Mr. Guy D. Jossierand, Director of the Forestry, Fish and Game Commission, has referred the matter about which you have written, to me for further attention.

If you will be good enough, President Rarick, to supply us with the legal description of the property to be declared a Game Refuge, we will arrange for the legal publication and other duties that are necessary to declare this property a formal Game Refuge.

Mr. Dave Leahy, Jr. Chief Deputy
Forestry, Fish and Game Commission,
Topeka, Kansas.

Dear Mr. Leahy:

I am enclosing the legal description of the boundary of the Kansas Frontier Historical Park. This is a bit complicated, but I believe it is correct. About two years ago we had this area re-surveyed in order to correct an error in the recording at the county court house.

If there is anything further that we need to do please let us know.

Sincerely yours,

President.
