A word of condolences on passing of Sheikh Khalifa bin Zayed Al Nahyan

With great sadness and sorrow, the UAE nation mourns the death of our beloved leader and President Sheikh Khalifa bin Zayed Al Nahyan. We Pray to Allah Almighty to grant him peace and resides him in the greatest Paradise.

Sheikh Khalifa was the second president of the UAE after the late Sheikh Zayed bin Sultan Al Nahyan. He was a dedicated leader who served and loved his country and people, a dedication that reciprocated and appreciated. Sheikh Khalifa carried the banner of development and devoted his life to progress the process of giving and serving to his people so that the UAE is now in the front line of nations with achievements that reached all areas and even the outer space. Throughout his life, Sheikh Khalifa ensured the distinguished position of the UAE globally, and led the UAE's economic prosperity and sustainable developments. He placed the affairs of the UAE and all people living in its land, in his top priorities, which provided them with decent lives and a country of great opportunities. Sheikh Khalifa's legacy has reached beyond the UAE as he is been known for his humanity and charitable works towards other nations when spreading goodness and peace, as well as extending his kind helping hand in aiding all those in need.

The legacy of our late leader Sheikh Khalifa bin Zayed Al Nahyan is engraved in the conscience and hearts of the people of the UAE. We all pray to Almighty Allah to bless the soul of Sheikh Khalifa Al Nahyan with His Mercy and bestow all of us with patience and solace.

College & Research Libraries News to Move to Online-Only Publishing Model

College & Research Libraries News (C&RL News), the official newsmagazine and publication of record of ACRL, will adopt an online-only publication model beginning in January 2022. The December 2021 issue will be the final print issue of the magazine. C&RL News is freely available as an open access online publication.

The ACRL Board of Directors and C&RL News editor-in-chief sought input from the Budget & Finance Committee, C&RL News Editorial Board, ACRL Publications Coordinating Committee, ACRL Membership Committee, and ACRL Section Membership Committee on a variety of potential publication models for the magazine. These representative groups of the ACRL membership agreed that the transition to an online-only model is in the best interest of the publication and association moving forward. The shift to an online-only publication model brings C&RL News in line with College & Research Libraries journal, which moved to an online-only model at the beginning of 2014.

“The Board’s decision to transition C&RL News to an online-only format represents an important step in ensuring the sustainability of the magazine for years to come,” said ACRL President Jon E. Cawthorne of Wayne State University “The Board looks forward to working with the C&RL News editor-in-chief and editorial board as they continue to innovate to maintain quality and keep awareness of the magazine high in the online-only environment.”
