Largest Mergers and Acquisitions by Corporations in 2005

Abstract

[Excerpt] Mergers and acquisitions activity increased in 2004 over 2003 and 2005 looks to be an even bigger year for m&a. This report provides a listing of the largest mergers (announced value of at least two billion U.S. Dollars) or acquisitions during 2005 through November 18, 2005. Completion dates for the mergers or acquisitions are included and merger or acquisition failures noted. These data have been drawn from publicly available sources and have not been otherwise verified by CRS. This report will be updated monthly.

Summary

Mergers and acquisitions activity increased in 2004 over 2003 and 2005 looks to be an even bigger year for m&a.¹ This report provides a listing of the largest mergers (announced value of at least two billion U.S. Dollars) or acquisitions during 2005 through November 18, 2005. Completion dates for the mergers or acquisitions are included and merger or acquisition failures noted. These data have been drawn from publicly available sources and have not been otherwise verified by CRS. (For the top 25 mergers of 1998, see CRS Report RS20502, *Twenty-five Largest Mergers and Acquisitions by Corporations: 1998*; for the top 25 mergers of 1999, see CRS Report RS20503, *Twenty-five Largest Mergers and Acquisitions by Corporations: 1999*; for the top 25 mergers of 2000, see CRS Report RS20504, *Twenty-five Largest Mergers and Acquisitions by Corporations: 2000*; for the top 25 mergers of 2001, see CRS Report RS20804, *Twenty-five Largest Mergers and Acquisitions by Corporations: 2001*; for the top 25 mergers of 2002, see CRS Report RS21147, *Largest Mergers and Acquisitions by Corporations: 2002*; for the top mergers of 2003, see CRS Report RS21415, *Largest Mergers and Acquisitions by Corporations: 2003*; and for the top mergers of 2004, see CRS Report RS21726, *Largest Mergers and Acquisitions by Corporations: 2004*.) This report will be updated monthly.

* The designation "Pending" often indicates that regulatory approval needed for actual merger has not been obtained.

Note: Values given for transactions are expressed as the value of the combined assets of the two firms when there is a merger. In an acquisition, the value shown is the purchase price of the target corporation. These figures sometimes vary from one source to another and can change as the market value of the company's stock changes; values are shown in U.S. Dollars. U.S. Dollar value can fluctuate with changes in exchange rates. The values shown above are derived from the following sources:
