## FOOTBALL

URSINUS 6 LEHIGH 6

Before a large crowd of football enthusiasts, among whom were a number of loyal Ursinus rooters, Ursinus and Lehigh divided honors at Bethlehem, last Saturday. The game was remarkably fast and fiercely played, when the warmth and humidity of the weather were considered, and the last half brought forth some wonderful football.

Ursinus clearly out-played her opponents at all the points of the game in the first half, and easily scored six points. But in the second period the reinforced Lehigh eleven played much better football, and their touchdown was made after rushing Ursinus down the field for about 60 yards, after Bunting had fumbled a punt. Gay showed up in better style than he has displayed for some time and was an important factor for Ursinus, though it was quite obvious that his general physical condition was not what it should have been. Keyser distinguished himself by several spectacular tackles and catapulting charges through Lehigh's line. Kerr Thompson was also a consistent ground gainer. Then, too, the work of Slonaker, who appeared for the first time in a regular game, is particularly laudable. He was down with the ball under every punt and tackled the runner surely and cleanly before he had time to take a single step. It is quite evident that Slonaker has been working faithfully since he came to Ursinus, and his labors have surely not been without fruits.

While several of the men were

COACH PRICE

particularly conspicuous for Ursinus, the fact is not lost sight of that the entire eleven played hard, consistent football. There is no use, however, in trying to gainsay what Coach Price said in the mass-meeting the other evening, and what was only too obvious to all who watched Ursinus closely on Saturday, that the men were not in good physical condition. This is due to two causes. First, the Scrub team was impotent to give the Varsity the hard practice that was necessary, and second, that the men who compose the first team were not training as faithfully as they should, or as they are going to train the remainder of the season.

## FIELD HOUSE TO BE FORMALLY OPENED TOMORROW

The field house, which within the past three months has been erected on a site contiguous to the new athletic field, will be formally opened to-morrow, immediately preceding the football game with

Medico-Chi. The exercises will be simple and brief, consisting of short addresses by Professor J. W. Riddle on behalf of the Athletic Committee, and a member of the Board of Directors, representing that body. The exercises will be in charge of the President of the Athletic Association. The program will begin at 2.30 o'clock. There will be songs and cheers by the students.

During the week several subscriptions to the field house fund have been received as follows:

H. C. Gresh	\$100 00
Rev. J. M. S. Iseberg	10 00
Walter E. Garret	5 00

## FOOTBALL PRACTICE DURING THE WEEKLY

The first team men were given a rest on Monday after the hard game on Saturday. On Tuesday the practice for the week was begun in earnest. The Varsity on Wednesday went to Pottstown and played a practice game with Hill School in place of the second eleven which was scheduled to meet the noted preparatory school. The regulars were given the hardest kind of practice and were able to score but one touchdown in about fifty minutes of play. The idea of having a practice game with Hill was a good one and it might be well to arrange to have the prep. school team to come to Collegeville several days before the Swarthmore game.

The Athletic Committee called a meeting of the men students of U-

rsinus, Wednesday evening, and the several members of the committee spoke in earnest tones to the men of the necessity of the larger fellows getting out for football to bolster up the scrub team, upon the strength of which to a great extent depends the football success of Ursinus. As things stand, the second eleven, while possessing an abundance of courage, is unable to cope with the Varsity because of the physical inequalities existing between the two teams. The speakers pointed out that it was the duty of the men who were capable of giving the Varsity good practice to join the squad.

As a result of the meeting several new men have reported for practice and the indications are that the scrub team will be considerably strengthened.

## NEW PRINCIPAL FOR SHREINER HALL

At a recent meeting of the Executive Committee of the Board of Directors, a request was received from Professor George H. Wallis to be relieved of the care of Shreiner Hall, and his request was granted.

There were many applicants for the position, many of whom possessed excellent qualifications. On Tuesday evening last the Executive Committee appointed as Principal Miss Bessie Lee Gaylord, of Wellesley, Mass. Miss Gaylord received her preparatory education at Bradford Academy, Bradford, Mass., and her college course at The Michigan State College and the University of Michigan. She comes to Ursinus from St. Margaret's School, Buffalo, N. Y., where she occupied a similar position during the past two years.

Miss Gaylord will also assist in certain departments of instruction.

## HISTORICAL-POLITICAL LIBRARY FUND GROWING

**EDITORIAL**

The "Weekly" manager wishes to express his appreciation to the students for their loyal support of the school paper. Almost every student in the institution has already subscribed for the "Weekly", and this fact, together with a considerable gain in circulation outside the school, brings the subscription list higher than it has been before.

In regard to advertising support, matters are not so satisfactory. Requests have been made before now that students try to patronize advertisers of the "Weekly" when it is at all possible to do so. Nevertheless difficulties continue to obstruct the way of the manager when he seeketh advertisers. Tradesmen claim that they do no business with our students, and on these grounds refuse to advertise. Whether it is because the students do not patronize our advertisers, or because they do not make known the fact that they come from Ursinus, the result is the same. A little thoughtfulness would remove either of these causes, and would make the manager's path less thorny.

\* \* \*

One reason for the almost continual lack of athletic material at Ursinus is the narrowness of the interests of the students. There is too sharp a line between those who are students in the literal sense of the word, and those who compose our athletic teams. It is usually

the case that the men who are athletes are also earnest students, while the tendency of those whose chief interest is to study is to become grinds. Constant application to any one thing is narrowing. Extreme attention to study, indulgence in mere idle enjoyment or recreation, or devotion to active athletics,—each works against the end a college education is pledged to attain. A man with narrowed interests is never a cultured man. He only is educated who finds the golden mean of the Greeks,—who attains a balance in his physical and mental activities. This sentiment is quite antique, but it has a very apparent application at this season, when such a number of our students are so devoted to either study or to selfish enjoyment that they can interest themselves in nothing else. The man who is at college for an education may recall with profit that not all learning is in books, and that a perfect life is not a lop-sided one. Such a man will do himself an eventual good, and his college an immediate one, if he straightway begin to take an interest in our athletics. The plight of him who neglects his education for the mere gratification of pleasure is even worse. The bookworm accomplishes something, the loafer nothing. Both should add the athletic element to their "education." The football field is plainly visible to the north of the buildings.

**ZWINGLIAN**

Friday evening was devoted to the regular debate. The question presented for discussion was Resolved, That Dr. Cook's claims to the discovery of the North Pole should be accepted as the truth. The affirmative side was represented by Herson, '12; Strack, '11 and Gerges, '11, who claimed:

1. Dr. Cook has proven to be honorable at all times.
  2. If some of Cook's statements are believed all should be accepted.
  3. Reliable scientists accept Cook's statements.
- The Negative side, composed of Douthett, '12; Mathieu, '11, showed that,

1. The evidence of Esquimaux opposed Cook's claims.
  2. Cook's scientific claims have not been substantiated.
  3. Rate of speed was almost impossible. Artic explorers doubt it.
- The Judges decided in favor of the Negative. The decision of the house favored the affirmative.

Under voluntary exercises a sketch, "Frog Hollow Lyceum" was rendered under the leadership of Miss Latshaw, '11.

Y. W. C. A.

The regular weekly meeting of the Y. W. C. A., was held on Tuesday evening. The topic was "The College Woman's Opportunity." The leader, Miss Freyer, set forth the following points:

1. We are living in a day of wonderful opportunities; and it is only for us to decide to what use we will put our lives.

2. The missionary field is open to us as it has been to no previous generation. It is not necessary to go across the seas, or even outside the city or town in which we live, in order to extend to others our personal services.

3. To go out as a missionary does not mean simply preaching. Missionaries are needed for all classes of work. Such familiar work as teaching, though generally not classed with missionary work, really forms a great factor in that work. Women are needed on the foreign field in the capacity of medical missionaries and trained nurses.

3. Each girl at Ursinus who has not already joined the Y. W. C. A. has a great opportunity before her, and it is only after she has seized this, that she will realize the great benefit to be received from becoming a member of the organization.

Y. M. C. A.

The regular meeting in charge of Dunseath, '10, was devoted to the outlining of the Bible Study courses to be pursued this year at Ursinus.

There will be three courses of study, which will be conducted by Prof. Haines, Prof. Riddle, and Mr. Myers. Prof. Haines' course

Prof. Riddle will present a course of study of The Growth of Israel's Laws, taking the Pentateuch as a text-book. This course will be given in fourteen lectures, and is open to Freshmen and Sophomores. Meeting, Sunday afternoon at 2.00 p. m., in English Room.

Mr. G. C. Myers will lead the Academy Students in a study of the Life of Christ. Meeting will be held Sunday afternoon at 2.00 p. m. in the Philosophy Room.

### SECOND TEAM GAME

At Bethlehem, Saturday morning, the scrub team was defeated by the strong Bethlehem Prep. eleven, 22-0. The scrubs were greatly outweighed but made a stubborn, uphill fight. Our second eleven came out of the game badly used up, as four substitutes were put in the game to take the places of men who were too severely injured to continue.

### SOPS. ELECT OFFICERS

The Sophomore class met on Monday and elected the following officers for the term: President, Kerschner; Secretary, Miss Heebner; Treasurer, Shellhammer.

Rev. G. P. Fisher, '89, has been nominated for the pastorate of the Frieden's Charge, near Slatington, Pa.
