The exercise

of any right reserved to the District in a particular manner or the non-exercise of any such right shall not be deemed a waiver of the District's right or preclude the District from exercising the right in a different manner. 1.2 It is not the intention of the parties, in setting forth the above-mentioned rights of the District, to detract or diminish in any way the rights of the Council or of the employees as expressly set forth elsewhere in this Agreement; and if there is a direct conflict between the above-mentioned District rights and the express terms of another Article of this Agreement, the language of the latter shall prevail. 1.3 It is understood that several of the above-mentioned reserved rights are exercised in conjunction with, or subject to, Personnel Commission powers, functions and obligations, and where that occurs the above-mentioned rights of the District are intended to include the rights of the Commission. 1.4 It is agreed that the contractual rights of the Council and of the employees are set forth in other Articles of this Agreement and that this Article is not a source of such rights. Accordingly, any dispute arising out of, or in any way connected with, either the existence of or the exercise of any of the rights of the District set forth hereinabove, or any other rights of the District not expressly limited by the clear and explicit language of this Agreement, or arising out of or in any way connected with the effects of the exercise of any such rights, is not subject to the grievance provisions set forth in Article V; provided, however, that nothing contained herein shall be construed to prevent the filing of grievances pursuant to Article V contending that the District has violated an express provision of some other Article of this Agreement, which Article is itself subject to the grievance procedure.

ARTICLE IV COUNCIL RIGHTS 1.0 Access: Any authorized Council representative shall have the right of reasonable access to District facilities for the purpose of contacting employees and transacting matters. Upon arriving at a work site, the representative shall first report to the office of the site administrator and state the intended purpose and expected length of visit. The representative shall not interrupt any employee's duties or assignments. 1.1 If an authorized Council representative wishes to observe the working and/or safety conditions at a particular site, he/she shall make prior arrangements to do so through the appropriate Maintenance and Operations office. 2.0 Bulletin Boards: The Council shall have the right to post notices of official Council matters on a designated bulletin board or a section of a bulletin board at each work site where employees are assigned. 3.0 Released Time for Negotiations: No more than five (5) negotiating team employee representatives designated by the Council shall be released from duty with no loss of pay for the purpose of attending negotiation meetings with the District pursuant to this Agreement.

The Council and the District may agree that additional employees shall receive such released time. 4.0 Consultation: District management will meet with the Council and/or its appropriate credentialed representative for the sole purpose of consultation prior to the District making any significant changes in the assigned duties traditionally performed by the various crafts. Changes or revisions in class descriptions will be accomplished in accordance with Personnel Commission rules and procedures. The District shall also meet with the Council to consult prior to modifying any Board action which would remove Federal Social Security coverage for Unit members. Prior to implementing any decision to layoff Unit members as a result of the District subcontracting to third parties or agencies the functions historically performed by Unit members, the District shall first notify and upon request consult with the Council regarding the effects of such decision on Unit members represented by the Council. 5.0 List of Employees: The Council shall be provided twice yearly a current list of names, classifications, addresses and work locations of all employees covered by this Agreement. Hire date information for all Unit employees shall be provided on the same list or on a separate list which is periodically updated.

Article IV – Council Rights

6.0 Job Stewards: At each work location, the Council will have the right to designate, pursuant to its own procedures, one employee per each craft to serve as the Job Steward. The Council shall have the right to designate one Job Steward per Craft as a Craft's Chief Steward. The Chief Steward shall not be entitled to any additional privileges or rights under this agreement. The Council shall inform the Office of Staff Relations in writing of each employee so designated. The Job Steward shall have the right to: a. Represent an employee, upon request, in a formal meeting as expressly provided for in Article V, Section 3.1 (Grievance Procedure), Article X, Section 3.0 and Section 5.0 (Evaluation Procedures). In the absence of a designated Job Steward in a specific Area, upon request of the employee, the Area Facilities Services Director shall arrange for a Job Steward of the employee's choice from another craft in that Area to represent the employee. b. On his/her own time to coordinate Council meetings, which may be held at the work site during unpaid time for any Unit employee in attendance, subject to availability of facilities and provided that there is no interference with other scheduled duties or events; c. Post, initial, and date official Council notices on officially designated bulletin boards; and d. Report to the appropriate administrator upon discovery and without delay any unsafe or unsanitary conditions at the work site. 7.0 The Council may use District facilities on prior approval for the purpose of holding meetings to the extent that such facilities are available, and to the extent that such use of the facility will not interfere with normal District operations. Participating Unit employees will attend said meetings on their own time. Approval for use of the facility may be granted by mutual agreement between a representative of the Council and the individual who has control of the facility. If an agreement is not reached, the Council representative may appeal to the appropriate management administrator. Article V (Grievance Procedure) shall not be applicable to this paragraph. 8.0 Scope of Representation: The Council shall represent employees of this Unit as to wages, hours and other terms and conditions of employment as defined by and to the level consistent with Government Code Section 3543.2. 11-19-02

9.0 Committee Participation: When the Council is requested by the District to designate an employee to sit on a District-sponsored committee, that employee shall be given reasonable released time to attend meetings which are scheduled during their shift. Employees are expected to report to work before or after attendance, if practical.

10.0 Contracting-out and Use of Volunteers: The parties agree to the value of local school flexibility. However, in the exercise of its rights to contract-out for services and to utilize volunteers, neither the District nor any local school shall enter into any agreements or arrangements which directly cause the layoff by the District of permanent or probationary Unit E employees. 10.1 Once each school year, upon the Council's request and at the Council's cost, the District shall provide to the Council copies of all contracts for that school year entered into by the District with outside contractors for services which would otherwise be provided by employees of this Unit. 11.0 Limited Term Employees: The District shall not employ limited term employees (as defined in Personnel Commission Rule 500) in classifications in this Unit, when to do so would directly cause the layoff of regular employees in this Unit. 12.0 The District

agrees to provide to new regular employees, at the time of their orientation, any written materials furnished by the Council which explain the role of the exclusive representative. The District Office of Staff Relations reserves the right to review and approve the materials submitted by the Council, but said approval shall not be unreasonably withheld.

ARTICLE V GRIEVANCE PROCEDURE 1.0 Grievance and Parties Defined: A grievance is defined as a claim that the District has violated an express term of this Agreement and that by reason of such violation the grievant's rights under this Agreement have been adversely affected. Grievances as so defined may be filed by: a. An employee; b. the Council on behalf of an identified employee(s); or c. the Council on its own behalf as to alleged violations of rights granted to the Council in this Agreement. 1.1 All other matters and disputes of any nature are beyond the scope of this grievance procedure, included but not limited to those matters for which other methods of adjustment are provided by the District, such as reductions in force, examination results and references, performance evaluations (except as set forth in Article X, Section 3.1), disciplinary matters, and complaints by one employee about another. Also excluded from this grievance procedure are those matters so indicated elsewhere in this Agreement. Claimed violations of Article VII (Non-Discrimination) are to be handled under appropriate statutory procedures rather than under this grievance procedure. 1.2 The respondent in any grievance shall be the District itself rather than any individual supervisor or administrator. 1.3 If the same grievance or essentially the same grievance as determined by mutual agreement is filed by more than one employee, only one employee may process the grievance under this Article. The final determination of that grievance shall apply to the other pending grievances. 1.4 The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof. 1.5 Processing and discussing the merits of a grievance shall not be considered a waiver by the District of the defense that the matter is neither grievable nor subject to consideration by the Board of Review or that the grievance should be denied for other reasons which do not go to the merits of the grievance such as the untimely filing of the grievance. 2.0 When filing a grievance pursuant to Section 1.0 b and c above, the Council may attach to a completed grievance form a letter which provides additional information not requested or contained in the grievance form.

Article V - Grievance Procedure

F:DATA:CONTRACT:2002-05 UNIT E:ART V 12

3.0 Representation Right in the Grievance Procedure: If a supervisor or an administrator with the authority and responsibility to adjust a grievance is absent during the time specified for meeting his/her responsibility under these procedures and no mutual agreement has been reached for a time extension, the District shall designate a representative from the Maintenance and Operations Branch, having practical knowledge of and familiarity with the building trades crafts and classes to assume this responsibility. The grievant must be present at each step of the grievance procedure unless excused by the District with notice to the Council. 3.1 At all grievance meetings under this Article, the grievant shall be entitled to be accompanied and/or represented by a Council-designated representative. A grievant shall also be entitled to represent himself or herself. In the event an employee elects to represent himself or herself, and/or has become involved in the procedural "steps" without consulting with or formally, in writing, requesting representation by the Council (or its representatives) with respect to the grievance issue(s) wherein the Council has not had reasonable opportunity to determine the merits of the grievance issues(s), the Council is thereby relieved of any obligation to represent the employee with respect to the grievance issue(s). Further, the Council shall not be obligated, after investigation and consideration of the facts pertaining to a grievance, if the Council deems it to have insufficient merit. The supervisor and/or administrator shall have the right to be accompanied by a District representative or another Maintenance and Operations Branch supervisor and/or administrator having practical knowledge of and familiarity with the building trades crafts and classes. No respondent from a prior step meeting shall attend a subsequent step meeting. By mutual agreement other persons such as witnesses may also attend grievance meetings. 3.2 When a grievant is not represented by the Council, in processing a grievance, the District shall not agree to a final resolution of the grievance until the Council has received a copy of the grievance, been notified of the proposed resolution and been given an opportunity to state in writing its views on the matter, provided, however, that the grievance may be withdrawn by the grievant at any time which shall terminate the grievance procedure. Notwithstanding the above, the pursuit of a grievance by a grievant not represented by the Council, and any resulting resolution

of the grievance by settlement or withdrawal of the grievance shall not necessarily constitute a precedent as to the intent and understanding of this Agreement. 4.0 Release Time for Employees: Grievance meetings and hearings will be scheduled by the District at mutually convenient times and places during District business hours. Such meetings or hearings will be scheduled so as to minimize interference with regular employee duties. If a grievance meeting or hearing is scheduled during duty hours, reasonable employee released time, including necessary travel time with mileage

reimbursement, will be provided to the grievant, Job Steward, Board of Review members, and to any witness required to attend. 5.0 Confidentiality: From the time a grievance is filed until it is finally resolved, neither the Council, the District nor the grievant shall make public the grievance or evidence regarding the grievance. This prohibition is not intended to restrict normal interviewing of witnesses and other necessary preparations for the hearing. 6.0 Effect of Time Limits: If a grievance is not processed by the grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn. If the District fails to respond to the grievance in a timely manner at any step, the running of its time limit shall be deemed a denial of the grievance and termination of the step in question, and the grievant may proceed to the next step. All time limits and grievance steps may be shortened, extended or waived, but only by mutual written agreement. 7.0 "Day" Defined: A "day" for purposes of this Article is defined as any day of the calendar year except Saturdays, Sundays, and legal or school holidays. 8.0 Required Informal Discussion: Before filing a formal written grievance under Step One, a grievant is encouraged to make a reasonable attempt to resolve the dispute by presenting the grievance orally to the craft supervisor or equivalent and discussing the grievance with him or her. The written grievance must be filed within the time limits required under Step One, whether or not the grievant is able to first discuss it with the supervisor. 9.0 Step One: Within fifteen (15) days, as defined in Section 7.0, after the grievant or Council knew or reasonably should have known of the concurrence of the facts upon which the grievance is based, the grievance must be presented in writing to the immediate administrator, on a form provided by the District, stating the facts surrounding the grievance, identifying the specific provisions of this Agreement which are alleged to have been violated, and the remedy requested. The form shall be signed and dated by the grievant. A meeting between the grievant and the immediate supervisor shall take place within five (5) days from presentation of the grievance, and the supervisor shall reply in writing within five (5) days following the meeting. Unless there is mutual written agreement to the contrary, Step One shall terminate at the close of business on the ninth (9th) day following the Step One meeting. 9.1 If a grievance does not relate to the immediate administrator and the remedy requested is not within the authority of the immediate administrator, the grievance may, if the grievant desires, be filed with the administrator who has such responsibility and authority. 10.0 Step Two: If the grievance is not resolved in Step One, the grievant may, within five (5) days after the termination of Step One, present the

written grievance to the grievant's division head or designee. Within five (5) days from receipt of the grievance, a meeting shall take place to discuss the matter and the administrator shall reply in writing within five (5) days following the meeting. Unless there is mutual written agreement to the contrary, Step Two shall terminate at the close of business on the ninth (9th) day following the Step Two meeting. 11.0 Step Three: If the grievance is not resolved in Step Two, the grievant may, within five (5) days after the termination of Step Two, present the written grievance to the Deputy Superintendent. Each party shall bear the expense of the presentation of its own case. All decisions and rulings shall be made by majority decision of the Board of Review. 13.1 The hearing shall be under the direction of the chairman who shall conduct all matters in accordance with the rules and procedures prescribed in Section 11513 of the Government Code except as otherwise indicated in this Article. Sessions of the Board of Review shall be private with attendance limited to the members of the Board of Review, the parties to the grievance and their representatives, if any, and witnesses while testifying. 13.2 The Office of Staff Relations shall be responsible for the arrangements for the hearing, the maintenance of records, and such other services required by the chairman to assist the Board of Review in fulfilling its responsibilities. 13.3 Either party to the grievance may request that the proceedings be recorded at its own expense. If both parties desire a transcript, the costs of both reporter and transcript shall be equally shared. 13.4 The parties shall exchange lists of proposed witnesses not later than five (5) days prior to the first date of the hearing. 13.5 Neither party shall communicate with the chairman without first contacting the other party to explain the purpose of the intended communication. 14.0 Optional Preliminary Hearing on Issues That Do Not Involve Merits of Grievance: If the District claims that the grievance should be dismissed for reasons that do not go to the merits (e.g., mootness, untimeliness, matter beyond the scope of procedure, or breach of confidentiality provisions), the District may use its claim to be heard and ruled upon by the Board of Review prior to a hearing on the merits. If the District plans to invoke this separate preliminary hearing, it shall so advise the Council prior to the selection of the chairman. If the optional preliminary hearing is held, the District shall pay the fee of the chairman. Immediately after selection of the chairman for the preliminary hearing, either the Council or the District may require that a different chairman be selected to hear the merits in the event that such a hearing is required. The preliminary hearing is optional to the District, and if not utilized, the District shall not be precluded from raising its arbitrability defenses at the regular hearing, provided that it gives the Council ten (10) days' notice of its intention to do so. Moreover, both the Council and the District shall retain all rights they have under law to pursue issues relating to arbitrability of a grievance.

The decision of the Board of Review shall be based solely upon the evidence and arguments presented to it by the respective parties in the presence of each other. Such written decision shall be prepared by the Board of Review and presented in writing to all parties within twenty (20) days after the conclusion of the hearing. 15.1 The decision shall contain written findings of fact and conclusions based on the findings. Any employee engaging in any strike, slowdown or other work stoppage during the term of this agreement shall be subject to discipline or termination under applicable law. 1.1 Disputes arising under this Article are to be handled according to appropriate judicial proceedings rather than the grievance procedures of Article V.

Involuntary transfers shall be made in order of reverse seniority of the employees at the location from which the transfer is made. For purposes of this paragraph, "seniority" shall be an employee's District seniority in the classification at the time of transfer; except that any Job Steward designated pursuant to Article IV, Section 6.0, shall be deemed the most senior employee in the classification for purposes of involuntary transfer only. 2.2 Voluntary Transfer: The voluntary transfer procedure of this Section 2.2 shall be exhausted prior to the District filling a vacant position with a new employee from an eligibility list. An employee must have been assigned to the work location from which a transfer is sought for at least six (6) months prior to requesting a transfer. However, an employee who uses such a credit prior to actual accrual shall not accrue or be credited with additional leave until the negative balance has been restored. If an employee is paid for more than the illness absences to which entitled, or terminates employment prior to accruing leave taken in advance, the employee shall be required to refund to the District the salary to which not entitled. This requirement shall be waived in the event of the employee's death or physical or mental disability which precludes the employee from returning to District employment. 11.4 Unused full-pay illness absence credit shall be cumulative from year to year without limitation. Half-pay illness credit shall not be cumulative from year to year. 11.5 Subject to the provisions of Sections 11.6 and 11.7 below, when a permanent employee is absent under this Section, the employee will receive his or

her full normal pay up to the total of the employee's full-pay illness benefits. Full-pay illness benefits shall be used before available half-pay benefits may be used. Additional days of illness absence will be at half-pay up to the total of half-pay days credited, if available, unless the employee requests use of any

accrued vacation which he or she may have. The amount of paid illness absence taken in any pay period shall not be in excess of the illness absence accumulated by the close of the pay period immediately preceding the illness absence, except as provided in Section 11.3. A restricted or initial probationary employee must render service and shall not be paid for more than the equivalent of six (6) days of full-pay illness leave until the first day following completion of 130 days of paid service in regular assignments. Half-pay illness leave shall not be paid during this time. 11.6 An employee who is absent shall be required to certify the reason for absence on the appropriate form. Also, the District may verify any questionable illness, injury, or disability under this Section before authorizing any compensation. The District shall make known to the employee the reason why an absence is being questioned prior to the employee being required to verify an illness, injury or disability. 11.7 An employee absent from duty for any illness, injury, or surgery for more than five (5) consecutive working days shall be required to submit a signed attending physician's statement or appropriate health form to the immediate administrator, and may be referred by the District for health approval prior to readmission. 11.8 If a permanent employee resigns and returns within thirty-nine (39) months of the last date of paid service to permanent status, the number of hours for which the employee was entitled to full-pay illness absence shall be restored, unless the employee's illness balance had been transferred to another agency or used in computation of retirement allowance. 11.9 A permanent employee who has exhausted all accumulated illness leave privileges, vacation, and other available paid leaves may be granted additional unpaid illness leave for a period not to exceed six (6) months. Such leave may, upon request, be renewed for two (2) additional six (6) month periods. The total of all unpaid illness leave shall not exceed eighteen (18) months. Until notified to the contrary, the employee may properly assume the leave has been granted. 11.10 When all paid and unpaid leaves of absence and vacation benefits have been exhausted, a regular employee who is unable to assume the duties of his/her position shall be placed on a reemployment list for a period of thirty-nine (39) months as if he/she were being laid off. An employee on a reemployment list shall have the same rights and benefits as an employee laid off for lack of work or lack of funds. 2.0 Industrial Injury/Illness Leave (Paid): An employee who is absent from District service because of an injury or illness that arose out of and in the course of employment, and for which temporary disability benefits are

Allowable paid leave of absence shall be for up to sixty (60) working days for the same injury or illness; b. Allowable paid leave of absence shall not be accumulated from year to year; c. An employee absent under this Section shall be entitled to receive such portion of the salary due for any pay period in which the absence occurs as, when added to the temporary disability indemnity, if any, required under State law, will result in a payment of not more than the employee's salary as of the date of injury or illness. d. When an authorized leave of absence continues into the next fiscal year, the employee shall be entitled to only the amount of unused leave of absence due for the same illness or injury; and e. Each employee who received a work-related injury or illness that requires medical attention or absence from work for more than the day of the occurrence must complete a written report of injury or illness on a form to be provided by the District. This written report must be submitted to the immediate administrator within two (2) working days after the occurrence if the employee is physically able to do so. The administrator shall, as a result of his or her own investigation, complete the Employer's Report of Occupational Injury or Illness, and shall attach the employee's report thereto. The employee must also report as soon as possible for examination and treatment by a physician who is on the District's Emergency Medical Panel. 12.1 Extension of Industrial Injury Leave (Paid): If the employee was physically injured during an act or acts of violence related to and during the performance of assigned duties, then the leave of absence may be extended beyond the initial sixty (60) day period up to an additional sixty (60) days. In order to qualify for such an extension the employee must have: (1) notified the site administrator and appropriate law enforcement authorities within twenty-four (24) hours of the incident if the employee was physically able

to do so; (2) completed the employee's written report and reported for treatment as required in "e.", above; (3) reported, as soon as it becomes evident that an extension is to be requested, for a District-approved physical examination and received approval as a result of such examination; and, (4) applied in writing to the District for such an extension using a District form. Such application should be filed with the immediate administrator as soon as the employee sees the need for such an extension so that the District has adequate time to review and process the claim prior to the effective date of the leave extension. Determination whether the injury was the result of an act of violence, and whether the act of violence was

related to and during the performance of duties (but not whether it is compensable under worker's compensation laws), shall be made by the immediate administrator. Determination whether the injury is disabling beyond the sixty (60) day period shall be made by the District. An employee may be required during the extended period to be evaluated by the District. 12.2 Upon exhaustion of the above-authorized industrial injury/ illness leave benefits, the employee shall be permitted to utilize accrued illness benefits or vacation benefits, if any. If the employee continues to receive temporary disability indemnity, the employee shall be paid for any illness and vacation benefits which, when added to the temporary disability indemnity, will result in a payment of not more than full normal salary. 12.3 An employee absent under this Section shall remain within the State of California unless the District authorizes travel outside the State. 13.0 Personal Necessity Leave (Paid): An employee shall, subject to the limits set forth below, be granted a paid personal necessity leave when the gravity of the situations described below require the personal attention of the employee during assigned hours of service: a. Death or serious illness of a member of the employee's immediate family. The immediate family is defined as the parent, grandparent or grandchild of the employee or the employee's spouse and the spouse, child, brother, sister, daughter-in-law, or son-in-law of the employee, or any relative living in the immediate household of the employee. 18.1 A written or oral report of the conference may be requested by the appropriate administrator. For conferences or conventions which are not permitted pursuant to the above, the District may authorize the employee to utilize personal necessity leave under Section 13.0 of this Article. 19.0 Peace Corps, Red Cross and Merchant Marine Leaves: Permanent employees covered by this Agreement shall be granted an unpaid leave of absence not to exceed twenty-five (25) months to serve in the Peace Corps. If less than two (2) days' notice is given by an employee, permission to participate without loss of pay is subject to approval by his/her immediate supervisor. 20.2 Annual Physical Examination: A permanent employee shall be granted up to one day per year with pay for the purpose of a comprehensive physical examination provided that verification of such an examination is submitted to the District. 20.3 Witness: An employee who is subpoenaed to be a witness in the appeal by another employee of a decision of the Worker's Compensation Appeals Board arranged by the District's Insurance Section may attend without loss of salary. 20.4 Epidemics and Emergencies: An employee with regular status shall be paid his/her regular salary for any period during which he/she is unable to work at his/her regular place of employment because it is closed by the District due to quarantine, epidemic, or other conditions involving the health or safety of students or employees. To be eligible for such pay the employee must be ready, able and willing to perform his/her customary or other reasonable and suitable duties at different work locations as designated by the District. Nothing contained herein shall be construed to limit the authority of the District to make temporary assignments of employees to different or additional locations, shifts, or work duties for the purpose of meeting emergencies. 20.5 Maintenance Procedure No. G-R-14, "Repair of Personal Vehicle" dated January 24, 1992 shall remain in effect for the duration of this Agreement provided, however, that when extenuating circumstances exist, the

two-hour period may be extended for employees who, prior to the expiration of the two-hour period, notify their supervisor of such circumstances and obtain appropriate approval. 21.0 Leave of Absence for Union Business: Any employee serving as an elected officer of the Council or its affiliates shall be granted a paid leave of absence subject to the following conditions: a. The Council or its affiliates shall first make a written request to the Office of Staff Relations, identifying the specific employee(s) involved, their work location and the length of leave requested. If the leave requested is anticipated to exceed twenty (20) working days, the employee shall also complete a formal leave request form. b. The Council or its requesting affiliates shall reimburse the District for all salary and benefit costs paid during the employees' period of absence from duties. 22.0 Family Care and Medical Leave: An unpaid Family Care and Medical Leave shall be granted, to the extent of and subject to the restrictions as set forth below, to an employee who has been employed for at least 12 months and who has served for 130 workdays during the twelve (12) months immediately preceding the effective date of the leave. For purposes of this Section, furlough days and days worked during off-basis time shall count as "workdays". Family Care and Medical Leave absences of twenty (20) consecutive working days or less can be granted by the immediate administrator or designee. Leaves of twenty-one (21) or more consecutive working days can be granted only by submission of a formal leave application to the Classified Personnel Assignments Branch. 22.1 Definitions: For purposes of Family Care and Medical Leave, the following definitions shall apply: (1) "Child" means a biological, adopted or foster child; a stepchild; a legal ward; or a child of an employee standing "in loco parentis," such child being either under eighteen (18) years of age or an adult dependent who is incapable of self care due to a mental or physical disability. (2) "Spouse" means a husband or wife of an employee; (3) "Parent" means a biological, foster, or adoptive parent; a person who stood "in loco parentis" to the employee when the employee was a child; a stepparent; or a legal guardian; and does not include a parent-in-law. (4) "Family member" means "child", "spouse", or "parent" as defined above. (5) "Serious health condition" means an illness, injury, impairment, or other condition that involves either "in-patient care" or "continuing treatment". (6) "Inpatient care" means a stay in a hospital or other medical facility and includes

any subsequent treatment in connection with inpatient care. (7) "Continuing treatment" means treatment by a "health care provider" that involves one or more of the following: (a) a period of incapacity of more than three (3) consecutive calendar days (as well as any subsequent treatment or period of incapacity relating to the same condition) that

Article XII - Leaves of Absence

11-19-02

F:DATA CONTRACT:2002-05 UNIT E:ART XII 40

also involves either two or more treatments by a "health care provider", or treatment by a "health care provider" on at least one occasion that results in a regimen of continuing treatment under the supervision of a "health care provider". (b) any period of incapacity due to pregnancy (including morning sickness); (c) any period of incapacity or treatment for an incapacity due to a chronic health condition that requires periodic visits for treatment, which continues over an extended period of time, and may cause episodic (i.e., a period of incapacity for less than three days) rather than a continuing incapacity (such as asthma, diabetes, and migraine headaches); (d) a period of incapacity that is long-term due to a condition for which treatment may not be effective; and (e) any period of absence to receive multiple treatments, including treatment of a condition that would likely result in a period of incapacity for a period of more than three days if not treated. (8) "Health care provider" means an individual holding either a physician's and surgeon's certificate or an osteopathic physician's and surgeon's certificate issued pursuant to Article 4 of Chapter 5 of Division 2 of the California Business and Professions Code, or any other individual duly licensed to practice medicine in another state or jurisdiction who directly treats or supervises the treatment of the serious health condition, or by any other person determined by the Secretary of Labor to be capable of providing health care services. The definition includes podiatrists, dentists, clinical psychologists, optometrists, chiropractors (limited in scope), nurse practitioners, nurse midwives, and certain Christian Science practitioners. 22.2 Reasons for Leave: Family Care and Medical Leave may be granted for reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee. If the leave is taken for any of these reasons, the leave must be concluded within twelve (12) months of the birth, the adoption, or the foster care placement of the child. In addition, leave may be granted because of, the serious health condition of a child of the employee, the employee's own serious health condition, or the care of a parent or spouse who has a serious health condition. 22.3 Length of Leave: The leave, together with any renewal thereof, shall not exceed the number of days equivalent to a total of 12 normally scheduled workweeks in a fiscal year. Any leave an employee takes for the reasons specified in Section 22.2 above will be counted against the employee's annual leave entitlements under the federal Family and Medical Leave Act of 1993 and the California Family Rights Act of 1991, as amended. This leave runs concurrently with any other leave the District offers for which the employee is qualified. Leave caused by pregnancy, childbirth or related medical conditions under Section 9.0 of this Article is separate and apart from the provisions of Family Care and Medical Leave herein. Employees are entitled to the leave allowed under Section 9.0 and, in addition, up to the full twelve (12) weeks of Family Care and Medical Leave. However, leave taken on account of pregnancy, childbirth, or related medical condition will be counted

Article XII - Leaves of Absence

11-19-02

F:DATA CONTRACT:2002-05 UNIT E:ART XII 41

against the employee's annual leave entitlement under the federal Family and Medical Leave Act of 1993. 22.4 Intermittent Leave: The leave may be taken intermittently or on a reduced work schedule. If the leave is taken for reason of the birth, adoption, or foster care placement of a child of the employee, the basic minimum duration of the leave shall be two weeks; however, the District shall grant the employee leave of less than (2) two weeks' duration on two (2) occasions. If the leave is taken for a serious health condition of the employee or of the employee's family member, leave may be taken intermittently or on a reduced schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. An employee may take such leave for as short a time as one hour (can be less than one hour, if necessary). If an employee does take intermittent or a reduced-schedule leave that is foreseeable based on a planned medical treatment of the employee or the employee's family member or for the birth, adoption, or foster care placement of a child, the District has the right to transfer temporarily the employee to an available alternative position for which the employee is qualified and which better accommodates to recurring periods of leave during the duration of the intermittent or reduced-scheduled leave. The alternative position must have equivalent pay and benefits but does not have to have equivalent

duties. The alternative position may include the altering of the employee's current job. The District may also transfer the employee to a part-time job with the same hourly rate of pay and benefits. Upon the conclusion of the intermittent or reduced-schedule leave, the District will place the employee in the same or equivalent job the employee had when the leave started. 22.5 Notification: If the need for the Family Care and Medical Leave is foreseeable more than thirty (30) calendar days prior to the employee's need for leave, the employee shall give at least thirty (30) days notice. If less than thirty (30) days, the employee must provide the immediate supervisor with as much advance notice as possible but, at the least, within two (2) business days of learning of the need for the leave. These advance notice requirements shall not be applicable in the event of unforeseeable circumstances or emergencies. Whenever possible, if the need for leave is foreseeable due to a planned medical treatment or supervision, the employee must make a reasonable, good faith effort, subject to the approval of the employee's or family member's health care provider, to schedule the treatment or supervision to avoid disruption to the District's operations. In giving notice, the employee must include the qualifying event for which the leave is needed, e.g., birth of a child, serious health condition of parent, etc. 22.6 Medical Certification: For leaves to care for a child, spouse or parent who has a serious health condition, the employee must submit to the immediate administrator or, if applying for a formal leave must attach to the leave application, medical certification from the health care provider which includes: (1)

Article XII - Leaves of Absence

11-19-02

F:\DATA CONTRACT:2002-05 UNIT E:ART XII 42

the date, if known on which the serious health condition commenced; (2) the probable duration of the condition; (3) an estimate of the time that the health care provider believes the employee needs to care for the individual; and (4) a statement that the serious health condition warrants the participation of the employee to provide care. If the leave is for the serious health condition of the employee, the employee must submit to the immediate administrator and/or, if applying for a formal leave, must attach to the leave application, medical certification as specified in (1) and (2), above, plus a statement that, due to the serious health condition, the employee is unable to work at all or is unable to perform one or more of the essential functions of the employee's position. Medical certification must be submitted no later than fifteen (15) calendar days after the leave request has been made. If the deadline by which the employee is to submit the medical certification is after the leave has started, the employee will be considered to have taken Family Care and Medical Leave pending the District's receipt of the proper certification. However, if the employee fails to provide proper certification, the employee will be treated as if he or she did not qualify for, and thus never took, Family Care and Medical Leave, will be treated as if he or she sought a leave of absence under another provision of this Agreement, and will not be given the protections set forth in this Article. In the case of leave due to a serious health condition of the employee, the District reserves the right to require, at its own expense, that the employee obtain the opinion of a second or even third health care provider designated by the District but not employed on a regular basis by the District. The second health care provider, if required, shall be selected by the District. The third health care provider, if necessary, shall be jointly approved by the District and the employee and this provider's opinion shall be binding. If the employee's leave has already begun during this medical review process, the employee will be considered to have taken Family Care and Medical Leave, pending the result of the examinations by the second and, if necessary, third health care provider. If additional leave beyond that provided in the certification is required, the employee must submit a new certification by the relevant health care provider. 22.7

Restrictions: In the event that parents who are both District employees each wish to take Family Care and Medical Leave for the birth, adoption, or foster care placement of their child, the combined total amount of leave that will be granted such employees will be twelve (12) workweeks during a fiscal year. These employees will still be eligible to take the remainder of their individual 12 workweek allotment for Family Care and Medical Leave for a purpose other than the birth, adoption or foster care placement of a child.

22.8 Compensation: The Family Care and Medical Leave shall be an unpaid leave. An employee who takes Family Care and Medical Leave and who has accrued vacation may elect, or the District may require, the employee to utilize vacation for this purpose, in lieu of unpaid status. An employee who takes leave for the employee's own serious health condition may

elect, or the District may require, the employee to utilize accrued illness days for the leave. During the leave, the District will continue to provide the health benefits package, and maintain the District contribution obligation pursuant to Article XIV, Health and Welfare, during the Family Care and Medical Leave (except as provided below) to an employee who is otherwise eligible for health benefits. However, an employee who does not return from such leave, or who works less than thirty (30) days after returning from the leave (unless the employee retires within thirty (30) days after returning from leave) will be required to reimburse the District for the District's cost of providing the health benefits package. The District, however, will not provide such health benefits for an employee for any leave period beyond twelve (12) workweeks. Accordingly, if an employee combines pregnancy leave with a Family Care and Medical Leave, the employee will only be entitled to continued health benefits for the first twelve (12) workweeks of leave. Thereafter, the District will provide the employee with health benefits to the same extent and under the same conditions as it provides to employees on other, similar leaves of absence. 22.9 Seniority: Accrual of seniority credit for the period of Family Care and Medical Leave shall be in accordance with Personnel Commission Rule 740. 22.10 Certification to Return to Work: The provisions of Section 11.6 and 11.7 shall apply to employees returning to work from a Family Care and Medical Leave (absence) due to the employee's own serious health condition. 22.11 Early Return From Leave: If the amount of leave needed is actually less than initially requested, the employee must notify the District of such an occurrence. Once the employee provides such notification, the District must reinstate the employee to the same or equivalent position within two days.

ARTICLE XIII WAGES AND SALARIES 1.0 The Council and the District agree that the wages and salaries negotiated in good faith and specified in Appendices A & B of this Agreement meet the prevailing wage obligations of the District for the term of this Agreement.

ARTICLE XIV HEALTH AND WELFARE 1.0 District Contribution Obligations: (as to all eligible District personnel): (a) For the 2002-2003 school year, the District's Health and Welfare benefit plan payment obligation shall not exceed \$573 million (the \$495 million obligation for 2001-2002 school year plus the additional \$78 million for all District personnel). The plan shall be amended as recommended by the Health Benefit Committee and approved by the Board of Education on September 3, 2002. (b) The District shall place \$10 million and additional saving from the health plan generated during this fiscal year in the Health and Welfare Prudent Reserve account to be used solely to fund future increases in the plan. (Inadvertently deleted from the 2000-2002 Unit E Agreement) 1.1 Benefit Augmentations Funded by Reserve: In 1997, the Districtwide Health and Welfare Benefits Committee recommended and the Board of Education approved certain augmentations to the District's health and medical programs. These augmentations included the addition of: coverage for domestic partners effective January 1, 1998; birth control benefits (Blue Cross only) effective March 1, 1997, and hearing aids effective March 1, 1997. The cost of these augmentations will continue to be funded from the Districtwide Health and Welfare Benefits Reserve without regard to each unit's pro rata share thereof. 2.0 Plan Revisions Through the District-wide Health and Welfare Committee: A District-wide Health and Welfare Committee shall be formed. a. Composition -- Each union shall be entitled to one (1) Committee member for every 5,000 unit members represented or fraction thereof. The District shall provide resource staff as determined by the Committee, and shall provide adequate paid release time for those Committee members who are employees of the District. b. Decision Making -- Consensus shall be used in all Committee deliberations. If a consensus decision cannot be reached, then in the alternative, each union shall have one (1) vote. Any recommended changes to the existing kinds and levels of benefits shall require a 2/3 vote of the unions present and voting. c. Authority--Subject to the terms of subsection g. below, the Committee shall have the sole and exclusive right, and duty, to design the Health and Welfare programs of the District, within the cost parameters of the District budget established for that purpose and in effect at the time. d. Proposed changes in the existing kinds and levels of benefits shall be submitted as recommendations to the Board of Education. The Board of Education shall have the limited authority to either: (1) approve the Committee recommendations as submitted, or (2) reject the Committee recommendations as submitted and

refer them back to the Committee. e. The Committee may investigate the creation during the term of this agreement of a joint Employer Health and Welfare Trust. Such Trust might include other public or private sector employees as determined by the Committee. The Committee shall review all existing contracts prior to expiration. No contract shall be for more than one (1) year, or awarded without open bid, except upon Committee approval. f. Benefit Eligibility -- During the term of this Agreement there shall be no changes in the eligibility requirements for District Benefits (see Section 3.0 below). g. The Council shall have the option of informing the District of its intent to remove its pro rata share of District health benefit expenditures and assume the responsibility of providing a benefit program for its members, or having the District design and administer a health benefit program for its members. However, any removal of its pro rata share of District health benefit expenditures shall be subject to the precondition of nine months' written notice to the District regarding the Council's intent to do so. Further, its removal shall only be effective on a January 1 plan anniversary date. 3.0 Eligibility for Plans: Eligibility requirements for employees and dependents shall be as provided in the applicable plan and also as follows: a. c. In order to remain eligible, the employee must be in paid status within the assignment basis. However, an employee in an unpaid status who later receives compensation from the District for the unpaid period shall be entitled to reimbursement of direct premium payments made which correspond to the period for which such compensation is allowed. To obtain such reimbursement, the employee shall file application therefore with the District's Health Insurance Section. d. In situations where employees are married to one another or share a domestic partner relationship and are covered by the same plan with one listed as a dependent, the dependent shall not, upon divorce, upon termination of the domestic partnership or upon the retirement or death of the spouse/domestic partner, lose any rights the employee would otherwise have had as an eligible employee or retired employee. 4.0 Retirement Benefit Coverage: Employees who retire from the District receiving a PERS/STRS allowance for either age or disability shall be eligible to continue District-paid hospital/medical, dental and vision coverage in which the employee was enrolled at the time of retirement. For the purposes of this section, qualifying years consist of school years in which the employee was in paid status for at least 800 hours and was eligible for District-paid insurance coverage. The following shall not count toward, but shall not constitute a break in the service requirement: (a) time spent on authorized leave of absence and, (b) any time intervening between resignation and reinstatement with full benefits within 39 months of the last day of paid service. Employees on "Continuation of Enrollment" pursuant to Section 6.0 below shall, if otherwise qualifying under this section, be eligible for coverage under the District paid insurance plans upon receiving a PERS/STRS retirement allowance. 5.0 Enrollment: For the hospital-medical, dental and vision care plans, an unenrolled employee eligible for enrollment may submit application for enrollment in a plan at any time.

However, an employee who has previously been enrolled in a plan during the current enrollment year must, upon reenrollment in that same enrollment year, select the same plan. Such an employee must wait until the next open enrollment period to effect a change of plans. The District shall process applications so as to make coverage effective on the earliest practicable date consistent with the plan provisions, and in no case shall this be later than the first day of the calendar month following the receipt of the completed application. 5.1 Eligible dependents may be enrolled by the employee in the hospital-medical, dental, and vision care plans at any time provided the eligible employee submits a Dependent add form and proof of eligible status as described below. Newborn children of the employee are automatically covered for the first thirty (30) days following birth, provided that an application for dependent coverage is received by the Health Insurance Section before the end of the thirty (30) day period. a. The employee and his/her partner: (1) have shared a regular and permanent residence for the past 12 months immediately preceding the application for coverage with the LAUSD; (2) are engaged in an exclusive, committed relationship for mutual support and benefit to the same extent as married persons and intend to stay together indefinitely; (3) are jointly responsible to each other for basic living expenses; basic living expenses are defined as the expenses supporting daily living, i.e., shelter, food, clothing (contributions need not be equal); (4) are not currently married to another person (5) have not signed a declaration of a domestic partnership with another individual in the previous 12 month period (6) are at least 18 years of age (7) are not blood relatives any closer than would prohibit legal marriage in the state of residence.

The employee must submit LAUSD Form DP2.0, A Statement of Disenrollment or Termination of Domestic Partnership. The coverage for a domestic partner shall end on the last day of the month in which the relationship and/or living arrangement terminates and/or for which either party is no longer eligible for coverage. 5.3 For the District-paid basic life insurance plan, all eligible employees are automatically covered. No application is necessary to obtain this benefit. 5.4 Eligible employees may enroll in the employee-paid life insurance plan without evidence of insurability, provided that a completed application is received by the District's Health Insurance Section no later than sixty (60) days from the date the employee is first eligible. Employees not submitting applications during the period specified above may enroll by providing evidence of good health acceptable to the plan. Applications for employee-paid life insurance shall be processed to provide coverage at the earliest date consistent with the plan provided and payroll deduction schedules. Employees participating in the employee-paid life insurance plan may also purchase spouse, domestic partner and/or dependent children coverage.

Dependents eligible pursuant to 5.1 above may be enrolled without evidence of insurability in the following circumstances: • An application for such coverage is made simultaneously with the employee's initial enrollment. • The eligible dependents are acquired after the point of initial enrollment by the employee. • Newborn children of the employee are automatically covered for the first thirty days following birth, provided that an application for dependent coverage is received by the Health Insurance Section before the end of the 30 day period. 5.5 For an employee whose spouse/domestic partner has other insurance coverage, reimbursement will be limited to the maximum percentage allowed by the higher individual policy. An employee whose spouse/domestic partner is also a District employee will not be covered as both an employee and as a dependent within the same plan. A married couple who both work for the District or domestic partners who both work for the District may include their qualifying children on their individual policies, but such children may not be covered more than once within the same plan. 5.6 Once each year there shall be an open enrollment period during which an enrolled employee may change hospital-medical benefit plans, dental plans and/or vision care plans. The District's Health Insurance Section shall establish and announce the date of said open enrollment period. 6.0 Continuation of Enrollment: With respect to the hospital-medical, dental and vision care plans, if an employee is in an unpaid status and not eligible for District contribution, the employee may arrange for continuance of enrollment under COBRA (see 9.0 - 9.3 below.) 6.1 With respect to the District-paid life insurance plan, coverage for an employee on an unpaid leave of absence other than for illness or industrial injury/illness shall not be provided until such time as the employee returns to active service in an eligible assignment. Coverage for an employee on an unpaid leave of absence for illness or industrial injury/illness shall continue for one year after which termination of coverage shall be processed and a conversion plan offered. 6.2 With respect to the employee-paid life insurance plan, employees who receive no salary or who receive insufficient salary to permit deduction of the required premium after all other deductions are made may continue coverage for a period not to exceed one (1) year by making direct payments of the appropriate premiums by check or money order payable to the plan and sent to the Health Insurance Section. 6.3 With respect to employees who decline to make the above continuation payments, coverage shall be terminated and they shall not be eligible to re-enroll in a plan until returning to active service in an eligible assignment and, with respect to the employee-paid life insurance plan, submitting evidence of good health acceptable to the plan. 7.0 Termination of Enrollment: The enrollment of an employee shall terminate:

a. For failure of the employee to make direct payment as provided under Sections 8.0 and 9.0, in which case coverage shall terminate at the close of the month for which the last premium was paid; b. At the request of an employee, in which case coverage shall terminate at the close of the month in which the request was submitted; c. Upon termination of employment, in which case coverage shall terminate at the close of the month in which the employment termination was effective; except for District paid life insurance in which case coverage shall terminate on the date the employee ceases to be employed. d. In the event of the employee's loss of eligibility, in which case coverage shall terminate at the close of the enrollment year, except for the District-paid life insurance plan, which shall terminate coverage on the date of loss of eligibility; and e. For District-paid life insurance, upon the employee's loss of eligibility or termination of employment, in which case coverage shall terminate on the date the employee ceases to be eligible or employed. 7.1 With respect to hospital-medical plan coverage, if the employee's participation is terminated at the plan's request for other than non-payment of premium, the employee may enroll in another of the District's hospital and medical plans by making proper application to the District's Health Insurance Section. 8.0 Conversion of Enrollment: With respect to the hospital-medical plans, an employee who is enrolled in a plan for at least two (2) consecutive calendar months and whose enrollment terminates because of (a) failure to make direct payment when required, (b) loss of eligibility, or (c) termination of employment, shall be given the opportunity to exercise the right of conversion of such individual coverage as provided by the plan, at the employee's expense. With respect to the life insurance plan, an employee whose enrollment terminates because of (a) failure to make direct payments when required, (b) termination

of employment, or (c) loss of eligibility, shall be given the opportunity to convert, at the employee's expense, to a permanent form of insurance (other than term insurance) pursuant to the provisions of the plan. 9.0 COBRA: Pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA), eligible employees or dependents may have continuation of coverage for a given period of time at their own expense under the District's health, dental and vision care plans in the event of termination of coverage due to one of the following causes: Death of covered employee, termination of covered employee (under certain conditions) or reduction in covered employee's hours of employment, divorce or legal separation of the covered employee, or a dependent child ceasing to be eligible for coverage as a

dependent child under the District's health and welfare plans. In accordance with COBRA regulations, domestic partners are not considered qualified beneficiaries and are ineligible for COBRA continuation coverage. 9.1 The monthly premium for continued coverage shall be determined at the time of eligibility and shall be subject to change; however, the premium charged to employees will not exceed 102 percent of the premium paid by the District for active employees and/or dependents in a comparable status. The continuation coverage shall be the same as the coverage available to continuing employees, regardless of the employee's health at the time. 9.2 It shall be the responsibility of the employee or the dependent to notify the Health Insurance Section of a divorce, legal separation or loss of eligibility of a dependent child at the time of such an event. At the time of eligibility for continuation coverage, and upon such notification, an election form shall be provided by the District. 9.3 COBRA shall be administered pursuant to federal law, and all decisions and rules with respect to eligibility, premium costs, qualification for benefits, and level of benefits shall be in accordance with published federal government guidelines. Accordingly, it is expressly understood that all such matters, as well as any other questions or issues relating to COBRA, are excluded from the grievance and arbitration provisions of Article V (Grievance Procedure). 10.0

Miscellaneous Provisions 10.1 If any premium is refunded by a Plan carrier/administrator, it shall be retained by the District, unless it is the result of a direct payment made by an employee in which case it shall be refunded to the employee. If any injury or illness is caused or alleged to be caused by any act or omission of a third party, payments will be made according to the terms of the Plan for the services of physicians, hospitals and other providers; however, the Plan Member must reimburse the Plan for any amount paid by the Plan, up to the amount of any settlement or judgment the Member, the Member's estate, parent or legal guardian receives from or on behalf of the third party on account of such injury or illness. The Plan may, in its discretion, condition payment upon execution by the Member, the Member's estate, parent or legal guardian of an agreement (1) to reimburse the Plan accordingly, and (2) to direct the Member's attorney to make payments directly to the Plan. 10.2 The controlling documents regarding all health plans are the applicable contracts between the District and the carriers/plan administrators. All disputes regarding coverage and benefits are to be resolved under the plan's own grievance procedures rather than under Article V of this Agreement.

11.0 Employee Assistance Program a. General: An Employee Assistance Program (EAP) shall be established for employees and dependents eligible for other benefits pursuant to Section 3.0 of this Article. The objectives of the program shall be to provide confidential, professional counseling and referral services for a wide range of employee concerns including but not limited to: personal, marital and family problems; psychological and emotional problems; alcohol and substance abuse and dependency; or problems arising out of financial or legal matters. The program shall be designed to provide employees with the information, resources and opportunities to resolve personal, family and work problems before job performance is affected and to assist employees in correcting problems contributing to substandard performance. The program is not intended to supplant other forms of assistance or medical referrals currently permitted under this Agreement, Board Rules or the law. b. Confidentiality: The program is to be based upon strictest confidentiality and privacy, so that appropriate assistance can be offered by the District and/or sought by employees without adverse effect upon the employment relationship. EAP personnel shall not divulge to the District information relating to the decision of any individual employee to seek or decline EAP

assistance, referrals or follow-up treatment. Neither the employee nor the District may refer to the following matters in any evaluation or disciplinary action, or appeal: (1) The decision of employees to utilize EAP services, or not to do so or actual participation in the EAP. (2) The recommendation by anyone, including administration, that an employee should utilize EAP services, or the failure to make such a recommendation. The existence of the EAP shall stand as conclusive evidence that the District has offered appropriate assistance for any personal problems which may have a bearing upon job performance of employees eligible for EAP and which fall under the purview of EAP. c. Employee Accountability: Employees remain personally accountable for their job performance. The existence and/or utilization of the EAP and other services shall not serve as an excuse for inadequate job performance or as a defense in any evaluation or disciplinary action. 12.0 The IRS 125 Flexible Spending Account program currently available to certain certificated employees shall be expanded to enable eligible Unit E employees to enroll.

ARTICLE XVI VACATION 1.0 An employee shall earn vacation for active service in a regular assignment or in an assignment in the same or another class in lieu of the employee's regular assignment in accordance with Section 1.1 "Active service" means all of the time for which pay is received, excluding overtime. 1.1 Accrual of vacation shall be determined based on the factors and in the manner set forth in the following table: Vacation Accrual Employee's Factor Based on Years of Service 40 Hour Workweek

During subsequent years of service vacation accrual shall be at the rate of the forty (40) hour workweek above. 1.3 A "year of service" for the purpose of this Article shall be defined as paid service in regular status for 130 days or more within the fiscal year, including time served in probationary or permanent certificated service; however, total assignment hours annually shall not exceed 2080 hours for years of service credit. 1.4 No employee shall be permitted to accrue vacation in an amount greater than that which the employee earns in eighteen (18) pay periods (the employee's "vacation cap amount"). Once the employee has accrued vacation in an amount equal to the employee's vacation cap amount, the employee shall cease to accrue vacation until the employee uses vacation in an amount sufficient to reduce the employee's accumulated vacation balance below the employee's vacation cap amount (except that the employee shall continue to be credited with vacation during the year at the usual rate, but shall not carry forward into any subsequent year any unused vacation beyond the vacation cap amount). All appropriate adjustments shall be made annually at the end of each fiscal year so that the employee's earned vacation balance carried forward to the next fiscal year shall not exceed the employee's "vacation cap amount." 1.5 Consistent with the 18 pay period vacation cap amount set forth in 1.4 above, the following procedure for scheduling of vacation time shall be in effect: By April 15 of each school year each employee shall provide to his/her appropriate administrator or designee a proposed written vacation usage schedule for the following school year, which schedules vacation for the school year in amount necessary to assure the employee will not exceed the vacation cap amount. The vacation days identified in the employee-submitted vacation schedule shall be scheduled in a manner consistent with the provisions of 1.6 through 1.9 below. For those employees with vacation accrued from prior years, unless otherwise directed by the employee's appropriate administrator, the proposed vacation schedule shall include up to four (4) days of any District closure during the winter recess. 1.6 a. Within fifteen (15) calendar days of receipt of the employee's vacation usage schedule, the appropriate administrator shall provide a written acknowledgment either approving the employee's submitted vacation usage schedule for the following school year, or disapproving the submitted schedule and providing a basis in writing for that denial. Timely submitted vacation schedules shall not be denied for reasons other than workload, scheduling conflicts or where the proposed schedule for

vacation would substantially interfere with the operation of the employee's work unit. Changes in pre-approved vacation schedules will not be made by the District except for critical operational necessity or an emergency that would substantially interfere with the operation of the employee's work unit. Vacations in progress shall not be canceled for reasons other than a declared state of emergency. Except as provided in Section 1.8, any scheduling conflict(s) between or among employees working in the same unit or office as to when vacation can be taken shall be decided by site or work unit seniority within classification. In the event of a tie, the scheduling conflict shall be determined by lot. b. An employee whose previously approved vacation has been changed due to a critical operational necessity shall have the right, prior to filing a formal grievance pursuant to the grievance procedure, to meet with the employee's appropriate administrator and the appropriate Division Head or designee to attempt to informally resolve the appropriateness of the vacation change. The meeting shall occur and the decision of the Division Head or designee shall be provided within five (5) days of the employee's request for the meeting. Nothing herein shall alter the 15-day time limit for filing a written grievance as required by Article V, Grievance Procedure. 1.7 Once an employee's vacation schedule is submitted and approved pursuant to the above, no change can be made by the employee without submission of an alternate vacation schedule for the date(s) in question. The requested modification(s) shall not be unreasonably denied. 1.8 An employee that is prevented or prohibited from taking vacation previously approved by the employee's appropriate administrator shall be permitted to exceed by that amount the vacation cap amount for the school year in question, and shall be granted a preference the following year in scheduling vacation so as to assure the employee's ability to schedule sufficient vacation to reduce the employee's vacation accumulation below the vacation cap amount. However, such relief from the vacation cap amount must first be pre-approved in writing by the Superintendent or designee. 1.9 The District shall be permitted (but not required) to schedule

and require any employee with vacation accrued from prior years to take vacation under the following circumstances: a. On up to four (4) days designated by the District during the employee's assignment period; b. When the employee fails to provide an annual vacation schedule per 1.5 above; c. When the employee has accrued vacation in an amount equal to or greater than the vacation cap amount, as provided in 1.8 above.

1.10 Vacation may be interrupted or terminated in order to begin illness leave, bereavement leave, jury duty leave or military leave. 1.11 Except as set forth in 1.12 below, in computing pay for vacation, all applicable salary differentials shall be included and vacation shall be paid at the base salary rate in effect at the time the vacation is taken. 1.12 a. Notwithstanding the foregoing provisions and in order to facilitate a complete transition from an unlimited vacation accrual system to the above-described 18 pay period vacation cap system, the District shall, for each employee employed by the District as of the adoption of this agreement by the Board of Education, calculate the employee's total accrued vacation as of June 30, 1994 (the "1994 accrual bank"). The District will then credit each employee with their 1994 accrual bank as vested vacation to be paid out at the time the employee separates from the District, but at the employee's salary rate in effect as of June 30, 1995. b. In order to encourage employees to draw from their 1994 accrual bank (and thereby reduce the District's current unfunded vacation liability), should an employee utilize any vacation from their 1994 accrual bank during the employee's employment with the District including vacation hours used during 1994-95, that vacation shall be paid out at the employee's current salary rate at the time the vacation is utilized and deducted from the 1994 accrual bank annually at the end of the fiscal year. c. The amount of vacation from the 1994 accrual bank which may be utilized by an employee during any school year shall be limited to twenty (20) days. This limitation shall include vacation used in lieu of half-pay illness days pursuant to Article XII, Section 11.5. Exceptions may be made at the sole discretion of the District, but must be pre-approved in writing by the Superintendent or designee. 1.13 Except as set forth in 1.12 above with respect to employees' 1994 accrual bank, on separation from service, the dollar value of the employee's vacation balance shall be paid as a lump sum at the employee's salary rate at the time of such separation (pursuant to 1.11 above). 1.14 Attendance Incentive Plan a. A vacation-earning employee who accumulates a total of fifty (50) days or more days of full-pay illness absence credit earned subsequent to June 30, 1995 shall, on a one-time basis as of June 30 of the school year in which he or she accumulated those fifty (50) days, be credited with two (2) additional days of vacation. An employee whose full-pay illness absence credit earned subsequent to June 30, 1995, thereafter

drops below 50 or more days shall not be entitled to additional vacation under this section, except pursuant to subparagraph (b). b. Each additional increment of twenty-five (25) days of unused full-pay illness absence credit beyond fifty (50) days and earned subsequent to June 30, 1995 shall entitle the employee to one (1) additional vacation day.

ARTICLE XVII SAFETY CONDITIONS 1.0 The District shall be responsible for providing working conditions which conform to applicable law. Employees shall be responsible for complying with safety procedures and practices and for reporting to the immediate supervisor as soon as possible any unsafe condition, facility, or equipment. At each Maintenance and Operations Area and major work site, there shall be posted the name of an individual designated by the District to receive employee reports of unsafe conditions. There shall be no reprisal against an employee for reporting an unsafe condition, facility or equipment.

ARTICLE XVIII TOOL REPLACEMENT 1.0 Subject to 3.0 below, the District will repair or replace (or pay the cost of repairing or replacing) employees' tools which are broken or damaged in District service or lost through verified theft from District property not the result of the employee's negligence. Such tools must be those of the employee and must be listed on approved inventory lists. Broken or damaged tools

will become the property of the District. The newly replaced tools will become the property of the employee. The District shall not require any employee to provide any power-operated tools. 2.0 It is understood that employees will be responsible for taking good care of their tools and that they will be held responsible for carelessness, neglect, and misuse. The District reserves the right to review cases where there are repeated or high frequency claims for tools. 3.0 If employees' tools are damaged beyond repair or stolen, the replacement value of the tools, as determined at the time of damage or theft (including a normal allowance for depreciation) shall be paid, subject to a \$100 deductible. Claims of less than \$100 shall not be processed. The maximum payment for any one loss shall not exceed \$500.
