MEMORANDUM

From: Provost and Academic Dean
To: Faculty and Staff

SUBJ: DISTINGUISHED PROFESSOR

The title of Distinguished Professor is an honorary title conferred upon a small number of NPS faculty in recognition of exceptional and sustained scholarly, teaching, and service accomplishments that have brought great credit to NPS, the NPS Mission, and to the faculty members themselves. This award is significant because of the excellence demonstrated by these faculty in all three areas over a significant period of time.

I am pleased to announce that the following professors have been named Distinguished Professors:

- *Professor Phillip E. Pace, ECE
- *Professor Oleg A. Yakimenko, SE

Professors Pace and Yakimenko will receive an NPS medallion to be worn with their academic regalia. They are entitled to use the academic title of "Distinguished Professor". I hope you can be at the upcoming September 27th graduation to honor our colleagues.

Please join me in congratulating Professors Pace and Yakimenko.
