---

Neutral Atomic Hydrogen in  
Gravitationally Lensed Systems

---

Dissertation presented in fulfilment of the requirements for the  
degree of  
**PhD (Science)**  
in the Department of Physics and Electronics,  
Rhodes University

*PhD Candidate:*

Tariq Blecher

<https://orcid.org/>

0000-0001-8404-848X

*Supervisor:*

Prof. Roger Deane

*Co-Supervisors:*

Prof. Ian Heywood

Prof. Danail Obreschkow
