SPORTS INFORMATION

The Office of Sports Information at Lynn University, under the direction of Chad Beattie, is responsible for the day-to-day publicity efforts of its 11 NCAA Division II sports for men and women. The primary functions of the Lynn University Sports Information Office are to service and accommodate the media in its coverage of the entire intercollegiate athletics department.

The Sports Information Office, located in the de Hoerle Center, handles a myriad of press services, including, but not limited to, the issuance of credentials, the publication of media guides, game programs and press notes as well as maintaining statistics and upkeep of the website.

Members of the Sports Information Office will assist you with any day-of-game needs, including player and coach information, in-game statistics and post-game notes and quotes. Journalists and media covering Lynn University Athletics benefit from working in a professional and comfortable environment.

Members of the Sports Information staff are on call virtually every day of the year, 'round the clock in an effort to enhance the coverage of Lynn University athletics.

Please kindly adhere to the following guidelines when covering Lynn University athletics during the 2008-09 academic year.

EXCERPT FROM ATHLETICS MISSION STATEMENT

The role of the athletic program is to support the overall University mission. Intercollegiate competition has been an integral part of higher education in America for more than a century. The University endorses the concept of "Athletics as Education" described in the policy statement adopted by the American Council on Education in 1984, which cites key contributions of athletics to the individual, the institution, and society as a whole, as follows:

"Among these contributions are the development of discipline, teamwork and self-confidence of individuals who participate, the improvement and substance of institutional reputations and morale, and the heightening of visibility that aids in recruitment of students and financial contributions." The basic premise underlying these very positive contributions is that athletics is, and must continue to be, an important part of the educational process.

CREDITS

The 2008 Lynn University Men's Soccer Media Guide is a product of the Lynn University Sports Information Office. The Guide was written and produced by Chad Beattie. All Studio photography by Brad Broome, and action shots by JC Ridley, Jim Wilson, and Rob Gertzman. Layout and design by Rob Gertzman, and printing done by Mid-South Fine Printers.

MEDIA POLICIES

GAMEDAY SERVICES

Prior to all home contests, members of the media will be supplied with the latest information including up-to-date statistics, current rosters, media guides and game notes when applicable. At halftime and following each contest, statistics will be furnished as well. Media members needing space to file post-game stories will be provided a desk and phone lines somewhere in close proximity to the site of the event. A fax machine will also be provided to members of the media as well.

GAMEDAY INTERVIEW PROCEDURES

Following the NCAA-mandated 10-minute cooling-off period Lynn University coaches and student-athletes will be made available to address the media post-game. Members of the media should inform a Lynn University Sports Information representative as to whom they wish to speak with following the game to make the process flow smoothly. As a general rule all Lynn coaches and student-athletes will be unavailable for comment on gamedays prior to the start of competition. The interviews will generally take place in a pre-determined area adjacent to or in the immediate proximity of the particular team's locker room or bench area. Every effort will be made to make visiting coaches and student-athletes available to the media as well. All locker room facilities and the training room are off limits to the media at all times.

NON-GAMEDAY INTERVIEWS

All interviews with Lynn University coaches and student-athletes will be arranged through the Sports Information Office with at least 24 hours notice given. Coaches can normally be contacted in their offices during the mornings while interviews with student-athletes are encouraged to be conducted either prior to or following practice. Media wishing to attend practice must make arrangements at least 24 hours in advance but are subject to closure at the discretion of the head coach or athletics administration.

CREDENTIALS

Credentials for all Lynn University home contests are available to members of the working print and electronic media. Simply contact the Sports Information Office to be credentialed. For members of the local media, all-sport credentials

IN CYBERSPACE

Lynn University athletic information including, but not limited to rosters, schedules, statistics, releases and game notes can be accessed through the University's official website at www.lynn.edu/athletics. Information of Lynn University's Sunshine State Conference opponents can be accessed through the SSC's official website at www.sunshinestateconference.com.

NCAA GUIDELINES AND THE MEDIA

Media members should be aware of several NCAA Rules that apply to student-athletes. If there is ever a question if any media-related activity or event involving a Lynn University student-athlete could evolve into a possible NCAA violation, contact the Office of Sports Information for an interpretation. Areas of concern include:
Coaches and University Officials cannot make comments on prospective student-

athletes until they sign a National Letter of Intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution. Moreover, the Office of Sports Information cannot release any information of prospective student-athletes until a signed National Letter of Intent is received.

Coaches and athletic staff are not permitted to write guest columns for publications.

Do not ask student-athletes to endorse products.

Commercial photographers cannot provide student-athletes or their families with images free of charge.

Student-athletes may not be used in advertisements or endorsements of products, including media-related publications or on radio.

Student-athletes are not permitted to conduct interviews for 1-900 services.

SEASON OUTLOOK

A new era has begun for the Lynn University men's soccer program. For the first time in 16 seasons, a new head coach will be patrolling the sidelines for the Fighting Knights. Left with a stellar cast, new coach John Rootes first season with the Blue and White should be a memorable one.

Lynn returns seven starters and 12 letterwinners from a squad that went 15-3-1 overall, won its sixth Sunshine State Conference title and reached the NCAA Tournament for the third consecutive year and ninth time overall.

"There is a tremendous amount of history and tradition at Lynn," said Rootes, who won a NCAA Division II National Championship in 1989 at Southern New Hampshire College. "With the experience our returning players bring to the table, I have no doubt we will carry on that tradition in 2008."

Experience will be the greatest asset for the Fighting Knights, despite the loss of SSC Offensive and Defensive Players of the Year Dwight Barnett and Tim Melia. Six of the returning starters are upperclassmen with the remaining player having started all 19 games as a freshman. All seven returners combined to miss just three starts last year.

"It will be a formidable challenge to repeat as conference champions with the loss of some key personnel, however that is our goal," stated Rootes. "The strength of our team will be leadership as there are sensational seniors returning in Jean Alexandre, Tyrell Burgess, James Hayers, Lee Porter and Nano Short."

FORWARD

One of the staples behind Lynn University's men's soccer team has been its high powered offense. The Knights reached the half-century mark in goals for the 18th time in 21 years last season and finished fifth in the nation at three goals per game. Whereas in the past the forward position has had tremendous depth, the Knights enter 2008 with just two returning attacking players. Gone is Barnett and his team leading 14

goals while, junior Gabe Taboada has improved in each of his first two seasons with the Blue and White and must continue his ascent as the team's top playmaker. Also returning is Kyle Conrad, a sophomore that displayed poise and an ability to get to the net in his first year.

Junior Nick Hindhaugh returns to the team after a one-year hiatus and will be joined by newcomers Will Lima, Jeferson Kayser and Brendan Howard. Coach Rootes will be looking for one of the five to compliment Taboada.

"Gabe Taboada is an exciting player with a knack for creating," Rootes adds. "The task at hand is to find someone to pair up with him. All of our new players add a different dimension with Lima bringing speed, Kayser creativity and Howard that scoring touch."

MIDFIELD

Lynn boasts great leadership and talent in the midfield with All-American Nano Short and All-SSC selections Jean Alexandre and Tyrell Burgess. Short topped all of his previous career marks last season with seven goals and seven assists for 21 points. Not only does he provide offense, but the 6-foot-2 London native plays exceptional defense. Alexandre will be asked to control the tempo while building on his three goals. Burgess, one of the fastest players in the SSC, enjoyed a breakout year on the left side, notching four goals and adding two assists. Not to be left out will be the team's Most Improved Player, Robert Winstanley, who adds strength and height in the middle.

Joining the mix of midfielders is graduate student Matt Prickett, senior Tom Goldie and freshman George Dyer. Goldie returns to the squad after taking off a season and paired with Prickett will give the Knights good experience.

"Our midfield has a lot of talent and could rank up there with one of the best in the country," said Rootes. "Having players like Nano, Jean and Tyrell make my job easier. All three of them command attention on the field. Prickett is extremely hard-working and will fit right in while Dyer has big game experience having led his prep school to the championships."

DEFENSE

Arguably the strongest area on the Knights team, Lynn returns three starters in the back. All-American Lee Porter anchors the defense with All-SSC honorees James Hayers and Sam Craven. Porter, yet to miss a start in his three years, adds a two-way dimension to LU with his ball-hawking defending skills and pin-point shooting accuracy. Iron man Hayers may get more rest after playing every minute in 2007 but look for the lefty to solidify the left marking back position. Finally, the poised and mature beyond his years Craven will lock up the middle for the Knights. Lynn also has the fortune to have sophomores Tom Hope and Joe Cundall. The duo saw steady action late in the season and give the Blue and White flexibility in the back.

In addition, the Fighting Knights defensive core adds graduate student Matt Shearman, junior transfer Joe Buppert and freshman Chris Donhert. Shearman and Donhert bring international experience while Buppert helped Santa Barbara Community College to the Southern California Regional.

"These guys have great chemistry together and it shows," Rootes adds. "Anytime you're surrendering a goal or less per game, your defense is doing something right. This is a confident group and I think the additions of Matt Shearman, Joe Buppert and Chris Donhert will only add to that. All of them are tough on-the-ball defenders with great agility."

Goalkeeper

Not only must Lynn weather the loss of Barnett but also SSC Defensive Player of the Year and goalkeeper Tim Melia. Returner Adam Alcock seems up to the challenge of replacing the two-year starter. Alcock gained valuable playing time last season after Melia missed a game to injury, getting a taste of the starter's life against nationally ranked Nova Southeastern. The sophomore keeper helped the Blue and White to victory and earned SSC Player of the Week accolades in the process. Now the Stoke-on-Trent, England product is the main man and will follow in a long line of standout goalkeepers.

Lynn Athletics **POINTS OF PRIDE**

Lynn University teams have won 18 national titles: seven NCAA Championships and 11 NAIA National Titles.

Six different Lynn programs (women's golf, women's soccer, women's tennis, men's golf, men's soccer and men's tennis) have won national titles.

Four different Lynn programs (women's golf, women's soccer, women's tennis and men's soccer) have won multiple national championships

Since becoming a full-fledged member of the Sunshine State Conference for the 1998-99 academic year, the Fighting Knights have taken home 23 SSC Titles.

Four LU sports (men's soccer, men's golf and men's and women's tennis) have claimed multiple league titles

Lynn University became the fifth school in Sunshine State Conference history to win the SSC Mayor's Cup Men's Division in back-to-back years.

Lynn University became the first school in Sunshine State Conference history to win back-to-back men's and women's tennis titles simultaneously.

Lynn University has accumulated 321 All-America selections since beginning intercollegiate athletics play in 1984.

The Fighting Knights boasted 33 All-Sunshine State Conference selections in 2006-07, third most in the conference

The Fighting Knights have garnered the second most All-Sunshine State Conference selections (292) since the 1997-98 season, the first Lynn was eligible to earn all-conference honors.

The Blue and White succeed not only on the field but in the classroom. Since 1996, more than 2,200 student-athletes have turned in grade-point averages of 3.0 or better. On the average, 106 LU student-athletes produce GPA's of 3.0 or better each semester.

THE COACHES

COACHING STAFF

The hiring of John Rootes ushered in a new era for one of the most successful programs at the NCAA Division II level. Rootes, formerly the head coach at Savannah College of Art and Design, becomes the fourth coach in program history after taking over for the recently departed Shaun Pendleton, who took over at NCAA Division I Appalachian State.

Rootes has a proven track record at three institutions, compiling a 280-95-22 (.733) career-mark. In his 20 years of coaching at SCAD, Clayton State and Southern New Hampshire, he has averaged just over 14 wins a season and reached the postseason 11 times, winning the 1989 NCAA Division II National Championship at SNHU. Rootes inherits a program rich in tradition, having reached the postseason in 19 of 22 seasons, winning national crowns in 1987, 1991 and 2003.

Amassing a 47-26-2 (.627) record in four years at SCAD, Rootes led the Bees to the NAIA Region XIV Tournament finals in three consecutive seasons. In just his second year at Savannah, he established the program record for wins (13-4-1) while earning the program's first national ranking (as high as no. 18) and postseason appearance.

A new challenge awaited Rootes at Clayton State as he took over a program that had only two winning seasons prior to his arrival. Three years into his tenure, the Lakers posted an 18-3-1 record and earned their first Peach Belt Championship and NCAA Regional bid. CSU would go on to record a 69-38-9 (.634) mark during his six-year stay, winning two conference championships and securing a pair of NCAA bids.

During his time at SNHU, Rootes compiled a 169-30-11 (.831) record and elevated the program to national prominence. In 10 seasons, the Penmen were consistently ranked in the Intercollegiate Soccer Association of America National Top 10 and earned three 20-win seasons, six NCAA Division II Tournament bids, four appearances in the Elite Eight and an NCAA National Championship in 1989. Nine of his players were named NSCAA All-Americans and 15 have gone on to professional soccer careers.

Prior to becoming a head coach in New Hampshire, Rootes worked as the senior assistant coach under I.M. Ibrahim at NCAA Division I powerhouse Clemson University. While with the Tigers, he helped the school to the 1987 National Championship and the 1988 World Collegiate Championship.

As a player, Rootes was a four-year starter for legendary coach Barry Barto at Philadelphia College of Textiles & Sciences (now Philadelphia University) and the University of Nevada, Las Vegas. Rootes led Textile to an undefeated season and a No. 1 ranking in the final coaches' poll in 1980, and guided UNLV to its first NCAA Tournament bid in 1983.

Rootes was honored twice as an NSCAA All-West striker and was a member of the 1984 United States Amateur team. He also played two years of professional soccer for the Boston Storm in 1994 and 1995. Rootes holds a U.S. Soccer Federation "A" license, an NSCAA Advanced National Diploma and a master's degree in sport science. Rootes and his wife, Alicia, have two children, Savannah (8) and Thomas (5).

TOTALS	20 YEARS	280-95-22 (.733)	11	POST-SEASON APPEARANCES 1 NATIONAL CHAMPIONSHIP

Eric Abreu enters his 18th season as an assistant men's soccer coach at Lynn University. A native of Madeira, Portugal, Abreu served as LU's head men's golf coach for 11 years. Over the last several years he has been an integral part of helping the men's soccer program to a national championship and the men's golf team to two Sunshine State Conference titles and a pair of NCAA Championship appearances.

A former professional soccer player, Abreu spent 21 years honing his skills in South Africa, Hong Kong, the Phillipines, New Zealand, Japan and Australia. He was chosen to represent both Japan and Hong Kong in league elect matches.

Following the completion of his playing career, Abreu came to Lynn, arriving in 1985 as an assistant to then-coach Roy Wiggemansen. Instrumental in recruiting a number of key players which helped to begin the storied history of Fighting Knight soccer, Abreu was a member of the coaching staff in 1987 as the Knights captured the first-ever national title in school history.

Abreu left Boca Raton in 1989 to spend four years in Europe, returning in 1993 as the head women's golf coach, a position he held for one year before assuming control of the men's golf program in 1994. Under his direction, the men's golf team claimed the 1996 NAIA National Title. In the fall of 1996, he rejoined the men's soccer staff under former coach Shaun Pendleton and has been on the LU bench ever since.

Born Eric Agostinho Abreu on Feb. 28, 1945, he is currently single and resides in Boca Raton.

* NATIONAL CHAMPIONS

SOCCER POINTS OF PRIDE

Lynn Men's Soccer **POINTS OF PRIDE**

Lynn University has won three men's soccer national championships (1987, 1991, 2003)

The Fighting Knights have reached the post-season in 19 of the program's 22 years

Lynn has earned 69 All-SSC selections in 10 years, an average of nearly seven honorees a season

The men's soccer program has the second most All-Americans amongst all intercollegiate athletics at Lynn with 73 selections

Lynn has had at least one All-American the last six seasons and in 21 of 22 years overall

The Fighting Knights have claimed six Sunshine State Conference regular season and tournament titles since joining the league in 1998

In the three seasons LU won a national championship, the men's soccer program boasts a 67-1-4 (.958) record

Lynn has two unbeaten seasons in its 22 year history

The Fighting Knights have averaged just over 17 wins a season since 1986 while recording five seasons of at least 20 victories

Lynn has garnered 23 Academic All-American awards, most among the 11 athletic programs

The Men's Soccer program has been recognized by the National Soccer Coaches Association of America for the Team Academic Award every year since its inception in 1998

THE PLAYERS

PLAYER PROFILES

LYNN UNIVERSITY

About the University...

Lynn University is a private, higher education institution, located in prestigious Boca Raton, Florida. Founded in 1962, the university remains committed to: instilling academic excellence and the development of individual talents and interest, while providing students with a solid foundation for lifelong learning and the tools necessary to succeed in today's fast-paced, ever-changing global environment.

The university originally received accreditation by the Southern Association of Colleges and Schools in 1967 and has upheld the high standards of the committee ever since. The university, under the direction of a Board of Trustees, remains committed to the continuous development of academic programs that demonstrate the university's vision of global transformation, multicultural awareness and international exchange.

Currently, Lynn University offers bachelor's, master's and doctoral degrees in more than 24 different majors and 68 specializations that are designed for traditional students, as well as the growing population of adult learners. Today, more than 2,585 students from 91 nations and 44 states come to receive Lynn University's unique learning experience and educational value.

Lynn University provides an environment that is private and personal, as it is committed to student-centered learning, where faculty and staff provide individualized attention tailored for students of varying levels of academic proficiency. Faculty, staff and students contribute to an atmosphere that nurtures creativity, fosters achievement and values diversity. Additionally, a full range of academic and support programs are coordinated to serve the increasingly diverse needs of individual undergraduate and graduate students.

Lynn's academic curricula and programs are structured to provide a balance between the theoretical and the practical, along with opportunities to become involved in community-based organizations and industries. Education and service are fully integrated to meet the changing needs of the local and global community. This integrative design prepares our graduates to meet the dynamic needs of the emerging global society. Lynn University is proud of its tradition of educating men and women who assume positions of responsibility as competent professionals and leaders in their chosen professions. Lynn University has fulfilled its purpose when graduates leave the institution having gained knowledge, confidence, competence, and imbued with a sense of values of self worth and the world in which they live.

An affiliated Lynn University may be found in Dublin, Ireland, and is called American College Dublin.

About the Campus...

Lynn University is situated on a picturesque 123-acre campus, landscaped with indigenous flowers and tropical trees among seven freshwater lakes. Students thrive in the university's state-of-the-art contemporary facilities, which include: classroom buildings, men's and women's residence halls, a library, sports and recreation center, student center, international academic center, University Club gourmet dining facility, fitness center, auditorium, chapel and dining hall, all of which are air conditioned. In addition, Lynn University's campus also features tennis, basketball and sand volleyball courts, an outdoor swimming pool and soccer and baseball fields. All of this is located only three miles from the Atlantic Ocean. Lynn University is also proud of its reputation as one of the safest university campuses in the country.

About Boca Raton...

Located on Florida's exclusive "gold coast," Lynn University is situated between Palm Beach and Fort Lauderdale, in the heart of Boca Raton, which offers a cosmopolitan atmosphere with hometown appeal. The fast-growing city attracts Fortune 500 companies, including IBM, Motorola, Sensormatic and Siemens, providing excellent internship and employment opportunities. Transportation is also easily accessible with Boca Raton centrally located in close proximity to three international airports.

Lynn University President
DR. KEVIN M. ROSS

Dr. Kevin Ross was named the fifth president of Lynn University, succeeding his father, Dr. Donald E. Ross, who was Lynn's president for the past 35 years. He took office July 1, 2006.

Kevin Ross has held numerous administrative positions in educational institutions, including Lynn. In his most recent role preceding his presidency as

chief operating officer (COO), Kevin initiated and oversaw completion of Lynn's long-range strategic plan with the aid of Dr. George Keller, noted higher education strategic planning expert and author of "Academic Strategy: The Management Revolution in American Higher Education." The long-range plan titled, "Lynn 2020," provides a blueprint for developing Lynn University over the next 15 years (<https://www.lynn.edu/2020>).

Kevin came to Lynn in 1999 as associate dean of the Eugene M. and Christine E. Lynn College of International Communication, where he facilitated installation of its state-of-the-art broadcast journalism curriculum, studios and equipment.

Kevin also served as director of special projects, director of development, and vice president of institutional advancement before assuming the COO position in 2004. Under his guidance, the institutional advancement division has increased in size, scope and achievements. It has embarked on ambitious plans to raise funds to support several new campus expansion projects and academic program enhancements.

Kevin earned his B.A. degree in English in 1994 from Colgate University and his Master of Arts in Liberal Arts in 1997 at St. John's College in Annapolis, Md. He recently received his doctorate in higher education leadership and policy from Peabody College of Vanderbilt University. His dissertation topic was "Bridging the Gap: A Multi-Case Study of the Adoption and Implementation of Instructional Technology in Higher Education."

In addition to receiving in-depth leadership education from his father, Kevin Ross has served as admissions officer and associate director of admissions at two independent schools, The Hill School (Pottstown, Pa.), and Avon Old Farms School (Avon, Conn.). His first higher education post was assistant to the president of Wilmington College (Wilmington, Del.).

He has served on the Palm Beach Literacy Coalition board of directors, the President's advisory board of Pope John Paul II High School, and the founding board of directors of Boca Raton Educational Television.

He and his wife, Kristen Carr Ross, are the parents of a daughter, Ainsley, and a son, Graham. Kristen is a former vice president and current member of the Junior League of Boca Raton, as well as the owner of a clothing business.

Lynn University Sr. Vice President
GREGORY J. MALFITANO

Gregory J. Malfitano has been associated with Lynn University for over a quarter of a century - 35 years to be precise - and has been a part of its growth from Marymount College to the College of Boca Raton to Lynn University. Presently, Malfitano serves as Senior Vice President for Administration. His administrative duties cover a wide span of responsibilities including oversight of the intercollegiate athletic program.

Malfitano was instrumental in the Fighting Knights' move from the National Association of Intercollegiate Athletics (NAIA) to the National Collegiate Athletic Association (NCAA) Division II and the Sunshine State Conference. Under his leadership, Lynn University has won 18 individual and 21 conference championships. Malfitano is presently a member of the Sunshine State Conference Sportsmanship Committee.

Born to Beatrice Bradshaw Malfitano and the late Dr. Anthony Malfitano on June 20, 1953 in Syracuse, New York, Malfitano is one of seven siblings. Raised in Syracuse, he attended Bishop Ludden High School, which a short time ago honored him as an "Outstanding Alumni of the Class of 1971." Malfitano went on to earn an Associate Degree from Marymount College, a Bachelor's Degree from Wilmington College, and a Master's Degree from Central Michigan University.

A recipient of the Outstanding Alumni Award from Lynn University in 1991 and the Lifetime Achievement Award in 1998, Malfitano currently serves as Vice President of the One Hundred Club of Palm Beach County and was honored with the 1998 University of Notre Dame Exemplar Award for God, Country, and Notre Dame.

Married to wife Barbara, the couple has two sons. Ryan is a 23-year-old alumnus of

Elon University, North Carolina and currently enrolled in the Masters program at Lynn University. Taylor is a 20-year-old junior at Villanova University.

Kristen Moraz was named Lynn University's sixth Director of Athletics on June 29, 2006, becoming Lynn's second female athletics director and one of fewer than 50 women ADs, out of 289, in NCAA Division II. She previously served as Associate Athletics Director and the Senior Woman Administrator.

The changing of the guard did little to stop the Fighting Knights on the courts/field in the last two years with her leading the way, as four teams won Sunshine State Conference Titles, six programs have contributed to 12 NCAA Tournament berths, the women's tennis team finished runner-up at the 2008 National Championship and men's tennis won its first National Title in 2007.

In addition, an average of 114 student-athletes have earned grade point averages of 3.0 or better under her guidance, the best two-year average in school history.

Moraz, a member of the SSC Basketball Championships Committee since 2005, also chaired the 2007 SSC Men's and Women's Basketball Championships, hosted by Lynn University for the first time in school history. She will also begin work with the Men's Tennis South Regional Advisory Committee starting in the fall of 2007.

During her time as Associate AD, the Columbia, Md. native handled a myriad of duties for the 11-sport Fighting Knight program, including overseeing budgets, supervising coaches and teams and serving as co-advisor to Lynn's very active Student Athlete Athletic Council (SAAC). She was as a representative on the NCAA Division II Softball South Region Advisory Committee (2004-06) and served as a point person for all home events and conference championships held on the Lynn campus.

Moraz is well aware what Lynn student-athletes go through on a daily basis as she competed on the hardwood for the Knights from 1993-97. She

ATHLETICS DIRECTOR
KRISTEN MORAZ

was a four-year letterwinner for the women's basketball team and served as team captain during her senior year. Moraz was part of the Knights' 24-5 squad that advanced to the NAIA National Tournament its inaugural season.

She also found time to be a campus leader, serving as Student Government Association president during her senior year, a member of the Knights of the Roundtable honorary society and recipient of the Trustee's Medal, the university's highest honor for a graduating senior. Moraz earned her Bachelor of Science in Business Administration from Lynn in 1997 and a Master of Business Administration from Lynn in 2000. She is currently an ABD doctoral candidate at Capella University's School of Business.

Following her playing days, Moraz spent time in the private sector and as Lynn's student activities coordinator from 1998-2000 before returning as Assistant Athletic Director in the summer of 2002. She has also served as a mentor for Lynn's freshman transition program, First-Year Experience.

A 1993 graduate of Hammond High School in Columbia, she played on the Maryland Class 2A State Champion Golden Bears girl's basketball team. Her high school accomplishments led Lynn University to recruit Moraz for its first women's basketball team in 1993.

Moraz is a member of the National Association of Collegiate Women Athletics Administrators (NACWAA), National Association of Collegiate Directors of Athletics (NACDA), Division II Athletics Directors Association (DII ADA) and Young Professionals Board for the chamber's Golden Bell Education Foundation and volunteers with the Greater Boca Raton Chamber of Commerce.

ASSISTANT ATHLETICS DIRECTOR
JEFF SCHALY

DIRECTOR ATHLETICS DEVELOPMENT
JAY BRANDT

Dr. Ralph Norcio enters his 18th year at Lynn University and sixth year as the Faculty Athletics Representative. Presently a professor in the College of Business and Management, he has held the positions of MBA Coordinator, Associate Dean and Dean of the business school while at Lynn.

In his position as the Faculty Athletics Representative, Dr. Norcio verifies academic eligibility for all student-athletes, administers the recruitment certification test to all coaches, chairs the Athletic Council, serves on the Sunshine State Conference Budget Committee and meets with student-athletes regarding their specific athletic programs.

During his time at Lynn, he has been named Outstanding Professor three times by voting of students, Outstanding Teacher by a vote of faculty and was awarded the prestigious Fulbright Scholarship, where he lectured in Finance at the Academy of Economic Science in Bucharest, Romania.

A certified public accountant, management accountant and financial manager, Dr. Norcio was a partner at Walden and Norcio and was co-owner and vice-president of P. S. & B Enterprises, LTD prior to returning to the academic field.

FACULTY ATHLETICS REPRESENTATIVE
DR. RALPH NORCIO

Previously, he had held educational positions at Northern Virginia Community College, the University of Maryland, George Mason University, American University, Trinity College, Montgomery Community College and New York Tech.

Norcio holds a Bachelors of Science and Masters of Science in Biology, which he received from Georgetown University, and a Master of Business Administration from Cornell University. He earned his Doctorate of Philosophy in Business Administration from the Union Institute after presenting his dissertation "A Study of a Non-Traditional Population as They Participated in an Entrepreneurial Skills Program."

Dr. Norcio also serves on the Board of Directors for the International Assembly for College Business Education and the Executive Board for the South Florida Chapter of Fulbright Association.

The father of Jessica Norcio, 23, Dr. Norcio can be seen regularly in the stands of Lynn University athletic events during his spare time.

The epicenter of the Fighting Knights Athletics Department, the Count & Countess de Hoernle Sports and Cultural Center sits in the heart of the Lynn University campus. Completed in 1993, the center is the home court for the Lynn University volleyball and men's and women's basketball programs. Lynn's 18 National Championship banners hang proudly from its rafters.

The de Hoernle Center houses four locker rooms and one officials locker room, two training rooms, laundry facilities and offices for all of Lynn's coaches and administrators. During volleyball and basketball games fans can relax in the retractable chairback seating on one side or sit close to the teams on the retractable bleachers. The combined seating capacity is 1,000.

The front lobby is home to the Wall of Fame, a space that has plaques recognizing the Fighting Knights National Championship teams, and six trophy cases which hold the many NAIA and NCAA individual and team honors of Lynn University's 11 programs. The de Hoernle Center is not just used for athletics; the gym floor is converted at the start of each academic year for Orientation and at each year's conclusion for Commencement.

A new addition was welcomed into lobby of the de Hoernle Center in 2008, the Athletic Hall of Fame. Eighteen former student-athletes and administrators are honored on the wall for their accomplishments while with the Blue and White.

The first basketball game held on the floor came on Dec. 28, 1993, as the Lynn University women downed Michigan-Dearborn 99-72. The Lynn University men's team played its first game on the floor two days later, besting Findlay 103-93 on Dec. 30, 1993. The first-ever Lynn University volleyball game at de Hoernle was on Sept. 12, 1996.

The McCusker Sports Complex is the home of the baseball, softball, soccer and tennis teams at Lynn University and has been the host of Sunshine State Conference and NCAA National and Regional Tournaments.

The only home Lynn University soccer has ever known, the McCusker Sports Complex Field has seen its share of shining moments in Lynn University soccer history. With its plush Bermuda grass playing surface, the field is nestled on the southwest corner of Lynn's campus. Six national championship teams have played on the soccer field formerly known as "the graveyard."

Team benches and accommodations for the media, game staging personnel and administrators are located on one side of the field with two sets of covered bleachers and a concession stand on the other side. From 1996 to 1998, the field was the place to be to witness NCAA Division II National Finals.

The Lynn women took part in the 1996 NCAA championship game while the Fighting Knights men took on Cal-Bakersfield in the 1997 title tilt. The Lynn women captured the 1998 final on the field, downing Sonoma State (Calif.) 3-1 on Dec. 6, 1998. Most recently the men's soccer team defeated Lander University 8-0 on Nov. 10, 2005 in the NCAA Division II Quarterfinals, the second largest margin of victory in the program's illustrious post-season history.

LU's baseball field is located on the southeast corner of campus, sharing a border with Military Trail and Potomac Road. Long home runs can be seen crossing mid-day traffic as the Blue and White play all of their games during the day. Recent facelifts to the field include a new scoreboard in right field, new Bermuda grass infield and outfield and a crushed brick warning track. Dimensions are 315-right field, 355-right center, 405-center field, 365-left center and 325-left field.

The softball field is located adjacent to the baseball field and share outfield bleachers. This field saw a program record 88 home runs sail over its fences in 2005, which are 190 down the lines and 220 to straightaway center field. The softball field received a face lift in 2006 with the possibility of a new stadium in the near future.

Both men's and women's tennis teams host their events on the McCusker Complex's six tennis courts. The men's and women's tennis teams have hosted the NCAA South Regional tournament the last four consecutive years, the first time in program history that occurred. The women's tennis team has won six national championships while the men's program celebrated its first national crown in 2007. These two programs have combined for 11 Sunshine State Conference Championships as Lynn also became the first school in conference history to hold back-to-back titles on both the men's and women's side simultaneously from 2006 to 2007.

Sunshine State Conference

Founded in March of 1975, the Sunshine State Conference has risen from a single-sport organization to become the NCAA Division II "Conference of Champions." Started as a basketball conference, The SSC has since grown steadily in sports played, membership and national prominence. A weekly check of national rankings in nearly any Division II sport proves the point, as SSC member institutions consistently find themselves ranked amongst the nation's elite.

Now with nine full members, the SSC is the proud owner of some 69 NCAA Division II National Championships in baseball, men's basketball, men's and women's golf, softball, men's and women's tennis, men's and women's soccer and volleyball. The Orlando-based league recently added to its already full trophy case with Rollins College capturing their fifth women's golf title and the University of Tampa claiming their first women's soccer national championship.

The SSC currently crowns regular-season champions in volleyball, men's and women's soccer, men's and women's basketball, baseball and softball. The league also administers season-ending tournaments in men's and women's soccer, men's and women's basketball, men's and women's golf, men's and women's tennis and women's rowing.
