Dear Anabel & Frank:

Were glad to get your  
letter which came Sunday.

The weather here has  
been awfully cold and  
we have been keeping  
close to our rooms. Don't mind  
it though as we have  
lots to read. Have read a  
good part of "Inside Area".

A fellow border, the young  
fellow who is guard at  
the Soldiers Hospital - loaned  
it to me and am reading  
it instead of Down over  
years - Well I hope the  
Pharos. Have also been reading  
a book which is a compilation  
of philosophies of various prominent  
personages, such as Einstein,  
Bertrand Russell, John Dewey, Prof  
Compton - and some 15 or 20  
others outstanding in many  
fields. The book, "Inside Area",  
is a great book on the subject.

I enclose clipping from  
"Book" which is a preview of  
Traps of Wrath.

As to our plans, since we will  
doubtless have lots of winter from  
now on, I believe we will  
drive down south, probably  
to the Rio Grande Valley in  
Texas. That is the country  
south of San Antonio. The  
temperature here last night  
was 5 below zero. Believe  
me it was plenty cold this  
morning. You forgot to enclose  
Praxis letter. I am working  
to close up some business  
at N.C. which will take  
till the lase of the week,  
and then the storm will  
probably break and we  
will drive south. We will  
be gone about six weeks,  
and will come up for a  
visit when we come  
back. Will probably call  
you before we leave. Write us here.  
Love to Eva, Dad & Jim.
