Gouverneur

Capt. Mayher
owing to his continued ill
health feels it his duty
to resign which he does
today. I much regret
to part with the Capt. he
is a true and valuable man
when in health. We would
suggest Lt Stephen Boothby
for Capt of Co G Walstein
Phillips 10th Lt and Eustis
C. Bigelow 2^d Lt of the same
Mr Bigelow has been Sig. A. M.
Sergt & would be very accepta-
ble to the Co and officers as
they request it. I hope the
commissions will be forwarded

immediately as we need
the officers. B. M. Griffin
entered upon his duties
this morning.

Very truly
Your Obedt Servt
