Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-25265-4>, published online 26 August 2021.

The original HTML version of this Article contained errors in the author affiliations, which were correct in the PDF version. Specifically, affiliations after number 14 in the PDF version were displaying incorrectly in the online version of the paper. This has been updated so that all affiliations are accurate in the HTML version of the Article.
