REPORT OF THE SCHOOL BOARD.

The school board of the district of Richmond respectfully present the following report.

We have sought to obtain the best of teachers, but in some cases have been disappointed, and in some cases have not had the full co-operation of the parents, which goes a long way in making a success of our schools.

There has been a lack of attendance in all the schools this fall which seems in most cases unnecessary, considering the favorable weather we have had the past year.

We wish we might impress upon the parents the importance of what an education means to their children, and that they cannot receive their share from the best of teachers unless they are regular attendants.

NELLIE H. PRESCOTT,
LEWIS R. CASS,
CLARA L. TOLMAN,
School Board.
