Subject: May 7 groundbreaking for new physical sciences bldg.

Faculty, staff, and students, please mark your calendars for 1:30 p.m. on Friday, May 7 for the official groundbreaking of the new physical sciences building. The ceremony will take place on the site behind Forsyth Library unless inclement weather necessitates that we gather in the Black and Gold Room in the union.

Among the official guests attending this historical event are Governor Joan Finney and Regent Sidney Warner. We have not yet heard if Senator Dole is able to come.

Please join us.
