Special Issue Call: Narratives of Literacy

Narratives are life - Narratives are life - Narratives are life - Narratives are life - Narratives are life - Narratives are life - Narratives are life

LPR seeks researchers, educators, and artists to submit creative and meaningful narratives, relevant to the expanding view of the connection between life and literacy in the 21st century for an upcoming special issue dedicated to narrative inquiry.

We consider literacy to encompass all dimensions of communication, such as art, technology, photography, and various other semiotic systems.
