Dear Anabel & Frank; Too darned
hot to write, but will drop you a
line. Glad to have your letters and
also Alice. Paul and Alice was al-
ways on the hard luck side, and
cheerful with it all - she is the
kind that smiles through her
tears. Regarding Thomas, I doubt if
it would be a good idea to
bring him any where with
the idea of finding work, because
as a boy 16 that is almost impossible
if it were a schooling proposition
that would be different. It might
be if he was sufficiently determined
on an education, he might be able
to earn a good part of his board
if he got help on the rise, or other
ever dependency there might be.
Of course, this would require
careful investigation. As to the

War, & are still not con-
vinced that there will be
a war. The whole hoop and
huroh, may be a fine way
for Hitler to take what he
wants, then "Compromise",
and every body's face would
be saved. However, we shall
see what we shall see in
a few days. Don't have any plans
yet - too hard to think.
Having a 5 lb boxed pullit to -
morrow. We are over O.K.
and I will tell you more
definitely later. May go to
N.C. on business Tuesday.
Best love to all

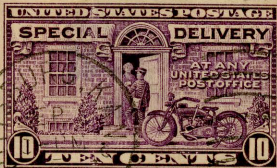

Bob & Jan
