedule for the Initial General Wage Increase (GWI), plus the second and third GWI's, an Escalation Adjustment shall be applied by multiplying the percentage increase in the CPI-W. The result shall be added to the third scheduled GWI and applied to the Maximum Rates and Minimum Rates in effect on May 28, 2005.
 - (b) A partial percent increase shall be rounded to the nearest one tenth of one percent.
- 2 In no event shall a decrease in the CPI-W result in a reduction of any wage rate.
- 3 In the event the Bureau of Labor Statistics does not issue the appropriate Consumer Price Indexes on or before the dates referred to in paragraph 1, Escalation Adjustments required by such appropriate indexes shall be effective at the beginning of the first payroll week after receipt of the indexes.
- 4 No adjustment, retroactive or otherwise, shall be made as the result of any revision which may later be made in the first published figures for the CPI-W for March 2004 and March 2005.
- 5 The Escalation Adjustments are dependent upon the availability of the CPI-W in its present form and calculated on the same basis as the CPI-W for March 2004. In the event the Bureau of Labor Statistics changes the form or the basis of calculating the CPI-W the Company and the Union agree to request the Bureau to make available, for the life of this Agreement, a CPI-W in its present form and calculated on the same basis as the CPI-W for March 2003, which was 180.3 (1982-1984=100).
- 6 It is expressly recognized by the parties that this Escalation Adjustment provision applies only for the life of this contract.

WAGE PROGRESSION SCHEDULES

- 1 All wage progressions shall be on a semi-annual basis and shall be effective at the beginning of the first fiscal weeks in September and March.
- 2 The minimum eligibility to a wage progression increase shall be 60 days Net Credited Service as of the date of the scheduled increase.
 - (a) Additional eligibility criteria shall be subject to the provisions of the applicable local contract.

AVAYA INC. PENSION PLAN

ELIMINATION OF PENSION BAND 102

Effective July 1, 2003, pension band 102 is eliminated. Any employee currently in pension band 102 and who retires on or after July 1, 2003, shall have his or her pension calculated using pension band 103.

SERVICE BRIDGING RULES

The Avaya Pension Plan shall be amended to replace the requirement that an employee complete three years of continuous service after the termination of an absence in order for the employee's pre-absence service to be counted as part of the employee's Term of Employment with the requirement that the employee complete two years of continuous service after the termination of an absence in order for the employee's pre-absence service to be counted as part of the employee's Term of Employment. Provided however, that an employee who has received a mandatory minimum distribution must repay such distribution in accordance with the Plan terms in order for his or her service to be bridged.

Such amendment shall be effective on January 1, 2004, so that any employee who has completed two years of post absence consecutive service as of January 1, 2004 shall have his or her former service bridged as of that date.

PENSION ASSET TRANSFER

The Company may continue to transfer excess pension assets from the Avaya Inc. Pension Plan ("Plan") to a separate account that has been established as part of the Plan during each calendar year of the contract. The excess pension assets that are transferred are to be used only to pay qualified current retiree health liabilities (as defined in Section 420(e)(1) of the Internal Revenue Code) for eligible retired represented employees (and their spouses and eligible dependents).

All transferred amounts will be used to pay retiree health liabilities on behalf of retired represented employees (and their spouses and eligible dependents) directly or through the Avaya Inc. Represented Employees Postretirement Health Benefits Trust.

Following completion of a transfer of excess pension assets, the accrued pension benefits of any participant (including participants who terminated employment during the one-year period ending on the date of transfer) under the Plan shall become nonforfeitable (i.e., 100 percent vested).

The transfer of excess pension assets to the separate account and payments therefrom shall be subject to and in accordance with the Internal Revenue Code and the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

SPECIAL SOCIAL SECURITY SUPPLEMENT

JOINT HEALTH CARE COMMITTEE

The Company and CWA and IBEW agree to continue their efforts to improve access to quality health care for bargaining unit members and to manage the cost of Avaya's medical benefits through the maintenance of cost effective health care programs. The Joint Health Care Committee (JHCC), formerly known as the Joint Health Care Cost Containment Committee (JHCCCC), will be continued, and will be responsible for overseeing the implementation, expansion and on-going monitoring of the Managed Care Programs (Point of Service, Mental and Health Chemical Dependency Networks and Prescription Drug Networks) of the Medical Plan with respect to members of the bargaining unit covered by the 2003 National Memorandum.

A major focus of the JHCC will be to develop communication strategies designed to promote a greater awareness among employees of being value conscious health care consumers.

JHCC Members

The JHCC will contain four (4) appointees from the Unions (two (2) from CWA and two (2) from the IBEW) and four (4) from the Company, including members with benefits, health, and labor expertise. The JHCC members will analyze issues which arise concerning the managed care programs of the Medical Plan and using consensus, will develop solutions to the issues.

JHCC Responsibilities

The JHCC is responsible for assuring successful implementation and continuous operation of a quality health care program for current bargaining unit members. The JHCC will be a forum for addressing and resolving issues involved in the implementation and ongoing monitoring and evaluation of the managed care programs of the Medical Plan. To accomplish these objectives the JHCC will:

- review and comment on bid specifications for the Managed Care Programs of the Medical Plan, provide input on who should be invited to bid, meet with various vendors as they make presentations on their programs and capabilities, attend briefings on the outcome of the bid analysis, and make recommendations on the selection of the carrier to senior management. In addition, the JHCC will have access to the Master Contracts between Avaya Inc. and the carriers which administer the POS network covering the represented employees. Such access is contingent upon each JHCC member executing a confidentiality agreement. It is understood that such access will encompass all information that Avaya is legally permitted to disclose.

- develop and agree to a system of standards and guidelines by which POS network operations and performance are to be gauged. Standards and guidelines are to include quality health care providers, utilization management, quality assurance, employee satisfaction and management and administrative capability. Such standards and guidelines may include compliance with an accreditation program performed by an *independent, outside organization with experience in evaluating managed care programs.*
- monitor and evaluate POS network performance according to agreed upon standards on a regular basis.
- deliberate on systematic problems relating to POS network administration in order to resolve those problems across all network sites.
- advise the Company to cancel contracts for POS networks which do not conform to or comply with standards and guidelines developed by the JHCC.
- identify perceived problem areas and develop and implement solutions to enhance the adequacy, efficiency and effectiveness of the POS networks.
- review and evaluate POS network performances, policies and procedures (including POS managed care network operations and related administrator performance) in order to assess effectiveness and efficiency of the program.
 - Based on any such review and evaluation, if the JHCC determines that a represented plan network area operation is materially deficient and that such deficiencies will not likely be resolved in a reasonable period of time with a reasonable effort by the network administrator, the JHCC may then evaluate other Company-sponsored POS managed care operations in the same geographic area and their administrative performance, whether or not represented employees participate in such other arrangements on the same matters as the evaluation of represented plan network area operations was based.

- Based on any such review and evaluation, the JHCC may recommend to the Company to change an existing represented POS network plan administrator in that area to an administrator that presently administers a network under any other medical plan sponsored by the Company in that area. If the Company adopts such recommendation, it shall have, if it deems necessary to effectuate such change, at least one full calendar year to implement such change.
- recommend changes in administrative procedures in order to improve the quality, efficiency and effectiveness of the Managed Care Programs.
- review any evaluations and reports (e.g., NCQA/HEDIS) relating to the POS programs of the Medical Plan. The purpose of the reviews and evaluations is to identify problem areas, to support educational efforts, to determine the quality and cost effectiveness of the plans and programs, and to make recommendations to the Company and to the bargainners on policies and procedures to improve the plans and programs.
- recommend administrative guidelines to support methods of interventions to reduce risk factors associated with chronic disease. Monitor and evaluate the success of such interventions. All information and records of a personal and confidential nature related to these administrative guidelines and procedures shall be kept confidential by those responsible for the guidelines and shall not be shared with anyone other than those with a need to know for a purpose related to the administration of the guidelines and related procedures.
- recommend strategies to improve the delivery, quality of care and service provided bargaining unit employees under the Managed Care Programs.
- develop a consumer information strategy to include POS networks and HMO's under the Medical Plan.
- develop strategies and recommendations for expanding POS network services under the Medical Plan; addressing, for example, items such as voluntary opt in and competing networks
- monitor the overall activity of the Third Party Medical Claims Process which will include receipt of periodic reports on the results of this process.

- discuss effective means of sponsoring a wellness network for represented employees.
- discuss effective means of encouraging Congress to pass legislation regarding health care issues.

CONSULTANTS AND ADVISORS

The parties will continue to elicit the best professional advice both from medical and benefit specialists within the Company and Unions and from recognized outside independent experts, to assist in interpreting the data on Avaya's health costs.

Network Coordinators

The Company agrees to continue to fund for the period of the 2003 Memorandum of Understanding two (2) representatives, one (1) from the CWA and one (1) from the IBEW, to work with the Company in the introduction and on-going maintenance of the POS programs under the Medical Plan.

No retired employee shall be required to contribute towards the cost of postretirement medical and dental coverage for the duration of this 2003 National Memorandum. It is anticipated that the combined medical and dental cap will not be exceeded during the term of the 2003 National Memorandum.

Calculation of Required Retired Employee Contribution

For purposes of determining whether the average projected costs of the Plan for the six types of coverage (i.e., individual, two-person or family, pre or post age 65) will exceed the applicable Company contribution limit for the next succeeding calendar year and if so, determining the amount of the required applicable retired employee contribution, Avaya will annually:

1. Determine the actual aggregate cost of all incurred claims (including the cost of administration) for the second preceding calendar year prior to the year for which premiums are being set for (1) retired employees with individual coverage under 65; (2) retired employees with two-person coverage under 65; (3) retired employees with family coverage under 65; (4) retired employees 65 and over with individual coverage; (5) retired employees 65 and over with two-person coverage; and (6) retired employees 65 and over with family coverage.
2. Based upon such actual aggregate costs, determine the average cost (including dependent costs) for such year per retired employee in each group.
3. Adjust the six average amounts determined in item 2 by an amount to be determined by the Special Research Group, as described below.

4. Calculate the difference between the amounts determined in item 3 and the applicable Company contribution limits and subtract the average claim for each group from the applicable cap for the group, and determine whether the cap has been exceeded. If no cap for any group has been exceeded, then no retiree contributions are required. If one or more caps are exceeded then all caps are aggregated, on a weighted basis. If the result is a positive number, then retiree premiums are due from each group that has exceeded the caps. If the result is a negative number then retiree premiums are not due from any group.

Medical and Dental Inflation and Projected Costs

The determination of medical and dental inflation and projected costs used to calculate any required retiree contributions as described above in item 2 shall be made by a Special Research Group whose members shall include expert representatives from the Company and no more than two expert representatives from each union.

Adjustment to Retired Employee Contribution

Subsequent to each year, Avaya shall compare the aggregate costs for actual incurred claims (plus administrative expenses) for such year to the aggregate of the sum of all Company and retiree contributions, for retirees under age 65 and retirees age 65 and over, respectively.

For each of such two groups of retirees, the Company shall determine whether there has been a surplus or deficit and the amount of such for each year. If there has been a surplus in the amount of prior retiree contributions, the amount of such surplus will be used to offset any future retiree contributions. If there has been a deficit in the amount of prior retiree contributions, the amount of such deficit will be applied to increase any future required retiree contributions.

COVERAGE FOR OTHER COVERED CHARGES (OCC) UNDER TRADITIONAL INDEMNITY OPTION

The Retiree Medical Plan shall be amended, effective January 1, 2004, to provide an opportunity for Traditional Indemnity Option participants to elect to purchase or increase OCC coverage as follows:

1. Participants may elect to purchase or increase coverage, effective January 1, 2004, during the 2004 Annual Enrollment Period.
2. Participants may elect to purchase or increase OCC coverage at retirement.
3. Participants may elect to purchase or increase OCC coverage upon attainment of eligibility for the Traditional Indemnity Option.

THE ALLIANCE

Avaya Inc., the Communications Workers of America, and the International Brotherhood of Electrical Workers agree to continue to utilize the services of the Alliance for Employee Growth and Development (The Alliance). The services provided by the Alliance and the eligibility for participation in Alliance programs are described in Attachment A.

For the period June 1, 2003 through May 27, 2006, inclusive, Avaya agrees to fund the Alliance on the basis of \$2,200,000 annually. Funds will be made available each month for the Alliance on the basis of one-twelfth (1/12th) of the annual funding level. Avaya shall credit these funds to an account designated for the Alliance and its activities within fifteen (15) days of the end of each month.

Avaya Inc. and the Unions agree that the funds made available to the Alliance will be exclusively used to cover the cost and delivery of training programs for Avaya employees who are represented by the CWA or the IBEW Systems Council T-3 excluding IBEW Locals 1614 and 1974.

ATTACHMENT A**THE ALLIANCE FOR EMPLOYEE GROWTH AND DEVELOPMENT**

- 1 Avaya Inc. and the Communications Workers of America (CWA) mutually acknowledge their pride in the talents, abilities, creativity and commitment of Avaya's work force. *The parties share a vision of the work environment in which all employees are encouraged to develop their skills, abilities and talents to the fullest extent possible and are furnished every opportunity to take the initiative to do so. Such an environment will not only offer the maximum opportunity to employees to attain their employment goals, but will also lead to increased commitment by employees to devote their maximum energies to improving Avaya's productivity and competitiveness. It is anticipated that this level of employee commitment will contribute significantly to marketplace success for Avaya and to the increased employment security for employees associated with such success.*
 - (a) To help achieve this vision, a separate and distinct jointly administered entity, known as the Alliance for Employee Growth and Development (the Alliance), will continue to operate as a not-for-profit corporation. The mission of the Alliance is to make available learning experiences to employees which will enhance their represented and work group skills; provide opportunities for personal and career development; stimulate and sustain their contributions to Avaya's success through improved communication skills, motivation, improved work habits and enhanced interpersonal skills; familiarize them with state-of-the-art technology, based on the present or anticipated needs of the business; and increase the probability that if they face displacement or dislocation, they will find alternative employment, either in Avaya or in the outside job market.
 - (b) The Alliance focuses on both Personal/Career Development and Job Displacement Training curricula. It is envisioned that the Alliance will generally arrange and/or underwrite these curricula by contracting with accredited outside parties for delivery. In some cases, it may provide the curricula directly.
 - (c) It is understood that the Alliance is not intended to replace Avaya's existing job-specific training, nor does it limit the right of the parties to provide educational and training programs on the same, similar or other subjects as they may deem appropriate.
 - (d) The Grievance and Arbitration procedures of this Agreement have no application to, or jurisdiction over, any matter relating to the Alliance.

Personal/Career Development Curriculum

- 2 The types of programs which the Alliance will underwrite to enhance the personal/career development of regular employees will include, but not be limited to:
 - (a) career counseling
 - (b) skills inventory and aptitude assessment

National Memorandum

- (c) career training
- (d) personal growth training
- (e) training associated with skill development programs, such as QWL, which may not be directly related to the performance of an employee's current job.

Job Displacement Curriculum

3 Avaya will seek to identify those types of represented jobs in each of Avaya's major organizational units in which growth, as well as decline, are anticipated. From that information and other resources, the Alliance will recommend, arrange and/or underwrite training that will assist those employees who occupy jobs in which a decline is anticipated, or who may be displaced due to force surplus, to acquire new skills. The training will be designed to increase the probability that these employees will be in a position to compete successfully for new positions within Avaya, or to find alternative employment outside of Avaya.

- (a) Where appropriate, successful completion of Personal/Career Development or Job Displacement curricula which are relevant to a job will be considered by Avaya when selecting employees for job opportunities.

Curricula Development, Implementation and Delivery

4 In identifying areas on which Alliance activities should focus, the Alliance will consult with Avaya and CWA officials, as well as with professionals in such fields as higher education, industrial psychology and vocational training. In addition, the Alliance will confer with, advise and offer professional and financial assistance to local training/retraining committees, in such areas as:

- (a) identifying educational, training and retraining needs, as well as the resources available to meet those needs
- (b) developing programs designed to meet identified employee needs
- (c) publicizing and encouraging employee participation in Alliance activities
- (d) undertaking to review, evaluate, and make recommendations on proposals for the use of Alliance funds by the local training/retraining committees
- (e) coordinating forums, seminars, and workshops for the exchange of ideas and concepts among the local committees
- (f) commissioning research into, and evaluation of, alternative approaches to training, retraining, and job placement.
- (g) The Alliance will also contact appropriate governmental agencies - federal, state and local - to obtain other types of governmental assistance that may be available for Alliance activities.

Eligibility for Participation in Alliance Programs

- 5 Regular full and part time employees will be eligible to participate in all Alliance activities. In addition, employees who have been displaced or who are on LAYOFF will be eligible to participate in Alliance activities provided that they commence such participation within six months of LAYOFF. A LAID OFF employee may continue participation in Alliance activities for a period extending one year beyond the number of weeks' Termination Allowance the employee is entitled to receive in accordance with Paragraph 2, ARTICLE 25, TERMINATION ALLOWANCES, or until they find alternative employment, whichever occurs first. The Alliance will continue to underwrite any activity that a participant commences within that period, provided that the Alliance initially committed to underwrite it.
- (a) Participation in either the Personal/Career Development or the Job Displacement curricula is voluntary and will be made available at convenient times and locations, such as after hours at the work site, local community colleges, or CWA offices. Time spent by participants in Alliance activities will be outside scheduled working hours, and not paid or considered as time worked. In selected instances, Avaya, at its discretion, may permit active employees to receive such training during working hours.

Reports

- 6 The Alliance will publish an Annual Report, detailing the training that was made available to Avaya employees, the number of participants who received such training, the funds expended and the manner in which funds were utilized.

ETOP

Avaya Inc. and the International Brotherhood of Electrical Workers agree to continue to utilize the services of the Enhanced Training Opportunities Program (ETOP). The services provided by ETOP and the eligibility for participation in ETOP programs are described in Attachment A.

For the period June 1, 2003 through May 27, 2006, inclusive, Avaya agrees to fund ETOP on the basis of \$312,000 annually. Funds will be made available each month for ETOP on the basis of one-twelfth (1/12th) of the annual funding level. Avaya shall credit these funds to an account designated for ETOP and its activities within fifteen (15) days of the end of each month.

Avaya and the Unions agree that the funds made available to ETOP will be exclusively used to cover the cost and delivery of training programs for Avaya employees who are represented by the IBEW Systems Council T-3 at the Omaha Works.

ATTACHMENT A

ENHANCED TRAINING OPPORTUNITIES PROGRAM (ETOP)

- 1 Avaya Inc. and the International Brotherhood of Electrical Workers, System Council T-3 (IBEW T-3), agree to continue to make enhanced training opportunities available to employees through a jointly administered Enhanced Training Opportunities Program (ETOP) that shall cover employees represented by the IBEW T-3 at the Omaha Works.
 - (a) The purpose of ETOP is to make learning experiences available to employees to help enhance their represented skills; provide opportunities for personal and career development; improve communications skills; increase knowledge of state of the art technology relevant to the present and future needs of the business; and to increase an employee's prospects for alternative employment, in Avaya or elsewhere, in the event he or she may be affected by force reductions.
 - (b) ETOP focuses on both career development and job displacement training curricula and it is anticipated that arrangements will be made to deliver training through the engagement of accredited professionals. It is expected, however, that as to some courses, Avaya may elect to provide the curricula directly.
 - (c) It is understood that ETOP is not intended to replace job-specific training carried on by Avaya, nor does it limit the right of either party independently to provide education and training as they may deem it appropriate. Moreover, the parties may elect to include job specific-training in ETOP to enhance employee opportunities for career advancement at applicable facilities.
 - (d) The grievance and arbitration procedures of this Agreement have no application to, or jurisdiction over, any matter relating to ETOP.

Personal/Career Development Curriculum

- 2 The types of instruction for personal and career development may include:
 - (a) career counseling
 - (b) skills inventory and aptitude assessment
 - (c) career training
 - (d) personal growth training
 - (e) training associated with skill development programs that are not directly related to the performance of an employee's current job.

Mr. D. Slaman, Chairman, System Council T-3, IBEW

Re: Academic Awards

This will confirm our agreement regarding the eligibility of a child of a former employee to continue to receive previously awarded scholarship support under the Academic Awards Program.

In those situations where the union has grieved the Company's action in dismissing an employee for cause, and a child of that employee has been previously awarded a scholarship under the Academic Awards Program, the Company agrees to continue to provide such scholarship support for a period not to exceed six months from the date of the employee's dismissal.

The parties agree that any grievance and/or arbitration relating to the dismissal shall be processed as expeditiously as possible under the appropriate collective bargaining agreement and shall be concluded within six (6) months from the date of the dismissal.

Mr. D. Slaman, Chairman, System Council T-3, IBEW

Re: Tuition Assistance

The Company and the Unions agree that tuition assistance to represented employees is an integral and important aspect of the overall Avaya Inc. employee developmental process.

Avaya, as it continues to seek ways to make tuition assistance more responsive to individual employee needs and to conform to government regulations, may at times find it necessary to alter certain aspects of the Tuition Assistance Plan. Where it becomes necessary to change the Plan to conform with applicable government regulations, the Company shall notify the Union in writing. Negotiations shall then take place if requested by the Union. AVAYA TRANSFER PROGRAM (ATP)

The parties agree to the following in respect to the Avaya Transfer Program (ATP) during the life of the 2003 Agreement.

1 PURPOSE

- (a) The ATP provides Eligible Represented Employees an opportunity to request new career opportunities on a current or future basis and provides surplus employees with increased opportunity to continue employment with Avaya. Temporary employees and non-payroll workers are excluded from the program. All employee movement under the ATP is voluntary through a self-nomination process and should not be construed to be a force adjustment, force rearrangement, assignment or reassignment initiated by the Company.
- (b) The ATP also provides former employees who were laid off by the Company with recall rights, or who left under a Facility Closing Program (FCP), or employees who left the Company because of an authorized hardship or an Avaya trailing spouse condition an opportunity to nominate for openings for up to three (3) years from the date of termination.
- (c) This plan does not replace any existing recall rights to which former employees may be entitled in accordance with applicable local labor agreements, but the rehiring of a former employee under the ATP satisfies the company's recall obligation.
- (d) The ATP does not replace any contractual internal movement of personnel procedures contained in applicable collective bargaining agreements. As to those bargaining units, the ATP supplements those movement of personnel procedures.

2 DEFINITIONS

(a) **Basically Qualified**

An employee who meets the minimum qualifications for a given title as specified in the ATP job brief.

(b) **Career Placement**

The placement of an eligible represented employee who is seeking a career change.

(c) **Career Rehire Placement**

The placement through the ATP of a former regular full-time or regular part-time represented employee who is seeking a position with the Company.

(d) **Demotion**

Movement from an employee's current Level Equalization Group to a position in a Level Equalization Group of a lower numeric value.

(e) **Eligible Employees**

Regular full-time and part-time represented employees and full-time and part-time term employees assigned to work locations in the U.S. and covered by this Agreement.

(f) **Force Freeze**

A temporary limit or prohibition of represented movement through the ATP.

(g) **Lateral**

Movement from an employee's current Level Equalization Group to a position in the same Level Equalization Group.

(h) **Local Placement Area (LPA)**

A geographic area consisting of one (1) or more cities grouped together to allow employees greater flexibility in requesting information on positions in an area of interest through the ATP.

(i) **Placement Request**

A request for consideration for an ATP vacancy. The request may be for either Career or Surplus Placement. Career Placement Requests may be for specific vacancies or for future vacancies by title or level and location. Surplus Placement Requests are for specific vacancies only.

(j) **Promotion**

Movement from an employee's current Level Equalization Group to a position in a Level Equalization Group of a higher numeric value.

(k) **Recall Candidate**

Former regular employees who held the advertised job title (or its successor title or a title of equivalent status for which they qualify) within the hiring organization and the GCA/RCA in which the open position exists.

(l) **Surplus Placement**

The placement of a regular full-time or regular part-time represented employee who has been identified surplus and has submitted a Surplus Placement Request.

(m) **Surplus Rehire Placement**

The reemployment of a former regular full-time or regular part-time represented employee who has submitted a Surplus Placement Request and is placed during his/her minimum surplus eligibility period.

(n) **Time-in-Location**

The minimum number of months that an employee must serve in a location to be eligible for voluntary movement.

(o) **Time-in-Title and Grade**

The minimum number of months a represented employee must serve in a specific job title and job grade to be eligible for voluntary movement.

3 ELIGIBILITY

(a) **Active Eligible Represented Employees**

- (1) After local movement of personnel procedures have been applied, the ATP provides the means by which active Eligible Employees may request consideration for transfer to represented positions within and between the bargaining units which are covered by this Agreement.
- (2) Temporary and term positions are not filled through the ATP. However, a term employee is eligible to participate in Career Placement within the ATP.
- (3) The ATP does not preclude the Company from making Company initiated transfers, force adjustments, reassignments or rearrangements. Nor shall anything in the ATP preclude the Company from applying a Force Freeze if the Company determines that excessive movement from any organization or work group would impair the operation of the business. A Force Freeze will not exceed sixty (60) days under the ATP. An employee covered by a Force Freeze may self-nominate for vacancies if the report date occurs after the last day of the Force Freeze. A Force Freeze shall not be applied in sale situations, nor in a facility closing which is covered under the Facility Closing Program.
- (4) Initial employee participation in the ATP shall require the employee to verify, supply, or update personal data relative to work experience, education or training. An employee may not claim work experience, education or training gained while on a temporary promotion.
- (5) In order for an employee to move voluntarily within the ATP, the employee must have fulfilled both Time-in-Title and Grade and Time-in-Location requirements as specified on the ATP Job Brief for the employee's current title and grade.
 - (i) Time-in-Title and Grade must be fulfilled each time an employee voluntarily moves to a different title and grade
 - (ii) Time-in-Location must be fulfilled when:
 - (A) an employee voluntarily moves outside his/her LPA or
 - (B) an employee voluntarily moves to a new Business Unit/Division within the same LPA.

(iii) An employee moved involuntarily by the Company will carry his/her cumulative Time-in-Title and Grade and Time-in-Location to the position to be filled.

(6) An employee may participate in the ATP as a Career or Surplus Placement candidate.

(i) An employee who is not Surplus must have satisfied any applicable Time-in-Title and Grade and Time-in-Location requirements for movement from his/her job, as specified on the ATP Job Brief for the employee's current title and grade.

(ii) An employee who is Surplus will have his/her Time-in-Title and Grade and Time-in-Location requirements waived for both Career and Surplus Placement.

(b) Rehire Candidates

(1) Former employees who were laid off by the Company with recall rights, or who left under a Facility Closing Program (FCP), or employees who left the Company because of an authorized hardship or an Avaya trailing spouse condition will be able to nominate for openings for a period of three (3) years from the date of termination.

(2) To participate, a former employee must provide or update personal data relative to work experience, education, or training.

4 JOB ADVERTISEMENT AND SELECTION PROCEDURES

(a) General

(1) The Company will provide eligible represented employees information on current job vacancies on a real-time basis and, if qualified, employees may self-nominate for current or future openings.

(2) All vacancies will be advertised for six (6) work days.

(3) Job vacancies submitted to the ATP for current open positions expire thirty (30) calendar days after receipt of a candidate list or upon the selection of a candidate for the ATP vacancy, whichever occurs first.

(4) The employee has two (2) work days, not including the day of the offer, to accept or reject a job offer.

(5) The hiring organization may reject any candidate, surplus or career, who has received a disciplinary suspension for conduct or performance within the six (6) months prior to the job advertisement end date.

- (6) The hiring organization may reject any surplus candidate whose chargeable attendance record would result in the employee being placed on the hiring organization's final disciplinary step prior to dismissal because of attendance. The hiring organization may reject any career candidate whose chargeable attendance record would result in the employee being placed on the hiring organization's disciplinary step which is two (2) steps or fewer from dismissal because of attendance; in the case of a three (3) step attendance program, the hiring organization may reject a career candidate whose chargeable attendance record would result in the employee being placed on step two (2) or greater of the attendance program in the hiring organization.

(b) Career Placements

- (1) Qualified eligible represented employees seeking Career Placement can request to be considered for current open positions or file for future ATP openings. Employees may have up to eight (8) Career Placement Requests at any one time.
- (2) Employee Career Placement Requests will remain on file, but on inactive status, during leaves of absence, temporary promotions to management, and disabilities in excess of one (1) year.
- (3) Employees on short term [less than one (1) year] disability may submit Placement Requests. They will be considered for positions provided they can report to the job within thirty (30) days of the job report date.
- (4) Career Placement Future Requests will remain on file for three (3) years from the date of receipt, but will be canceled upon the occurrence of any of the following:
 - (i) the employee no longer meets the ATP eligibility criteria,
 - (ii) the employee is placed into another job via the ATP, a local voluntary intra-business unit lateral transfer, or any other Avaya voluntary job placement process,
 - (iii) the employee withdraws the request(s),
 - (iv) the employee leaves the Avaya payroll, or
 - (v) the employee is no longer a regular full-time, or regular part-time represented employee, including term.
- (5) If an employee seeking Career Placement refuses a job offer which matches a request he/she has made, then that request is canceled; and it, or any other request for the same title and grade/wage level and location, may not be resubmitted for a period of four (4) months from the date of refusal.

- (6) When an employee accepts a job offer made under the ATP, all other requests on file shall be canceled and the employee may not submit any new Career Placement Requests until the applicable Time-in-Title and Grade and Time-in-Location requirement(s) for the position to be filled have been met.

(c) Career Rehire Placement

- (1) Eligible, qualified former employees seeking reemployment can request to be considered for current open positions as Career Rehire candidates. They may have up to eight (8) Career Rehire Placement Requests at any one time.
- (2) Career Rehire Placement Requests will be canceled upon occurrence of any of the following:
 - (i) the former employee is rehired into a regular full-time or regular part-time job (not term or temporary) via the ATP or any other employment process, or

 - (iii) expiration of the three (3) year rehire eligibility period.
- (3) The former employee has two (2) work days, not including the day of the offer, to accept or reject a job offer.
- (4) If a former employee seeking rehire placement refuses a job offer for a placement request he/she made, then that request is canceled; and it, or any other request that would include the same title or grade/wage level and location, may not be resubmitted for a period of four (4) months from the date of the refusal.
- (5) When a former employee accepts a job offer made under the ATP, all other requests on file shall be canceled and the employee may not submit any ATP Career Placement Requests until the applicable Time-in-Title and Grade and Time-in-Location requirement(s) for the position to be filled have been met.

However, if the employee meets the Career Placement eligibility criteria, he/she may participate in that portion of the ATP as long as the employee is on the Avaya payroll.
 - (6) If an employee is no longer eligible for Surplus Placement as per paragraph 4(d)(4) or 4(d)(5) above, all Surplus Placement Requests are canceled; they are not automatically converted to ATP Career Placement Requests.
 - (7) A Surplus Employee shall have a minimum of 60 days surplus status within the ATP.
 - (8) When a Surplus Employee accepts a job offer made under the ATP, all other requests on file shall be canceled and the employee may not submit any new Career Placement Requests until the applicable Time-in-Title and Grade and Time-in-Location requirement(s) for the position to be filled have been met.

- (5) Upon the completion of sixty (60) days of surplus eligibility or the loss of surplus eligibility as described in 4(e)(2)(ii):
- (i) any Surplus Placement Requests and Career Requests for current vacancies which the former employee has on file will continue;
 - (ii) any future Career Placement Requests will be canceled; and

(a) Time-In-Title and Grade And Time-In-Location Waivers

Employees requesting Time-In-Title and Grade and Time-In-Location waivers as trailing spouses or because of a hardship, may participate in the ATP without meeting Time-in-Title and Grade or Time-in-Location criteria, if approved by the Company. However they are subject to all other ATP eligibility criteria.

(b) **Retreat from Promotion**

An employee who accepts a Promotion through the ATP to a position in any Avaya organization may, within six (6) months of placement, request to return to his/her former job, or equivalent job if the former is not available. The Company shall consider any such request, and if approved, the employee will not have to meet Time-in-Title and Grade and Time-in-Location for movement to his/her former job or an equivalent. If the employee has moved to different LPA, he or she may request such treatment in his/her former or new LPA. An employee so returned will be required to satisfy anew any applicable Time-in-Title and Grade or Time-in-Location requirement(s) for eligibility under the ATP before again submitting a Career Placement Request.

6 ORDER OF CONSIDERATION AND SELECTION CRITERIA

(a) **Order of Consideration**

Represented vacancies covered by the ATP that are not filled under contractual or legal obligations (e.g. Return from Military, Recall under applicable collective bargaining agreements, etc.) will be staffed using the following order of consideration:

- (1) Voluntary ATP Surplus Candidates within the same LPA or Recall (Operations only)

- (3) On a multiple vacancy job requisition after any surplus and recall (Operations only) candidates have been handled, if there are five (5) or more vacancies remaining, the hiring organization may fill a minimum of 30% of the remaining vacancies by hiring.

- (4) As an alternative to hiring, where no ATP Career candidates have requested a specific job vacancy and all surplus and recall (Operations only) obligations have been met, the Company shall have the option to promote from within the immediate work group of the Senior Manager initiating the job vacancy, without regard to Time-in-Title and Grade or Time-in-Location criteria provided the employee meets the selection criteria of better/basic tests, skills and seniority, in that order.
- (5) Eligible, represented employees, including former employees, not test qualified for positions being sought via the ATP will be provided the opportunity to take such test(s) in the same order of consideration applicable to filling job vacancies subject to the availability of testing resources and the job vacancy activity rate for the position(s) being sought. Within each step of the order of consideration if there are more requests for a specific test than can be accommodated on the test schedule, employees requesting the test will be scheduled in seniority order, most senior first.
- (6) Voluntary Rehire candidates will be subject to the same selection criteria as other non surplus candidates, but subject to hiring authorization.

AVAYA CAREER TRANSITION OPTION PROGRAM (ACTOP)

The parties agree to the following in respect to the Avaya Career Transition Option Program (ACTOP) during the life of the 2003 National Memorandum.

Regular full-time and part-time represented employees covered by this 2003 National Memorandum are eligible for the provisions of ACTOP. The provisions of ACTOP are not intended to alter, modify or eliminate the force adjustment provisions of the local contracts.

If the Company notifies the Union in writing of a surplus which will necessitate layoffs, the Company may, to the degree necessary to resolve the surplus, in order of seniority, offer employees in the surplus universe the opportunity to elect one (1) of the following options, provided they meet the conditions of the option selected.

1. Special Leave Program, or
2. Optional Termination Pay, or
3. Extended Compensation Option, and/or
4. Transition Leave of Absence

1 Special Leave Program

- (a) The Company will continue to provide the Special Leave Program (SLP) for eligible represented employees. This program is designed to encourage the development of individual skills, enable employees to pursue career changes and/or personal goals and to allow the Company to alleviate force imbalances, while at the same time maintaining ties between the Company and the employee.
- (b) To be eligible for a SLP, an employee must meet the following requirements:
 - be a regular full-time or a regular part-time represented employee (i.e., no temporary, occasional or term employees are eligible), and
 - have at least five (5) years of net credited service, and
 - be in a universe which is the subject of a surplus declaration.
- (c) The SLP is without pay and shall be for a period of not less than nine (9) nor more than twenty-four (24) consecutive months. The SLP may be extended beyond its original termination date, provided it did not previously exceed twenty-four (24) months in duration, in a minimum of three (3) month increments but in no event beyond twenty-four (24) months.

- (d) Eligible employees may elect SLP during the applicable SLP enrollment window, provided the election precedes the employee's off payroll date and such election shall be in lieu of termination pay. Employees who choose not to return to work at the conclusion of the SLP will not be granted termination payments. Employees shall be guaranteed reinstatement at the end of the leave to a job of like status and pay. However, employees on SLP who, but for the leave, would have been laid off and who complete the leave and return to the payroll at the end of the leave will be terminated and receive termination pay upon their return to the payroll. Employees declared surplus upon returning to the active payroll will be given normal surplus treatment.
- (e) Service credit for the period of the SLP shall be granted to those individuals who return to the Company payroll at the end of the leave, except that such credit shall not be granted or recognized for force adjustment purposes and pension purposes (including eligibility, benefit accrual and calculation); however, the period of the leave shall be counted in the years of service to determine termination pay that the employee may receive thereafter.
- (f) Except as indicated below, while on the SLP, an employee shall be covered, pursuant to the same conditions and to the same extent as a comparable employee active on the payroll, by the following benefit plans and programs:

Death Benefits - Company continues coverage for the period of the leave,

Basic Group Life Insurance - Company pays the premium for the period of the leave,

Medical Expense/Managed Care - Company provides coverage for the period of the leave,

HMO - Company pays premium up to the same amount it pays for company medical plan,

Dental/DMO - Company provides coverage for the period of the leave,

Vision - Company provides coverage for the period of the leave,

Legal - Company pays premium for period of the leave,

Child/Elder Referral - Company provides service for the period of the leave,

Supplementary Group Life Insurance - Available at the employee's expense,

Dependent Group Life Insurance - Available at the employee's expense,

Savings Plan participation is suspended during the leave. Employee obligation under the loan provision continues,

Tuition Assistance - Continues under the same guidelines that apply to active employees.

- (g) While on SLP, an employee cannot be employed by or render services to Avaya or any of its affiliates, subsidiaries, joint ventures or entities, any of their competitors, any companies involved in divestiture related mandatory portability or interchange agreements or companies with which there may be an agreement for the interchange of benefit obligations.

2 Optional Termination Pay

- (a) Regular full-time or regular part-time represented employees (not term or temporary employees) who are part of a surplus universe may, to the degree necessary to relieve the surplus and in order of seniority, request Optional Termination Pay on a voluntary basis provided they have two (2) or more years of net credited service at the time of the request.
- (b) An employee who elects this option shall leave the payroll without recall rights on a date determined by the Company and receive any vacation pay to which the employee is entitled plus a lump sum payment calculated on the termination payment schedule computed in accordance with the appropriate collective bargaining agreement not to exceed \$42,500.
- (c) Under no circumstances will the Optional Termination Pay be greater than \$42,500, including any night differential. An employee who is receiving Optional Termination Pay shall not be eligible to the Termination Pay provided for laid off employees under the terms of the applicable collective bargaining agreement.

3 Extended Compensation Option

- (a) Regular full-time and regular part-time represented employees (not term or temporary employees) who are part of a surplus universe and have completed five (5) years of net credited service may elect to participate in the Extended Compensation Option.
- (b) Employees who select this option shall be reassigned to the Avaya Job Match Center (JMC) for a period not to exceed the number of weeks, based on net credited service, provided for in the termination pay schedule in the collective bargaining agreement of the sending organization, provided they were "at risk" of being laid off; for those individuals who were "not at risk" of layoff but were part of a surplus universe, such period of participation will be based on the Optional Termination Pay schedule not to exceed \$42,500.

- (c) Extended Compensation Payments shall be based on the methods used to compute termination allowance as determined by the applicable Collective Bargaining Agreement for the position held by the employee immediately prior to reassignment to the JMC. Such payments are subject to deduction of appropriate taxes and Union dues as applicable.
- (d) As long as the participants remain eligible for Extended Compensation Payments, the Company agrees to render weekly compensation for a period of time not to exceed the number of weeks provided for in the termination schedule of their former position's collective bargaining agreement or the Optional Termination Pay schedule not to exceed \$42,500.
- (e) To remain eligible for Extended Compensation Payments an employee must agree:
 - (1) to accept work assignments within the Local Placement Area (LPA) in all job titles for which they are qualified, not just the title held when declared surplus,
 - (2) to accept the appropriate wage rate at the location for the position they are filling on a temporary basis, in addition to Extended Compensation Payments.
 - (3) that such pay shall not be used in the computation of any benefits, which shall be based solely upon Extended Compensation,
 - (4) to remain in same pension band applicable to the employee immediately prior to reassignment to JMC,
 - (5) to accept the unused portion of the Extended Compensation as a lump sum termination payment should eligibility be lost and the employee is required to leave the payroll of Avaya Inc., if the employee was "at risk" when selecting this option,
 - (6) to accept the unused equivalent portion of the Optional Termination Pay Schedule 2(b) as a lump sum termination payment should eligibility be lost and the employee is required to leave the payroll of Avaya Inc., if the employee was part of a surplus universe but "not at risk" when this option was selected, and
 - (7) not to accept employment or render services to competitors of Avaya Inc. or an Interchange Company in which the employee is eligible for portability of service.
- (f) Employees electing this option will be active employees while eligible for Extended Compensation payments and may, if eligible, participate in ATP. At risk employees with surplus status in ATP, prior to reassignment to JMC, shall maintain their surplus status while participating in the Extended Compensation Option.

National Memorandum

- (g) Extended Compensation will be offset by any payments made under the [Avaya Disability Plan or Sickness and Accident Disability Plans] coverage and the programs run concurrently.
- (h) Employees must elect to schedule and take their vacation, non-designated EWD's and Floating Holidays prior to transferring into JMC (business needs permitting), and/or receive a lump sum payment for any balance of vacation not taken. JMC employees do not accrue vacation time or Excused Work Days but are compensated for holidays or Company designated EWD's when worked.
- (i) While participating in the Extended Compensation Option, each participant may reject one (1) assignment in any continuous twelve (12) month period, as well as designate any full one (1) week period in any consecutive three (3) months as "unavailable" time.
- (j) Acceptance of a regular, temporary or term position with Avaya Inc. terminates participation in the Extended Compensation Option.
- (k) JMC Review Board
 - (1) Temporary assignments of Avaya Inc. employees participating in JMC may be reviewed using the following two (2) step review process.
 - (i) Step One (1): Grievred directly to the designated JMC manager within fifteen (15) calendar days of the assignment or action which is the subject of the grievance. The grievance must identify the issue and the remedy sought.
 - (ii) Step Two (2): If the issue is not resolved at Step One (1), the case may be appealed within fifteen (15) calendar days of the management decision at Step One (1) to a joint review panel established by the Company and the Unions. This panel will be called the JMC Review Board and all decisions of the Board shall be final and binding. The Board will be comprised of one (1) CWA representative, one (1) IBEW representative and one (1) representative appointed by the Company. The Board shall meet on a regular basis but no more frequently than once each quarter.
 - (2) Grievances under the Extended Compensation Option, shall be limited to disputes and appropriate remedies regarding the selection or non selection of an Avaya Inc. employee participating in JMC for a JMC assignment, and questions relating to work rules, for which the collective bargaining agreement covering the temporary position to which the employee is assigned shall be controlling.
 - (3) Neither JMC nor its administration nor any grievance under the review process described above shall be subject to arbitration.

- (i) It is further understood that when an employee who is participating in the Extended Compensation Option is not assigned to a JMC assignment, the provisions of the applicable collective bargaining agreement for the position held by the employee immediately prior to assignment to the JMC shall apply to those matters not directly related to the employee's participation in the Extended Compensation Option.

4 Transition Leave of Absence

- (a) A Transition Leave of Absence (TLA) is granted to employees voluntarily or involuntarily separating from the Company under an Avaya Inc. plan or program for reducing force surplus. The TLA option serves as a mechanism for allowing these employees to qualify for a service pension under certain conditions.
- (b) An employee separating (voluntarily or involuntarily) under an Avaya Inc. force surplus plan or program is eligible for a TLA if he/she is within one (1) year of actual age and/or service requirements for service pension eligibility under the Avaya Inc. Pension Plan as of the Company specified separation date (i.e., must meet age and service requirements for pension eligibility no later than the one (1) year calendar anniversary date of the Company specified separation date).
- (c) The minimum combination for age/service requirements for TLA eligibility, based on the current service eligibility requirement of the Avaya Inc. Pension Plan and if not otherwise service pension eligible, is as follows:

AGE	NCS
any age	29 years
49	24 years
54	19 years
64	9 years

The service and age attained during the TLA are counted only for service pension eligibility and not for computing the amount of the service pension.

- (d) A TLA shall not exceed one (1) year from the date the leave starts (i.e., leave expires on the calendar date anniversary of the Company specified separation date), but in any case, will end on the earliest of:
- (1) the date the eligible employee returns to work for the Company, a Participating Company, an Avaya Controlled Group entity, or any other Avaya Subsidiary or the eligible employee becomes employed by an Interchange Company in which the employee is eligible for portability of service,
 - (2) the date the employee attains required age and/or service to become service pension eligible, or
 - (3) death of the employee.

National Memorandum

- (e) The TLA will be canceled effective with the date of (re)hire or death and pension entitlements will be those as of the day before the effective date of the TLA.

5 Involuntary Termination Due To Layoff

- (a) Employees involuntarily terminated due to layoff will have the termination payment schedule, as well as the method of payment computed in accordance with the appropriate collective bargaining agreement. In addition, regular full-time and regular part-time employees (not term or temporary employees) who have been involuntarily terminated pursuant to the force adjustment procedures of the applicable collective bargaining agreement and have a minimum of one (1) year net credited service as of the date of termination are eligible for up to \$2,500 in funds for certain education, training, out placement and relocation expenses. These funds will be available through the Funds for the Alliance/ETOP Distribution (FAED) program.

EXTENDED COMPENSATION PARTICIPANT IN ALLIANCE OR ETOP

June 1, 2003

Mr. R. V. Maly, Vice President, CWA
Mr. D. Slaman, Chairman, System Council T-3, IBEW

Re: *Extended Compensation Participant in Alliance or ETOP*

This is to confirm our mutual understanding that an eligible represented employee who has chosen to participate in the Extended Compensation Option of the Avaya Career Transition Option Program and is available for temporary assignments through the Avaya Job Match Center, and who is also a participant in an Alliance and/or ETOP training program, may reject a Job Match Center temporary assignment if that assignment conflicts with a verified Alliance or ETOP training program in which the employee is participating at the time.

It is also the Company's intent to develop administrative practices for the Avaya Job Match Center that foster a reasonable approach to unanticipated personal situations beyond the control of the employee which result in the declination of a Job Match Center temporary assignment.

Sincerely,

/s/ Thomas C. Burk
Vice President Labor Relations

EMPLOYEE RESOURCE CENTERS

Purpose

1 Avaya, the Communications Workers of America (CWA), and the International Brotherhood of Electrical Workers, System Council T-3 (IBEW SC T-3) continue to recognize that, where practicable, the provision of certain services associated with employee training, career development, and various personnel and benefit programs should be made more readily available to employees.

- (a) In an effort to achieve this objective, Avaya and the Unions have agreed to continue to support and fund Employee Resource Centers during the term of the 2003 Agreement.
- (b) Each Employee Resource Center will continue to represent strong physical evidence of the joint concern that Avaya and the Unions have for employees and their welfare, which is manifested by a shared commitment of the parties to jointly administer and staff the Centers.
- (c) Each Center will continue to augment services already provided by Avaya and serve as a means to centralize those information and service resources which most personally affect employees. The role of the Center is to assist employees in making decisions about future training and career plans, interfacing with various personnel programs and providing assistance and referral for employee benefit issues.

Services

2 The Employee Resource Center will continue to provide services to employees which include the following:

- education and training
 - career and personal counseling;
 - resource data for local area jobs and skills required;
 - interface with Avaya Transfer Program and the Facility Closing Program;
 - assistance and referral concerning benefit programs;
 - other services and counseling deemed to be appropriate by the local Joint Labor Management Oversight Committee.
- (a) It is recognized that certain services provided in the Center are provided for at the location by the Alliance for Employee Growth and Development (Alliance), the Enhanced Training Opportunities Program (ETOP) or Avaya. It is not intended that such services be duplicated but rather that the Center will centralize and focus the services to facilitate access by employees.

- (b) Employees interested in visiting the Employee Resource Center will, upon request, normally be granted reasonable time off with pay during their SCHEDULED DAILY TOUR to visit the Center. However the parties recognize that the job situation may require that such requests be accommodated at a time other than when initially requested.
- (c) In recognition of the parties' shared commitment to the joint administration of the Employee Resource Center, such Center will be referred to as the "Avaya/("CWA", or "IBEW SC T-3") Employee Resource Center. This title shall be used in all references to this operation at the location and shall be prominently displayed at the entrance to the Employee Resource Center facility.

Staffing

- 3 Each Employee Resource Center will continue to be staffed by a mutually agreed upon number of UNION appointees. The selection of Employee Resource Center personnel is a Union responsibility
 - (a) Represented employees appointed to work in the Center will retain the Job Classification and wages they were receiving immediately prior to the assignment. For those coordinators within the Operations Job Classification who are assigned to the ATP/Operations ERC Coordinator title, the pay will be \$62,400 (GWI will apply) and a pension band of 126 for the time in which they remain in the ATP/Operations ERC Coordinator title.
 - (1) If such an employee subsequently accepts a promotion to another Job Classification within the bargaining unit, he or she may be retained on the Employee Resource Center assignment. In such case, the employee will be assigned the Job Classification and wages which would have been applicable on the Job Classification to which promoted.
 - (2) For movement of personnel purposes, such employees shall be exempt from displacement by surplus employees outside the Employee Resource Center but shall be subject to LAYOFF in accordance with the contract as a result of a lack of work situation in the bargaining unit.
 - (3) In those instances where the employee would otherwise have been displaced, he or she shall be assigned the Job Classification and wages which would have been applicable as a result of such displacement.

Structure

- 4 The National Employee Resource Center Steering Committee established by Avaya and the Unions will continue to include one representative each from the IBEW SC T-3 and the CWA, and two Avaya representatives. The members of this Committee shall be appointed by the Chairpersons of the National Bargaining Committees for the CWA, IBEW SC T-3 and Avaya.

- (a) The Joint National Steering Committee will continue to be responsible for the implementation, coordination and review of Employee Resource Center activities. The Committee's specific responsibilities will include:
- determining at which locations an Employee Resource Center will be implemented;
 - establishing the timetable for implementation at designated locations;
 - determining the staffing level requirements for each Employee Resource Center;
 - managing available funds including authorizing the distribution of such funds to cover applicable costs at locations with Employee Resource Centers;
 - overseeing the services and activities provided by the individual Employee Resource Centers.
- (b) At each location having an Employee Resource Center, a local Joint Labor- Management Oversight Committee comprised of an equal number of COMPANY and UNION members will be established. These committees will coordinate Alliance and ETOP activities at the local/national level and be responsible for the implementation, staffing and administration of the local Employee Resource Center.

FUNDING THE EMPLOYEE RESOURCE CENTER

- 5 The cost of constructing an Employee Resource Center and all ongoing tenant expenses shall continue to be the responsibility of the COMPANY.
- (a) For the period June 1, 2003, through May 27, 2006, inclusive, Avaya and the Unions agree funds will be made available each month for the Employee Resource Center Program which shall be calculated by multiplying the total number of regular full time IBEW SC T-3, and CWA Operations represented employees on the payroll of the applicable facilities/organizations as of December 31, 2002, by \$3.00 for all organizations. Annually thereafter, the National Employee Resource Center Steering Committee will review the funding level to determine if an increase in funding is warranted to ensure the efficient operation of the ERC's. If so determined, the funding level in subsequent years will be increased back to the original 1992 level of \$3.50. Avaya shall credit these funds to an account designated for the Program and its activities within fifteen (15) days of the end of each such month.
- (b) Each location which has an Employee Resource Center will be periodically reimbursed from this account for the wages and expenses incurred by the represented employees assigned to work in the Employee Resource Center. The wages and expenses of the Managed Health Care Coordinators will also be reimbursed from this account.
- (c) At the end of calendar years 2003, 2004 and 2005 funding balances in the Program's account which were accrued during any of those years will be carried forward into the ensuing year's account.

- (d) If, at the expiration of the 2003 National Memorandum of Understanding, the parties should not agree to continue the Employee Resource Center Program, all outstanding claims to monies on the books of the Program shall be settled and any remaining monies shall be disposed of in such a manner consistent with the purposes of the Program.

Reports

- 6 The Joint National Steering Committee will publish an Annual Report summarizing the status of Employee Resource Centers, the funds expended and the manner in which the funds were utilized.

MEMORANDUM OF UNDERSTANDING REGARDING NEUTRALITY AND CONSENT ELECTION

This agreement between CWA, IBEW and Avaya Inc. addresses Union organizing and consent elections in those job titles and occupations in Avaya organizations that are not covered by the 1986 Union-Management Relations Agreement, separately attached hereto.

The Unions and the Company recognize that it is in their mutual interest to operate in the spirit of partnership and common vision. The parties also share the mutual goals of building a world class, high performance enterprise and addressing employment security through business success and employee development.

The parties also recognize the Unions' goal of growing membership. In order to maintain this perspective and to also avoid unnecessary confrontation, the parties agree that the following principles regarding neutrality and consent election will be applicable to all wholly owned Avaya Business Operating Groups and Divisions throughout the country and shall be the exclusive means by which the Unions, their locals, or individuals acting on their behalf, will conduct an effort to organize non-management employees in the covered Avaya Business Operating Groups or Divisions.

1 Employee Choice

Both the Unions and the Company support and agree with the principle that the decision as to whether or not to become represented by a Union is one that does not belong to either the Union or to the Company. Rather, it is an individual decision that belongs to the employee. With the parties' mutual recognition of this fundamental tenet, the following provisions are intended to establish, encourage, and nurture an environment during a Union organizing drive that will allow employees to choose whether or not to become represented in a fully informed and uncoerced manner. All negotiations concerning appropriate unit, access, conduct, and voting will be performed by local management and local Union officials, i.e., those directly impacted by these discussions. The local Union and management officials may request a meeting with the appropriate Union and Company headquarters representatives at the beginning of this process.

2 Neutrality

The Company and the Unions agree that an organizing drive should be and will be met by Company conduct that neither helps nor hinders organizing efforts. This statement is consistent with and reinforces the previously established principle of employee choice. The environment is intended to foster employee choice and information communicated by either party should be fact based and not misleading, distorted or disparaging. Neutrality means the following:

National Memorandum

- (a) Management will not be anti-Union nor will the Union be anti-management.
- (b) Management will not advocate that employees should vote against Union representation.
- (c) The Union(s) will be afforded reasonable opportunities for access to communicate with employees.
- (d) Management may respond to individual employee questions, and may correct inaccurate or misunderstood information by employees.
- (e) The Union(s) will be referred to by name and will not be characterized as a "third party" or "outsider".
- (f) Any written information distributed to employees by either party relative to the organizing campaign will be simultaneously shared with the other. The parties' communications with employees will be in accordance with this agreement.
- (g) Neither party will hire or seek the assistance of consultants who encourage an adversarial relationship.
- (h) Neither managers nor Union representatives will be personally attacked, by name or by descriptive reference, in campaign literature or discussions.
- (i) Neither the Union nor the Company will be attacked as institutions.
- (j) The Company will not conduct "captive" audience meetings.

Allegations of violations of these provisions will be handled via the dispute resolution process contained in this Agreement.

3 Election Procedures

The procedures to be followed are listed below:

- (a) The Union must show that a majority of employees in a unit appropriate for collective bargaining have signed show of interest cards indicating their desire for a representation election. The cards must be dated within three months of the date they are presented to the Third Party Neutral (TPN). Cards signed by persons who are no longer employed by Avaya at the time of submission to the TPN will not be valid.
- (b) If an election is conducted and the Union is not successful, another election will not be scheduled for twelve months. During this time, no Union organizing campaign for that unit will be permitted.
- (c) A majority of those who vote, validated by the TPN, will determine the outcome.
- (d) The TPN will resolve any issue concerning challenged ballots by following the NLRB's rules and decisions.

4 Time Bound

It is in the interest of both parties that the organizing campaign be conducted expeditiously. The Union is therefore obligated to notify management of its intention to conduct a formal organizing drive before it begins. The date of this notification will "start the clock". The entire campaign, including the consent election, will be concluded in 90 days. It is the intent of the parties that the 90 day time frame will include discussion and agreement on the unit. In the event the parties are unable to agree on the unit, the dispute resolution process set forth below will be utilized and the time period will be extended by the number of days required to reach agreement on the unit, but in no event will the total campaign, including resolution of the scope of the bargaining unit and the consent election process, exceed 120 days. If the employees vote not to be represented, the Union agrees not to initiate another campaign (nor continue the current campaign) in that same work group for 12 months from the date of the conclusion of the campaign. This would not preclude the local union from having contact with the workers in the group outside of the workplace. If the employees vote to be represented, collective bargaining over the terms and conditions of employment will commence within 60 days and any resulting collective bargaining agreement will apply only to the agreed upon unit.

5 Informed Decision

Both parties agree that employees should be fully informed about all aspects of Union representation. The Union will provide fact-based information to employees as it endeavors to convince prospective members of the merits of being represented by a labor union. Management's role during this process will include:

- (a) responding to individual employee inquiries
- (b) explaining the organizing process, including any obligations and responsibilities of the parties
- (c) correcting any inaccuracies or misstatements or any employee misunderstandings of information disseminated during the campaign process.

6 Free from Coercion

Consistent with the basic tenet of employee choice, the parties want to ensure that employees have expressed their choice from an informed position and are completely free from any coercion by the Company, the Union, or any other persons or entities during any part of this process. One way to ensure this objective is to have an NLRB conducted election.

In the alternative, the Company and the Union agree to use a process called "Consent Election". This process will work as follows:

- (a) The Unions shall initiate the consent election process by providing to a third party neutral (TPN) proof of support by means of show of interest cards as described in Paragraph 3(a), above. The TPN will then notify Avaya and request a list of names, job titles and work addresses. The Company will furnish the list within three business days. The applicable Union will also be furnished with the list. The "show of interest" cards will clearly state their purpose and that a secret ballot consent election will be conducted to determine the will of the unit. If the TPN determines that the Union(s) has a sufficient show of interest, he/she will schedule a Consent Election process in accordance with this agreement.
- (b) The election process will be supervised by a mutually selected TPN, whose role it is to ensure the integrity of the process itself, and will be conducted within two (2) weeks of the submission of the Union's show of interest to the TPN. Employees will be asked to express their individual preference in a secret ballot election. The TPN will count the votes and advise the parties of the outcome. Consistent with Paragraph 3(c) of this agreement, a majority of those who vote will control. Each party may have an observer present when the TPN counts the ballots.
- (c) In all cases, the election process shall take place within 14 days of receipt and verification of the Union's show of interest cards by the TPN. In those cases in which there is no dispute about the composition of the unit, the election process will be held within seven days. The election may be held at the Company location or at a neutral site as agreed by the parties. The cost of the TPN and/or of using a neutral site will be shared equally by the parties.

If there is a dispute as to the composition of the unit, the TPN shall either decide the issue within an additional seven days or order an election as described above with the decision as to the composition of the unit to follow the election within no more than seven days.

7 Access Agreement

As soon as reasonably practicable after a request by the Union(s) for access, local management and Union representatives will meet to discuss the details related to reasonable access to the unit by Union representatives. The Union(s) will be allowed reasonable opportunities for access to Avaya facilities. It is the intent and commitment of the parties that the access agreed upon will not interfere with the operation and other normal and routine business activities, plans and programs of Avaya generally and, specifically, the unit which is the subject of the organizing campaign. Access agreed upon will be in non-working areas and during employee non-working times.

If Avaya and the Union(s) are unable to agree on reasonable access, the TPN will be asked to resolve the issue. Successful access agreements utilized at other Avaya units will be looked to for guidance as to what works and is reasonable. Avaya and the Union(s) commit that they will negotiate an access agreement in an expeditious manner.

8 Dispute Resolution

- (a) Questions or disputes arising during the course of an organizing effort within a particular unit of non-represented employees will, in all cases, be addressed first by and between the parties themselves and, in particular, local Avaya management and appropriate Union representatives. It is the intent and desire of Avaya and the Union(s) that such matters be dealt with and are best dealt with by and between the parties themselves, particularly at the local level, without having to resort to the assistance of a third party. It is also agreed, however, that, if every good faith and reasonable effort has been made, but the matter still remains unresolved, the process described below will be utilized.
- (b) The TPN will resolve disputes in the manner set forth in this agreement. The TPN must be an active or retired attorney who has experience in, and is familiar with, NLRB procedures and precedents regarding unit determination issues. Either Avaya or the Union(s) can refer a question or dispute, unresolved after good faith efforts have been made to resolve the dispute locally, to the chosen TPN by providing three business days' written notice to both the other party and the TPN. The notice will provide a complete statement of the question or dispute to be addressed and a statement that the parties have attempted in good faith but have been unable to resolve the matter by and between themselves.
- (c) If the question or dispute involves a matter related to access (i.e., the nature, event, time, location, individuals involved, etc.), the TPN will fully investigate all relevant facts surrounding the question or dispute. The TPN will then call the parties together and attempt to facilitate resolution of or otherwise mediate the matter.

If, after a good faith attempt at facilitated resolution or mediation, the access question or dispute is still not resolved, the TPN will attempt to render an immediate decision, which includes a method or alternative methods of resolving the perceived access problem. However, in no event will the TPN take longer than five (5) days thereafter to render a decision. The decision of the TPN will be final and binding and the parties agree to abide by his/her decision. This process, from the time the TPN is contacted to the time his or her opinion is issued, will not take more than 15 days unless the parties agree otherwise.

- (d) If the dispute involves the appropriateness of the bargaining unit the Union seeks to organize and the parties are unable to agree, after negotiating in good faith for a reasonable time, upon the description of an appropriate unit for bargaining, the issue of the description of such unit shall be submitted to the TPN and an expeditious hearing shall be conducted. The TPN shall be confined solely to the determination of the appropriate unit for bargaining and shall be guided in such deliberations by the statutory requirements of the National Labor Relations Act and the decisions of the National Labor Relations Board and Appellate reviews of such Board decisions.

- (e) Regardless of the type of question or dispute that is submitted to the TPN, the parties will each be given a full opportunity to present their positions and supporting factual information prior to the issuance of any opinion. No written briefs will be submitted. There shall be no *ex parte* contact with the TPN without the concurrence of all parties. Avaya and the Unions believe that these matters are best handled by and between the parties themselves and resort to a TPN should be necessary in only a limited number of cases.

Avaya and the Union(s) agree that the parties may distribute a decision of the TPN to employees in the selected unit but not outside to the public such as the press.

- (f) The parties agree that the process set forth herein shall be the exclusive means for resolving disputes covered by this dispute resolution process, and neither party will utilize any other forum (e.g. NLRB, federal court, etc.) to address issues subject to resolution pursuant to this process.
- (g) All expenses resulting from the use of the TPN process shall be shared equally by Avaya and the Union.

9 Acquisitions And Ventures

The parties recognize the rapidly changing nature and structure of the communications equipment industry. Avaya may acquire another entity, it has and may in the future form joint ventures or strategic alliances, may license its brand or technology, or may be a financial investor in other entities. The employees in these entities may be unrepresented, represented in whole or in part by the CWA or IBEW, or represented in whole or in part by some other labor organization. It is not possible to structure a single rule which will apply to all such circumstances and the Company cannot compel other entities to abide by this agreement. Nevertheless, Avaya will, after an initial transition period of one year following the closing on an acquisition, and subject to any contrary legal or contractual requirements, apply this Neutrality and Consent Election agreement to any wholly owned subsidiary.

10 Annual Review

On an annual basis, the Avaya Vice President of Labor Relations, the President of the CWA and the President of the IBEW may review whether there has been substantial compliance with the provisions of this Agreement and, if the parties find repeated instances of violations or repeated instances of interference during the period up to the review, may implement a process for recognition based on "card check" to replace elections in all cases or, if not, this Agreement shall continue in effect for the remaining term of the Agreement.

UNION MANAGEMENT RELATIONS

AT&T organizations will neither help nor hinder efforts by the CWA to organize and represent employees who occupy job titles or occupations in which other employees in the same AT&T organization are already represented by CWA as of the date of this Agreement; provided, however, that the Company is not precluded from responding to employees' inquires related to the issue of union representation.

When the Union represents that a majority of such employees have signed authorization cards designating the Union as their exclusive bargaining agent in an appropriate unit, the Company will recognize the Union as the bargaining agent of such employees without an NLRB-supervised election, provided the following conditions are satisfied:

- (a) The Company and the Union have mutually agreed that the bargaining unit in which the Union seeks recognition is an appropriate bargaining unit; and
- (b) The Company and Union have mutually agreed upon the number and identity of the employees eligible for representation in such a unit; and
- (c) The Union submits to a mutually selected third party signed authorization cards from a majority of the employees in the agreed upon bargaining unit, all of which expressly state that by signing the card the employee designates the Union as his/her exclusive bargaining representative and, further, understands that if a majority of the employees in the unit also sign such cards, the Company will recognize the Union without an NLRB-supervised election; and
- (d) The Union's majority status in the agreed-upon bargaining unit is confirmed by the mutually selected third party.

If the Company and Union fail to agree upon either of the conditions set forth in Paragraphs (a) and (b), above, the matter may be referred to the NLRB for determination.

Card check recognition shall not be granted in situations in which the Company is aware that representation of employees is sought by two or more unions.

DRUG TESTING

June 1, 2003

Mr. R. V. Maly, Vice President, CWA
Mr. D. Slaman, Chairman, System Council T-3, IBEW

Re: Drug Testing

This will confirm our agreement concerning drug testing of employees pursuant to current regulations of the Department of Defense (DOD) and Department of Transportation (DOT).

The Company and the Unions recognize that, during the life of the agreement, certain of the Company's employees will be or may become subject to such laws or regulations. The Company and the Unions agree that drug testing including, but not limited to, random drug testing, of bargaining unit employees may be conducted as required by law or government regulation. The Company and the Unions further recognize that current DOD and DOT regulations do not require the imposition of sanctions or disciplinary action against any employee to be found to be using drugs illegally. Accordingly, the Company further agrees that it will take no adverse action against such an employee, as a direct and immediate result of information obtained in a test applied under DOD or DOT regulation, other than to transfer the employee from a position that is subject to the regulations. In the event an employee sues the Union and/or the Company because of the enforcement or Company's compliance with such regulations, the Union shall be held harmless by the Company.

The Company further agrees to notify the Unions if it enters into a contract with the DOD which includes the "Drug-Free Work Force" clause currently prescribed by DOD regulations or has positions which are subject to regulations under the DOT, and to submit in written form its proposal regarding any testing program. Upon such notification, the Unions agree to enter into negotiations concerning the program. Should agreement not be reached within thirty days from such date of notification, the Company may implement the program only to the extent necessary to meet the requirements of the Drug-Free Work Force clause and applicable DOD/DOT regulations.

STANDING JOINT SUBCOMMITTEE ON TESTING

June 1, 2003

Mr. R. V. Maly, Vice President, CWA

Mr. D. Slaman, Chairman, System Council T-3, IBEW

Re: Standing Joint Subcommittee on Testing

This will confirm our understanding reached during 2003 Bargaining that a CWA-IBEW-Avaya standing joint subcommittee on testing will be formed. The subcommittee, to be appointed by the bargaining chairs, will consist of two (2) representatives from the Unions, one (1) from IBEW and one (1) from CWA, and two (2) representatives from the Company.

Measurement and Selection Systems (M&SS), part of Avaya's Labor Relations organization, is the organization with sole responsibility for the development or selection, validation, and authorization of all tests and policy and procedures used in the selection of candidates for Avaya represented positions. M&SS is responsible to ensure that such tests meet Federal and professional standards for relevance and non-discrimination.

If the committee identifies a test currently in use which has not been authorized by M&SS, the test will be suspended pending the outcome of a review and report to the committee by M&SS.

At least thirty days prior to implementation, M&SS will notify the members of the committee of the intent to implement a new test or to revise a test or critical test score. M&SS will communicate to members of the committee the following pertinent information concerning the test:

- the purpose
- the objective
- the need for the test or change
- the title(s) for which it will be a requirement
- the business groups which will use it

After receiving the information described above, if the committee so requests, a meeting will be held to explore appropriate ways for the Company and the Unions to make available opportunities to assist employees in development of the new skills or job knowledge. The committee will also be expected to identify and recommend ways to maximize the many advantages and resources offered through the Alliance, ETOP, and ERC's in meeting the goals described above.

In addition, the committee may explore other issues with M&SS, including such matters as an apparent low percentage of employees qualifying on a specific test. Where the Committee agrees, a Third Party Neutral (TPN) may be selected to review any disputed new or revised test for relevancy and validity, applying appropriate legal standards. The TPN shall guarantee confidentiality of all tests under review and shall not release test items or scores to any person or entity.

National Memorandum

The TPN shall make recommendations to the Committee about the disputed test or score. Nothing herein shall prevent the implementation or use of a test during the TPN review.

The committee will meet upon request of the members, but no less than four (4) times a year to review new or revised tests.

Re: Technology Change Committee

It is acknowledged that one of the responsibilities of the Constructive Relationship Council(s) includes reviewing broad technological developments taking place in the industry in order to provide the parties with a deeper understanding of the future impacts of technology on bargaining unit employees and the business. Where appropriate, Avaya subject matter experts will be consulted on such matters.

ATTACHMENT A
TECHNOLOGY CHANGE COMMITTEE

1 The Company and the Union recognize that technological changes in equipment, organization, or methods of operation have a tendency to affect job security and the nature of the work to be performed. The parties, therefore, will attempt to diminish or abolish the detrimental effects of any such technological change by creating a joint committee to be known as the Technology Change Committee to oversee problems and recommend solutions of problems in this area as set forth below.

- (a) Such Committee will consist of not more than four (4) representatives of the Company and not more than four (4) representatives of the Unions (2 CWA, 2 IBEW). Such committee may be convened at the option of either party at mutually agreeable times.
- (b) The purpose of the Committee is to provide for discussion of technological changes (including changes in equipment, organization, or methods or operation) which may affect employees represented by the Unions. The Company will notify the Unions at least six (6) months in advance of planned technological changes.

Meetings of the Committee will be held as soon thereafter as can be mutually arranged. At such meetings, the Company will advise the Unions of its plans with respect to the introduction of such changes and will familiarize the Unions with the progress being made.

- (c) The impact and effect of such changes on the employees shall be appropriate matters for discussion. The Company will discuss with the Unions:
 - (1) What steps might be taken to offer employment to employees affected:
 - (i) In the same locality or other localities in jobs which may be available in occupations covered by the collective bargaining agreements between the parties.
 - (ii) In other occupations in the Company not covered by the collective bargaining agreement.
 - (iii) In other Avaya Companies or any of its affiliates, subsidiaries or entities.
 - (2) The applicability of various Company programs and agreement provisions relating to force adjustment plans and procedures, including ACTOP, Reassignment Pay Protection Plan termination payments, retirement, transfer procedures and the like.

- (3) The feasibility of the Company providing training for other assignments for the employees affected. (Example: sponsorship of typing training on Company time).
- (d) The Committee shall not formulate policy or arrive at binding decisions or agreements, but rather shall be charged with the responsibility to develop facts and recommendations so that the Company can make well-informed decisions regarding the matters covered by these provisions.

**EXTENSION OF NEW CATEGORIES AND TITLES FOR FLEXIBLE
WORKFORCE MEMORANDUM OF UNDERSTANDING, AS AMENDED**

June 1, 2003

Mr. R. V. Maly, Vice President, CWA
Mr. D. Slaman, Chairman System Council – T3, IBEW

**Re: Extension of New Categories and Titles for Flexible Workforce
Memorandum of Understanding, as amended.**

INTRODUCTION

During negotiations for the 2003 Memorandum of Understanding, Avaya Inc. ("Avaya") and the Unions agreed that the respective agreements between Avaya and the IBEW and CWA, each entitled "New Categories and Titles for Flexible Workforce Memorandum of Understanding," effective September 30, 2000, as amended by the "Amendment to New Categories and Titles for Flexible Workforce Memorandum of Understanding," effective November 4, 2001 (referred to herein collectively as the "MOU"), requires further modification. While the MOU has proven effective to an extent, Avaya and the Unions agree that it requires modifications to increase its effectiveness and provide greater cost and expense flexibility in the manner in which it is implemented. Accordingly, the parties agree to amend the MOU as set forth herein (referred to herein as "MOU Extension"). To the extent that a provision in this MOU Extension conflicts with a provision in the MOU, the provisions of this MOU Extension shall govern.

DURATION

The duration of the MOU, as amended by the MOU Extension, is for a period of 18 months, commencing June 1, 2003, and concluding in its entirety effective December 1, 2004.

WATERMARK

The new watermark for the duration of the MOU, as amended by the MOU Extension, shall be the number of total core CWA and IBEW CSE's, Software Associates, Senior Software Associates and Senior Technicians on the active payroll after completion of subscription for the 2003 Voluntary Pension Enhancement has concluded, minus fifty (50).

ACTIVATION OF MOU IN GCA'S / RCA'S

To increase the cost effectiveness of the MOU, the parties agreed that it is advisable to utilize Support Customer Systems Engineers ("SCSE"), Support Customer Systems Engineers – Journeyman ("SCSE-J") or Support Software

Associates ("SSA") (collectively sometimes referred to as "Variable Work Force ["VWF"] employees"), as the case may be, only in Geographic Commuting Areas ("GCA's") or Reasonable Commuting Areas ("RCA's") which have work volumes sufficient to justify their use. As a result, the parties agree that there may be GCA's / RCA's where the MOU shall remain in effect but inactive on a quarterly basis. This concept was referred to in our bargaining as the "Opt In / Opt Out" feature. The parties further agree that if Avaya determines that there is insufficient work volumes to justify activation of VWF employees in one or numerous individual GCA's / RCA's, Avaya will so notify the appropriate Union. The two parties will in good faith, considering the need for cost effectiveness and flexibility, discuss this decision and reach an understanding, by mutual agreement, on whether to de-activate the VWF employees in such GCA's / RCA's. This discussion shall be promptly held, understanding that time is a critical element in deciding in which GCA's / RCA's the VWF employees shall be utilized. Similarly, where the VWF has been de-activated in a GCA / RCA, the parties may, by mutual consent, agree to re-activate the VWF for one or more of the following quarters.

The decision whether to activate or deactivate the VWF employees in a GCA / RCA shall be made at least two (2) weeks prior to each quarter to allow the parties to understand the needs of the business and the needs of employees for a respective quarter.

PARTIAL ACTIVATION

The parties agree that there may arise a need for limited use of VWF employees in a GCA / RCA. It is the intent of the parties that limited or unplanned work requirements beyond the capacity of the core technicians would continue to be met by the use of VWF employees. In such situations, the parties may mutually agree to a limited activation for all or a portion of VWF employees for all or a limited period of time during a quarter in those locations where VWF employees may otherwise be deactivated. Such Partial Activation may be instituted during the quarter if work requirements so warrant. Any such Partial Activations will apply to the particular situation in a respective GCA / RCA and will be by mutual consent of the parties.

MINIMUM WEEKS OF WORK

The parties agree that VWF employees not in de-activated GCA's / RCA's shall work and receive pay for a minimum of three (3) work weeks per quarter. VWF employees in de-activated GCA's / RCA's shall not be eligible for such minimum work or pay during the de-activated quarter. The minimum weeks associated with a Partial Activation, as described above, will be mutually agreed upon as part of the Partial Activation.

RETENTION BONUS

Paragraph H(2) of the MOU shall be amended to provide that the Retention Bonus is 10%, replacing the prior 20% payment. All other provisions of paragraph H(2) remain in effect.

MOTOR VEHICLE USAGE

An employee who uses a personal vehicle for work shall be reimbursed for either, mileage at the rate of the then current Internal Revenue Service regulations governing per mile reimbursement for use of personal vehicles for business use or \$15.00 per day, at the employee's option.

WORK ASSIGNMENT AND EQUALIZATION

The provisions of paragraph G of the MOU concerning Work Assignments and Equalization shall be null and void. Employees will be assigned work based on seniority, which includes Net Credited Service from predecessor companies to Avaya.

QUARTERLY NOTIFICATION

All VWF employees must notify Avaya on a quarterly basis as to whether they will be available for work during each quarter.

TRANSITION PERIOD

Recognizing that the changes required by this MOU Extension require a period of time to be effective, Avaya and the Union agrees that a sixty (60) day Transition Period shall be in effect for the period June 1, 2003 through August 1, 2003. During this Transition Period, any and all agreements regarding minimum weeks of work shall not apply. Further, the provisions of paragraph G of the MOU shall not apply for the Transition Period or for the duration of this MOU Extension. *Work assignments during this Transition Period will be assigned based on seniority.*

The above MOU Extension is hereby agreed to by and between:

CONSTRUCTIVE RELATIONSHIP

Over the years, the Company and the Union have developed and maintained a mutually constructive, responsible relationship characterized by trust, respect, and cooperation. Recognizing that the best interests of the Company, the Unions, employees, managers, and shareowners depend on vigorous and total commitment to product and service quality and customer satisfaction, it is the mutual goal of the parties to ensure that their relationship continues to improve in a positive, constructive manner consistent with the provisions of the collective bargaining agreement, and that such a relationship promotes superior quality and customer satisfaction.

The parties firmly believe that through a positive, constructive relationship they can best fulfill their respective responsibilities. These responsibilities include meeting the service and financial goals of all parties; improving employment security and corporate and business unit effectiveness and competitiveness; nurturing member and customer satisfaction; achieving continuous quality improvement; removing barriers to successful operations; and building involvement, commitment and motivation among both managers and employees.

To fulfill these responsibilities the Company and the Union are committed to a relationship where information is openly exchanged; problems are solved mutually and cooperatively; critical differences are accepted and accommodated; agreements are developed in good faith; commitments are honored; and day-to-day contacts at every level are stable and reliable.

During recent years profound changes have had major impacts on the operations and resources of both the Company and the Union. Such changes will continue, and it is understood that jointly anticipating and responding constructively and cooperatively to change is the key to both Union and Company vitality and prosperity.

The parties recognize that integrity, trust, respect, and cooperation in their relationship depend on action at all levels, particularly at local levels. Local union officers and managers are encouraged to identify and develop new approaches to issues which are appropriate for cooperative efforts. It is expected that progress in improving constructive relationships and taking initiative on cooperative efforts will be a primary mutual objective.

To sanction and encourage the initiation, growth, and perpetuation of cooperative activities and to sponsor the continuing exchange of useful information between the parties regarding such activities, a Constructive Relationships Council consisting of six (6) members (two Company, two CWA and two IBEW) from the bargaining committee will meet three times each year.

At each meeting at least one member of the senior leadership team of the Company's business groups shall participate in a CRC meeting. At the meeting, the business leader will review with the Union's leadership the state of the business, *technological developments and projected initiatives that are expected to take place*. The Union will be provided the opportunity to suggest and recommend alternatives to the anticipated initiatives and to discuss the impact of these technological developments upon employees the Unions represent and the Company agrees to give serious consideration to the Unions' suggestions and recommendation. The discussions are not intended to preclude the Company from decision making but allow the parties the opportunity to conduct open and thorough dialogue in understanding both the Company's business needs and the Unions' institutional needs. The parties may agree to schedule additional meetings with individuals in business groups or organizations to discuss issues raised in the meeting.

NO LAY OFF EXTENSION LETTER VWF

June 1, 1003

Mr. R. V. Maly, Vice-President, CWA
Mr. Dennis Slaman, Chairman, System Council T-3

Re: No Lay Off Extension Letter VWF

This will confirm our understanding during negotiations for the 2003 collective bargaining agreement that prior to the expiration of the "MOA Extension" (relating the Variable Workforce), Avaya Inc. ("Avaya") will discuss with the unions possible extension of the principle not to layoff employees in current titles in the Global Services business. The parties understand that the basis of any such discussions will be based on performance of the Global Services business unit, including, but not limited to, minimum revenue growth and strategic requirements for workload.

CONSOLIDATION OF THE CWA REPAIR, DISTRIBUTION AND SERVICE AND SUPPORT NO. 2 (RDS&S) AGREEMENT INTO THE CWA OPERATIONS AGREEMENT AND THE ARCHIVING OF THE AFFECTED RDS&S TITLES

During 2003 Bargaining the Company and the Union agreed to move the Avaya employees remaining in the parties' 1998 RDS&S Agreement into the parties' Operations Agreement, thereby discontinuing the RDS&S Agreement. These remaining employees, who held the Expediter title (Level R30) in the RDS&S Agreement, will convert to the Special Reports Clerk title (Level TG-6) in the Operations Agreement.

The parties agree to archive the Titles of Expediter, Coordinator, Departmental Clerk and any other titles that had formerly been staffed in Avaya and listed in the RDS&S Agreement for the Maintenance Service Group (MSG) in Houston, TX. Also archived are the provisions of the RDS&S Agreement applicable to those titles so that if the parties should agree, during the 2003 Agreement, to reactivate any of those titles, the parties would refer to the archived language to guide them in the implementation of such reactivation.

NEW WORK OPPORTUNITIES

The Company and the Union(s) agree to establish a Joint Committee to explore new and existing work opportunities for employees in various Call Centers consistent with the employees' abilities and the Company's business needs. The Committee will be National in scope and must be in place within 90 days after ratification of this Agreement.

If the Company and Union agree in the Committee to a means to expand such work opportunities for the employees, then the Committee shall be empowered to facilitate the implementation of the agreed upon initiative(s).

PERSONAL ILLNESS ABSENCE TRIAL FOR ATLANTA CUSTOMER CARE AND DENVER TECHNICAL SERVICES ORGANIZATION

A trial associated with pay for Personal Illness Absence as outlined below will be implemented in the Atlanta Customer Care Center and the Denver Technical Services Organization.

- The trial will begin on October 1, 2003, and will be in effect for an 18 month period.

- This trial period will be divided into one full year administration period, commencing October 1, 2003 and ending September 30, 2004, and one half-year administration period, commencing October 1, 2004 and ending April 1, 2005, unless the parties mutually agree that the second administration period will be extended to include a full year, ending September 30, 2005. The allowed paid personal illness days for the one-half year administration period will be one-half of the full year amount set forth below, unless the one-half year administration period is extended for a six month period, in which case allowable days will be based on the full year amount.
- The trial will automatically continue beyond the 18-month trial period and be in effect for the duration of the 2003 Collective Bargaining Agreement (CBA) unless either party provides written notice, at least 45 days prior to the expiration of the first one-half year administration period or the second full year administration period if the first one-half year administration period is extended to a full year, of its intention to cancel this trial.
- Employees will be paid for absences due to personal illness up to the maximum number of allowable days as outlined below. Personal illness absences beyond the maximum allowable days will be unpaid or will require employees to utilize an alternative paid non-work day allotment.
- Paid personal illness absence days will not be counted as absences in any Attendance Plans.
- One time during one full administrative year, an exception will be allowed for those personal illness absence days that occur immediately prior to an approved disability absence, as follows: The first 7 consecutive days of personal illness absence immediately preceding an approved disability absence, will not be counted against the allowable paid personal illness absence days during one full administrative year.
- Payments in lieu of unused personal illness absence days will be made no later than 45 days after the end of the applicable administration period.
- Nothing in this Agreement shall alter, amend or otherwise modify the terms of any disability plans.
- The Union agrees that the terms of this Agreement are subject to the grievance provisions of the collective bargaining agreement, but not the provisions for arbitration.

An employee who is absent for any reason shall promptly notify his or her supervisor, stating the reason for the requested absence and its probable duration, to allow proper consideration of the employee's request. In the event the employee cannot reach his or her supervisor, then a message left with the supervisor's designee or an electronic messaging unit approved by the supervisor shall be appropriate notification, provided the employee leaves a reach number. Absences with or without pay because of other reasons not outlined in this Article may be granted at the discretion of the Company.

Other Agreements

RESOLUTION OF MEDICAL DISAGREEMENTS

June 6, 1998

Ms. Janine Brown
CWA Staff Representative
Communications Workers of America

Dear Ms. Brown:

This will confirm the Company's intent regarding medical disagreements over an employee's ability to return to work.

The following administrative procedure will be followed where a difference in professional medical opinion exists between an employee's doctor and the Company Medical Organization, involving an employee's fitness to return to work, which cannot be reconciled by the two parties involved.

While the Company Medical Organization's recommendation is final, the Company nevertheless will endeavor to reconcile such differences through contact with the employee's attending physician. If, in the Company's judgment, the opinion of a doctor specializing in the field of the employee's ailment may be of value in resolving the difference, a third doctor may be selected by the Company to examine the employee.

Sincerely,

/s/ Charles R. Reichold

SUBCONTRACTING SUBCOMMITTEE STRUCTURE AND GUIDELINES

In an effort to reach a better understanding of the complex issue of subcontracting, the parties agree that it is in their mutual interest to establish appropriate subcommittee(s) for advanced information sharing and open and thorough discussions of matters involving subcontracting.

Accordingly, on this 30th day of May, 2003, Avaya Inc. (the "Company") and IBEW Systems Council T-3 and the CWA (the "Union") have agreed to establish a Subcontracting Subcommittee during the life of the 2003 collective bargaining agreement.

During 2003 negotiations, the Company and the Unions expressed mutual concerns over the employment security of on-roll Avaya employees represented by the Unions and their desire to retain work traditionally performed by those employees. The parties also understood the Company's need to maintain flexibility in making business decisions involving subcontracting of work traditionally performed by represented employees and the potential that such decisions may have a detrimental effect on the employment security of on-roll Avaya employees.

In recognition of these mutual concerns, the parties agree that a process should be developed to address the issues. Thus, it is agreed that the Unions will be provided, in advance, pertinent information such as but not limited to, the economics, skills necessary to perform the work, and the impact such subcontracting may have on the employment security of on-roll Avaya employees. In addition, the Unions will be given an opportunity to discuss such matters relating to the Company's intentions to subcontract work traditionally performed by members of the affected bargaining unit. It is further agreed that any process cannot interfere with the Company's right to make timely decisions consistent with the overall interests of the business, including the employment security of on-roll Avaya employees.

Subcommittee Structure and Purpose

A Joint Subcontracting Subcommittee will be established consisting of up to (4) four representatives from the Union, ((2) two designated by the CWA and (2) two designated by the IBEW) and four (4) representatives from the Company designated by the Business Group Vice- President or appropriate mutually agreed upon group.

The purpose of the subcommittee is to give the parties the opportunity to conduct open and thorough discussion concerning the Company's intention and rationale on subcontract work presently performed by on-roll Avaya employees.

Subcommittee Information Sharing Guidelines

Sharing information on the Company's intention and rationale to subcontract will include the following:

- 1 The establishing of subcommittees at the Services General Manager level for the purpose of sharing information in more detail. Such information will include items such as amount of hours or jobs, the names of the contractors being utilized, locations of contracted work, (more specific than a zip code level), discussions of the quality of such work, and other pertinent information pertaining to the subcontracting of traditional work that has been regularly performed by members of the bargaining unit in the geographic area.
- 2 Advance information of intention to subcontract consistent with the principles established above will be provided to local unions or GM level subcommittee union representatives as appropriate.
- 3 List of Avaya employees on re-call or the extended compensation option under the Avaya Option Plan.
- 4 Economic conditions of such subcontracting
- 5 Skills that are necessary to perform the work
- 6 Impact subcontracting may have upon on-roll Avaya employees at the affected location(s).
- 7 Other pertinent information (e.g. time constraints, market conditions, hiring opportunities via Avaya Transfer Plan or job advertisements, flexibility, other and viable alternatives)

Attachment

May 27, 1989

Mr. Morton Bahr, President
Communications Workers of America
1925 K Street, NW
Washington, DC 20005

Dear Mr. Bahr:

I am writing to respond to the expressions of concern raised at the Operations bargaining table regarding the Company's contracting out of work, which have focused on situations in which a layoff is pending or has occurred (and ex-bargaining unit members retain recall rights) within the same force adjustment area where the work is to be contracted, and in job titles whose occupants would traditionally have performed such work.

I do not believe that CWA and AT&T have diverse views on this subject.

As to such work normally performed by our employees, we have always preferred not to contract such work out if it would otherwise be performed by bargaining unit employees in job titles in a geographical commuting area (1) where layoffs of such employees are pending; or (2) where a layoff has already occurred and such laid off bargaining unit members retain recall rights and are available to perform such work.

In the future, the Company will not contract out such work, under the conditions outlined above, except when it has no other reasonable alternative. Under such circumstances, the Company will discuss its decision with the Union.

Very truly yours,

/s/ RAYMOND E. WILLIAMS

DISTRIBUTION TECHNICIAN CAREER PATH ENHANCEMENT

- 1 The Wage Schedules for Distribution Technicians (DTs) will be changed from the existing thirty-six (36) month four (4) zone structure to coincide with the first 48 months' schedule of the appropriate Wage Areas for the Tech Level Wage Table in Appendix 3. Existing Distribution Technicians will be moved to the corresponding wage step to the Tech Level Wage Table that is appropriate for the Wage Area and location in the following manner:
 - (a) DTs who were in progression on the former 36 month schedule just prior to 8/30/98 will be advanced one step on the new schedule on 8/30/98, and
 - (b) DTs who were at the maximum of the former 36 month schedule before 8/30/98 will be advanced to the maximum of the new schedule on 8/30/98.
- 2 Consistent with the needs of the business, the Company shall upgrade the senior qualified DT within a Geographical Commuting Area (GCA), who is Customer Systems Engineer (CSE) test qualified, to fill a vacancy for a regular full time position for the title of CSE in that GCA without utilizing the procedures of the Avaya Transfer Program.
- 3 This Agreement reaffirms that the job functions formerly performed by Technician Assistants (TAs) and DTs were combined and that these guidelines establish job functions to be performed by the DT title under this agreement, including conditions when DT will be required to perform a "higher classification" of work and when a differential for a "higher classification" will apply in the title.

(a) Premises Distribution Media Work

DTs will continue to perform the full range of Premises Distribution Media functions in support of CPE system sales, including data type media work which may encompass testing of the media transmission capabilities. In Large Customer markets, DTs will continue to be organized largely in "Construction Crews" to support the large job nature of this work. In the Small Customer market, DTs may be assigned to the service crews to support this function.

Some work associated with CPE common equipment (mounting, terminating or testing of related equipment) may, at times, be performed by DTs for the purpose of job efficiency. Such work will apply toward a higher job classification differential in accordance with Article 32.4(h).

(b) Station Work

DTs, as a part of their normal job duties, may work alone in performing functions previously performed by the TA title, including station placement work as well as placement of individual wires and speakers. The Company agrees that there will be no surplus declarations of CSEs as a result of allowing DTs to perform former TA functions without direction of a CSE.

Work associated with working circuits or wiring related to working stations (placing, rearranging or testing) and work associated with CPE common equipment (mounting, terminating or testing of related equipment) may, at times, be performed by DTs for the purpose of job efficiency. Such work will apply toward a higher job classification differential in accordance with Article 32.4(h).

(c) Backfilling or Supplementing CSE Work

Consistent with the needs of the business, DTs may be trained and assigned to supplement certain types of work typically performed by CSEs. This flexibility should enable DTs to gain CPE training and experience and to provide the Company an alternative to contracting this type of work. It is the intent of the Company that this type of assignment will be limited to CPE provisioning, moves and changes, or station replacement maintenance functions. Such work or training will be applied toward a higher job classification differential in accordance with Article 32.4(h). The Company does not intend to utilize this flexibility to displace or otherwise reduce the requirement for regular CSE positions.

- 4 DTs will be covered by the collective bargaining provisions as outlined in Article 32, except that the following paragraphs in Article 42 of the 1995 Agreement will be included in Article 32 to apply to DTs:

Paragraph 4(d)	RESPONSIBILITY FOR THE WORK OF OTHERS
Paragraph 6	TRAVEL & OTHER ALLOWANCES
Paragraph 7	TOOL CARTAGE
Paragraph 10	CONTRACTING LETTERS

- 5 This agreement will settle grievances concerning the work of DTs.
- 6 DTs who are currently Term employees shall be reclassified to Regular Full-Time DTs based on their seniority, abilities of the employees and the needs of the business

(LL) AGENCY TEMPORARIES

The Company and the Union understand and agree that Agency Temporaries who hold a position normally filled by a bargaining unit employee will be removed from that position at the end of three months unless there is agreement otherwise between the Union and the Company.

The Company, as appropriate, shall provide information to the Union on the use of agency temporaries.

(SS) ELECTRONIC MONITORING

Sampling of service, used in the spirit of trust and respect, is a valuable tool to enhance customer service. To assure courteous treatment, accurate information and superior service, customer calls may be monitored to assist in the training and development of employees, identification of customer needs and product evaluation.

Feedback of all calls sampled will be provided to the employee by the end of the day of the completed contact (defined as the day the employee being sampled has initiated and/or provided the service requested by the customer). The employee will be notified of exceptional service or gross customer abuse immediately.

No employee shall be disciplined, nor documentation made in any personnel or Company record, as a result of service sampling except for gross customer abuse, fraud, violation of privacy of communications, or when developmental programs have not been successful. A developmental program will be jointly developed by the associate and the coach to bring the best quality service to the customer.

Process monitoring is defined as any call sampling other than individual call sampling. Employees will not be disciplined as a result of process monitoring. However, if gross customer abuse is observed and the specific employee can be identified, it may be documented and reviewed with the employee in an effort to correct the behavior. Such documentation will not be placed in the employee's file.

It is agreed that all past practices and local letters of agreement which restrict the practice of service observing and monitoring are eliminated. The Company will continue to comply with any applicable laws regarding service monitoring or observation.

ELECTRONIC MONITORING TRIAL

Effective August 1, 2003 the Company and Union agree to trial Electronic Monitoring process changes utilizing call recording technology in the call centers and TSO. The trial shall be for 1 year and, if successful, may be extended by mutual agreement at the request of either party. However, if not successful, it will be canceled at the request of the National Union or Labor Relations with a forty-five day notification to the other party any time during the trial.

Other Agreements

For the purposes of this trial, call observation shall not exceed more than five (5) calls per month for each employee in the Technical Services Center (TSO) and no more than ten (10) calls per month in the Customer Care Centers (CCC), unless unusual or unforeseen circumstances exist.

Company utilization of any technology that enables the recording of customer calls and computer screen activity during the calls, such as, but not limited to, FACT, NICE and STAR, is for training and developmental purposes only. No employee shall be disciplined as the result of Service Sampling except for Gross Customer Abuse, fraud, violation of Privacy of Communications, or when developmental programs have not been successful. A developmental program will be jointly developed by the associate and coach to bring the best quality service to the customer.

Feedback of all calls sampled will be provided to the employee in a timely manner (defined as before the end of their next scheduled tour). The employee will be notified of exceptional service or gross customer abuse immediately. The recorded calls and screens will not be used initially for evaluative or appraisal purposes unless mutually agreed to by a representative of the National Union and the Vice President of Labor Relations or his/her designee.

Once the recorded calls and screens are reviewed, the employee will have the option to delete them from the recording system or have the option to save them for a short period of time for training purposes in conjunction with their developmental plan.

Disputes regarding a violation of this agreement will follow a two (2) step process as outlined below:

Waiving the first step, file a grievance at the second step as provided for in Article 9 – Grievance Procedure.

If the grievance is not resolved locally at second step, a representative of the National Union will meet with a designated Labor Relations Representative in an attempt to resolve the issue.

In the event the National Union and the Labor Relations Representative are unable to resolve the issue, the Union may request an expedited arbitration according to Article 10, paragraph 5 in the Operations Collective Bargaining Agreement. If the Arbitrator's decision upholds the grievance, the Union and the Company agree that the remedy could include, but not be limited to, the following:

Expunge the case file of any reference to the aggrieved issue and make grievant whole, and

For the first occurrence by an individual manager within a work center, the Arbitrator could suspend the usage of the utilization of the system for that manager's team for a period of 30 days. For any further occurrences by management within a work center, the Arbitrator may suspend the usage of the utilization of the system for that work center for a period of 60 days.

These procedures shall be the sole and exclusive means by which to resolve disputes arising out of this Agreement.

(TT) ALTERNATE WORK SCHEDULES

In order to implement Alternate Work Schedules, modifications to certain contract articles will have to be made. In addition, new provisions for Hourly Time Bank and Residual Time will have to be added. The parties recognize the following contract areas may be changed as a result of local negotiations to implement a four day basic work week and a rotating three and four day basic work week. The Constructive Relationship Council shall approve each specific plan for alternative work schedules negotiated at the local level, including trials and implementation. The following uniform provisions shall apply for all Alternate Work Schedules:

Four Day Work Week (FDWs)

The hours of a Scheduled Daily Tour will be based on the normal hours of the location divided by four. A Basic Work Week will consist of either four 10 hour days, four 9.375 hour days, or four 8.75 hour days.

Continuous Operations (ConOps) [Rotating Three and Four Day Work Week]

The hours of a Scheduled Daily Tour will be twelve (12). A basic work week will consist of either three 12 hour days or four 12 hour days and will be scheduled on a rotating basis so that over a three week period an employee will average forty (40) hours of work.

Hourly Basic Rate

Is determined by dividing the five (5) day weekly basic wage rate by the number of hours contained in the Scheduled Weekly Tour for the location (i.e., 40, 37.5, 35).

Night Tour

1. For FDWs is a tour which falls within the time period beginning at 6:00 p.m. and ending at 6:00 a.m.
2. For ConOps schedules there shall be one (1) Day Tour and one (1) Night Tour. Starting and stopping times of each tour are to be determined locally.

Overtime

For those employees on the Four Day Work Week:

1. Daily overtime will be paid after ten (10) hours in a day.
2. Weekly overtime will be paid after forty (40) hours in a week
3. Double time will be paid after eight (8) overtime hours (paid at 1.5) have been worked, (subject to successful negotiation of "Payroll Simplification").

For those employees on the ConOps Rotating Three and Four Day Work Week:

1. Daily overtime will be paid after twelve (12) hours in a day.
2. Weekly overtime will be paid after forty (40) hours in a week.
3. Double time will be paid after eight (8) overtime hours (paid at 1.5) have been worked, (subject to successful negotiation of "Payroll Simplification").

Other Agreements

Hourly Time Bank

Vacations, Excused Work Days, Designated Holidays and Floating Holidays will be converted to an hourly total and taken on an alternate tour length basis. Any remaining time (time less than an AWS Scheduled Tour) will be designated as "residual time" and will be credited to the employee's Hourly Time Bank.

Residual Time

Time remaining in the Hourly Time Bank after an employee has taken either a holiday, vacation day, or excused work day on an alternate tour length basis. Residual Time may be taken as excused paid time in conjunction with Vacation, Designated Holiday Time, Floating Holiday Time or Excused Work Day Time.

If, at the end of a calendar year, the total Residual Time in an employee's Hourly Time Bank is equal to or greater than the number of hours in such employee's AWS Scheduled Daily Tour, the employee must take the necessary number of days off to reduce the number of hours to below the number of hours in such employee's Scheduled Daily Tour. If total Residual Time is less than the number of hours in such employee's AWS Scheduled Daily Tour, the employee may take the Residual Time as excused paid time in one or more increments, of no less than 2 hours each.

Residual Time that is not used in accordance with the previous provisions may be "Bought Out" by the Company at the basic hourly rate (including any evening or night differentials when applicable). This will be limited to a single buy out per calendar year. In no case will the amount of Residual Time that is to be bought out be greater than the number of hours in an employee's Scheduled Daily Tour.

"Pay in lieu of" situations applicable to vacations because of separations through dismissal (except misconduct), layoff, resignation, retirement, or death will also apply to Residual Time.

Leave of Absence

Employees on leaves of absence will be changed to the five day, standard hours per day for their location for the duration of the leave.

Termination Payment

For an employee assigned to an Alternate Work Schedule, Termination Payment shall be computed based on the standard weekly tour at that employee's location.

Employee Benefits

For an employee assigned to an Alternate Work Schedule, Sickness or Accidental Disability shall be based on the standard weekly tour at that employee's location.

Personal Illness

Sickness Wait Period will be converted from days to hours based on the existing articles contained in the local agreements.

Discretionary absence, whether paid or unpaid, will be charged to the employee at the alternate daily tour hour basis.

Rest Period

For FDWs and for ConOps employees one (1) rest period of 20 minutes during each one-half Scheduled Daily Tour.

Incidental Absences (Jury Duty, Military Duty, Death in Family, etc.)

Payment will be made for the number of days specified in the local labor agreement. Incidental absences will not be converted to hours.

(B) APPEARANCE GUIDELINES

The parties recognize and agree that, consistent with the professional image vital to the Company, all employees are expected to be neat and well groomed at all times. Appearance should be appropriate for the community in which the employee works, in keeping with the job assignment, and consistent with what is acceptable for employees in other similar type business establishments.

Explicit in the parties' expectations is a recognition between the Company and the Union that all employees should wear appropriate attire for the work assignment expected to be performed.

In the event of a dispute concerning whether appearance guidelines promulgated or in effect in a particular office or facility are consistent with these expectations, the grievance procedure shall be utilized. If the parties are unable to resolve the dispute in the grievance procedure, the Union may proceed to arbitration pursuant to the provisions of Article 10 of the Agreement. The arbitrator shall determine whether the appearance guidelines promulgated or in effect are reasonable.

(D) ARTICLE 16 TRANSFERS AND RECLASSIFICATIONS TO PART-TIME DURING SURPLUS

During our recent negotiations, we have discussed the Union's claim that individuals have been reclassified to part-time or laterally transferred from a title in which there is an impending surplus to a title that will not be affected by the impending surplus declaration, for the purpose of protecting the employee from the surplus declaration. Both the Company and Union agree that such a practice is not in the best interest of employees and the Company will not support or condone such a practice.

If the Union believes that such a transfer or reclassification has occurred, it may, notwithstanding any contrary provision of Article 9 - Grievance Procedures, notify the Company, in writing, of its claim within 30 days of the involved surplus declaration. Representatives of the Company and the Union will meet, within seven days of the Company's receipt of the written notice, to review and attempt to resolve the Union's claim. If the parties are unable to resolve the dispute, the Union may submit its claim to arbitration and the Company agrees it will process the demand for arbitration in an expeditious manner. The provisions of this paragraph shall not apply to employee movement pursuant to the Avaya Transfer Program.

1992 LETTERS EXTENDED

The following items were agreed to in 1992 local bargaining and will continue in accordance with their original terms.

(a) LOCAL AGREEMENTS

Local agreements, other than those that are specifically provided for in the Agreement, that violate the provisions of the Agreement will be null and void immediately upon the effective date of the Agreement. Other local agreements will continue to effect unless and until either party gives 45-days written notice of their termination. During that 45-day period, either party may initiate negotiations pursuant to Article 2 (Collective Bargaining), Paragraph 2.10 of the 1992 Agreement. If no agreement is reached during that 45-day period, the local agreement will no longer be effective and binding upon either Company or the Union.

(b) INDEMNIFICATION

It is the policy of the Company to indemnify and hold harmless from liability, employees who are determined to be liable to others as a result of the actions and/or simple negligence of the employees arising in the scope of their employment. Employees who participate in the Motor Vehicle Usage Program will be considered to be acting within the scope of their employment while operating the Company-provided vehicle between work locations, and between work locations and their residences or other places of vehicle storage, provided that employees are traveling in a reasonably direct route between their work locations and their residences or other places of vehicle storage and are traveling within a reasonable period of time before or after the start or end of their work day.

(c) OVERTIME EQUALIZATION

For the term of the 1992 Agreement, the Company will continue existing overtime equalization agreements as they exist unless and until they are canceled pursuant to Item (a) of the Settlement Memorandum. All such agreements shall be subject to the grievance procedure of Article 9. Only those that were subject to the provisions of Arbitration of the 1989 Agreement shall continue to be subject to arbitration.

(g) SCHEDULE CHANGE - PART-TIME EMPLOYEES

During our recent negotiations, we discussed the Union's concern that part-time employees' schedules were sometimes changed on very short notice resulting in fewer scheduled hours on a given day or for a given week. It is not the Company's intent to reduce the regularly scheduled hours of part-time employees without adequate notice.

(k) WAGE PROTECTION

Employees covered by Article 34 who, on May 27, 1992, were covered by the MMS Agreements and who were, on this date, receiving a wage "plug" (Special Supplementary Wage Treatment (SSWT)) shall continue to receive the wage plug under the conditions formerly applicable to them unless and until they leave that title. Those employees will continue to have their Pension Band Differential included in the calculation of their pensions as long as they remain in the covered group to which reclassified in 1986.

(z) 1989 PROVISION - GROUPS

For the term of the 1992 Agreement, the Company will continue to apply the following provisions of Part II of the 1989 Settlement Memorandum to work groups which were covered under the terms of those paragraphs on May 30, 1992, under the circumstances provided in those paragraphs:

6. Night Tour
11. Letter, California Release Time
12. Letter, 15% Differential, NY
13. Letter, Last Work Day Before Christmas, NJ
14. Letter, OT Work, Michigan
15. Letter, NY Vacation Schedule
17. Letter, Vacation Scheduling

(6) NIGHT TOUR

For employees assigned to a title listed in Article 32 (Sales) or Article 33 (Support), who are assigned to an administrative unit whose employees were, on May 26, 1989, covered under terms of the 1986 Agreement between AT&T Information Systems, Inc. and Communications Workers of America, the night tour shall be defined, for the term of the 1989 Agreement as a regularly scheduled tour which falls wholly or partially within the period from 6:00 PM - 6:00 AM. During the same period and for the same employees the day tour shall be defined as a regularly scheduled tour which falls wholly within the period from 6:00 AM - 6:00 PM.

Gentlemen:

During recent negotiations we discussed the Union's demand that management in the States of California and Nevada continue the practice of releasing certain day tour clerical employees employed in the States from the last half hour of their scheduled eight-hour day tour.

It is our intent, for the duration of the current collective bargaining agreement, to allow managers in California and Nevada to so excuse such employees, when in the judgment of the Company work assignments have been completed. However, day tour clerical employees remain obligated to work eight hours and any such excused half-hour is a gratuitous act on the part of the Company and not a guaranteed right. Where management requires an employee to work any portion of the last half-hour of a scheduled eight-hour tour, no additional compensation will be paid.

(15) **NEW YORK VACATION SCHEDULE**

MEMORANDUM AGREEMENT

Vacations (New York - IS Plant Locals)

For the 1984, 1985, and 1986 calendar years, the following shall be applicable:

- (i) In each calendar year, the summer period shall be a 12-week period. For the 1984 calendar year, it shall commence with the week ending June 23 and terminate with the week ending September 8. For the 1985 calendar year, it shall commence with the week ending June 22 and terminate with the week ending September 7. For the 1986 calendar year, it shall commence with the week ending June 21 and terminate with the week ending September 6.
 1. This 12-week summer period described in Article 23.01 of the Collective Bargaining Agreement may be shifted by local management to conform more closely with local school vacation schedules. Such adjustment will be decided upon by local management and any adjustment in the beginning of the 12-week summer period will result in a similar compensating adjustment in the closing date of the period.
- (ii) By November 15 of each year, the Company shall post vacation schedules for the following calendar year. Prior to the posting of these schedules, the Company shall afford the Union a period of fifteen (15) days during which period representatives of the Company and the appropriate Local Union shall discuss the vacation schedules for the following calendar year. Where any employee in any vacation group is required to take one week of vacation during the first four months of the calendar year in accordance with the schedules determined by the Company under Paragraph C of this Memorandum Agreement, the Company shall, during this 15-day period, give the appropriate Local Union the Company's reason for such requirement.
- (iii) Each employee in any vacation group who is entitled to take two (2) or more weeks of vacation in a calendar year may be required to take on of those vacation weeks during the first four (4) months of that calendar year in accordance with schedules determined by the Company. (These vacation groups are referred to hereafter as "affected groups").
 1. This one week of vacation which the employee may be required to take during the first four months may not be carried over into the following calendar year under Article 23.04 of the Agreement. However, employees may satisfy this one-vacation-week requirement with a vacation week carried over from the prior calendar year under Article 23.04 of the Agreement, provided that the week carried over is a week other than one required to be taken during the first four months of the prior calendar year.

2. This one week of vacation which the employee may be required to take during the first four months may not be reserved as a vacation week for day-at-a-time vacation under Article 23.01 of the Agreement. Employees may not satisfy this one-vacation-week requirement with a day-at-a-time vacation week reserved from the prior calendar year under Article 23.01 of the Agreement.
 3. The number of vacation weeks the Company shall schedule in each affected group for the summer period in each of the 1984, 1985, and 1986 calendar years shall be 48% of the total number of vacation weeks that all employees in that affected group are entitled to take in each of those years. These summer vacation weeks (i.e., 48%) shall be distributed over the summer period in accordance with schedules determined by the Company. This percentage is subject to the limitations outlined in Paragraph I below.
 4. The minimum number of vacation weeks that shall be scheduled for each affected group in each week of the calendar year outside the summer period and outside of the first four months of the year shall be equal to the highest number of vacation weeks scheduled by the Company for that affected group in any week of the summer period, subject to the limitations outlined in paragraph I below.
- (iv) For vacation groups in which employees are not required to take one of their vacation weeks during the first four months of the calendar year, the percentages set forth in Paragraph C (3) above shall represent the minimum the Company will schedule in the summer period for the 1984, 1985, and 1986 calendar years, subject to the extent to which the vacation weeks in the summer period in any vacation group for any calendar year may be increased above the percentages set forth in Paragraph C (3) above shall be determined by the Company.
- (v) The weeks included in the percentage figures set forth in Paragraphs C (3) and D above shall include the one week each employee is entitled to take in the summer period under Article 23.01 of the Agreement. The Company shall not be obligated to schedule additional vacation weeks above those percentage figures for the purpose of making available to any employee in the vacation group the one week each employee is entitled to take in the summer period.
- (vi) Once an employee has selected his vacation weeks to be taken in the summer period:
1. He may not exchange any of his vacation weeks to be taken in the summer period for any vacation weeks that may become available in that period.
 2. He may not select additional weeks to be taken in the summer period that may become available in that period, except as follows:

Other Agreements

Employees in any vacation group who were restricted in the selection of vacation weeks in the summer period because at the time of their vacation selection the number of employees who had not selected equaled the number of remaining open summer weeks may then select, in order of seniority, any additional week that may become available in that period as a result of a less senior employee not selecting the one week the employee is entitled to take in the summer period.

3. He may exchange any of his selected weeks to be taken in the summer period for weeks selected to be taken in that period by other employees in his vacation group.
- G. An employee who is eligible for five (5) weeks of vacation must take one vacation week outside of the summer period. This one week may not be reserved as a vacation week for day-at-a-time vacation under Article 23.01 of the Agreement. The employee who is eligible for five weeks of vacation may be required by the Company to take one of those weeks during the first four months of the vacation year under Paragraph C above in accordance with schedules determined by the Company.
- H. Vacation schedules shall not have "blocked-out" vacation weeks except where the vacation group involved historically has had vacation schedules with blocked-out weeks. However, vacation schedules may still have blocked-out weeks for vacation groups that may be subject to or involved with unusual service requirements or special projects within the meaning of Paragraph I below.
- "Blocked-out" weeks shall mean weeks on vacation schedules for which it is indicated that no employee may take vacation.
- I. Notwithstanding Paragraphs C (3) and (4), and D above: Where there are unusual service requirements, such as political conventions or Olympics, or where there are special projects, such as cutovers, then in any calendar year the Company may reduce the percentages set forth in Paragraphs C (3) and D above and reduce the minimum number of vacation weeks set forth in Paragraph C (4) above for all vacation groups that may be subject to or involved with those unusual service requirements or special projects. However, the Company shall not eliminate entirely the summer vacation weeks provided for under Paragraphs C (3) and (4), and D above because of these unusual service requirements or special projects.
- J. An employee will not be scheduled for an assignment on the Saturday before his or her vacation or be scheduled for assigned overtime on the Sunday after his or her vacation.
- K. Vacation weeks, vacation days, and "H" days will be selected by employees in that sequence in a number of circulations to be determined by the company.

- L. The maximum number of employees on vacation and "H" day and vacation day at any one time will not exceed the maximum number of employees permitted to be off as determined by management.
- M. Vacation day conflicts will be treated in the same fashion as the Company now treats "H" day conflicts.
- N. This Memorandum Agreement shall be effective as of August 7, 1983 and shall continue in effect throughout the full term of the Collective Bargaining Agreement contained in the Stipulation dated December 2, 1983. This Memorandum Agreement shall automatically terminate simultaneously with the termination of such Collective Bargaining Agreement. Collective Bargaining with respect to amendment or modification of this Memorandum Agreement shall occur only at the time such Collective Bargaining Agreement is terminated.

Note: This applies only to those work groups to which ATT-IS letter #23 applied on may 26, 1989. And will continue for the life of the 1989 Agreement.

(17) VACATION SCHEDULING

During the 1998 negotiations between Lucent Technologies and Communications Workers of America, the Union expressed a concern relative to service and coverage requirements in connection with vacation schedules and personal holiday schedules.

The Company recognizes the importance of vacations to our employees and believes that vacation schedules should be prepared in such a manner as to permit a maximum number of vacations during the most desirable vacation periods to the extent that service and coverage requirements permit.

It is also our belief that special consideration should be given to the traditionally observed holidays that were replaced with personal holidays in the 1989 Agreement. The new holiday language, in and of itself, should not change the coverage requirements for those days that were designated as holidays in past contracts. Every effort should be made by managers to make available as many of these days as possible for selection as personal holidays.

(aa) 1989 PROVISIONS - INDIVIDUAL

For the term of the 1992 Agreement, the Company will continue to apply the following provisions of Part II of the 1989 Settlement Memorandum to individuals which were eligible for coverage under the terms of those paragraphs and who were covered by these paragraphs on May 30, 1992, under the circumstances provided in those paragraphs:

(12) VOLUNTARY OVERTIME, PNB

August 24, 1983

Mr. Frank E. Mailloux
Area Director, Washington-Idaho-Oregon-Alaska
Communications Workers of America, AFL-CIO
845 Industry Drive, Building 21
Tukwila, WA 98188

Dear Mr. Mailloux:

This will confirm our understanding of voluntary overtime as an alternate method of assigning overtime work. This agreement applies to Pacific Northwest Bell and not to other companies or entities where bargaining unit employees may transfer.

The basis for this agreement is our mutual desire to maintain a work environment where each employee may exercise a commitment to the needs of our business operations without undue impact on personal desires. This premise is the foundation of our willingness to set forth an alternative to the past practices involving overtime work.

As an alternative to existing contract provisions governing the distribution and payment of extra work opportunities, individual force groups may elect an alternate overtime process. Supervision and the Union must concur in the election and composition of the force group. The force group would generally consist of employees having a common organization and type of work within the same work location. Specific practices for this voluntary process will be jointly determined by the Union and Management. It is understood that the alternative process will include the following considerations:

The purpose is to assign extra work without causing employee hardship.

Whenever there appears to be insufficient volunteers, the Union and Company representatives will jointly determine what action will be taken to ensure that the priorities of the business are met.

Contract Section 25.16 concerning the distribution of premium work opportunities will not apply to the force group. However, there remains the need to maintain a reasonable distribution of the overtime payments among employees who are equally available for overtime opportunities.

The premium rate for all overtime will be time and one-half and Contract Section 25.5 will not apply except that hours worked on a holiday will be paid as specified in Section 22.3(a).

The effective date will be as soon as the payroll process can accommodate this alternative.

Other Agreements

This alternative overtime process may be cancelled for a force group by either the Union or Company with 24 hours notice. If cancelled, the alternative method cannot be re-established before 1 year has elapsed. However, management may interrupt these procedures for exceptional service demands such as storms and unusual service requirements and Contract Section 25.5 will apply.

If you concur with this understanding, will you please sign the original of this letter and return it to me.

Sincerely,
