

MAGNOLIA Steering Committee Meeting

Agenda

April 20, 2022

(Virtual Meeting)

Welcome/Introductions

Record meeting

Legislative Appropriate

- Announcement about the legislative session

Budget

- Review budget for FY22
- Budget discussion for FY23
 - Discuss surplus options
 - Add to our current subscriptions (FY24 budget is unknown)?
 - Impact of inflation?
 - One-time purchases?

Database evaluation discussion

- Evaluate current databases to ensure they are being used and still appropriate
- Need to provide means of input for all types of libraries (survey, online meetings, etc.)
- Transparency throughout the process
- Subcommittee or Steering Committee?
 - If subcommittee, recommendation of members (should include someone from all types)
- Develop survey to find out other databases that may be of interest from libraries and/or thoughts on existing products?
- Criteria to consider?

- OCLC FirstSearch
 - Subscription ends 7/31/2022
 - Usage statistics. [View the usage stats here.](#)
 - <https://public.tableau.com/app/profile/stephen.cunetto>
 - Consequences of not-renewing
 - Survey to determine their interest in this database?

- EBSCO databases
 - Subscription ends 7/31/2022
 - Usage statistics. [View the usage stats here.](#)
 - A few options to discussion
 - Are our current databases being used?
 - Are our current databases still appropriate?
 - Should we swap existing databases for others within EBSCO?

- Review other products
 - Based on discussion regarding the surplus option above, do we want to review new products?
 - Process?
