## SWARTHMORE 6 URSINUS 3

### Booting Contest Ends with Swarthmore Three Points to the Good.

Whittier Field was the scene of a hard fought game between the evenly matched teams of Swarthmore and Ursinus last Saturday. The rain-soaked field made fast running very difficult. The defensive work of both teams was good, especially when near their goal lines. For Ursinus, Mitterling kicked a goal from placement on the twenty-yard line, while for Swarthmore, MacKissick sent over two drop kicks from the twenty-yard line, these being the only points scored.

Captain Seaman won the toss and elected to receive the kick-off. After the exchange of several punts, in which Ursinus had the advantage, the ball was gradually worked down to Swarthmore's three-yard line, chiefly on line plays by Kennedy, Kiehline and Gingrich. A penalty put the ball on the eight-yard line as the quarter ended.

After several unsuccessful attempts to carry the ball across, Mitterling dropped back and kicked a goal from placement on the twenty-yard line.

Swarthmore kicked off and aided slightly by the wind in the exchange of punts, carried the ball to mid-field. A penalty and several short forward passes placed the ball on Ursinus' two-yard line. Ursinus then broke through and threw the next two plays for substantial losses. MacKissick then sent over a drop kick from the twenty-yard line. The half ended with Swarthmore in possession of the ball in mid-field.

Ursinus kicked off at the beginning of the second half, and the ball went but a short distance. In the early part of the third period, Swarthmore opened up with a series of brilliant end runs and occasional short passes, placing the ball on Ursinus' two-yard line on first down. On the next play Swarthmore fumbled the ball and it was recovered by Kennedy who ran the length of the field for a touchdown, eluding MacKissick, the last of the Swarthmore players, twenty yards from the goal line. The referee arbitrarily disallowed the touchdown and also gave the ball to Swarthmore on (Continued on page four.)

### Instructors' Recital Was Good.

The instructors in the music department gave a recital on Wednesday evening in Bomberger Hall. Miss Esther Davenport, our teacher of piano and theory of music opened with the brilliant "Valse Impromptu, A La Tirolienne" by Raff. As an encore the popular "Tarantelle" by Heller was played.

Mr. Jolls, our instructor in voice and choral singing then rendered three songs from different modern composers.

Several selections from MacDowell's "Woodland Sketches" comprised the next number. These varied in character from the subdued tone of "A deserted Farm" to the barbaric melody of "From an Indian Lodge." The encore played was taken from the same suite.

Mr. Jolls followed with three selections from Chadwick. The first one of these, "Allah," seemed especially to be appreciated.

Rheinhold's "Impromptu" was the next number. For an encore the well known "Impromptu" from Schubert was given.

Mr. Jolls then sang from Haydn's oratorio, "The Creation."

The second part of the program was opened by Mr. Jolls who rendered three short songs. The last, a lively waltz-song, was in effective contrast with the first two.

Miss Davenport followed with a Mendelssohn Caprice, brilliantly executed.

The next number was a group of three songs, varied in character. This was followed by a polonaise from Chopin.

The last number of the program was rendered by Mr. Jolls who sang selections from Handel's oratorio, "Judas Maccabees."

### Disagreement Over Erection of Class Memorial.

The class of 1911 decided, last spring, to erect a sundial on the college campus as a class memorial. The work has been halted, however, by the Executive Committee of the Board of Directors, on the grounds that the marble shaft on which the dial is to be placed will appear from the street too much like a grave marker, and for the additional reason that the Board does not wish to have anything placed on the front campus. The Board also objects to having a bronze tablet with the names of the members of the class who contributed toward the memorial placed on the side of the shaft.

Just what disposition will be made of the problem is not known as the class has the matter under consideration at this time. It is felt that both sides are at fault—the Board for allowing the project to progress to the present stage without interfering; and the class, for not making formal application for permission to erect the memorial.

It is sincerely hoped that an amicable settlement will be effected, for the proposed memorial would really be a worthy addition to the campus.

### Prospects for Glee Club Good.

The first call for men for the male glee club was issued last Monday. About thirty men reported and the prospects for a good club, this year, are very bright. Prof. Jolls, who will direct the club will have about half of the men who composed the club last year, and the quartette will be intact.

Manager Robinson is busy arranging an itinerary and some good trips are in prospect.

If there are any men in the school who were not out on Monday who wish to try for the club they should report to Robinson at once.

The following students witnessed the Ursinus-Swarthmore foot ball game on Saturday at Swarthmore: Boyer, Bechtel, Borden, Hess, Glendenning, Krusen, Grater, McCarthy, Misses Hanson, Hyde, Faulkner, McKnight and Miss Davenport, preceptress at the college.

soul, and be inspired by renewed ideals.

We may be busy every waking moment of our lives and spend much time in recreation. Indolence is the suspension of activities when these activities should be continued.

We hear so much of the proper expenditure of talents and money. Will God bring us to account for the expenditure of time? How shall we find reasons to explain chronic indolence?

At a short business meeting following the discussion, the association adopted the new constitution.

**Decision Meeting in Y. W. C. A.**

Miss Snyder gave a very interesting talk at the Decision Meeting on Tuesday evening, giving a number of reasons why membership in the Y. W. C. A. is of the greatest benefit to all college girls.

In the first place, she said, Y. W. C. A. is the only place where the girls can come together and help each other in a religious sense. Individual communion with God is supremely necessary; but the additional value of worship in fellowship with others is also unquestionable.

The Y. W. C. A. has a broadening and enlightening effect, awakening in one a realization of her kinship with all other girls, the

world over. Furthermore, active work in the Y. W. C. A. develops the most important side of one's nature, and affords excellent training for work in after life.

Of course, a girl can come to our meetings and receive most of these benefits without being a member; but we would like as many as possible to join and have the better feeling of belonging.

The Association welcomed into membership Misses Kohler, Hibbs, Paul, Hyde and Hunsicker, of the 1916 class, and Misses Sandt, Reifsnnyder and Shauer, of the 1917 class.

**Dr Johnson on Wednesday Evening.**

Prof. Ralph L. Johnson of Girard College will lecture on "Eugenics" in Bomberger Hall on Tuesday evening October 28th at seven o'clock.

The lecture, to be illustrated with forty slides, is given under the auspices of the Christian associations, and every student is invited to attend.

Prof. Johnson is a son of Ursinus, class of '97, and every man and woman in college should come to hear his lecture which has been given in many parts of this country.

This is an opportunity to hear a subject which is of importance to us as college students, discussed in a sane manner.

**"FASHION CLOTHES"**

Are made expressly for YOUNG MEN who stick close to the game and make good. The styles we display were all especially designed in strict accord with the London and New York modes. They cannot "pass." Wear them in any great city in the land—you'll not be criticised. They are tried and true. They'll remain true not only this season but next. They'll hold their shape until the ragman gets them—and then some.

Make up your mind to run up to Pottstown next time you're in need of clothes. We pay your care-fare both ways.

Ursinus' three-yard line. On the next two plays, the Garet was thrown for losses by the heroic defense of Coach Price's men. MacKissick then dropped back to the twenty-yard line and sent a drop kick over the goal posts.

Mitterling recovered a forward pass and a few plays later tried for a goal from placement on the forty-five yard line, but the ball fell too short. With ten seconds to play, Swarthmore made three plays, the last being a forward pass for thirty-five yards, the only long pass of the game. The third quarter ended with Swarthmore having the ball on Ursinus' eighteen-yard line.

In the fourth quarter, they advanced the ball to Ursinus' four yard line where Kichline recovered a fumble. In this quarter Bedenk received two successful forward passes from Light. The ball remained near mid-field till the end of the game.

Bedenk punted very well and played an excellent defensive game. Kennedy played a star game in every respect. For Swarthmore MacKissick did the best work.

The team and the Ursinus rooters were shown every courtesy by the Swarthmore students, thus testifying to the excellent spirit which exists between the two institutions. The line-up:

**Hill Wallops the Scrubs.**

The Ursinus Scrubs lost their second game of the season to Hill School Reserves on Monday, October 20, in a slow and uninteresting game by the score of 18-0.

Our team was weak in two departments, the work of the ends and in punting. These two defects caused all the scoring done by Hill.

The redeeming feature of the game was the freaking up of forward passes by Ursinus and the desperate defense offered when Hill threatened our goal. Owing to poor punting the ball was always in Ursinus territory, but Hill was compelled to go the whole four downs to gain the last touchdowns. The first one was made after a twentyfive yard run.

Several co-eds saw the game from the grandstand and helped cheer the boys along. This spirit is very commendable and deserves credit.
