Dear Tom:

Thank you for your letter of January 25. I appreciate your continued interest in the land owned by Gardner-Webb. As you may know, we have made no decision on this property and have not fully decided that we would even sell it. It is all very much in the discussion stages at this time.

However, by a copy of this letter I am reminding the Chairman of our Property Committee who is also Vice Chairman of our Board of Trustees, Mr. Hobart Smith, of your company's continued interest. I am sure he will be in touch with you if and when we decide to proceed with the sale of this land.

Kind personal regards,

Cordially,

Craven E. Williams
