Dear Sister Mary:

Thank you for your invitation to the Prayer Vigil and Walk in Postville on Tuesday, May 12. I will be unable to attend as the Senate will be in session on that date.

As I mentioned during my meetings in Postville in December, my office is here to serve. Staff in both my Cedar Rapids and Washington offices have visited your community and stand ready to help the citizens and community during these difficult times.

Please continue to share your views or refer your citizens to my office who have particular problems with federal agencies. My Cedar Rapids office has recently relocated to permanent space at 150 1st Avenue SE, Suite 325, Cedar Rapids, IA 52401.

Best wishes for a memorable afternoon.

Sincerely,

Charles E. Grassley
United States Senator
