Such extensions are subject to the approval of the Human Resources Department. If an employee is placed on intensive assistance during the compatibility period, the employee will not be reassigned to another position.

At the beginning of the compatibility period, the supervisor in charge and the employee will meet to review written job duties and expectations for successful completion of the compatibility period. After fifteen (15) work days and at the end of the thirty (30) day period, the supervisor in charge and the employee shall meet to assess whether or not the employee has met or is meeting the expectations.

A two (2) week notice in writing will be given in the event that the employee or supervisor in charge intends to request reassignment.

If desired, arrangements may be made for a joint meeting with the concerned parties and a representative from the Union, and the Human Resources Department, upon receipt of a letter from either the employee or person in charge stating reasons for dissatisfaction at any time during the compatibility period.

- a. The bargaining unit employee who is affected by this section will then have the following options:
 - (1) may return to the previous position if it is available with the approval of the supervisor;
 - (2) voluntary demotion to an existing vacancy in a lower classification. Employees selecting this option shall be notified in writing that this is a permanent action and that their salary will be adjusted as per Article VIII, Section C of this Agreement;
 - (3) accept intermittent status pending permanent placement within their current classification; a person on intermittent status may be considered for a vacancy as part of the lateral transfer process. If the employee has not been permanently assigned as of the next

end of the school year bidding session, the employee will be placed on the recall list for that classification; or

- (4) with the approval of the supervisor concerned, be placed on temporary assignment to the vacancy created by "b" below until the position is filled through further posting.

If the employee is assigned to a position of less than a like or comparable position except for "2" above, the excessing site or department shall assume responsibility for any difference in pay unless the incumbent voluntarily agrees to the reduced pay.

- b. If during the compatibility period or extension thereof the employee requests to be reassigned, the applicant who is next in seniority to lateral based on the original posting shall be referred to the vacancy upon reassignment of the employee to a like or comparable position.

5. Employees whose work schedule totals less than forty (40) hours per week may bid on posted positions which are less than full-time with the intent of adding hours to their current positions two (2) times per twelve month period. If the employee retains her/his original position and only adds hours, such addition shall not be considered as her/his one (1) lateral transfer in a twelve (12) month period.

All proposed combinations of positions are subject to approval of the Human Resource Department. The resulting combined position becomes that individual employee's permanent assignment. In no event may an employee's total number of hours exceed forty (40) hours per week.

In the event any portion of the employee's assignment is reduced or the hours become incompatible, the employee will have the option of excessing themselves from their entire position or only that portion of the position that is being changed. Such employees will be considered as excessed and Article XVIII, Section H shall apply.

In the event an incumbent leaves a combined position for any reason, the individual pieces of the position shall be posted as per Article XVIII, Section A, 1.

3. A sixty five (65) duty day probationary period is in effect during which time the employee must prove satisfactory on the job.

The employee will not have the option of declining a position of "like" status. If there is no vacancy in the previously held classification, the employee has two options:

- a. Accept intermittent status pending permanent placement within the previously held classification; a person on intermittent status may be

considered for a vacancy after the lateral transfer process is completed. If the employee has not been permanently assigned as of the mutually determined date; the employee will be placed on the recall list for that classification.

Placement from the recall list shall be done according to Article XVIII, Section H.

The employee will return to the candidate pool and will have one more opportunity to succeed in the new job classification. If given a second opportunity and the employee is not successful, the employee will be removed from the pool and can reapply again after one year.

C. ADMINISTRATIVE TRANSFER: When it is deemed necessary to transfer an individual for administrative reasons, the supervisors affected will be apprised of the existing situation and the transfer made, subject to approval of the Human Resources Department.

D. TRANSFER OF TITLE:

1. An employee may request a transfer of title during the lateral bidding posting and receive consideration after the lateral bidding process is complete. An employee may request a title change to any position in the District within the bargaining unit within their same or lower salary level regardless of promotional lines provided that the employee meets the qualifications of the position to which they want to transfer if the following conditions are met.
 - a. The Human Resources Department approves the title change.
 - b. The transfer of title is to a job class at the same (or lower) salary level. The salary of the employee shall be set at the same step of the new schedule which is closest to but not less than their current salary except when the current salary is greater than the top step of the new classification. In that event, the employee's salary shall be set at the top step of the new classification.

Any employee so transferred will be given a thirty (30) work day "compatibility period" in the position, during which time either the employee or person in charge may request termination from the position, subject to approval of the Human Resources Department. The parties may agree upon a fifteen (15) work day extension of the compatibility period based on their agreement that a

reasonable expectation exists that the employee will be successful upon completion of the extension. Formal job improvement targets shall be set by mutual agreement which will be used to determine the employee's status at the end of the extension. Such extensions are subject to the approval of the Human Resources Department.

At the beginning of the compatibility period, the supervisor in charge and the employee will meet to review written job duties and expectations for successful completion of the compatibility period. After fifteen (15) working days and at the end of the thirty (30) day period, the supervisor in charge and the employee shall meet to assess whether or not the employee has met or is meeting the expectations.

A two (2) week notice in writing will be given in the event that the employee or supervisor in charge intends to request reassignment.

If desired, arrangements may be made for a joint meeting with the concerned parties and a representative from the Union and the Human Resources Department upon receipt of a letter from either the employee or person in charge stating reasons for dissatisfaction at any time during the compatibility period.

- a. The bargaining unit employee who is affected by this section will then have the following options:
 - (1) may return to the previous position if it is available with the approval of the supervisor,

 - (3) accept intermittent status pending permanent placement within their current classification; a person on intermittent status may be considered for a vacancy as part of the lateral transfer process. 3. Effects of Transfer on Employee Status.

Seniority: Job classification seniority in the new job title will begin on the date the employee is actively at work in the new classification. In the event that the employee does not "pass" the compatibility period, she/he retains the seniority held in the previous classification.

E. TRANSFERS OUT OF AFSCME BARGAINING UNITS: Employees covered by this contract who transfer or promote into other District positions outside of AFSCME bargaining units will retain their classification seniority within AFSCME bargaining units for a period of two

(2) years. Employees who wish to return to an AFSCME represented position within two (2) years will be placed on a recall list, but do not possess bumping rights.

F. JOB STUDY AND RECLASSIFICATION:

- 1.** When an individual position is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position to a classification providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employee shall be appointed to the reclassified position if the incumbent has been in the existing position for a minimum of 12 months as a permanent employee provided that if the incumbent is classified as an intermittent or detailed employee, the position must be posted. The salary of the reclassified employee shall be as defined in Article VIII, Section I. The employee's classification seniority date and anniversary date for step increases shall be determined by the date the completed job study request was submitted to Human Resources.
- 2.** When a group of individuals in a classification is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position to a classification providing a higher maximum salary, no vacancies shall be deemed to have been created. Upon reclassification, the incumbent employees shall be appointed to the reclassified positions if the incumbents have been in the existing positions for a minimum of 12 months as permanent employees provided that if any incumbents are classified as intermittent or detailed employees, the position(s) must be posted. The employee's classification seniority date and anniversary date for step increases shall be determined by the date the completed job study request was submitted to Human Resources.
- 3.** If an individual employee is not included in a job study to which they feel they should have been included, said employee may submit a written request to be included in the original job study. Said employee must submit verification that they met the qualifications of the upgrade at the time of the original job study. The employee's classification seniority date and anniversary date for step increases shall be determined by the date the completed job study request for the group was submitted to Human Resources.
- 4.** In the event that an entire job classification is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of work performed to a classification providing a higher maximum salary, no vacancies shall be deemed to have been created. Upon reclassification, permanent incumbent employees shall be appointed to the reclassified positions. In the event that minimum requirements for the position change, incumbents on probation may be required to meet the new requirements within a period of time mutually agreed to by the District and the Union. Individual positions held by incumbents classified as intermittent or detailed employees must be posted. The salary of reclassified employees shall be as defined in Article VIII, Section I. The classification seniority date for reclassified employees shall remain the same as that held prior to reclassification. The anniversary date for reclassified

employees shall be set based on the date the completed job study request is submitted to Human Resources.

5. If the reclassification is denied, the employee has the right to appeal the decision. The appeals committee will review the job study and make a final determination. If the decision is upheld, the employee must wait 24 months before requesting another job study. Another job study may be considered sooner if the supervisor can show a substantial change in the position since the last job study.

G. EXCESSING:

1. Excessing exists when a position is abolished or decreased staff is required due to reduction of clerical allotment.
2. When excessing exists, the Human Resources Department is advised as to the amount of the departmental excessing by classification and determines through seniority the employee(s) who is excessed.
3. The excessed employee is the person with least seniority in that classification assigned to the school, program or department where the excess exists provided that all temporary or detailed employees will be excessed first. Written notice of excessing will be sent to the employee at their last known address or their current work assignment at least ten (10) business days prior to the effective date of the excess.
4. When a position is reduced in hours per week or weeks per year or both, the following steps be taken:
 - a. the incumbent is offered the option of retaining the reduced position on a voluntary basis.
 - b. if incumbent declines the reduced position, the old position will be canceled; thereby, excessing the incumbent and the regular excessing rules and procedures will be applied so that the least senior employee of like status be affected.
 - c. the established rules to fill a new position would then be applied to the reduction.
5. For the purposes of this section, seniority is defined as in Article III, Sections J and K of this Agreement.

H. EXCESSED EMPLOYEES:

1. Employees who are excessed, on lay off, or on intermittent status within each classification prior to a mutually determined date of each year shall be combined on a recall list in classification seniority order. Employees shall remain on the recall list for two (2) years.

For the purposes of this Section, employees is defined to include part-time employees.

2. Employees on the recall list shall be notified in writing of an available vacancy for which they are eligible for recall.

In the event that the number of vacant positions and the number of employees to be recalled warrants a special bidding session, the affected employees will be notified in writing five (5) business days prior to the bidding session. If the employee is already on lay off, notice is to be mailed to the employee's last known address. Notice of the bidding session will be mailed to all bargaining unit employees within the affected classification, including those on leaves of absence if they are scheduled to return from the leave of absence between July 1st of any year and the beginning of the next school year.

After a mutually determined date each year, positions which become vacant, will be held for the bidding session. Any employee interested in lateral transfer may participate in the bidding session along with employees on the recall list. The union and the District will confer yearly on the calendar for placement of employees covered by this agreement if excessing and bumping occur.

3. **Placement of Excessed Employees.**

- a. In the event that a vacancy of like status exists in the same classification, the employee must fill said vacancy. Vacancies are filled according to classification seniority and status of those bidding on the vacancy.
- b. If no vacancy exists, the excessed employee may "bump" the least senior employee in the person's classification with like employment status within the Board of Education.

For the purposes of bumping within classification, seniority is based on the employee's time in classification.

- c. In the event that all positions of like employment status have been filled, an employee will have the right to replace a person with lesser seniority who was the last certified to a classification provided the excessed employee has previously completed probation satisfactorily in that classification. In the event that no such position is available, employees will have the right to replace an employee of lesser seniority who was last certified to a lower classification in the same promotional line provided the excessed employee meets the current minimum qualification of such lower classification (lower salary).

The demoted employee will be placed on a recall list for the classification from which demoted for a period of two (2) years. The salary of a demoted employee shall be adjusted as per Article VIII, Section C of this agreement.

- d. If the employee elects to waive rights under a, b, or c above, or the employee does not meet the above criteria, the employee may accept a position as an intermittent. The intermittent employee shall be placed on a recall list for the classification from which demoted for a period of two (2) years.

The salary of an intermittent employee shall be set at the step of the intermittent classification which is closest to, but not less than their current salary, but in no event more than the top step of the intermittent classification.

The intermittent employee must continue to bid on vacancies. Seniority continues in classification certified to, regardless of positions held.

4. For the purpose of this section, seniority is defined as in Article III, Sections J and K of this agreement except as provided in Subsection 1 above.

I. INTERMITTENT STATUS

1. Permanent Positions: An Intermittent employee must seek a permanent position by doing the following:

- Said employee must bid on vacancies of like status as they are posted in order to secure a new position. The postings will be mailed to the employee's home address. It is the employee's responsibility to make sure Human Resources has employee's current home address and phone number.
- Said employee must first attempt to secure a permanent position through the bidding process rather than through bumping.
- If said employee is offered and refuses a permanent position of like status, he/she will be laid off and placed on the recall list.

2. Temporary Assignments: Intermittent employees will have priority for placement before temporary employees. They shall have the right to, if qualified, displace a temporary employee including those hired outside the Human Resources hiring process, if there are no vacant temporary positions. Intermittent employees must accept temporary assignments while on intermittent status.

While on intermittent status, employees must accept temporary assignments by doing the following:

- Said employee must stay in contact with the Reserve Staffing Assignment Specialist in Human Resources regarding temporary assignments until she/he accepts a permanent position.
- Said employee is not guaranteed to receive an assignment or to have an assignment in any particular geographic area.

- Said employee must accept assignments that are offered. Failure to do so may result in her/his placement on the recall list and he/she may not be called for further temporary assignments.
- Once said employee has accepted a temporary assignment, she/he is expected to stay in it as long as it is available or until she/he has secured a permanent position. If said employee is unable to report to work at her/his temporary assignment, she/he must contact the site directly.

3. Limitation on Intermittent Status: In any single incident, employees may not stay on Intermittent Status for a period greater than twenty-four(24) consecutive months. Within the parameters of the Collective Bargaining Agreement, there are no limitations on the number of times an employee may elect Intermittent Status.

J. CLOSING OF SCHOOLS: When a school, department or program is closed, all Civil Service employees assigned to that school are considered excessed as per Section H.

K. MERGER OR DIVISION OF SCHOOLS, DEPARTMENT, OR PROGRAMS:

1. When schools, programs, or departments are merged or divided, the number of available positions in the merged school or program shall be determined by the Board of Education.
2. Employees who were assigned to the merged or divided schools, programs, or departments immediately proceeding the merger or division shall be assigned in order of seniority by the principal or supervisor of the merged or divided schools, programs or departments.
3. Unassigned employees will be excessed. Such employees fall in category I. EXCESSED EMPLOYEES.

L. MODIFIED DUTY ASSIGNMENTS:

1. Any employee of the Board of Education who has work restrictions verified by a physician may be placed temporarily into vacancies which meet the restrictions determined by the physician or the employee's qualified rehabilitation counselor (QRC).
2. Employees assigned under the provisions of this article shall be paid the salary of the position into which they are detailed as defined in Article VIII, Section C of the collective bargaining agreement. Eligible employees will receive worker's compensation benefits to meet the statutory requirements.
3. When an employee is determined fit for return to duty to the previously held classification, the employee will be placed permanently according to the provisions of the applicable collective bargaining agreement or civil service rules if the contract is silent. Employees represented by the Union who have been on a medical leave or worker's compensation leave of less than 6 months would be reassigned to the position held prior to the medical leave. Employees returning

from leave of longer than 6 months may be placed according to the provisions of Article XVII, Section E Leaves or Article XVIII, Section H Excessed Employees.

M. RELOCATION OF PROGRAM, DEPARTMENT, OR SCHOOL: When a program, department, or school is relocated intact to another site, employees assigned to that program, department, or school shall remain assigned to that program, department, or school.

N. ESTABLISHMENT OF CERTIFICATION LISTS: In the event that a vacancy is not filled by lateral transfer and a eligibility list needs to be established before the vacancy can be filled, notice of the establishment of such list shall be posted for a minimum of five (5) work days in each building where bargaining unit employees work with applications accepted during the entire posting period.

O. FRESH START: When a school is determined to be "fresh start" all the employees of this bargaining unit at that site shall be considered excessed. The "fresh start" site may fill these positions based on interviews of three to five (3-5) of the most senior lateral transfer candidates with the ability to select any of these candidates. These "fresh start" site positions will not be considered a part of the bumping provisions (Article XVIII) of this contract. The exemption from the bumping process (Article XVIII) of this provision applies only during the first year of the "fresh start" and upon implementation these provisions will be reviewed annually by the District and the Union.

ARTICLE XIX. Grievance Procedure

The District and the Union desire that the Union have a means by which grievances may be given timely, fair and continued consideration until resolved.

A grievance shall be defined as any controversy arising over the interpretation of or adherence to the terms and provisions of this Agreement and all disciplinary actions.

Unless otherwise modified herein, all terms shall be defined as provided in the procedure promulgated by the Bureau of Mediation Services.

A. TIME LIMITATION AND WAIVER: Grievances shall not be valid for consideration unless the grievance is submitted in writing as outlined in this grievance procedure, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) work days after the event giving rise to the grievance occurred. Written notice by the employer or its designee to an employee giving notice of prospective action shall constitute one such event giving rise to a grievance. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

If the District fails to reply in writing within the stated time periods, the Union may move the grievance to the next step outlined in the procedure below. Time lines listed in the grievance procedure may be waived by mutual written agreement of the parties.

B. ADJUSTMENT OF GRIEVANCE: The District and the Union shall attempt to adjust all grievances which may arise during the course of employment of any employee within the School District in the following manner:

Step 1.

- a. The employee may, with or without her/his union steward, informally discuss the grievance with their principal or immediate supervisor.
- b. If the grievance is not resolved at the time of the Step 1 informal discussion, it shall be reduced to writing by the Union Representative and submitted to the principal or supervisor with a copy to the Labor Relations Department. The written grievance shall set forth the nature of the grievance, the specific facts giving rise to the grievance, the specific provisions of this Agreement allegedly violated, and the specific remedy sought. The written grievance must be submitted within twenty (20) work days after the event giving rise to the grievance. The supervisor shall respond in writing to the grievance within five work days following submission of the written grievance.

Step 2.

- a. If the supervisor's written answer is not acceptable to the Union, the Union will forward a copy of the written grievance along with the reasons why the Step 1 response is not acceptable to the Labor Relations Department, Contract Administrator within ten (10) work days following receipt of the Step 1 response. A meeting will be scheduled among representatives of the District and the grievant and Union within five (5) work days following submission of the written grievance to the Labor Relations Department.
- b. Within ten (10) work days following the Step 2 meeting, the District shall submit a written reply to the grievant and the Union. If the District fails to reply in writing, the Union may request arbitration in accordance with Step 3 of this procedure.

Step 3.

If the grievance is not resolved in Step 2, the Union may refer the matter to arbitration. Any request for arbitration shall be in writing and must be received by the other party within ten (10) work days following receipt by the Union of the District's written reply to the grievance.

Either party (District or Union) may submit the grievance to non-binding grievance mediation through the Bureau of Mediation Services before proceeding with selection of the arbitrator.

The District and the Union may select a mutually acceptable arbitrator. If not able to do so, the Union may request a list of at least seven (7) names of qualified arbitrators from the Bureau of Mediation Services, State of Minnesota. The District and the Union shall determine who is to strike the first name from the list by the toss of a coin. Each party will then alternately strike names until only one remains, who shall be the arbitrator who shall hear and decide the grievance. The arbitrator shall not have the power to modify in any form whatsoever any provision of this Agreement. Fees and expenses of the arbitrator shall be divided equally between the District and the Union.

The time limitations set forth herein relating to the time for filing a grievance and demand for arbitration shall be mandatory. Failure to follow said limitations shall result in the grievance being waived and it shall not be submitted to arbitration. In the event the District does not reply to the grievance as required in Step 2, and the time limits contained therein are not extended by mutual consent, the grievance shall be referred to the next step. The time limitations provided herein may be extended by mutual written Agreement of the District and the Union.

Nothing in this bargaining agreement shall prevent an employee from pursuing both a grievance under the Collective Bargaining Agreement and other remedies including, but not limited to, a Charge of Discrimination brought under Title VII, the Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

ARTICLE XX. Employee Discipline

- A.** The District shall discipline employees only for just cause. All discipline may be appealed through the discipline procedures as contained in Article XIX of this Agreement.
- B.** The principle of progressive discipline shall be applied when appropriate.
- C.** Suspensions, notices of demotion, and discharges shall be in written form. Copies of said actions, along with copies of written reprimands, shall be sent by certified mail to the affected employee.
- D.** The District will inform the employee of their right to have a Union representative present during investigations which may lead to discipline and meetings at which discipline is issued.

ARTICLE XXI. Non-Discrimination

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, physical disability, affectional orientation, or receipt of public assistance. The Employer agrees not to interfere with the rights of the employees to become members of the Union and there shall be no discrimination, interference, restraint, or coercion by the Employer or any Employer representative against any employee because of Union membership or because of any employee activity officially sanctioned by this contract on behalf of the Union.

If you have any concerns about possible discrimination in the workplace please contact one of the following:

- For Affirmative Action/EEOC issues contact the Affirmative Action/EEOC Director.
- For disability issues ("A.D.A.") contact the Administrator for Employee Effectiveness.

ARTICLE XXII. Alternative Dispute Resolution

Many disputes arise that do not meet the definition of a grievance but have adverse impact on the work environment. (For example, a personality conflict). The current recommended process for employees is to:

1. Discuss the conflict with the person directly, if possible;
2. Talk with the supervisor and request intervention;
3. If you cannot resolve the issue, the supervisor and/or the union steward can be asked to intervene and/or mediate; and
4. If resolution cannot be reached, the Executive Director for each department, or Area Superintendent for your school, may be contacted.

Such disputes might be considered candidates for conflict resolution. A joint/labor management committee will be established to develop an alternative dispute resolution process to address conflicts that are not covered by the contract and/or district policies. Within 30 days of ratification of the contract the committee will convene.

Please note: all employees are expected to conduct themselves at the highest level of professional behavior at all times. Nothing in this section shall be construed as limiting these standards.

ARTICLE XXIII. Personnel Files

It is recognized that all employee files are subject to Minnesota Data Practices Law, including but not limited to:

- The main personnel file kept at Human Resources.
- Any personnel file kept at the building level and/or departmental level.
- Any file maintained by a supervisor.

A. Materials in files: The supervisory file shall contain positive data regarding the employees performance, as well as initial minor infractions, irregularities, or deficiencies. Any minor infractions, irregularities, or deficiencies shall first be privately brought to the attention of the employee and, if corrected, shall not be entered into the employee's personnel record.

The parties mutually recognize that the District does have the right to create and maintain supervisory files on individual employees. However, it is also required that upon request of the employee, that employee shall have the right to review the supervisory file. Upon reviewing of the supervisory file, the employee shall have the right to write a response letter to the supervisor. The supervisor shall have the discretion of placing the employees response letter in the supervisory file.

Each employee shall be furnished with a copy of all evaluative and disciplinary entries into the personnel office record and shall be entitled to have the employee's written response included therein.

Allegations that have not been investigated or substantiated shall not be placed in the employee's personnel file.

Only the personnel office record may be used as evidence in any disciplinary action or hearing. This does not limit; restrict or prohibit the District from submitting supportive documentation or testimony, either oral or written, in any disciplinary hearing, nor does it so limit the Union.

- B. Employee/Union Access to File: The contents of an employee's personnel office record shall be disclosed to the employee upon request and to the employee's Union representative upon the written request of the employee.
- C. Removing Materials from File: Upon the employee's request, the following documentation shall be removed from the employee's personnel file:
 - 1. A written reprimand provided that no further disciplinary action has been taken against the employee for three (3) years from the date for the written reprimand;
 - 2. A written record of a suspension of ten (10) days or less provided that no further disciplinary action has been taken against the employee for four (4) years from the effective date of the suspension;

Materials removed pursuant to this section shall be provided to the employee.

ARTICLE XXIV. Summer School and After School Programs

- A. Summer school positions will be posted in all buildings where bargaining unit employees work.
- B. A certified employee who is hired to work summer school in the same classification as assigned during the regular work year shall be paid at the same rate of pay for that classification as they received for the regular work year. When assigned to work in a classification other than the classification to which assigned during the work year, the employee will be paid the rate of pay of the classification to which assigned for summer school.
- C. Bargaining unit employees regularly assigned to school site assignments during the regular school year shall have the opportunity to work in summer school before non-Minneapolis Public School employees are assigned. Exceptions may be made when special requirements are necessary for assignment to a program with prior approval of Human Resources. This provision is subject to the grievance process but not arbitration. Employees who are not selected are put into a pool to be hired for summer school before temporary employees.
- D. For After School Programs – Additional hours will first be offered to permanent employees at the site. If the additional hours make the employee benefit eligible, the site must post the position. The additional hours cannot put the employee into overtime.

ARTICLE XXV. Temporary Employment

- A. Temporary employees shall be used if a position exists that is expected to last less than six (6) months, if a position is vacant pending appointment from an eligible list, or as a replacement for a permanent employee on authorized leave of absence.
- B. The term of said appointment shall not exceed six (6) calendar months except that an extension may be requested up to an additional six (6) months in the event that the temporary employee is serving as a replacement for a permanent employee on authorized leave of absence.
- C. Appointment of temporary employees shall be processed through the Human Resources Department.
- D. The salary of temporary employees shall be set at not more than the first step of the classification. However, exception may be made for retired employees.
- E. Temporary employees are not eligible for any contract benefits.
- F. Temporary employees do not have the right to be "grandpersoned" into a vacant bargaining unit position or to fill a vacant bargaining unit position on a permanent basis.

ARTICLE XXVI. No Strike/No Lockout

It is agreed and understood that there will be no strike, work stoppage, slow down, or refusal or failure to fully and faithfully perform job functions and responsibilities or other interference with the operations of the District by the Union or by its officers, agents or members during the term of this Agreement including any extensions of this Agreement, including compliance with the request of other labor organizations to engage in such activity.

Employees covered by this Agreement will not be expected to perform duties usually performed by employees who may be engaged in a work stoppage as defined above or any other employees. The Board of Education agrees not to prevent employees covered by this Agreement from performing their usual duties so long as this Agreement, including any extension of this Agreement, is in effect. However, both parties recognize that a work stoppage, as defined above, by employees in other bargaining units may force the Board of Education to close some or all of the District activities and that layoffs of employees covered by this Agreement may occur. In such event, the provisions of Article XVIII shall not be operable.

ARTICLE XXVII. Severability Clause

If any provision of this contract or any application of this contract to any member of the units or group of members in the units shall be found contrary to federal or state law or city ordinance, then this provision or application shall be deemed invalid, except to the extent permitted by law, but all other provisions hereof shall continue in full force and effect. The provision found to be contrary to federal or state law or city ordinance shall be renegotiated by the parties.

ARTICLE XXVIII. Complete Agreement

A. FINALITY: Any matters relating to the current contract term, whether or not referred to in this Agreement shall not be open for negotiation during the term of this Agreement except by mutual Agreement.

B. CIVIL SERVICE RULES: The parties to this Agreement expressly recognize that certain terms and conditions of employment are governed by the Rules of the City of Minneapolis Civil Service Commission and that the Rules of the City of Minneapolis Civil Service Commission (December 31, 2001 edition), except where specifically superseded by this Agreement, shall be considered to be part of this Agreement. Both parties agree that they will abide by those Rules for the term of this Agreement and any extensions thereof. The parties agree that if the Civil Service Commission changes or adds to its Rules in such a way as to conflict with any express provision of this Agreement, the terms of this Agreement shall prevail. In the event that the Board of Education severs its ties to the City of Minneapolis Civil Service Commission, the Civil Service Rules as most recently in effect prior to severing of such ties shall remain in full force and effect for the duration of the agreement.

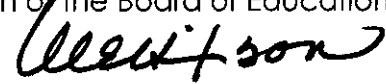

ARTICLE XXIX. Duration of Agreement

This Agreement shall be in force and effect for twenty-four (24) months from the first day of July 2004 and ending June 30, 2006, and shall continue in full force and effect thereafter, unless written notice of desire to change or modify the Agreement is served by either party upon the other party sixty (60) days prior to the 30th day of June 2006.

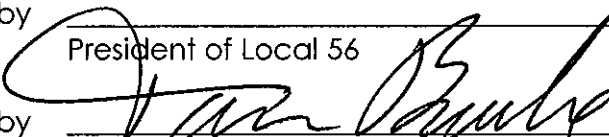

IN WITNESS WHEREOF, the parties hereto have executed this contract on the 25th day of October 2005.

APPENDIX C MINNEAPOLIS PUBLIC SCHOOLS POLICIES

Minneapolis Public Schools **Policy 4000**

Adopted: 05/26/81

EQUAL EMPLOYMENT OPPORTUNITY POLICY

(3) COMPLIANCE

It is the intent of the Board of Education and the Superintendent of the Minneapolis Public Schools, Special School District No. 1, to comply with all Federal, State and Local laws and ordinances which prohibit employment discrimination. Compliance shall also extend to provisions of negotiated contracts and Civil Service rules and regulations.

(4) COVERAGE

The Board is committed to a policy of equal employment opportunities. This policy shall apply to recruitment, receipt of applications, selection, appointments, placement, training, compensation, benefits, promotions, transfers, disciplinary actions, layoffs, recall from layoff, and terminations for all school district employees. This policy will be extended regardless of race, color, creed, religion, ancestry, national origin, sex, affectional preference, handicap, marital status, status with regard to public assistance, Vietnam era veteran status and age.

(5) IMPLEMENTATION

The Board assigns to the Superintendent the responsibility for the implementation of this policy and for the preparation and implementation of an Affirmative Action plan. The Board will provide the resources required to implement this policy and plan. Affirmative action will be the means to ensure that equal employment opportunities are extended to minorities, women, the handicapped and Vietnam era veterans in all levels of employment. The Board is committed to seek out, address, and remedy the effects of discrimination that may present barriers to the full employment of these persons. The plan will include realistic goals and timetables for the hiring and promotion of women and minorities.

The Superintendent shall designate an affirmative action officer to be responsible for the implementation of this policy and the affirmative action plan for the district. The affirmative action officer shall make annual reports to the Board on the progress toward attainment of the goals stated in the plan.

Good faith efforts toward the attainment of these goals shall be expected of all managers and supervisors. It shall be considered a violation of this policy for any person to retaliate against a person who pursues rights under the law, opposes acts that may violate the law, or cooperates with investigations into alleged violations of the law.

(6) GENERAL STATEMENT OF POLICY

The School District will investigate all complaints, either formal or informal, verbal or written, of actions or statements which may constitute sexual, ethnic/racial, religious, disability, sexual orientation or affectional preference or other improper harassment or violence and will discipline or take appropriate action against any pupil, teacher, administrator or other school personnel who harasses or is violent toward any pupil, teacher, administrator or other school personnel of the School District. SEXUAL, RELIGIOUS, RACIAL HARASSMENT AND VIOLENCE

I. REPORTING PROCEDURES

Any person who believes he or she has been the victim of sexual, religious, racial/ethnic, disability harassment or violence by a pupil, teacher, administrator or other school personnel of the School District, or any person with knowledge or belief of conduct which may constitute sexual, racial/ethnic, religious, or disability harassment or violence toward a pupil, teacher, administrator or other school personnel should report the alleged acts immediately to an appropriate School District official designated by this policy. The School District encourages the reporting party or complainant to use the report form available from the principal of each building or available from the School District office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting harassment or violence directly to the School District's Affirmative Action Administrator, the Superintendent, or the District General Counsel.

- A. In Each School Building. The building principal or his/her designee is the person responsible for receiving oral or written reports of sexual, racial/ethnic, religious, or disability harassment or violence at the building level. Any adult School District personnel who receives a report of sexual, racial/ethnic, religious, or disability

harassment or violence shall inform the building principal or his/her designee immediately.

- B. In the District. The School Board hereby designates the School District Affirmative Action Administrator, and the District General Counsel to receive reports or complaints of sexual, racial/ethnic, religious, or disability harassment or violence. If the complaint involves the Affirmative Action Administrator, or the District General Counsel, the complaint shall be filed directly with the Superintendent.

The School District shall conspicuously post the name of the principal and Affirmative Action Administrator including mailing addresses and telephone numbers.

- C. Submission of a good faith complaint or report of sexual, racial/ethnic, religious, or disability harassment or violence will not affect the complainant or reporter's future employment, grades or work assignments. The School District will discipline or take action against any pupil or employee who supplies information that is determined to have been falsely and maliciously supplied.
- D. A principal or his/her designee shall use the reporting forms in the Sexual Harassment Policy Manual.

- (9) The School District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the School District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

(10) FACT-FINDING PROCEDURES

Within twenty-four (24) hours after receipt of a report of harassment, the principal or his/her designee must initiate fact-finding procedures. The principal or his/her designee may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal or his/her designee to the Affirmative Action Administrator and the District General Counsel. Failure to initiate fact-finding within twenty-four (24) hours of receiving a report may result in disciplinary action against the principal. If the complaint involves the building principal, the complaint shall be made or filed directly with the Superintendent, Affirmative Action Administrator, or the District General Counsel by the reporting party or complainant.

The principal or his/her designee, upon receipt of a report or complaint alleging sexual, racial/ethnic, religious, or disability harassment or violence, shall immediately undertake or authorize fact-finding. The fact-finding may be conducted by the principal or his/her designee, the District General Counsel's office, or by a third party designated by the District General Counsel's office. The decision to use a third party will be made after consultation with the District General Counsel's office or Site Services regarding the allegations.

The fact-finding shall consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The fact-finding may also consist of any other methods and documents deemed pertinent by the principal or his/her designee.

In determining whether alleged conduct constitutes a violation of this policy, the fact-finding should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the

context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy determination based on all the facts and surrounding circumstances. The Sexual Harassment Policy Manual should be used as guidance.

If the person who is the focus of the fact-finding is an employee and the complainant is a student, and the facts lead the principal or his/her designee to reasonably believe that child abuse has occurred, the principal or his/her designee shall make a report to the local welfare agency, police department, or county sheriff. A principal or his/her designee shall refer to the Maltreatment To Minors policy for guidance. Policy #5635 and 5635 A.

In addition, the School District may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators or other school personnel pending completion of the fact-finding of alleged sexual, racial/ethnic, religious, or disability harassment or violence.

The investigation will be completed as soon as practicable. The principal or his/her designee shall make a written report to the District's Affirmative Action Administrator and District General Counsel upon completion of the fact-finding. If the complaint involves the Superintendent, the report shall be filed directly with the District General Counsel's office. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

III. SCHOOL DISTRICT ACTION

A. Upon receipt of a report, the School District will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge. School District action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota and federal law and School District policies.

B. The result of the School District's fact-finding of each complaint filed under these procedures will be reported in writing to the complainant by the School District in accordance with state and federal law regarding data or records privacy.

(11) In all cases, the School District reserves the right to refer the results of its own Investigation to the criminal authorities for possible criminal charges, whether or not the School District takes any action on its own account.

(12) It is the policy of the Minneapolis Public Schools to provide up to twelve weeks of family and medical leave per calendar year to

Policy 4020

Adopted: 04/11/89

TOBACCO USE POLICY

(13) GENERAL STATEMENT OF POLICY

The Minneapolis Public Schools' Board of Education is committed to promoting a healthy, comfortable, and productive environment for students and staff. The School Board is concerned about the health of students and employees and recognizes the importance of adult role modeling for students. The Board of Education further believes that education has a central role in establishing patterns of behavior related to good health. Policy 4024

Adopted: 04/30/91

PREEMPLOYMENT DRUG AND ALCOHOL TESTING POLICY

(14) GENERAL STATEMENT OF POLICY

The Minneapolis Public Schools' Board of Education desires to establish and maintain a safe, healthy working environment for all employees and students. The School District also needs to determine that an employee is physically capable of performing his or her job. For these reasons, job applicants who have been offered a job (excluding current employees applying for a promotion) will be required to provide a urine sample to detect the presence of illegal drugs and alcohol. The drug and alcohol test will be administered by the School District, and will be at the sole expense of the School District.

Consequences of Refusal to Take Test: Job applicants have the right to refuse to submit to a drug and alcohol test, but such a refusal will result in the withdrawal of the job offer.

Consequences of Positive Test Results: Each urine sample will be tested for the presence of illegal drugs and alcohol. Any sample which indicates the presence of illegal drugs or alcohol will be submitted for a confirmatory test. Any job applicant who tests positive for drug or alcohol use on a confirmatory test may request a confirmatory retest of the sample which was tested.

This retest will be done at the applicant's sole expense. The offer of employment will be revoked if the job applicant's confirmatory test, or confirmatory retest if requested, is positive.

Other Rights of Job Applicants: Prior to administering drug or alcohol testing, the School District will provide the job applicant with a form on which to acknowledge that the person has seen the School District's drug and alcohol testing policy and to indicate any over-the-counter or prescription medications that the individual is currently taking or has recently taken and any other relevant information. The District will disclose the test results to the applicants in writing. All job applicants may request a copy of all tests result reports from any drug or alcohol tests to which the applicant is required to submit. Within three working days after notice of a positive test result, the job applicant may submit information to the School District to explain the result.

Data Privacy: The School District will not disclose the test result reports or other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency or private organization without the written consent of the person tested, unless permitted or required by law or court order.

DRUG-FREE WORKPLACE AND DRUG-FREE SCHOOLS

(15) GENERAL STATEMENT OF POLICY

The Minneapolis Public Schools' Board of Education is committed to an alcohol-free and drug-free workplace. The School District has established this policy to address the abuse of alcohol and illegal drugs. The unlawful manufacture, distribution, dispensation, possession or use of alcohol or a controlled substance is strictly prohibited anywhere on the School District's premises and in any vehicle owned or operated by the School District. The possession or consumption of alcohol or a controlled substance by an employee, volunteer or contracted service provider is strictly prohibited during that individual's work day or during any situation where the individual is responsible for the supervision or transportation of students. Violation of this rule may result in immediate discipline including discharge of the offending individual or service provider including cancellation of contract for services.

The School District shall establish an alcohol-free and drug-free awareness program which informs employees about the dangers of drug abuse in the workplace and the policy of maintaining an alcohol-free and drug-free workplace. As part of the School District's effort to maintain a safe, drug-free workplace, it will refer employees to the Employee Assistance Program or other appropriate resources for evaluation and referral for chemical abuse counseling and rehabilitation service.

Employees, volunteers and contracted service providers of the School District are required to abide by the terms of this policy. Employees are required to inform the School District if convicted of a violation of a criminal drug statute if the violation occurred in the workplace. Employees must notify the School District within five (5) days of the conviction. A conviction under this paragraph will be treated as a violation of this policy and will result in immediate discharge.

PERSONNEL SUSPENSION OF EMPLOYEE CHARGED WITH A CRIMINAL VIOLATION

(16) GENERAL STATEMENT OF POLICY

Employees of Special School District No. 1 may be suspended with or without pay from the date when charged with a criminal violation or from the time the District or the police initiate an investigation of alleged misconduct. The determination as to whether the suspension will be with or without pay shall be made on a case by case basis. Such a determination will consider, but not be limited to, factors including the seriousness of the charge and whether the matter is job related or non-job related. Nothing in this policy precludes the Board of Education authority to suspend, with or without pay, based on conduct unbecoming an employee. An employee suspended without pay pursuant to this policy who is subsequently acquitted, shall be made whole for the wages lost by reason of the suspension, unless the employee has also been suspended for conduct unbecoming an employee. Such backpay will include lost wages minus other employment income earned during the suspension.

CRIMINAL BACKGROUND CHECKS

(17) GENERAL STATEMENT OF POLICY

The Minneapolis Public Schools ("District") will request that applicants for District positions who receive an offer of employment will be subject to a background check as described in the Minnesota Child Protection Background Check Act, Minn. Stat. §299C.60 et seq. ("Act") or other background checks as allowed by law. The offer of employment shall be conditioned upon a determination by the District that an applicant's criminal history does not preclude the applicant from employment with the District. If an applicant has resided in a state other than Minnesota, he/she will also be requested to consent to a Federal Bureau of Investigation ("FBI") background check.

In addition, if the District knows or has reason to believe that a current employee has a criminal conviction that was not previously disclosed to the District by the current employee, that individual will also be requested to consent to a background check(s) as described above. The District specifically reserves any and all rights it may have to conduct criminal background checks regarding current employees or applicants without the consent of such individuals.

Adherence to this policy by the District, its employees and job applicants or others shall in no way limit the District's right to require additional information or to use procedures currently in place or other procedures to gain information concerning criminal activities of employees and applicants.

WORKERS' COMPENSATION

(18) GENERAL STATEMENT OF POLICY

Workers' Compensation is a system established by Minnesota law to compensate employees who have work-related injuries. If there is a work-related injury, an employee may be entitled to wage loss benefits, compensation for bodily injury, and payment for medical expenses attributable to the injury.

When accidents occur, employees and their supervisors are responsible for reporting accidents immediately to the Human Resources Department. Timely reporting of injuries is necessary to meet legal timelines for reporting injuries and to insure prompt payment of benefits if the injury is covered under Workers' Compensation.

The Board accepts its responsibility to help employees return to physically appropriate work and to restore employees as close as possible to their economic status prior to the work-related injury. The Board is committed to implement accident reduction and workplace safety programs to help reduce the incidence of workplace injuries.

The Associate Superintendent for Human Resources and the Associate Superintendent for Finance and Operations assume major responsibility for implementation of a program to promote an appropriate return to work and accident reduction/workplace safety programs.

(20) GENERAL STATEMENT OF POLICY

No individual shall be assigned, reassigned, permanently or temporarily employed or issued an independent contract in a department, special program, location or school where one member of a family has direct administrative or supervisory responsibility over that individual.

For purposes of this policy, "supervisor" or "administrator" means any employee, regardless of job description or title, having authority in the interest of the employer to hire, set salary, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or having responsibility to direct them, or to adjust their grievances, or effectively to recommend this action, if, in connection with the foregoing, the exercise of this authority is not of a routine or clerical nature, but requires the use of independent judgment.

For the purpose of this policy, family relationship (including "step" or half-blood relationship) shall include:

- A. Father, mother, son, daughter
- B. Husband, wife, spouse's father or mother, son's wife, daughter's husband
- C. Grandfather, grandmother, brother, sister, grandson, granddaughter

This policy will apply to independent contracts and all forms of employment, including, but not limited to, regular full-time employment, regular part-time employment, temporary full-time employment, or temporary part-time employment. This policy will apply to all employees including student workers. Exceptions to this policy can be made for unique circumstances. Exceptions to this policy must be requested in writing with justification from the department, special program, location or school through administrative line to the Office of the Superintendent or designee.

This policy shall not be interpreted to restrict the rights of students to enroll in or be assigned to classes taught by close relatives. In such cases, the close relative faculty members shall be responsible for making those academic decisions normally incident to their instructional duties.

Guidelines For Reporting Alleged Maltreatment Of Minors

What Must Be Reported.

State law mandates that school personnel report alleged physical/sexual abuse and/or neglect by individuals, regardless of whether these individuals are District employees or guardians/family members. Reports of alleged physical/sexual abuse and/or neglect shall be made to the local welfare agency, police department or the county sheriff.

Definitions.

Physical Abuse

“Physical abuse” means any physical or mental injury, or threatened injury, inflicted by a person responsible for the child’s care (i.e. an individual functioning within the family unit and having responsibilities for the care of the child, such as a parent, guardian, or other person having similar care responsibilities; or an individual functioning outside the family unit and having responsibilities for the care of a child, such as a teacher, school administrator, day care worker, babysitter, counselor, or coach) on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child’s history of injuries, or any aversive and deprivation procedures, including, but not limited to: depriving an individual’s access to a nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, and necessary clothing.

Mental Injury

“Mental injury” means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child’s ability to function within a normal range of performance and behavior with due regard to the child’s culture. Threatened Injury “Threatened injury” means any statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury.

Sexual Abuse

“Sexual abuse” means the subjection of a child by a person responsible for the child’s care (i.e. an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities; or an individual functioning outside the family unit and having responsibilities for the care of a child, such as a teacher, school administrator, day care worker, babysitter, counselor, or coach) or by a person in a position of authority (which includes, but is not limited to: any person who is a parent or acting in the place of a parent and charged with any of the parent’s rights, duties, or responsibilities to a child; or a person who is charged with any duty or responsibility for the health, welfare, or supervision of a child, either independently or through another, no matter how brief, at the time of the act, to any of the following:

(a) Threatened sexual abuse;

(b) Criminal sexual conduct in the first, second, third, or fourth degree (which includes but is not limited to: sexual intercourse, cunnilingus, fellatio, anal intercourse, or any intrusion, however slight, into the genital or anal openings of the complainant’s body or any part of the actor’s body or any object used by the actor for this purpose, where the act is committed without the complainant’s consent, except in those cases where consent is not a defense. Emission of semen is not necessary and sexual contact (which includes any of the following acts committed without the complainant’s consent, except where consent is not a defense, or if the act is committed with sexual or aggressive intent):

- intentional touching by the actor of the complainant’s intimate parts, or
- the touching by the complainant of the actor’s, the complainant’s, or another’s intimate parts in and of itself or when effected by coercion or the use of a position of authority, or by inducement if the complainant is under 13 years of age or mentally impaired, or
- the touching by another of the complainant’s intimate parts by itself, or when effected by coercion or the use of a position of authority, or
- the touching of one’s intimate parts by coercion or by one who is in a position of authority, or
- the touching of the clothing covering the immediate area of the individual’s intimate parts.

I The practice of prostitution, solicitation, inducement or promotion of prostitution, receiving profit derived from prostitution, or prostitution-related acts;

(d) Use of minors in a sexual performance.

Neglect

“Neglect” means failure by a person responsible for a child’s care (i.e. an individual functioning within the family unit and having responsibilities for the care of the child, such as a parent, guardian, or other person having similar care responsibilities; or an individual functioning outside the family unit and having responsibilities for the care of a child, such as a teacher, school administrator, day care worker, babysitter, counselor, or coach) to supply a child with necessary food, clothing, shelter, education, or medical care when reasonably able to do so, or failure to protect a child from conditions or actions which imminently and seriously endanger the child’s physical or mental health when reasonably able to do so, or failure to take steps to ensure that a child is educated in accordance with state law. This does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care. Neglect includes prenatal exposure to a controlled substance used by the mother for a non-medical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child’s first year of life that medically indicate prenatal exposure to a controlled substance. Neglect also means medical neglect, which includes but is not limited to the withholding of medically indicated treatment for a disabled infant with a life-threatening condition.

B. Retaliation for Reporting Prohibited. An employer of any person required to report suspected child physical/sexual abuse and/or neglect shall not retaliate against the person for reporting in good faith abuse or neglect, or against a child with respect to whom a report is made, because of the report.

C. Reasonable force. The law says that reasonable force may be used upon or toward the person of a child without the child's consent when the following circumstance exists or the actor reasonably believes it to exist:

(1) when used by a parent, legal guardian, teacher, or other caretaker of a child or pupil, in the exercise of lawful authority, to restrain or correct the child or pupil; or

(21) when used by a teacher or other member of the instructional, support, or supervisory staff of a public school upon or toward a child when necessary to restrain the child from self-injury or injury to any other person or property.

The degree of restraint used and the restraining actions must be consistent with the needs of the situation.

While reasonable force against a child may be used as described above, corporal punishment shall not be inflicted or caused to be inflicted by an employee or agent of a public school against a student to reform or penalize unacceptable conduct. Corporal punishment is conduct involving hitting or spanking a person with or without an object or using unreasonable physical force that causes bodily harm or substantial emotional harm. A violation of the corporal punishment statute is not a misdemeanor, but may constitute another crime if it violates an existing criminal statute.

Procedures To Be Followed When Child Maltreatment Is Suspected.

- If a child appears to be injured severely enough to require urgent medical attention, the person who first detects the injury shall administer first aid and follow building emergency procedures. Call 911 for police emergency or an ambulance. If the school nurse is not present, the health services office may be called for assistance and direction. If no medical emergency is present, a report should be filed as set forth below in Section 2.
- An employee who submits an oral report to the local welfare agency, police department or the county sheriff must submit a written report within seventy-two (72) hours of the oral report, exclusive of weekends and holidays. The written report shall identify the child, any person believed to be responsible for the abuse or neglect of the child if the person is known, the nature and extent of the abuse or neglect, and the names and address of the reporter. This written report may be submitted on the Hennepin County Suspected Child Maltreatment Reporting Form. The employee shall simultaneously report to the principal.
- Employees who know or have reason to believe that a child has been maltreated may consult with administrators, school social workers, The Department of School and Site Services, or the District General Counsel's Office regarding the procedures to be followed in making such a suspected maltreatment report. However, such consultations do not alter the employee's reporting obligations. Each employee retains the independent responsibility of

determining whether a report should be made and ensuring that a report is made when he or she feels that it is necessary.

- If Child Protective Services determines that the child must be removed immediately from the school or home in the interest of the child's welfare, the police **MUST BE CALLED**. The police and/or child protection are the only agents, other than a student's parents or guardians, who have the authority to remove a child from the school, except through court order. If you release a child to either the police or a child protection authority, you must have them sign a release form. Please refer to Policy 5620 and the manual for forms.
- In determining whether a child should be removed from school or home, a police officer may request the information from the school and its staff. In response to questions from officers regarding suspected child maltreatment, the school may release the information which has been included in the suspected child maltreatment report and any public data requested.
- Any person who makes a suspected child maltreatment report may request a summary of the disposition of his or her report from Child Protective Services. Child Protective Services will generally release the summary unless its release would be detrimental to the best interests of the child.

APPENDIX E CONFLICT RESOLUTION

To facilitate communication between parents/citizens and District staff for the benefit of students while respecting the needs of both parents/citizens and staff, the following procedures are established to resolve conflicts. This section shall apply to any concern other than alleged physical or sexual abuse of students or sexual harassment which is governed by reporting requirements under statute and District policy. It is understood that at any time staff may consult with the Union or parents/citizens with advocates regarding resolution of concerns. It is understood that substantiated concerns may result in further action in accordance with the Bargaining Agreement and School Board Policy.

A. Informal Resolution

1. The parent/citizen with a concern about a staff member contacts that staff member about the concern. If resolution is not achieved or if the parent/citizen is unwilling to contact the staff member, then;
2. The parent/citizen talks to the principal/supervisor about the concern. The principal/supervisor's role is to:
 - a. identify the nature of the concern;
 - b. collect all pertinent facts;
 - c. outline the next steps in resolving the concern; and,
 - d. establish a time line for resolution.
3. The principal/supervisor discusses the concern with the staff member and attempts to develop a resolution to the concern. If a resolution is developed, the principal/supervisor contacts the parent/citizen regarding the proposed resolution.
4. If the staff member and principal/supervisor are unable to develop a resolution or if the parent/citizen is not satisfied with the proposed resolution, a meeting is held involving the staff member, principal/supervisor, and parent/citizen in an attempt to develop a resolution to the concern. If no resolution is reached as a result of this meeting, the parent/citizen may move to the Formal Resolution process.

B. Formal Resolution

1. The parent/citizen is given the "Parent/Citizen Resolution Form" to review. A meeting is scheduled within two (2) work days at which time the staff member, principal/supervisor, and parent/citizen jointly complete the form by:
 - a. identifying and recording unresolved issues; and,
 - b. recording the efforts made to resolve the concern.

Another attempt shall be made by the parties to resolve the concern.

2. If that attempt is not successful, the "Parent/Citizen Resolution Form" is sent to the appropriate Executive Director who will conduct further fact finding and conferences with all parties in an attempt to resolve the concerns. If mutual resolution is reached, a letter of Agreement shall be drafted and signed by all parties with a copy given to all parties. If mutual resolution is not reached within thirty (30) calendar days of receipt of the form, a written response will be made by the Executive Director to all parties as the final resolution to the concerns stated on the "Parent/Citizen Resolution Form".
