Dear folks: Well we
were glad to get your
letter and learn that you
were all O.K. We are
all right - except a little
hay fever. It is said
that there was a light
frost Thursday night,
and if that is correct,
it will lessen the
pollen count considerably.
We haven't had much
luck renting the
wheat land. Many
people wanted to
rent the farms,
but we didn't see
any one that looked
good. I think maybe

We can rent the
land and improvements
on the fourth side
of the Bay for Cash
and share crop the
rest. Well this cool
spell was sure
a relief. The tem-
perature here a week
ago was 96. You
will have to keep
your room warm
for Jamie as he
will be very sensitive
to chilly temperatures
he is much older.

Mety came today and
cleaned up all the
grass and weeds
about the place.
College opened on
Monday and is

now well under way.
There seems to be quite
a good movement
but this dose will
doubtless open
it later on.

A big noise is
being made about
the Welke home
coming at Coffeyville
on next Monday.

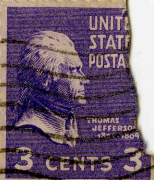

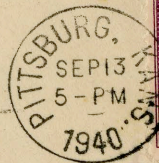

Welke is to speak
here briefly when
his train gets there.
This campaign is the
most "papered" (much
& judgy) has ever
played. The intention
of bankers here is
on one hand, and
Welke on the other.
I have some bus-
iness about K.C.

and we will probably
go up there or ~~at~~ to
the Spgs. soon, and
remain for a while.
I am wondering
if Wayne got tired
out of the job.
It would
be fine for her.
We 2 will be
writing you soon
again so will
close now.

Write soon as you
can and time
as we are always
glad to get your
letters and the news
about you all.

As Ever
