## BASEBALL, MAY POLE DANCES AND MUSICAL COMEDY ATTRACT MANY VISITORS TO URSINUS

### Varsity Begins Events by Trimming Lebanon Valley

The strong Lebanon Valley team, which defeated the University of Pennsylvania and many other strong teams was favored with a big surprise on Saturday afternoon when Ursinus shut it out 4-0.

The game was fast thruout, both sides making very few errors and many spectacular plays. The Varsity was able to hit the ball at the proper time and thus to score runs.

Witmer, the port sider for the visitors, pitched a fine game, striking out eleven of the twenty-four men who faced him.

Howells, who twirled for Ursinus, pitched a wonderful game. In several innings when the bases were full he retired the deciding batter.

Isenberg in left field pulled them down from the sky like a big leaguer. Moser and Isenberg are two star fielders.

The whole team "didn't play so 'very shaggy."

Last Wednesday the Varsity lost to Lehigh, 8-0 by showing bad form.

The fielding and wild throwing on the part of certain members of the team helped greatly toward the defeat. The other reason for the victory was an unaccountable amount of luck or skill on the part of the Lehigh infielders. They picked off balls that should have been hits. There were two features of the game. Moser pulling off a circus catch, thus saving a three-bagger. With one hand he pulled the pill out of the sky. Later "Tippy" Moyer in right field insisted on crawling over the fence after the home run a Lehigh man placed there. It was with difficulty that he was induced to come back into the game.

### Miss Keely Crowned Queen of May Amid Many Dances. "Miss Cherryblossom"

#### Charms All

At 6.30 Saturday with the May Dances on the east campus began the program of the evening. The audience composed of a large number of students and visitors, seated in a kind of a natural amphitheater on the east campus saw the long festal procession wind its way across the green to the thrones previously placed there. In the lead were Queen and Lord of May with their attendants followed by a long train of attendants clad in variously colored garments whose color mingled in pleasing contrast. Almost every girl in College was in the line of retainers and took part in the ceremonies and dances which followed.

A quartette opened the dances with song, an invitation for all to come a'Maying. The Queen, Miss Nora Keely was then with appropriate ceremony crowned and given her insignia of rank by the Lord of May, Miss Hook. Following the coronation various groups of dancers performed in honor of the newly crowned Queen. Folk dances mingled with old time polkas and gavottes composed the program which was concluded by the ever-popular May pole dance. The passing of the Queen and her train ended this deservedly popular feature of May Day.

The dances were well executed and with enthusiasm so that it is difficult to distinguish dancers more prominent than others. However Miss Closson in a solo dance and Misses Knauer and Slamp and Misses Sutcliffe and J. Xander brought forth much deserved applause by reason of the grace and skill of their dancing.

Following this at 8.15 came the most notable event of May Day when "Miss Cherryblossom" was given before a large audience in an enclosed space on the east campus. An outdoor stage had been provided and the setting of greens and Japanese decorations added most strongly to the impressions made by the actors. The title role was admirably taken by Miss Bernice Wagner while David Tyson as Jack played opposite her. Tippin as Togo showed us "the ways that are dark" of Japanese politics while Leeming's interpretation of Kokemo gave us an idea of Japanese humor. Miss Heindel as Jessica and Miles Miller as Harry helped to keep the interest fixed on the story while Weller as Worthington and Snyder as his secretary helped to unravel the plot at a critical stage. The solos of the main characters were very well given and the singing and acting of the American chorus and of the chorus of

## BROTHERHOOD OF ST. PAUL BANQUET

### Dr. Good is Host; Dean Kline and President Omwake Give Addresses

Approximately forty fellows, all members of the Brotherhood of St. Paul, assembled on last Monday evening in the College Dining Hall, about a long festal table, very tastefully decorated with spring blossoms. The host was the long time friend and patron of the organization, Dr. James I. Good.

When all had partaken of the delicious foods, Mr. Myers, who presided, introduced Dr. Good. There has "never been a time so auspicious for men to go into the ministry as to-day. There is, moreover, a great need for men in the present emergency. We are about at the position where we've got the money but where are the men." He closed with congratulations for the College upon the number who have decided for Christian work.

Dean Kline spoke of the wonderful opportunities now existing thruout the world, due to the prevailing world unrest, for men to preach the Gospel.

President Omwake's talk was along the same lines of thought. We live in a rare epoch, at a time when the world is ripe for the influence of Christianity. The future holds much in store for those who will impart to others knowledge of those things which make for the enlightenment of mankind. The speeches were very inspiring.

At a business meeting, previous to the banquet the following officers were elected for the ensuing year: President, E. W. Lentz, '21; secretary, Arthur Leeming, '23.

### GREEN LANE CONFERENCE.

Ursinus had fourteen students as representatives at the Green Lane Student Volunteer Conference held May 8 and 9. A delegation of this size speaks well for the religious life of the College.

The spirit of the conference was one of deep consecration as the following condensation of presented thoughts shows.

Christ's last words on earth commanded his disciples, his friends: "Go ye into all the world and preach the Gospel to every creature." There is no one who would not carry out the last wish of a loved one. Can we do less for Christ who loves us more than human understanding can conceive? Christ has shown us the way of life. The history of the Western civilization has proved this fact. Can we not take that way "into all the world to every creature" and make the world a decent place for living? What else were we fighting for during the World War? If we really love Him can we do less than carry out His last command? He has a claim upon our lives. He has a place, a big place for every one of us.

## Editorial Comment

The combined May Day dance and musical comedy which made Saturday a fete day at Ursinus is an innovation which should henceforth be given a permanent place on the Ursinus calendar. That it was a success no one who saw it doubts for an instant. Too much cannot be said of the hard and prolonged work of participants, business managers, and coaches which made it a success.

May Days, Spring Pageants, and Home Coming Days, as they are variously called, are becoming features of college life everywhere. They are securing such popularity not only because of their worth, but because they are legitimate means for the advertising of a college. This May Day is a commendable advance toward securing the greater amount of legitimate advertising Ursinus should have. The summer conferences help much in making Ursinus well known. The weekly speaking trips to high schools made this year by the college administration are another aid. The abbreviated tour of the girls' glee club helped in an abbreviated way to let the public know of Ursinus. Other means of legitimate advertising have been used but many means have been neglected.

The Ursinus Summer Session in spite of a qualified faculty and the wonderful natural surroundings of the College has only a few dozen students. It is not advertised. A nearby college at a large salary secures a noted educator for one season. His salary makes a financial loss for one year but his name makes a reputation for that college for many years.

College glee clubs by making extensive

tours carry with them the good name of the college. School "pep" must overcome the petty bickerings which destroyed the male glee Club. The girls' glee club could well arrange a more extensive tour. More athletics would create more publicity. Yet the track team after much practice finally accomplished nothing. With some repair on the tennis courts by students led by an active tennis club we could have had more than the two scheduled tennis matches. We were not allowed to repeat plays at cities ten miles away and show what is done at Ursinus. Other colleges realizing the value of publicity send their dramatic clubs to give entertainments even in other states. The various worth-while activities at Ursinus should be given all possible publicity. The county clubs organized here could do much in this respect for Ursinus by seeing that their county papers were given information for interesting news items.

We believe in Ursinus. We are proud of Ursinus. Let's "tell the world" about Ursinus.

## SCHAFF LITERARY SOCIETY

After due consideration we must conclude that the miscellaneous program in Schaff on Friday night was better than the average. From beginning to end it was exceedingly interesting.

The processional by Miss Williams at the piano was a fine introduction to a program named "Things Seen Around Ursinus." The "Ursinus Catalog," compiled and presented by Miss Allen, was very novel and savored of an Utopia. We were delighted to have read to us some "Extracts from the Dean's Dairy" and are indebted for this pleasure to Miss Lavelle. "The Modern Book Bill," a story by Miss Boyd showed originality. Fretz, in the absence of the College Choir took its place and rendered a fine solo. "Scene (seen) in the Library," a short sketch by Kehl, Saunders and Miss Lavelle was quite clever. "Co-operation in Athletics" was a subject very ably handled by Mr. Light. A "Three Minute Survey of Ursinus" featuring Misses High and Moyer, kept the interest of the society for just three minutes. Schaff Gazette, read by Schlegel, had a timely editorial on "Spring."

A number of Schaff alumni and friends were present. Mr. Purd Deitz, '18, favored us with a fine talk on "Loyalty" and then ended up with some remarks on Seminary life.

## Meeting of the I. N. A.

On Friday evening, May 7, the regular spring meeting of the Intercollegiate Newspaper Association was held at Rutgers College. The evening was spent in a very profitable interchange of ideas by the representatives present. "The Weekly" is a charter member of the I. N. A. and was represented by the Editor. Twelve of the sixteen member colleges had representatives present. On Saturday a joint meeting with the Eastern College Newspaper Association was held at Columbia University. The Convention closed with an instructive trip thru the plant of "The New York World."

## ZWINGLIAN LITERARY SOCIETY

Friday was Freshman night and Zwing's Frosh surely did shine. It was one of the year's best programs. The program was opened by a musical number with Miss Muschlitz at the piano. The other players in the "orchestra" were: Mr. Howells, cornetist; Mr. Neuroth, flutist, and Mr. Moyer, violinist. Mr. Ehلمان came forth as a short story writer in his original tale "Camp Fun." Zwing never gave better attention to a performer, than to Mr. Howells when he sang "The Trumpeter." His encore was the popular "Philosophy"—"maybe it was funny but 'twas true." Miss Kirkpatrick and Miss Latshaw showed much originality in their clever dialog which brought laughter from all. A dramatic recitation "The Dagger Scene" from "Macbeth," tho difficult, was well acted by Mr. Snyder. The Carpenter Man," a child rhyme by Riley, was recited by Miss Groff in her usual pleasant manner. Miss Hughes and Miss Muschlitz showed much talent in their piano and mandolin duet. The Review with its editorial on "Freshman Activities" and clever jokes was edited by Mr. Baden.

Zwing was especially delighted to hear in solo from R. E. Wilhelm, '18.

It is however not by the excellence of the program that Zwing best remembers Freshman night but by the contribution given the society in five new members—Miss Lawrence, Mr. Stauffer, Mr. Leeming, Mr. Updike, and Mr. Beatty.

## Y. M. C. A.

If we, dwellers in an almost ideal land, under conditions nearly equal to those of an Utopia, should imagine ourselves in foreign lands, among a people of whom 93 per cent. are illiterate and worshippers of many and various vain gods, and amid the sufferings that are found in these disease breeding places, well could we see the need for the methods of modern civilization, for education, and most of all, for Christ. In these lands fear, superstition, hate, ignorance and disease prevail and call for the combating influence of Christianity, which alone is equal to the task. It was along these lines that R. H. Klingaman, reporting on the Green Lane Conference spoke at the meeting of the the Y. M. C. A. on Thursday evening.

From the same conference came Paul Moore, who told of our responsibilities to the rest of the world. Shall we stay at home, amid pleasures and riches and leading lives which are for the benefit of none other than ourselves; or shall we carry out the command of Christ and make it possible for all people to know the truth and the way of life? The greatest pleasure, and one not at all worldly, is that derived from the work of the Saviour.

Then Shellenberger remarked briefly on the Muhlenberg Y. M. C. A. Conference. He called on several to give testimony concerning the conference at Northfield, Mass. for the past several years. May the coming conference at Silver Bay, N. Y., surpass all previous records and may it be a subject for sincere consideration. We hope to have a representation of at least twelve fellows at the conference in July.

Owing to rush of news and lack of space the Library News will be deferred until our next issue.

**Classical Group Picnic.**

The 11.27 Limited South on Wednesday carried with it as far as Valley Forge the happy Classical Group equipped with abundant eats and except for the "bachelors," with partners. Dr. Kline and Dr. Good, as invited guests, shared the pleasures of the "eats" and merriment with the Group. The day was spent in rambling over the hill's and thru the valleys of the Park. Finally supper time arrived followed a little later by the 7:24 which carried the Group to Norristown whence the trolley in its usual speedy way deposited them at Collegeville—the end of a happy day.

### Pupils Give Vocal-Piano Recital

Last Monday afternoon the pupils of Miss Waldron and Prof. Jolls rose to the occasion and rendered the first of this season's series of music recitals. Every lover of music who was present would agree that the following program was as pleasing as it was beneficial: "Venetian Boat Song," Mendelssohn, Miss Clapham; "The Secret," Scott, Mr. Fretz; "Romanza," Andrews, Miss Huttel; "Little Black boy," Turner, Miss Closson; "Hungarian Dance" No. 5, Brahms, Miss Boeshore; "Finland Love Song," Hawley, Mr. Sheeder; "The Lark," Tschaiowski, Miss Yost; "Deep in the Heart of You," Wells, Miss Davis; "To a Water Lily" and "In Autumn," MacDowell, Miss Stevens; "Long Ago," Speaks, Mr. Deitz and "The Call of a Friend," Spross, Miss Gingrich.

At the close of the recital Prof. Jolls, after extending a cordial invitation to attend the coming recitals, spoke in a few words of the aid such programs give to students in training.

### Math Group Picnic.

Calculus, geometry and trig were forgotten completely and the cranial spaces thereby left vacant filled to the brim with theories and processes involved in having a good time when last Tuesday the Math Group and their invited guests accompanied by Dr. and Mrs. Tower motored to a picturesque spot above Douglassville. The party (with the exception of one lonely Ford which became "tired" so often and needed frequent aid) arrived at Erb's bungalow early in the afternoon—and from then until the sad departure the woods and hills rang with the merry laughter of the picnickers. Canoeing, hiking, dancing and eating were the main features of the outing. The place, the people, and the manner in which the picnic was conducted all served to make the affair a great success.

### May Dances Bring Big Crowd

(Continued from page one)

Geisha girls made the whole affair almost the perfection and precision of professional rather than amateur work.

Mr. Mertz, Prof. Jolls and Miss MacCann deserve much credit for the success of the day, each having a share with the oversight of the business end, of the music and of the dancing. They were assisted by Mr. Arkless of the Shubert Theater who directed the orchestra, the Deitz brothers who assisted in the make-ups, Stock '22, who designed the setting, and in the words of Mr. Jolls by almost the whole college.

The following alumni were seen on the campus over the week end: Frank Hobson, '03, Mrs. Dorothy Latshaw Buckwalter, '11, Mrs. Ann Willever Will, '18, Misses Clara Deck, '12, Grace Saylor, '12 Florence Brooks, '12, Ada Fisher, '13, Effie Brant, '18, Bessie Rosen, '18, Marion Grater, '19, Jessamine Macdonald, '19, Messrs.
