Free Workshop Series July 20-22: Summer of Social Demographics

By Tina Beis

Librarians Hector Escobar, Tina Beis and Heidi Gauder from the University Libraries will present a series of three 45-minute Zoom webinars July 20-22, each highlighting available resources to help users research demographics. In each session, a 30-minute demonstration will be followed by a 15-minute question-and-answer session. For additional information on the resources presented, see the [Summer of Social Demographics Research Guide](#).

SESSION 1: WORKING WITH SOCIAL EXPLORER

Hector Escobar will demonstrate Social Explorer, a library database that allows users to select and present census and other demographic data. With Social Explorer, users can view changes in data over periods of time. The collection includes data from many sources on a wide range of subjects from elections to religion.

- 2 to 2:45 p.m. Monday, July 20
