PREAMBLE

This agreement entered into this 1st day of December 2008, between the Board of Education of Cold Spring Harbor Central School District, Towns of Huntington and Oyster Bay, New York, hereinafter referred to as the "Board" and the Association of Cold Spring Harbor Administrators of Cold Spring Harbor Central School District, Towns of Huntington and Oyster Bay, hereinafter referred to as the "Association," will become a binding agreement by approving action of the Board by resolution and by approving action of the Association.

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISIONS OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

The Association recognizes that the Board has the legal authority and responsibility to make final decisions in the educational and fiscal affairs of the School District, pursuant to the laws of the State of New York.

The Board recognizes the professional role of the Association for maintaining and improving the standards of the educational opportunity of the students of the District and contributing to the development of educational policies.

The Association and the Board agree to make accessible reasonable resources as may be available for the efficient realization of this goal.

ARTICLE I MISCELLANEOUS

- A. This Agreement shall constitute the commitment between both parties and shall be in effect July 1, 2008 through June 30, 2013.
- B. Any individual arrangement, agreement, or contract between the Board and an individual administrator shall be subject to and be consistent with the terms and conditions of this agreement.
- C. The Board of Education agrees that no written agreements which may affect the administrative, directive, or supervisory aspects of the schools will be signed with any third parties, except by the Superintendent of Schools, until the Board has notified the President of the Association at least five (5) school days in advance of the contemplated action. Upon notification, the President of the Association may within three (3) school days notify the Board of the position of the Association in writing, and can request a conference with the Superintendent of Schools to state their position and suggestions for improvement. The Board will take no action for five (5) school days following the first three (3) pending the study of the requests to the Superintendent from the Association.
- D. Should a resource team be made available to the Board's chief negotiator in the teacher

contract, at least one (1) member of the Association may at the discretion of the Superintendent be appointed to the team by the Superintendent of Schools. It is understood that individual members of the Association so appointed are not considered "confidential employees" as to be excluded from coverage under the provisions of the "Taylor Law" as amended.

E. Formal complaints from building staff, by parents of a student, by a student, by community organizations, or by community member(s) which are directed toward an Administrator shall be called to the Administrator's attention as soon as possible and the Administrator shall be afforded the opportunity to reply to same. No complaint letter or report directed against an Administrator shall officially be made public by the Board and/or the District Administration, nor shall such documents be placed in the Administrator's personnel file without his/her knowledge and prior discussion.

F. As soon as mutually agreeable after February 1 of the year of expiration of the Agreement, the Superintendent and the Association will exchange proposals for negotiations. Following this initial meeting, such additional meetings shall be held until the parties reach an agreement on the items or until an impasse is reached. Meetings will be held at mutually agreeable times.

G. Copies of this agreement shall be printed at the expense of the Board and one copy supplied to each administrative employee.

ARTICLE II GRIEVANCE PROCEDURES

A. Definitions

1. "Grievance" - a claimed violation, misinterpretation or inequitable application by the Board, its agents, servant or employees of the provisions of this agreement, or of any other law, regulation or policy which relates to or involves an administrator covered by this contract.

2. "Party in Interest" - the person or persons making the claim and any person who might be required to take action against or against whom action might be taken in order to resolve the claim.

3. "Days" shall mean school days.

B. Basic Principles

1. It is the intent of these procedures to provide for the orderly and prompt settlement of differences in a fair and equitable manner.

2. Failure at any step to communicate a decision within the specified time limit shall permit the aggrieved to proceed to the next step. Failure at any step of this procedure to appeal a

grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.

3. Any party in interest shall have the right to be represented at any stage of the procedure by a person of his or her own choice. When an administrator is not represented by the Association, the Association may be present to state its views at all stages of the grievance procedure with the consent of the aggrieved.

4. All records of hearings shall be filed in the Central Office files of the Superintendent of Schools separate from the personnel files of the participants.

5. Time limitations may be extended by mutual agreement of both parties.

6. The sole remedy available to any administrator for any alleged breach of this agreement or any alleged violation of his rights hereunder shall be pursuant to this grievance procedure, except that nothing contained herein shall deprive any administrator of any legal rights which he or she has by virtue of statute.

C. Procedures

1. The aggrieved administrator, either directly or through the Association shall present his or her grievance in writing to the Superintendent of Schools. The initial written grievance must be filed not later than 45 days after the incident occurred.

2. The Superintendent shall within (5) days of receipt of the grievance render his decision in writing. The original will go to the aggrieved, one copy to the President of the Association.

3. If the grievance is not satisfactorily resolved in the opinion of the aggrieved, he or she may within five (5) days following the receipt of the Superintendent's decision file the grievance with the Clerk of the Board of Education.

4. The Board or a Committee of the Board shall meet within ten (10) days of receipt of the written grievance with the aggrieved administrator.

5. The Board shall within fifteen (15) days of receipt of the written grievance, render its decision. This decision will be by formal resolution and entered in the minutes of the Board of Education. On the day following the rendering of the formal Board decision, the aggrieved administrator will be notified and will be furnished with a copy of the resolution.

6. If the grievance is not satisfactorily resolved at this stage, the aggrieved administrator may request advisory arbitration pursuant to the rules of the American Arbitration Association. The District and the Association shall share equally the costs of any arbitration.

ARTICLE III
CONDITIONS OF EMPLOYMENT

A. All policies, rules, regulations and procedures included in the official "Policies of the Board" enacted bylaws of the Board and Administrative Regulations now in effect concerning the terms and conditions of employment of administrators and their duties, authority and responsibilities are accepted as part of this contract.

B. In the event that the Board of Education is considering proposals for policy changes or a new policy statement affecting the conditions of employment of the administrators, the Board shall negotiate with the Association on such policy prior to adoption.

C. 1. Administrators are to be employed on the basis of twelve months and shall be entitled to four weeks (twenty working days) of paid vacation which shall accrue at the rate of 1.667 days per month. Vacation days shall be taken subject to notification of the Superintendent of Schools, provided, however, that building administrators shall take their vacation during the summer recess. Upon request of an administrator, the Superintendent of Schools may, in his discretion, advance to an administrator the balance of any vacation days which an administrator would be entitled to accrue in a given year (July 1 to June 30).

2. Vacation days accrued in a given year (July 1 to June 30) must be used by an administrator prior to the beginning of the following school year. However, the Superintendent of Schools shall have the discretion, upon written request of the administrator made on or before June 1, to permit any unused vacation days to be carried over for an additional year.

3. On days in the academic calendar when classes are not in session, the administrator's presence, schedule of hours, and duties performed shall be dependent on the responsibilities and the exigencies of their particular office or position and the prevailing operations of the District.

D. Whenever possible, notification of intent to retire must be submitted to the Superintendent of Schools in writing no later than seven (7) months in advance of the declared date of retirement.

E. 1. Members of the Administrators' Unit are eligible for a service benefit for extended service upon reaching age 55 or older. As described below, this benefit will be provided on retirement and will be in the form of a non-elective employer contribution in a value equal to \$35,000 for members completing 10 years of Cold Spring Harbor service. The benefit for members completing 11-15 years of service will increase by an additional \$3,500 for each additional year up to a maximum total benefit of \$52,500.

2. This service benefit is independent of any retirement incentive that might later be made available to members of the Administrative unit.

3. No administrator receiving a service benefit would be eligible for any retirement incentive offered to teachers. But in the event an incentive is offered to teachers, the value of the Service Benefit to administrators would not be less than that offered teachers of similar age and district service. This service benefit applies only to present members of the administrators' unit.

4. The service benefit created by this paragraph shall be a non-elective employer contribution by the District to the account established under Section 403(b) of the Internal Revenue Code of 1986, as amended (the "Code") of such eligible retiring administrator upon the terms and conditions of this paragraph. Under no circumstances shall any retiring administrator or his or her estate, receive any benefit described in this paragraph in cash, and the receipt of all such benefits shall be governed by the terms and conditions herein.

No later than thirty (30) days after the effective date of the administrator's retirement, the District shall make an employer non-elective, non-discretionary contribution to the Code Section 403(b) account of the eligible retiring administrator in an amount up to the limitations of Code Section 415 as applicable to Code Section 403(b) plans under Code Section 403(b)(1) and 403(b)(3) for the year in which such contribution is made.

5. If any portion of the retirement benefit amount remains after the District (employer) non-elective, non-discretionary contribution, the remaining balance, if any, shall be paid to the eligible retiring administrator as compensation in a lump sum no later than thirty (30) days after the effective day of retirement.

6. The non-elective employer contributions, as specified above, shall be contributed to such Code Section 403(b) account as may be selected by an eligible retiring administrator to receive employer contributions pursuant to all of the terms specified herein. If an administrator does not designate a Code Section 403(b) account or, if the account so designated will not accept an employer non-elective contribution for any reason, then the District shall deposit the contribution into a Section 403(b) account on behalf of the employee as required by law. Each eligible administrator shall notify the District in writing of the total elective contributions, if any, made by such individual to any Section 403(b) account, other than with respect to contributions made as an employee or former employee of the District, for any plan year in which a District contribution is to be made. Such notification shall be provided no later than thirty (30) days prior to the required date of contribution.

7. No employee or his or her estate may receive cash in lieu of or as an alternative to the employer non-elective contribution.

8. The Association acknowledges that the District has made no representation to the Association or its members as to the position of the Internal Revenue Service (IRS) or the Courts regarding the taxability or tax-deferred nature of the non-elective employer contribution provided hereunder or as to the position of the New York State Teachers' Retirement System (TRS) regarding whether these contributions will be included in the member's final average salary. The District shall fulfill any applicable legal obligations in processing and reporting these

contributions to the TRS. In this regard, the Association and its members shall be responsible for their own liabilities to the extent that the Internal Revenue Service or the Courts either re-characterizes or denies the intended tax treatment of the contribution and further, shall hold the District harmless if either of such events shall occur.

F. Absences not allowed under the terms of the contract provisions of the Cold Spring Harbor Teachers' Association contract will be deducted from the salary at the rate of 1/240th per day of the current salary of the administrator.

G. Leaves with pay may be granted by the Board of Education, in its sole discretion, to members of the administrative staff after seven (7) years of service to the District, upon request of the administrator with the recommendation of the Superintendent and approval of the Board of Education. Full salary shall be paid for 2 years or 80% for a full year leave.

I. Life Insurance

The District shall contribute up to \$2,000.00 per year towards life insurance premiums for each administrator in each year of this agreement, unless the administrator earlier resigns or is discharged for cause. For purposes of this section, resignation shall not include disability retirement or retirement into the New York State Teachers' Retirement System. Any unspent portion of this payment shall be returned to the employee annually.

J. Physical Examinations
