GRIEVANCE PROCEDURE

- 181
182
183
184
185 8.01 This grievance procedure is designed to insure adequate and appropriate solution of grievances, as
186 hereinafter defined, at the lowest possible administrative level.
187
188 8.02 A grievance is defined as an alleged violation regarding the interpretation or application of any of the
189 provisions of this Agreement.
190
191 8.03 A complaint is any matter of dissatisfaction which an employee has with any respect of his/her
192 employment which does not involve any grievance as defined in 8.02. It is recognized by the parties
193 that employees who feel that they have a justifiable complaint may register this complaint with the
194 principal or immediate supervisor. Such complaint shall be extended in writing. In the event that the
195 employee is dissatisfied with the principal's or immediate supervisor's response, the complaint may
196 be brought to the Executive Director of Human Resources.
197
198 8.04 The term "days" when mentioned in this grievance procedure shall mean working days; thus,
199 weekends or non-employment days are excluded. The first day shall be the next complete working
200 day following receipt of the grievance by the appropriate party or receipt of an answer by the
201 aggrieved. The grievance must be submitted within twenty (20) days of the incident which gives rise
202 to the problem. Each occurrence of a disputed interpretation or application constitutes a new
203 grievance. Disputed pay practices are subject to legal limits.
204
205 8.05 Initiation or withdrawal of a grievance shall in no way reflect upon the employee's professional
206 standing or loyalty to the school, department, or other organizations to which he/she is responsible.
207 Neither shall it be considered a reflection upon his/her supervisor, or upon the general administration
208 of the School or Department. All parties to a grievance must be assured of freedom from restraint,
209 coercion, discrimination or reprisal.
210
211 8.06 Since it is important that grievances be processed as rapidly as possible, the number of days indicated
212 at each level should be considered as a maximum and every reasonable effort should be made to
213 expedite the process. The time limits specified may, however, be extended by mutual agreement.
214
215 8.07 In the event that a grievance is filed at such a time that it cannot be processed through all of the steps
216 in this procedure by the end of the school term, the parties will, upon receipt of written request of the

217 alleged aggrieved, make an effort to reduce the time limits set forth herein so that the grievance
218 procedure may be exhausted prior to the end of the school term if possible.

219
220 8.08 In the event a grievance is filed so that sufficient time as stipulated under all levels of the procedure
221 cannot be provided to pursue the grievance to all levels of the appeals, then said grievance shall be
222 resolved in the new school term in September under the terms of the Agreement in effect at the time
223 the grievance was initiated.

224
225 8.09 When used in 8.09, the aggrieved shall mean "the grievant and/or Association Representative". Any
226 grievance as defined in paragraph 8.02 above, shall be processed as follows:

227
228 a. Step 1 - Within twenty (20) days of the incident that gives rise to the problem, the aggrieved
229 party shall present the grievance orally to the principal or immediate supervisor. (8.04)

230
231 b. Step 2 - If the response of the administrator does not satisfactorily resolve the grievance in Step
232 1, it shall be presented by the aggrieved to the principal or immediate supervisor within five (5)
233 days of the administrator's Step 1 response. At this and all succeeding steps, such advancement
234 of the grievance shall be in writing as outlined in Section 8.13 of the Agreement. The principal
235 or immediate supervisor shall respond in writing within five (5) days of receipt of the grievance.

236
237 c. Step 3 - If the grievance is not resolved satisfactorily under Step 2 above, it shall be advanced to
238 the Superintendent, or his/her designee, within five (5) days of receipt of the administration's
239 response in Step 2 above. The Superintendent, or his/her designee, shall respond in writing
240 within five (5) days of receipt of the grievance.

241
242 d. Step 4 - If the grievance is not resolved satisfactorily under Step 3 above, it shall be advanced by
243 the aggrieved to the Board of Education within five (5) days of receipt of the Superintendent's
244 response in Step 3 above. Within twenty (20) days of receipt of the grievance, the Board of
245 Education shall meet with the aggrieved. Within fifteen (15) days of this meeting, the Board
246 shall render its response in writing. Step 4 of the grievance procedure shall be held in abeyance
247 for the term of this Agreement. If either party wishes it reinstated at the conclusion of this
248 Agreement, the inclusion of Step 4 shall be considered the status quo for bargaining purposes.

249
250 e. If the grievance is not resolved in Step 4, it may be advanced within ten (10) days by the
251 Association to compulsory, final, and binding arbitration. The Association will request the
252 Wisconsin Employment Relations Commission to submit a panel of five (5) arbitrators from
253 which the parties shall alternately strike names until one name shall remain. The Association
254 shall strike first.

255
256 f. The Board and the Association shall share equally any costs of the arbitration proceeding except
257 those costs arising out of their own preparation, witness fees or expenses, or representation costs.
258 It is understood that the function of the arbitrator shall be to provide a ruling as to the
259 interpretation and/or application of specific terms of the Agreement. This arbitrator shall have no
260 power to advise on salary adjustments, except the improper application thereof, nor to issue any
261 opinion advising the parties to add to, subtract from, modify or amend any terms of this
262 Agreement. The decision of the arbitrator shall be final and binding on all parties except as
263 forbidden by law.

264
265 8.10 Initiation of Group Grievances. To avoid multiple filing of grievances by employees with identical
266 claims, the Association may process the grievance commencing with Step 3.

267
268 8.11 Hearings held under this procedure shall be conducted at a time and place which will afford a fair and
269 reasonable opportunity for all persons entitled to be present to attend. In the case of a group of
270 grievants, a representative shall be selected by the group to represent them. Grievance meetings are

271 not normally held during school hours. In the event hearings do occur during school hours,
272 employees present shall be excused with pay.

273
274 8.12 The record of the steps taken in the grievance procedure and all communications and documents
275 dealing with an employee grievance shall be placed in a file apart from the employee's personnel file.
276

277 8.13 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations,
278 and other necessary documents, will be jointly prepared by the Superintendent and the Association
279 and costs shared fifty-fifty (50/50). The forms will then be made available to the senior building
280 representative of the Education Association of Waukesha to facilitate operation of grievance
281 procedure.
282

283 "The written statement of grievance shall include:
284

- 285 1. The name of the employee involved.
- 286 2. The facts giving rise to the alleged grievance.
- 287 3. Reference and identification of the specific articles or sections of the Agreement alleged to be
288 violated.
- 289 4. The contention of the employee and the Association with respect to these alleged violations.
- 290 5. An indication of the specific relief sought."
291

292 8.14 It is understood by the parties that the registration of concerns, complaints or grievances will be
293 through normal organizational channels, the complaint procedure, or the grievance procedure prior to
294 seeking recourse through extra-organizational channels.
295

296 ARTICLE IX

420
421 11.05 Employees who are regular presenters during professional development time will be allowed
422 individual opportunities for their own professional development as mutually agreed upon by the
423 employee and administrator/supervisor.
424
425

426 **ARTICLE XII**

427
428 **DUTY FREE LUNCH PERIOD**

- 429
430 12.01 Each professional employee shall be granted a thirty (30) minute duty free lunch period each day.
431 Such periods shall occur at or near the time of the regular school lunch period.
432

- 433 12.02 If, because of prevailing circumstances, it is not feasible to meet the requirement of 12.01 and the
434 employee agrees to assume noon hour supervision at the request of the Superintendent or appropriate
435 administrator, payment will be made at the following hourly rates: 2003-2004 - \$9.93; 2004-2005 -
436 \$9.93; or compensatory time off will be granted if mutually agreed to.
437
- 438 12.03 Employees who do have a duty free lunch period and serve on noon hour supervision shall be paid at
439 the hourly rates identified in 12.02 for such supervision.
440

441 ARTICLE XIII

442 TEACHING HOURS AND TEACHING LOADS

- 443
- 444
- 445
- 446 13.01 The normal work day shall consist of eight (8) consecutive hours, including one-half (1/2) hour duty
447 free lunch, between the hours of 7:00 a.m. and 4:00 p.m.
448
- 449 13.02 It is assumed that the routine assignments necessary to run a good school will be shared equitably by
450 all and that extra pay will not be granted for these duties. Notwithstanding other provisions of this
451 article, routine assignments may be made and/or meetings may extend beyond the school day. In any
452 event, the total of these shall be limited to two (2) hours per week on a monthly average.
453
- 454 13.03 Divergence from the regular school day, by an individual teacher, after the school day, for mutually
455 understood and agreed upon professional and/or administrative reasons shall be agreed upon between
456 principals and teachers.
457
- 458 13.04 The work year of teachers covered by the classroom teachers' salary schedule shall be determined by
459 the official school calendar. Teachers shall be paid additional compensation for employment prior to
460 or after the dates scheduled on the official school calendar.
461
- 462 13.05 Teachers shall be required to attend staff meetings at the call of the appropriate administrative person.
463 Every reasonable effort will be made to limit the number and length of such meetings. It is
464 recognized by the Association and the Board that attendance of teachers at parent-teacher
465 organization meetings is beneficial to the educational program and to the image of both teachers and
466 the District. Teachers shall make every reasonable effort to attend PTO meetings, but attendance
467 shall not be mandatory. Attendance at one Open House annually shall be mandatory.
468
- 469 13.06 The normal teaching load in schools serving grades 7-12 will include ten (10) preparation periods per
470 week. Preparation periods shall be equal in length to a class period. Except as provided in 13.02
471 above, any variation in scheduling shall not have the effect of reducing the preparation time of the
472 teacher. It is the intent of the parties that the high school principals and their teachers work during
473 the term of this Agreement to establish a workable hall supervision program based upon a spirit of
474 cooperation, volunteerism, equity, and professional responsibility. It is understood that occasional
475 supervision may be assigned without pay during periods of high need.
476
- 477 13.07 The Board understands the desirability of keeping the number of distinct preparations by each teacher
478 in grades 7-12 to a minimum, preferably no more than two preparations. If the individual teacher
479 desires an explanation of his/her assignment, it will be granted by the immediate supervisor. If the
480 teacher is not satisfied, he/she may seek recourse through the complaint procedure.
481
- 482 13.08 Preparation time for regular elementary classroom teachers (K-6) will normally include the following
483 minutes of preparation time per week:
484
- 485 Kindergarten-2 sections = 690
486 Kindergarten-all day = 560

487 Grades 1-3 = 560
488 Grades 4-6 = 580
489 Elementary Specialist (art, music, physical education) = 560
490

491 Included in the above are:

492
493 350 minutes per week of before and after school time for all regular and
494 special education classroom teachers.
495 140 minutes per week of elementary specialists for kindergarten.
496 210 minutes per week of elementary specialists for grades 1-3.
497 230 minutes per week of elementary specialists for grades 4-6.
498

499 Elementary special education teachers shall collaborate with their principal, chairperson, and
500 executive director, if necessary, to build an appropriate amount of preparation time into their
501 schedules.
502

503 The amount of time built into elementary level special education classroom teacher's schedule shall
504 be based on a number of factors. Factors may include, but are not limited to, the age range of the
505 students, the organization of the program (example: a wide range grade 1-6 program vs. a program
506 clustered at 2-3 grades), the amount of direct instruction vs. individual support in class, the degree of
507 severity of disability of the students, the level of teacher aide support, the number of buildings
508 served, any teaming requirements, the amount of technology to assist with required reports and lesson
509 preparation and the number of annual, triennial, and initial IEP's per year. Attempts by all involved in
510 IEP's will be made to schedule IEP's during the regular staff working hours if mutually convenient
511 with parents and other IEP team members.
512

513 It is understood by the parties that scheduling on particular days, or during a particular week, may
514 necessitate the reduction of the above mentioned number of minutes. It is understood that certain
515 duties and responsibilities attach themselves to the regular school day. When these responsibilities
516 become a concern regarding time or function, collaboration with the building principal shall occur. It
517 is further understood that calculation of this preparation time shall be based on the regular teacher
518 workday excluding the thirty (30) minute duty free lunch period.
519

520 13.09 Whenever elementary physical education, art and music teachers are on personal illness, family or
521 personal leave and no substitute teacher can be found, classroom teachers will be compensated at the
522 rate identified in Appendix A, Section D, Paragraph 3.
523

524 13.10 The lunch period of traveling teachers shall not be reduced to less than one-half (1/2) hour duty free
525 lunch provided in Section 12.01 of this Agreement. If no alternative to travel during the lunch period
526 is available, the provisions of 12.02 shall prevail.
527

528 13.11 Teachers may take up to four students per semester in an Independent Study Option (ISO). ISO's will
529 be undertaken on a voluntary basis with the consent of a teacher. ISO's will be approved by the
530 building administrator.
531

532 a. Teachers must meet an equivalent of once per week with each student and, will provide a written
533 record of contact with students upon the request of the building administrator.
534

535 b. Teachers who agree to undertake ISO's will be compensated 8 hours of release time, per
536 semester, available any time after completion of the ISO(s). Compensated time will be taken at a
537 time mutually agreed upon between the teacher and building administrator, preferably during
538 non-contact days (excluding parent teacher conferences and staff development days)
539

540 c. Teachers will honor all deadlines that may happen to coincide with compensation time awarded

541 for an ISO.

542

543 d. Days utilized as compensation for ISO's shall have no impact on the perfect attendance
544 incentive.

545

546

547 **ARTICLE XIV**

548

549 **CLASS SIZE**

550

551 14.01 The Board, as well as the Association, recognizes that class size and pupil load are important factors
552 in good education. In order to ensure that class size and pupil load are of the most effective nature
553 for both teacher and pupil, the Board will, whenever possible, consider space availability and all
554 other educational considerations, including the recommendations of the professional staff, in
555 establishing class sizes and pupil loads.

556

557 14.02 It is recognized that mainstreaming must be a consideration in establishing class size and pupil load.
558 Therefore, the following factors shall be considered in the process of establishing the individual
559 teacher's class size and pupil load:

560

561 a. the number of students mainstreamed into the individual classroom and the total number of
562 students that will result from the placement of mainstreamed students in that classroom,

563

564 b. the nature and the degree of severity of the disability of each mainstreamed student,

565

566 c. the special assistance required for each mainstreamed student,

567

568 d. the additional workload or increase in hours required by the addition of mainstreamed students to
569 the classroom, ie. oral or written reports, IEP's, parental conferences,

570

571 e. the special services available to the teacher.

572

573 It is understood that it is the responsibility of the classroom teacher and the special education teacher
574 to keep principals and other appropriate administrators advised of developing situations of concern so
575 that adjustments can be made. Examples of adjustments that might be considered would include, but
576 not be restricted to:

577

578 1. A reduction in class size

579 2. Revision of aide time

580 3. Additional preparation time

581 4. Additional secretarial help

582 5. Inservice training

583 6. Special administrative assistance

584 7. Resource teacher assistance

585 8. Adjustment in program requirements

586 9. Adjustment of schedule

590 ARTICLE XV

591 TEACHER ASSIGNMENT

- 592
- 593
- 594 15.01 In accordance with past and present practice, teachers shall not be assigned, except temporarily and
- 595 for good cause, outside the scope of their teaching certificate or their major or minor field of study.
- 596
- 597 15.02 Part-time teachers shall be assigned only when it isn't feasible to employ an additional full time
- 598 teacher.
- 599
- 600 15.03 Every reasonable effort shall continue to be made, during the school year, to request experienced
- 601 teachers to act as advisors to new members of the staff on a voluntary basis.
- 602
- 603 15.04 Every reasonable effort shall be made, prior to the close of the school year to notify teachers - in
- 604 writing - of any change in their assignments for the ensuing school year.
- 605
- 606 15.05 In arranging schedules for the teachers who are assigned to more than one school, every reasonable
- 607 effort will be made to limit the amount of inter-school travel. Such teachers shall be notified of any
- 608 change in their schedules as soon as possible.
- 609
- 610 15.06 Before hiring any outside applicant, part-time employees shall be interviewed by the District for any
- 611 full-time vacancy which arises. The following conditions shall first exist:
- 612
- 613 a. there shall be no full-time employee properly certified and willing to fill the vacancy on the
- 614 recall list, and,
- 615
- 616 b. the part-time employee has the appropriate certificate for the vacancy and wishes to be
- 617 interviewed for the position.
- 618
- 619 Application of this section shall be limited to those part time employees who notify the Executive
- 620 Director of Human Resources that they wish to be considered for full- time employment. Said notice
- 621 must be renewed annually.
- 622
- 623 15.07 Initial Educators new to the District will be assigned a mentor by the building administrator. The
- 624 mentor must be an educator who is non-probationary status and who has completed a mentor training
- 625 workshop/course offered jointly by the District and Association. Mentors will voluntarily choose to
- 626 participate in the mentoring program.
- 627
- 628 15.08 Mentors will provide ongoing support, advice, and counsel to one initial educator for a period of one
- 629 year. Efforts will be made to provide time for the mentor and initial educator to work together during
- 630 the work day.
- 631
- 632 15.09 The mentor shall not be required or empowered to evaluate newly hired educators or any other
- 633 employees of the District. Furthermore, the mentor shall not be required to attend any meeting to
- 634 discuss or provide information regarding the mentoring of another educator. The mentoring program
- 635 will not be used by the District or any of its representatives in any fashion to evaluate the
- 636 performance of any employee in the District.
- 637
- 638 15.10 Mentors will be compensated 1% of Appendix C salary while mentoring.

- 16.01 The Superintendent is responsible for the assignment of instructional personnel. It is therefore the responsibility of the Superintendent and/or the Executive Director of Human Resources to effect all transfers, reassignments, or relocations involving instructional staff members. Reassignment of staff members may become necessary to meet changing enrollments, instructional requirements, or staff new buildings. There may be other acceptable reasons, including the granting of a request of an employee who desires to change his/her place of employment within the system. When, in the best interest of the school system, a transfer of a teacher from one position to another is required, the teacher will be given reasons, in writing, for the change as early as possible before the change is to be effected. Reasons for the transfer will be expressly explained to the teacher.
- 16.02 Although the Board and the Association recognize that some transfer of teachers from one school to another is unavoidable, they also recognize that frequent transfer of teachers is disruptive to the educational process and interferes with optimum teacher performance. Therefore, they agree as follows:
- a. When a reduction in the number of teachers in a school is necessary, volunteers will be considered first.
 - b. When involuntary transfers are necessary, a teacher's area of competence, major and/or minor field of study, quality of teaching performance and length of service in the School District of Waukesha will be considered in determining which teacher is to be transferred.
 - c. When program changes such as 6-3-3, or the opening or closing of a building result in multiple transfers, time sequences and procedures shall be established that clearly identify program requirements and allow for volunteers to express their desires. Wherever it is reasonably possible, voluntary transfers will be used to reduce the number of involuntary transfers. In the event that there are more volunteers or insufficient volunteers to meet staffing needs, the provisions of 16.02b shall be applied in determining the qualifications of potential transferees. Among equally qualified individuals the most senior teacher shall be given the option of available positions.
 - d. A teacher involuntarily transferred or denied a voluntary transfer under the provisions of 16.02c shall be given preferential treatment in a future transfer request to any open position for which they are properly certified and make timely application. It is understood that the provisions included in 16.02b will continue to be legitimate considerations when preferential treatment is applied. In the event that such teacher has experience in the District in the course for which there is a vacancy, District seniority alone shall govern the transfer.
 - e. An involuntary transfer will be made only after a meeting between the teacher involved and the Superintendent or designee, at which time the teacher will be notified of the reasons for the transfer. Requests by the teacher for transfer to particular positions will be given serious consideration.
 - f. Notice of transfer will be given to a teacher as soon as possible and under normal circumstances, not later than June 1st.
 - g. When involuntary transfers are necessary due to the implementation of lay-off provisions of this Agreement, the teacher with the least length of service shall be the first transferred where program requirements permit.
- 16.03 A teacher desiring a transfer will submit a written request to the Executive Director of Human Resources stating either the assignment preferred or a general transfer request, within the area of the

697 teachers certification. A transfer request shall not be treated as a general transfer request unless so
698 stated in the written notice to the Executive Director of Human Resources. All such requests shall be
699 made prior to April 1st of each school year. Requests must be renewed each year.
700
701 16.04 Vacancies for any professional position in the School District of Waukesha shall be posted monthly
702 in order to provide an opportunity for personnel to submit applications. Such posting shall not be
703 interpreted as limiting the freedom of the Board to fill positions from applicants within and outside of
704 existing staff.
705

706 ARTICLE XVII

707 TEACHER EVALUATION

- 708
709
710
711 17.01 All monitoring or observation of a teacher shall be conducted openly and with full knowledge of the
712 teacher.
713
714 17.02 Observations will be performed only by building administrators, directors, coordinators or person
715 authorized by the Administration. Persons not a part of the School District of Waukesha
716 Administration shall be professionally qualified.
717
718 17.03 It shall be the responsibility of the teacher to make lesson plans available in the building. It is
719 recognized by the parties that planning is an integral part of teaching and that planning by the teacher
720 is a part of teacher performance. The form of the "daily" lesson plan shall not be part of the
721 evaluation so long as satisfactory evidence of effective planning is available.
722
723 17.04 A minimum of one (1) evaluation shall be conducted once every three years for non-probationary
724 teachers. The probationary teacher shall be evaluated a minimum of once (1) each year of
725 probation. The evaluator for the probationary employee will make every effort to conduct the first
726 evaluation in the first three (3) months of the school year. In no case, shall such first evaluation
727 occur beyond the end of the first semester. Written evaluations shall be forwarded to the employee
728 within prescribed timelines.
729
730 17.05 If the teacher is rated "Improvement Plan Required" or "Requires Job Targets" in any area, a post-
731 observation conference must be held within five (5) working days of the observation (or of the final
732 observation of a series). The five (5) working day schedule may be extended with mutual consent for
733 all other ratings.
734
735 17.06 During the post-observation conference, the evaluation document will be signed and dated on the
736 summary sheet and the individual pages will be initialed. The teacher will receive a copy of the
737 document. The teacher has the right to attach a written statement.
738
739 17.07 A teacher will have the right, upon written request, to review the contents of any file reflecting on
740 his/her professional status. References and placement bureau files received prior to the teacher's
741 employment shall be treated as privileged information.
742
743 17.08 In the event the parties agree to changes in the evaluation system which are in violation of Article
744 XVII, the parties shall meet to reconcile any differences.
745

746 ARTICLE XVIII

747 NON-RENEWAL, DISMISSAL AND DISCIPLINARY ACTION

748
749
750

751 18.01 Non-renewal of employee contract shall be in accordance with the provisions of 118.22 of Wisconsin
752 Statutes and shall conform to Article XVII of the Master Agreement where teacher evaluation is
753 involved. Any amendments to the statutes shall automatically be incorporated as part of this
754 Agreement. This article shall apply only to full time employees.
755

756 18.02 Employees newly employed to begin employment at the beginning of the 1995-96 school year and
757 thereafter shall serve a three (3) year probationary period and may be non-renewed according to
758 procedures established by Wisconsin Statutes. Such non-renewal shall not be for arbitrary and
759 capricious reasons.
760

761 Employees hired in 1998-99, for the first (1st) year of their three (3) year probationary period, the
762 time line in the Master Agreement shall be modified as follows:
763

764 a. March 15th (fifteenth) shall be the deadline for notifying the employee that he/she may be
765 considered for non-renewal.
766

767 b. May 1st (first) shall be the deadline for non-renewal.
768

769 These time line modifications shall sunset on June 30, 2005. For the probationary years two (2) and
770 three (3), the time lines shall be those established by Wisconsin Statutes and the Master Agreement.
771

772 18.03 The procedure for non-renewal of contract shall be as follows:
773

774 a. It shall be the responsibility of the administration to make the employee aware of unsatisfactory
775 performance or other possible cause for non-renewal of contract as soon as practicable after it is
776 determined that consideration may be given to non-renewal. Every reasonable effort shall be
777 made to provide administrative assistance to the employee to overcome identified problems.
778 In the event that a citizen's inquiry into the performance of an employee is serious enough to be
779 included as a part of the justification for possible non-renewal, or be included as a part of the
780 employee's file, the employee shall:
781

782 1. Be informed of the nature of the inquiry.
783

784 2. Be given an opportunity to respond. In the event that an employee is not informed of citizen
785 inquiries as required above, such inquiries shall not be included in the employee's file nor be
786 criteria for non-renewal.
787

788 b. Upon determination that consideration may be given to non-renewal of contract, the employee
789 shall be given the opportunity for conference with his/her immediate supervisor, the Executive
790 Director of Human Resources, and/or the Superintendent regarding the matter. The employee
791 shall have the right to invite representation of his/her choice to the conference.
792

793 c. Fifteen (15) days prior to giving written notice of refusal to renew an employee's contract for the
794 ensuing school year, preliminary notice shall be extended to the employee. The preliminary
795 notice shall include:
796

797 1. Notification that the Board is considering non-renewal of the employee's contract.
798

799 2. Notification that the employee has a right to a conference with the Board prior to being given
800 written notice of refusal to renew his/her contract, if the employee files a request for such
801 conference with the Superintendent within five (5) days of receipt of the preliminary notice.
802

803 3. Notification that the conference shall be private unless the employee specifically asks that it
804 be public in his/her request to the Superintendent.

- d. If a conference with the Board is held, it will be conducted as an informal examination of the problem and potential solutions.
 - e. The employee may pursue a grievance beginning with step 8.09d.
 - f. If a hearing is requested, the employee shall be notified of the time and place. This hearing shall meet the requirements of the statutory hearing and the grievance procedure hearing (8.09e) with the Board if both hearings are requested.

- 18.04 The following shall be considered cause for non-renewal of contract:
- a. Violation of School Board Policy: Copies of Board policy and amendments thereto shall be available in employee workrooms in each building and senior building representatives will be provided with a copy.
 - b. Physical or mental incapacity which would prevent the employee from meeting acceptable standards of performance.
 - c. Failure to meet acceptable standards of performance in working with students.
 - d. Violation of the provisions of the Master Agreement and/or the individual contract.
 - e. Disregard of School Board or administrative directives.
- 18.05 Subject to the rule of reason, non-renewal shall conform to the following:
- a. Rules, policies or directives in question will be related to the operation of the school system.
 - b. Every reasonable effort will be made to conduct investigations and procedures in a fair and objective manner.
 - c. Evidence of proof shall support the reason or reasons for non-renewal.
 - d. Non-renewal action will only be taken after seriously considering:
 - 1. The employee's right to freedom from discrimination.
 - 2. The employee's record of service to the school system.
 - 3. The seriousness of the reason or reasons.
- 18.06 Dismissal (termination of employment during the term of the individual contract) shall remain a

- 859 prerogative of the Board for just cause.
860
861 a. All of the protection of procedural and substantive due process requirements will be afforded the
862 teacher during dismissal proceedings.
863
864 b. Dismissal proceedings shall follow the procedure established in 18.03 except that the March 15th
865 date shall not apply.
866
867 c. Immediate suspension of the employee in a dismissal action may be instituted by the Board
868 where deemed necessary in the best interest of the students. While on suspension the employee
869 will continue to receive full salary and benefit payment.

870
871 At such time as the employee is dismissed, payment will stop. In the event that the suspended
872 employee is reinstated by arbitration or court action, all payments will be reinstated retroactively.
873 It is understood by the parties that the dismissal action itself shall be the determining factor in
874 the discontinuation of payments.
875

- 876 18.07 a. Disciplinary action other than non-renewal shall not conflict with the laws and Constitution of
877 the State of Wisconsin nor shall it conflict with the terms of the Agreement.
878
879 b. It shall be the responsibility of the administration to make the employee aware of unsatisfactory
880 performance or other possible cause for disciplinary action as soon as practicable after it is
881 determined that consideration is being given to disciplinary action.
882

883 In the event that a citizen inquiry into the performance of an employee could result in
884 disciplinary action, or be included as a part of the employee's file the employee shall:

- 885
886 1. Be informed of the nature of the inquiry.
887
888 2. Be given an opportunity to respond.
889

890 In the event that an employee is not informed of citizen inquiries as required above, such
891 inquiries shall not be included in the employee's file nor be criteria for disciplinary action.
892

- 893 c. The reasons shall not be wholly without basis in fact, wholly unreasoned, nor wholly
894 inappropriate.
895
896 d. The severity of the discipline shall not be entirely excessive in terms of the reasons for the action.
897
898 e. The disciplinary action shall be subject to the grievance procedure on the basis of (a) to (d)
899 above.
900
901 f. In the event that the disciplinary action takes the form of suspension without pay and if the
902 grievance procedure demonstrates that the suspension is not justified, the employee shall receive
903 his/her pay and benefits retroactively.
904
905

906 ARTICLE XIX

907 LAYOFF

- 908
909
910 19.01 In the event the Board determines to reduce the number of employee positions resulting in layoff for
911 the forthcoming school year, the provisions of this article shall apply.
912

- 913 19.02 Teachers shall receive written final notice of layoff on or before May 15th of the current school year.
914 Such notice shall include a statement of the employee's recall rights under this article. The District
915 shall simultaneously provide the Association with copies of all layoff notices which it sends to
916 employees pursuant to this section.
917
- 918 19.03 The layoff of each teacher shall commence on the date stipulated by the District in the layoff notice.
919
- 920 19.04 The teacher with the least length of continuous service to the District shall be the first terminated
921 subject to the following considerations, and subject to other provisions of this article:
922 a. Teachers in grades K-8 must be certified to fill the positions available, based on their seniority,
923 and will be eligible for positions in grades 7-12 in their major field of training or in their minor if
924 they have experience teaching their minor at the 7-12 level.
925
926 b. Teachers at the 7-12 level must be certified to fill the position available based on their seniority,
927 and in addition:
928
929 1. They will be eligible for positions at the K-6 level only if they have teaching experience at
930 that level.
931
932 2. They will be eligible for positions in their minor area of training only if they have teaching
933 experience in that area.
934
935 c. If the least senior teacher holds a position for which no other teacher in the District is certified
936 or qualifies under other sections of the article, then the next least senior teacher shall be
937 terminated.
938
- 939 19.05 Employees within the following categories shall be laid off within their particular category on the
940 basis of seniority:
941
942 Psychologists
943 Social Workers
944 Physical Therapists
945 Occupational Therapists
946 Speech and Language Pathologists
947
- 948 19.06 The date of the signing of the initial contract by the employee will be the date used for determining
949 seniority under this section. Part-time employees shall accrue seniority on the basis of the percent of
950 a full load worked (a 50% employee will receive .5 years seniority for working one year). Such
951 employees shall only exercise that seniority against other part-time employees and shall not bump
952 full-time employees. The procedures and dates shall otherwise comply in all respects with this
953 article.
954
- 955 19.07 No employee may be prevented from securing other employment during the period he/she is laid off
956 under this section. Such employee shall be reinstated in the inverse order of their being laid off, if
957 certified to fill the available positions and meet the conditions in 19.04 above. Such re-employment
958 opportunity shall be maintained upon written notifications to the Board, by the teacher, before March
959 15th of each year, by the employee. Refusal of re-employment opportunity by the employee shall
960 release the Board from further obligation to that employee.
961
- 962 19.08 All benefits to which an employee was entitled at the time of his/her lay-off, including accumulation
963 of sick leave, will be restored to him/her upon his/her return. Benefits shall not be accrued during the
964 period of layoff.
965
- 966 19.09 There shall be no full-time or regular part-time appointments made while there are laid off employees

- 967 available who qualify for rehire under this article. Regular part- time shall not include long term
968 substitutes.
- 969
- 970 19.10 Any persons who leave the bargaining unit shall forfeit any seniority accumulated at the time of
971 leaving the unit and, for the purpose of rehire, shall be treated as a new employee, except as provided
972 in 19.11 below.
- 973
- 974 19.11 An employee in the Waukesha District who leaves the employee bargaining unit to become an
975 administrator in the District, and whose administrative position is eliminated, may be returned to the
976 bargaining unit subject to 19.04 (a) and (b) and will be credited with the seniority accumulated as an
977 employee in the District.
- 978
- 979 19.12 Employees having co-curricular assignments shall not be laid off unless a qualified staff member is
980 available and assumes the co-curricular assignment.
- 981
- 982 19.13 Full-time employees who are involuntarily reduced to part-time shall retain the full- time seniority.
983 Although they shall accrue seniority from that point forward on the basis of the percent of a full load
984 worked, this pro-rata portion shall be added to their full-time seniority to determine appropriate
985 placement on the full-time list.
- 986
- 987 19.14 Full-time employees who volunteer for a reduction to part-time and for whom there is no break in
988 service shall have their full time seniority frozen. From that point forward, they shall accrue seniority
989 on the basis of the percent of a full load worked. They may exercise that seniority only against other
990 part-time employees; however, should they get laid off from the part-time position they shall have the
991 right to exercise their full-time seniority against other less senior full-time employees to bump back
992 into a full-time position.
- 993
- 994 19.15 The intent at the time of signing of this Agreement is not to increase class size through the
995 implementation of layoff under this article. In the event that circumstances arise that necessitate
996 layoff which will raise class size in the District as a whole, the Board and the Association shall meet
997 to bargain the impact of that change.
- 998
- 999 19.16 The contract of an employee who is initially hired in the District under an emergency certification
1000 shall be voided pursuant to Wisconsin Statutes if that employee fails to maintain that emergency
1001 certification or receive regular certification in that same area before the commencement of the next
1002 school year. In the event the employee is reassigned to a different area for which he/she is certified,
1003 the employee may allow the temporary certification to lapse.
- 1004
- 1005 19.17 Employees are required to maintain all areas of Department of Public Instruction non-temporary
1006 certifications, with which they were hired, for a period of ten years. After that time, employees may
1007 deactivate a certification in which they have not actively taught for a period of five (5) years. The
1008 District shall not compel an employee to reactivate a deactivated certification. Reactivating a
1009 certification will be determined by the employee.

1020 supplies used in said classroom.

- 1021
1022 b. Provide a teachers' work area containing adequate equipment and supplies to aid in the
1023 preparation of instructional materials.
1024
1025 c. Provide well-lighted and clean teacher restrooms.

1038 regular school day.
1039
1040

1041 **ARTICLE XXI**

1042 **TEMPORARY ABSENCE**

- 1043
1044
1045 21.01 **Personal Illness:** Professionally certified personnel will be credited with ten (10) days of paid sick
1046 leave at the beginning of each contract year or the first day back following a leave of absence.
1047 Unused sick leave is cumulative up to a total of one hundred sixty (160) days. Employees who start
1048 after the beginning of the year will be credited sick leave on a prorated basis. (Number of days left in
1049 the contract year divided by the number of days in a full contract year.) Part-time staff will be
1050 credited with sick leave and accumulate sick leave based on the percentage of their contract.
1051
1052 21.02 In cases of elective medical procedures (those not prescribed by a physician), employees are
1053 encouraged to schedule such procedures in such a manner that they don't interfere with their
1054 professional responsibilities.
1055
1056 21.03 **Prolonged Personal Illness Absence:** In the event that an employee is aware in advance that personal
1057 illness absence will be needed for a prolonged period of time (11 or more consecutive workdays) it
1058 shall be the duty of the employee to notify the building principal thirty (30) days in advance, or as far
1059 in advance as possible, to facilitate the hiring of the appropriate substitute. Such notice shall be in
1060 writing and contain the anticipated dates of departure and return.
1061
1062 Employees on such prolonged personal illness absence shall be required to provide the District with
1063 acceptable certification from a physician that they are unable to perform their normal duties.
1064 Employees shall return to work as soon as medically able to perform their duties.
1065
1066 If the certification by the employee's physician is not acceptable to the Board, the Board may require
1067 a second opinion from a physician selected by the employee from a list of three (3) or more
1068 physicians submitted by the Board. The Board will pay the cost of the second medical opinion.
1069
1070 21.04 **Family Needs and Medical Leave:** Annually, five (5) days shall be granted for serious illness in the
1071 immediate family. Immediate family is described as husband, wife, children, parents, brothers and
1072 sisters of the employee or their spouse, or any person living in the employee's household. In the case
1073 of use for serious illness in the immediate family, the employee shall, upon return, file a report
1074 explaining the illness on a form, furnished by the District, with the Executive Director of Human

- 1075 Resources.
1076
1077 21.05 Funeral Leave: Annually, up to three (3) days of leave shall be granted for a death in the immediate
1078 family of an employee. This leave shall be deducted from the employee's accrued sick leave. If no
1079 sick leave is available, it shall be without pay.
1080
1081 21.06 Personal Business Leave: A maximum of two (2) days of Personal Business Leave days, either
1082 restricted or unrestricted, will be granted in any contract year.
1083
1084 a. Restricted Personal Business Leave: Employees may be granted up to two (2) days per year to
1085 conduct personal business and/or funerals of other than persons in the immediate family. Such
1086 absence is to be approved by the Superintendent, or his/her designee, in advance. Personal
1087 business leave shall be understood to only include personal business that cannot be conducted
1088 outside the regular school day. Personal leave shall not be granted for the extension of vacation
1089 time, for recreational or hobby related activities, or for business related to outside employment of
1090 the employee or the employee's spouse. Restricted personal business leave will be deducted
1091 from the employee's sick leave.
1092
1093 b. Unrestricted Unpaid Personal Business Leave (Deduct): Employees may use one of their
1094 personal business days at their discretion with adequate notice. Such day shall be without pay,
1095 but not be deducted from sick leave accumulation in 21.01.
1096
1097 21.07 Civil and Other Leaves:
1098
1099 a. A professional employee shall be allowed time off, without loss of pay or sick leave, when
1100 performing jury duty, when subpoenaed to appear before a public body, commission or court
1101 (unless he/she is the defendant and is convicted) or when performing emergency civilian or
1102 military duty in connection with national defense or civil disorder. Any pay received for services
1103 performed while so absent must be endorsed over to the Waukesha School Board up to an
1104 amount equal to payments from the Board.
1105
1106 b. Absence for other reasons may be arranged for with the Superintendent, or his/her designee, and
1107 will not ordinarily be with pay.
1108
1109 c. The Superintendent or appropriate administrator may approve absence with pay for committee
1110 work or attendance at conferences which the administration deems are beneficial to the
1111 educational process.
1112
1113 21.08 No accumulated or unused personal illness days can be taken as anything other than to purchase
1114 health insurance for retirees as described in section 32.07.
1115
1116

ARTICLE XXII

EXTENDED LEAVES OF ABSENCES

- 1121 22.01 A leave of absence, without pay, of up to two (2) years may be granted to any professional staff
1122 member who has worked in the Waukesha School System for more than three (3) years and who joins
1123 the Peace Corps. The staff member must be a full-time participant in this program. Upon return from
1124 such leave, an employee will be reinstated as if he/she had been actively employed by the Board
1125 during the leave and will be placed on the salary schedule at the level he/she would have achieved if
1126 he/she had not been absent.
1127
1128 22.02 A leave of absence without pay of up to two (2) years will be granted to any professional staff

1129 member who has worked in the Waukesha School System for more than three (3) years and who
1130 serves as an exchange teacher. The staff member must be a full-time participant in this program.
1131 Upon return from such leave, an employee will be reinstated as if he/she had been actively employed
1132 by the Board during the leave, and will be placed on the salary schedule at the level he/she would
1133 have achieved if he/she had not been absent.
1134

1135 22.03 Military leave will be granted to any employee who is inducted or enlists in any branch of the armed
1136 forces of the United States during times of war, national emergency or a national draft. Upon return
1137 from such leave, an employee will be placed on the salary schedule at the level they would have
1138 achieved had they remained actively employed in the system during the period of their absence. The
1139 maximum credit given will be two (2) years.
1140

1141 22.04 The Board may grant a leave of absence without pay or increment to any employee to campaign for,
1142 or serve in public office. The exercise of this discretion will be reasonable.
1143

1144 22.05 The Board shall grant leaves without pay for the purpose of child rearing. Formal written application
1145 shall be at least forty-five (45) days prior to the leave whenever possible. It shall include acceptable
1146 medical or legal (for adoption) verification and anticipated date of beginning and return. The Board
1147 may alter the leave dates to coincide with normal calendar breaks or program requirements.
1148

1149 The length of the leave will be confined to the following parameters unless altered by the Board as
1150 stated above:
1151

- 1152 a. Child born or received (adopted) in the first quarter; leave to end on last day of the fourth
1153 quarter.
 - 1154 b. Child born or received in the second quarter; leave to end on the last day of the next first quarter.
 - 1155 c. Child born or received in the third quarter; leave to end the last day of the next second quarter.
 - 1156 d. Child born or received in the fourth quarter; leave to end the last day of the third quarter.
 - 1157 e. Child born or received in the summer; leave to end on the last day of the next fourth quarter.
- 1158
1159
1160
1161
1162

1163 Leave Extension: Employees may apply for an extension of the child rearing leave by submitting a
1164 written request to the Executive Director of Human Resources no less than thirty (30) calendar days
1165 prior to the effective date of the requested extension. Authorization of any extensions shall be at the
1166 discretion of the Board.
1167

1168 Early Return From Leave: Employees desiring to return from child rearing leave, prior to the
1169 expiration of said leave, may request to do so for the following reasons: miscarriage, stillbirth, layoff,
1170 disablement or death of spouse. Authorization of any early returns shall be at the discretion of the
1171 Board.
1172

1173 Teachers employed to fill openings caused by child rearing leave shall be employed as long term
1174 substitutes. However, a long term substitute under this section who serves a full year and is re-
1175 employed at the start of the next school year as a full-time regular teacher shall be treated as a
1176 replacing teacher under Article 22.17.
1177

1178 The granting of child rearing leaves does not obligate the Board to grant other leaves not listed.
1179

1180 22.06 Any employee whose personal illness extends beyond the period compensated for will be granted a
1181 leave of absence, renewable, without pay, for a maximum of three (3) years for recovery from such
1182 illness. Upon return from such leave, the employee will be assigned to a substantially equivalent

- 1183 position.
1184
1185 22.07 Employees who have completed at least three (3) continuous years of service in the Waukesha School
1186 System may be granted, upon request, leaves of up to one (1) year without pay or increment for
1187 professional study, travel, or research other than those covered under Sabbatical Leaves. Such leaves
1188 may be extended up to one (1) year without pay or increment.
1189
1190 22.08 The Board may grant career exploration leaves of up to one (1) year's duration. No more than two (2)
1191 such leaves shall be granted annually.
1192
1193 22.09 Other extended leaves, with or without pay, may be granted at the discretion of the Board.
1194
1195 22.10 Except for leaves under Section 22.03, .05 and .06 all requests for extended leaves will be applied for
1196 no later than April 15th of the school year preceding the term of the leave. Notice of the granting of
1197 said leave shall be in writing.
1198
1199 22.11 All benefits to which an employee was entitled at the time his/her leave of absence commenced will
1200 be restored to him/her upon his/her return and he/she will be assigned to a substantially equivalent
1201 position. It is the intent of the parties to this Agreement that the replacing employee will be
1202 transferred or terminated to provide the opening. The determination of transfer, or termination of the
1203 replacing employee, shall be at the discretion of the Board.
1204
1205 22.12 Any employee taking an approved leave may elect to remain in the group for medical coverage,
1206 provided he/she pays the complete premium in the method set forth by the school District's Business
1207 Office.
1208
1209 22.13 The employee on leave shall notify the Executive Director of Human Resources by March 1st that
1210 he/she wishes to have a contract for the following year.
1211
1212 22.14 A replacing employee is defined as an employee replacing an employee who has been granted an
1213 extended leave of absence for one (1) year or more. The replacing employee will be extended a
1214 regular contract and shall be granted salary schedule credit for the period served as a replacing
1215 employee.
1216
1217 22.15 Except as noted in 22.16 and 22.17, the job security rights of a replacing employee shall be those of a
1218 probationary employee regardless of the number of years of replacing employee service. It shall be
1219 the obligation of the Board to notify the replacing employee at the time of initial hiring that his/her
1220 rehiring will be at the District's option alone and that non-renewal will likely occur at the conclusion
1221 of the contract.
1222
1223 22.16 A replacing employee whose appointment to that vacancy is from a regular employee position, or is
1224 the result of a recall from layoff, shall be treated as a regular employee. He/she shall not remain in a
1225 probationary status for more than the time required of other regular employees.
1226
1227 22.17 Should the District determine to appoint an employee who had once been a replacing employee to a
1228 regular employee position, he/she shall be accorded all rights for the years of replacing employee
1229 service that are provided other employees under this Agreement.
1230
1231

ARTICLE XXIII

SABBATICAL LEAVE

- 1234
1235
1236 23.01 Sabbatical leave may be granted to two (2) employees in the Waukesha School System per year.

- 1237
1238 23.02 The following policy will be used to determine sabbatical consideration:
1239
1240 a. The employee must be in the Waukesha system as a full-time employee for a minimum of six (6)
1241 years.
1242
1243 b. The employee must have a minimum of a Bachelor's degree.
1244
1245 c. The proposed study program must be approved by the Superintendent.
1246
1247 d. Application must be on file with an outline of curricular plans by April 1st.
1248
1249 e. The leave must be approved by the Board.
1250
1251 f. One-half (1/2) the year's current salary will be paid in twenty-six (26) installments beginning in
1252 September and ending the following June, provided that the total compensation from any
1253 program, grant, scholarship, etc., plus sabbatical pay does not exceed the full current annual
1254 salary rate. When the total does exceed this rate, the sabbatical pay shall be reduced so total
1255 payments are equal to, but not more than, the annual salary rate. During the sabbatical year, the
1256 teacher will retain all insurance benefits to which he/she would be entitled if he/she were
1257 teaching.
1258
1259 g. If the approved year's study is interrupted or canceled, payments will cease.
1260
1261 23.03 Employees granted a sabbatical leave shall be required to either return to the District for three (3)
1262 years of employment immediately following such leave or repay to the District the salary and benefits
1263 paid during the sabbatical leave. One third (1/3) of the salary and benefits will be forgiven for each
1264 of the three (3) years of obligation which are fulfilled. Any of the obligation not forgiven above shall
1265 be paid to the District pro-rated over the period of unfulfilled obligation. The obligation shall be
1266 deemed to have been fulfilled in the event of death or permanent disablement of the employee during
1267 the leave or the three (3) year period following the leave.
1268
1269 23.04 Upon return from a sabbatical leave, a teacher shall be restored to his/her former position, or to a
1270 position of at least like nature and status. All accrued rights of retirement, leave with pay, salary
1271 increments, and other benefits shall be preserved and available to the teacher after the termination of
1272 the sabbatical leave of absence.
1273
1274 23.05 Teachers replacing those on sabbatical leaves will be accorded the same privileges and rights as
1275 under Article 22.11, 22.14, 22.15, 22.16 and 22.17.
1276
1277

ARTICLE XXIV

JOB SHARING

- 1281
1282 24.01 Definition: Job-sharing is defined as a voluntary program providing two (2) or more non-
1283 probationary employees the opportunity to share one (1) full-time equivalent position without loss of
1284 benefits provided by this Agreement.
1285
1286 24.02 Requests for Job-Sharing.
1287
1288 a. Applicants for job-share will submit a written request to the Superintendent or his/her designee
1289 on or before March 15th of the year prior to the initial participation year in the program. Such
1290 request shall clearly indicate a description of the job to be shared, the percent of time each

1291 participant will work, as well as any other special provisions different from normal full-time
1292 contract. Any special provisions in relation to specific job responsibilities such as grade
1293 reporting, conferencing, preparation time or extra duties will be clearly noted in the request.
1294 Copies will be provided to the building principal and the Education Association of Waukesha.
1295

1296 b. Employees shall return to full-time status in the following year unless an application for renewal
1297 of the job-share is accepted. A replacing employee may be employed by the Board to fill the
1298 vacant position. Said employee may be non-renewed or terminated upon the conclusion of the
1299 job-sharing or at any time prior thereto.
1300

1301 c. Renewals shall follow the format of part (a) above.
1302
1303
1304

1305 24.03 Approval.
1306

1307 a. If the administration approves the request, the Superintendent, or his/her designee, will notify the
1308 parties in writing of such approval.
1309

1310 b. Should the Administration determine to modify any of the terms of the shared job as originally
1311 applied for, it shall obtain the agreement of both of the applicants prior to giving approval to the
1312 modified request. None of the modified terms shall be inconsistent with any of the terms of this
1313 Master Agreement.
1314

1315 c. If the Administration chooses to deny the request for a job-share, such denial, along with the
1316 reason for denial, will be presented to the applicants, in writing, by the Superintendent, or his/her
1317 designee.
1318

1319 d. The decision of the Administration to approve or deny the job-share request shall be final and
1320 will not be subject to the grievance and arbitration provision of this Agreement.
1321

1322 24.04 Benefits.

1348 thirty cents (\$588.30) per month toward the single plan during the 2003-2004 school year.
1349 Thereafter, the carrier shall be determined according to the procedure set forth in 25.03. The benefits
1350 and coverages described in Appendix (D) shall be the level of benefits which the Board is obliged to
1351 provide for the duration of this Agreement. For year two, 2004-2005, if the premium increase
1352 exceeds twenty percent (20%), the employee will be responsible for a contribution toward the
1353 monthly premium amount as follows: Five dollars (\$5.00) for a single plan. Ten dollars (\$10.00) for
1354 a family plan per month. Contributions will be used to offset the increase in the costs of the
1355 premiums.
1356

1357 25.02 The carrier, coverage and benefits for the group health and/or dental insurance will be subject to a
1358 competitive bidding process as follows:

1365 agreed upon by the Board and the Association.
1366
- 1367 3. The contract for the insurance under this section will be awarded to the low bidders from among
1368 the prequalified bidders.
1369

1370 25.03 The Board agrees to provide this plan of health insurance coverage for unit employees qualified and
1371 on long term disability. The Board retains the right to provide this coverage to those on long term
1372 disability through a waiver of premium with the carrier or paid by the Board, however, such coverage
1373 shall not be available to employees who lost Board paid coverage before June 11, 1986.
1374

1375 25.04 The Board will provide a dental insurance plan for each bargaining unit member. The WEA
1376 Insurance Trust Plan shall be maintained for a period through June 30, 2005. The carrier for any
1377 future years shall be determined according to the procedure set forth in 25.02. In the event of a

1380 cents (\$96.60) (family) and thirty eight dollars and sixteen cents (\$38.16) (single) for all full-time
1381 employees. (These amounts shall be prorated for part-time employees, if coverage is available from
1382 the carrier.) These dollars shall be updated in each successive year to represent full payment of the
1383 family and single rates respectively.
1384

1385 25.05 The Board shall continue to provide the employee insurance benefits for the duration of the annual
1386 contract of an employee after sick leave has been exhausted.
1387

1388 25.06 To be eligible for employee insurance, the employee new to Waukesha must work a full day (ie, a
1389 full-time employee). Part-time employees shall receive prorated fringe benefits where available from
1390 the carrier.
1391

1392 25.07 If a person has worked in the Waukesha School System for twenty (20) or more years and is
1393 restricted to a part-time work by a physician's order, he/she will still qualify for complete coverage
1394 provided by the Board.
1395

1396 25.08 It is agreed that payment toward family coverage will be provided when the employee has one (1) or

1398 employee and their unmarried children.

- 1399
1400 25.09 Coverage for employee insurance, paid by the District, will continue through August unless the
1401 employee ceases work prior to the last day of school. In such cases, coverage will terminate at the
1402 end of the month in which the last work day occurs.
1403
1404 25.10 In all other cases, coverage for employee insurance paid by the School District of Waukesha will be
1405 paid for the period September 1st to August 31st.

1411 any legal action is taken against the Board or the District due to the inclusion of the Wisconsin
1412 Education Association Insurance Trust.
1413
1414 25.13 Effective March 1, 1983, and subject to the approval of the carrier, the Board shall provide at no cost
1415 to the employee, except as the Board cost limit below might require, the Schools Insurance Fund
1416 Long Term Income Protection Plan. This plan shall include the 90% benefit level and a cost of living
1417 adjustment. The level of the Board contribution shall not exceed .0050 times salary for the duration
1418 of the Agreement.
1419
1420 a. The carrier in future years shall be determined through the procedures set forth in 25.03 of this
1421 Agreement.
1422
1423 b. As soon as an employee becomes eligible for such coverage, his/her sick leave, if any is
1424 available, shall be frozen and the employee shall begin drawing disability benefits. No sick leave
1425 will be available to the employee while he/she remains on disability but any accumulated leave
1426 shall be made available upon return to work.
1427
1428 c. While on disability leave, no additional sick leave will be accumulated.
1429
1430 25.14 Option Plan:
1431 The Board and the Association shall encourage those employees who are doubly covered by health
1432 insurance through this District's group plan, or through this District and another group plan, to opt out
1433 of the (or one (1) of the) District's insurance plan(s). Toward this end, all employees who utilize this
1434 option will be provided with WEA Trust Tax Sheltered Annuity. The total available for each
1435 employee that opts for this plan shall be three-hundred forty one dollars and ninety six cents
1436 (\$341.96) per month. Employees that choose this plan shall have the right to re-enter the health plan
1437 with no evidence of insurability under the following condition: death of spouse, and/or divorce or
1438 remarriage, or retirement or when the spouse has medical coverage terminated. Employees who were
1439 enrolled in the Option Plan with drug card coverage prior to December 1, 1995 may continue that
1440 option.
1441
1442 This provision will not be extended beyond the termination date of this Agreement unless the parties
1443 mutually agree to the extension. If the carrier is changed during this Agreement, this benefit need not
1444 be included in the new plan, but an open enrollment period wherein all employees could again be
1445 insured under the new plan without proof of insurability shall first be held.

1473 salary for the period of such absence, and no part of such absence will be charged to his/her
1474 annual sick leave. The obligation of the District under this section shall be limited to one (1)
1475 year. In the event that recovery required a length of time making the employee eligible for
1476 Worker's Compensation, Long Term Disability and/or Disability Retirement, the District will
1477 continue to pay the difference between the amount collected and the employee's regular pay.
1478

1479 27.03 The Board, at its own expense, shall have the right to have the employee examined by a
1480 physician, designated by the Board, for the purpose of establishing the length of time during
1481 which the employee is temporarily disabled or absent from performing his duties, and the opinion
1482 of said physician as to the said period shall govern.
1483

1484 27.04 Employees will immediately report, in writing, to the school principal all cases of assault suffered
1485 by them in connection with their employment.
1486

1487 27.05 This report will be forwarded to the Superintendent and the Board, which will comply with any

1536 reasonable effort will be made to schedule such classes consecutively.
1537
- 1538 29.04 Every reasonable effort will be made to meet each class in grades 1-6 and special education in art,
1539 music and physical education once a week.
1540
- 1541 29.05 The classroom teacher shall be responsible for teaching art, music and physical education at other
1542 times and shall assure maximum continuity of the programs by coordinating lesson plans with the
1543 specialist teacher.
1544
- 1545 29.06 If possible, substitutes shall be provided when the specialist teacher is not in attendance.

1585

1586 32.04 Employees who are retired and are over sixty-five (65) years of age may remain in the group
1587 health insurance plan, subject to the rules of the carrier, by paying the "medi-care" carve-out rate
1588 directly to the carrier. This implies that the employee must carry the supplementary medicare
1589 plan.

1590

1591 32.05 If a retiree and spouse are on the group health insurance plan, the surviving spouse may remain
1592 on the plan if he/she desires and make the payments as provided in 32.03/32.04 above.

1605 a. Employees retiring prior to age sixty-five (65) with less than twenty (20) years of service
1606 shall have life insurance terminated at date of retirement.

1607

1608 b. Employees retiring prior to age sixty-five (65) with twenty (20) or more years of service
1609 are entitled to up to three (3) years of life insurance paid by the District. Employees may
1610 continue to pay premiums after such three (3) years to age sixty-five (65). At age sixty-
1611 five (65), the District will pay premiums until death.

1612

1613 c. Employees retiring at sixty-five (65) or older with less than twenty (20) years of service
1614 may continue by paying their own premiums.

- 1615
- 1616 d. Employees retiring at sixty-five (65) or older with twenty (20) or more years of service
- 1617 will be continued with the board paying the premium.
- 1618

- 1625

32.07 Early Retirement:

1627
1628 Early retirement benefits shall be available to employees fifty-five (55) and older, who retire
1629 from their regular, full-time duties.

- 1630
- 1631 a. Eligibility: Employees who have taught at least ten (10) years in the District, (but less than
- 1632 30 years needed to be fully vested), shall be eligible to receive early retirement benefits
- 1633 from WRS.
- 1634
- 1635 b. Employees who plan to take early retirement shall notify the Superintendent, or designee,
- 1636 of their intent to do so by October 1st for retirement at the end of the first semester of the
- 1637 current school year, and by February 1st, for retirement at the end of the second semester.
- 1638 The actuarial reduction form must be completed and returned by the above dates.
- 1639
- 1640 c. Limitations: Unless otherwise specified, employees shall only be permitted to retire under
- 1641 this policy at the end of a semester.
- 1642
- 1643 d. Contribution: For employees with at least twenty (20) years in the District, the District will
- 1644 pay the actuarial reduction penalty of a retirement annuity for the employee to a maximum
- 1645 of two (2) years as determined by WRS. This payment will be made in full directly to
- 1646 WRS upon receipt of the final calculation of the actuarial reduction penalty.
- 1647

1648 Annual actuarial reduction penalties shall not exceed an annually agreed upon dollar cap.
1649 In 2004-2005, the cap shall be \$625,000. In future years, the cap amount will be subject to
1650 bargaining. In the event that there are more employees seeking an actuarial reduction
1651 payment than funds available, the employees with the most district seniority will prevail in
1652 determining who will receive the benefit of the actuarial reduction payment. Once the
1653 dollar cap has been reached, no additional retirees will be eligible to receive the actuarial
1654 reduction payment for that year. If recalculation of the actuarial reduction payment costs
1655 would allow an employee to retire within the dollar cap amount, the employee may elect to
1656 retire without prejudice if they are otherwise eligible under 32.07(b) above. Denial of
1657 actuarial reduction payment will not prevent the employee in a future year from retiring
1658 with this payment. In the event that the dollar cap is not fully expended, the residual will
1659 be used to adjust the following year's salary schedule.

- 1660
- 1661 e. Insurance Coverage:
- 1662
- 1663 1. Employees who voluntarily retire, pursuant to this article, shall be eligible to remain
- 1664 in the group insurance coverages maintained by the District.
- 1665
- 1666 2. The Board shall make the same hospital/surgical insurance contributions on behalf
- 1667 of early retirees that is made on behalf of all other unit employees; except that,
- 1668 where a retiring employee becomes eligible for Medicare, the Board shall pay the

1669 cost of the Medicare policy plus the cost of additional insurance coverage, which,
1670 when added to Medicare, is equivalent to the coverage, provided all unit employees.

1671
1672 a. For employees with a minimum of fifteen (15) years of seniority in the district,
1673 but less than twenty-five (25), the Board-paid coverage will remain in effect for
1674 a maximum of three (3) years. An additional two (2) years of the same coverage
1675 will be paid by the Board fixed at the same premium as in the third year of
1676 retirement. If there are additional amounts due, the retiree will pay that amount
1677 directly to the carrier/District.

1678
1679 b. For employees with twenty-five (25) or more years of District seniority, the
1680 Board-paid coverage will remain in effect for a maximum of three (3) years. An
1681 additional two (2) years of the same coverage will be paid by the Board fixed at
1682 the same premium as in the third (3rd) year of retirement. If there are additional
1683 amounts due, the retiree will pay that amount directly to the carrier/District.
1684 Additional months of insurance may be purchased after the fifth (5th) year using
1685 the value of accumulated sick leave in excess of ninety (90) days to a maximum
1686 of one-hundred sixty (160) days. The value of the unused sick days will be at
1687 the rate of the employee's daily contractual rate at retirement.

1688
1689 3. Early retirees who wish to maintain other insurance coverages shall, subject to the
1690 rules of the carrier, make the necessary payments directly to the carrier for the
1691 desired coverages. In the event payment cannot be made directly to the carrier,
1692 payment shall be made directly to the District.

1693
1694 4. Early retirees may continue participation in the District health insurance program
1695 following termination of District-paid coverage by paying the premium as outlined
1696 in paragraph (3) above.

1697
1698 f. In the event that an analysis of the cumulative costs/savings of this program depicts costs
1699 exceeding savings, the District shall not be obligated to approve that employee's early
1700 retirement or any additional early retirements.

1701
1702 g. This early retirement section of the Agreement shall terminate on June, 2005 unless
1703 extended by mutual agreement of the Board and the Association. Such extension shall be
1704 executed in writing.

1705
1706 Save Harmless: The Education Association of Waukesha does hereby indemnify and shall save
1707 the Board harmless against any and all claims, demands, suits or other forms of liability including
1708 court costs that shall arise out of, or by reason of, action taken or not taken by the Board, which
1709 action, or non-action, is in compliance with the provisions of this article provided that the defense
1710 against claims, demands, suits or other forms of liability shall be under the exclusive control of
1711 the Association and its attorneys. Should a court of competent jurists, state or federal agency
1712 issue any rulings, the thrust of which hold this article to be illegal, the Education Association of
1713 Waukesha and the Waukesha School Board shall meet in conformity of article III, Section 3.02
1714 (savings clause) to negotiate a mutually acceptable replacement. Should the Waukesha School
1715 Board be unwilling to change the unlawful provisions, the Education Association of Waukesha
1716 will not be obligated to fulfill the indemnity provision of this section.

- 1723 33.01 Employee's individual contracts shall be deemed to incorporate all of the terms of an Agreement
1724 concerning wages, hours and conditions of employment made between the Board and the
1725 Association.
1726
- 1727 33.02 In the event an agreement concerning wages, hours and conditions of employment has not been
1728 reached by the negotiating parties at the date (per statute) employees' contracts are to be issued,
1729 the following procedure will be followed:
1730
- 1731 a. The employee will be informed by the Superintendent that the Board has voted to extend a
1732 contract to them for the ensuing year.
1733
- 1734 b. The contracts will be available in the building principal's or immediate supervisor's office
1735 any time after a date to be stipulated in the Superintendent's letter of notification. Current

1740 and the Board of Education, but shall not be less than the salary received in the current
1741 school year. This notification is to be considered part of the contract until a negotiated
1742 settlement is reached."
1743
- 1744 d. Contracts must be signed by the statutory limit date unless it is mutually agreed to extend
1745 the deadline in individual cases. Persons having such individual cases should communicate
1746 with the administration.
1747
- 1748 33.03 Contract Release: The District and the EAW encourage employees to notify the District as soon
1749 as possible regarding contract release. The District will provide an incentive of \$250.00 to any
1750 employee whose resignation for the next contract year is received prior to March 1st. Persons
1751 being considered for non-renewal or dismissal will not be eligible for this incentive. The
1752 incentive payment will be included in the employee's final payroll check of the current contract
1753 year. Any employee notifying the District that she/he wishes to be released from her/his contract
1754 after July 1st for the following contract year, or any time during the course of a current contract

1756 contract upon the District's receipt of this payment. Contract release language will have no
1757 impact, at any time, on a retiree. This language, Contract Release, will sunset June 30, 2005.

ARTICLE XXXIV

NEGOTIATING PROCEDURES

- 1764 34.01 The Board and the Association recognize their responsibilities toward each other for negotiating
1765 in good faith and asking agreement on matters regarding wages, hours and conditions of
1766 employment and neither party will demean the process.
1767
- 1768 34.02 The parties will furnish a list of their duly authorized agents for negotiations on or before the
1769 opening session. All correspondence and communication shall be channeled through those
1770 agents.
1771
- 1772 34.03 Both parties shall submit their proposals in writing to the other party to this Agreement at the first
1773 negotiation session. This first session will be open to the press and public. Further negotiations
1774 sessions shall be open unless either party calls for a closed session(s) or partial session.
1775
- 1776 34.04 The parties will discuss and attempt to agree on ground rules for bargaining at the initial session.

1777
1778 34.05 The Superintendent, upon request, shall supply all reasonable available statistics and data relative
1779 to the local school District, to the Board and/or the Association.
1780

1781 34.06 If, by operation of a statutory law, the permissive items contained in this Agreement are subject
1782 to becoming mandatory subjects of bargaining, the parties agree that all such permissive items
1783 will evaporate twenty-four (24) hours prior to the effective date of such legislation.
1784

1785 Final determination of which items are evaporated by this section shall be withheld until the
1786 items are identified as permissive by a declaratory ruling of the WERC or until the items are
1787 modified by the parties themselves. All such petitioned items shall be maintained and enforced
1788 during the period of determination above.
1789

1790 Within twenty (20) working days following the effective date of the legislation, either party may
1791 file a petition with the WERC requesting a declaratory ruling on items contested as being
1792 mandatory subjects of bargaining.
1793

1794 If requested, the opposite party shall participate in a joint petition for declaratory ruling through
1795 the Wisconsin Employment Relations Commission to determine whether the challenged subjects
1796 are mandatory or permissive.
1797

1798 Upon receipt of a decision, all items found to be mandatory shall be continued. Those items
1799 found to be permissive shall immediately evaporate and the parties shall enter into immediate
1800 bargaining over the impact, if any, of the permissive language and over the appropriate
1801 replacement provision for the permissive section. This limited reopener shall be subject to the
1802 binding arbitration procedure of 111.70, Wisconsin Statutes.
1803

1804 If the Board agrees, in writing, that the exact terms and conditions of the permissive subjects will
1805 be maintained, for the duration of the Agreement then in force, negotiations over the impact will
1806 be delayed until bargaining on the successor Agreement begins.
1807

1808 This section shall be deleted from the Agreement on July 1, 2005 unless extended by mutual
1809 agreement of the parties. Any ruling by the WERC on petitions filed under this section shall be
1810 binding on the parties even though the ruling may be made following the expiration of this
1811 section.
1812

1813
1814 **ARTICLE XXXV**

1815
1816 **WORK STOPPAGE**

1817
1818 35.01 The Association shall not, for the term of this Agreement, condone, authorize or call a work
1819 stoppage, strike or slowdown as a result of a dispute arising out of the interpretation, meaning
1820 and application of the terms of this Agreement which are covered by the binding arbitration
1821 procedure of this Agreement.
1822

1823 35.02 If a dispute arises which is not covered by the binding arbitration portion of this Agreement, it
1824 shall not be construed that the Board has agreed that any of the above concerted activities are
1825 allowed.

1899
1900 A. The thirty (30) credits beyond the Bachelor's Degree must be certified as being graduate
1901 credit.

1910
1911 6. To be placed in Column J (MA+30) the employee must have a Master's Degree (Column E) plus
1912 thirty (30) graduate credits.
1913
1914 7. Employees will be permitted an annual increment until they reach the benchmark. Employees
1915 who have surpassed the benchmark may continue until they have reached the maximum (the first
1916 line). Employees who were beyond the maximum (first line) as of the beginning of the 1999-
1917 2000 school year may continue to the second maximum line. Employees who were beyond the
1918 second maximum line as of the beginning of the 1997-98 school year may continue to the top
1919 step of that column.
1920
1921 8. Part-time employees shall be placed on the salary schedule at the appropriate column and step for
1922 degrees/credits and years of District service. They shall receive as compensation the same
1923 percent of that column and step as the percent of a full load they work.
1924
1925 9. Part-time employees shall be subject to the same conditions as in paragraphs B1 through B7,
1926 receiving the percent of that cell representing the percent of a full load worked.
1927
1928 10. A part-time employee moving to full-time employment shall be placed on the salary schedule at
1929 the cell agreed upon between the employee and the District.
1930

1931 C. Movement Between Columns:
1932

1933 The salary schedule change focuses on upgrading performance through education. The EAW and
1934 District agree that course work taken needs to be high quality. As in the past, all course work must be
1935 from a college or university with an accredited graduate program and taken for graduate credit. The
1936 District will keep a list of approved colleges and universities. Colleges and universities not adhering to
1937 rigorous standards of performance will be removed from the list.
1938

- 1939 1. To be considered for column movement (BA+15, BA+30, Masters), all employees shall be in a
1940 District approved graduate program. All graduate credits and inservice credits must receive prior
1941 approval. Approval of credits will be submitted to a committee of one (1) School District and
1942 one (1) EAW representative. All credits must meet District criteria for column movement.
1943

1944 Employees may accumulate fifteen (15) District approved graduate credits prior to entering a
1945 District approved graduate program. These credits can be used for movement from the BA

- 1946 column to the BA+15 column only.
- 1947
- 1948 2. Credits beyond a Master's Degree earned before September 1, 1999 and after the effective date of
- 1949 the employee's last column move but after August 25, 1980, will be accepted for the employee's
- 1950 next column move.
- 1951
- 1952 3. Employees hired after the 1999-2000 school year will be placed on the appropriate benchmark
- 1953 step (BA 3) or above, as determined by the District. For columns other than the BA, salary
- 1954 placement shall be by mutual consent of the new employee and the District. After the conclusion
- 1955 of the probationary period, the employee must be placed on the salary schedule commensurate
- 1956 with their education.
- 1957
- 1958 4. With the exception of employees placed in the BA column or in the MA+30 column, all new
- 1959 employees will move from benchmark to the next benchmark upon completion of the appropriate
- 1960 credits as specified in Appendix A-B.
- 1961
- 1962 5. Employees in the BA column will be permitted an annual increment during their first years of
- 1963 employment with each year of employment, step 3 to step 7. Any further movement will be
- 1964 made to the appropriate benchmark upon completion of the credits as specified in Appendix A-B.
- 1965
- 1966 6. Employees in the MA+30 column will be permitted an annual increment on the schedule to the
- 1967 schedule maximum.
- 1968
- 1969 7. Employees hired before the 1999-2000 school year will be placed on the salary schedule based
- 1970 on their schedule placement in the 1998-99 school year plus one additional step for experience, if
- 1971 the step is available to them. If column movement is also appropriate, the employee will be
- 1972 placed in the appropriate column and step, plus one additional step for experience, if a step is
- 1973 available.
- 1974
- 1975 8. Employees Hired Before 1999:
- 1976
- 1977 a. will be allowed to continue annual increments in their column until no steps remain available
- 1978 in the column, or,
- 1979
- 1980 b. will make an appropriate column move as specified in Appendix A-B, which would allow for
- 1981 an annual increment on the salary schedule to a benchmark and will be eligible only for
- 1982 column movement (benchmark to benchmark) thereafter. If placement at the new column
- 1983 and benchmark does not constitute a salary advancement, the employee will then be moved
- 1984 to the appropriate column at their current step and allowed to continue down the column.
- 1985
- 1986 c. Employees referenced in the second part of paragraph 8B (above) may advance a maximum
- 1987 of one column. Further advancement is limited to a benchmark.
- 1988
- 1989 9. Once all employees hired before 1999 have been placed on benchmark, all movement will be
- 1990 made benchmark to benchmark, except for the remaining increment steps in the MA+30 column
- 1991 as in 4 above.
- 1992
- 1993 10. Transfer from one column to another will require the following be submitted to the Director of
- 1994 Human Resources.
- 1995
- 1996 a. Written statement from the employee requesting a column transfer.
- 1997

 2. If a new employee has completed any of the three (3) designated courses prior to being employed by the District, a course suggested by the employee or District and approved by the District may be substituted and paid for by the District.
 3. In the event that a new employee is unable to complete the three (3) courses within the probationary period, the employee will meet with an EAW representative and District representative to create an individual plan for the completion of the courses.
 4. If an employee has reached the MA+30 column and elects to take a District-designated course, the employee would not receive graduate credit nor need to pay to take the course.
