## FOOTBALL

### LAFAYETTE 21. URSINUS 0.

Last Saturday Ursinus opened her football season in a game with Lafayette. The outlook for a decent score was anything but encouraging. The team was the lightest Ursinus ever turned out, averaging about 150 pounds. When they ran on the field at Easton they looked like midgets aside of the big Lafayette line, but what Ursinus lacked in weight was made up in nerve and determination. Lafayette was chuck full of confidence and expected to run up a large score but their expectation was not realized, and it was only through the partiality of the time-keeper and luck that ran up twenty-one points in the first half. Why a big college will not give credit to a small one for playing them a good game is a mystery. It was amusing to read the garbled accounts of the game in the newspapers. For instance, the halves were supposed to be twenty minutes. One newspaper account read fifteen minutes and they actually were a little over twenty-five. Again, they say the reason for no score in the second half was due to playing substitutes and yet on another page of the same paper an account of the Lafayette team reads that the substitutes were about equal to the regular men and it was a question as to who would eventually compose the team. Be that as it may. Ursinus throughout the game was outweighed anywhere from thirty to fifty pounds a man and deserves great credit for holding Lafayette to twenty-one points.

In the first half Lafayette kicked off to Ursinus. Isenberg advanced the ball to the 33 yard line. Shaver then advanced 2 yards and Hain added ten more on an end run. A forward pass was then attempted but Lafayette secured the ball. Lafayette punted but the Ursinus backs fumbled and the ball was recovered for Lafayette on the fifteen yard line. A few plunges

## OUR NEW ATHLETIC DIRECTOR

For quite some time, even before the opening of this college year, there had been considerable gloom in the conversation of all Ursinus students as they discussed our athletic possibilities. The conditions were indeed assuming a serious aspect when, much to the relief and joy of everybody, the college announced that Harry T. Watson, A. B., had been appointed Athletic Director and would assume entire control of all forms of athletics during the year. Mr. Watson is a graduate of Williams College, '05, and comes here well recommended. After graduation at Williams, Mr. Watson went to Hamilton College where he spent a very successful year in all the lines of his work. Last year he was called back to Williams, and while there he had remarkable success with his various teams; for under his direction his Alma Mater was able to cope successfully with all the New England colleges including even Yale, Harvard and Cornell. In consideration of this Ursinus is indeed fortunate in securing a man of the calibre of Mr. Watson. Although there is a limit to the number of men for the various teams, nevertheless by his earnestness and determination, Mr. Watson has already won the confidence and good will of the entire student-body. With our football season just begun and no wealth of material at hand he has demonstrated, that with spirit and dash on the part of the players, he will keep Ursinus in the athletic position that she deserves to be. Although Lafayette defeated us on Saturday nevertheless there was no disgrace connected with the losers. Mr. Watson is in earnest and with Saturday's game as an example of faults and weaknesses all Ursinus can rest assured that it now rests with them to respond to and fulfill the commands and plans as outlined by their di-

rector. A united effort is the thing required and unless that is forthcoming, the best instruction and direction that can be given a team will be of no avail. The opportunity has now presented itself and with so capable a director, let us all take advantage of it.

Y. M. C. A.

The regular meeting of the Y. M. C. A. was held on Wednesday evening and under the leadership of Strack, '11, discussed the subject of Missions. Strack delivered an interesting address and in part said,—“When Christ was about to depart this life he delivered an appeal to his followers. He realized the need of advice and instruction to his disciples so he deemed this appeal necessary. “Go ye there fore into all the world and preach the Gospel to every creature,” were the enthusiastic words of our Saviour. Not only did he mean or care for the Jews but the Gentiles as well received his thought. In fact he did not restrict any of his commands to his disciples but used them as a medium to reach mankind. He means all of us; for, to this day he is still beckoning men to the noble work of missions. We have been brought up in religious surroundings and have come in contact with Christ by our devotions and attendance at Sabbath services. So then as we have received this valuable gift from Him, why not impart this same benefit to our fellow beings. In the life of Christ we have an instance of career unblemished, unstained, and a worthy ideal. Our work for him will not be in vain for to all his laborers, no matter how humble their services, if done in faith, he promises ample reward. This reward is given to both giver and the receiver of his blessings. In the past our country at times solicited help from foreign powers but now since we are thus situated, it falls to our lot to pay our debt of gratitude by taking up the work of converting the heathen in foreign lands. We find the doors wide open and the cry rings forth,—“Come over to Macedonia and help us.” The heathen require all our efforts whether they be given in person, alms or prayers. The work is going on fairly well but reinforcements are required. Good honest and Zealous workers are required for the Saviour's vineyard. So then pray ye Lord of the harvest that he send more laborers into his harvest or do as the Master himself said, “Go ye.”

## CAMPUS SONG

*Tune: The Orange and Black*

When the shades of evening gather,  
Ursinus students hie  
To the soft, green-swarded campus—  
For a time our books laid by—  
And the parting rifts of sunlight,  
As they linger soft and long,  
Shed a hallowed gleam of gladness  
On our merriment and song.

Now the glees of old Ursinus  
Peal across the downy green;  
From Memorial to Olevia  
Span the distance far between;  
And the walls of dear old Prepdom  
The reverberations fling  
From the East Wing to the Dog House,  
As our voices loudly ring.

Then across the Perkiomen  
The chimings wing their flight,  
Till beyond the far-flung hill-tops  
They kiss heaven's dome of light.  
Then as if they rued their boldness,  
Come in trembling echo back,  
And thus end the winged praises  
Of the red, old gold and black.

## URSINUS

*Tune: America*

Ursinus, 'tis of thee,  
Thy jolly life and free,  
Of thee we sing.  
We love thy classic walls,  
Thy great and hallowed halls,  
And when thy loved voice calls,  
Our voices ring.

Let our yell swell the breeze,  
And ring from all the trees  
Ursinus' song;  
Let Red, Old Gold and Black  
Be seen in every track,  
Let spirit never lack,  
The sound prolong.

O, didn't they ramble, they rambled,  
They rambled all around, they rambled  
up and down,  
They rambled, they rambled,  
They rambled till Ursinus put them  
down, down, down.

The following rule has been made by the Faculty of Wesleyan, to go into effect this year: “No Student shall be allowed to represent the college on more than two of the following organizations in any college year, nor on any two that are in progress at the same time of the year without special permission from the committee on administration: “football, baseball, basketball, track team, glee club.” Ex. E. R. Olcott, of East Orange, N. J., has been elected captain of Lehigh's football team, in the place of Lawyer who did not return this fall.

**EDITORIAL**

The staff desires to express its thanks to J. Leroy Roth whose article, "A Study of Physical Training in the Colleges," appeared in the last issue. It is to be hoped that other members of the alumni will follow the example of Mr. Roth and send in literary contributions from time to time to the editor. The college paper is published for the interest of the alumni as well as the college and in turn the alumni should take an interest in the paper. After the close of the football season the editor will be obliged to depend to a great extent upon literary matter to fill the columns. It is our desire to publish the best literary matter possible that is truly Ursinus. Now, by sending in articles to the editor the members of the alumni will not only lessen his labor but will show an interest in the paper which will be a source of encouragement to the staff. Alumni personals, in particular are always interesting and we hope that the members of the alumni will lend their aid in making this column as large as possible. By so doing you will not only be doing the staff a great favor, but will furnish your fellow alumni with interesting news.

**LITTLE THINGS**

Human understanding has always impressed us with the importance of little things. "Mony mickle mak' a muckle," says the Scotchman and he means that the great is often composed of the

small however insignificant each may seem in itself. Every day is made up of a hundred little occurrences the nature of which will make it foul and fair. Every personality is made up of a myriad of little ways and moods which make it either charming or repulsive. Attention to little things has always been the motto of those who would understand the great.

But attention to little things is not always good and the power to overlook them is not easy to acquire. We are apt to lose sight of the greater things in life by stopping on the way to look after the trivial. We brood over them and worry ourselves until they become great and overshadow the truly worth while. Little misunderstandings, little thoughtless acts, little quarrels and foolish words have marred the greatest friendships and severed the truest hearts. We allow little annoyances and trifles to become barriers to our happiness and contentment.

We all admire the personality that is able to "take" things good naturedly, that is willing to overlook thoughtlessness and foolish mistakes, that can forgive offenses perhaps unmeant. If cold perfection were personified and were living among us he would have a most lonesome time of it. Let us not be looking attentively for these little offenses that happen among us, but let us acquire that broad-minded forbearance that will overlook the little things that cause us trouble and lose sight of them in manifold ones which make for happiness.

The Review by Wagner was a carefully edited sheet and was humorous throughout.

## BASE BALL

Continued from first page

carried it over for the first score. The goal was kicked and the score stood 6-0 after six minutes of play.

Ursinus kicked off and Lafayette advanced to the 35 yard line. Here they fumbled but recovered the ball. They were then penalized 5 yards. They again kicked with the same result as the first time, a Lafayette man securing the ball on Ursinus 30 yard line, a few plunges and a forward pass resulted in a second touchdown, no goal. Score 11-0.

Ursinus again kicked off and it was Lafayette's ball on the 33 yard line. End runs and a forward pass brought a third touchdown. No goal, score 16-0.

The last touchdown would not have been made if the agreement as to twenty minute halves had been played. The touchdown was made shortly before the whistle was blown for the end of the half and a stop-watch in the hands of a disinterested spectator recorded close to thirty minutes.

In the second half Bunting was substituted for Snyder at right end. Ursinus kicked off to Lafayette. Lafayette was held and they punted to Ursinus 40 yard line. Gay made a ten yard gain through tackle but Ursinus was penalized and the ball was taken back to the 35 yard line. Quay then punted to Lafayette's 50 yard line. A forward pass netted them 15 yards and on the next line-up they punted to Ursinus' 10 yard line. Quay punted to the 35 yard line. Lafayette then made 15 yards on an end run but on the next play they were penalized for fifteen. Ursinus then got the ball on a fumble. Shaver then made a 20 yard run around end. They soon had the ball near enough for a place kick but it was blocked and it was Lafayette's ball once more. They carried it up the field and tried for a field goal but the ball went wide of the bars. After twenty-seven minutes actual play in this half, time was called with the ball near the centre of the field.

The new men on the team showed up very well. Knauer broke through his heavy opponent twice and tackled the runner for a loss, as did Hoover. Gay repeatedly broke through his man and played a splendid game. Captain Hain made tackles on both sides of the line and held his men together in great shape. In Quay, Ursinus has the best punter they have had for years and in this department will be a great help to the team. "Kid" Behney got into the game after Davis was knocked out and proved that he had plenty of nerve. The game certainly showed that

### AMONG THE COLLEGES

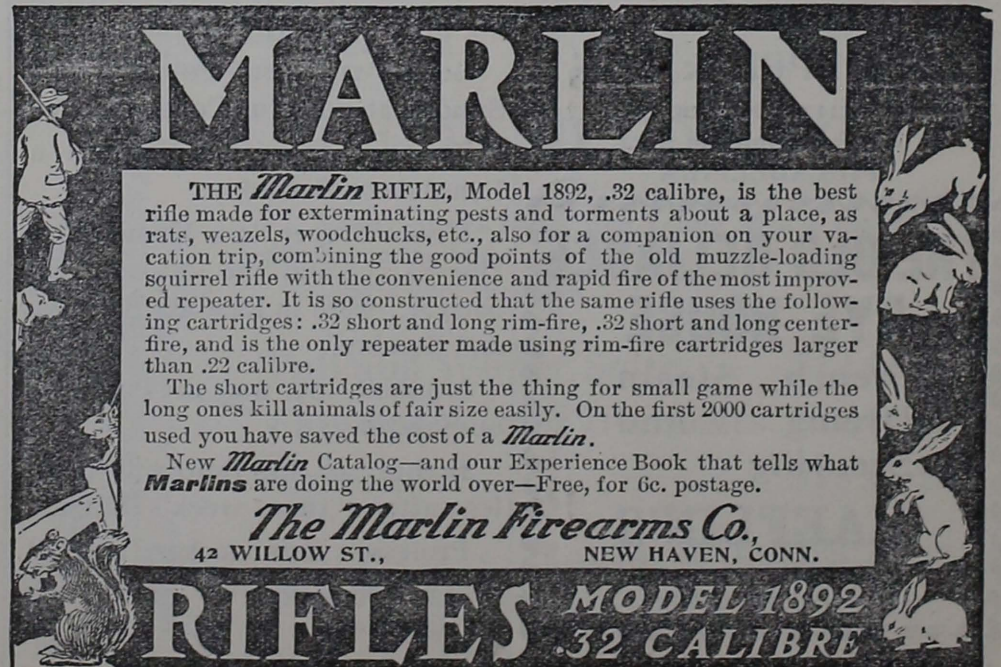

The "Franklin and Marshall Weekly" has come out this fall in a new form. It now resembles very closely "The Dickinsonian" and the "State Collegian" in appearance and is a great improvement on the old form.

Bucknell has organized three singing classes each to be held once a week. The object is to promote college spirit, train the voices of the students and learn new songs for the games. This is a very good move and might be taken up by other institutions to a great advantage.
