March 23, 1942.

Mr. Joseph Wicks,  
Cannon Ball, North Dakota.

Dear Joe:

Here are the copies of Mr. Case's bill you asked about. I hope they will answer any questions you have in mind.

I think I'm doing pretty well down here and I am getting someplace on the proposition of stopping the Army Engineers from building the high dam at Garrison.

I surely hope you do get down to Washington and I will be mighty glad to see you.

Spring arrived in Washington only one day behind schedule. I hope it gets to North Dakota before very long.

Sincerely yours,

Usher L. Burdick, m.c.
