Cheryl Brooks, Michael Hathaway, Trisha Jacobson and Sue Stacey

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

• Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

This notice must be:

- Posted continuously in a public place from January 1, 2012 until December 31, 2016, and
- Published in the 2011 through 2015 Annual Report.

Read the full statute at RSA 674:39-aa Restoration of Involuntarily Merged Lots.

In Memoriam

We dedicate the 2014 Annual Report to....

Wilbur Charles Meader who passed away January 13, 2014. Wilbur was born in Madison in 1935. After college he spent four years in the US Air Force before returning home to work at John F. Chick & Sons of Madison. Wilbur become part owner of Chick Lumber in North Conway when it separated from J.F. Chick & Sons. He also worked in several sales positions in the Valley until his retirement. Wilbur was a lifelong resident of Madison and served the Town in several positions; Selectman, Town Clerk/Tax Collector, Madison Fire Department Commissioner, and others. Wilbur often stopped by Town Hall in early spring to order flags and veteran grave markers for the cemeteries. He stored the inventory at his home and decorated veterans' graves before Memorial Day each year with his friend Henry Forrest and other Madison veterans.

Scott Frost who passed February 1, 2014. Scott spent most of his career in law enforcement positions in the Valley including many years as Madison Police Chief. Scott served on the Madison Planning Board and briefly worked for the Madison Highway Department. In these two capacities he was very interested in road improvement projects. Scott would often come into Town Hall on official business during his tenure as a Sheriff's Deputy and would leave us with smiles on our faces after his visits. Scott loved the outdoors and would attend weekend archery competitions with a group of local archers when his schedule allowed.

Gerald Lyman Ward who passed away February 9, 2014. Gerald was a native of Madison born in 1936. He served in the US Navy after graduating high school then returned to work in the valley until his retirement. "Jerry" served several years on the Madison Planning Board and many years on the Madison Volunteer Fire Department being one of the first members of the Rescue Squad. He liked to find treasures at the Transfer Station and work on anything with a small engine. Gerald had a quiet demeanor and a dry, witty sense of humor that was enjoyed by those who were close to him.

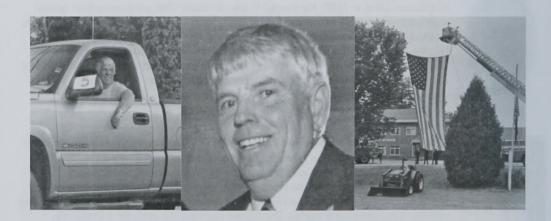

Charlotte Hill who passed away May 20, 2014. Charlotte served on the Board of the Friends of the Madison Library and volunteered at the Library desk. The Madison Scholarship Fund was founded by her late husband and former Selectman Percy and she was involved with the Scholarship Committee for many years. Charlotte's visits to Town Hall will be missed since she always left us smiling with her kind words and stories. During her last visit she brought a Christmas cactus to us. She spent many years volunteering with the Madison Garden Club and working the annual plant sale. Many of her Christmas cactus plants have found their way into Madison homes.

In Memoriam

We dedicate the 2014 Annual Report to.... (cont'd)

Bruce Edwin Brooks who passed away June 6, 2014. Bruce was born in 1945 and grew up in Freedom, NH. He graduated from A. Crosby Kennett High School in 1964 and from Southern Maine Vocational Technical Institute in 1966. He served in the U.S. Air Force until 1968 when he married life long companion Donna Lee (Chick) and settled down in Madison. Bruce was a Selectman for 14 years (1974-1988) and also served various terms on the Planning Board, Volunteer Fire Department (member and Fire Commissioner), Veterans Advisory Committee, and Old Home Week Committee. He was a member of the School Board at the time of his death. He worked for John F. Chick & Sons. John Sherwood Builder, SAU 13 (as a bus driver and Transportation Coordinator), and was a selfemployed builder and farmer. Over the years he was a member of the American Angus Association and the New England Angus Association and was also active with Carroll County 4-H. The celebration of Bruce's life on June 11, 2014 had the James Noves Memorial Hall at the Madison Elementary School overflowing with family, friends, co-workers, community members, and others who were touched in some way by Bruce. A huge flag hung between fire department ladder trucks in the circular drive to pay tribute to a man who gave so much of himself to his family, his town, and his country. Bruce was the epitome of a family man. He took great pride in his three children and seven grandchildren and would often be seen cheering them on from the sidelines of 4-H events, ski races, football, basketball, & baseball games. One of Bruce's dreams was to see lights installed at Burke Field in Madison. A fund has been set up for this purpose in honor of Bruce. If you would like to make a financial contribution to the fund please send it to: "Light the Ball Field Fund", c/o Madison Cal Ripken Baseball League, 205 Goe Hill Road, Madison, NH 03849.

Town and School Meeting Procedures

The Town Meeting is a legislature where every voter is his or her own representative. While the Selectmen, School Board and Budget Committee may sit in the front of the room, their votes and their role in the meeting are no more important than that of any other voter.

While the meeting generally follows Robert's Rules of Order, the Moderator adjusts those rules as he/she sees fit. If you disagree with any rule set by the Moderator, simply go to a microphone, say "Point of Order", and when recognized by the Moderator, make a motion to change the procedure as you wish. No debate is permitted on a Point of Order, but even this rule may be modified if the Town votes to overrule the Moderator! The Town can vote to overrule the Moderator whenever it chooses by a simple majority.

If you wish to speak to the article on the floor:

- 1. Go to a microphone and wait until you are recognized by the Moderator. State your name.
- 2. Address all remarks or questions to the Moderator not to any other individual.
- 3. Speak only to the article on the floor.
- 4. Avoid repeating yourself and stay within the timeframe set by the Moderator.
- 5. Do not criticize any other speaker, nor question his or her motives.
- 6. The Moderator will not recognize any voter to speak a second time until all other speakers have gone once.
- 7. You may make a motion to "move the question" and end debate. If no one is waiting to speak, the Moderator will accept the motion (if seconded). No debate is permitted on such a motion and it requires a 2/3 majority to pass.

If you wish to modify an article:

- 1. Make a motion to amend the article being discussed.
- 2. If you are changing a number of words in an article, write the amendment down and hand it to the Moderator.
- 3. Your amendment can completely replace the original article as long as the Moderator rules that it is closely related to the topic of the original warrant article.
- 4. If your amendment is seconded by another voter, you will be asked to speak first in support of your motion.
- 5. Generally, the Moderator will take one amendment at a time. If it passes, the main article is changed. If it is defeated, the main article stays the same. In either case, additional amendments may be made and decided one at a time.

Voting is done as follows:

- 1. Generally, the Moderator will call for a hand vote. Raise your hand with your signed ballot held high to vote for or against the motion. The Moderator will decide visually whether the motion has passed or will call for a standing vote if it appears close.
- 2. Any voter may question the Moderator's judgment and call for a standing vote.
- 3. Any five voters may request a secret paper ballot by signing their names immediately before the vote and handing the paper to the Moderator.

Remember – You and your neighbors have gathered together to find ways to get the best town and school services for the least money. Regardless of any disagreements about how to accomplish this, respect your neighbors and enjoy democracy in its purest form.

MINUTES OF THE MADISON TOWN MEETING

MARCH 11, 2014 Elections and reconvened March 15, 2014 Town Meeting

On February 26, 2014 at 9:00 a.m., as posted on Monday, February 24 on the upper and lower level bulletin boards in the Town Office building, at the Madison and Silver Lake Post Offices and the Town website, Town Clerk, Marcia Shackford; School Clerk, Patricia Ambrose; Assistant Moderator Ray O'Brien (until 10:00 a.m.) and Registered Voter Carol Hally commenced the required pre-election test of the Electronic Ballot Counting device's Back-up Memory Card and Election Day Memory Card for counting the Executive Councilor District 1, Town and School ballots (RSA 656:42 VIII-(e) (1-11)). Due to a component breaking on the Election Day tape roller, the completion of the pre-election test was adjourned until the necessary repairs could be scheduled. With the necessary repairs completed on Thursday, February 27, 2014, the Election Day Memory Card pre-election test continued. The ECBD results were then compared to the manual tally of ballots cast to ensure the accuracy of the Election Day memory card scanning. After completing the reconciliation, the Election Day memory card was installed and sealed as required by State Law.

On March 5, 2014, Registered Voters Ruth Ham and Leslie "Penny" Hathaway, under the supervision of Town Clerk Marcia Shackford, completed the manual counting of Town, School, and Executive Councilor ballots to be delivered to the Moderator on Election Day (RSA 658:31).

At 7:59 AM, March 11, 2014, Moderator George Epstein and Selectman John Arruda examined the electronic ballot counting device's ballot box before the meeting was convened to assure it was empty and the Moderator had the electronic ballot counting device print the Election Zero Report for the annual Executive Councilor District 1, Town and School Election.

Moderator Epstein opened the meeting at 8:00 AM. A motion was made by Mike Brooks, seconded by Cheryl Brooks, to waive the reading of the Warrant. Moderator Epstein then declared the polls open for acting upon Article 1 and Article 2 of the 2014 Town Warrant.

2014 WARRANT

To the inhabitants of the Town of Madison in the County of Carroll in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the James Noyes Hall at the Madison Elementary School in Madison on Tuesday, March 11, 2014 at eight o'clock in the forenoon, polls to be open from 8:00 AM to 7:00 PM, to act upon <u>Articles 1 and 2</u> with the meeting to reconvene at nine o'clock in the forenoon of Saturday, March 15, 2014 in the James Noyes Hall at the Madison Elementary School in Madison to act upon the remaining Articles:

<u>Article 1.</u> To bring in your votes for Executive Councilor. To choose all necessary officers for the ensuing year.

^{**}Elected as a result of Tie Vote lot drawing (RSA 669:36)

Article 2. By Petition. Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Town of Madison on the second Tuesday of March? Petition signed by Mark Graffam, et al.

Article 2 was DEFEATED by a vote of: Yes 152 No 103 Blank 164 Required 3/5 majority to pass - received 59.6%

On Monday, March 17, the Town Clerk's Office received a written request for a manual recount of all ballots cast on March 11, 2014 for the purpose of verifying the election results on Article 2. On Tuesday, March 25 at 8:30 a.m., Moderator George Epstein, Deputy Town Clerk/Tax Collector Carol Hally, and Selectmen Mike Brooks and John Arruda completed the manual recount of ballots cast.

Article 2 remained DEFEATED by a manual recount vote of: Yes 152 No 105 Blanks 162 Required 3/5 (60%) majority to pass – received 59.1%

TOTAL VOTES CAST ON ELECTION DAY: 419 TOTAL REGISTERED VOTERS AT END OF ELECTION DAY: 1738 TURNOUT PERCENTAGE of TOTAL REGISTERED VOTERS: 25%

MEETING RECONVENED - MARCH 15, 2014

Moderator Epstein reconvened the meeting at 9:06 A.M. The Supervisors of the Checklist, positioned at the meeting room (gym) entrance, proceeded to have each voter sign and receive his/her YES-NO paper ballot.

One hundred eighteen (118) voters signed and received paper ballots – 24.1% of registered voters.

After stating that on Tuesday, March 11, there was a motion made, seconded, and passed to waive the reading of the warrant, Moderator Epstein asked all present to stand and recite the Pledge of Allegiance. Moderator Epstein requested a moment of silence for town officials whose passing during 2013 will have an impact on our community:

Leonora (LaFrazia) Southwick – 2013 Edward "Peter" Craugh – 2013 Franklin LeCoumpte – 2013 Roger Albert Clayton – 2013

Moderator Epstein informed those present that the results of the election held on Tuesday, March 11, 2014 were posted in two places on the wall behind the voters.

Moderator Epstein explained that the meeting would be conducted according to Town and School Meeting Procedures as listed on Page 9 of the 2013 Town Report.

With Moderator Epstein asking voters to turn to the purple pages beginning at Page 137 of the 2013 Town of Madison Annual Report, the legislative body began to consider Articles 3 through 24 of the 2014 Town Warrant.

Article 3. To see if the town will adopt the provisions of RSA 154:1 (a) to formally organize the Madison Volunteer Fire Department with the fire chief appointed by the local governing body, upon recommendation of the firefighters, with firefighters appointed by the fire chief.

Recommended by the Selectmen 3-0-0

Moved: Mike Brooks Seconded: John Arruda

After lengthy discussion and points of order, Moderator Epstein read the following amendment proposed by Ray O'Brien, seconded by Mike Benoit: "To see if the Town will adopt the provisions of RSA 154:1 I.(e) to organize the Madison Fire Rescue Department with three commissioners elected pursuant to RSA 669:17 and serving staggered terms of three years with the fire chief, officers, firefighters, and rescue personnel appointed by the Fire Commissioners."

Ted Kramer, presented the Moderator, with a written request, signed by 5 voters, to have a paper ballot vote on this article.

Moderator Epstein explained to the voters a "YES" vote would mean that the voter supported the amendment to have the Fire Commissioners elected. A "NO" vote would mean that the voter supported the original article as written in the warrant requesting the Fire Chief be appointed by the local governing body—Board of Selectmen. After all voters had cast his/her secret paper ballot "A", the Moderator announced the results: Yes: 28 No: 83

Article 3 as originally written in the warrant PASSED by a show of hand-held ballots.

Article 4. To see if the municipality will vote to authorize the selectmen to enter into a long-term lease/purchase agreement in the amount of four hundred fifty-three thousand four hundred eleven dollars (\$453,411) payable over a term of 10 years for a new pumper truck for the Madison Fire Rescue and to raise and appropriate the sum of one hundred sixty – three thousand dollars (\$163,000) as a down payment to lower the agreement amount with said sum to come from the withdrawal of one hundred sixty-three thousand dollars \$163,000 from the Fire Truck Capital Reserve Fund. This lease agreement does not contain an escape clause and requires a $2/3^{\rm rd}$ ballot vote for passage.

Recommended by the Selectmen 2-0-1
Recommended by the Advisory Budget Committee 7-0-0

Moved: Mike Brooks Seconded: John Arruda

After lengthy discussion, Selectman Shackford, submitted the following amendment, seconded by James Coogan: "To postpone purchasing any replacement fire apparatus until the Annual Town Meeting in March 2015. Request that the moderator appoint a committee consisting at minimum the following residents: One Selectman, two Advisory Budget Committee Members, one Fire Commissioner, three members of the Madison Fire Department, two voters from the community. Said committee will be charged with bringing information sufficient to vote at 2015 Town Meeting for a replacement Fire Pumper. Said committee will conduct open meetings, keep records of all meetings and decisions and comply fully with RSA 91-A."

After seeing a show of hands by 5 or more voters to request a secret ballot vote, the Moderator explained Ballot "B" would be used to vote on this amendment. "YES" would mean the voter is in favor of the Moderator appointing a committee and "NO" would mean a return to the original article.

Yes: 69 No: 48

Article 4 as amended PASSED by a show of hand-held paper ballots.

Article 5. To see if the Town will vote to raise and appropriate the sum of two million three hundred ninety-four thousand seven hundred fifty-two dollars (\$2,394,752) for general Town operations with discussion and amendments to be considered line by line.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Madison Madison, New Hampshire 03849

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Madison, New Hampshire as of and for the year ended December 31, 2013, which collectively comprise the Town's basic financial statements as listed in the table of contents and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Madison, New Hampshire as of December 31, 2013, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

47 Hall Street • Concord, NH 03301 603-856-8005 • 603-856-8431 (fax)

TOWN OF MADISON INDEPENDENT AUDITOR'S REPORT

Other Matters

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 25 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Madison has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Madison's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the accounting procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

August 14, 2014 Robert & Greene, PLIC

TOWN CLERK'S REPORT - 2014

The Town Clerk's Office increased the services and online payment options available to our community by the following enhancements:

BOATS: Madison clerks attended training in order for Madison to become certified by the Boat Desk at the Division of Motor Vehicles to become a Boat Agent. As a Boat Agent, Madison can register new and existing boats for both residents and nonresidents. The Town receives a \$5.00 agent fee, a \$1.00 tax collector fee, and a boat fee determined by the boat type and model year. This creates additional revenue for the Town as well as being a convenience for boat owners.

DOGS: New in March 2014, renewal letters were sent to all Madison dog owners with information on how to renew their dog's license(s) online as long as our office has a current rabies certificate on file. Online payment options accepted include Electronic Check (ACH), MasterCard, VISA, AMEX and Discover, Dog owners can still register their dog(s) by mail with a personal check or over the counter at our office with cash or check.

MOTOR VEHICLE INFORMATION and UPDATES

INITIAL (VANITY) PLATE CHANGE IN PROCEDURE:

As of May 22, 2014, a Supreme Court decision required the Department of Motor Vehicles to suspend issuing initial plates. All applications for new initial plates must be sent to DMV for approval and issuance. Renewals continue to be processed as usual.

DMV'S PRINTER CONVERSION: As of March 19, 2014, the Town Clerk's Office entered Phase II of the State's Laser Printer project. This allows us to print titles, certified copy forms, decal and plate replacement forms all from one printer provided by the Division of Motor Vehicles.

LOW SPEED UTILITY VEHICLES: The State of NH Department of Motor Vehicles recommends that individuals with low speed vehicles have a safety inspection first to determine if the vehicle qualifies to be registered. To assist customers in determining if their vehicle needs to be registered, the DMV has provided Town Clerks with a Low Speed Utility Vehicle Checklist.

ONLINE RENEWAL OF VEHICLE REGISTRATIONS:

The number of vehicle registration(s) paid online using a debit/credit card or checking account continues to grow. Online registration deadline is approximately seven days prior to month end in order to allow the registrant to receive his/her registration(s) before the expiration date.

The convenience fee for this online service is added to the customers' regular registration fee. This service is limited to renewal transactions that have no change of ownership, owner's address, vehicle, or color of vehicle. The information to renew online can be found on the renewal notice to the right of the registrant's name and address.

DRIVER'S LICENSE PRESENTATION: As requested by the State of NH-Department of Motor Vehicles, the person completing any motor vehicle transaction at the Town Clerk's office shall be asked to present a photo ID. This is to assist in helping to prevent insurance and registration fraud.

NEW REQUIRMENT FOR TITLED VEHICLES: As of January 1, 2015, vehicles with a model year 2000 and newer are required to be titled forever. To register any motor vehicle whose model year is 2000 and newer, the title or certificate of origin must have the **exact odometer reading** filled in by **ONLY the SELLER**. The motor vehicle cannot be registered without this information.

EDUCATION and TRAINING

SOFTWARE USER MEETINGS: On April 22, 2014, our office was closed in order for Marcia and Beckie to attend Avitar's User Meeting for Clerk software updates to motor vehicle, dogs, boats, and other clerk functions.

MOTOR VEHICLE ADVANCED MUNICIPAL AGENT TRAINING TOPICS:

Bureau of Registration—A review of new forms for record change requests, replacement plates/decals/registration for vehicles and boats. A review of the process for salvage inspections, trusts, non-titled vehicles, bill of sale form requirements, classifications regarding military personnel registrations, notarized letters/POA forms, refunds, and low speed utility vehicles. The highlight of the training included the following questions town clerks often receive from individual vehicle owners:

"Why are there so many questions when I register a vehicle?"

The information gathered to register a motor vehicle with the State of New Hampshire Department of Motor Vehicles is reviewed by the New Hampshire Department of Environmental Services (DES). From the year, make, model, body style, fuel type, mileage, the weight of vehicle, county and town registered in, the DES develops and evaluate programs that reduces vehicle emissions, tracks the number of alternative fuel vehicles (natural gas, hybrid and electric vehicles) and other studies that help keep New Hampshire's air clean.

"Why is identification needed when I register?"

The New Hampshire State Police DMV Task Force Investigation Unit has requested Town clerks assist in its ongoing investigations by obtaining identification from customers who are registering motor vehicles. Some of these investigations include identity theft, residency issues, title fraud, registration fraud, stolen vehicle issues, privacy violations, issues with the exportation of stolen cars for profit and sponsoring terrorism.

"Do you know the State of New Hampshire Inspection Requirements?"

When you acquire ownership of a previously-owned (used) vehicle by private sale and obtain a 20-day temporary registration and temporary plate from DMV, you have 10 days from issuance of the temporary registration to get the vehicle inspected.

A new vehicle purchased at retail from a licensed dealer shall be inspected not later than 30 days after the date of transfer – NH RSA 266:I;IV.

You can obtain an inspection and sticker with a CURRENT (non-expired) registration up to four months early.

Antique vehicles must be inspected during the month of April; motorcycles must be inspected during the month of June.

A permit to operate an uninspected motor vehicle can sometimes be issued for specific reasons. For example—an owner has an inspection appointment beyond the 10 day grace period or the owner's vehicle is out of state during the inspection month.

NHCTCA SPRING WORKSHOP: The NH City and Town Clerk's Association Spring Workshop was held on June 6, 2014 at the Best Western Red Jacket in North Conway, and was attended by the Town Clerk and Collection Clerk. To assist Clerks with legislative and procedural changes, the following agencies of the State were represented: The Division of Motor Vehicles (Title and Registration), the Secretary of State's Office Election Division officials including ElectioNet and Accessible Voting System, Division of Vital Records (Births, Deaths, Marriages and Divorce), and Department of Environmental Services.

NHCTCA EDUCATIONAL CONFERENCE: Town Clerk/Tax Collector Marcia also attended the NH City and Town Clerks' Association's Annual Educational Conference October 15th – 17th at the Best Western Red Jacket in North Conway. In addition to the updates above presented by the Department of Motor Vehicles and Title Bureau, other state agencies reviewed final changes to the laws that pertain to services provided by Town and City Clerks. On Wednesday and Thursday, many vendors from software providers, printing and equipment companies, preservationists, credit card processors, and municipal banking specialists attended in order to promote services of interest to town clerks and answer questions regarding the product or service. The Department of Motor Vehicle booth even brought back our paper clips, and elastics required to accompany each clerk's daily work to DMV. The conference concluded with a round-table question and answer session. As usual, this gives all Clerks the opportunity to direct specific questions to any of the representatives from the various State Agencies—always most informative to all parties involved.

<u>ELECTIONS</u>: In July our office personnel attended the State Election Law Training provided by NH Votes through the Secretary of State's Office in preparation for the September Primary and November General Election. This covered the ever-changing Election Laws, the new Voter ID protocols, Election Results Reporting and New Voter Registration on Election Day (Same Day Registration). Results of each election are included elsewhere in the Town Report.

ARCHIVING:

Thanks to the continuing support of the Madison voters, this office is able to continue preservation of the old Town Clerk's Record Books. Volume 8a is currently being preserved by Kofile Preservation.

Should anyone find any Town records tucked away in their attic, basement or garage, the Town would be grateful to receive them to be archived in our vault for future generations.

VITAL RECORDS

In July, the Governor signed into law Senate Bill 394 allowing: "a Civil Union legally contracted outside of New Hampshire shall be recognized as a marriage in this state, and any person in such legal union contracted outside of New Hampshire may also marry the same party in New Hampshire without the dissolution of such legal union, provided that the relationship does not violate the prohibitions of this marriage". The Clerk's Office interprets this to mean that a Civil Union contracted outside of New Hampshire does not need to be dissolved provided the same parties identified in the civil union are requesting the marriage license application.

Director Steve Wurtz addressed Senate Bill 201 that requires an update to the Marriage License Worksheet, to be effective January 1, 2015. The change allows both Person "A" and Person "B" upon entering into marriage, either party may retain his or her surname prior to the marriage or change his or her surname to the surname of the other party or change the surname to a hyphenated combination of the full surnames of both parties. If a party requests a surname change under this paragraph, that party may also change his or her middle name to his or her surname prior to the marriage. Each party shall indicate on the marriage application worksheet the party's name after marriage.

The New Hampshire Department of State, Division of Vital Record Administration continues to convert manual records of New Hampshire births, deaths and marriages. Upon completing an Application for a Vital Record, <u>ANY</u> NH Town Clerks' office can produce certified copies for events as follows:

BIRTHS in the State of NH 1982 – present DEATHS in the State of NH 1989 – present MARRIAGES in the State of NH 1989 – present

It continues to be our privilege and pleasure to represent the State Agencies serving the residents and taxpayers of the Town of Madison.

Respectfully submitted,

Marcia E. Shackford Rebecca A. Van de Water
Certified Town Clerk/Tax Collector Collection Clerk

TAX COLLECTOR'S REPORT - 2014

SETTING the TAX RATE

Every fall, the Department of Revenue Administration (DRA) compiles all the information necessary to certify property tax rates for each municipality, reviewing all appropriations voted on in the spring and all revenues expected. That information is then used in the formula below to calculate the local property tax rate:

Voted Appropriations—Town, Local School, State School, County and Village District minus All Other Revenue divided by Local Assessed Property Value equals Tax Rate.

Multiply the rate by 1,000, and you get the property tax rate per \$1,000 of the property value, which is how the rate is usually stated on your property tax bill.

The amount of money which must be raised through taxes—appropriations minus all other revenue expected to be received—is the major factor which drives the property tax rate. The value of property is the basis on which the tax money to be raised is apportioned to each property owner.

Taxpayers who wish to learn more about the Town and Local School budgetary requests can attend the Advisory Budget Committee meetings for both the Town and School. These monthly meetings are scheduled September through February. To inform the taxpayers of the proposed budget and warrant articles, a public budget hearing and a school deliberative session is held early in February. The date, time and place of all meetings are posted in two public places. Both Town and School Elections are held in March and the traditional Town Meeting is held the Saturday after Town and School Elections. All Madison voters are encouraged to participate in the budget process at any of the meetings to ask questions, give suggestions and/or recommendations prior to the school deliberative session, Election Day and Town Meeting Saturday.

MADISON'S 2014 TAX RATE – Equalization Ratio – 100.7%

ENTITY	2014	Difference	%	2013
Town	3.87	0.00	0.000	3.87
Local School	8.47	0.06	1.007	8.41
State School	2.47	0.06	1.025	2.41
County	1.15	0.06	1.055	1.09
	*15.96	0.18	1.011	15.78
Village Dist	3.95	0.09	1.023	3.86
-	*19.91	0.27	1.014	19.64

^{*}Per thousand of assessed value listed on assessment card

Should you need a copy of your assessment card, you may use the following web address: www.madison-nh.org under Departments, Assessing. As always, if you have a question regarding your assessment, please contact the Selectmen's Office at 603-367-4332 Ext 300.

2014 TAX BILL WARRANT AMOUNTS:

First Issue Tax Bill Warrant (Estimate)
Second Issue Tax Bill Warrant minus abatements

\$3,791,026.50 due 07.01.2014 \$3,880,862.50 due 12.22.2014 Should you need a copy of your tax bill, you may use the following web-site address: www.nhtaxkiosk.com and simply choose **MADISON.** This service provides 24/7 access to all tax collect information, including assessed value and payment status.

NH TAX KIOSK PAYMENTS: The option to pay Madison's real estate taxes by credit card, debit card, or ACH electronic check from any computer has continued to grow in popularity. The convenience fee associated with the payment type is the responsibility of the taxpayer—credit or debit card is 2.95% of the amount paid and an ACH electronic check is 0.95 cents.

Enhancements to the Madison kiosk can be found by "clicking on" NOTICES at the top of the page. Listed under "Recent News and Events" may be the answers to some tax questions regarding the tax collection process in our town, including change of address, tax rate, other type of taxes, partial payments, exemptions and/or credits, and the tax lien and tax deed process.

STATE EDUCATION PROPERTY TAX RELIEF: In 2014 the State Education Property Tax Relief Program (RSA 198:56-61) was again available to all low and moderate income homeowners subject to the state education property tax. Taxpayers can obtain an application (DP-8) from the New Hampshire Department of Revenue's website at www.revenue.nh.gov, by calling the Department of Revenue's forms line at 603-271-2192, at many NH libraries or from our office. Forms are usually available May 1st and must be submitted between May 1st and June 30th.

TAX LIEN PERFECTION: As required by NH State Law, all unpaid 2014 taxes shall have a lien placed upon the property. This year the lien shall be effective April 14, 2015. Please remember a tax lien, recorded at the Registry of Deeds, will remain on credit reports for a minimum of seven years after redemption.

TAX COLLECTOR DEEDING: Those properties whose 2012 tax lien has not been fully redeemed on or before NOON, August 25, 2015 shall have ownership transferred to the Town of Madison by a Tax Collector's Deed as required by NH State Law.

In April, 2014, the Board of Selectmen, on behalf of the Town, accepted a Tax Collector's Deed for property located at Map 120 Lot 5; and in August, 2014, for Map 105, Lot 69, Map 113 Lot 121, Map 115 Lot 4, Map 115 Lot 32, Map 221 Lot 16, and Map 221 Lot 17.

SPRING TAX WORKSHOP: The morning session covered "Dealing with Strong Emotions in the Workplace". In the afternoon, the Tax Collectors' Attorney presented an update on court case decisions that pertained to tax collectors. The Tax Collectors' Legislative Representatives, assisted by the Tax Collectors; Attorney, discussed the new laws passed by the State's Legislature. A member from the Department of Revenue Administration explained how each Tax Collector shall submit the yearly MS-61 electronically to the DRA commencing at the close of 2014.

EDUCATIONAL CONFERENCE: New Collector's Round Table. Gerald Winn, guest speaker, covered Attitudes and Communications. A thorough review with a question and answer session of the State-required Tax Lien, Deed, and Post Deed process. The annual Tax Collectors' Association's annual meeting to elect officers was held prior to the MS-61 –

User Group Session. Legislative updates and court cases were reviewed to keep the Tax Collectors up-to-date on any changes in the tax laws. An extensive session was presented by Bernie Campbell, NHTCA Legal Counsel, regarding those taxpayers who file for bankruptcy.

OTHER: A list of Taxpayer Assistance Resources can be found on Madison's website under Departments/Tax Collector/Property Tax Information/Taxpayer Assistance Resources. This list includes, but is not limited to heating, weatherization & home repair assistance, general legal and counseling assistance, foreclosure help, information on property tax credits and exemptions for qualifying Madison residents, and senior elderly assistance services.

The Board of Selectmen and Tax Collector's offices are always willing to meet, in a non-public environment, with any taxpayer to share information about State and local resources available for assistance. Please call either 367-4332 Ext. 300 or 367-9931 Ext. 310 to make an appointment.

Respectfully submitted,

Marcia E. Shackford

SELECTMEN'S REPORT - 2014

One of the most significant memories from 2014 was the East Madison Road project. This included replacement of the Frost Brook bridge by G.W. Brooks & Son of Freedom and shimming and overlaying a large majority of the road by R&D Paving of Franklin. The project required a rather inconvenient traffic detour for about six weeks yet no major complaints were received at Town Hall. The new bridge, which will outlast all of us, now passes the Department of Transportation's inspection criteria and takes the town off the DOT's list of municipalities with deficient bridge structures. There are still sections of East Madison Road that need to be dug up or reclaimed (grinding of asphalt in place) before new pavement can be applied. The Selectmen are committed to seeing this road project through to completion and will speak to this and support an appropriation at Town Meeting 2015.

Another very noteworthy project in 2014 was the relocation of the Historical Society building onto a new foundation within the same property. Burnham Company of Conway served as Clerk of the Works and did a fantastic job putting everything back together while improving drainage and establishing a small off-street parking area. The Historical Society took the lead to see this long-awaited project to fruition while keeping the Selectmen informed during the phases of construction. Additional fundraising by the Historical Society and a contribution from the 2014 operating budget helped complete the project.

In May, two of the elected Fire Commissioners resigned their positions leaving newly elected Commissioner Denita Dudley alone in office. The Selectmen opted to fill the vacancies with members of their Board, primarily because the 2014 Town Meeting voted to reorganize the Fire Department without elected Fire Commissioners effective March 15, 2015. Selectman Arruda and Selectman Shackford have been acting as Fire Commissioners with Dudley. After March 15, 2015, the Fire Chief will begin reporting directly to the Selectmen, much like the Police Chief and Road Agent have always done.

In July, the Selectmen hired Jay St. Jean Auctioneers to conduct a Public Auction for four tax-deeded properties. Town Counsel Diane Gorrow's representative, Attorney Gordon Graham, was also present and assisted with the follow up closings. One property failed to close by the deadline so the Selectmen offered it for sale through sealed bid to the auction attendees. In the end, the Town will have recognized \$108,525 in revenue from the sale of the four lots.

The year 2014 was very positive with respect to obtaining closure on two on-going lawsuits and we expect a third to resolve in early 2015. The Selectmen stand behind their vow to defend the taxpayers and town as a whole even though the cases were challenging and costly. The Selectmen continue to work with the George Sansoucy Group and Town Counsel who represent the town in two large assessing appeals. Public Service of NH and FairPoint Communications are both claiming the assessed values of their poles and conduits are excessive and disproportionate. Although it's unclear when these appeals will be heard, the Selectmen realize that sizable refunds might be ordered if the decision goes against the town's assessing firm.

Four long-time employees retired from their positions during 2014. They were part-time Code Enforcement Officer Bob Babine, full-time Transfer Station Attendant/Janitor Willie Moore, part-time Seasonal Maintenance/Dam Keeper Wayne Jones, and part-time Mechanic Harold Harmon. We'd like to thank each one of these men for their service and years of dedication to the Town.

NH DEPARTMENT OF REVENUE ADMINISTRATION MUNICIPAL AND PROPERTY DIVISION P.O. BOX 487, CONCORD, NH 03302-0487

MADISON POLICE DEPARTMENT 2014 TOWN REPORT

The Madison Police Department has had another busy and productive year. I would like to thank the women in The Selectmen's Office and the Office of the Town Clerk/Tax Collector. As many of you are aware the difficult decision to cut the position of Administrative Assistant was made. The women upstairs have been very helpful monitoring the budget and conducting many vitally important public record searches.

The Carroll County Communication Center statistics give Madison Police, a total of 2732 calls for 2014. This averages out to approximately 7-8 times a day that someone is demanding the attention of a representative from the Madison Police Department. These numbers do not consider the more than 800 car stops and calls the staff get at home, calls into the office that are answered directly or some of the walk in requests for officer assistance that are generated by the town.

As of this Town Report Sergeant Colby was promoted to the rank of Lieutenant. I believe he is the second person to hold this rank within the department. Lt. Colby serves as the Department Prosecutor and Defensive Tactics Instructor. He has also taken on most of the duties that have historically been performed by the Administrative Assistant. Lt. Colby has distinguished himself as a talented investigator especially in the area of Sexual Assault. His thoughtful and detail oriented investigations have spared more than one person the re-victimization of trial.

Ofc Ciarfella is our newest officer. He is currently attending the Full-time New Hampshire Police Academy. He is a certified EMT, and a member of the Effingham Police Department and Fire Department. I am very pleased with the positive feedback and comments generated by his performance.

We have enjoyed success in several major cases this year. The Madison Police Department partnered up with The Freedom, Tamworth, Effingham, and Conway police departments as well as The Carroll County Sheriff's Department and the U.S Postal Service in a lengthy investigation that has spread over the course of several months. Several search warrants have been executed over past couple of weeks in Conway and Madison and hundreds of pieces of property have been recovered. Numerous burglaries and thefts from mailboxes have been cleared. This case is a wonderful example of what can be accomplished when we work together.

All members of the department continue to donate time to the town with no monetary compensation.

We are grateful for the support that you have given us and acknowledge and appreciate the fact that our success is 100% dependent upon it. I invite any of you to come see me with questions comments and concerns.

Chief James Mullen Madison Police Department

Congratulations Lieutenant Colby!

Ted Colby was promoted from Sergeant to Lieutenant on January 16, 2015 at a ceremony in the Town Hall meeting room. Ted's wife Penny, a Police Sergeant in Tamworth, pinned his badge on during the ceremony while their daughter looked on. The ceremony was also attended by Ted's family, co-workers, and law enforcement personnel from the Towns of Ossipee, Freedom, and Tamworth, as well as State Police. Thank you for all that you do to keep our community safe, Ted.

Madison Police Department worked with area law enforcement agencies to search properties in Madison believed to be connected with a multitown burglary ring. The coming together of personnel from local Police Departments is important in cases like these that span Carroll County towns.

2014 Annual Report for the Madison Emergency Management Department

To the Madison Board of Selectmen and residents of the Town of Madison

The Emergency Management Department had a quiet year during 2014 with no local declared emergencies during this reporting period.

Work needs to continue on upgrades to the telephones and networking in the fire station to provide adequate resources to operate during emergencies. These requirements were discussed with the Board of Selectmen, and the need to possibly apply for another Emergency Management Equipment Grant through the State to install another generator to power Town Hall and the Highway garage during power outages. This would assure telephones installed at the Primary EOC, located in the Fire Department meeting room, and the Town Hall meeting room, would both be able to operate during emergencies and power outages.

A meeting of safety officials took place at the Madison Elementary School and also supported adding an additional generator to power the "new wing" of the school to assure all support systems will operate during any extended power outage or to operate as the Town's designated emergency shelter if required.

As always I appreciated all the dedication and support from the many emergency personnel and Town staff that attributed to our success and accomplishments during 2014. I invite all members of the community to consider volunteering and becoming active participants in your Emergency Management department. Many opportunities exist that require dedicated volunteers to respond to and assist our community in time of emergency.

Sincerely, Richard A. Clark, Director

MADISON FIRE RESCUE 2014

Our emergency incident volume continued to increase by 59 more calls for service giving a total of 350 calls for the year. With the increase in calls for service it also required many hours to mitigate these incidents. The members committed 1,400 man hours to answer emergency calls, 620 man hours to fire-rescue training, 440 man hours to emergency medical training, 700 man hours to station duties & vehicle maintenance and 60 man hours to departmental meetings.

With 2014 being a busier year than the years past it continues to be a great challenge, to maintain a skilled and available department of fire-rescue responders. Some of the training that members took part in this year were DHART helicopter training, vehicle extrication, preplanned fire incident training. The department had two members take NH Firefighter 1; we also had three members take an Emergency Medical Technician course.

The department continues to bring on new members to the organization some with many years of fire rescue experience. The department had a total of 8 new members in 2014.

The department also formed a RIT (Rapid Intervention Team) which is a team of highly trained and knowledgeable firefighter trained in how to rescue down firefighters in emergency situations. With this team established this also put the fire department on surrounding towns alarm cards for this team.

In November the department converted engine 4 (mini pumper) into a rescue truck were it was more suitable for the departments needs. The rescue will carry all the departments' auto extrication equipment, rope rescue equipment, water and ice rescue equipment, hazmat equipment and much more for the department. The department also recently purchased a 4 point vehicle stabilization kit for auto extrication incidents.

The department also was able to provide every student in the elementary school and preschool fire prevention materials and is looking forward to launching a full fire prevention program for the students in the school in 2015, as well as a planned open house of the fire station.

After last year town meeting the town voted to form a fire truck committee to discuss and recommend how to move forward on the replacement of the fire rescue primary attack truck. After many meetings being held and reviewing proposed bid on a new replacement it was the committee recommendation to hold off the purchase of the truck and put away \$50,000.00 for the next two year putting it towards the purchase of a replacement at that time.

The department is continuing on a very intense training schedule for the beginning of the 2015 year with many more to come in the year. Training on many new techniques, and skills required within the fire rescue field.

The Madison Fire Rescue Officers for the year 2015 are: Chief Jeffrey Eldridge, Assistant Chief David Aibel, Deputy Chief Mike Brooks, Captain Mike Mauro, Captain Billy Chick Jr, and Lieutenant Robert Rand

The members of Madison Fire Rescue look forward in providing quality assistance, integrated fire/rescue/emergency services to the town of Madison during 2015. We are very thankful for the continued support and confidence.

Respectfully,

Jeffrey A. Eldridge Chief of Department

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603- 271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

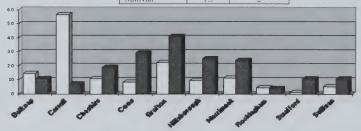

This past fire season started in early April with the first reported fire on April 7th. April, which is the traditional start to our spring fire season, began very dry with unseasonably dry conditions continuing through the entire month. This dry pattern continued through the first half of May. 80% of our reported fires this season occurred during this six week period. The largest fire was 24 acres, occurring in the town of Tamworth. From mid May through early September, above average rainfall kept our total acreage burned statewide at 72 acres. This is the smallest amount of acreage burned statewide in several years. Late August through late September though brought a dry trend to northern areas, resulting in several deep-burning remote fires. Our fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2014 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

TOWN OF MADISON REPORT 2014 HIGHWAY DEPARTMENT

The year started Jan.1st with extreme cold which lasted right into March. Our first snow was Jan. 2nd, followed by 39 call out storms including 2 Ice Storms. Our last storm of year was March 30th, so it was a hard winter for 2014. With such a cold and snowy winter, our mud season was nil to none, which was good.

The summer was pretty routine other than more ditching with the grader and the 420F Cat Back Hoe which is working out very well for the town. There were new culverts installed on Pound Rd. Glines Hill Rd and the Historical Society building.

We also put up over 2200 yds. Of winter sand for the close of 2014 and a start for 2015. I would like to thank Mike LaClair, one of my highway techs, for the nice job he did making the sign frames for Kennett Park and our town beaches and boat ramp.

The new bridge project on E. Madison Rd. came out extremely well, excellent workmanship. This project went over budget by a lot due to unforeseen issues with ledge, this resulted in moneys taken away from the reconstruction and paving that was planned for E. Madison Rd., therefore we were able to resurface 2.5 miles with a 3/4" shim from first bridge to just the other side of Maple Grove Rd.

There will be a warrant article for replacement for our 2004 GMC 8500 series 6 wheel dump truck which has 80,000 road miles on it, reason being GMC stopped making any big trucks right after making this model. GM didn't make any replacement parts and there aren't any aftermarket parts available.

In closing I would like to say a special thank you to two great guys who retired from the department this year, their exceptional work and dedication will be greatly missed:

Wayne Jones: our summer maintenance perfectionist and winter helper. Harold Harman: our town's mechanic. Enjoy your retirement and thank you again!

Also thanks to my highway crew for a job well done once again.

William C. Chick Sr. Road Agent

2014 Madison Highway Crew

Mike LaClair; Bill Chick, Jr.; Bill Chick, Sr.; Rob Hatch, Jr.; Wayne Jones & Harold Harmon (missing Justin Chick)

Planning Board

Planning Board duties are specified by state statute and include review of subdivision and site plan applications, annual Capital Improvement Program (CIP) development and review, review and update of the Master Plan, and review of the Zoning Ordinance for development of amendments as needed. 2014 continued to have limited application submissions, perhaps a reflection of our current economy:

1 site plan review – granted; 1 scenic tree cut application – granted; and 1 subdivision application – granted;

The 2016-2021 CIP plan was again conducted during meetings. This plan is used by the Advisory Budget Committee and the Selectmen. All town projects and proposed purchases of \$10,000 or more are incorporated into the plan over a six year period in an effort to maintain a relatively steady impact on the overall tax rate. This year's published tax rate includes the current year 2015 as a reference, but is not considered part of the official 2016-2021 plan.

Several regulations were reviewed by the Planning Board this year, including the proposal of a new regulation. An inconsistency between the site plan review and the Zoning Ordinance brought to light by a Zoning Board of Appeals case led to a hearing and a modification of the site plan review regulations to agree with the Zoning Ordinance on parking space requirement of 200 sq. feet. Another case brought to the attention a lack of definition for setbacks on culs-de-sac in the Zoning Ordinance. A hearing was held for adding to the appropriate definition to the Zoning Ordinance and a Warrant Article has been proposed for the March Town Meeting. The proposed new regulations for Accessory Dwelling Unit (ADU) regulations allowing rental and mother-in-law units in homes will also be a warrant article in the March Town Meeting. The Planning Board labored through many meetings to create these regulations.

Looking forward, the Planning Board is hoping to expand its membership and as always requests continued public participation. We hope to see an addition of much needed new members and alternates as the Board continues to work through 2015. Along with hearing applications, the Planning Board is charged with reviewing and updating the Master Plan which is used as a guide to develop the Zoning Ordinance which in turn governs land use within the town and affects all property owners. Input from the community is essential if Madison is to develop according to the wishes of the residents and taxpayers. The Board encourages residents to consider serving on this important committee and welcomes public comment at every monthly meeting held the first Wednesday of the month at 7 P.M. at the Town Hall.

Madison Planning Board: Michael Brooks (Selectman Ex-Officio), Noreen Downs, Brian Fowler, Phil LaRoche (Alternate), Marc Ohlson (Chair), and Andrew Smith

2014 Conservation Commission Report

The Madison Conservation Commission would like to thank the Madison voters at the 2014 March's Town meeting for their foresight in placing an additional \$5,000 into the town's land conservation trust that will continue to contribute to help purchase important conservation properties in the future. With the help of the Nature Conservancy, the first of a two phase controlled burn in the Goodwin Forest this fall will help restore the threatened pitch pine environment. If the weather conditions permit, the final 1/3 of the forest restoration will be completed next fall. The original contract with the Department of Agriculture was signed in 2006 and the project is nearly completed under budget.

The Old Home Week annual hike at the Wold Property was a success and many citizens enjoyed our lecture about Dr. Lewis's adventure completing the Appalachian Trail. We are in the final phases of establishing a new trail up Jackman Ridge in the Goodwin Forest to offer scenic views of Silver Lake

Annual monitoring and trail clean-up of the Town easements and properties continued throughout the year with each member acting as point person monitoring and organizing work for an easement or property. Water quality testing in Madison remains an important statutory task of the Commission. As part of the water quality monitoring program conducted by Green Mountain Conservation Group, along with partners at UNH, \$7,135 of monitoring value at a \$1500 cost. A letter describing what is done is included in this report.

The Conservation Commission worked with the Upper Saco River Land Trust to explore the possibility of purchasing the Chain of Ponds by funding an official appraisal for the land. Unfortunately the owners of the property did not accept our proposed purchase price but we are hopeful that the sellers will consider our offer in the future.

The Commission is an integral advisory department of the town, encouraging and managing open space, monitoring water quality, and educating the public on conservation practices. We always encourage citizens to attend our meetings and welcome comments and suggestions to help improve access to our community's scenic and rich environmental resources! There is always room on the Commission for new members as well.

Sincerely,

Ralph Lutjen, Nancy Devine, Marcia McKenna, Marc Ohlson, David Riss – Chair, Josh Shackford – Selectman, and Ted Slader

Green Mountain Conservation Group's 2014 water quality programs were a great success and GMCG would like to thank Madison for the town's continued support of these monitoring programs.

Included with this note is a detailed invoice for the costs of water quality programming in Madison in 2014 so that you can clearly see what the town's pledge is leveraging.

Each year these programs are made possible by the efforts of volunteers and your town's contribution, which helps cover the expenses of lab testing, water monitoring, equipment and maintenance. The program costs approximately \$60,000 each year to monitor 35 rivers, streams, and lake sites throughout the Ossipee Watershed, and to deliver educational and informational programs in the watershed's seven towns.

GMCG's efforts in Madison cost an estimated \$7,135 each year. We are also grateful that Madison volunteers are providing the equivalent of over \$2,366 in time, which is over 76 field testing days in your town. These numbers add up to over 110 hours of water quality data collection in Madison. This is a conservative figure that does not fully capture the time and expenses of the many volunteers that help make this work possible.

Madison Mustang Academy students just completed the Volunteer Biological Assessment Program (VBAP), which teaches them to assess water quality through the study of macro invertebrates. Students from across the watershed then proudly co-presented their findings to the community on December 4th at the Ossipee Town Hall. With VBAP coming to a close, another youth water literacy program begins in January as Madison Elementary students receive their eastern brook trout eggs, raise Trout in the Classroom (TIC) through May and then release them in local streams and rivers that are approved by NH Fish and Game.

Other exciting updates with water quality research include the development and report of phase 1 of the Ossipee Watershed Management Plan, a 10 year Water Quality Report, and the 2014 *VBAP* Report which each town will receive a hard copy of as well as be able to access each online. GMCG is also currently applying for funding for phase 2 of the Ossipee Watershed Management Plan for continued research throughout the watershed.

In one way or another, the health of our local economies relies on dependably clean water, and we want to make, sure that the limited resources we expend are targeting important questions. Our goal is to be able to clearly explain what we know about water quality, as well as what we do not know, and begin to make decisions about how to structure the water quality monitoring program moving forward. If you have any questions or concerns, about, water resources in Madison, please let us know so that we can take them into consideration as we evaluate programs. Your input is vital to our successful stewardship of our shared water resources, Thank you again for your continued support and we hope you can contribute at the same level in 2015.

2014 ZONING BOARD OF ADJUSTMENT

The Zoning Board acts as a judicial board and has powers granted under the Revised Statutes Annotated (RSAs) to act on specific matters. These matters include Special Exceptions – permitted land uses within a district subject to specific provisions; Variances – dimensional or use relief from the provisions of the zoning ordinance; Appeals of Administrative Decisions – review of decisions made by a town administrative official based on an interpretation or enforcement of a zoning ordinance; and, Equitable Waivers – review of a dimensional layout which has been discovered to have been in violation of the ordinance, subsequent to construction

There were only nine appeals during 2014, although the variance appeals sometimes contained more than one variance request for the same property. A granted variance request may also contain conditions requiring the property owner to alter plans and reach a compromise with the town. Seven meetings were held during the year with the following results:

7 area variances: granted 2 appeal of administrative decision: granted

Testimony and documentation provided by both applicant and abutters is essential for fair and consistent determinations whether or not to grant relief from the zoning ordinance. The appeal and hearing process is concise and is strictly based on the use of the zoning ordinance. We encourage residents to consider volunteering to serve on this critically important board.

Henry Anderson Jay Bisio (alternate) Ken Hughes Stuart Lord (alternate) Mark Lucy (Chair) Kevin O'Neil Hersh Sosnoff

Madison Library 2014 Annual Report

The mission of the Madison Library is to connect the people of Madison with materials, programs, and services that educate, inform, entertain, and inspire.

Attendance and membership

All Madison residents, seasonal property owners, and employees of Town of Madison, the Madison School Ωistrict, and businesses in Madison can apply for a library card for no fee. In 2013, the Northern NH Library Cooperative was formed, a contract between the Madison Library, Cook Memorial Library in Tamworth, and Jackson Public Library for a shared library catalog and circulation system, which also allows residents of all three towns to use their home library card at any of the three libraries. Nonresidents from other towns who wish to borrow items from the Madison Library pay an annual fee of \$15.

- Individual visits to the library in 2014: 8,437
- Attendance at library events and programs: 1,138
- Registered members with library cards: 763 adults, 155 children (under 12 years old), 211 interlibrary loan accounts (for lending to other libraries)
- Library cards issued in 2014: 150 individuals

Collection and Borrowing

The Madison Library's collection includes books, periodicals, audiobooks in CD format, video recordings in DVD format, musical recordings in CD format, games, puzzles, puppets, MP3 players, ereaders, digital audio and video recorders, Kill-A-Watt meters, museum pass, and a telescope.

- Items in the Madison Library's physical collection as of December 31, 2014: 12,671 items
- Items added to the collection: 841 items, 171 were gifts (value of gifts was \$2,706)
- Items withdrawn from the collection: 779 items
- Items borrowed: 14,381 checkouts
- Items borrowed from other libraries (interlibrary loan): 704 checkouts
- Items borrowed from other Northern NH Library Cooperative libraries: 703 checkouts
- Madison Library's items lent to other libraries (interlibrary loan): 640 checkouts
- Madison Library items lent to other Northern NH Library Cooperative libraries: 699 checkouts
- Note that 19% of items checked out were lent and borrowed between Madison Library and other libraries. Sharing resources through reciprocal borrowing with other New Hampshire libraries expands Madison residents' access to library materials to the holdings of every public library in New Hampshire, including the public universities' libraries. This service is affordable for the Madison Library because the New Hampshire State Library provides van delivery service to New Hampshire libraries.

101

Online Services

Links to all of Madison Library's online services can be found on the website http://madison.lib.nh.us, which is developed and maintained in-house, as is the Local History Project digital archive site, at http://www.madisonlibrary-nh.org/madisonhistory/. Access to subscription online resources is provided either with passwords, available at the library, or with a library card. In 2014, the funds that provided these resources came from the New Hampshire State Library (EbscoHost), through donations made to the Madison Library (Career Cruising, HeritageQuest, TumbleBooks, IndieFlix), the Friends of Madison Library (Britannica), and by Madison taxpayers as part of the library's operating budget (NH Downloadable Books and Ancestry).

- Madison Library website: 14,765 views
- Madison Library Local History Project digital archive: 3,175 views
- EbscoHost journals and magazines: 862 searches
- Britannica Online: 316 gueries
- Career Cruising: 13 page views (Madison Library will stop offering this database in 2015)
- Ancestry Library genealogy: 434 searches
- HeritageQuest genealogy: 72 searches
- TumbleBooks for kids: 384 ebooks viewed
- IndieFlix streaming independent films: 144 films viewed (Madison Library will stop offering this service in 2015)
- NH Downloadable Books ebooks: 1,123 ebooks downloaded
- NH Downloadable Books audiobooks: 670 audiobooks downloaded

Programs

The Madison Library held 116 programs in 2014, with a total attendance of 1,138. Recurring programs included monthly book group discussions, weekly story times, tech talks and workshops, and drop-in tech Q&A sessions. In addition, a number of presentations, performances, workshops, activities, and informational sessions were held in 2014, including:

- "Bob Fogg and New Hampshire's Golden Age of Aviation" presentation and book signing with Jane Rice
- Learn About Seafarer's Friend with Tom Reinfuss
- · Peace of Mind: Protecting Your Privacy, Security, and Finances with Dorian Norcross
- "The Adventures of Buffalo and Tough Cookie" presentation and book signing with Dan Szczesny
- Life in an African Village with John Marlowe, founder of Stands for Schools
- Your Pet, Ticks, and Lyme Disease with Dr. Erin McGrail, DVM
- 1914: World War I Begins, a presentation by Fay Melendy
- Museum of the White Mountains, a presentation by Catherine Amidon
- Application assistance for Low and Moderate Income Homeowners Property Tax Relief
- Seven weeks of Summer Reading Programs for children, teens and adults with the science theme "Fizz, Boom, READ!" Science Club Programs for children included Bubbles, Paper

Engineers, Ski Jumps and Roller Coasters with 4-H's Claes Thelemarck, Be a Nature Detective with art educator Cynthia Robinson (sponsored by the Friends of Madison Library), and a science magic show and Kitchen Chemistry Workshop by Magic of Science (sponsored by a Kids, Books, and the Arts grant and the friends of Madison Library), and Fun in the Sun solar observations and train ride hosted by Silver Lake Railroad

- "The Summer Experiment" book discussion and author visit with Cathie Pelletier, cosponsored by several area libraries, with Friends of Madison Library providing a copy of the book to each Madison child who wanted to participate
- College Bingo and Get on the Bus college readiness workshops for children, and Know the Score: What to Know Before You Take the SAT/ACT for high school students, presented by NH Higher Education Assistance Foundation, cosponsored with Madison Recreation Department
- Madison Trebuchet Challenge II, a maker project and competition co-sponsored with Carroll County UNH Cooperative Extension/4-H; this year's winner was Team Shackford
- The seventh annual Old Home Week Photo Contest and Show, this year's winning photo was by Karen Lord; North Country Camera Club once again provided judges and first prize
- "Big Trees of New Hampshire" presentation, book signing and hike with Kevin Martin
- Madison Library along with 11 other area libraries cosponsored the ninth annual One Book
 One Valley regional reading/discussion program, funded by grants from Pequawket
 Foundation, Ham Charitable Foundation, and the New Hampshire Humanities Council, and
 each library or library's Friends group
- "Trick or BOOK" Halloween event
- Annual Holiday Open House

The Friends of Madison Library planned and sponsored events for adults. These were "Old Time Stories from the Valley" with Gloria Aspinall, "Celia Thaxter's Island Garden," cosponsored with the Madison Garden Club, a presentation on the Crawford Family of Crawford Notch by Carl Lindblade, and "The New Hampshire Grange Movement," a New Hampshire Humanities Council program presented by Steve Taylor.

Barn Tour volunteers Alyce Tregenza and Ann Thomas Wilkins at Joy Farm

In addition, in 2014 the Friends of Madison Library planned an ambitious and very successful Barn Tour fundraising event. This event included an art show and silent auction featuring paintings of Madison barns by artists from the Mount Washington Valley Art Association, a lecture on "New Hampshire Barns of the 18th and 19th Century" by Bob Cottrell, and a day-long selfguided tour of seven historical

barns in Madison, which was held on a picture-perfect July Saturday. Barns on the tour were the Ambrose, Kennett, Gilman, Stanley Gilman, Kaskell, and Forrest Barns, and Joy Farm. In addition, the Friends sold notecards created by Peter Stevens featuring Madison barns.

Volunteers and Friends

This library is fortunate to have a number of dedicated and volunteers, who together donated about 600 hours of service. Volunteers helped by checking items in and out, shelving and organizing books, answering the phone, tabulating library statistics, scanning and transcribing local history documents for the Local History Project digital archive, helping to move books during the renovation project, and sorting donated books.

In addition to sponsoring the programs listed above, the Friends of Madison Library (FOML) raised funds for the library and provided essential items for the library's collections. FOML reorganized one of the library's storage rooms so that their book sale could remain set up, allowing the book sale to be held monthly rather than annually, making the work of the book sale much easier on the volunteers, and raising more money than the annual sale. Beginning in May 2014, the Friends' Book Sales are now held on the third Saturday of each month.

Strategic Plan

In 2014, the Madison Library Trustees appointed a Strategic Planning Committee of community members, who worked for several months to develop a Strategic Plan for the Madison Library. The Strategic Plan will be used by Madison Library Trustees and staff to guide decision making about library programs and services from 2015 through 2017. The Strategic Plan is posted on the library's website, and a printed copy is available at the library.

One of the discussion groups at the listening session

The Trustees thank the Strategic Planning Committee — John Filson (Library Trustee), Linda Drew Smith (Library Trustee), Mary Cronin (Library Director), Sloane Jarell (Library Staff), Fay Melendy (Friends of Madison Library), Sue Stacy (Selectmen's representative), Nancy Devine, Noreen Downs, Tammy Flanigan, Braxton Hinchey, and Mark Lucy — and all of the community members who took the time to take the community survey and attend the listening session facilitated by UNH's NH Listens on August 19, 2014.

One direct response to community needs expressed at the listening session was development of a Madison community email message board at a meeting organized by the Madison Library. Moderated by a rotating group of volunteers, the Madison Boulder Bulletin is open to any community member. A link to request to join the group is posted on the library's website.

Outdoor Space Improvements

Volunteers Merle and Herm Weber, Ted Slader, Kevin Worth, Bonnie Slader, and Eileen Yandolino work on improving street side garden

The Madison Library's street side garden was improved in 2014 thanks to the work of a number of volunteers. Improvements included a set of steps and five yards of pine mulch. The steps feature a stacked-box design developed by Herm and Merle Weber. The steps were built and installed by Herm Weber and Ted Slader, with lumber provided by Madison Library Trustees (with thanks to Silver Lake Home Center), and sand and gravel fill provided by the Madison Highway Department.

Volunteers who kept the library gardens weeded, watered, trimmed and neat included Merle and Herm Weber, Peggy Merrill, Garrett Fortin, Eileen Yandolino and others.

Kevin Worth pressure-washed the exterior of the library, cleaning up years of wasps' nests, cobwebs, bug splatter, moss, and grime.

Interior Renovations

Library Trustees and staff thank the Madison voters, who approved a warrant article for \$8,500 at the 2014 Town Meeting to renovate the interior of the library to create additional workspace for staff and more comfortable and usable public space. The renovations were completed in November. The Friends of Madison Library and Library Trustees each provided \$3,000 for the project. The Robert and Dorothy Goldberg Charitable Foundation provided a grant of \$2,000 for the project, reducing the amount needed from Madison taxpayers.

Respectfully submitted,

Mary Cronin Library Director

Madison Library Board of Trustees:

Peter Stevens, Chair Thomas Reinfuss, Vice Chair Angela Johnson, Treasurer Susan Bailey, Secretary John Filson Cheryl Littlefield Linda Drew Smith
Sandra Carr, Alternate
Bruce Kennedy, Alternate
Mary O'Neil, Alternate
Patricia Ambrose, Recording Secretary

CODE ENFORCEMENT OFFICER'S REPORT - 2014

I was honored to be chosen as the new Code Enforcement/Health Officer for the Town after nearly 22 years of service as a Forest Ranger with the State of New Hampshire. My position is part-time - 25 hours per week. The following statistics represent both my and former Code Enforcement/Health Officer Robert Babine's activities for 2014.

2014 STATISTICS*

P	e	r	n	ıi	t	S	I	S	S	u	e	d	
_	=	_		_	-	_	-	_	_			_	-

	# Permits	
	Issued	Fees Paid
Building Permits (new homes, garages, barns, remodeling, sheds, decks) - 13 new house permits issued	115	\$23,240.78
Driveway Permits	6	\$240.00
Mechanical Permits (electrical, plumbing, gas piping)	56	\$1,685.00
TOTALS:	177	\$25,165.78
Inspections:		
Construction (foundations, framing, electrical, plumbing, gas piping)	41	
Life Safety	6	
Child Daycare Facilities	1	
School	0	
Enforcement Issues:		
Zoning Ordinance	10	
State Code	4	
Letters of Deficiency	5	
Cease & Desist/Stop Work Orders	2	
Project Correction Orders	3	
Health/Safety Issues:	1	

^{*} Except for permits issued, the statistics reflect activity from September 2nd through December 31st

Respectfully submitted,

Darmits

Robert E. Boyd

Code Enforcement/Health Officer

Madison Historical Society 2014

The Madison Historical Society is very grateful to Madison voters for the March appropriation of funds needed to accomplish the major portion of our building project. Adding those funds to the amount we had managed to save and the prior funds appropriated by the Town of Madison, we were able to hire a contractor to lift up the building, move it over a few feet to get it off the property line and put a new foundation under it. We now have a huge dry basement, onsite parking and fresh new landscaping.

In November we hosted an open house where many visitors came to see the results and enjoy a special exhibit of e e cummings artifacts that had never been on display, including a recent gift of two large colorful paintings by cummings.

The Society had many interesting programs from May through September; this year we had presentations about the Sap House Meadery, Chinook dogs, and Graveyard Restoration, and we cohosted The Crawfords of Crawford Notch with the Library. We also had items for sale at the Old Home Week craft fair, the Blueberry Festival and the Christmas Craft Fair. We are in the process of developing a brand new website where our events, history and books for sale will be featured.

We lost a beloved member this year, Isabella Knowles, who was an expert docent and worked tirelessly cataloging and researching the many artifacts and documents that had accumulated over the

years, giving the Society an efficient, organized and accessible inventory system well before the age of computers.

One of our greatest desires is to have more people actively involved with the Madison Historical Society. We have a good many members, but need more key people to help with the month-to-month activities. If you are interested, please contact any of the Directors.

THANK YOU AGAIN FOR YOUR SUPPORT!

Board of Directors:

Becky Knowles, President Linda Drew Smith, Vice-President Penny Hathaway, Treasurer Ann Wilkins David Wilkins

Madison Historical Society - PO Box 505 - Madison, NH 03849

SILVER LAKE ASSOCIATION OF MADISON

www.SilverLakeMadison.com.

2014 REPORT TO THE TOWN OF MADISON

The Silver Lake Association of Madison ("SLAM") was formed in 1983 by a group of farsighted citizens who recognized the importance of protecting the lake. Its stated goals were and are to:

- Promote and protect the general welfare of the lake and its environment;
- Monitor the quality of the water in Silver Lake;
- Conduct programs to support an active and informed membership; and to
- Encourage the support of the Town of Madison in accomplishing these objectives.

The Board of Directors and our 200 member families encourage broad community involvement. Membership in SLAM is open to all Madison residents. Please join us.

This year, SLAM celebrated its 32nd year of successful lake stewardship. During 2014, the State of New Hampshire altered its lake water quality rating system. The assessment continues to be based on water clarity, algae, and phosphorus. Silver Lake earned an "Excellent" rating overall and two of its three scores qualified for "Outstanding", the highest ranking available. In plain English, this means that Silver Lake is clean and clear and is a very desirable venue for all types of aquatic activities. Silver Lake continues to be one of the very few area lakes which is not infected with Milfoil or other invasive species.

SLAM continued its three major programs in 2014: water quality monitoring was conducted each week during the warmer months; our Lake Host program (funded, in part, by grants from the Town of Madison and NH Lakes) operated from Memorial Day to mid-October; and our Weed Watcher volunteers inspected shallow areas of the lake to check for any invasive species. This year, our Lake Hosts inspected and washed 1,350 boats before they were launched. Additionally, we continued our very successful Lake Ecology course and field trip for the Madison School's fifth grade.

SLAM is always seeking volunteers to help with our many initiatives. If you would like to help with water quality monitoring, boat inspection and washing or weed identification, please contact me or any of the other directors.

Our annual meeting will be held at the Madison Elementary School on Saturday, July 11, 2015 at 3 PM. Please plan to attend.

For the Board of Directors,

Hersh Sosnoff, President

Silver Lake Association of Madison

Madison Old Home Week 2014

The first week of August brought great weather and another Madison Old Home Week. As one of the last towns in the state to hold a full week of Old Home Week events, we continue to do our best to put on the traditional events, as well as add some new things to our schedule.

As has been the trend in the last few years, we are finding that attendance at many events is declining a bit each year, as well as the number of volunteers to help out. We, as a committee, are exploring ideas to get our community more involved and excited. We welcome any suggestions on our Facebook page.

We would like to offer our thanks to all of the town departments that help our week run smoothly. We won't name them here as we believe all departments lends their support in some way.

A few special Thank You's to:

- Joe Ferreira, Chris Wood, and Shelley Melanson at the Yankee Smokehouse who work very patiently with us in ordering 95% of the food for the week and storing it for us until we can get a volunteer to pick it up.
- Tyler Eldridge, who, on very short notice, was our designated Fire Department volunteer who sat for hours while the fireworks were set up.
- And Laura Sirois for designing our wildlife t-shirt.

Also thank you to our volunteers who just show up. They don't need to be asked, they are just there year after year!

The week comes with a lot of challenges and mini-crises, but it also comes with its rewards and we are thankful for all of those who come and buy a cheeseburger or put some change in the bucket for fireworks.

Our Committee has lost another member this year, as Kathy Jo Shackford has opted not to run for another term. She and husband Paul have put in countless hours and made all of our tasks a little bit more fun. As of the writing of this report, we are now a committee of three with two open seats. This will make Old Home Week 2015 quite challenging, but we will give it our best!

Sincerely,
Madison Old Home Week Committee
Candy Sue Jones
Cheryl Brooks
Tom Henderson
Kathy Jo Shackford

Madison Old Home Week 2014

Every year this week's events consume the lives of the many volunteers on the Old Home Week Committee and others who step in to assist in helping with the various days activities. The pride & joy can be seen in the faces of the community members while attending the many events. Thank you to all who make this such a fun packed week, your time & efforts are greatly approiated!

Veterans Advisory Committee 2014 Annual Report

This is our first Report of the Veterans Advisory Committee (VAC), which is the redesign of the Veterans Monument Committee (VMC). The VAC came into being in late 2013.

The original VMC was a larger committee of 12-14 Veterans that formed voluntarily, to study how to bring the Monument at the church up to date. The last entries were 1953 – the Korean War! The VMC reported its progress in 2008 ANNUAL REPORTS through 2013. In the fall the realigning to the Sub-committee (VAC) came into being. By late 2013 with all members who took the "oath," became the appointed members of the VAC. Thus the VAC became an appointed committee of the Town Government.

We have completed both Phase I and Phase II in 2014. Phase I was to find the names of potential Veteran listings to cover the period 1954 to the present. In this phase we had to plan how to "create" the Monument, remove (or not to remove), create the list, how to qualify, to raise money, design, and manage the future Monument(s). Our committee (all voluntary) were older Veterans. During the 2008-2013 period some of our Veterans died and younger Veterans took their places. We also got help from many professionals (and local people), local organizations, construction companies, and engineering plans (from the civil engineering students at UNH). During these years we raised money from personal donations, charitable organizations, canisters, presence at local gatherings, and appeal letters.

The major expense factors were the Monument bases for the Monument stones, the Wing stones, etching, and installation of these stones. We raised the money (as noted above) for much of this material and its specific installation costs. The largest potential cost was the construction of the Site, its redevelopment, clearing, and "finish" construction of the underfoundation of the proposed final Monuments. This was undertaken by three generations of a family, highly skilled in all aspects of the construction, by: individual contributions of Flag installation, a Watering system, and an Electrical installation of monument lighting. The Madison Garden Club contributed the Floral design and its installation, planting of a nursery tree. The overall effect of these contributions amounted to more than 70% of the cost of Phase I of our Monument. Closely following was Phase II which included the second Wing of our new monuments. Local businesses, American Legion, Veterans of Foreign Wars (VFW), Pequawket Foundation, Gibson-Woodbury Charitable Foundation, and the Old Home Week Committee all made financial contributions.

On May 26, 2014 we celebrated: Old Monument (at the church) moved to the new site at the Town Hall, onto a completed site foundation, the First Wing (with 79 names inscribed) installed, all landscaped, with a watering system, lighted, installed benches, and a stone walkway to the site.

The Veterans returned from the Memorial Day Parade to the site to see and hear the Kennett Marching Band give us the flag raising as our Tamworth Brett School Student Gracie Wallace sang our National Anthem. The "turnout" for our celebration included American Legion, VFW, and many of our residents.

On November 11, 2014 Veterans Day: The Second Wing was installed which completed the installations of the Veterans Monuments.

The competed site will be maintained: Its site, and detailed in its purpose, to honor our Veterans from the beginning of our Town – Revolutionary War to current circumstances.

Respectfully submitted.

Veterans Advisory Committee:

Michael Brooks, Edmund Foley, Henry Forrest, W. Franklin Jones, Paulette Lowry, John Sherwood.

Madison Solid Waste Advisory Committee

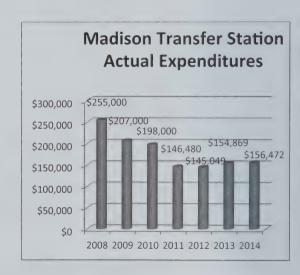

2014 Report

In 2014 the Solid Waste Advisory Committee (SWAC) continued to focus on cost reduction for the transfer station and opportunities for improvement. There was a complete turnover in personnel at the transfer station in 2014 as both Willie and Bob retired (we thank them for all their years of hard work). Jim Cairns and Chuck White came on board as new operators and we welcome them.

Financially, the transfer station came in just under budget by about \$6,439 or 4%. There were a number of counter-balancing events that for the most part, canceled out the good and the bad and allowed us to stay on the good side of the budget line.

On the negative side, there were unplanned expenses of about \$2,500 to do some concrete work at the transfer station and to clean up some illegal tire dumping in another part of town. There was an unexpected 30% increase the fixed hauling cost for paper and commingled (plastic & cans) recycled material. And, a 40% increase in the tipping fees for the commingled material. The selling price for paper was at its lowest point in years for all of 2014.

On the positive side, we reduced bulky & demo hauling charges by about 20% due to compaction with the backhoe. We reduced the Freon removal cost from appliances through selection of another vendor. Wages were under budget due to a delay in hiring. Overall volumes of trash & recycled material were down slightly reducing tipping fees and hauling costs.

To briefly highlight the activities of the committee in 2014:

- Glass SWAC reviewed options for the glass pit as it was nearing capacity. To gain more space and delay expenditure of tax dollars the Highway Dept. did some "rough crushing" of glass with equipment while piling the glass higher to make room for more glass. Additionally, the Highway Dept. is testing using crushed glass for foundation in projects such as parking areas. We hope to avoid the cost of commercial crushing as well as recycling our own glass for Madison town projects.
- Aluminum Cans –SWAC evaluated options for ABC's (Aluminum Beverage Cans) with different vendors and storage/transportation methods. A new process was negotiated with a local vendor for improved onsite storage, cheaper transportation and a higher rate per pound.
- Data Reporting We are collecting, reviewing and trying different ways of displaying the data to best
 analyze how the Transfer Station is performing and any changes to annual volumes of waste and
 recycled material to look for more cost effective methods of managing the operation.

- Training One Transfer Station Operator and one SWAC committee member attended the Northeast Resource Recovery Association Conference in Manchester where they were able to hear seminars on waste management and network with vendors and other municipal transfer station operators.
- Public Education –There was limited activity in this area. It was more focused on updating the transfer station brochure.
- Update Transfer Station Brochure-Updates are in progress and we hope to have it finished by early spring 2015.
- Coupons SWAC reviewed the process and costs involved in the coupons used for non-resident renters to use the transfer station and concluded that there was no need for a change at this time.
- Backhoe The transfer station began use of the old highway dept. backhoe for general maintenance around the transfer station in moving brush, compost, snow, maintaining the metal and brick/masonry piles and for compacting the recycling and demo roll-offs to reduce hauling charges. The highway department fabricated an attachment for the backhoe that can be used as a flat plate for compacting or rotated to use an edge for breaking up material in the demo roll-offs. We have seen a 20% improvement in compacting in the demo roll-offs with proportional reduction in haul charges. We hope to see this improve and begin to show up in the paper and commingled roll-offs as the process continues.
- Compost Using the backhoe the transfer station operators have been able to move and turn the yard
 waste material to make compost that is free to Madison taxpayers. All of the completed compost was
 consumed by the early fall. We plan to provide better announcements in the spring of 2015 when the
 new batch of compost is ready in time for spring planting and yard projects.
- Evaluate Single Stream Recycling SWAC looked at the concept of "single stream" recycling several years ago which basically only has one deposit location for recycling rather than separation of different types of material. We felt we should look at it again to see if anything had changed in the single stream business that would make it a better process for Madison. We found that it would not be as cost effective as what Madison is doing now and found no reason to pursue it further.
- New Committee Member There are currently four SWAC committee members and we'd really like to
 have one more. Please contact the Town Office, come to one of the meetings or contact one of the
 members if you would be interested in joining us.

We would like to thank the transfer station operators, town administrators, highway department and the Board of Selectmen for their support, assistance, hard work and advice throughout the year. Also, we would like to thank the town residents for their questions, suggestions and interest in helping the transfer station continue to improve its operation.

As always, we welcome input from the Town by attendance at our monthly meetings, usually the third Thursday of each month at 8:00AM in the Town Hall or by contact through the Town Office or Board of Selectmen or directly to any of the committee members.

Respectfully submitted,

Dave Downs - Chairman, Madison Solid Waste Advisory Committee

Ray O'Brien – Recording Secretary

Paul Littlefield - Member

John Arruda - Selectmen's Representative

The Village District of Eidelweiss 2014 Report

The Commissioners are pleased to report that the District stayed under budget on the General Government, Highway and Water System operating budgets. The Road Construction Capital Reserve Fund had a withdrawal of \$5,000 for gravel purchases. The water system capital reserve fund grew by \$16,000 by moving unspent dollars from the Water System Usage Account.

The new road grader was purchased and used to grade the roads. Gravel was added as needed to shape the roads during grading. The machine will be used to grade gravel roads annually. The new grader was also used in snow plow operations.

The new backhoe was purchased. Machine has been in use since the day it arrived!

Phase one of the Oak Ridge Road Reconstruction Project was done in 2013. The depth of the ditches as designed by the VDOE Engineers came into question and was reviewed with the Contractor and the Engineers. A change order was issued to reduce the depth of the final ditches. This was completed along Oak Ridge Road. The Engineers were contacted for approval of a proposed change to the Eidelweiss Drive portion of the project. The drainage was moved underground in this area that allowed the ditch to be closed, creating a more aesthetic view and removing a potential hazard for travelers. Phase 2 of the drainage project was sent back to the engineers and updated to take into account the engineering feedback from phase 1. These updated plans for Oak Ridge will be shared with the public in the upcoming months.

The 25 horsepower pump at the Jungfrau pump house seized in June and was replaced. A new control panel, which allows for a variable frequency drive, was installed. This new control allows the pump to ramp up and slow down without a hammering effect on the motor.

A new licensed water operator was contracted in 2014. Ian Hayes of Simply Water is now the licensed water operator for the District. Ian has many years experience in water operations and, having been an employee of former operator Iron Mountain Water, he is familiar with the VDOE system.

A plan for replacement of the booster pumps at the Oak pump house was developed in 2014. Replacement of these booster pumps will increase the system's ability to move water up Oak Ridge Road to the Chocorua pump house. This station has been functioning with only one booster pump, which is aging and was identified as a potential failure point within the water system.

Muddy Beach Well #2 was rehabbed in 2014 with a new well pump and piping.

Oh by the way....

New signs have been installed at the park & beach locations around Silver Lake. Thank you to Melissa Arias & Su Stacey for sign design, language & outline. Thank you to Mark Graffam for assisting with the online setup & coordinating the order. Thank you to Mike LaClair (seen left of sign) for building the frames & installing them with Rob Hatch, both from the Madison Highway Crew. (Photo taken at Foot of the Lake beach)

Great view of the 2 new lots between Kennett Park & the Silver Lake Landing; site of the old Chick Lumber Mill.

Winter 2014/2015

Color coordinating happens at Town Hall regularly & now even at 2014 Town Meeting!

Incorporated: 1852

Origin: This territory was one of the first land grants set aside for soldiers who had survived the Seven Years' War against France. The grants of about two thousand acres each were issued by Governor Benning Wentworth to six soldiers originally from Londonderry, Derryfield, Goffstown, or Weare. The land covered by these grants, parts of Eaton and Albany, was incorporated in 1852 in honor of James Madison, the fourth President of the United States, who was born 100 years earlier. Madison framed the Bill of Rights, served as Jefferson's Secretary of State, and was President during the War of 1812.

Villages and Place Names: East Madison, Silver Lake, Eidelweiss

Population, Year of the First Census Taken: 826 residents in 1860

Population Trends: Population change for Madison totaled 2,092 over 53 years, from 429 in 1960

1,0051 1,0051 1,998 1000 1000 5010 5013

to 2,521 in 2013. The largest decennial percent change was an 84 percent increase between 1970 and 1980,

followed by a 62 percent increase between 1980 and 1990. The 2013 Census estimate for Madison was 2,521 residents, which ranked 120th among New Hampshire's incorporated cities and towns.

Carroll County

Population Density and Land Area, 2013 (US Census Bureau): 65.1 persons per square mile of land area. Madison contains 38.7 square miles of land area and 2.2 square miles of inland water area.

2014 Town of Madison Report

on the

Mt. Washington Valley Economic Council

2014 was a year of some significant milestones for the MWV Economic Council. A partial list of those accomplishments include:

- Infrastructure Investment: The Council was able to secure financing to complete a substantial extension of the entrance roadway to the Tech Village. This expansion included long-term burial of all utilities.
- \$3/4 million of Real Estate: The road expansion now accesses 4 buildable lots of more than 2 acres each with a value approximating \$750,000.
- Over \$300,000 in loans: The Revolving Loan Fund is reviewing or has completed over \$300,000 in loans to expand or create local businesses.
- **Business Education:** The Boot Camp series in collaboration with Granite State College has reached nearly 2,000 local business persons.
- **Eggs and Issues went political:** This ongoing business education program was successful in organizing and staging 4 State and National candidate debates to the delight of packed audiences
- Financial stability: The Council continues to depend on business sponsors, membership, individual donations, interest income, rent payers and other State and Federal resources to fund its operations. The Council was able stay on plan in 2014 with a positive cash flow.

At present there is high interest in new business expansion in the Tech Village which would be a positive step toward economic development and diversity. It is a privilege to be part of this effort on behalf of the Town of Madison.

Ted M. Kramer, Vice President MWV Economic Council

Advisory Budget Committee Report

The Advisory Budget Committee ("the Committee") was created by Town Meeting in 1991. The Committee consists of five members elected from the general public and one member each appointed by the Selectmen and the School Board. The Committee is charged with responsibility to review the budgets, including the Capital Improvement Plans, of the Town and the School Board and to inform the decision making of the town's voters. The Committee is, additionally, required to review and comment upon all money related warrant articles and to attend Town and School Board budget hearings and to respond to inquiries from the public.

This year, the Committee also participated actively in evaluating Madison Fire Department's primary equipment needs and recommending an action plan.

During the last year, the Committee worked diligently to fulfill its mission. We thank the many members of town departments and boards who met with us during this process.

There is one vacant public member seat on the Advisory Budget Committee and we are actively seeking a member of the community who is willing to serve. Please contact me if you are interested in this important and interesting job.

Advisory Budget Committee Recommendations

The Committee voted to **RECOMMEND** (6-0) funding the Fire Truck Capital Reserve Fund with an additional \$50,000. The Committee believes that this will facilitate purchase of a new Attack Pumper without unduly impacting one single year's budget. Please see the next, related recommendation.

The Committee voted to **RECOMMEND** (6-0) authorizing the Selectmen to purchase a replacement for Engine 1 at a cost not in excess of \$363,999 and to issue bonds or notes in an amount not in excess of \$99,999 and to use the existing Fire Truck Capital Reserve Fund for such purpose. This adopts the recommendation of the Fire Truck Committee. The Budget Committee believes the Fire Truck Committee undertook a rigorous examination of the various alternatives available and that its recommendation will best serve the Town of Madison and its Fire Department, citizens and taxpayers.

The Committee voted to **RECOMMEND** (6-0) adoption of the 2015 Town of Madison Operating Budget in the amount of \$2,431,663. This is an increase of \$23,151 or less than 1% over the adopted budget of 2014. The Committee commends the Selectmen and operating department heads for delivering a budget increase less than the general rate of inflation.

The Committee voted to **RECOMMEND (6-0)** funding the continued reconstruction of East Madison Road in the amount of \$200,000. This funding should complete this project.

The Committee voted to **RECOMMEND (6-0)** funding the Assessing Expendable Trust Fund in the amount of \$30,000. This current funding will permit timely reassessment of the town's real properties without overly burdening one year.

The Committee voted to **RECOMMEND (6-0)** the four year lease/purchase of a 2015 SUV Police Cruiser in the total amount of \$28,006. The Committee believes this cruiser is essential for successful Police operations.

The Committee voted to **RECOMMEND** (6-0) the four year lease/purchase of a new 6 wheel highway truck in the total amount of \$138,500 of which \$38,616 will be paid in the first year. This truck will replace a truck which can no longer be maintained and the Committee believes the purchase is appropriate in this circumstance.

The Committee voted to **RECOMMEND (4-2)** funding the existing Land Acquisition Fund in the amount of \$5,000. The fund presently contains \$25,000; several Committee members believe that this funding should be delayed until a specific property is identified.

The Committee voted to **RECOMMEND (6-0)** funding the existing PEG TV Expendable Trust fund in the amount of \$3,281.

The Committee voted <u>NOT TO RECOMMEND (0-6)</u> funding the Carroll County Transit Blue Loon Public Bus Service in the amount of \$3,000. Many Committee members spoke against this proposal. Principally, the points articulated are:

- Over the last 3 or 4 years, this organization has cancelled routes or services immediately
 after receiving public support thus violating the public's trust;
- A large proportion of the rides provided (64%) were for a purpose not supported by the committee; and
- This program is generating a substantial net economic gain for its sponsoring organization and does not need further public support.

The Committee voted to **RECOMMEND (6-0)** funding for the following organizations in the following amounts.

•	Tri-County Community Action Fuel Assistance Program	\$5,000
	Madison Meals on Wheels – Gibson Center for Seniors	\$3,500
•	Ossipee Children's Fund for Madison Children	\$4,500
	Children Unlimited Early Support & Services Program	\$3,000

Northern Human Services Mental Health Center \$2,149
 Starting Point (advocacy against domestic violence) \$1,613

The Committee voted <u>NOT TO RECOMMEND (0-6)</u> funding of the Madison Preschool. The Committee observed that this is not a public school but, rather, a private enterprise. The Committee further observed that the Madison Preschool had lost approximately \$300 for the year on revenues of approximately \$30,000 and that effective management could generate a profit.

Conclusion

The Advisory Budget Committee diligently reviewed all of the town's spending and proposed spending and thoroughly deliberated the pros and cons of each item before reaching these recommendations. It is our hope that Madison's voters will diligently review our report and vote prudently at Town Meeting.

Chairman Hersh Sosnoff, Vice-Chair Bill Lord, members Ron Force & Cheryl Littlefield, Selectmen Representative John Arruda, and School Board Representative Ray O'Brien.

Town of Madison 2015 WARRANT

To the inhabitants of the Town of Madison in the County of Carroll in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the James Noyes Hall at the Madison Elementary School in Madison on Tuesday, March 10, 2015 at eight o'clock in the forenoon, polls to be open from 8:00 AM to 7:00 PM to act upon Articles 1, 2 and 3 with the meeting to reconvene at nine o'clock in the forenoon of Saturday, March 14, 2015 in the James Noves Hall at the Madison Elementary School in Madison to act upon the remaining Articles:

Article 1. To choose all necessary officers for the ensuing year.

districts

Article 2. To see how the Town will vote by official ballot on the proposed amendments, as recommended by the Planning Board, to the Town Zoning Ordinance as follows:

- 1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance: Add Article XI - Accessory Dwelling Unit - to allow Accessory Dwelling Units in specified
- 2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance:

Amend Article V. Section 5.9 and 5.9A - Structures and buildings on culs-de-sac shall have a minimum setback of fifty (50) feet from the right of way boundary.

Article 3. By Petition. Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Town of Madison on the second Tuesday of March? Petition signed by Mark Graffam, et al.

Article 4. To see if the Town will vote to appoint the Board of Selectmen as agents to expend from the Capital Reserve Fund for fire apparatus previously established in 1996 and amended in 2011.

Recommended by the Selectmen

3-0

Article 5. To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) to be added to the Fire Apparatus Capital Reserve Fund established in 1996 and amended in 2011.

Recommended by the Selectmen 3-0
Recommended by the Advisory Budget Committee 6-0

Article 6. To see if the municipality will vote to raise and appropriate the sum of three hundred sixty-three thousand nine hundred ninety-nine dollars (\$363,999) (gross budget) for purpose of purchasing a replacement fire truck for Engine 1, and to authorize the issuance of not more than \$99,999 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$264,000 from the Fire Truck Capital Reserve Fund created for this purpose; to be used as a down payment. No payment will be due on the bond until 2016. (2/3 ballot vote required)

Recommended by the Selectmen 3-0
Recommended by the Advisory Budget Committee 6-0

<u>Article 7.</u> To see if the Town will vote to raise and appropriate the sum of two million four hundred thirty-one thousand six hundred sixty-three dollars (\$2,431,663) for general Town operations with discussion and amendments to be considered line by line.

radio in the truck. This lease/purchase agreement contains an escape clause and a buyout option for one dollar (\$1) at the end of the four years.

Recommended by the Selectmen 3-0
Recommended by the Advisory Budget Committee 6-0

Article 12. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the previously established Capital Reserve Fund for land acquisition and conservation purposes.

Recommended by the Selectmen 2-1
Recommended by the Advisory Budget Committee 4-2

Article 13. To see if the Town will vote to raise and appropriate up to the sum of three thousand two hundred eighty-one dollars (\$3281) to be placed in PEG TV Expendable Trust Fund this sum to come from the unassigned fund balance which represents unused franchise fees.

Recommended by the Selectmen 3-0
Recommended by the Advisory Budget Committee 6-0

Article 14. To see if the Town will vote to remove the designation of Highway to Summer Cottages pursuant to RSA 231:81, II(b) from the intersection of Lead Mine Road and Black Brook Road and continuing westerly to East Shore Drive. The Board of Selectmen support this article to promote safety and to connect the two sides of the Town.

Recommended by the Selectmen 3-0

Article 15. To see if the Town will vote to remove the designation of Highway to Summer Cottages pursuant to RSA 231:81, II(b) from the intersection of Lead Mine Road and Black Brook Road and continuing westerly to the Cook Pond Turnaround. The Board of Selectmen support this article to promote safety and emergency access.

Recommended by the Selectmen 3-0

Article 16. To see if the Town will vote to grant an easement to the Rockhouse Mountain Property Owners Association to construct, install, maintain and place a water line and related appurtenances beneath the Class VI section of Modoc Hill Road and to authorize the Board of Selectmen to negotiate the terms and conditions of the easement and to take any other action necessary to carry out this vote.

Recommended by the Selectmen 3-0

Article 17. To see if the Town will vote to discontinue the Backhoe Expendable Trust Fund created in 2013. Said funds with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund.

Recommended by the Selectmen 3-0

Article 18. To see if the Town will vote to discontinue the Road Construction Capital Reserve Fund created in 1994. Said funds with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund.

Recommended by the Selectmen 3-0

Article 19. To see if the Town will vote to establish an Advisory Energy Committee consisting at a minimum of the following residents: One Selectman, one Planning Board Member, one Advisory Budget Committee Member, one School Board Member, and three voters from the community who shall be appointed by the Moderator. Said committee will be charged with evaluating energy consumption, reviewing alternatives and cost benefits, and recommending short and long term energy savings opportunities for all municipal buildings. The committee will create a report for the 2016 Madison Town Meeting. Said committee will conduct open meetings, keep minutes and recommendations available at Town Hall and for posting on the website, and comply fully with RSA 91-A.

Recommended by the Selectmen 3-0
