Dear Tracks:

We received your letter and glad to hear that you were all O.K. as you leave us. Weather here is like 4 of July weather. you know we picked several baskets of Peas and thought they would keep for a good while, but this hot dry weather ripened them so fast, that we moved into a lady to can them on thurs. They are as nice and sweet as Cartier Peas. She will also prepare some of them.

Well Lewis Spear has knocked the apple cart over. I believe it will crush Rosie's defeat, and the War Mergers too. The great issue now I believe is to put out of War everything she can wait.

Well here I am on the second Chapter. Quaker - here is a plan

I have been thinking on for
some time. I expect to begin
practice again - soon as I
can tell what the relation is
from the War - and some place
in Missouri. I am not well
upon the Mo. Law and practice.
I think I will locate at Columbia
for awhile, - either Cooid or
Small apple. - and attend some
Law lectures. Associate with
students and professors - and
familiarize myself with Library
and text books - and in every
way get up to date on Missouri
Law and procedure.

So, we may come up to Columbia
soon - strike Camp - and we
will then be situated where we
can be together often. This
is my reaction. now but
I will write you definitely
on the 7th soon. Don't worry about
James too much. All new matters
do that, but most of the best things
never do happen. Love and more very
soon. Not due to Chicago now about
the 7th. What Payment. Adm. D. D. D.
