## THE PRIZE DEBATE PLEASES AUDIENCE

The Question of Exempting U. S. Coastwise Ships from Canal Tolls Aably Debated.

In spite of the inclement weather, a fair-sized crowd turned out on Friday evening to hear the annual Schaff prize debate. The program was well prepared and interesting throughout.

The opening plano solo by Mr. Smith, '16, was followed by the invocation by the Rev. Wm. S. Clapp.

Next in order were the direct speeches of the debate. The question, "Resolved, That the coastwise traffic of the United States should be exempt from Panama Canal tolls, was upheld on the affirmative side by Messrs. Reinhold, '13, Ensminger, '14, and Beltz, '15 who brought out the following points:

1. We are not denied the right of exemption.
2. Domestic commerce should be free.
3. Exemption will build up our ship industry and double the efficiency of our navy.
4. The canal will be self-supporting even with such exemptions.
5. Free tolls will mean free competition and increased commerce.
6. Exemption is a concession to the American people.

For the negative side, Messrs. Small, '14, Cassel, '13, and Light, '16 brought out these points:

1. Exemption is contrary to our treaty obligations and will lay us open to retaliation at the hands of other nations.
2. It would be unjust to the people at large.
3. It would mean unjust discrimination against our own ships.
4. The canal could not be self-supporting.
5. Moral considerations forbid exemption.

The debaters all exhibited considerable spirit and a thorough knowledge of the question; though the debates of Messrs. Small, Beltz and Light were especially clear and forceful.

A girls' quartet, by Misses Detwiler, '14, Seiz, '16, Moser, '13 and Klein '14, was well rendered, and the girls responded to an encore.

The rebuttals, which followed, were not as good as the direct speeches, with the exception of Mr. Ensminger's and Mr. Small's.

While the judges retired, Misses Bartman, '13, and Boorem, '15, rendered a very pretty piano duet, and Mr. Lauer, '13, favored the audience with a clarinet solo.

In behalf of the Judges, Mr. A. G. Bomberger, of Philadelphia; Prof. R. E. Larany, of Phoenixville, and Rev. H. E. Bodder, of Norristown, Mr. Bomberger announced that they had decided in favor of the negative

## URSIINUS AGAIN VICTORIOUS.

Boyer and Nork Get Home Runs in Big Victory Over Lehigh.

Ursinus won her fourth straight game against the strong Lehigh team on their home grounds, on Wednesday last. Lehigh had expected to win easily but were completely outplayed, as the score—8 to 1—shows.

We are pleased to see such rapid improvement in the hitting department of the game. If the present rate of batting is kept up we should continue to win many more games.

Ursinus scored in the first inning. With Gay out Kennedy walked and advanced to second on Wright's error. Mitterling hit through third and Kennedy scored. Nork reached first on a fielder's choice by McCarty, who tagged out Mitterling going to second. Stugart walked. Nork took third on a wild pitch. Nork and Stugart scored on Boyer's hit through third. Boyer took second on a passed ball and scored on Mathieu's hit through short. Adams struck out and retired the side.

Neither team scored again until the third inning. With two out Weller walked Bell, who advanced to third on McCarty's hit to center, and scored on Wright's hit through third. Weller struck out the next batter.

There were no more scores until Ursinus came to bat in the seventh. Ursinus was beginning to fathom Shellenberger's curves and he was helped by Pazzetti. Pazzetti walked Mitterling. Nork made a home run, scoring Mitterling. Stugart flied out to Bell. Boyer hit out a home run. Mathieu was hit by a pitched ball and took third on Adams' hit to left field. Adams was thrown out at second and Mathieu scored. Weller flied out to McCarty.

Special mention should be made of the fielding of Mitterling and Nork. Had they not been able to stop some hard drives, Lehigh would have run up a larger score.

Boyer and Nork deserve credit for making home runs. Kennedy would also have had a home run had he not been called out by the umpire for cutting second. The box score:

## TRACK MEN GETTING INTO SHAPE FOR PENN RELAYS.

Ursinus will be represented in the University of Pennsylvania Relay Races again this year as she usually has been in the past. The races will take place on Saturday, April 26, on Franklin Field. We will take part in the mile relay, and probably in the hundred yard dash.

Our runners have been out for some weeks, getting into condition, and at present it looks as though the team will be composed of Paisley, '13, Kell, '14, Rumbough, '14, and Reigel '15, with Ensminger, '14, as sub.

## ANOTHER SUCCESSFUL CONCERT

Glee Club Sings to Appreciative Audience in Philadelphia.

Another successful concert by the glee club and quartettes of the college was given in Philadelphia, on last Tuesday evening. The concert was given under the auspices of the junior choir of Bethany Temple. Fifty-fourth and Spruce streets, where Professor Jolls has charge of the music.

The clubs arrived at Philadelphia about 6:00 p. m. and, before the concert, were given a dinner by the young ladies of Bethany. The concert was well rendered and elicited repeated applause from the audience. Mr. Deininger's readings, and the instrumental numbers by Erickson and Lauer were especially well received. The work of the quartettes and of the glee club was also good and practically every number was enclosed.

## WEDDING BELLS AGAIN.

The culmination of a college romance begun more than a year ago, occurred Saturday, April 5, when Mr. Carl Erickson, a Sophomore at Ursinus, and Miss Grace Saylor, of the class of 1912, were married in Philadelphia.

Miss Saylor is the only daughter of Mr. and Mrs. Horace Saylor, of Collegeville. Since her graduation she has been teaching music in the Glassboro, N. J. High School. She is an accomplished musician and a vocalist of more than ordinary ability. Mr. Erickson, also, is a skilled musician and usually spends his summer vacation playing with some orchestra.

Mr. Erickson will probably continue his studies at Ursinus while Mrs. Erickson will continue teaching for the present at least.

## ANNOUNCE ARTISTS FOR MUSIC FESTIVAL

Noted Soloists Will be Heard at Annual Spring Festival of Choral Society.

The fifth annual spring festival of the Handel Choral Society will be held in Bomberger Hall on Wednesday afternoon and evening, April 23.

While the festival will last only one day instead of two as in former years, it is, nevertheless, believed that this year's program will be the best that has been given here.

The choral society, consisting of about seventy-five voices, has been rehearsing for several months, and it is the general opinion of the members that the music is better known this year than it has been in any previous year.

On Wednesday afternoon the first part of the program will be rendered by the soloists. In the second part Massenet's Narcissus will be sung by the choral society, assisted by the soloists. At the evening concert Gounod's Redemption will be rendered by the choral society and the soloists.

In a previous issue of the Weekly mention was made of the fact that Miss Florence Hinkle, one of the best oratorio singers in the country to-day, will be here for both concerts. The contralto will be Mrs. Thomas Foster Why, of New York. For the past several years Mrs. Why has been the leading soloist in the American church at Paris. Mr. Why, who will be remembered by many for his good work at our first festival five years ago, will be the bass. Since his first appearance here Mr. Why has been studying abroad. Both Mr. and Mrs. Why are now in the United States on a vacation. The tenor will be Mr. William Wheeler, also of New York. Mr. Wheeler is one of the rising tenors of New York City and while not as well known as some of the others who will be here, he has, nevertheless, won considerable distinction as a soloist in choral work. Last year he sang at the Worcester, Mass., Spring Festival—one of the best festivals in the country. Mr. Harry Sykes, formerly connected with the School of Music at Ursinus will be the accompanist.

Tickets for these concerts will be placed on sale on Friday, April 18. Reservation of seats may be made either by letter or telephone at the office of the secretary of the college.

## TO PLAY DELAYED GAME

The varsity baseball game with the Broxina Club, of Pottstown, which was to have been played on Saturday, was called off because of the rain. Manager Kantner announces that this game will be played Wednesday, April 16, at 3 p. m.

## EDITORIAL

The older colleges of the country prize few things more than the preservation of their traditions. In many schools these traditions have secured so firm a hold upon the student body that they are perpetuated without regard for their fitness to present conditions. In general, the younger schools are more lax in the observance of these matters.

There are, however, certain fundamental traditions which rightly should be observed in all colleges. We refer particularly to the duties of Freshmen in relation to athletics.

A custom older than any of our students directs that the Freshmen shall assist in keeping the athletic field in condition for baseball and football games, and that they shall care for the baggage of the Varsity and of visiting athletic teams.

The care of the athletic field is assigned to the Freshman class for two reasons. Generally they are the largest class in college and have the most men available for such purposes. Twenty-five or thirty sturdy young men co-operating with the managers can quickly dispose of all the work with no hardship to themselves. In the second place, the Freshmen are engaged in less activities outside of their studies and can more easily spare the time than can the members of the other classes.

Every new class contains some who render these services unwillingly. By absenting themselves when they are needed they evade duties which rightfully belong to them and allow the work to be done by those who have a finer sense of honor. It is getting to be entirely too common a spectacle to see a procession of Juniors and Seniors carrying the luggage of our visiting teams while some of the Freshmen lounge in their rooms. This may appear to be a matter of no great importance, but if we wish to be truly courteous we will pay this mark of respect to those who are our rivals.

Not all of the Freshmen are to be

censured. Possibly half of the class have responded nobly; but the failure of the others has placed unnecessary burdens upon their loyal classmates and the members of the other classes.

It may be well to remember that the abolition of hazing is conditioned only on the lack of a need of it. If it again becomes necessary, the opinions of one man or of a group of men will not be sufficient for its prevention.

You owe it to the institution and to the reputation of your class to respond to a man when called by the athletic managers.

M. A. H. '14.

## CHRISTIAN ASSOCIATIONS.

### Y. W. C. A.

The regular meeting of the Y. W. C. A. on Tuesday evening, was devoted to a song service, led by Miss Talmage, who read as the Scripture lesson I Corinthians, 13:1-13.

At a business meeting which followed the service, Miss Earnest, as chairman of the Social Committee, reported that the sum of \$32.52 was realized from the recent fete.

The Y. W. C. A. wishes to thank all who so kindly contributed to the success of the fete, especially the young men who helped to decorate the North Wing Hall.

### Y. M. C. A.

Wiedorn spoke on the topic "The Ministry vs. Other Professions" at the Y. M. C. A. meeting on Wednesday evening. He said in part:

There are two distinct spheres in which a professional man lives; the one is in the world of high ideals, the other in the world of social service. The minister should live in the first, the physician in the second. Originally the lawyer belonged to this second class, but he has drifted away from it. The mechanic falls in the sphere of economics. His rise in his own world is due to a desire to receive higher wages, rather than to benefit his fellow men.

Young men should not look for ward to the ministry or to medicine as a money making profession. The minister or doctor is missing his calling if he does not go out and work among the poor and help to better their condition.

Narrowness retards progress, therefore young men should be broad in their views. However they must not forget that they are to be examples for those whom they desire to lead, and their conduct now should be such that it will be no reproach to them in later life.

The minister must be a capable man, for he is to be a leader of his flock. He must preach not only future happiness, but happiness here on earth, and he must help his fellows to experience it.

Dr. Dresser and Kell also spoke briefly on the topic.

At a short business meeting of the organization Ivan N. Boyer, '14, was elected president to succeed John K. Wetzel, '13.

day evening, in Bomberger Hall, under the auspices of the Classical Group.

The lecture was interesting and instructive throughout, and was much enjoyed by an appreciative audience. Rev. Howe, has spent several years traveling about in different parts of Russia, and is well qualified to speak intelligently of the habits and customs of these people, having made a close study of them.

Before entering upon his lecture proper, he briefly outlined the historical and geographical setting of Russia, vividly describing the conflicts which were waged between the Christianized Russians and the Mohammedans, during the thirteenth century. This conflict hindered the advancement of the country for three generations. He also discussed the present civil and religious life of Russia.

His portrayal of the present government with its adequate police protection was well defined. He said their Chief of Police ranks next to the Czar himself in importance, and the police department is probably the best organization of that kind in the world to-day.

At the conclusion of the lecture, a reception was given by the Classical Group in honor of Rev. Howe.

### URSINUS' TENNIS TEAM.

Team Was Chosen During the Past Week.

Ursinus is represented on the grid-iron and on the diamond and in addition will, this year, meet other schools on the tennis courts. This being the first year that Ursinus is represented in this branch of sports, too much cannot be expected of the team, especially when we consider some of the schools which will be met.

During the past week the preliminary try-outs were held. Of the sixteen men who came out for the team the following four have qualified: Elicker, '13, Wetzel, '13, Diemer, '16, Worrell, '14.

It is known that there are several other men of tennis ability that have not come out and therefore men now on the team will have to work hard to hold their positions the entire season.

The first match will be played on Thursday at 2:30 p. m. with the Cushman Club, of Spring City, on the Ursinus courts. The team expects a hard contest since it is the first experience they will have against an outside team. The doubles will probably be played by Wetzel, '13, and Elicker, '14; the singles by Worrell, '14, Wetzel, '13, Elicker, '14, and probably by Deimer, '16.

### SCHAFF PRIZE DEBATE.

and awarded the prizes as follows: First prize, ten dollars in gold, to Mr. Small; second prize, five dollars in gold to Mr. Light; third prize, two and one-half dollars in gold, to Mr. Cassel.

The decision of the judges seemed to accord with the general sentiment of the audience, though both sides did very well and all the men are to be congratulated on their bearing and delivery.

The Reserve baseball team met on last Friday afternoon and elected Herman Mathieu, '13, captain of this year's team.

Minch, '15, preached at Graterford on Sunday evening.

Kerschner, '16, left Thursday, to spend the remainder of the week with his parents at Mahanoy City.

## Marlin Big Game REPEATING RIFLES

The Special Smokeless Steel barrel, rifled deep on the Ballard system, creates perfect combustion, develops highest velocity and hurls the bullet with utmost accuracy and mightiest killing impact.

The mechanism is direct-acting, strong, simple and perfectly adjusted. It never clogs. The protecting wall of solid steel between your head and cartridge keeps rain, sleet, snow and all foreign matter from getting into the action. The side ejection throws shells away from line of sight and allows instant repeat shots always. New .33-caliber now ready.

Built in perfect proportion throughout, in many high power calibres, it is a quick handling, powerful, accurate gun for all big game.

Every hunter should know all the Marlin characteristics. The Marlin Firearms Co. Send for our free catalog. Enclose 3 stamps for postage. 42 Willow Street, New Haven, Conn.

If you shoot a rifle, pistol or shotgun, you should have a copy of the Ideal Hand Book—160 pages of useful information for shooters. It tells all about powders, bullets, primers and reloading tools for all standard rifle, pistol and shotgun ammunition; how to measure powders accurately; shows you how to cut your ammunition expense in half and do more and better shooting. This book is free to any shooter who will send three stamps postage to The Marlin Firearms Co., 42 Willow St., New Haven, Conn.
