THE UNIVERSITY MARSHALS are the highest-ranking men and women of the junior class who have earned a minimum of 45 hours at Olivet and will graduate in 2022. Together with the 2021-2022 Associated Student Council president, the marshals lead the processions and carry the flags for Baccalaureate Service and each Commencement Convocation. Kelly Brown, Ed.D., serves as faculty marshal and chairs the Marshaling Committee.

The junior marshals are: Lexie McCleary of Bourbonnais, Illinois, and the 2021-2022 Associated Student Council president, Natalie Cook of Flint, Michigan.

CONGREGATIONAL SINGING

Guide Me, O Thou Great Jehovah, arr. B. Knight

Marvin Jones, Ed.D., Conductor
Associate Professor of Music

Guide me, O Thou great Jehovah,
Pilgrim through this barren land.
I am weak, but Thou art mighty;
Hold me with Thy pow'rful hand.
Bread of Heaven, Bread of Heaven,
Feed me 'til I want no more.
Feed me 'til I want no more.

When I tread the verge of Jordan,
Bid my anxious fears subside.
Bear me through the swelling current;
Land me safe on Canaan's side.
Songs of praises, songs of praises
I will ever give to Thee.
I will ever give to Thee.

Open now the crystal fountain,
Whence the healing stream doth flow;
Let the fire and cloudy pillar
Lead me all my journey through.
Strong Deliverer, strong Deliverer,
Be Thou still my strength and shield.
Be Thou still my strength and shield.

Jehovah, my Provider.
Jehovah, God my Healer.
Jehovah, Sword and Shield,
More than enough, more than enough!
Jehovah, my Strong Tower.
Jehovah, God my Savior.
Jehovah, Prince of Peace.
More than enough, more than enough for me!
More than enough for me!
More than enough, more than enough for me!

Jehovah, my Provider.
Jehovah, God my Healer.
Jehovah, Sword and Shield,
More than enough, more than enough!
Jehovah, my Strong Tower.
Jehovah, God my Savior.
Jehovah, Prince of Peace.
More than enough, more than enough for me!

ACADEMIC HONORS

Undergraduate students with a cumulative grade point average of 3.50 or higher are eligible for graduation with honors. To qualify for honors, graduates must complete the last 60 hours in residence at Olivet or, in the case of Continuing Studies program graduates, have completed all required courses within their major at Olivet.

Gold cords signifying academic honors are partially underwritten by Phi Delta Lambda, the International Nazarene Honor Society.

Cum Laude (with honors) requires a grade point average of 3.50.

Magna Cum Laude (with high honors) requires a grade point average of 3.70.

Summa Cum Laude (with highest honors) requires a grade point average of 3.90.

Graduation with **Departmental Honors** is granted to seniors who complete a specially approved project of high quality in the major field of study. To qualify for Departmental Honors, a student must have a 3.5 grade point average in the major and must pass a comprehensive examination in the major field, with special emphasis on the honors project.

The **Honors Program** at Olivet Nazarene University serves to encourage and nurture academically talented students in the excellence of scholarship and integration of Christian faith. It aims to prepare students for servant leadership in the Church and the world. Students in the program complete four interdisciplinary core courses designed to consider the whole of liberal arts and foster faith integration. In the junior and senior years, they also complete an independent, faculty-mentored research project that demonstrates originality. They present their research to the public during Scholar Week and submit it to Digital Commons upon completion.

The **Dissertation of Distinction** is awarded to graduates whose dissertation exemplifies doctoral level research and writing. Eligibility is determined through a juried evaluation of scholarly literature review, research methodology, professional writing, and compliance with program requirements.

ACADEMIC ORIGINS, TRADITIONS, AND REGALIA

The philosopher Plato established a school of philosophy in ancient Athens called the “Academy,” named after a legendary Greek hero, Hecademus. The Academy continued in operation for several hundred years, and thus the terms “academy,” “academe” and “academic life” have long been associated with teaching and learning. The origin of the modern university can be traced to the 12th century and to the two outstanding seats of learning in Europe: Bologna and Paris. At Bologna, the jurist Irnerius introduced the “corpus juris civilis,” or study of law, to Europe; and in Paris, a group of masters, with the blessing of the Church, occupied themselves with the liberal arts and theology. The first English-speaking school was Oxford in England, founded a millennium ago.

Degree Names: During the 13th century, a “scholar” attended lectures, a “bachelor” was capable of teaching, and a “master” — later termed “doctor” — was the highest designation and carried with it the obligation to lead the academic disciplines. Hence, modern students receive bachelor’s, master’s and doctoral degrees. The two-year associate degree emerged more recently.

Robes: Since the early Middle Ages, academic robes were worn for warmth in damp and drafty medieval buildings. They were black to reflect egalitarian values in learning, that no discipline was more important than another. Learned clergy adopted these robes for the pulpit as well, a pattern remaining today among many mainline congregations. Distinctions are made, however, by their cut. Bachelor robes have long, pointed sleeves; master’s gowns feature closed-slit sleeves; and doctor’s gowns have double-belled sleeves with three velvet chevrons that are either black or colored like the lapels to represent their academic discipline.

Colors: The following colors are associated with degrees frequently represented in academic processions:

- Arts, Letters, Humanities – White
- Dentistry – Lilac
- Education – Light Blue
- Fine Arts – Brown
- Law – Purple
- Medicine – Green
- Nursing – Apricot
- Philosophy – Dark Blue
- Science – Golden Yellow
- Theology – Scarlet
- Commerce, Business, Accountancy – Drab
- Economics – Copper
- Engineering – Orange
- Family and Consumer Sciences – Maroon
- Library Science – Lemon
- Music – Pink
- Speech – Silver Gray
- Physical Education – Sage Green
- Social Science – Cream

Hood: The hood, which drapes over the back of the gown, is the most symbolic part of the academic regalia. Its length, width, color of trim and color or colors of lining denote the wearer’s highest academic achievement. The master’s hood is pointed; the doctor’s hood is long and bell-shaped. The color of the border of the hood indicates the scholar’s major field of study; the lining color or colors identify the institution that conferred the wearer’s degree. Hoods were originally trimmed in fur, but now have satin borders for master’s and velvet for doctor’s.

Cap: The square cap, or mortarboard, dates back to the 13th century at the University of Paris. It came to England in Tudor times, was more rounded, and sometimes called the “Oxford” cap. Those who possess a doctoral degree may wear an eight-sided tam, providing the institution granting the degree is more than 100 years old. Tassels are worn to the left side of the cap and are usually black or, in recent years, match the border of the hood to indicate the field of study. Doctoral tassels are shorter than bachelor’s or master’s and are often gold metallic threads.

Chords, Pins: Some students wear long, thin, gold chords around their neck to symbolize academic honors by the host institution, while national academic disciplinary organizations occasionally provide small pins for students who meet broader standards of achievement. Artifacts are generally not worn to symbolize participation with a campus or disciplinary group, but achievement.

Mace: The chief academic officer leads the procession of faculty and students with the University Mace, a wooden scepter embossed in bronze with the university seal and topped by a flame. It symbolizes protection over academic virtue and scholarly conduct. In medieval times, mace bearers defended kings and generals from attack, but by the 14th century the mace was used for symbolic guardianship over civic dignitaries. The University of St. Andrews in Scotland was first among universities to adopt a mace in the 15th century. The United States Congress adopted one in 1814.

Medallion and Seal: University presidents often wear a medallion as a symbol of the office and their authority. ONU’s current Presidential Medallion was inaugurated in 2007, the Centennial Year. Made of bronze, the item most prominently features the University Seal with symbols: a dove in flight with olive branch (the Holy Spirit), a lit lamp (learning) and an open Bible (Scripture) with the cross (the Messiah). Along each chain link are bronze tabs bearing the name and years of service for preceding presidents of the institution.

Dear Dr. Bowling,

When the Board of Trustees elected you thirty years ago by a one-vote margin at the end of a very late night, who but the Lord could have known just how right they got it?

Spirits were high on campus and around the region at the news of your election, but no one could have predicted the breathtaking development of the physical campus, the growth in student enrollment both on campus and online (none of us had ever been “online” at that point), or the national prominence that would be reached by Olivet’s academic programs and athletic teams.

As a student, professor, pastor of College Church, and president, you have spent over three-quarters of your adult life at Olivet. Over that time, your name has become synonymous with Olivet, and you have given Olivet a very good name.

Over all these years, your conduct has been above reproach. Your demeanor has been Christlike. Your character has exceeded even your reputation. Your everyday interactions with students, staff, faculty, parents, pastors, alumni, donors, and neighbors alike consistently left people better than you found them. With each passing year and every new challenge, your character and competence earned you the credibility to lead the Olivet community to heights never before reached.

You and Jill have not just led Olivet. You have loved Olivet, and every Olivetian feels it.

On behalf of the Board of Trustees and the Olivet community, THANK YOU!

And we love you too.

Thanks be to God,

Dr. Scott Sherwood, Chairman
ONU Board of Trustees
