ARTICLE III: PROFESSIONAL YEAR

Section A: Professional Year for Teachers

Paragraph 1: Contract Days

(a) The base contract days for teachers for each contract year, exclusive of those in supplemental or contract addendums, shall be 186 days, consisting of teaching and non-teaching professional days as determined by the Board. The base contract days for teachers at Colvin, Payne, Dodge, and Jardine schools; and Samuel E. Spaght Accelerated Magnet Academy for each contract year shall be up to 210 days so long as those schools remain on an extended year schedule. The base contract for High School Junior Reserve Officer Training Corp (JROTC) instructors shall be for twelve (12) months a year. High School JROTC instructors shall observe as nonworking days the days on the calendar as set forth in Appendix A that are identified as holidays and recess days. Additional nonworking days, to a maximum of 20 days, shall

be arranged with and approved by the base principal and shall normally be scheduled outside the school year. High School JROTC instructors shall be entitled to such additional nonworking days commencing August 1 the second year of their employment. If a High School JROTC instructor starts work after August 1 of a year, then commencing the upcoming August 1, the instructor shall be entitled to a prorated number of nonworking days based on the time period worked. Those nonworking days not used by August 1 of each year shall be lost as of each August 1. The Superintendent and the UTW President will review all requests submitted to extend the school year prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff who do not support the extended year concept shall have the right to transfer. Such contract days shall be scheduled on weekdays, Monday through Friday, between the first and last workday of each contract year. In the event that schools are closed for one or two days due to inclement weather, the number of base contract days shall be reduced by such one or two days.

Paragraph 2: New Teacher Orientation

Prior to the teachers report day, the administration may schedule up to three (3) days for the purpose of orientating newly employed teachers. Such days shall be used for staff development, diversity training and other orientation activities designed by the administration. One of the days will continue to be presented in the format used during the 2000-01 year, and UTW shall be given the opportunity to present items of mutual interest on this day. At least one hour will be given to UTW during the other two days for UTW to present items of mutual interest. UTW shall also be given the opportunity to present items of mutual interest on one day to extended school year teachers that do not participate in the regular new teacher orientation. New teacher orientation for extended year teachers may be shortened to two days by mutual agreement between the Administration and UTW. UTW shall participate with the administration as to preparing and designing the new teacher orientation program. Any teacher who is required to attend shall receive his/her

daily rate for attendance on the day that follows the 2000-01 format and shall receive \$12 per hour for attendance on the other two days. Payment shall be made on or before September 15. Partial days shall be prorated. Compensation shall be paid in accordance with regular payroll procedures. Teachers shall select a fringe benefit option. The teacher shall have up to three succeeding days (Monday-Friday) to change the selection.

Paragraph 3: Workshop Inservice Training Day

During each contract year, attendance centers shall be guaranteed at least one day between October 1 and March 15 on any Monday through Friday for the purpose of a workshop or inservice training. The Superintendent shall schedule the time to be taken.

Additional half days of uninterrupted time will be provided for teachers to work in their classrooms on the October and March district staff development days. However, if the teacher's school is involved in a QPA or NCA final accreditation year cycle, the principal may use either the October or March day for QPA/NCA visitation purposes. Teachers shall be provided one full day of uninterrupted time at the end of the second and fourth nine-week grading periods.

Paragraph 1: The ending time of the school day in each building shall be seven (7) hours and ten (10) minutes after the beginning time. The Superintendent and the UTW President will review all requests submitted to extend the school day prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff who do not support the extended day concept shall have the right to transfer. Teachers shall be present during those hours when they have an assigned responsibility. Teachers must notify the building principal or designee when they will be out of the building while school is in session.

Paragraph 2: Teachers shall attend individual conferences with administrators at reasonable times but in no case later than the teacher's next conference/preparation period.

Paragraph 3: Teachers shall attend necessary staff meetings at the direction of the base school principal or district office program administrators. Normally, teachers shall be given at least 48 hour notice of such meetings. Normally, not more than two (2) total building staff meetings shall be held per calendar month and teachers shall not be required to attend longer than 60 minutes per meeting.

Paragraph 4: Teachers shall attend pupil and parent conferences when necessary including reasonable requests from a pupil or parent.

Paragraph 5: Teachers shall be present in and around the building for a minimum of ten (10) minutes before and after the school day. This time shall be used for the purpose of preparations, conferences, and supervision of pupils as directed by the principal.

Paragraph 6: Teachers shall make complete and adequate preparation to fulfill their responsibility to pupils.

Paragraph 7: Teachers shall accomplish necessary administrative work directly related to their assignments.

Paragraph 8: Teachers may be required to collect and transmit money. Teachers shall exercise reasonable care to assure that money collected will not be lost. Reasonable effort will be made to keep money collection by teachers to a minimum and to expedite the collection process. Each teacher who collects monies shall be provided building and district policies concerning the collection of money.

Paragraph 9: Teachers shall not be required to transport pupils to or from activities which take place away from the school building except where such transportation would be a normal responsibility of a particular position and/or condition of employment under a supplemental contract. However, a teacher may do so voluntarily with the advance approval of the building principal.

Paragraph 10: On nonteaching professional days, teachers shall be present for seven and one-half (7-1/2) hours including the lunch period. An authorized administrator may reduce such time requirement.

Paragraph 11: Teachers shall attend up to three (3) evening activities designated as mandatory by the base school principal. Open House will be one of the mandatory evening meetings. The remaining two evening meetings shall be scheduled with prior written notice. Such meetings shall be of useful purpose and teachers shall not be required to attend longer than two (2) hours per meeting. Additional mandatory evening activities may be designated upon a majority affirmative vote conducted by secret ballot of the teachers.

Paragraph 12: All teachers shall be guaranteed at least one 40-minute, duty-free lunch period per day.

Paragraph 13: Instructional/Curriculum support will be made available to teachers who have students mainstreamed into their classes.

Section B: Elements of the Day, Classroom Teachers

Paragraph 1: Each full-time classroom teacher and special education teacher shall have a schedule which normally provides at least 240 minutes per five day week for conferences and preparations. In grades one through five and full-time kindergartens, this time shall occur in not less than 30

minute periods. In half-day kindergartens and pre-kindergartens, this time shall occur in not less than 20 minute periods.

Paragraph 2: The teacher shall make his/her lesson plans and any other material which the teacher is using available to the principal upon request. Lesson plans shall be based upon standards but are required only in sufficient detail to provide guidance to the teacher.

Paragraph 3: When any class assigned to the teacher does not meet for any reason, the teacher may be assigned other professional duties during the classtime.

Paragraph 4: When a teacher is absent, the teacher shall have available for the substitute lesson plans in sufficient detail to provide adequate guidance to the substitute, class lists, and seating charts where appropriate. In the event an absence exceeds three (3) days, the teacher shall make the grade book available to the substitute upon request.

Section C: Elements of the Day, All Teachers Except Classroom Teachers

Paragraph 1: The base school principal shall determine the teacher's daily time schedule after giving consideration to any schedule which the teacher may have suggested and to the teacher's need for conference/preparation time. Teachers shall also be present during those additional hours required to perform their particular assignments. Teachers who in one day serve multiple buildings with different starting times shall not be required to have a permanent schedule which would exceed the normal workday for non-classroom teachers.

Paragraph 2: Teachers shall attend evening activities related to their particular assignments as designated by the base school principal.

Paragraph 3: Each full-time elementary music teacher, elementary physical education teacher, elementary library media specialist, and elementary art teacher shall have a schedule which normally provides approximately 240 minutes per five day week for conferences and preparations. This time shall occur in not less than 20 minute periods.

Paragraph 4: Library media specialists will not be required to supervise study halls while carrying out their regular assignments as library media specialists.

Paragraph 5: Except for an emergency situation or implementation of the building emergency plan, teachers for which a personnel shortage requires a portion of those services to be contracted out, shall not be required to serve as a temporary substitute or to supervise students during lunch, recess, passing periods, assemblies, study hall or before or after school.

Section D: Extra Duties

Paragraph 1: While participation in extra activities including inservice and committee activities beyond the professional day may be encouraged by the Board or administration, the same will be voluntary in nature unless required by the responsibilities as set forth in Sections A, B, or C above, or unless required by the Supplemental Salary Section of the Teacher Compensation Article.

Paragraph 2: Regular duties assigned in addition to the responsibilities set forth should be compensated and set forth in a Supplemental Salary Schedule, and once compensation is so set, accepted and added to a Supplemental Salary Schedule as set forth in the Teacher Compensation Article, such duties shall be fully performed in a professional manner.

Section E: Time Schedules

Paragraph 1: Teachers shall work in accordance with established time schedules. Such schedules shall include the lunch time(s) and, in some buildings, the number of and times for teaching periods.

Paragraph 2: Permanent changes in a school's normal time schedule may be proposed by the principal or the School Building Committee. Under normal circumstances, changes should be proposed no later than April 1 for the following school year. Such proposed changes shall be submitted to the School Building Committee which shall be responsible for determining the degree of acceptance by teachers who would be affected. The findings of the committee shall be reported to the principal in a timely manner. The principal

shall give consideration to such findings prior to making his/her decision and the School Building Committee shall be notified in writing of that decision. If the School Building Committee does not give written notice of its disagreement with the principal's decision within five (5) contract days, the principal's decision shall be implemented.

Paragraph 3: If the School Building Committee notifies the principal within five (5) contract days of its disagreement with his/her decision, the elementary or secondary District Schedule Committee, each composed of three (3) members appointed by the UTW and three (3) members appointed by the Superintendent, shall meet and permit the School Building Committee, the principal, and other interested parties an opportunity to be heard regarding the proposed school changes. The District Schedule Committee shall make a timely recommendation to the Superintendent. The Superintendent shall give consideration to the recommendation of the District Schedule Committee prior to making his/her decision. The Superintendent's decision shall be implemented.

Section F: Supervision of Student Teachers

Paragraph 1: Supervision of a student teacher shall be voluntary. Teachers shall normally be notified of a student teacher assigned at least two (2) weeks prior to the student teacher's introduction to the classroom. The school system shall provide the cooperating teacher with whatever materials it deems appropriate. The cooperating teacher shall be responsible for being knowledgeable of the contents of any such materials provided.

Section G: Appeal

Paragraph 1: In the event an administrative decision is made concerning the professional day, such decision shall remain in effect pending determination under the grievance procedure.

Section H: Extended School Day and School Year Waiver

Paragraph 1: At its discretion, the administration may extend the school day and year at Colvin, Payne, Dodge, and Jardine Schools; and Samuel E. Spaght Accelerated Magnet Academy for up to eight and

one-half (8 1/2) hours per day and 210 days per year. Teachers shall be compensated for the additional hour each day by receiving a supplement at Level C, Level D, or Level H to be determined by the principal. The additional hour shall normally be used for planning, conferences, professional development, and preparations.

ARTICLE V: TEACHER COMPENSATION

Section A: Definition and Placement

Paragraph 1: Each teacher employed by the Board shall be compensated for the professional services which he/she renders during the professional days for the term of a contract year. This compensation shall be termed salary and the amount of such salary each teacher receives for a contract year shall be determined by his/her placement on the Teachers Salary Schedule (Section B, Paragraph 1, of this Article).

- (a) A fractional part of a year's service shall be paid on the basis that the number of contract days worked bears to the total number of contract days in the contract year.
- (b) The base contract salary shall be prorated for any teacher who teaches less than full time.

Paragraph 2: The final judgment concerning the placement of any teacher on the salary schedule shall be determined by the Human Resources Division. Such judgments are not to be inconsistent with this Section.

Paragraph 3: General Provisions

- (a) Each teacher shall be eligible for and shall receive the highest salary to which his/her academic preparation and experience entitle him/her. All salary placements are subject to verification of experience and training and shall be adjusted in any direction for each school year to the level for which the teacher proves his/her entitlement on or before September 15 of each year. Experienced teachers beginning their employment after September 15 of a school year shall be placed on the track and step for which they qualified as of September 15 of that school year. Inexperienced teachers beginning their employment after September 15 of a school year shall be placed on Step 1 of the B.A. Track or on Step 1 of the track for

which they qualified as of September 15 of that school year, whichever is higher. Teachers employed full time for one full semester of a school year shall be given credit for one year of experience; however, one full semester of full-time teaching experience obtained in each of two different years or school systems shall be combined and counted as one year of experience with adjustment in step placement made accordingly. Notwithstanding anything to the contrary herein, teachers shall not move a step for the year 2003-04 but teachers eligible for step movement shall be guaranteed one step movement for the year 2004-05. The aforesaid sentence shall be automatically deleted in the 2004-05 Teachers Employment Agreement.

- (b) Subject to (a) above, the teacher qualifies for one (1) higher step for each full year of teaching experience under a contract with Unified School District 259, and for each year of extended or sabbatical leave when such leave is expressly to be so counted in the Leaves Article. However, any teacher who completes the previous school year on a Plan of Assistance and continues on that plan in the next school year will not qualify to advance to a higher step. Notwithstanding any other provisions of this agreement, upon successful completion of a Plan of Assistance, the teacher shall immediately move to the next step. This phrase "full year" as used in this subparagraph shall mean being under a base contract for 170 or more days within one contract year. No teacher will move more than one step in any year.
- (c) At the time of reemployment, a teacher who has been employed previously as a teacher under a contract with Unified School District 259 shall be placed in accordance with the salary provisions of the current Teachers Employment Agreement. However, no such teacher shall be placed on a lower numbered step than he/she was on at the time of the last day in base contract pay status of the most recent prior employment. Furthermore, if at that time the teacher was eligible for the next higher step in the subsequent contract year, the teacher shall be placed on that next higher step on the appropriate track at the time of employment. This step placement shall be adjusted as necessary to account for changes in salary placement procedures which may have occurred in the interim.

- (d) Any former teacher who is reemployed within twelve (12) months of the date of termination will have his/her temporary leave days that were accrued at the time of separation reinstated for up to a maximum of five (5) years for temporary leave that was accrued after March 31, 1999 unless severance compensation has been paid for such leave.

Paragraph 4: Placement on Teachers Salary Schedule

clinical social work experience may be given, subject to approval by the Human Resources Division. Credit for a masters degree shall be given only in the field of social work.

(d) **Health Services**

At the time of employment and subject to (b) above, full credit for registered professional nursing experience in a school program shall be given. Full credit for registered professional nursing experience may be given, subject to approval by the Human Resources Division. (g) **Sixty Hour Master Degrees**

Teachers who earn master degrees which required a minimum of sixty (60) graduate semester hours (or their equivalent in quarter hours or third hours) in their area of assigned responsibility shall qualify for placement on the MA + 30 Track of the Teachers Salary Schedule.

(h) **High School Junior Reserve Officer Training Corp Instructors (JROTC)**

The salary for High School JROTC instructors shall be the amount set forth in Section B of the Teacher Salary Schedule in accordance with the salary provisions for other teachers multiplied by 221 times the daily rate of pay or the amount set as the minimum pay for High School JROTC instructors by the Federal government in

accordance with the Junior Reserve Officer Training Corp Act plus 3.545% of said amount, whichever amount is greater. High School JROTC instructors without a degree shall be placed on the BA track of the Teacher Salary Schedule.

Section A: Temporary Leave

Paragraph 1: Chargeable Temporary Leaves

- (a) Each teacher who is under a full-time contract for a full professional year shall be granted twelve (12) temporary leave days on the first day that the teacher reports for work in that professional year. Each teacher at extended day/extended year schools on a 210-day, full time contract for a full professional year shall be granted thirteen and a half (13.5) temporary leave days. Temporary leave days shall be prorated for any teacher who is contracted for less than full time but at least half time or who begins his/her employment after the beginning of the professional year. However, teachers in less than half-time positions who were hired before August 1, 1999 shall receive prorated temporary leave days. Temporary leave days granted shall be added immediately to the teacher's accumulation. A teacher under an addendum contract shall be granted one (1) temporary leave day for each fifteen (15) days of paid addendum computed to the nearest half day. Such additional days shall be added to the teacher's accumulation upon completion of the addendum contract.
- (b) Unused temporary leave days shall be cumulative without limit.
- (c) Accumulated temporary leave days may be used for:
 - (1) Personal illness, injury, or incapacitation up to the maximum of the number of days the teacher has accumulated. However, no teacher may use temporary leave days for any single such disability beyond 180 calendar days from the first day of disability. On or before the end of thirty (30) calendar days from the beginning date of the disability and on or before the end of every thirty (30) calendar days thereafter, the teacher and his/her physician shall furnish a statement verifying the disability. For the recurrence of a disability to be considered a new disability, the teacher must have returned to work for a continuous period equal in length to the period of absence or for thirty (30)

consecutive contract days if the period of absence exceeded thirty (30) contract days. However, if such time period is interrupted by the end of the school year, a teacher who fails to complete such time period upon the start of the next school year may file an appeal with the Assistant Superintendent of Human Resources who may waive the remaining days. Short absences for reasons not related to the disability shall not be counted towards fulfillment of this requirement, but will not be considered an interruption thereof. Temporary leave for maternity will be granted to teachers during the period of actual incapacitation from performing their duties. Pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery shall be treated as any other temporary disability for job-related purposes, including commencement, duration and extensions of leave, payment of disability income, reinstatement and any other fringe benefit offered to employees by virtue of employment.

- (2) Illness, injury, or death of the teacher's spouse, child or parent up to a maximum of fourteen (14) days per contract year. Up to eight (8) of these days may be used for illness, injury, or death of the teacher's in-law, grandchild, grandparent, sibling, aunt, uncle, niece, nephew, any person having been regularly living in the teacher's household, or in-law of the teacher's spouse, child or parent.
- (3) Personal leave up to a maximum of three (3) days per contract year to be taken at the teacher's discretion by teachers with less than twenty (20) years employment with the Board, and up to a maximum of four (4) days per contract year to be taken at the teacher's discretion by teachers with twenty (20) years or more employment with the Board. However, teachers shall properly file a form of notification twenty-four (24) hours in advance of a personal leave. Teachers shall not take temporary personal leave during nonteaching professional days nor during the first five and last five days of the school year nor during addendum contracts of twenty (20) or fewer days nor to extend those non-working days or conference release days as

identified by the school calendar. However, in cases of emergency, the principal may waive the preceding restrictions other than the numerical limit. In addition, the teacher may use personal leave to attend a graduation of the teacher's child.

- (4) Temporary active duty up to a maximum of fourteen (14) days per contract year. Leave for temporary active duty is provided the teacher who is a member of a reserve military unit which is ordered to active duty as a result of an emergency or disaster.
- (5) Paternity leave up to a maximum of three (3) days per contract year. Paternity leave is provided for the father to attend the birth of his child.
- (6) Adoptive leave up to a maximum of ten (10) days per contract year.
- (d) When a teacher is absent from his/her assignment for any of the above reasons, such absence shall be a chargeable absence and the number of days of such chargeable absence shall be subtracted from his/her accumulated temporary leave days. Absences for one-half (1/2) day or less shall be chargeable as one-half (1/2) day. Absences for less than a day but more than one-half (1/2) shall be chargeable as one (1) day. A teacher's salary shall be reduced by the amount of his/her daily rate of pay for each day of chargeable absence in excess of the limits specified by subparagraph (c) above. However, the numerical limits specified by subparagraph (c) (2), (c) (4), and (c) (6) above may be extended by the Superintendent upon written request by the teacher if the teacher has accumulated sufficient days.
- (e) For any day that the teacher receives compensation for total disability under the Worker's Compensation Law for compensable illness or accident arising out of or in the course of his/her employment, the teacher's payment for temporary leave shall be reduced by 100 percent of the amount of the worker's compensation total disability payment received by that teacher.
- (f) When the administration has doubt of the authenticity of the reason given by the teacher for any absence other than personal leave, the administration reserves the right to require

evidence of authenticity. After five consecutive days of absence, the administration may require the teacher to furnish evidence of authenticity of the reason given by the teacher. Such evidence shall be subject to review and appropriate action by the Human Resources Division.

- (g) If, in the judgment of the building principal, the total number of absences on a given day by teachers based at the building will impair or is impairing the educational program, then the principal may request that teachers not take personal leaves.

Paragraph 2: Nonchargeable Temporary Leave

Subject to administrative approval, a teacher may be granted temporary leave for the following purposes, subject to the following provisions. Such temporary leave shall not be chargeable to cumulative temporary leave days, and the teacher shall receive his/her full pay.

- (a) **Court Duty or Jury Duty**
A teacher may be granted temporary leave to appear in court to answer a jury summons, or for reasons other than personal neglect, violation of law, or matters in which the teacher has a vested interest. Paragraph 1: The teacher, as a member of the teaching profession, has certain rights, privileges and prerogatives. The Board so recognizes the teacher as a professional person and, when it employs him/her, it does so with the express intent of honoring these rights, privileges and prerogatives. Correspondingly, when the teacher accepts employment by the Board, he/she does so with the intent of fulfilling his/her professional and contractual responsibilities.

Paragraph 2: As a professional, a teacher is frequently called upon to employ his/her own judgment with regard to his/her actions. In doing so, the teacher must bear the responsibility of his/her decisions. In the area of the exercise of his/her professional rights, the teacher's judgment must be relied upon in the general course, but is subject to review in accordance with provisions established by contractual agreement or law.

Section B: Rights and Responsibilities

Teachers have the right to express opinions on school policies and conditions, make declarations, and vote on issues. Teachers are free to dissent from the views of other teachers, if they are so inclined. No reprisals shall be made as a result of

Paragraph 2: Organizational Activities

Teachers have the right to join and participate in lawful activities of their own choosing.

Paragraph 3: Political Activity

Each teacher is free to exercise rights and fulfill responsibilities as a citizen by participating in political activity, attending functions of political parties, belonging to the party of choice, seeking support in the community on political issues, becoming a candidate for public office and holding such office. The teacher's political activity, however, must not compromise professional integrity. The teacher must not misuse his/her professional position to pervert academic freedom in the interests of personal political beliefs or ambitions or those of a political group. A teacher shall not in the course of employment or by virtue of his/her professional contact with pupils use pupils to influence or attempt to influence a partisan political election or other election for public office.

Paragraph 4: Individual and Personal Rights

The teacher's individual and personal rights outside the academic setting are no less than those of other citizens. The personal appearance of a teacher shall be left to the discretion of that teacher. However, his/her appearance shall not adversely affect his/her professional performance.

Paragraph 5: Curriculum and Materials

Paragraph 2: In order to assure the general continuity, scope, and sequence of the curriculum within the concept of academic freedom, the teacher shall conduct instructional programs in a manner consistent with district curricular objectives of the course and the campus improvement plan.

Paragraph 3: A teacher must be allowed to exercise academic freedom in a continuous effort to accomplish the mission of the school system. Major goals of the school system are to develop learning skills; to develop a free, reasoning individual who can think independently, who can recognize basic values and understand the fundamental ideas not only of his/her own but other cultures as well; and to ensure all students learn the skills

and acquire the knowledge necessary for success at continuing stages of their lives in an environment where diversity is valued.

Paragraph 4: The principle of academic freedom implies that a teacher must teach with an understanding and respect for the individuality of each pupil. Academic freedom further implies that a teacher will teach with a scrupulous regard for honesty and accuracy, without distortion or falsification.

Paragraph 5: Academic freedom guaranteed herein requires strict adherence to professional ethics. It also requires the teacher to evaluate his/her instruction in a continual effort to meet the highest standards set forth by the teaching profession.

Section B: Instructional Materials

Paragraph 1: In selecting instructional materials, teachers must consider the learning media to be employed, the substantive manner in which the materials may contribute to the education of the pupil, their aesthetic values, appropriateness to the curriculum and adaptability both in structure and content for a particular individual or groups of pupils, and shall not be restricted beyond these considerations.

Paragraph 2: The teacher must be free to recommend for individual study any instructional material which he/she believes will have educational significance for an individual pupil, and must also be free to discuss with a pupil any instructional material that the pupil reads, views or hears, whether the teacher has recommended it or whether the pupil has discovered it for himself/herself.

This Professional Board of Review shall establish written rules and procedures for the conduct of its business.

Paragraph 2: All decisions rendered on the application of any of the provisions of Sections A, B, and C of this Article in a specific situation shall be made by this Professional Board of Review. It will accept problems, complaints and requests for guidance from teachers and citizens and, after giving all interested parties an opportunity to present their viewpoints, shall render a judgment in accordance with this Article and the Code of Ethics of the Education Profession. Such judgment shall be final and binding upon all teachers involved in the specific situation. However, the decision of a teacher shall not be overruled or stayed pending such judgment by the Professional Board of Review.

This shall be accomplished through systems review, growth plans and staff development. The growth plan has five parts including a feedback loop, growth goals, focused staff support, a professional support file, and staff development.

Paragraph 2: Feedback Loop (Plan-Do-Study-Act)

Feedback loop is a process in which people seek information about customer needs and expectations, make a plan with the customer to meet these needs and expectations, ask for feedback from the customer as to whether the plan is working, and then revise the plan as needed. The feedback loop is integrated throughout the growth process and is designed to:

- (a) Determine and consider internal and external customer needs and expectations
- (b) Collect feedback information through techniques such as:
 - (1) Internal and external customer surveys.
 - (2) Sharing data with teachers for the purpose of planned improvement of the system.

Paragraph 3: Growth Goals

Growth Goals are specifically developed to enhance continuous improvement of the system. Each teacher shall have the final decision in developing an individual plan with specific goals, including the number and content of specific goals, subject to the goals being tied to the organizational goals. The support team includes the teacher and the teacher's supervisor and may, as appropriate, include other staff members chosen by the teacher who shall be appropriate to selected goals. The leader of the team shall be the teacher. The

responsibility of the team is to help develop and support the growth goals and assist in assessing progress which may include an occasional review by the team. The plan includes growth goals which have an estimated time frame for completion and suggested activities. The teacher shall report progress on goals to the teacher's supervisor. The method of reporting progress on goals shall be mutually agreed to by the team. The teacher or the teacher's supervisor shall have the right to seek a review of the method of reporting agreed to by the team under Section A, Paragraph 4 of this article if the teacher or the teacher's supervisor disagrees with the method of reporting selected by the team. A teacher returning at any time other than the start of the school year, or who has a change in assignment, shall submit a growth plan within thirty (30) days. Those teachers assigned to more than one building shall coordinate their growth goals with the supervisor at their base school. For self-review, teachers keep documentation that illustrates progress toward goals. (See Professional Support File)

If the matter is not informally resolved between the Superintendent and UTW to the satisfaction of the person(s) who would otherwise have filed the grievance within ten (10) days after the grievance is filed, then the Superintendent and President shall meet at their mutual earliest convenience. Upon such meeting the Superintendent and President shall select a neutral person as a hearing officer to serve on a panel with the UTW President and the Superintendent to decide whether there was a violation or misapplication of this Agreement or Board Policy 5112, including Administrative Implemental Procedures. The decision of the panel shall be final.

Paragraph 1: Within seven (7) days after receiving the decision at Level One, the grievant may appeal the decision in writing to the Superintendent. The grievant shall forward copies to the immediate supervisor, the grievant's representative if any, the UTW's President or designee, and the Superintendent or designee.

Paragraph 2: Within fourteen (14) days after receipt of the written appeal or a grievance filed at Level Two, the Superintendent or designee will meet with the grievant and/or representative of the UTW and all parties of interest in an effort to resolve the grievance.

Paragraph 3: Within fourteen (14) days after the meeting specified in Paragraph 2 above, the Superintendent or designee shall make a decision in writing. Copies shall be forwarded to the grievant, the immediate supervisor, the grievant's representative if any, the UTW's President or designee, and the Superintendent or designee.

Section F: Level Three

Paragraph 1: Within twenty (20) days after receiving the decision at Level Two, the grievant may appeal the decision of the Superintendent or designee to arbitration. The grievant shall forward copies of the request for arbitration to the grievant's representative if any, the UTW's President or designee, and the Superintendent or designee.

Paragraph 2: Within ten (10) days after the receipt of the request for arbitration, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators. The right to first strike a name shall be determined by the flip of a coin. The parties shall then alternately strike names from the list until one name remains. The person whose name remains shall be the arbitrator. The arbitrator shall be notified of his/her selection by a joint letter from the grievant and the district, requesting that he/she set a time and place for the hearing subject to the availability of the parties, and the letter shall specify by stipulation the issue to be determined by the arbitrator. In the event that the parties are unable to agree on the issue by stipulation after a good faith effort, the letter shall state the proposed issue of each party.

Paragraph 3: The arbitrator shall have no right to add to, subtract from, nullify, ignore or modify any of the terms of this agreement. He/she shall consider and decide only the stipulated issue presented to him/her in writing by the district and the grievant, and his/her decision and award shall be based solely on his/her interpretation of the application of the terms of the agreement to the issue stipulated. If the parties were unable to stipulate the issue, the arbitrator shall first determine the issue to be decided as presented by one party or the other without alteration. If the matter presented to the arbitrator does not involve interpretation of the terms or provisions of this agreement, the arbitrator shall so rule in his/her award and shall make no other decision on the issue. The arbitrator shall render no award under this agreement which shall be retroactive beyond the date of the event on which the grievance is based. The award of the arbitrator shall be final and binding upon the Board, the UTW, and the grievant involved.

Paragraph 4: The arbitrator so selected shall fix the time and place for the arbitration and notify the parties thereof. In any disciplinary grievance, the arbitrator shall have no authority to alter or amend any discipline imposed by the district if the arbitrator finds either that the district's actions did not violate the agreement, or that there was just cause for the action.

Paragraph 5: No arbitration decision made hereunder shall constitute a binding precedent with respect to any renewal of the existing agreement or the making of a new agreement between the UTW and the Board. The force and effect of arbitration decisions shall expire when the agreement expires unless the language involved is substantially the same in the expired agreement and the new agreement.

Paragraph 6: No decision of the arbitrator in any one case shall create a basis for retroactive adjustment in any other case which arose prior to the date of the written decision of the arbitrator, unless the UTW and the district mutually agree otherwise in writing.

Paragraph 7: The fees and expenses of the arbitrator shall be borne by the party losing the arbitration case. As part of his/her award, the arbitrator shall specifically assess these fees and expenses to one party or the other party or allocate the same between the parties pursuant to this paragraph. Each party shall be responsible for its own arbitration expenses. The party producing any witnesses shall pay the expenses of said witness, if any. Upon request of either party, an official court reporter shall record the proceedings, and the party making such request shall pay the cost of the reporter. If the other party requests a copy of the proceeding, that party shall share equally the costs of the reporter.

Section G: Rights of Representation

Paragraph 1: At any level of the grievance procedure at the grievant's option, the grievant shall be represented by the UTW, himself/herself, legal counsel, or another person selected by the grievant.

Paragraph 2: If a grievant is not represented by the UTW, the UTW shall have the right to be present and to state its views of all levels of the grievance procedure.

Section H: General Provisions

Paragraph 1: If a grievance affects a group or a class of teachers, and at least one affected teacher so desires, the UTW may initiate and submit such grievance in writing to the Superintendent directly and the processing of such grievance will commence at Level Two.

Paragraph 2: If a grievance arises because of an act of commission or omission on the part of a member of the administration at a level above the grievant's immediate supervisor, the grievant shall submit such grievance in writing to the Superintendent and the processing of such grievance will commence at Level Two.

Paragraph 3: Forms for filing and appealing grievances will be prepared and distributed jointly by the Superintendent and the UTW. The costs of preparing such forms shall be borne by the Board.

Paragraph 4: A grievance must be filed on an official form. In filing a grievance, the grievant shall make every reasonable effort to state specifically what was done, who did it, when it was done, the language which was violated, how it was violated, and the remedy requested. If the form is not completed in accordance with this paragraph, the grievance may be returned to the grievant for completion together with a notice regarding the incomplete parts. If the form is then completed and filed within five (5) days, the grievance shall be considered to be no less timely than it was when previously submitted. For purposes of processing the grievance, the filing date shall be the date the completed form is filed.

Paragraph 5: The confidentiality of the proceedings will be respected by all parties to the degree that it is consistent with the procedure described. The grievant's right to continued processing of a grievance filed by him/her shall be conditioned upon there being no deliberate violation of this confidentiality by him/her. The publicizing of the general issues involved in a grievance which does not permit identification of the participants shall not be construed as a breach of this confidentiality.

Paragraph 6: Nothing contained herein is to be construed as limiting the right of a teacher having a grievance or an involved administrator to discuss the matter

informally with any appropriate person in an effort to have the matter adjusted in a mutually satisfactory manner, provided that such adjustment is not inconsistent with the terms of this agreement.

Paragraph 7: A decision at any level of the procedure in favor of the grievant may recommend appropriate restitution or other remedy for the period during which the grievance was suffered but no restitution or remedy shall be retroactive beyond the date that the grievance was filed.

Paragraph 8: Any decision rendered at any level of the procedure which is contrary to this agreement or law shall be null and void.

Paragraph 9: If any teacher is required to attend a meeting or hearing called by the Board or the central administrative staff, the teacher's immediate supervisor shall be notified that the teacher is to be released without loss of pay for such time as attendance is required for the meeting or hearing.

Paragraph 10: Grievances, grievance appeals, grievance communications and grievance findings will not be filed in the personnel file of any teacher. If such a grievance file is maintained, it shall be open for inspection by the grievant upon request.

Paragraph 11: Every effort shall be made by all parties to avoid the involvement of pupils in any phase of the grievance procedure.

Paragraph 12: No teacher shall be subject to reprisal or discrimination by reason of participation or non-participation in the grievance procedure.

Paragraph 13: If a teacher pursues any legal or statutory remedy for an issue, then any further or subsequent proceedings for relief through the grievance procedure shall be barred unless the court or administrative agency refuses jurisdiction until all administrative remedies have been exhausted.

Paragraph 14: With the consent of the grievants involved and the Superintendent or designee, similar grievances may be consolidated and processed together as a single grievance. Such consolidation shall not be construed as preventing any grievant from appealing a decision to the next level. Once

consolidated, a grievance may be separated only with the consent of the Superintendent or designee. However, consolidated grievances shall not be presented to arbitration without the mutual consent of the parties involved.

ARTICLE XX: PRINTING AND DISTRIBUTION

The Board shall print copies of this agreement at its expense to be distributed to all members of the bargaining unit. The Board shall furnish 250 printed copies of the agreement to the UTW.
