LIST OF MARIAN BOOKS IN  
THE ST. BARBARA PROVINCE, ORDER OF  
FRIARS MINOR.

The following list of Marian books in the libraries of the St. Barbara Province friaries is restricted to those books which can be called Marian in the strict sense of the word. Many books of a wider scope contain Marian material, such as the usual Mariological treatises in the handbooks of dogmatic theology. As a rule these latter works have been omitted in this list, along with some other works that only incidentally or occasionally treat of Marian subjects.

The list is arranged alphabetically, according to authors. As far as possible the code indication has been added, showing where these books are found. It is our hope that a revised edition of this list to be published as some future date will be more accurate in detail and more complete in scope. The following code letters have been used as abbreviations for the various friaries of the Province.
