Dr. P. L. Elliott, President
Gardner-Webb College
Boiling Springs, North Carolina

Dear Dr. Elliott:

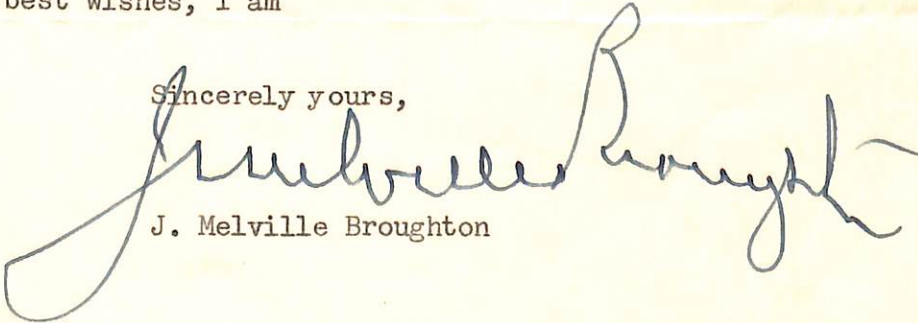

I have delayed answering your letter of January 21, containing the invitation to deliver the principal address on the occasion of the dedication of Gardner Memorial Student Union Building. My delay was due to the fact that at the time the letter was received it was not possible for me to accept the invitation on account of a conflict.

However, I was later able to adjust my schedule so as to eliminate the conflict, and I informed Hon. Edwin Gill, who called me by telephone, that I would be able to accept the invitation, and announcement has been made in the press accordingly.

I am very glad for many reasons that it was possible for me to accept this invitation and I look forward with pleasure to this significant event.

With best wishes, I am

Sincerely yours,

J. Melville Broughton
