ARTICLE X APPOINTMENTS

Acting Appointment. The College may appoint a bargaining unit member to assume the responsibilities of a superior non-bargaining unit position in an acting capacity for a period not to exceed one (1) year when this position is temporarily vacant. The intent is to provide a continuity of function that would normally be interrupted due to the vacancy. Service in such position is voluntary on the part of the bargaining unit member. A bargaining unit member promoted to an acting appointment will hold all rights of appointment and will be compensated at a rate mutually agreeable to the bargaining unit member and the College. At any time up to but not to exceed one (1) year the bargaining unit member may return or be returned to the original title by the administration. In any event, the bargaining unit member shall have the right to return to his/her original title when the vacancy is filled.

Temporary Appointments. Temporary appointments are made for a fixed term not to exceed one (1) year when a position or need for services is not expected to be permanent. Temporary appointments automatically expire upon the final date of the appointment term and there should be no expectation of continued employment beyond the final date of the appointment term.

Temporary employees are eligible, on a pro rata basis, for vacation, sick, and personal leaves and for holidays that fall on a regularly scheduled work day. Continuing Appointment. Upon successful completion of the probationary period bargaining unit members shall be granted continuing appointment.

ARTICLE XI PROFESSIONAL OBLIGATION

**ARTICLE XII
JOB DESCRIPTIONS**

- A. New position job descriptions for bargaining unit members shall be as recommended by the President and approved by the Board of Trustees.
- B. Job descriptions are to be reviewed annually with each employee's immediate supervisor, in conjunction with the annual evaluation process and any proposed changes should be described on the evaluation report for consideration by the President.
- C. To be implemented, proposed changes in a bargaining unit member's job description shall initially require consultation with the bargaining unit member and the written approval of the bargaining unit member's immediate supervisor, other related supervisors, the vice president having responsibility for the administrative unit to which the bargaining unit member's position is assigned and the President.
- D. In the event that an employee and his/her supervisor are in disagreement as to the proposed changes in the job description, the employee may appeal the same up to the vice president having responsibility for his/her administrative unit, or, in the case of administrators reporting to a vice president, such appeal may be made to the President of the College. Employees who supervisors report directly to the President may appeal directly to the President. The decision of the Vice President/President shall be final and binding.
- E. Each non-teaching professional employee will annually receive a copy of his/her official job description through the evaluation process.

**ARTICLE XIII

- A. Bargaining unit members shall be evaluated on a fiscal year basis (September 1 - August 31) by November 1 on evaluation forms distributed to unit members by the preceding September 15.
- B. The evaluation report will firstly be discussed (in confidence, by the employee and his/her immediate supervisor, with the employee being able to make written comments as he/she deems appropriate. In the event that an employee feels that his/her supervisor's evaluation does not truly reflect his/her performance, the employee may appeal his/her evaluation up to the vice president having responsibility for his/her administrative unit, or in the case of administrators reporting to a vice president, such appeal may be made to the President of the College. Employees whose supervisors report directly to the President may appeal directly to the President. In any event, those statements giving rise to the difference of opinion must be substantiated or deleted from the evaluation report. The determination of the vice president/President will be binding on all parties.

- C. In addition to the formal evaluation procedures described above, anyone generating or receiving reports, letters, memoranda or written material which relates favorably or unfavorably to the capabilities, talent, character, reputation, qualifications or abilities of any person or persons employed by or associated in any capacity with Hudson Valley Community College shall forward a copy of same to the Vice President for Administrative Services, who has been designated as Records Access Officer under the Freedom of Information Law. The Vice President for Administrative Services will review the material in question and inform the concerned employee whether or not it has been placed in his/her personnel records and that he/she is free to examine the same. In the event that an employee does not agree with the determination made by the Vice President for Administrative Services as to whether or not a document is to be placed in his/her personnel records, he/she may submit a written appeal of that decision to the President of the College, who will make a determination binding on all parties.
- D. No information concerning any bargaining unit members shall be made public prior to that person having an opportunity to examine the same.

**ARTICLE XIV
WORK YEAR-WORK WEEK**

A. Ten Month Employees.

Bargaining unit members having a 10-month work year obligation shall be employed on a fiscal year basis (September 1-August 31). Their work year shall be equal to the number of work days exclusive of forty-five (45) non-accruable vacation days and the number of holidays as set forth in this agreement.

B. All Other Employees.

All other bargaining unit members are appointed on a fiscal year basis (September 1-August 31). Their work year shall be equal to the number of work days exclusive of accrued vacation time and the number of holidays as set forth in this agreement.

C. Work Week.

1. The normal work day for bargaining unit members is seven and one-half (7 1/2) hours in length exclusive of a one (1) hour lunch period. Such hours shall normally be discharged between 8:00 a.m. and 5:00 p.m., Monday through Friday, with the precise hours of work to be

established by the bargaining unit member's supervisor, with the approval of the Vice President having responsibility for the administrative unit to which the bargaining unit member's position is assigned. Preference in scheduling shall be afforded senior unit members.

2. Effective during the ten-week period or portion thereof commencing on the Monday next following Memorial Day in the 1996/97 year, employees may at the discretion of their immediate supervisor and approved by the responsible Vice President, be authorized to take a one-half (1/2) hour lunch with a related reduction of one-half (1/2) hour in scheduled work day hours, e.g. 8:30 a.m. - 5:00 p.m. schedule would be changed to 8:30 a.m. - 4:30 p.m. Approval of such schedule changes shall not result in a work day that falls below seven and one-half (7 1/2) hours in length exclusive of a one-half (1/2) hour lunch period.
3. If necessary, an employee may be assigned outside the timeframe set forth in paragraph 1 above so as to provide equal services to students taking courses in the evening hours.
4. Where a position is not directly related to student class schedules, or where the normal working day does not have a bearing on the responsibilities of the position, an employee holding that position may request to work a flexible schedule which more closely accommodates the time demands of the position. In no event, however, shall a flexible schedule be requested in order to obtain other employment or produce a work week of under thirty-seven and one-half (37 1/2) hours or cause the employee to be on campus fewer than four (4) of the normal five (5) working days each week. Applications for a flexible work schedule must be submitted to the employee's immediate supervisor; be approved by the Vice President having responsibility for the employee's administrative unit.

Where such approved flexible schedules require a unit member to work beyond a thirty-seven and one-half (37.5) hour work week, the unit member will be granted a flexible time accrual that equals the time worked beyond their thirty-seven and one-half (37.5) hour work week. Accrued flexible time shall not exceed twenty-two and one-half (22.5) hours at any time and any accrued time remaining at the point of terminating employment with the College shall, to the limit of twenty-two and one-half (22.5) hours, be assigned to sick leave accumulation.

D. Special Assignments

Special Assignments are defined as assignment to specific functions which are to be performed outside the assigned employee's regular working hours, scheduled in advance by the employee's immediate supervisor, with the prior approval of the appropriate Vice President. Unless the College and Association should otherwise agree, such assignments are limited to registration, time-shortened admission events, open house, weekend and holidays, and College nights. If so assigned, effective 1 September 1998 an employee shall be compensated at the rate of Twenty Dollars (\$20) per hour for each hour of such assignments; effective 1 September 2001, an employee shall be compensated at the rate of Twenty-one Dollars (\$21) per assigned hour; and effective 1 September 2002 an employee shall be compensated at the rate of Twenty-two Dollars (\$22) per hour for each hour of such assignments.

ARTICLE XVI
RETRENCHMENT/RESIGNATION/RETIREMENT

- A. The retrenchment/layoff and/or recall of bargaining unit members are in the sole discretion of the College and are subject to review under the grievance procedure hereof only as to questions of seniority within function areas and timeliness of notice.
- B.  - 1. Function areas and matters related thereto shall be as set forth in Addendum C annexed.
 - 2. Part-time employees shall be laid off before probationary employees, and probationary employees before employees on continuing appointment. Upon layoff, the employee shall be paid for all vacation accrued at the time of layoff.
 - 3. If two (2) persons have the same date of original appointment, date of signed, returned salary agreement shall be determinative of their respective seniority.
 - 4. In the event that a bargaining unit vacancy exists in other administrative areas at the time of layoff, affected employees on continuing appointment, qualified in such other administrative areas, shall be given priority consideration for employment in such areas. Qualified shall mean the possession of the minimum educational and experience requirements of a position as determined by the College's notice of vacant position.
- C. Laid-off employees on continuing appointment shall, for a period of two (2) years have a right to be reinstated/recalled in inverse order of his/her layoff to a unit vacancy within a function area for which he/she is qualified. During this period the former position of a laid-off

employee will not be filled by a less junior replacement unless the employee has been offered reappointment to the same or an equivalent position and has declined. Notice of reinstatement/recall to subsequent positions vacancies shall be by written notice. Such notice will be by Registered or Certified Mail (return receipt), addressed to the last address filed in the Personnel Office by the employee. The letter to the employee shall state the above time limits.

- D. If an employee is reinstated/recalled to the same position from which he/she was retrenched, he/she shall retain seniority and benefit credits as of date of lay-off and be employed at a salary he/she would have received had the lay-off not occurred.

Such employee shall remain on the recall list for the balance of remaining recall eligibility for the sole purpose of being recalled to the position from which he/she was originally retrenched.

- E. In the event the College has made a decision to retrench the employees, such decision shall be promptly communicated to the Association, and the Association upon request shall be afforded the opportunity to meet with representatives of the College for the purposes of presenting alternatives to retrenchment and/or to discuss the impact of redistributed functions, if any, upon remaining unit members within a function area(s) that has (have) been retrenched.
- F. If retrenchment/layoff is declared, those employees affected will be provided an opportunity to use College personnel and institutional facilities to aid in a job search.

- B. Notice of military obligation will be reported to the bargaining unit member's immediate supervisor as soon as orders are received for military duty. Verification of military orders may be required by the College.

Jury Duty. Bargaining unit members scheduled for jury duty shall be released from employment responsibilities for such duties which conflict with their professional responsibilities without loss of salary. All jury duty payments, exclusive of food and travel allowances, shall be remitted to the College with documentation of such payments from the appropriate court official.

Vacation Leave.

- A. Employees in positions having less than a twelve (12) month work obligation are not eligible for vacation leave as hereinafter set forth.
- B. Employees in positions with a twelve (12) month work obligation having either probationary or continuing appointments shall be eligible for vacation leave and shall accrue such leave as follows:

	Accrual Rate Per Pay Period	Total Annual Accrual
1 through 5 inclusive	6.06 hours	157.50 hrs. (21 days)
6 through 10 inclusive	7.21 hours	187.50 hrs. (25 days)
More than 10	8.65 hours	225.00 hrs. (30 days)

1. Vacation leave is accrued on a pay period basis and may not be taken in advance of accruals. Bargaining unit members eligible for vacation leave may accrue such leave to a maximum of forty (40) days with accrual computation to be made annually, effective on the last working day in the month of August.

Under unusual circumstances a bargaining unit member may carry over up to ten (10) days from the previous year that would result in a temporary new maximum accrual beyond the normal forty (40) days maximum. Such carry over vacation days must be utilized in the carry over year together with the new accruals since the maximum accrual will automatically revert to forty (40) days as of August 31 of the carry over year.

Requests for vacation carry over shall be made by the bargaining unit member to the immediate supervisor indicating the circumstances requiring carry over consideration. Requests shall be subject to the immediate supervisor's recommendation to the responsible Vice President whose decision shall be final and binding. Carry over shall not be granted for consecutive years.

To qualify for carry over, employees shall take no less than three (3) weeks vacation per fiscal year.

2. Employees having vacation accruals, inclusive of "vacation bank days," in excess of forty (40) days based on service with the College as of August 31, 1986 may maintain but may not thereafter increase such accruals. In no event shall the College pay bargaining unit members for unused vacation leave accruals, except as provided in Article XVI, "Resignation," paragraph B. (3) and "Retirement," No. 4.
3. Use of vacation leave shall be subject to the prior written approval of the bargaining unit member's immediate supervisor.
4. Vacation leave may not be taken in less than one (1) hour units except when a vacation leave request is for three and one-half (3 1/2) hours.
5. Upon written request submitted one (1) pay period in advance, bargaining unit employees may obtain, in advance, salary to be paid during such vacation period.
6. Vacation accruals during the 1992/93 year and each year thereafter in excess of the forty (40) days maximum on the date of accrual computation (September 1) may, at the option of the employee, (inclusive of employees identified in No. 2 above) who has taken no less than three (3) weeks vacation, place up to five (5) days vacation in a vacation bank. Such individually credited vacation banks shall not exceed a maximum credit of fifty (50) days and payment to the employee will be made when the employee either resigns, retires or otherwise terminates from his/her position with the College. Payment shall be at the employee's daily rate of pay as of their last day of employment as a non-teaching professional employee.

Additionally, bargaining unit members may opt to withdraw up to a maximum of five (5) vacation bank days per year in cash from their individually established bank balances at their current rate of pay subject to any and all required payroll deductions. Such withdrawal requests must be made on a form supplied by the Office of Human Resources and payment shall be made no later than one month following the date of request for withdrawal. This withdrawal option will be available to employees identified in No. 2 above, effective September 1, 1992.

Sick Leave.

- A. Each employee on a twelve-month (12-month) appointment shall be credited with twelve (12) days of sick leave at the beginning of each fiscal year, i.e., September 1, pro-rated as to employees who begin employment after September 1. Those employees having work years of nine (9) or ten (10) months duration will be credited with the appropriate pro rata share of the twelve (12) day annual allotments.
- B. Sick Leave may be accrued from year to year in accordance with the following:

Employees with ten (10) month appointments	165 days maximum accrual
Employees with twelve (12) month appointments	190 days maximum accrual

- C. Up to fifteen (15) days of current and/or accumulated sick leave a year may be used in the event of death or illness within the immediate family. "Immediate family" is understood to mean: husband, wife, son, daughter, father, mother, foster parents, brother or sister. Use of sick leave in the event of death or illness not within the immediate family will be considered on an individual basis.
- D. Sick leave may be used in units of one (1) hour. Validation of sick leave usage, including disability arising out of pregnancy, may be requested in the form of a physician's certificate. In the case of pregnancy, the period of temporary disability caused by or contributed to by childbirth or the recovery therefrom may be charged to sick leave. In cases of scheduled medical or dental appointments, sick leave may be used in units of one-half (1/2) hour.
- E. Upon exhaustion of all sick and personal leave accumulations and upon the submission of a physician's verification of total disability, employees shall be entitled to extended sick leave at half-salary equal to one pay period for each year of full-time employment at the College.
- F. Except in emergencies, employees are required to notify their immediate supervisor of their sick leave absence within two (2) hours of the start of their work day.

Personal Leave.

- A. Employees are annually entitled to three (3) days (22.5 hours) of personal leave without loss of pay for urgent personal business which cannot be deferred, for the observance of religious holidays, or the observance of legal or public holidays not addressed in ARTICLE XVIII. Based on the foregoing, personal leave is, generally, not taken in conjunction with either vacation leave or holidays. Persons coming into the employ of the College after the start of the fiscal year (September 1) will be granted the pro rata share of the personal leave allotment based on the effective date of their appointment and the end of the fiscal year (August 31).
- B. Personal leave requests must be approved by an employee's immediate supervisor and, except in emergency situations, requests must be submitted in advance on the forms provided for this purpose. When personal leave must be taken due to an emergency situation, employees shall report their absence or intended absence to their immediate supervisor or his/her designee at the first possible opportunity. Each instance of personal leave must be reported on the next attendance report.
- C. Personal leave may not be taken in units of less than one-half (1/2) hour.
- D. At the expiration of the fiscal year, those employees who have not exhausted their personal leave days shall have such unused leave converted to sick leave and added to their sick leave accruals to the maximum allowed.

Sabbatical Leave.

- A. Sabbatical leaves of absence may be granted to bargaining unit personnel upon application to the President of the College and approved by the College's Board of Trustees. The total number of sabbatical leaves granted shall be subject to budget limitations and guidelines established by the College's Board of Trustees.
- B. Non-teaching professional personnel become eligible for sabbatical leave after the completion of six (6) years of service at the College. Application for a sabbatical leave may be filed during the sixth (6th) or subsequent year of employment, to be effective for the seventh (7th) or subsequent year of employment. At the option of the employee, the sabbatical leave request may be for one (1) or two (2) academic semesters at full salary. Alternative leave durations not exceeding two (2) academic semesters and alternative compensation patterns not exceeding full salary, may be proposed by an employee requesting a sabbatical where the purposes and objectives of the sabbatical are not consistent with the traditional duration of an academic semester (16 weeks). The salary so paid shall not be reduced by any grant or fellowship received by the employee.
- C. Sabbatical leave recipients and the terms of their remuneration shall be determined by the Board of Trustees. Applications for leave must be made in writing to the President of the College with a copy to the employee's immediate supervisor and to the Sabbatical Leave Committee by January 31 of the year preceding the academic year in which the leave is to be taken. As part of the application for sabbatical leave employees shall clearly indicate the purpose of the leave and, if the leave is for study, the name of the institution and the courses to be pursued and their relationship to the applicant's professional position. Application for leaves for professional or educational experience must state the specific education objective and the direct relationship to the applicant's field of endeavor. Applications should be endorsed by the employee's immediate supervisor with the recommendations and reasons therefor at the time the application is submitted. Any member of the non-teaching professional staff on sabbatical leave remains an employee of the College and his/her salary will be subject to the normal deductions for Social Security, income tax, health insurance and other deductions. Upon return from sabbatical leave, the employee will be restored to the position held prior to the sabbatical leave or to a compatible position, one equal to that had he/she been in regular attendance at the College during the period of the sabbatical leave.
- D. There shall exist a Sabbatical Leave Committee composed of five (5) employees of the College appointed by the President of the College, two (2) of whom shall be bargaining unit members. The Committee shall review each application; rate each as to merit; list the same in priority order and forward its recommendations to the Office of the President of the College. An applicant may not be a member of the Committee.
- E. Following a sabbatical leave, an employee is expected to return and complete full-time service to the College in the ratio of twice the actual time granted on a fully paid sabbatical. For example, a one-semester fully paid sabbatical shall require a return service commitment of thirty-two (32) weeks; a ten (10) week, one-half (1/2) paid sabbatical, shall require a return service commitment of ten (10) weeks. The College may require as a condition precedent to the granting of a sabbatical leave the execution of instruments to secure the repayment of salary received when on sabbatical leave in the event of the failure of the employee to return and complete such service.

- F. Within forty (40) working days of return from sabbatical leave an employee shall make a detailed report to the President of the College covering his/her sabbatical activities and accomplishments.

Unpaid Leave.

- A. A leave of absence of up to one (1) year may be granted upon application provided such application is made one (1) semester in advance of the date the leave is scheduled to begin and that such leave is concurrent with the College's academic year or, in the case of child care leave, five (5) months in advance of the date the leave is scheduled to begin. Applications made in variance with this policy will be granted at the discretion of the College.
- B. Leaves covered by this policy include those directly related to professional development, such as advanced study, exchange teaching or other employment; those which allow for a term in a professional or political office; and those for child care. Employees granted unpaid leaves of absence as defined by this policy statement will, upon return to active employment status, receive a salary equal to that which they would have received had they worked at the College during such period.

Accrual Statement. On March 1 and August 31 bargaining unit members will receive a statement showing their accruals or balances in all appropriate leave categories.

Bereavement Leave.

Bargaining unit members will be granted up to four (4) consecutive working days without loss of pay in the event of a death in the employee's immediate family. (For the purposes hereof "immediate family" shall be: spouse, child, grandchild, foster/step-child, parent, grandparent, brother, sister, mother-in-law, father-in-law, or blood relative residing in the employee's household.) The first day of such leave shall be the first work day immediately subsequent to the death of the family member.

**ARTICLE XX
INSURANCE**

A. Health Insurance Coverage.

1. As of the date of this Agreement, the College makes available as primary plans to all full-time bargaining unit members and their eligible dependents group indemnity, Blue Shield NENY; HMO CHP Standard; Capital District Physicians Health Plan Premier \$15; and CHP Plan 190. The College will continue to make available to those parties coverage as congruent as possible to these primary plans. With respect to primary plans, the College reserves the right to change carriers or to self-insure, as it deems appropriate, so long as the coverage and benefits remain as congruent as possible with those currently provided. The College agrees to attempt to minimize changes by incumbent providers and HMO's from one plan year to another. However, the College will not be responsible for changes unilaterally imposed by an insurance provider or HMO in benefits, co-payment provisions or deductibles. The practice of reimbursing the \$240 in-patient deductible of the hospitalization portion of indemnity coverage will continue to be in effect regardless of change in indemnity plan provider or changes in plan parameters.

The College shall continue to provide to all Association unit Non-Teaching Professional staff a dental plan whose benefits are equivalent to the dental plan now in effect for employees of the County of Rensselaer. Should the level or scope of benefits provided under the county-wide plan be increased for county employees, the same increase(s) shall automatically be accorded to eligible bargaining unit members covered by this Agreement.

2. The College may continue to provide alternatives to the four primary health plans identified above which make available less costly coverage. It is understood that these are alternatives to primary plans and enrollment replaces coverage under a primary plan. It is also understood that such alternatives are offered at the discretion of the College and such alternatives are not subject to any criterion of congruency with primary plans. With respect to the alternative plans, the College reserves the right to self-insure or to provide as many or as few plans as it deems appropriate with no restriction on included benefit or coverage levels.

The parties agree to establish a Labor Management Committee to review and make recommendations to the College concerning possible alternative medical insurance options. The Committee shall be composed of three members of the Association together with the Vice President for Administration, Director of Human Resources and Chief Fiscal Officer of the College. From time to time, the College may make available to the Committee the College's insurance consultant.

- B. In the event of a change of health insurance carriers or the election by the College to self-insure any one or more of the coverages provided, such change shall be made only after thirty (30) calendar days notice to and subsequent consultation with the Association. The benefits thereafter provided by the new carrier or under a self-insured program shall be substantially equal to or better than the benefits provided by the coverage in effect at the time of such change.
- C. Effective 1 January 1992, the Prescription Drug Co-Pay provision shall be One Dollar (\$1.00) for a generic drug prescription and Six Dollars (\$6.00) for a brand name drug prescription, except where a prescribed drug has no generic drug alternative, in which case the co-payment shall be Three Dollars (\$3.00). The Major Medical deductible shall be One-Hundred Dollars (\$100) per individual and Three-Hundred Dollars (\$300) per family.

D. College Contribution to Premium Cost of Health Insurance.

1. The College shall contribute the dollar equivalent of one-hundred percent (100%) of the premium cost of individual health insurance coverage and 74.55% of the premium cost of the dependent health insurance coverage for all eligible employees who elect such coverage (this percentage contribution is effective January 1, 1992 and, subject to change, in accord with ARTICLE XX, A. - see attached example contained in Addendum D).
2. Employees employed as of and subsequent to 1 January 1986 shall contribute twenty-five percent (25%) toward the total premium cost of their health insurance (individual and dependent coverage) for the first three (3) years of their employment, following which the provisions of paragraph 1. above shall apply.

E. Premium Contributions, Capital Community Health Plan.

Those employees who elect health insurance coverage as provided by the Capital Community Health Plan (a federally qualified HMO) will pay all premium costs for participation therein which are in excess of the maximum premium cost paid by the College for participation in the health insurance program as are in effect upon ratification hereof.

F. Health Insurance Waiver.

Each employee (except employees whose spouses are also eligible for coverage) may elect to refuse participation in the College Health Insurance Program and may provide for his/her own health insurance. The College will place \$20 (\$50 effective 1 January 1992) in a trust account each month that the employee is eligible but does not elect coverage. The employee will receive the funds so accumulated by December 15 of each year or upon termination. An employee may elect to resume coverage the first of the month next following a minimum of three (3) business days notice.

- G. The College and Association agree to support through a joint Health Insurance Committee the introduction of non-equivalent, less costly health insurance options for implementation by 1 September 1994 (See Addendum E).

ARTICLE XXI
MISCELLANEOUS

Validation of Attendance. On a bi-weekly basis, bargaining unit members will complete and submit to their immediate supervisor the attendance verification form prescribed by the College. The submission of this record, approved by the employee's immediate supervisor, will provide the College with the authority to issue regular salary checks.

Annual Salary Agreement.

- A. Every bargaining unit member shall receive an annual salary agreement, consistent herewith, setting forth his/her employment title, appointment status, and salary.
- B. Salary agreements shall be signed and returned by each bargaining unit member within thirty (30) calendar days subsequent to receipt. Timely execution and return of the salary agreement shall constitute acceptance and acquiescence of the terms and provisions thereof by the bargaining unit member; failure to do so shall constitute a resignation.

Salary Installments. The salary as stipulated on the salary agreement of each bargaining unit member shall be paid on a bi-weekly basis in twenty-six (26) or twenty-seven (27) approximately equal installments depending upon the number of pay periods contained in the fiscal year.

Professional Freedom. The non-teaching professional employee is entitled to freedom in the discharge of his professional responsibilities, but should be careful not to introduce into his work controversial matters which have no bearing on his employment responsibilities.

Personnel Files.

- A. The Employer shall maintain a personnel file for each bargaining unit member. Such file shall contain records pertinent to the bargaining unit member's employment with the Employer and shall be located in the Office of the Vice President for Administration or in such other location as the College shall determine, with notice to the Association.
- B. Bargaining unit members may review their personnel files in the presence of the Vice President for Administration, or his/her designee, upon two (2) days' advance notice and shall have the right to place in their file a response to anything contained therein which they consider to be of a derogatory nature. Employees who have evaluative material placed in their personnel files shall have such materials removed from their files when it has been determined by mutual agreement, or by operation of law, that such material is invalid.

Interruption of College Operations.

Periodically, due to extreme weather conditions or other emergencies, it will be necessary for the College to cancel classes or to cease operations completely. When such situations develop, the College will have two codes. They are:

1. CLASSES ARE CANCELLED - this means that students and faculty should not report to the campus. All non-teaching professional personnel are expected to report for work.
2. COLLEGE IS CLOSED - all employees are excused from work except members of the security force and those personnel designated by the President to maintain or restore college operations.

Area radio stations (WTRY, WROW, WPTR, WGY, WOKO, WFLY) will be notified of the decision to either cancel classes or that the College is closed. Be aware that radio stations most often group school announcements and might misrepresent the President's intent. It is, therefore, suggested that all administrative personnel call the College security office (270-7210) where they will receive the exact information. Misunderstanding of the announced radio message will not be considered excused leave and such time taken will be chargeable to leave accruals.

When extreme weather conditions develop during the day, notification of the cancellation of classes or the closing of the College will be sent to all offices on campus by either telephone or messenger.

When the College is forced to close for a portion of a day or for an entire day, employee time off shall be recorded as "Administrative Leave" (AL); such leave is not charged against leave category. However, should the College remain closed for more than one day, or be designated to close for a specific period of time longer than one day, employees not directed to work will have to charge the time not worked, at the option of the employee, to their annual personal leave allotment, to current or future vacation, or may take the time as leave without pay. Employees electing the latter option, leave without pay, will be taken off the payroll for the emergency closing period and, therefore, may file for unemployment compensation benefits. An employee, however, may not be paid for the same period of time by the College and through unemployment compensation.

If classes are cancelled and an employee chooses not to report for work, time missed in such circumstances will be charged to personal or annual leave.

Labor-Management Committee. There shall exist a labor-management committee composed of the President of the Association and three bargaining unit members appointed by the President of the Association, the Vice President for Administration and one member appointed by the Vice President for Administration which shall meet at the request of either the President of the Association or the Vice President for Administration as the interests of the Association or of the College may require for the purposes of considering non-contractual matters of mutual concern.

ARTICLE XXII ECONOMIC ADJUSTMENTS

Matters relating to base salary increases and other economic considerations during the term of this agreement shall be as set forth in Addendum A annexed.

**ARTICLE XXIII
TUITION REIMBURSEMENT**

The College will provide a maximum of \$1,000 for tuition reimbursement to non-teaching professional staff who have a child, children and/or spouse matriculating in any program of study at Hudson Valley Community College for the term September 2002 to August 31, 2003. Eligible non-teaching professional staff shall submit the application for tuition reimbursement (as developed by the Chief Financial Officer of the College) in writing to the Chief Financial Officer. In order to be eligible for tuition reimbursement, the fully completed application must be received by the Chief Financial Officer no later than the close of business May 1st of the year immediately succeeding the semester(s) and/or session for which tuition reimbursement is sought. If May 1st falls on a Saturday, Sunday or holiday, the complete written application must be received no later than the close of business on the immediately succeeding business day of the College.

Tuition reimbursement shall only include tuition, computer fees and laboratory fees and shall exclude all other fees, e.g. late registration fees, books, parking fees or any other such items. Tuition reimbursement to eligible non-professional staff shall not exceed tuition less any non-loan financial aid/HVCC scholarship available to the student. Furthermore, tuition reimbursement shall be reduced by any federal or state income tax credit taken by said non-teaching professional staff as a result of paying tuition and/or expenses to the College for said child or spouse. The amount, if any, of the tax credit shall be set forth in an affidavit. Availability of financial aid shall be subject to each individual's documented application for federal, state and college non-loan financial aid or scholarship awards. Such applications shall be individually validated by the Chief Financial Officer. In the event that the applications for tuition reimbursement exceed the amount available for any particular period, the amount of the deficit (the total amount of the tuition reimbursement requested less the amount of the funds available for tuition reimbursement for that period) shall be allocated equally among the applicants. Any amount remaining after the tuition reimbursement for a particular period has been distributed shall not be carried over to another period.

**ARTICLE XIV
GRIEVANCE PROCEDURE**

The grievance/arbitration procedure shall be as set forth in Addendum B annexed.

While the contractual commitment to merit awards for 1991/92 is as defined above and there exists no contractual requirement for a specific financial commitment to merit awards during 1992/93 or 1993/94, the College may, in its sole discretion, grant such base salary adjustment merit awards in excess of the contractually established requirements.

Merit awards recommended by the President require Trustee review and determination with such Trustee determinations to be made no later than May 31.

**ADDENDUM B
GRIEVANCE PROCEDURE**

Definitions.

Grievance Committee is the committee created and constituted by the Hudson Valley Community College Non-Teaching Professional Association.

Hearing Officer shall mean any individual or board charged with the duty of rendering decisions at any stage on grievance hereunder.

Immediate Supervisor shall mean the next higher level of authority above the aggrieved in the department wherein the alleged grievance occurred.

2. Except decisions made in association with part I of the informal stage, all decisions shall be rendered in writing at each step of the grievance procedure setting forth findings of fact, conclusions and supporting reasons therefor. Each decision shall be promptly transmitted to the aggrieved party and to the parties hereto. Failure at any stage of the grievance procedure to communicate a

decision to the aggrieved party, his/her representative and/or the NTP Association within the specific time limits shall permit the lodging of an appeal at the next stage of the procedure within five (5) days after the expiration of the period which would have been allowed for appeal had the decision been communicated by the final day.

3. The time limits specified herein may be extended only by mutual agreement.
4. If a decision at one stage is not appealed to the next stage of the procedure within the time specified, the grievance shall be deemed to be abandoned by the grievant.
5. Except at the informal stage (Stage 1) of the grievance procedure, the aggrieved and/or the representative of the aggrieved and the College shall have the right at all stages of the grievance procedure to provide testimony on their behalf and to cross-examine all witnesses and to call witnesses on their own behalf and be furnished with a copy of the minutes or transcript of the proceedings, if any.

7. The NTP Association may not file a grievance on behalf of a bargaining unit member or bargaining unit members without the consent of said bargaining unit member or bargaining unit members. Such grievance having department, division or institution-wide implications may be submitted by the Association directly at Stage 2 described below.

Representation

1. Representation at any step of the grievance shall be limited to the NTP Association or any other representative designated by the aggrieved except another employee organization or a representative of another employee organization or by a representative of the College.
2. The NTP Association shall provide the College with the name of the individual who is to be provided with a copy of all grievance decisions.

4. In any and all cases where the aggrieved party is not represented at any stage of the grievance procedure by the Association, the hearing officer making the decision will cause to be served upon the Association a copy of the written grievance, all exhibits, transcripts, communications, minutes and/or notes of testimony, if any, as the case may be, written arguments and briefs considered by him, together with a copy in writing of his decision and all previous decisions in the proceeding. Said papers will be served upon the Grievance Committee of the Association simultaneously with the rendering of the decision by such hearing officer.

3. STAGE THREE - BINDING ARBITRATION

- a. If the Association is not satisfied with the decision at Stage 2 and the Association determines that the grievance is meritorious and the grievance concerns an alleged violation, misinterpretation, misapplication or inequitable application of specified terms and conditions of this Agreement, except matters involving academic judgment, the Grievance Committee of the Association may submit the grievance to Arbitration by written notice to the Chief Executive Officer within ten (10) working days of the decision at Stage 2.
- b. Within five (5) working days after such written notice of submission to arbitration, a request for a list of arbitrators will be made to the American Arbitration Association in the selection of an arbitrator.
- c. The selected arbitrator will hear the matter promptly and will issue his decision not later than thirty (30) working days from the date of the close of the hearing. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues.
- d. The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement, nor shall he have the power or authority to make a decision except a decision which concerns a violation, misinterpretation, misapplication or inequitable application of specific terms and conditions of this Agreement, excepting matters involving academic judgment.
- e. The decision of the arbitrator shall be final and binding upon all parties. The arbitrator shall not substitute his or her judgment for the academic judgment of persons charged with the responsibility for making such judgments.

In matters in which the College asserts that the arbitrator may not substitute his or her judgment for the academic judgment of persons charged with the responsibility of making such judgment, the arbitrator shall hear that issue as a threshold question.

If the arbitrator finds that he may not substitute his judgment, the grievance shall be dismissed.

If the arbitrator finds that he has jurisdiction to hear the merits of the case, the parties shall proceed on the merits of the grievance.
- f. The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the College and the Association.

Stages of the Grievance Procedure

1. STAGE ONE - INFORMAL

- a. Nothing contained herein will be constituted as limiting the right of any member having a grievance, to discuss the matter informally with any appropriate member of the administration and having the grievance informally adjusted, provided the adjustment is not inconsistent with the terms of this Agreement, and the Association has been given an opportunity to be present at such adjustment and to state its views of the grievance.
- b. A grievance must be presented to the bargaining unit member's immediate supervisor within fifteen (15) days after the alleged grievance occurred or became known.
- c. A bargaining unit member having a grievance will discuss it with his/her immediate supervisor with the object of resolving the matter informally.
- d. If the grievance is not resolved informally within five (5) days of its submission to the supervisor it shall, within seven (7) days of submission to the supervisor, be reduced to writing and presented to the supervisor. Within five (5) days after the written grievance has been presented to him/her the appropriate supervisor shall render a decision thereon in writing.

2. STAGE TWO - PRESIDENT OF THE COLLEGE

- a) If the aggrieved party is not satisfied with the written decision rendered by the supervisor at the conclusion of stage one and wishes to proceed further under this grievance procedure, the grievant shall within fifteen (15) days of the receipt of the decision at stage one file a written appeal of the decision at stage 1 with the President of the College. Copies of such decision rendered at stage one shall be submitted with such appeal.
- b) Within two (2) working days after receipt of the appeal, the President or his/her duly authorized representative, shall schedule a pre-hearing conference with the grievant and other parties in interest for the purpose of again attempting to resolve the grievance informally.
- c) If the grievance is not resolved as a result of the pre-hearing conference, the President or his/her representative shall commence a hearing on the matter within ten (10) working days of the date of the pre-hearing conference. ADDENDUM D

The following calculations should serve to illustrate how the percent contribution changes with premium* increases pursuant to Article XX, A.

In 1991, the percent contribution by the employer was 75.33%:

\$269.17/month employer contribution
\$357.33/month total premium

$$\frac{\$269.17}{\$357.33} = 75.328\%$$

In 1991, the cost of dependent coverage was \$213.66/month:

\$357.33 total monthly premium, Family
- 143.67 total monthly premium, Individual
\$213.66 total monthly dependent cost

In 1992, the cost of dependent coverage was \$250.17/month:

\$418.20 total monthly premium, Family
- 168.03 total monthly premium, Individual
\$250.17 total monthly dependent cost

The increase in dependent cost in 1992 was \$36.51 (\$250.17 - \$213.66) which, when split equally, adds \$18.26 to the 1991 employee contribution of \$88.16 (\$357.33 - \$269.17) for a 1992 employee contribution of \$106.42. The employer share for 1992 is thus \$311.78 (\$418.20 - \$106.42).

In 1992, then, the percent contribution by the employer was 74.55%:

\$311.78/month employer contribution
\$418.20/month total premium

$$\frac{\$311.78}{\$418.20} = 74.553\%$$

In general, the contractual percentage serves solely as a starting point. In all subsequent contract years, the actual percentage is a function of premium increase.

- B) The College/Unit Member share of total premium costs for any new options shall be at the College/Employee contribution percentage effective September 1, 1994 for current health insurance plans.
- C) No current or new unit member shall have any obligation of changing to or electing coverage in any new health insurance options that become available September 1, 1994.
- D) All changes to an elected option shall occur only during the open period as declared by the College.
- E) In the absence of a Committee majority recommendation to the President for alternative health insurance options by February 1, 1994, the options reviewed by the Committee shall be forwarded to the President for a final selection decision as to which options will be offered by September 1, 1994.
