SUBJ: DISTINGUISHED PROFESSOR

The title of Distinguished Professor is an honorary title conferred upon a small number of NPS faculty in recognition of exceptional and sustained scholarly, teaching, and service accomplishments that have brought great credit to NPS, the NPS Mission, and to the faculty members themselves. This award is significant because of the excellence demonstrated by these faculty in all three areas over a significant period of time.

I am pleased to announce that the following professors have been named Distinguished Professors:

- Professor John Arquilla, DA
- Professor Moshe Kress, OR
- Professor John C. McEachen, ECE
- Professor Clifford A. Whitcomb, SE

Professors Arquilla, Kress, McEachen and Whitcomb will receive an NPS medallion to be worn with their academic regalia; to be presented at the September 21st graduation. They are entitled to use the academic title of "Distinguished Professor". Please join us at graduation to honor our colleagues.

My congratulations to Professors Arquilla, Kress, McEachen and Whitcomb.
