Once Upon a Time

in a faraway land, there was a tiny kingdom.

Peaceful, prosperous, and rich in romance and

tradition. Here in a stately chateau, there lived

a widowed gentleman and his daughter,

Cinderella.

BLIND AND
LOST IN A
HAZE, I AM TRULY
I DIDN'T KNOW IT
WAS LOVE

1. Location: Fisher Student Center, 1st Floor (Fireside Seating Area)

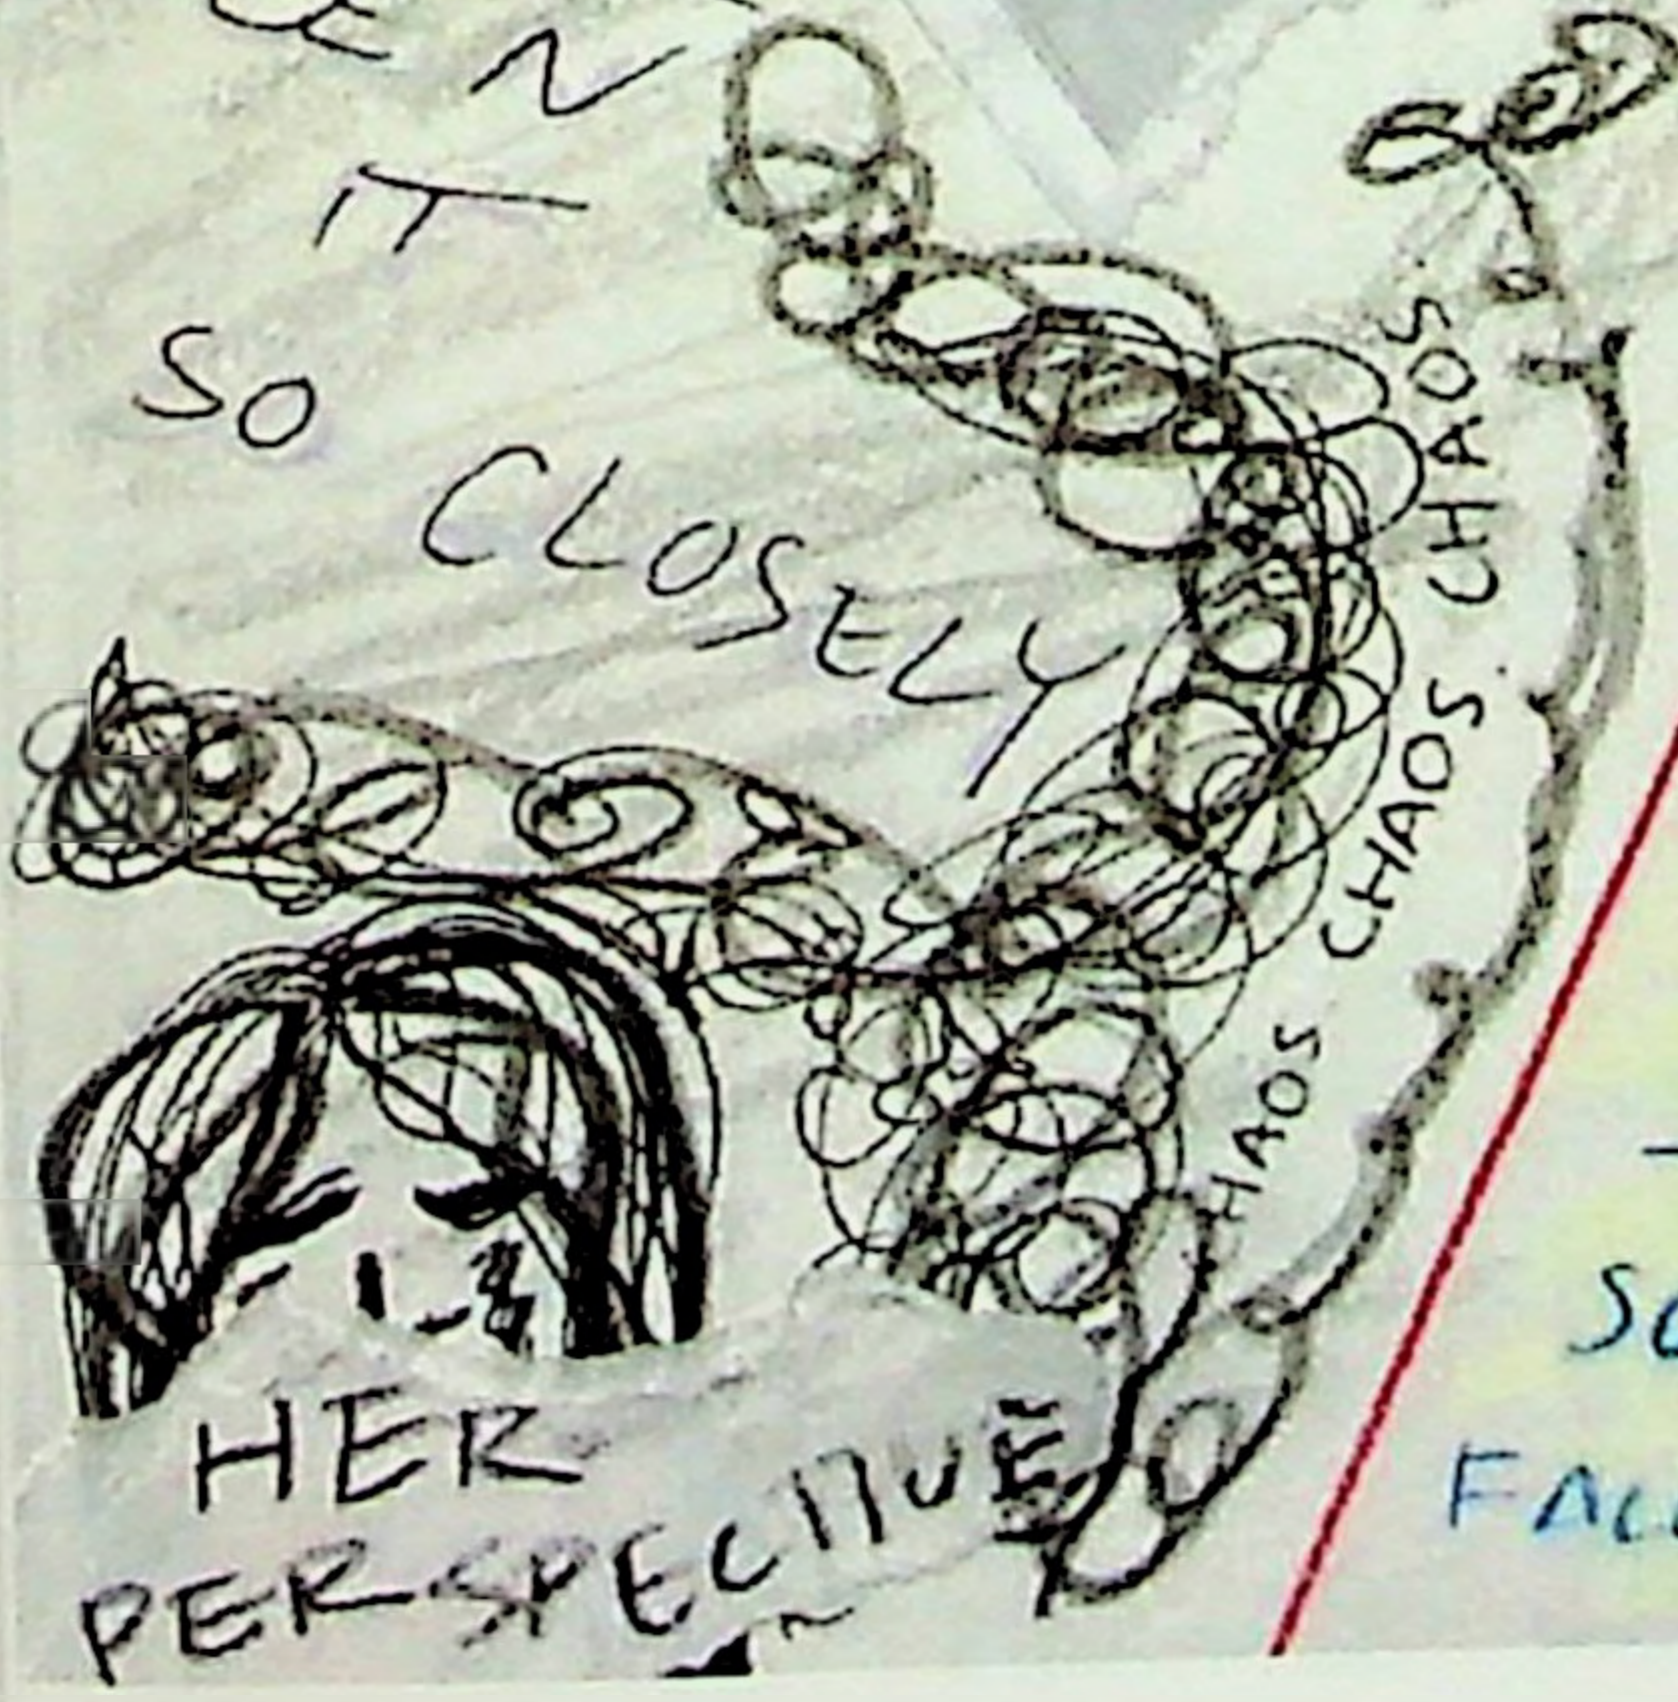

"I'm glad we're doing this; putting ourselves first", says the man to the woman. The man appears restless, look upon his face, as he sits across from a woman who is seemingly a romantic partner. He appears aloof, yet empathetic and caressing of his hand on her right knee. The man's unoccupied hand to alternate between anxiously pulling at his left ear lobe and sporadic indecisiveness. Whereas the woman is seemingly upset, as her initially uncrossed legs remain become crossed, removing his hand placement from her knee at the sound of his definitive behavior, undoubtedly highlights both her irritation and overarching pain as a result of his decision. Although her thoughts wandered alongside her gaze, she responded with an eventual "Yes. Glad we're doing this." followed by a bolt towards the door. It is evident that although her feelings and verbal communication were at odds, she prioritizes and respects the health and choices of her partner too much to pose any disagreement.

None of us deserved the things we put each other through.

DEMON SLAYER RATING ★ ★ ★

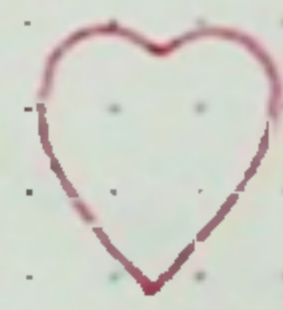

A young boy whose family was killed. However, his sister turned into one.

A SILENT VOICE RATING ★ ★ ★ ★ ★ Very depressing. Can be triggering. Made me cry. He tries to find a way to bring her back.

WHEN A PERSON HAS EXTREME SOCIAL ANXIETY, THEY STRUGGLE TO COMMUNICATE WITH OTHERS. THEY STRUGGLE TO FORM CONNECTION. IT DOESN'T MEAN THEY DON'T WANT TO.

Highly RECOMMEND To Others!!

- * A Silent voice - Extremely Sad!
- * Kotaro lives Alone - Sad, but cute.
- * Komi can't communicate - Definitely a cute anime! I would rewatch. 😊

I CAN'T HEAR. I AM DEAF.
