ATHLETIC DANCE.

The first of the two dances held by the Athletic Committee as a means of securing funds toward the Robert Thompson Memorial Field Cage, was held Saturday evening at Glenwood Hall.

The dance was one of the most delightful affairs of its kind ever held in Collegeville, and besides being a social success was a financial success as well. About forty couples attended the dance, most of whom were from the college and town, but there were also a number from Norristown and Pottstown. The evening was delightful, there being just sufficient wind to keep the temperature down.

The music was furnished by a four-piece orchestra consisting of Erickson, Ancona, and two musicians from Norristown, while the dancers were refreshed by fruit punch, the author of which is to be complimented. No less than four numbers of the program were of the "leap-year" variety and seemed to be quite popular. The dance lasted from 8 to 12 o'clock and was chaperoned by Mr. and Mrs. Frank W. Gristock. The evening was particularly enjoyable, owing to the fact that the dance occurred as a climax to the victory over Swarthmore the same day. The next dance takes place on the evening of the Seton Hall game, May 23.

Historical-Political Group

On Tuesday evening, the Historical-Political Group held its regular monthly meeting. A revised constitution was adopted and other business was acted upon. The election of officers for the coming year took place and resulted as follows: President, Lamont, '13; vice-president, Paisley, '13; Secretary, Fisher, '14; treasurer, Boyer, '14.

CONCERT AT POTTSTOWN

Glee Club Entertains and is Entertained.

The Glee Club hurrying from the Norristown Pageant on Friday afternoon, rendered a concert in the Auditorium in Pottstown in the evening. The men appeared to be still in the spirit of the carnival and gave their selections to an audience of about 200 people who seemed pleased with the program.

The concert was given under the auspices of the Girls' Friendly Society of Christ Protestant Episcopal Church for the benefit of the organ fund. The Auditorium was tastefully decorated with pennants and flowers, and after the concert the floor was cleared of the chairs and an impromptu dance was held. Dainty refreshments were also an important feature of the evening's pleasure.

Bransome and Paisley in their "Talking Pictures," made a hit and deserve mention. The selections by the quartette were also well received. "The concert on the whole," as quoted from the Pottstown Daily News, "was far above the average glee club entertainment of the smaller colleges." The members of the Glee Club returned the same night, and all spoke highly of the hospitality of the Pottstown people.

Field Cage Fund Increasing.

Although the campaign for increasing the Field Cage Fund is less than a week old, a number of responses have already been received by Coach John B. Price, who is in charge of the movement, and all indications point to a promising fulfillment of the plans. The fund amounts to almost eight hundred dollars, the greater part of this representing subscriptions by the students themselves and the remainder being the subscriptions of near-by friends and alumni. The subscription list may be summarized as follows:

Students, - - - -	\$512.00
Charmidean Club, - - - -	70.00

URSINUS TRIMS SWARTHMORE

Ursinus Defeats Swarthmore in Fast and Sensational Game, 5-4

On last Saturday our baseball team demonstrated its ability to play high grade baseball by defeating the strong Swarthmore team, 5-4.

It was the first opportunity this year for the home fans to see our boys in action against a really strong team and the result has fully restored any lagging interest that may have been caused by unfavorable weather conditions prior to Saturday's game. The game throughout was replete with close decisions and sensational plays and not until the winning run came over in the ninth could the home rooters feel confident of victory.

Not as large a crowd witnessed the contest as might have been expected for one of the most important home games on the schedule, but this was doubtless due to the centennial at Norristown and the fact that many of the students had gone home for the week end. Ursinus was represented on the firing line by Bush in the box with Mitterling at the receiving end.

The Tarble brothers formed the battery for the visitors. Bush was in splendid form and pitched the most masterful game of the season thus far. He held the visitors to six hits and would probably have scored a shut out had not the team made some unfortunate errors at critical stages of the game. Tarble also pitched well for the visitors but during the last four innings was hit freely.

During the first four innings it looked as though the visitors had slightly the better of the argument but in the fifth our team pulled together and for the remainder of the game clearly outplayed them. During the last five innings the bases were filled several times but the clever work of Tarble prevented any of them from scoring. For Ursinus Bush and Mitterling featured, the latter having three hits to his credit all of which were instrumental in scoring runs. For Swarthmore Tarble, Baker and Thomas played best. Swarthmore started the scoring in the second when as the result of a man being hit by a pitched ball and a couple errors they scored two runs. In the fifth Ursinus connected for

three safe hits and scored three runs. In the seventh, by a clever double steal, in which R. Kichline stole second and Mitterling beat the throw to the plate, we added another making the score 4-2. In the eighth Baker drove out a pretty double and this, together with two errors netted the visitors two runs, tying the score. In the ninth Swarthmore was retired easily. For Ursinus West led off with a single, was advanced to second on Shellenberger's sacrifice, and scored on a double by Mitterling. The full score follows:

Chemical-Biological Group

The Chemical-Biological Group had their regular monthly meeting on Wednesday evening. A paper on "Intelligence in Animals" was read by Detwiler, '13, after which a discussion took place. Officers for the ensuing year were then elected as follows: President, H. Mathieu, '13; vice-president, Peters, '14; Secretary, Wiedorn, '14; treasurer, Riegel, '15. H. Mathieu and Wiedorn were elected as representatives to the Student Senate.

EDITORIAL

The Business Manager again calls attention to the fact that a number of subscribers are arrears in their payment of the Weekly. The present business administration of the Weekly closes with the end of the collegiate year and all bills due should be paid in as short time as possible so that the books may be balanced.

The Constitution of the Student Senate provides for the election of Senators at the annual meetings of the individual groups which shall be held not less than three and not more than five weeks prior to Commencement. Notice of this meeting must also be given one week previous. It is therefore necessary that those groups which have not yet taken action do so at once in order to secure representation in the Senate. Action should also be taken on the amendments submitted to the groups for ratification.

The first year of Student Government has been a success both for the Faculty and for the student. The faculty was relieved of a very trying and distasteful duty and were moreover hopeful that things would tend toward better order. In this they were not disappointed. The student body itself handled whatever trouble arose and the moral effect of being its own judge caused fewer cases to arise. Those cases which were brought to the attention of the Student Senate were investigated in an open and frank manner and sentences were imposed having in consideration both the offender and the offended.

The attitude of some of the students which in the first part of the year was antagonistic and doubtful whether the Student Senate would ever become an active factor in the student life has changed and now, we believe, the student body places full confidence in their Senate. The influence of the Senate has accordingly been strengthened and credit must be given it for proposing and taking the first step toward having a regular Field Day. Similar movements for the betterment of conditions could well be initiated in the Senate or through some representative to the Senate. In this manner, it could act with better effect in cases where the entire student body without binding organization would be unwieldy.

Dr. Dresser Addressed Y. W. C. A. and Y. M. C. A.

On Wednesday evening Dr. Dresser, of the Department of Philosophy, addressed a joint meeting of the Christian Associations of the college on the subject, "The Power of Christ." The address was undoubtedly one of the best ever listened to by the associations. It follows in part: "Most of us are apt to think of Christ as an old character and afar off. Let us imagine we see him as the people of Palestine did, face to face. For Christ is present to-day in just as vital a sense as he was then and giving life just as truly. He has promised that where two or three are assembled together in His name, He will be in their midst and he is faithful to that promise.

But though this is true for all time, men have lost their hold upon His power in different periods of our era and emphasized the form of worship rather than the spirit. What is it to feel the power of Christ? In the first place we must have a consistent idea of the power. We must have ideals and strive to lead consistent lives. This spirit or power is what gives us fullness and consistency. Our attitude fortells our conduct and conduct to a large degree is the test of life.

"We feel His power in another way. 'And I, if I be lifted up, will draw all men to me.' This explains the drawing power of Christ in our consciousness, first fragmentary but then complete, and finally a standard and goal. We admire a man of strong Christian character. Such a standard has creative power. The highest ideal is that which draws us on to this consciousness and draws from us the best that is in us. This is the Christian ideal not afar off but near each day for if the Gospel is true it is just as true to-day as when Christ himself spoke the life-giving

ELECTRICITY FOR LIGHT INEXPENSIVE

Good light lends cheer and comfort to every home and one should not hesitate to return to the use of kerosene lamps.

As an example of what it costs we give you the average costs of lighting during the shortest days of the year. You require artificial light in the kitchen on such days on an average of four hours, and with the 25 watt Mazda lamp, you would consume 100 watts; in the dining-room you would consume 100 watts; in the library or sitting-room the average is 200 watts; in the bath-room you would consume 25 watts; with three sleeping rooms, and using the 25 watt Mazda lamp, and an average lighting of three hours, you would consume 75 watts; a total of 625 watts.

Our rate is 4 cents per 1000 watts, with a minimum rate of \$1.50 per month, for which we allow 15000 watts. You may not require light as many hours as we have figured, and you may not use it in as many rooms as above described, but if you use it as illustrated it will cost but a fraction over 8 cents per night, and on the days when the sun rises late and sets early.

Let us help you to turn winter nights into summer.

words.

"We are members one of another." We see the evidence of this power to-day. The wonder of our finite lives is that we, imperfect and incomplete, make up a social whole. The strife in consciousness is to really and vitally become members one of another.

Thus by being true and sincere and by living up to the best that is in us, Christ's power works through us to complete the Divine Plan.

AMONG OTHER COLLEGES.

The Junior Class of Lafayette College recently passed a resolution against the system of treating which is in vogue throughout the country. This is a step in the right direction and this custom has already been abolished in several prominent American institutions, among which are Cornell, Michigan and Princeton.

Dr. John Grier Hibben, who was recently elected President of Princeton, is evidently well thought of by the student body. In their "Faculty Song," which is sung by the Seniors every spring, he is called the "whitest man in all the fac."

the direction of Prof. Jolls, rendered the "Golden Legend" in the Schwenksville Reformed Church.

The Artist's Concert given in the afternoon was of a high order. Miss Florence Hinkle, who is well known to the students and friends of the college, sang most charmingly. She also sang in the role of "Elsie" in the rendition of "The Golden Legend" in the evening and was applauded again and again.

Other features of the evening program were the duets by Miss Hinkle and Mr. Douty, and the solos by Mrs. Carbutt.

The chorus work, on a whole, was considerably better than that sung at the college on Thursday evening. The attacks were precise and the harmony pleasing throughout.

S. D. Davis, '10, who is employed in Philadelphia, was a recent visitor at college.

FIELD DAY SPORTS

The first regular field day sports held at Ursinus College for some time will occur Tuesday afternoon beginning at 2.30 o'clock. The Faculty has given the students a half holiday for the event and it should attract a good crowd. About forty entries have been received in the fifteen events. Most interest will probably be shown in the 100 yard dash and the quarter mile run. In the latter, Kerschner, Paisley, Wiedorn, and Bogert will compete and fast time will probably be made. Kell will try for a record in the mile. The shot put should be a "hummer" with Thompson, Gay, Yoh, Douthett, Minick, Isenberg, Cassel, Small, Kichline, Seaman and Sisserson entering.

The sports will start at 2.30. There will be an interval of ten minutes between the start of each event. The events will occur in the following order: 100 yard dash, mile run, broad-jump, hurdles, shot put, running the bases, high jump, half mile, potato race, baseball throw, quarter-mile run, tug of war, relay race, fungo hitting, and cross country. The officials will be members of the faculty and students.

Norristown Pageant

Ursinus was represented in the Historical Pageant of Centennial Week as a body of Revolutionary and French soldiers. This was due to the good offices of Dr. Theodore Heysham, chairman of the Norristown Committee and the co-operation of the local committee. A special car was chartered to convey a large number of the students.

The students in two sections, one as Revolutionary soldiers and the other representing their French allies made a good appearance along the entire line and were greeted with applause. The parade dispersed about 4.45 p. m. but most of the students remained to take part in the Mardi Gras carnival the same evening.

The College Quartette composed of Detwiler, Behney, Kerschner and Robinson will take part in the program of the Garrick Theatre, Norristown, next Friday evening.

Perkiomen 7, Reserves 1.

The Reserve team was defeated by Perkiomen Seminary at Pennsburg, on Thursday, by a score of 7 to 1. Perkiomen won their game by timely hitting, aided by the faulty fielding of the Reserve team. Myers, for Perkiomen, pitched a good game, retiring ten men on strikes and allowing but three hits. H. Mathieu, although hit rather freely, pitched a steady game. Kichline secured two of the Reserves' three hits, one being a home-run drive in left field. Ursinus twice had the bases full, but was unable to score. The score:

Typewriters Given Away

The Emerson Typewriter Company of Woodstock, Ill., have recently given away over 400 of the highest grade, wholly visible Emerson Typewriters made in the world. They have gone into every state and territory in the United States. There may be some in your town. They are giving them away everywhere to men, women, boys and girls, over 18 years of age, on surprisingly liberal conditions.

If you could make any use of a \$100.00 typewriter, providing it did not cost you even one cent, then in a letter or on a postal card addressed to Frank L. Wilder, President, Woodstock, Ill., simply say, "Mail me all your Free Offers," and by return mail you will receive their Free Offers, the names of over 400 who have recently received typewriters free, and you will learn on what easy conditions you can get one of their typewriters free right away.

The Emerson Typewriter is one of the highest grade, wholly visible typewriters made in the world. Many who have used the "EMERSON" and other makes pronounce the "EMERSON" superior to any \$100.00 typewriter on the market. It is a wholly visible machine, has every new, up-to-date feature, looks like other high grade \$100.00 typewriters, though it is selling just now at an astonishingly low price and on terms of no money with order, trial free in your own home. Nothing to pay at first, and after a thorough trial, 10 cents a day until paid.

"EMERSON" has every new improvement, universal keyboard, back spacer, tabulator, two-color ribbon, everything the best; is the ideal machine for beginners as well as for the most expert typists and stenographers; just the typewriter for the smallest or largest office.

If you could possibly make any use of a high grade typewriter, even though it didn't cost you one cent of money, or if you would like the agency in your town on a plan by which you could make high money, or if you would like a position with the company, then be sure, on a postal card or in a letter addressed to "Frank L. Wilder, President, Woodstock, Ill.," say, "Mail me your Free Offers."
