CORRECTION

Randomized Trial of a Lifestyle Program in Obese Infertile Women (N Engl J Med 2016;374:1942-53). In the first paragraph of the Lifestyle Intervention subsection of Results (page 1947), the third sentence should have ended, "19 women (10.5%) in the control group lost 5% or more of their original body weight over the first 6 months," rather than "none of the women in the control group" The article is correct at NEJM.org.
