Dear Quibel & Frank: Glad to get your letter, and I just talked with Dr. Neuman this afternoon. He says he can make the Babcock test. If you decide to come down, let me know when to expect you. Went to the farm yesterday. Loved how the wheat about our hay saved. We are pulling a new roof on the house - which was damaged by the hail. Still wanting to see if it is a war. I feel that a peace will have to

patched up since Palau
is now out. I feel that
the Young Communist Party
in France, may cause
trouble to May and Russia
might engineer or join
in a 3 way pact with
Germany and France
and Lord Roper and
the "Democrats" to
hold the sock. However
we shall shortly see
what we shall see.
Am in hurry to
get this off. Write
soon - Love as ever,
Dad & Jan
