A Corrigendum on

Opportunities and Challenges of Bacterial Glycosylation for the Development of Novel Antibacterial Strategies

by Yakovlieva, L., Fülleborn, J. A., and Walvoort, M. T. C. (2021). *Front. Microbiol.* 12:745702. doi: 10.3389/fmicb.2021.745702

Error in Figure/Table

In the original article, there was a mistake in **Figure 5** as published. **There was a mistake in the structure of CMP-KDN molecule, where at the anomeric position an OH group was drawn instead of COOH**. The corrected **Figure 5** appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
