### Seminar #6:

"The post Covid-19 scenario from the perspective of Caribbean countries".

As part of the **cycle of seminars "Reflections on the World and Food Security in LAC post COVID-19"**, we present the participation of **Chelston Brathwaite, Director General Emeritus of IICA**.

"In China, I learned that the word crisis has two components: **Danger and opportunity**. Within the context of the coronavirus pandemic, we are already in the danger zone, so we have to **seek out**

**opportunities, which could arise from this situation”.**
