TILTON ANNUAL REPORT FOR 1999

3. Zoning Articles

Are you in favor of amending the Tilton Zoning Ordinance Article III and the Tilton Zoning Map as follows:

1. Tax Map R-11 lots 1,4 and 48 on Lancaster Hill Rd.
lots 1A-1 through 1A-15 inclusive and
lots 49 through 61 inclusive
on Patricia Ann Drive, Ash Drive and Ridge Road
From the Agricultural District to General Residence District
(by petition) (not recommended by the Planning Board) Yes 85 No 248

Are you in favor of adopting the following amendment as proposed by the Tilton Planning Board?

2. Article II - Definitions and Standards
To add the following definitions:
- a. SIGN, Portable: Signage that is not permanently attached to a fixed location in the ground.
 - b. SIGN, Temporary: Signage that is to be displayed for less than 90 days.
- Yes 239 No 101

3. Article X - General Provisions

To add the following:

All portable or temporary signage displayed after 5/1/99 in excess of that which a specifically allowed for in this ordinance will require a special permit to be issued by the land use office. Special permits will be issued for not more than 90 days with fees set by the Board of Selectmen. Failure to obtain a permit will constitute a violation of the Zoning Ordinance (Sect. 14-4)

Yes 229 No 111

TILTON ANNUAL REPORT FOR 1999

BUSINESS SESSION

Article 4. To see if the Town will vote to raise and appropriate the sum of **one hundred thousand dollars (\$100,000.00)** for the purpose of completing the cleanup and closure of an unlined landfill area located behind the public works garage on Route 3; and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take such other action as may be necessary to effect the issuance, sale and delivery of such bonds or notes, and furthermore, to authorize the Board of Selectmen to apply for, accept and expend any grants from any other governmental agency or private foundation for which the Town may qualify to assist in the cost of the landfill closure. (RSA 33:8)

(The Selectmen recommend this appropriation) (The Budget Committee recommends this appropriation) This warrant article requires a ballot vote and must receive a 2/3 vote of approval of those present and voting (RSA 33:8).

Mr. Shepherd announced that article 4 was a bond issue and would be a ballot vote with the polls remaining open for one hour. The meeting will continue once the people present have voted.

Motion by H. Feener to accept article as printed, second by K. Money. Discussion ensued with regard to the necessity of the clean up and the amount of area in question. It was stated that the studies done on the project were available for viewing at the Town Office. If the Town does not complete the clean up project, the State will come in, complete it and bill the Town. Polls were opened at 8:29 a.m. for voting on article 4.

Article 5. To see if the Town will vote to raise and appropriate the sum of **five hundred dollars (\$500.00)** for the Winnisquam Area Vitalization Association for the purpose of purchasing new Christmas lighting for the downtown area. The same amount is being requested of the Town of Northfield. (By petition of at least twenty-five registered voters) (Majority vote required) (The Selectmen do not recommend this appropriation) (The Budget Committee does not recommend this appropriation)

Motion by W. Lawrence, second by R. Levinus to accept article as read. Mr. Lawrence explained that this article was to help underwrite the cost of maintaining the service of the Christmas lights, it was not for purchase of new lighting. Motion passed.

Article 6. To see if the Town will vote to raise and appropriate the sum of **ten thousand dollars (\$10,000.00)** to hire a part-time community organizer for the Main Street Program.

(By petition of at least 25 registered voters.) (Majority voted required) (The Selectmen do not recommend this appropriation) (The Budget Committee does not recommend this appropriation.)

TILTON ANNUAL REPORT FOR 1999

Motion by W. Lawrence, second by J. Davis to accept article as read. The Town Clerk explained the program and the reason behind asking for assistance with the Main Street Program. The Town has many factions of the program but someone is needed to work on organizing and putting a plan in action. It is the hope that this project will include not only the Main Street but the complete length of the Town from the Winnisquam bridge through to the Franklin line. The Town would need to be accepted as a Main Street town in order to benefit from their expertise and at least a three year commitment must be made as part of the application process. If the motion passes, it will be proposed that a committee be appointed by the Moderator to work on the project. Division vote taken, yes 29, no 14. Motion passed.

Article 7. To see if the Town will vote to adopt the provisions of New Hampshire, RSA 162-K; Municipal Economic Development and Revitalization Districts; and further to see if the Town will vote to establish the following Economic Development District: Parcels numbered R20-01-00, R20-1A-00, and R20-01-01 through R20-01-15 on the Tilton tax maps, bounded by the north by land of Fleishacker, on the east by land of Gerald and Ann Chaille, on the southeast by land of Christine McCarthy, on the south by land of the Town of Tilton, on the southwest by land of RR Laconia, Inc. and on the east by NH Route 132.
(By petition of at least 25 registered voters) (Majority vote required)

Motion by C. Nickerson, second by J. Davis that the article be accepted as read. Ms. Virgin rose to read a legal opinion as to the legality of this article. According to Attorney Gartrell, this article as presented was not legal. A motion was made by H. Feener to postpone indefinitely, seconded by V. Virgin. Division vote taken, yes 21, no 19. Motion passed. The assembly wished to be told what they had just voted on. After discussion the Moderator stated that he could be overruled regarding reconsideration of the vote, it was so done. A division vote was taken to reconsider the vote to postpone, motion passed. Mr. Nickerson then proceeded to make a presentation along with a representative for his company. The plan would be to have article accepted so that the process could be started to adopt a district under RSA 162K. A division vote was taken to accept article, motion defeated.

At this time, 9:33 a.m., the polls were closed for voting on article 4. The number of ballots cast was 50, 34 were needed for a 2/3 majority. Yes 43, no 7. Motion passed.

Article 8. To see if the Town will vote to accept the Budget submitted by the Budget Committee and posted as part of this warrant, and pass any vote in relation thereto.
(Majority vote required.)

Motion by J. Emerson, seconded by C. Sutcliffe to accept budget of \$2,486,434. This figure is the recommended budget of \$2,475,934 plus the articles voted on and passed which were \$500 for article 5 and \$10,000 for article 6. Ms. M. Abbott moved to reinstate \$540.02 to YAP budget, second by J. Stewart. This was line item 4415-001 - regarding amount of salary increase. Motion passed. Several questions were raised regarding increases in the overall budget. The question was called. Budget to be acted upon was \$2,486,974.02. Motion passed.

A recess was called so that presentations could be made to outgoing Selectman, Kenneth Money and Budget Committee Chair, Jon Emerson. Ms. Virgin thanked them for their years of service to the Town and presented each with a gift. They received a standing ovation from the assembly.

TILTON ANNUAL REPORT FOR 1999

Article 9. To see what action the Town will take in regards to the reports of its officers and agents.

Motion by Mr. Feener, second by Ms. Virgin to accept reports of officers and agents as printed in the Town Report. Motion passed.

Article 10. To choose any other officers and agents for the ensuing year.

Motion by W. Lawrence, second by J. Stewart that the Moderator appoint a committee to hire coordinator for the Main Street Program. Motion passed.

Article 11. To enact any other business that may legally come before this meeting.

Motion by H. Feener, second by C. Sutcliffe to adjourn. Motion passed. Meeting adjourned at 10:15 a.m.

A true record, attest:

F. Gayle Twombly, CMC/AAE
Town Clerk

TILTON ANNUAL REPORT FOR 1999

SELECTMEN'S REPORT

We have entered the last year of the millennium and finished the first year that Tilton has had a five-member board of selectmen. The five-member board has worked well as each member has participated fully in arriving at decisions and with five members there is of course a greater diversity of experience to call upon on the many problems of town management. There have been many improvements in the town, the main street is looking much more like a busy shopping center and both landlords and merchants continue to make strides in improving the appearance of Main Street and we are of course grateful for their accomplishments. Many volunteers are working to make civic improvements in our town. The Main Street group, the Winnisquam Revitalization group and the Lochmere Neighborhood group all work with the same objective in mind - to improve our town esthetically and economically. The ultimate goal being a more cohesive population that will work together to make Tilton the best town in the State of New Hampshire.

The town has voted its approval of the many months' work of the land use boards to preserve the natural beauty that the town has and the architectural beauty that is the legacy of earlier residents. All of our volunteer boards have been diligent in going their duty and we can be both thankful and proud of those people. At great expense we have filled the requirements of the environmental protection agencies and now we will be able to go ahead to plan town improvements and hopefully make the financial burden on our citizens less.

At the deliberative session of the town meeting you will be asked to consider the purchase of land and the building of a town garage. You will also be asked to consider an expansion of the library. It is the feeling of the selectmen that the expansion of the library is necessary. It is extremely important to our community as the library provides our people with a place for recreational reading, academic research and to improve their general knowledge. Landscaping the property by the river where the Pillsbury Mill once stood and to have facilities where people can sit and enjoy the river and greenery will be amenities that are needed. We hope that you will support them.

TILTON ANNUAL REPORT FOR 1999

We remind you that as selectmen we must carry out your wishes that you express with your vote at town meeting. We can spend no more money than that which you appropriate at town meeting and that number is an important factor in determining the tax rate. Unfortunately Tilton has very poor attendance at town meetings, selectmen meetings and various meetings that must take place before town officials can make decisions. If the democratic system is to continue, in your town government, then the citizens of the town must participate and be active in it. We hope that you will realize the importance of these meetings and that you will start to attend them on a regular basis because your taxes and the services you receive are determined at town meetings.

We have an excellent staff, both full and part time, and dedicated volunteers that contribute to our small government. The jobs that they do require skills that are unique to town business, and, our people are professionals.

The Board of Selectmen

TILTON ANNUAL REPORT FOR 1999

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Tilton

We have audited the accompanying general-purpose financial statements of the Town of Tilton for the year ended December 31, 1998, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Town of Tilton management. Our responsibility is to express an opinion of these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material aspects, the financial position of the Town of Tilton as of December 31, 1998, and the results of its operations and cash flows of its non-expendable trust and proprietary funds for the year then ended in conformity with generally accepted accounting principles.

The Town of Tilton has not presented the disclosures required by Governmental Accounting Standards Board Technical Bulletin 98-1, Disclosures about Year 2000 Issues, as amended by Governmental Accounting Standards Board Technical Bulletin 99-1, that the Governmental Accounting Standards Board has determined are necessary to supplement, although not be a part of, the basic financial statements. In addition, we do not provide assurance that the Town of Tilton is or will become year 2000 compliant, that the Town of Tilton's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Tilton does business are or will become year 2000 compliant.

Our audit was conducted for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Tilton. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Grzelak and Company, P.C.
Laconia, New Hampshire

F. Gayle Twombly, CMC/AE
Town Clerk

A few reminders to our residents:

- License dogs by April 30 to avoid penalties
- Be sure to complete your census cards – the numbers count for many uses - they also help determine amounts of money we are entitled to from state and federal sources
- If you have items of interest for our newsletter, please let us know
- We are always looking for volunteers for various boards, committees, etc. – please consider sharing your skills or be willing to learn – together we can make Tilton a better place to live

TILTON ANNUAL REPORT FOR 1999

TILTON SEWER COMMISSION

In 1999 the commission saw an increase in additional users but not the amount anticipated when we were at the Town Meeting last March.

Last year at this time, the engineering phase of the Andrews Road/Lower Silver Lake project had been completed. Due to unforeseen delays, the construction portion of the project was not finished and put into service until November.

The Route 3 project that will run from the Anchorage to Chapman Road is now in the final phase of engineering with construction bids to be received in March. We are projecting the construction to start in early June with a break from July 1 to Labor Day for highway traffic consideration. This project is expected to be finished by year end.

The commissioners have been considering an engineering study to determine the feasibility to extend sewer lines from Lochmere to the Anchorage. Due to the many delays encountered on the Andrews Road and Route 3 projects, this has been postponed at this time. The commission would like to have the two projects completed before they begin a third.

Our operating income for 1999 was \$ 200,101.86. This amount includes \$10,337.28 in capital costs recovery from the Hill Road/Winnisquam users. Our operating expenses also increased from \$135,464.85 to \$195,362.77. Our operating income did not increase as we had expected because of the reduction of water usage in the village, which our sewer rates are based on.

You will note a high amount, \$72,923.32, in accounts receivable. This includes \$49,228.45 for the last quarter billing, future income on outstanding loans and outstanding balances of 1999 sewer bills.

Last year we felt that as the municipal sewer system continued to expand, the Tilton Sewer Commission had reached the point where we needed to hire a full time director. This person would work with engineering firms, oversee construction work, inspect sewer connections to new buildings, meet with users to correct non-working meters and handle plant problems throughout the town. After investigating the feasibility, it was apparent that we would need to raise the sewer rates about 40% in order to hire such a person. The commission decided against raising rates and will continue to operate as before.

TILTON ANNUAL REPORT FOR 1999

REPORT OF CHIEF OF POLICE

1999 proved to be a very busy year in many different ways. Your police department handled 6804 calls for service as the continued growth of the town kept us moving from call to call.

Traffic enforcement saw a huge increase with 2135 motor vehicle stops resulting in 617 summons. This seems to have had a direct effect on safety as our accident rate decreased by 17% (412). With the tremendous amount of traffic which is constantly traveling through the town, along with the endless construction, patience and tolerance continue to be virtues. Slowly the traffic patterns will improve, benefiting all those who travel through Tilton.

Burglary was way down (27) in 1999 while thefts were way up (253) as well as DWIs (47).

In July we had our long-time dispatcher, Ann Glines, retire after 22 years of service. We also had two (2) full-time police officers move on to other departments. We were kept busy this year trying to fill these positions.

In August of 1999 we introduced a school resource officer who, for the first time in Tilton's history, will involve having a police officer inside the high and middle schools. Nationally, this has been very popular and we are optimistic that the security of the students, faculty, and school property has been significantly increased. When school is not in session, this officer will be in charge of juvenile offenses and will prosecute in juvenile court.

To accomplish this task, we have hired Nancy Hill, who was a police officer in Franklin, and knows the area well. This position will be funded by a federal grant from Washington, D.C., as well as the school district.

During this important time in Tilton's history, with the changes in the town's structure, with enormous growth and traffic concerns along with increased workload, I would like to thank all the employees, families, and supporters of the Tilton Police Department. Without their support, we would be ineffective.

Please continue to report any suspicious or criminal activity that you witness or suspect. The citizens of Tilton still remain the best "eyes and ears" of the police department and without your help we would certainly have an uphill battle.

Respectfully submitted:

Charles B. Chase
Chief of Police

TILTON ANNUAL REPORT FOR 1999

PUBLIC WORKS/HIGHWAY DEPARTMENT REPORT

The annual report of the Highway Department gives me the opportunity to communicate with all the people of Tilton.

The winter of 1999 so far has been very mild for snow accumulations, but the freezing rains have kept us busy.

Projects completed in 1999 are as follow:

1. Autumn Drive Reconstruction Project
2. Tilton-Northfield Island Bridge - completely re-decked
3. Closure of the existing landfill
4. Installation of new guard rail on Academy Street

Projects scheduled for 2000 are as follows:

1. Noyes Road - finish loam on slopes, seeding, paving driveway entrances, reconstruction of railroad crossing, paving entire road with top asphalt coarse.
2. Installation of new sidewalk on River Road.
3. Continue to work with Tilton-Northfield Aqueduct Company on Academy Street & High Street.
4. Paving Program to shim and overlay town streets.
5. Continue all services such as preventive maintenance, repair all town vehicles, transfer center and recycling, and mowing of all cemeteries.
6. Rebuild catch basins on streets receiving shim and overlays.

Respectfully submitted:

Dennis Allen
Public Works Director

SPRING CLEAN-UP REPORT

Quantities are estimated on cubic yards brought to the Transfer Station.

Wood	244	Appliances	130
Metal	151	Batteries	46
Demo	69	Tires	<u>445</u>
Leaves	<u>167</u>		
Total	631	Total	621

Trash quantities recorded this year = 248 cubic yards.

Approximately $\frac{3}{4}$ of the materials were collected by the Highway Department crew.

SPRING CLEAN-UP FOR 2000

Transfer Station will be open **April 15** through **April 29**.

Pick-up will be:

East of I-93 the week of April 17

West of I-93 the week of April 24

Watch for details in the newspaper!

TILTON ANNUAL REPORT FOR 1999

REPORT OF THE TILTON-NORTHFIELD FIRE DISTRICT

I would like to thank you, on behalf of the Tilton-Northfield Fire Department, for your support throughout 1999.

This past year was one of little change. Although our response numbers steadily increase, our personnel continue to become more highly educated and more experienced. We now boast an enviable roster of career and call firefighters and emergency medical technicians.

Personnel took part in an extensive Driver-Operator course, which honed the skills necessary to safely operate the large pieces of fire department apparatus under high stress conditions in both municipal and rural applications.

We still have problems with residents correctly and prominently numbering their homes, and responses have been delayed in the past year on several occasions due to residents not numbering their home at all, or having conflicting numbers on their mail boxes versus their homes. This is something that we encourage residents to take care of BEFORE you have an emergency. Check to be sure your house number can be seen easily from the road at night.

We expect that the millennium will bring many new and exciting changes to our department and emergency services in general, and we look forward to the challenges.

Yours in Life Safety,

Harold P. Harbour
Chief

TOWN OF TILTON

**WARRANT
TOWN MEETING
2000 BUDGET**

MARCH 18, 2000

TOWN OF TILTON
BELKNAP COUNTY
STATE OF NEW HAMPSHIRE

To the inhabitants of Tilton, County of Belknap qualified to vote in Town Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE WINNISQUAM REGIONAL MIDDLE SCHOOL ON TUESDAY, MARCH 14, 2000 AT 8 :00 AM TO ACT ON THE FOLLOWING SUBJECTS:

(Polls will be open from 8 am to 7 pm)

Article 1. To choose all necessary town officers for the ensuing year as presented on the ballot prepared for the same.

Article 2. To choose the necessary school officials for the Winnisquam Regional School District as presented on the ballot prepared for the same.

Article 3. To see if the town will vote the changes in the Tilton zoning ordinance as proposed by the Planning Board pertaining to definitions, maximum sign heights, cellular communication towers, and sexually oriented businesses, and pertaining to the Chart of Permitted Uses.

Article 4. To see if the town will vote to amend the Tilton Zoning Ordinance as proposed by petition to amend the Chart of Permitted Uses to allow, by Special Exception, motor vehicle sales and rental lots with the Resort Commercial District. (Not recommended by the Planning Board.)

AND ON THE 18TH DAY OF MARCH, 2000 AT 8:00 IN THE FORENOON AT THE WINNISQUAM REGIONAL HIGH SCHOOL TO ACT ON THE FOLLOWING SUBJECTS:

Article 5. To see if the Town will vote to raise and appropriate the sum of five hundred thousand dollars (\$500,000.00) for the purpose of construction of an addition, and renovations to the Hall Memorial Library; to authorize the issuance of not more than five hundred thousand dollars (\$500,000) in bonds or long term notes in accordance with the provisions of the Municipal Budget Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such notes or bonds and to determine the rate of interest thereon, and to take such other action as may be necessary to effectuate the issuing, sale and delivery of such bonds or notes. (RSA 33)

(The Selectmen recommend this appropriation)

(The Budget Committee recommends this appropriation)

Town of Tilton 2000 Town Warrant

This warrant article requires a ballot vote and must receive a 2/3 vote of approval of those present and voting (RSA 33:8-a).

(The Town of Northfield has a similar warrant article requesting an appropriation of \$500,000 of their share of the requested contribution. This will provide the Library with one million dollars--five hundred thousand from each Town.)

Article 6. To see if the Town will vote to raise and appropriate the sum of six hundred thousand dollars (\$600,000.00) for the purpose of purchasing land and constructing a new public works facility; to authorize the issuance of not more than six hundred thousand dollars (\$600,000) in bonds or long term notes in accordance with the provisions of the Municipal Budget Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such notes or bonds and to determine the rate of interest thereon, and to take such other action as may be necessary to effectuate the issuing, sale and delivery of such bonds or notes. (RSA 33)

(The Selectmen recommend this appropriation)

(The Budget Committee recommends this appropriation.)

This warrant article requires a ballot vote and must receive a 2/3 vote of approval of those present and voting (RSA 33:8-a).

Article 7. To see if the Town will vote to raise and appropriate the additional sum of forty-five thousand dollars (\$45,000.00) for the Tilton Main Street Program; pursuant to RSA 32: 3 VI, this sum will be a non-lapsing, non-transferable account and will not lapse until the project is complete or in three years, whichever is less.
(Majority vote required.)

Article 8. To see if the Town will vote to dedicate parcels no. U06-03-00 and U06-03-01 on the Tilton tax maps formerly owned by the Arthur S. Brown Company and acquired by the Town for non-payment of taxes as a park to be owned, developed and managed by the Town for the benefit of the community.

Article 9. To see if the Town will vote to instruct the selectmen to have the meetings of the selectmen broadcast on television and to appropriate sufficient money to pay the cost of doing so. (by petition)

(not recommended by the Budget Committee)

Article 10. To see if the Town will vote to accept the Budget submitted by the Budget Committee and posted as part of this warrant, and pass any vote in relation thereto. (Majority vote required.)

Article 11. To see if the Town will vote the following: "The selectmen of the town will display in the public area of the town office the most recent copies of the selectmen's minutes. The monthly report of expenditures and revenues, and a copy of the most recent certified yearly audit. These copies shall be available to citizens at no charge. (by petition)

Town of Tilton 2000 Town Warrant

Article 12. To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources.

Article 13. To see if the Town will vote to adopt the following ordinance pertaining to the licensing of tattoo parlors:

ORDINANCE REGULATING TATTOO PARLORS

The Town of Tilton, Board of Selectmen, acting pursuant to the authority granted the town by RSA 31:39m do hereby ordain that the following ordinance be enacted:

Article I. Definitions

For the purpose of this chapter, the following words and phrases when used herein shall be construed as follows:

a. **ORANGE STICK** – A device specifically designed to clean under fingernails and to work the cuticle of the fingernail to ensure cleanliness.

b. **TATTOO** -- To mark or color the skin by pricking in coloring matter so as to form indelible marks. The practice of marking the body by the production of scars is prohibited.

c. **TATTOO ARTIST** -- Any person who actually performs the work of tattooing.

d. **TATTOO ESTABLISHMENT** -- Any room or space where tattooing is practiced or where the business of tattooing is conducted or any part thereof.

e. **TATTOO OPERATOR** -- Any person who controls, operates, conducts or manages any tattoo establishment, whether actually performing the work of tattooing or not.

Article II. Permit required; mobile establishments prohibited.

a. No person shall operate a tattoo establishment or engage in the practice or business of tattooing as a tattoo operator or as a tattoo artist unless such person shall first obtain a permit from the Town of Tilton Health Department or its Health Officer, Police Officer or his or her duly appointed agent (hereinafter referred to as "Health Officer"). Applications for such permits shall be made in writing on a form prescribed by the Town of Tilton, wherein the applicant shall agree to conform to all rules and regulations governing such places now in effect or as subsequently enacted and to authorize and permit such examination and inspection as may be deemed necessary by the Health Officer.

b. Mobile tattoo establishments shall not be permitted within the town limits.

Town of Tilton 2000 Town Warrant

Article III. Terms of permit; fee

a. A tattoo parlor is required to have a permit and will be charged yearly a fee of \$25 for the issuance of such a permit. Said tattoo parlor is to be located in a commercially zoned space of no less than 500 square feet and is to be divided into three separate areas (waiting area, operating room and sterilization/work area).

b. Form and transfer of permits. All permits shall be issued annually during the month of January and in the name of the individual person or incorporated business applying therefor, shall give the location of the tattoo establishment where said applicant will operate and shall not be transferable.

c. Public display of permit. It shall be the duty of the operator or owner of a tattoo establishment to display the current permit in a conspicuous place where it may be readily observed by the public.

Article IV. Inspections; suspension or revocation of permit.

It shall be the duty of the Health Officer to cause inspections to be made on a recurring basis at least twice per year of all tattoo establishments and the equipment thereof. If said place of business is not maintained, conducted or operated in conformity with the requirements of this chapter as now enacted or as subsequently amended, then the Health Officer may suspend or revoke the permit of the operator or artist until said tattoo establishment and the operation thereof are made to conform to the requirements of this chapter.

Article V. Tattooing of minors or intoxicated persons prohibited.

a. Pursuant to RSA 639:3, II, the tattooing of any person under the age of 18 is prohibited. It shall be the duty of the operator to verify that any person being tattooed is 18 years of age or older.

b. It shall be illegal to tattoo a person exhibiting signs of intoxication or drug abuse.

Article VI. Records of operator.

a. Records for each patron or customer shall be kept and maintained by the operator of each tattoo establishment, which record shall contain the name, address and signature of each patron or customer. All records shall be available for inspection upon request of the Health Officer. Records shall be maintained for a minimum of two years.

b. The operator shall inquire if the patron has at any time experienced a jaundice condition or been infected with hepatitis. Those indicating a history of jaundice or hepatitis shall not be tattooed.

c. The operator is required to have each patron sign an informed consent document listing the potential side effects and the permanent nature of the tattoo.

Town of Tilton 2000 Town Warrant

Article VII. Separate operating room required.

- a. Each tattoo establishment shall have an operating area which shall be separate and apart from a waiting room, a public room or rooms that may be used for other tattooing purposes. Patrons or customers shall be tattooed only in said operating room.
- b. The operating area shall be equipped with hot (at least 180~~0~~) and cold running, potable water, together with such sinks and basins as may be necessary.
- c. Furniture and furnishings used within the operating room shall be constructed of such material as to permit proper cleansing with hot or cold disinfecting solutions.
- d. There shall be no exposed sewerage lines overhead so as to create a potential hazard to the sanitary environment of the establishment.
- e. All operating tables shall be constructed of easily cleanable material with a smooth, washable finish and at least six feet from any observer or waiting customers and/or separated by a panel at least four feet high.
- f. The operating room shall have proper and sufficient lighting as needed to perform the tattooing process.

Section VIII Cleanliness.

- a. There shall be available within said tattoo establishment adequate hot and cold potable, running water, soap, betadine, germicidal solution, individual hand scrub brushes and fingernail files or orange sticks for each tattoo artist.
- b. Each tattoo artist shall scrub his or her hands and forearms with betadine solution or soap and brush, clean his or her fingernails with an individual file or orange stick and thoroughly rinse his or her hands in a germicidal solution before working on each patron or customer. An individual disposal towel or napkin shall be used for drying the tattoo artist's hands and arms after rinsing. Hibiclen or other hospital-grade surgical scrub may be substituted for betadine.
- c. Each tattoo artist shall wear clean clothes or a lab coat. Surgical gloves shall be worn during the tattooing process. All surgical gloves shall be disposed of after each patron.
- d. Disinfectants.
 - (1) The following table summarizes the disinfectants that shall be used in the tattooing procedure:

Agent	Preparation	Uses
Hypochlorite (e.g. Chlorox)	Make up daily; 5,000 parts per million	Disinfection of needles before disposal

Town of Tilton 2000 Town Warrant

Glutaraldehyde (e.g. Cidex)	Make up weekly using activator; do not dilute	Pigment capsule, motors and damp wiping motors
70% Spirit/alcohol	Do not dilute	Skin, tabletops and metals
Clear phenolics (e.g. Hycolin)	Make up daily	Tabletops and damp wiping motors
Tincture of green soap	Make up daily; 5-1	Disinfects skin and equipment

(2) Solutions of proven equivalence may be approved by the Health Officer.

Article IX. Sterilization and storage of equipment.

a. A steam sterilizer approved by the Health Officer shall be on site at each establishment. Tattoo instruments and accessories, dyes, stencils and other materials used in tattooing that come in contact with the patron or customer shall be stored in closed cabinets which shall be maintained in a sanitary condition.

b. Instruments used in tattooing, such as needle bars, grips and tubes, shall be sterilized before using on each customer by autoclaving at a temperature of 121.5° C. or 250.7° F. for 55 minutes under a pressure of 15 pounds per square inch.

c. Autoclaving shall be the method of sterilization. All tubes, grips and needle bars shall be left in the self-sealing sterilization pouches used during the autoclaving process.

Article X. Operating room floor, walls and ceiling.

The floor of the operating room of the tattoo establishment shall be of impervious material and shall be, at all times, maintained in a clean condition. The walls and ceiling of the operating room shall be a light color, shall be maintained in good repair without flaking or chipping and shall be of such material as to permit cleaning.

Article XI. Sanitary facilities.

a. The tattoo establishment shall have proper facilities for the disposition of biomedical waste materials as now defined by state or federal regulations and as subsequently defined. A contract with an approved, licensed biomedical waste company is required.

b. Sufficient toilet, urinal and hand washing facilities shall be accessible to customers, operators and artists within the tattoo establishment.

Town of Tilton 2000 Town Warrant

Article XII. Preparation of area to be tattooed.

a. When it is necessary to shave the area to be tattooed, a new blade for each patron shall be used. When a safety razor is employed, the permanent parts of said razor shall be treated as hereinafter set forth for the care of a straight razor.

b. If a straight razor is used, it shall be cleaned with soap and water, rinsed in clean water and then sterilized by autoclaving before the razor is used again on another person.

c. After shaving the area to be tattooed or if the area does not need to be shaved, the site of the tattoo shall be cleaned with soap and hot water and rinsed with clean water and germicidal solution applied in a sanitary manner before the design is placed on the skin. Only individual towels shall be used in preparing the site to be tattooed, and they shall be properly disposed of after use on each patron.

d. If petroleum jelly (e.g. Vaseline) is applied, it shall be done with a sterile swab or sterile syringe.

Article XIII. Stencils.

If acetate stencils are to be used, the stencil for transferring the design to the skin shall be thoroughly cleaned and rinsed in a germicidal solution approved by the Health Officer following each use and shall be maintained in a clean, sanitary condition.

Article XIV. Tattooing process.

a. A sterile set of needles shall be used for each patron or customer. Needles used in tattooing shall be sterilized by autoclaving (per ~ 269-10B) after each use and, if not immediately used, stored in sterile containers. The open end of the needle tube of the tattooing machine shall be cleaned and sterilized in a similar method after each use. The use of disinfectants does not constitute an approved sterilization method.

b. Excess dye applied to the skin shall be removed with individual, pattern-free paper towel. The area tattooed shall then be medicated and the entire site covered with surgical dressing. The use of paper napkins, other materials and masking tape for dressings is prohibited.

c. Single-service or individual containers of dye or ink shall be used for each patron, and any remaining ink or dye in the container following the procedure shall be discarded.

d. Single-use containers shall be disinfected prior to use.

e. Tattooing, including the changing or repairing of previous tattoos, shall not be performed on the hands below the wrist line, on the feet below the ankle, on the head or face above the collar line or on the genitalia, nor shall such tattooing be undertaken at the site of an obviously recent hypodermic injection.

f. No tattoo operator or artist shall remove or attempt to remove any tattoo.

Town of Tilton 2000 Town Warrant

Article XV. Written instructions required; reporting infections.

- a. Written instructions, approved by the Health Officer, shall be given to each patron or customer on the care of the tattooed site to prevent infection after each tattooing. A copy of these instructions shall also be posted in a conspicuous place in the tattoo establishment, clearly visible to the person being tattooed.
- b. All infections resulting from the practice of tattooing which become known to the operator shall be reported to the Health Officer by the owner of the tattoo establishment.

Article XVI. Violations and penalties.

- a. Anyone operating an unlicensed tattoo establishment or an establishment that has had its license revoked or an establishment in an unapproved site shall face court action and fines up to \$1,000 per offense (RSA 31:39, III, effective August 9, 1983). If said unlicensed tattoo establishment is in a private residence (unapproved site), the fine will be \$1,000, and confiscation of all tattoo equipment, per offense.
- b. At the discretion of the Health Officer, noncompliance with any of the provisions of this chapter may result in the issuance of a citation for each day of noncompliance.

Article 14. To see what action the Town will take in regards to the reports of its officers and agents.

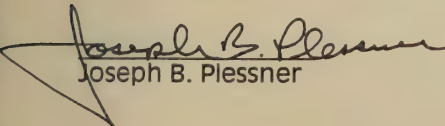

Article 15. To choose any other officers and agents for the ensuing year.

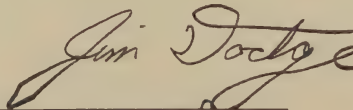

Article 16. To enact any other business that may legally come before this meeting.

Given under our hands and seal this 17th day of February in the year of our Lord, two thousand.

TILTON-NORTHFIELD
FIRE DISTRICT
ANNUAL MEETING

WARRANT
2000 BUDGET

MONDAY
MARCH 20, 2000

TILTON-NORTHFIELD FIRE DISTRICT WARRANT

To the inhabitants of the Tilton-Northfield Fire District, qualified to vote in District Affairs:

You are hereby notified to meet in the Winnisquam Regional High School Cafeteria on Monday, March 20, 2000 at 7:30 o'clock in the evening to act on the following:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Fire Commissioner for the ensuing three (3) years.
5. To hear the reports of the Treasurer and the Fire Commissioners and pass any vote relating thereto.
6. To see if the district will vote to renew the Water Contract and raise money for the same in the sum of One Hundred Twelve Thousand dollars (\$112,000.00).
7. To see if the District will vote to raise and appropriate Twenty Two Thousand Five Hundred dollars (\$22,500) for the support of the Winnisquam Fire Department.
8. To see if the District will vote to raise and appropriate the sum of \$20,000.00 to be placed in the hands of the Trustee of Trust Funds of Northfield, N.H. Such funds are to be earmarked for the Districts share of the funding of an ambulance for the Winnisquam Fire Dept. If this article passes, it is further requested that the Commissioners be authorized to release these funds to the Winnisquam Fire Dept. at the time of the purchase of their ambulance.
9. To see what action the District will take with respect to the purchase of a new Attack/Pumper Truck, to replace the 1970 Attack/Pumper Truck. In the event that this article is passed, to see if the District will authorize the Commissioners to withdraw an amount not to exceed \$185,000.00 (one hundred eighty five thousand dollars) from the Capital Reserve Truck Fund held by the Trustee of the Trust Funds, for purposes of acquiring the aforementioned Attack/Pumper Truck.
10. To authorize the Commissioners to withdraw \$11,250 from the Land and Building Trust Fund and return these funds to the General Fund. This request is meant to offset the 1999 expenditure for a new heating system in the Central Fire Station.
11. To see if the District will vote to accept the budget as submitted by the Fire Commissioners, and pass any vote in relation thereof.
12. To see if the District will vote to authorize the Fire Commissioners to apply for, accept and expend money from the State, Federal or other Governmental unit or a private source should any become available during the year.
12. To see if the District will vote to authorize the Fire Commissioners to borrow money in Anticipation of Taxes.
13. To transact any business that may legally come before the meeting.

A true copy of the Warrant Attest:
Fire Commissioners

Thomas G Gallant, Chairman

Andrew Sleeper

Gerard St Cyr

Motor Vehicle	24	5	21	2
Other	30	4	6	8
Service Calls	4	2	0	0
Totals	224	66	88	33

*Response by Winnisquam Only - 32

The members of the Winnisquam Fire Department wish to thank the people of the towns for their continued support of our operations. This is the 58th year of our providing first response fire and medical assistance to the area. We presently serve the Winnisquam Lake area of the towns of Belmont and Sanbornton, the Tilton-Northfield Fire District, and the Black Brook Road area of Meredith. We are also called to respond on Mutual Aid outside of our normal response areas through our membership in the Lakes Region Mutual Fire Aid Association.

This past year we completed the rebuilding of our 1981 pumper, having covered about \$16,000 in costs out of the Operating Budget, fund raising and donations. The work was financed over the past two years without asking for any additional Capital Funds from the town meetings. This work will enable us to keep the truck in service for another 10-15 years. We also stripped and re-shingled the roof on the hall of the firehouse, with the stripping and cleanup labor being donated by our members. In the coming years, on major planned project is the refurbishing of the outside of the building, which will include pressure washing and repainting the walls, and wrapping the trim with aluminum. The cost of this work will also come out of our Operating Budget, fund raising and donations, no additional Capital Funds being sought.

We presently have 26 members, most of whom are certified as Firefighters by the State. Of these, one is certified at Paramedic level, four at Intermediate level and seven at Basic level by the National Registry of Emergency Medical Technicians, with several more just

TILTON ANNUAL REPORT FOR 1999

It is with this in mind that we will be seeking funds from the towns this coming year for the replacement of our 1980 ambulance. After twenty years of service, it is "getting tired", as was pointed out during our last State Department of Health annual inspection. It also has a patient compartment that often proves too small, by today's standards, for the Advanced Life Support level of care that we provide. We are asking the towns to appropriate \$80,000. The department is prepared to cover up to an additional \$20-25,000 of the cost of a new unit from donations and funds raised through dinners, car washes, and staffing our "food van" at Old Home Days and other area gatherings. We are currently in the process of looking at the ambulances that are presently in service in the area, and having new demonstrator units brought to the station by manufacturers. We hope to have final specifications ready so that we might be ready to have the new ambulance ordered soon after the town meetings in March.

We are also asking the towns for funding this coming year for the replacement of our radio system. This has to be done, since our growing mutual aid association, which now covers an area larger than the State of Rhode Island, will be changing over to a higher radio frequency, and the present radio equipment cannot be adapted to these frequencies. This change also requires the replacement of all the pagers that our personnel carry to alert them of an emergency call for our department. Once the changeover to the new frequencies is made, we will have a much better, more usable and up-to-date system, designed to handle the great increase in calls that is now being handled by the Dispatch Center of the mutual aid system. This Center will be moving this spring from the basement of the County Courthouse to new facilities at the old State School, in a building to be shared with a 911 dispatch center.

Additional Capital Funds are being sought this coming budget for the seventh and final year of replacing our Air Packs at two units each year, and for some additional hose and nozzles to improve our ability to fight woods fires with our newly rebuilt forestry truck that is now in service.

Respectfully submitted:

Richard W. Gray, Chief

TILTON ANNUAL REPORT FOR 1999

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 ice storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildfire fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

TILTON ANNUAL REPORT FOR 1999

Human Service Department

The Human Service Department in Tilton has again this year benefited from the strong economy and the boom in the local employment market. Employers are frequently contacting this office in search of available applicants to fill their openings. If someone is physically able to work, there are plenty of jobs out there and this office offers assistance in helping clients find these opportunities.

In Tilton the expectation is that of personal responsibility, and we maintain a philosophy that Town assistance is a fund of last resort. Applicants must have exhausted all other economic resources prior to being granted assistance from the Town. The Welfare Administrator works with families and clients to facilitate problem solving around and identification of barriers to employment, or self-sufficiency. Referrals to appropriate resources and services as well as client advocacy are ongoing tasks of the Welfare Administrator. Individuals are expected to vigilantly seek employment with the expectation that clients will complete a minimum of five applications for employment per day. The Welfare Administrator counsels applicants on current methods and interview techniques to improve job hunting skills as well as provides local listings of area employers and who are seeking help.

The two categories clients typically fall into that come into this office to seek assistance are the recently disabled and working poor, who are unable to pay for their basic needs. Applicants who have been medically certified as physically or mentally disabled or terminally ill frequently experience a lag time in receiving social security disability. These individuals exhaust all their personal resources while waiting to be approved for state and federal programs and are forced to seek assistance from the Town. The latter groups are typically families that although working may have missed work due to illness either the parents or the child and finds that their pay check is just short this week. An example of this situation is the parent of a sick child without health insurance, and they need to purchase an expensive prescription medication. This expense may leave them unable to pay the rent this month, buy food, or provide heat for their family.

Tilton has benefited greatly by the assistance provided by the local church community and human service organizations. Local food programs as well as the Community Action Program have helped to keep our expenditures low. The burden the town could encumber has again been alleviated by numerous local charities that wish to remain anonymous. This assistance to town residents amounts to in excess of thirty eight hundred dollars during 1999. This past holiday season the Welfare Administrator worked to coordinate the applications for the Thanksgiving and Christmas Food Baskets as well as the community Christmas fund. This is an effort that brings joy, happiness, winter clothing, and warmth to so many in our community that rely on these programs.

With the continued strong economy and the local labor market projection the expectation is that the trend of low expenditures will continue. We do expect to be called upon to continue to provide assistance, referrals, and support to the sick, the needy, and the working poor in Tilton as the needs arise.

TILTON ANNUAL REPORT FOR 1999

1999 BUILDING PERMIT REPORT

The commercial building activity for 1999 has not been quite as busy as the past couple of years but the number of building permits overall has remained about the same.

There has been a slight increase in the number of new homes for the year but most of the activity has been with additions and alterations to existing homes and businesses.

Looking back over the last five years the commercial growth that has taken place in Tilton has resulted in over a thousand jobs coming to the town.

During 1999 Building Permits were issued as follows :

NEW STRUCTURES

Commercial	3
Residential	8

<u>ADDITIONS, ALTERATIONS & DEMOLITIONS</u>	62
---	----

MANUFACTURED HOUSING (Mobile Homes)

New	4
Removed	3

GRAND TOTAL	80
-------------	----

Total Fees Collected	\$6,334

Joe Plessner
Building Inspector

**1999
PLANNING BOARD ANNUAL REPORT**

The past year was indeed a winner for this Board, both in terms of membership stability and the long awaited adoption of our revised zoning ordinance.

Many thanks are in order to all those citizens who took the time to attend our Public Hearings and the Special Town meeting in September to share with us their input and support respectively. With the revised ordinance in place, we now enjoy greater conformity with the Town Master Plan and three additional zones. Creation of these new zones along Route 3 & 11 will enable us to better channel commercial and residential development into more defined areas while preserving the rural character of our backlands.

Special thanks also go out to those who worked so diligently and selflessly since early 1998 to bring the revised zoning ordinance to its present form.

However, our work doesn't end there; new challenges await us in the coming year. Among them and possibly the most formidable will be the invasion of wireless telecommunications providers in need of suitable antenna and tower sites as part of their northward advance to expand and improve cell phone reliability. In anticipation of this and the recognition of other zoning ordinance deficiencies, the subcommittee has prepared a number of proposed amendments for inclusion in the March 2000 Town meeting ballot. With your continued support, the addition of these amendments will help to fortify and broaden the scope of our zoning ordinance to better regulate possible or projected change.

Thank you and happy new year.

Respectfully submitted,

Robert Brown, Chairman

1999
ZONING BOARD ANNUAL REPORT

The Zoning Board of Adjustment had a fairly busy year. We had a total of eight meetings. Our meetings varied with appeals for off site and additional signage to structure expansion beyond allowable lot coverage.

The Zoning Board was saddened this year by the passing of Ernest Smith, a long time Zoning Board member. Ernie touched the lives of many people with his kind and generous ways. He will be greatly missed.

This past year we have added two new members to the Board; John Bernard and Malcolm Havlock. We would also like to extend our thanks to Les Rutherford who retired from the Zoning Board after many years of faithful service.

As chair, I want to thank all the board members who gave of their time and talents this past year. I do appreciate all of your efforts.

Respectfully,

Robert Szot,
Chairman

TILTON ANNUAL REPORT FOR 1999

REPORT OF THE TILTON CONSERVATION COMMISSION

The purpose of the Conservation Commission is to assist and encourage the proper use of natural resources in Tilton and to protect our river, streams, wetlands and ground water. The commission has no authority to approve projects or to enforce regulations but does offer its opinions and comments on environmental matters. By law, we are required to review NH Dredge and Fill permit applications, and, as necessary, provide written comments to the NH Wetlands Board on the environmental effects of a project.

This year our workload was less than it has been in the past. Our principal efforts concerned monitoring existing mitigation projects to ensure that they were still functioning as designed, and that no harm was coming to the wetlands as well as the neighboring property owners.

In 1999 we spent considerable time on a Dredge and Fill permit application as well as two new, but small compared to prior years, construction projects. However, both construction jobs constituted potentially great environmental risks to the neighborhoods. We also reviewed an expedited Dredge and Fill permit, to which we recommended changes that were adopted. Finally, we reviewed and commented upon two conceptual plans for large developments.

The commission assisted the Planning and Zoning Boards and citizens of Tilton with wetlands and environmental information during the year.

The commission members also attended workshops to increase their knowledge of wetlands, the mitigation process and procedures. We would like to remind those planning to construct or repair docks, work in wetlands, or make shoreline improvements to obtain a NH Wetlands Board Permit for processing.

Commissioners are available to help anyone planning a project or having questions regarding natural resources or wetlands and Dredge and Fill permits. Commissioners can be contacted directly or at the monthly Commission meeting held on the third Monday of every month.

Respectfully submitted:

James M.G. Cropsey, Chairman

TILTON ANNUAL REPORT FOR 1999

TILTON-NORTHFIELD OLD HOME DAY COMMITTEE

Old Home Day was once again a treat for one and all. I wish there was a way to accurately count the attendance, as all signs pointed to a record crowd.

What a treat we had for them! There were over 50 floats in the parade this year. After such fine family entertainment, everyone must have rushed over to the B-B-Q because they sold out early. Thank goodness there was an abundance of good food available at the Pines and the athletic field as always.

There were over 140 runners in the annual road race, perhaps next year is the year you should lace up your shoes and join them!

Dusk on Saturday ushered in a much enjoyed musical concert by *Sweet, Hot & Sassy* at the athletic field. There was also the excitement and amusement of the Fireman's Muster. Of course, the icing on the cake was another tremendous fireworks display. It was truly breath taking and I have heard a lot of praise and anticipation for next year's display.

Congratulations to **Citizens of the Year:**

**PAT CLARK OF TILTON
&
BUD MURPHY OF NORTHFIELD**

Gentlemen, your friends and neighbors truly appreciate all of the things that you do for your communities.

I want to thank all of our committee members, contributors and patrons, we couldn't do it without you!

Make Old Home Day a Family Tradition!

6. Less - interest, surplus, recycled tons & communities over GAT			<u>(733,000)</u>
Net to be raised by Co-op Communities		\$	4,487,621

2000 GAT of 122,938 & net budget of \$4,487,621= tipping fee of \$36.50 per ton

We are happy to report to all member communities that 1999 marked the tenth complete year of successful operations. Some items which may be of interest follow:

- The 2000 budget maintains the current tipping fee of \$36.50 per ton. This is the sixth consecutive year the Cooperative has been able to either lower or maintain the tipping fee.
- The waste delivered to the Wheelabrator facility this year was 132,851 tons. That represents an increase of 4,834 tons over 1998, or a 3.78% increase. The amount of trash delivered continues to rise as predicted.
- A total of 65,152 tons of ash were delivered to the Franklin ash monofill for disposal. The ashfill continues to operate very well. Phase III Stage III is being filled at this time. The most recent expansion (1996) will provide disposal capacity for the next six years.
- The air retrofit project at the plant has started. The project is on schedule and will be completed by Jan. 2001. The retrofit will enable the plant to meet the most recent EPA and DES regulations.
- The Cooperative purchased approximately 300 acres this past year for possible use as either an ash landfill or waste landfill in the future. The purchase will provide the Cooperative disposal capacity well into the future.

TILTON-NORTHFIELD-SANBORNTON CHRISTMAS FUND

The 1999 season resulted in our assisting 333 people in 129 households. The compliment of people was 114 adults, 60 elderly and 159 children. We provided gifts for 159 children and winter boots and jackets for 103 of these children. We also provided gifts for the 60 elderly that we served.

We have all been individually blessed in varying degrees with the bounties that life can afford us. It is however refreshing to me to see so many give of themselves for the benefit of the elderly and those families, which find themselves in need at this particular time of the year. I believe that we can all feel personally proud that through our contributions, large or small, we have played a part in bringing a bit of joy into the lives of those who are benefactors of the T-N-S Christmas Fund.

On behalf of the other volunteers, and myself we would like to thank the community at large for their support of this worthy cause.

Respectfully submitted:

Thomas G. Gallant
Chairman

TILTON ANNUAL REPORT FOR 1999

SAVINA HARTWELL
MEMORIAL CONCERTS & COMMUNITY PROJECTS FUND
54 FOREST RD., NORTHFIELD, NH 03276

Dear Residents of Tilton:

In spite of the rain, we still had a pretty good season of concerts in 1999, with very good attendance and great press/radio-TV exposure. Our record for attendance for a single concert was over 630 and our average was over 400 each.

The "Old Favorite" bands, **Amoskeag Strummers**, **East Bay Jazz Ensemble**, **Karen Morgan/Pony Express**, and **Swell Party** were great crowd-pleasers again, and are back on the schedule for 2000 as are the rained-out **Annie and the Orphans**, **2nd Wind and Colada**, all of whom always draw an outstanding response from our audiences.

The full schedule for 2000 is included and as usual lists our co-sponsors, which I think is an indicator of the community's commitment to the Free Concerts. Many of our sponsors are "old favorites" too, as several have provided financial support almost from the beginning in '93, for which I have been, and continue to be, very grateful.

The radio stations were again very gracious and provided a lot of air time for our public service announcements of the concerts, and the newspapers were very generous with space and ran articles weekly publicizing the various bands and concert dates. Our schedule was also in the State's Magazine "VISIT NH" and on the State's web site, as well as the Tilton-Franklin C o C web site.

I cannot even begin to convey my gratitude to Kris Meinhold, who has freely given his time and energy to the Island and the concerts for the last seven years, and my appreciation to everyone for all their help in making the concerts a success and Tilton/Northfield's Summertime Classic event.

So then, this is the time of the year when I count my blessings, of which there are many, share satisfaction and THANK YOU, the citizens of Tilton and the Tilton Selectmen, for joining the Town of Northfield in providing financial support, thus making the concerts truly a community event.

I wish you happiness, health, peace, prosperity and contentment as we venture into 2000. May you find fulfillment in all that you do during the year.

Sincere best wishes,
Alan Hartwell

TILTON ANNUAL REPORT FOR 1999

HALL MEMORIAL LIBRARY, 1999

Hours: Monday and Thursday: 10-8

Tuesday, Wednesday, and Friday: 10-6

Saturday: 10-1

Trustees:

Foster Peverly: through March, 1999, Chair

Scott McGuffin: through October, 1999, Chair, March-October.
Resigned October 1999.

Judy Sanders: appointed to fill Foster Peverly's term, March, 1999.
Chair beginning in October, 1999 through March, 2000.

Leif Martinson: appointed to fill Eliza Conde's term, October, 1999.
Through March, 2001.

Eliza Conde: resigned elected term/appointed to life term, October, 1999.

Sally Lawrence, Life term.

Edna Southwick, Life term.

Library Trustees meet the first Tuesday of each month at 5:30 pm at the library.

Staff:

Mary Ahlgren, librarian

Coral Theberge, assistant

Gloria Nash, assistant for children's services through August, 1999

Shannon Stacey, assistant for children's services beginning in August.

Christina Rowe, page

Volunteers:

Jean Wright files catalog cards on a weekly basis.

Lisa LaGasse continues to provide story time every Wednesday for preschoolers.

The McBee family once again performed for our summer program.

Tom Jordan lit up the Christmas tree for another season.

Donna Burbank gave us two weeks of summer mornings for shelf reading.

Roberta Burke told stories.

Building Committee: A building committee began meeting in January of 1999, and has continued to meet twice monthly. Its membership consists of Tilton members: Scott Herman, Chair, Judy Sanders, Susan Clark, Foster Peverly, Dave Huckins, Sally Lawrence, and Becky Albert, and Northfield members: Eliza Conde, Susan Berry, Scott McGuffin, Leif Martinson, and Edna Southwick. A library building consultant was hired to go over our library, assess the results of the November, 1998 survey of the towns, and help us determine our needs. As a result of her report and much discussion, the committee hired the firm of Sheerr McCrystal Palson, architects of New London, in late August. In December, the committee was ready to proceed with proposals for the two towns, and in addition began working with a construction manager, Bauen Corporation of Meredith. The committee invites you to stop in at the library and look at the plans.

Programs: Story times are held on Wednesday mornings at 10:30, and a program for older children occurs every other week at 1 p.m. The library also sponsored, with the help of Windbells Workshops, a Shakespeare group and art/craft programs throughout the summer. In addition we provided a summer reading program, which this year had 110 children reading more than 1184 books! Quality Controls generously helped fund one of the performers, and Walmart, Pizza Hut, Constantly Pizza and Tilton House of Pizza provided refreshments for our "end of the program party". We also received funding from the NH State Library and the State Council on the Arts for one of our shows. Several of the programs were held at Tilton's island gazebo! In March, in part thanks to the generosity of Tilton School and the Samuel P. Hunt Foundation, we sponsored adult theater in the form of "Journey to Heaven", a play about founder of the Shakers, Mother Ann. It was produced and performed by Pontine Theater from Portsmouth, at Hamilton Hall, Tilton School.

TILTON ANNUAL REPORT FOR 1999

Gifts were given the library in the form of memorial donations in memory of Roland Langlois and a gift of money from the Tremblay family of Tilton. Many people in town gave the library books, videos, and audio tapes, some of which were added to the collection and others which went into the library's on-going book sale. Gladys Mooney, Sheila Rockwell, and children from Windbells Workshops planted flowers to beautify our grounds, Judy Tyler made us a sign for our door, and The Tilton-Northfield Garden Club gave us holiday wreaths. Another part of the brick walkway was laid by the Rotary Club. The state's Department of Employment Security provided the library with an online computer system which makes it possible for our patrons to access the internet including the NH jobline. It is obvious that the library benefits from the generosity of many!

In 1999, circulation was as follows:	Videos	4552
	Audios	3150
	Periodicals	1014
	Adult print materials	13,729
	Juvenile print mat'ls	12,374
	Out to other libraries	103

for a total circulation of 34,922. We added 1797 pieces of material to the collection and discarded 153 items. We averaged about 375 patrons per week and gave out 620 new or renewed library cards. Our book collection numbers about 17,100 with an additional 400+ audio and 350+ video-tapes and subscriptions to more than 30 periodicals. We welcome your visits to your library!

Respectfully submitted,
Mary Ahlgren

TILTON ANNUAL REPORT FOR 1999

REPORT OF NEW BEGINNINGS - A WOMEN'S CRISIS CENTER

To The Citizens Of Tilton:

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the Town of Tilton for its continued support. Your **\$1,000** allocation for 1999 assisted us in providing emergency services, advocacy and support to victims of domestic and sexual violence.

New Beginnings offers a 24-hour crisis line. We operate a full-time shelter for women and children and have safe homes for male victims; provide support and advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups for victims of domestic violence or sexual assault, assists with needs assessments, case management and housing options, and does community outreach and education programs for youth, teens and adults. **All services are confidential and are provided free of charge.**

The advocacy, outreach, education and support services our agency provides represent many service hours and individuals. In 1998-99 our agency documented 6,510 requests for services as well as requests for educational and community outreach. There were 8 contacts that were of unknown residence.

Our statistics for Tilton in 1998-99 demonstrate that we served 632 total contacts in educational/community outreach and individuals.

New Beginnings is one of fourteen members of the statewide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The Coalition is an evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs while advocating for legislative change that affects victims/survivors of domestic and sexual assault.

We greatly appreciate the support of the Tilton community. We are dedicated to human service, social responsibility and fiscal accountability. Although New Beginnings represents a very finite portion of the Tilton town budget, the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for our children and ourselves.

Volunteers are an integral part of the work done by our agency. In 1999 there were 13,338 hours of service provided by volunteers. They are always needed and the opportunity to serve is fulfilling.

Thank you for joining us to **make a difference.**

Sincerely,

Kathy Keller, Director
New Beginnings - A Women's Crisis Center

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems & mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for a linkage to the communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- Performed substantial research leading to the publication of the **Lakes Region Byway Corridor Management Plan**. The Plan is a guide for local communities interested in maintaining or enhancing the qualities of a scenic Byway.
- Completed an assessment for a regional household hazardous waste collection center for the Lakes Region. Conducted a regional meeting as a follow up.
- Completed the 1999 update to the **Regional Transportation Improvement Program**. The regional TIP is used by the NH Department of Transportation to prepare the biennial update to the State Ten-Year Plan.
- In cooperation with the NH Department of Environmental Services, LRPC completed the second year of community outreach that sought priority natural, cultural, and historic resources in all communities. Over 1300 features have been identified.
- Maintained the Regional Census Data Center, an extensive database of demographic and socioeconomic data on the region, state, and the U.S.
- Coordinated the 14th annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center.
- Continued area commission meetings to facilitate opportunities for local communities and commissioners to discuss regional projects and priorities, and the role of the commissioner.

TILTON ANNUAL REPORT FOR 1999

- Provided administrative support to the Advisory Task Force concerned about the relocation of a section of NH Route 140 in the Town of Belmont. The Task Force includes members from neighboring communities.
- Provided information, including local regulatory recommendations, to communities about the National Flood Insurance Program.
- Enhanced LRPC's Web Site, www.lakesrpc.org, for the delivery of timely information to our members and the greater public. The web site contains information on meetings and schedules, current LRPC activities, as well as extensive traffic count and socioeconomic database. There are approximately twenty-seven requests a day from the web site.
- In cooperation with the NH Department of Transportation, the LRPC assumed a major role in conducting an extensive traffic data collection program in all area communities.
- Fulfilled regional efforts leading to the completion of the **Route 16 Corridor Study**. This report includes several innovative transportation and land use recommendations that can benefit all communities.
- Maintained staff support for the Pemigewasset River Local Advisory Committee. The committee is continuing efforts to prepare a corridor management plan. It is anticipated for completion next year.
- Convened two citizen educational workshops: one on the location of cellular towers, and the other on preparing and implementing a successful community survey.
- Initiated research on regional commercial, industrial and residential development trends.

We look forward to serving Tilton in the future. Feel free to contact the LRPC at 279-8171 for additional information or whenever we can be of assistance.

TILTON ANNUAL REPORT FOR 1999

YOUTH ASSISTANCE PROGRAM

Of Northfield, Sanbornton and Tilton, Inc.

Martha C. Douglass, Director

Dawn B. Shimberg, Associate Director

The Youth Assistance Program will be 25 years old in the year 2000. The present staff will have worked for the towns of Northfield, Sanbornton and Tilton for 15 years. We have witnessed changes. When we started working for the program there were very few girls in Court Diversion. Now at least half of those with whom we work are girls. Many take advantage of our prevention activities. We offered, and still do, groups and individual help for parents.

We struggle to bring the program to the attention of the public. This still remains difficult since our work with juveniles is strictly confidential.

We continue to make good use of our wonderful volunteers and work closely with the police, schools and parents. We have interns from Plymouth State College and other nearby schools. The Youth Assistance Program was the first juvenile court diversion program in New Hampshire. There are now juvenile court diversion programs all over the State. The Juvenile Court Diversion Network meets regularly in Concord. We are recognized favorably by judges and members of the legal system.

Even though our program is primarily for first time offenders the courts refer youths to us for community service, the YES Program for shoplifters, the Challenge Training for drug and alcohol related offenses, and the Tobacco Program for underage tobacco violations. Teen pregnancy rates have escalated as well as problems with alcohol and drug use. Truancy is also on the rise. Shoplifting remains high. Young people are referred to us for assault, vandalism, burglary, theft, minor sex offenses, fire setting and other problems.

In 1999, a group of concerned citizens joined to start the Youth Opportunities Program. Young people have been getting in trouble and creating problems within our towns for lack of interesting, productive activities. Both parents are working and after-school time often leaves youths without supervision. The target population is middle school and early high school. The Providian Bank provided us with start up funds. The Youth Assistance Program became the "umbrella" nonprofit program for YO. In April we hired Tinelle Bustam. She laid a good foundation, but left to further her education at the end of August. At the beginning of October, Greg Steelman took over the position with enthusiasm and competence.

Some of the after-school activities that have been offered are girls self defense, touch football, a pet show, cooking, indoor rock climbing, various craft projects and local trips. Anyone interested in offering his or her skills for an after-school activity please let us know. We can use ideas for a one-time event or for something that will last a few weeks. We'd like to hear your suggestions. The number to call is 286-8577. Please ask for Greg, Martha or Dawn.

Respectfully submitted,

Martha C. Douglass, Director

Dawn B. Shimberg, Associate Director

TILTON ANNUAL REPORT FOR 1999

VISITING NURSE ASSOCIATION OF FRANKLIN ANNUAL REPORT TO TILTON - DECEMBER 1999

As we complete our 54th year, we are pleased to report that we are well positioned in the home care arena to enter the new millennium. Our efforts last year to reduce size, concentrate on core services and to prepare for Medicare changes have served us well by enabling us to reduce our costs and improve productivity. The staff of the VNA of Franklin have been key to the success of this endeavor.

The VNA staff have increased productivity without compromising the care quality. The patient satisfaction survey process has validated that our clients are very positive about the services they have received and the manner in which care is delivered. The VNA has increased clinics for blood pressure screening and added to the immunization program by expanding offerings in surrounding towns as requested. It is our goal to serve the communities who support us and to further strengthen the relationship we have enjoyed for 54 years.

The Visiting Nurse Association of Franklin received a New Hampshire Health Care Fund Community Grant in collaboration with the Newfound Area Nursing Association as member agencies for the Caring Community Network of the Twin Rivers. The grant is for program development to serve homebound elders seeking access to health or social services in the Twin Rivers area. We hope that this new program will become a model for other communities in New Hampshire. The New Hampshire Community grant Fund, under the auspices of the New Hampshire Department of Health & Human Services' Office of Planning and Research, is in its fourth year of supporting the communities' innovation in the pursuit of health and social service problem solving at the local level.

The year 2000 will be one of more changes within the Home Health Care system. The Medicare reimbursement system is expedited to change to a Prospective Payment System based upon the agency's record of utilization of services by diagnosis. The new program will require changes in our billing system, patient care delivery system and in our documentation.

The Visiting Nurse Association of Franklin will continue to stay focused on our mission in the community to provide the highest quality home health care services to our clients.

The residents of Tilton are well represented on our Board by Rev. Peter O'Neil and Medford Sattler. We look forward to continuing to serve the Tilton residents as we begin our 55th year of home care.

Respectfully submitted:

Carol S. Plumb, RN, BSN
Executive Director

LAKES REGION FAMILY SERVICE

95 Water Street
Laconia, NH 03246
524-5835, fax 524-7862

Lakes Region Family Service greatly appreciates Tilton's support of our services. In 1999 we directly served the children in Tilton through our Peer Mediation Training Conflict Resolution in the Winnisquam Regional Schools.

We are also offering Conflict Resolution and Teen Anger Management in the Winnisquam Middle School. Parent/Child Mediations are offered at no charge.

Please call Lakes Region Family Service for a handy program reference guide at (603) 524-5835.

The Pines Community Center TILTON-NORTHFIELD RECREATION COUNCIL

61 Summer St.

Phone (603) 286-8653 - Fax (603) 286-2211

e-mail: pines@worldpath.net

Hours:

Monday-Friday 8:00 a.m. - 8:00 p.m.

Weekends - as scheduled

Dear Tilton & Northfield Residents:

The Tilton-Northfield Recreation Council and staff at the Pines Community Center have had a very exciting and productive year serving the residents of Tilton and Northfield.

This year we have worked hard and had several profitable fundraisers enabling us to fund our downstairs renovation projects. We have poured the basement floor and the preparations for the walls are now finished. We have purchased and installed new carpeting in the lobby area as well as had new tiling installed in the restrooms. We are planning to have the outside of the Community Center stained in the spring. We are very proud of our accomplishments this year, which we have been able to make happen with all of our hard work and your support.

Our daytime hours are filled with Adult Exercise Programs, Toddler Time, Senior Luncheons, Senior Clubs, Craft Circles, Blood Pressure and Flu Clinics, Gym Time and Pre-School classes. We have buses dropping children off at the Community Center from Union-Sanborn, Southwick and the Middle School to participate in our after school programs.

Our after school and evening hours are filled with programs such as After Class Blast, dance lessons, judo, TKD, ski lessons, traveling soccer and basketball teams, and dances. Weekend activities include basketball, soccer, skating and various special events. We also have a Games Room for all during our scheduled open hours.

Our **Program Booklets** are now available at the Community Center, please stop in and pick one up. We are always happy to see new faces in the Community Center.

Please remember that **The Pines Community Center is also available for rentals** for weddings, parties, showers, etc. Contact us for further information. Several of our rooms are used on a daily basis by non-profit organizations in the area for meetings. If you are a non-profit organization and are interested in available space, please contact us.

The Tilton & Northfield Recreation Council would like to thank the residents, participants, Town Offices, Highway Depts. and many local businesses who donate both time and money enabling us to offer more to the communities.

Melba Read, President

T-N Recreation Council Members:

TILTON ANNUAL REPORT FOR 1999

TILTON MAIN STREET PROGRAM PROGRESS REPORT

The 1999 Town Meeting approved \$10,000 to hire a facilitator to help enable Tilton to build a momentum and be competitive in the New Hampshire Main Street application process.

The Moderator appointed a five person committee on March 25. The committee is comprised of: Marjorie Bonneville, William Lawrence, Richard Manseau, Gayle Twombly and Catherine Woessner.

The committee met with Kathy LaPlante, Executive Director of the NH Main Street Center on May 4 for a presentation and explanation of the program.

Mr. Thomas Ursia of Atlantic Rim Partners met with the committee informally on May 4 and sent a resume on June 7. A memo was submitted to the Selectmen on June 17 requesting permission to hire Mr. Ursia. The Board approved and a contract was signed on July 16. Copies of the proposal and contract are on file.

Over a dozen meetings have been held by the committee. In addition, individual members of the committee have spent many hours working on different parts of the application.

The application workshop which is mandatory for all potential Main Street communities was held in Concord on October 12. Three representatives from Tilton attended – Gayle, Catherine and Tom Ursia. We met the competition and were given instructions by Kathy LaPlante and Glen Ohlund with regard to the filing of the application.

A charrette was scheduled for Nov.3. Letters of invitation sent in September to approximately 125 people. Several supporters donated generously to help make this event a success. There were approximately forty-five in attendance.

The input from the charrette participants was compiled and a full synopsis of the feedback was provided to the attendees and other interested parties in late November.

As part of the application, the Town will be asked to submit a letter of commitment for the three year period of the program if we are accepted. This will not only be in support of the program but will also require a monetary commitment. The commitment by the Town, as determined by the guidelines, was set at \$45,000 over the three-year period. We have received the unanimous approval and support of the Board of Selectmen and the Budget Committee.

To date, we have received a very generous donation from Providian Bank for a total of \$45,000 for the three years. We have sent letters requesting support – not only monetary - but for in-kind service and volunteer manpower. **We need your support!** The more letters we receive and the more interest shown, the better our chances of being accepted. The application has to be filed by March 23 – your support is needed.

The anticipated budget that needs to be raised each year will be \$45,000 plus to achieve the program goals. Though we are confident of Tilton's acceptance, if we are not approved, the committee still expects to go forward to make Tilton a better and prosperous place to live, work, play and visit.

Tilton Main Street Committee

F. Gayle Twombly, Chair

Marjorie Bonneville

William Lawrence

Richard Manseau

Catherine Woessner

TILTON ANNUAL REPORT FOR 1999

REPORT TO THE CITIZENS OF COUNCIL DISTRICT ONE

It is a pleasure to report to you as one of your elected officials serving on the five-member Executive Council within the Executive Branch of your NH State Government. This five-member elected group acts much like a Board of Directors for your very large NH State Government carrying out the law and budget as passed by the NH House & Senate and signed into law by the Governor. We also act upon gubernatorial nominations to the entire Judicial Branch of your Government, State Supreme Court, Superior Court, Probate Court and District Court. All are nominated by the Governor, a posted public hearing must be held by the Council and then a vote to deny or confirm the nomination is held. Persons interested in serving on a volunteer board or commission should contact Kathy Goode at the Governor's Office, 271-2121.

This is a brief list & quick reference of some of the available services from NH State Government for citizens looking for financial and technical assistance and general information.

Adjutant General John Blair (Army & Air Guard of NH) 271-1200
Community Presentations on Drug Demand Education

Director Bruce Cheney of the NH Emergency E-911 Office 271-6900
Mapping Services to towns, tours, and presentations available

Director Art Haeussler of the State & Federal Surplus 271-2602
Informative newsletter about surplus foods, products, etc.

Commissioner Steve Taylor, NH Dept. of Agriculture 271-2561
Information on restoring old barns, controlling pests, has NH Weekly Market Bulletin available

Attorney General Phil McLaughlin 271-3658
Financial grants for domestic violence, victim assistance, consumer protection bureau
Call Mark Thompson for listing

Consumer Advocate Mike Holmes (Public Utilities) 1-800-852-3793
Handles complaints about electric bills, phone bills, etc.

NH Director of Prison Industries, Dennis Race 271-1875
Available products in furniture, data entry, signs, decals, car repair, printing and web page development

NH Director of Historical Resources, Nancy Dutton 271-3558
Consults, has information about historic structures, preservation, and appropriate laws and regulations

TILTON ANNUAL REPORT FOR 1999

NH State Librarian, Mike York 1-800-499-1232

Has services for persons with disabilities, electronic information, archives and political library

NH Director of Emergency Management, Woodbury Fogg 1-800-852-3792

Is ready to respond to inquiries about ice jams, floods, high winds, oil spills, big fires, etc.

NH Employment Security Comm., John Ratoff 1-800-852-3400

Finds employees, trains them, keeps them working

NH Environmental Services Comm., Robert Varney 271-3503

Air Resources, Waste Management (dumps/landfills) water/sewers, wetlands permits, river management

NH Fish & Game Dept., Director Wayne Vetter 271-3421

Hunter Education, public boat launches, wildlife centers

NH Health & Human Services, Comm. Don Shumway 1-800-852-3345

Public Health, aids info., mental health, youth & families, long-term care, disabilities, elderly services, ombudsman

NH Insurance Dept./Comm. Paula Rogers 1-800-852-3416

Processes complaints about insurance fraud

NH Labor Department, Comm. Jim Casey 1-800-272-4353

Handles complaints about wage and hours, worker's compensation, and vocational rehabilitation

NH Community Technical College System, Comm. Glenn DuBois 1-800-247-3420

Info. on programs for college credit, scholarships, at the seven-campus system throughout the State.

NH Dept. of Resources Economic Development, Comm. George Bald 271-2411

Info. on all State parks, economic development, ski operations, trails bureau, tourism maps, State forestry nursery and international commerce, and camping reservations.

NH Dept. of Safety, Comm. Richard Flynn 271-2791

Fire safety standards/training, motor vehicle registration, boating safety, State Police

NH Secretary of State, William Gardner 1-800-562-4300

Corporate name department, records management & archives, securities regulation

TILTON ANNUAL REPORT FOR 1999
