Dear Faculty Member:

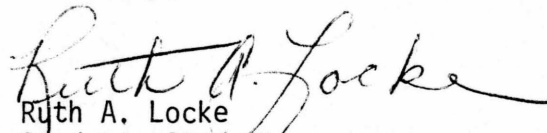

I am a graduate student in the Department of Political Science, and I am conducting a survey of the faculty in partial fulfillment of Political Science 355, Scope and Methods.

The survey is to determine faculties' feeling regarding the establishment of an Army Reserve Officer Training Corps (ROTC) at Fort Hays State.

As you perhaps know, the ROTC Scholarship Program covers full tuition, plus books and fees, and provides \$100 a month while the student is in school. Students in the program can expect to take some military-related courses, participate in drills, and attend summer camp. This is a voluntary program.

I would appreciate your completing the enclosed questionnaire and returning it via Campus Mail to the Department of Political Science, attention Mr. Heil, by Monday, November 26, 1979.

Sincerely,

Ruth A. Locke
Graduate Student
Dept of Political Science

P.S. This survey is an attempt to assess the mood of the faculty towards ROTC. It is being done as part of a course assignment. The results of this survey will be made available when completed. Your anonymity will be guaranteed. Your cooperation in this project will be greatly appreciated.

Sincerely,

Richard P. Heil
Assoc. Professor
