Upon the determination of the Chancellor that an employee has been physically disabled because of an assault arising out of and in the course of his employment, the Chancellor will grant the injured employee a leave of absence with pay not to exceed eighteen (18) months provided that such injury is compensable under the Workers' Compensation Law. If an employee is granted a leave of absence with pay, pursuant to this Article, he shall receive the difference between his weekly salary and his compensation rate without charge against his annual leave or sick leave. The employee shall, as a condition of receiving benefits under this Article, execute an assignment of the proceeds of any judgment or settlement in any third-party action arising from such injury, in an amount equal to the pay received, pursuant to this Article and to medical disbursements, if any, made by the Board but not to exceed the amount of such proceeds. When an employee is required to undergo a physical examination by the Medical Division, prior to returning to work, the Medical Division will, following the completion of the examination, notify the employee in writing of its determination of fitness or unfitness to return to duty.

In no case shall the date of an employee's return to duty be prior to receipt of his/her notification by the Medical Division of his/her fitness to return to duty.

The Medical Division's determination of fitness can include a recommendation that the employee be assigned to in-title and related duties in the same title during the period of the employee's disability.

If a suitable position is not available, ~~and the employee so requests~~, the Board shall offer him any available opportunity for transfer to another title for which he may qualify by the change of title procedure followed by the New York City Civil Service Commission pursuant to Rule 6.1.1 of its Rules or by non-competitive examination offered pursuant to Rule 6.1.9 of the Commission's Rules. If such title and position is available, the employer shall offer such position to the employee.

The maximum termination pay allowance shall not exceed one hundred (100) workdays.

C. Meal periods and any previously established rest periods shall count towards meeting the requirement for alternative work, but this provision shall not be construed as providing any additional non-work break time.

ARTICLE XXII

GARNISHMENT

The Board will make every reasonable effort to provide adequate notice of employee salary garnishments.

ARTICLE XXIII

COMPLAINT AND GRIEVANCE PROCEDURES

A. Policy

It is the policy of the Board to encourage discussion on an informal basis between a supervisor and an employee of any employee complaint. Such discussion should be held with a view to reaching an understanding which will dispose of the complaint in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure. An employee's complaint should be presented and handled promptly and should be disposed of at the lowest level of supervision consistent with the authority of the supervisor.

Upon request to the appropriate supervisor, a Union representative shall be permitted to meet for a reasonable time with employees at the work location, for the purpose of investigating complaints and grievances under circumstances which will not interfere with either the administrative or school activities of the Board.

When necessary, any employee in the unit who is a shop steward in the work location in which the aggrieved employee is assigned will be given time off to represent the employee in the presentation of his grievance.

A list of all duly authorized shop stewards shall be furnished to the Office of Labor Relations and Collective Bargaining and notice of replacements shall be similarly given immediately.

B. Informal Complaint Procedure

It is desirable that any employee having a complaint should discuss it informally with his immediate supervisor or with any other appropriate level of supervision.

The employee should request an opportunity to discuss the matter and the supervisor should arrange for the discussion at the earliest possible time. At such informal discussion the employee may be accompanied by a Union representative or by another employee in the unit who is not an official or agent of another employee organization. The Union representative shall be the steward at the work location or a Union staff representative.

The objective should be to dispose of the majority of employee complaints in this manner.

C. Formal Grievance Procedure

If the matter has not been disposed of informally an employee having a complaint concerning any condition of employment within the authority of the Board of Education may, within a reasonable period of time not to exceed forty-five (45) days following the action complained of, present such complaint as a grievance in accordance with the provisions of this grievance procedure. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed at Step 1 within the time limitation set forth above. Such grievances must be presented no later than ninety (90) days after the first date on which the grievant discovered the payroll error. If the grievance is so filed, any monetary award shall in any event cover only the period up to six (6) years prior to the date of the filing of the grievance.

Complaints concerning matters which are not within the authority of the Board should be presented in accordance with the review procedures of the agency having authority over such matters.

The grievance procedure described herein does not apply to complaints concerning disciplinary matters, performance ratings or out-of-title or out-of-level work assignments.

Complaints concerning disciplinary matters shall be disposed of in accordance with Article 5, Section 3 of the By-Laws of the Board. Complaints concerning performance ratings shall

be processed in accordance with Article 5, Section 3 of the By-Laws of the Board and may thereafter be brought to the City Personnel Director. Complaints concerning out-of-title or out-of-level work assignments shall be referred for decision to the Executive Director of Personnel and his decision may thereafter be appealed to the City Personnel Director. No monetary award shall in any event cover any period prior to the date of the filing of the out-of-title or out-of-level complaint unless such complaint has been filed within thirty (30) days of the assignment to alleged out-of-title or out-of-level work. It is understood, that complaints of employees in-title or in-level against out-of-title or out-of-level assignments made to other employees are subject to the grievance procedure.

If a group of employees has the same complaint a member of the group may present the grievance in the group's behalf under this procedure.

The Union has the right to initiate or appeal a grievance involving alleged violation of any term of this Agreement. Such grievance shall be initiated with the appropriate community or assistant superintendent, or the head of an office or bureau, or, where appropriate, with the Chancellor.

Grievances of employees within the bargaining unit shall be presented and adjusted in the following manner:

i. Procedures for Motor Vehicle Operators

a. Office of School Food Services

- (1) An employee who is employed in the Office of School Food Services shall initiate the grievance at Step 1 with the Unit Supervisor as the Board representative.
- (2) If the grievance is not resolved at the first step, the employee may then appeal the grievance within fifteen (15) workdays of receipt of the Step 1 decision to the Chief Administrator of the Office of School Food Services as the Board representative at Step 2.

b. Pearl Street Garage and Central Repair Shops

- (1) An employee who is employed in the Pearl Street Garage shall initiate the grievance at Step I with the Garage's Supervisor of Motor Transport as the Board representative and an employee who is employed in the Central Repair Shops shall initiate the grievance at Step I with the Shop's Supervisor of Motor Transport as the Board representative.
- (2) If the grievance is not resolved at the first step, the employee who is employed in either the Pearl Street Garage or the Central Repair Shops may then appeal the grievance within Fifteen (15) workdays of receipt of the Step I decision to the Director of the Division of Maintenance and Operation as the Board representative at Step 2.

2. Procedures for General Service Employees

- a. The employee shall initiate the grievance at Step I with the immediate responsible superior whose duties include the evaluation of the employee's work performance and the assignment and scheduling of the employee's routine tasks. If such immediate responsible superior is employed in the same title and grade as the aggrieved employee, then the grievance shall be initiated at Step I with the next higher ranking superior of the aggrieved employee. In either instance, the superior with whom the grievance is initiated at Step I shall not be an employee within the single bargaining unit recognized under the titles listed for the General Services Personnel in the Appendix.
- a. If the grievance is not resolved at the first step, the employee may then appeal within fifteen (15) workdays of receipt of the Step I decision to the head of the office or bureau, as the case may be, in which he is employed, as the Board representative at Step 2. In no event shall the Board representative at the Step 2 level be the Executive Director

unless the aggrieved employee is employed in the immediate Office of the Executive Director. The head of the office or bureau may, in his discretion, decide that the limited number of personnel in his office warrants initiation of all grievances at the Step 2 level.

3. Procedures for Clerical and Administrative Employees, Accountants and Statisticians, Computer Personnel and Supervisory Clerical Employees

a. Offices and Bureaus

- (1) The employee shall initiate the grievance at Step 1 with the immediate responsible superior whose duties include the evaluation of the employee's work performance and the assignment and scheduling of the employee's routine tasks. If such immediate responsible superior is employed in the same title and grade as the aggrieved employee, then the grievance shall be initiated at Step 1 with the next higher ranking superior of the aggrieved employee. In either instance, the superior with whom the grievance is initiated at Step 1 shall not be an employee within the single bargaining unit recognized under the titles listed for these units in the Appendix.
- (2) If the grievance is not resolved at the first step, the employee may then appeal within fifteen (15) workdays of receipt of the decision at Step 1 to the head of the office or bureau, as the case may be, in which he is employed as the Board representative at Step 2. In no event shall the Board representative at the Step 2 level be a Deputy Superintendent of Schools unless the aggrieved employee is employed in the immediate Office of a Deputy Superintendent of Schools. The head of the office or bureau may, in his discretion, decide that the limited number

of personnel in his office warrants initiation of all grievances at the Step 2 level.

b. Community Superintendents' Offices

- (1) An employee who is employed in a Community Superintendent's Office shall initiate the grievance at Step 1 with the District Administrative Officer or the Executive Officer, whoever is designated by the Community Superintendent, as the Board representative.
- (2) If the grievance is not resolved at the first step, the employee may then appeal the grievance within fifteen (15) workdays of receipt of the Step 1 decision to the Community Superintendent as the Board representative at Step 2. The head of the office or bureau may, in his discretion, decide that the limited number of personnel in his office warrants initiation of all grievances at the Step 2 level.

4. Procedures for All Groups

Step 3

If the grievance is not resolved at Step 2, the grievance may then be appealed to the Chancellor within fifteen (15) workdays of receipt of the Step 2 decision. The appeal at Step 3 shall be accompanied by the letter of appeal and the decision at Step 2.

D. Representation

At each step of the formal grievance procedure, the employee may be accompanied by a Union representative or by an employee in the bargaining unit who is not an official or agent of another employee organization. At Step 1, the Union representative shall be the steward at the work location or a Union staff representative or both. At Steps 2 and 3 the Union representative shall be a Union staff representative or the steward who represented the employee

at Step I or both.

E. Conferences and Decisions

At each step of this grievance procedure a conference shall be arranged by the Board representative with the aggrieved employee and his representative, if any. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during working hours employees who participate shall be excused with pay for that purpose.

Every attempt should be made to reach a mutually satisfactory resolution of the grievance at the conferences held under this procedure. If the grievance is not resolved at a conference, then a decision must be rendered by the Board representative. The decision at each step shall be communicated to the aggrieved employee and his representative within the following time limits:

1. At Step 1, within five (5) school days after the grievance is initiated;
2. At Step 2, within fifteen (15) school days after the appeal is received.
3. At Step 3, within fifteen (15) school days after the appeal is received.

If the grievance is presented in writing, the decision will be given in writing. If a satisfactory resolution is not reached or if a decision is not rendered within the time limit at Steps 1, 2, or 3, the employee may appeal the grievance to the next higher step. A Union-initiated grievance may be appealed by the Union to the next higher step of the grievance procedure.

F. Appeals to Arbitration (Step 4)

A grievance which has not been resolved at the Step 3 level may then be appealed within fifteen (15) workdays of receipt of the decision at Step 3 by the Union to a mutually agreed upon Arbitrator. Agreement shall be filed by submission to the Office of Labor Relations and Collective Bargaining of the Board of Education.

Any costs relating to the participation of the Arbitrator shall be shared equally by the parties to the dispute.

With respect to grievances which involve the application or interpretation of the pro-

visions of this Agreement the Arbitrator shall be without power or authority to make any decision:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law;
2. Involving Board discretion or Board policy under the provisions of this Agreement, under Board By-laws, or under applicable law, except that the Arbitrator may decide in a particular case that such policy was disregarded or that the attempted application of any such term of this Agreement was so discriminatory, arbitrary or capricious as to constitute an abuse of discretion.
3. Limiting or interfering in any way with the powers, duties and responsibilities of the Board under its By-laws, applicable law and rules and regulations having the force and effect of law.

With respect to grievances which involve the application or interpretation of the provisions of this Agreement the decision of the Arbitrator, if made in accordance with his/her jurisdiction and authority under this Agreement, will be accepted as final by the parties to the dispute and both will abide by it.

With respect to all other grievances, a report of the Arbitrator shall be transmitted by the Arbitrator to the Chancellor. Within ten (10) school days after the date the report and recommendation are received by the Chancellor, he shall indicate whether he will accept the Arbitrator's recommendation. Unless the Chancellor disapproves the recommendation within ten (10) school days after the date it is received by him, the recommendation shall be deemed to be his decision. A recommendation of the Arbitrator which has been approved by the Chancellor or which has not been disapproved by the Chancellor within the ten-day limit specified above, shall be communicated to the aggrieved employee. If the Chancellor decides to disapprove a recommendation of the Arbitrator, he shall notify the aggrieved employee and the Arbitrator of his decision.

ARTICLE XXIV

- D. When a death in an employee's family occurs while the employee is on annual leave, such time, as is excusable for death in family, shall not be charged to annual leave or sick leave.
- E. The Board shall not withhold entire paychecks when an employee has no leave balance to cover absences without pay, due to illness, up to a maximum of five (5) days, provided the affected employee has five (5) years of service as a member of the New York City Employees Retirement System or the Board of Education Retirement System of the City of New York. Appropriate deductions shall be made in a subsequent paycheck. Employees with a negative leave balance shall not be covered by this section.
- F. In the event of an erroneous overpayment to an employee of an amount exceeding 25% of the employee's regular gross pay, the Board will not make wage deductions for recoupment purposes in amounts greater than 25% of the employee's regular gross pay, except if the amount of the overpayment exceeds \$1,000, deductions may be made in larger installments at the discretion of the Board. Any recoupment shall be limited to the period up to six (6) years prior to the commencement of such proceedings for recoupment.
- G. No employee shall receive a lower basic salary rate following promotion than the

basic salary rate received in his permanent position preceding the promotion.

H. If an employee's paycheck is lost by the employer, the employer shall secure a handwritten replacement check for the employee within three (3) working days after receipt of an affidavit by the employee stating that he/she has not received the lost check or any proceeds from it.

D. 1. Sick leave shall be used only for personal illness of the employee. Approval of leave is discretionary with the Board and proof of disability must be provided by the employee, satisfactory to the Board.

2. Any eligible employee, covered by this Agreement, may voluntarily authorize, in writing, the deduction of such contributions from the employee's wages for such purpose in an authorization form acceptable to the employer which bears the signature of the employee.

3. A copy of the Summary Annual Report to the Federal Elections Commission ("FEC") of each fund shall be submitted by the appropriate participating union to the Comptroller and the Office of Labor Relations and Collective Bargaining at the time of its submission to the FEC.

ARTICLE XXX

UNION ORIENTATION INFORMATION

ARTICLE XXXI

UNION MEETINGS

1. Upon request to the appropriate division head, members of the Union, who are in the bargaining unit, shall be permitted to meet within the location under circumstances which will not interfere with the activities at the location. Such meetings may be held only during the employees' lunch period or before or after the employees' working hours, at a place to be assigned by the division head, where other employees are not present. 2. If such meetings involve units from more than one work location, the Union shall have the right to hold such meetings, pursuant to the limitations found in paragraph 1, provided however, that if such meetings generate additional custodial fees, such fees shall be paid by the Union. It is understood that where another activity has already been scheduled in the work location, there shall be no charge to the Union.

ARTICLE XXXII

INFORMATION AT THE WORK LOCATION

All official Board of Education circulars, which deal with the working conditions or the welfare of employees, shall be posted promptly.

A bulletin board shall be reserved at an accessible place in each work location for the exclusive use of the Union for purposes of posting material dealing with proper and legitimate

He/she may be accompanied by a Union representative or an employee of his/her choice in the unit.

2. When a permanent Board of Education employee is summoned to an interview which may lead to a disciplinary action against that employee and which is conducted by someone outside the normal supervisory chain of command, (i.e., the Chancellor's Office of Special Investigations), the following procedure shall apply:

- a. Employees who are summoned to the appropriate office shall be notified that a confidential investigation will be conducted, whenever feasible, in writing, at least two workdays in advance of the day on which the interview or hearing is to

be held, except where an emergency is present or where considerations of confidentiality are involved. Upon request, the scope of the interview will be provided via the telephone.

- b. Whenever such an employee is summoned for an interview or hearing for the record which may lead to disciplinary action, the employee shall be entitled to be accompanied by a Union representative or a lawyer, and he or she shall be informed of this right. Upon the request of the employee, the Director of the Office of Special Investigations, in his or her discretion, may agree to the employee being accompanied by a lawyer and a Union representative but only one may participate. Such permission shall not be unreasonably denied.
- c. Upon the conclusion of an investigation, the summoned employee shall be entitled, upon written request, to a transcribed or taped copy of any statement he or she has given to the Director of the Office of Special Investigations or his or her designee. Any confidential or sensitive information will be deleted by the Director of the Office of Special Investigations or his or her designee. If deletions are made, the employee will be provided with the edited transcript of the statement. If no deletions are made, the employee will be provided with a copy of the tape. If a tape is to be released, the employee will provide a blank tape.
- d. Wherever possible, such hearings and interviews will be held in physical surroundings which are conducive to privacy and confidentiality.
- e. Upon the conclusion of an investigation, an employee who has been notified that he or she has been the subject of said investigation, shall, upon the employee's written request, be advised of its disposition.

B. In the event that any provision of this Agreement is or shall at any time be contrary to law all other provisions of this Agreement shall continue in effect.

ARTICLE XXXVII

The Union and the Board recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The Union and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the programs and activities conducted by the Board. The Union therefore agrees that there shall be no strikes, work stoppages, or other concerted refusal to perform work by the employees covered by this Agreement nor any instigation thereof.

ARTICLE XXXVIII

- c. The Board will provide the Union as soon as practicable with information, in sufficient detail, so that the Union may prepare a proposal designed to demonstrate the cost effectiveness of keeping the work in-house. Such information shall include but not be limited to, applicable solicitations to vendors, winning bids, descriptions of services to be provided by vendors, cost comparison analyses, and the Board's estimated direct operating and administrative costs of contracting out the work.
