REPORT OF TRUSTEES OF LITCHFIELD PUBLIC LIBRARY

The Trustees of the Litchfield Public Library submit the 39th Annual Report:

At the Annual Meeting held in April 1931 Mrs. Corabel B. Griffin was re-elected president and treasurer, Mr. J. Albert Reid, vice-president and Mrs. Alverta B. Barlow, secretary. Miss Florence C. Center was elected librarian and Claude J. Hopwood, janitor.

During the year the four regular meetings of the trustees were held at which time the routine business was transacted.

On April 1, 1932 the card system will go into effect. This will make it much easier to find wanted books and will, we hope, increase the number of books taken from the library.

We regret the removal from town of our janitor, Claude J. Hopwood, but we feel that we have been fortunate in securing the services of Ralph J. Lynch to carry on Mr. Hopwood's work.

The terms of Alverta B. Barlow and Rebecca G. Blodgett expire in March 1932.

Respectfully submitted,

ALVERTA B. BARLOW,

Secretary.

REPORT OF SCHOOL BOARD

We feel that our school work is progressing in a most satisfactory manner under the careful and painstaking efforts of our teachers Mrs. Rebecca Blodgett and Miss Muriel Hutchinson who are co-operating most earnestly with our efficient Supt. Mr. Fred W. Hall.

With comparatively little sickness among the pupils a good attendance has been maintained.

The hot lunches served to the children under the capable supervision of Mrs. Gladys Locke have been much appreciated.

Some new equipment has been added to the playground through the efforts of the teachers.

As the Manchester and Nashua Electric Railway has been discontinued, the mode of transportation for the children has been changed to the Boston & Maine Transportation Co. The change has proved advantageous.

We most cordially thank all who have contributed to the year's success and especially the G. F. C. Club and Naumkeag Grange who so generously contributed in furnishing the Teachers' Room.

MARY BELL CENTER,
HERBERT C. LEACH,
WALTER A. CROWELL,

School Board of Litchfield.

REPORT OF SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire.
February 16, 1932.

*To the Members of the School Board and Citizens of the
Town of Litchfield,*

Greetings:

The following was the enrollment in your schools on
January 4, 1932:

<i>Grade</i>	1	2	3	4	5	6	7	8	<i>Totals</i>
Primary	3	3	6	0					12
Upper Grades					6	4	9	2	21
Total									33

The enrollment in the Litchfield school has been very small this year and from present indications it will be about the same for next year.

With this small enrollment it is possible for each teacher to give more individual attention and accomplish better results with each child.

A set of Compton's Encyclopedias has been purchased for the school this year with the money appropriated for that purpose last March.

Litchfield is to be congratulated upon the excellent hot lunches which are provided for the pupils during the winter months, and which I believe is a great benefit to the physical development of your children.

I wish again to thank the citizens of Litchfield for their splendid co-operation with the teachers and other school officials. It is only through this close co-operation that the best results can be obtained.

Respectfully submitted,
FRED W. HALL,
Superintendent.
