OFFICE OF THE DEAN

April 28, 1947

Mr. and Mrs. Archie J. Matheny  
Toddville  
Iowa

Dear Mr. and Mrs. Matheny:

It is a real pleasure to report to you that Florence has done a splendid piece of work scholastically at Seattle Pacific College during the past quarter and has earned a grade score of 3.00 which places her on the honor roll of the college. In our guidance program we endeavor to impress the young people with the importance of high scholarship and good study habits and are always happy when we receive such a response and cooperation as has been given by Florence.

I trust that this achievement will be an incentive to increased diligence and improved study habits, realizing that in the coming years our young people will appreciate greatly the fact of having made a high scholastic record in college.

I know you understand that here we are endeavoring to put Christ first in all the program and to put great emphasis upon spiritual life and high Christian attainments, and along with this we want the college to be recognized as one of the leading educational institutions of the country with high moral and educational standards. The splendid cooperation and good will of the parents and patrons is greatly appreciated. If you have criticisms or suggestions whereby we could improve our work, I shall be very glad to hear from you.

With the best regards, I beg to remain

Very cordially yours,

*B. L. Beegle.*
